Chapter 1541: Jian Wushuang and Real God Wu Bei

In the open space, many Universe Gods were looking at Jian Wushuang and Duan Lingfeng with puzzled expressions.

Both of them had passed the third test. However, there was only one White Blaze Fruit tree for this test. Hence, how could it be split?

"I don't really care. The White Blaze Fruits is useless to me; you can have it," Duan Lingfeng said.

"How can you do this?" Jian Wushuang frowned.

The White Blaze Fruit tree was indeed useless to Duan Lingfeng. However, he could give the White Blaze Fruit tree to the Almighties as they would definitely be willing to pay a high price for it.

"There's no changing my mind. If you think that you owe me, then I shall treat it as you owing me a big favor. If I were to ask you for help if I am ever in trouble, it's will alright as long as you don't decline," Duan Lingfeng said.

"Of course," Jian Wushuang nodded his head immediately, "If you, Duan Lingfeng, were to be in trouble in the future, as long as it doesn't go against my intentions, I, Jian Wushuang, will definitely do my best or even put my life on the line to help you."

"I am contented with this," Duan Lingfeng nodded his head and it was obvious that he was still uninterested in the White Blaze Fruit.

On this matter, Jian Wushuang could not do anything.

In fact, even if there was no White Blaze Fruit tree, considering his friendship with Duan Lingfeng, if Duan Lingfeng were to ask him for help in the future, he would definitely not decline.

"The third test has ended. Apart from the two people who managed to win the treasure, everyone else can leave." When Real God Wu Bei, who was at the highest point of the cave, waved his big hand and space passages which led to outside the cave appeared on the void by the side immediately.

There were over a hundred thousand Universe Gods on the open space. However, although most of them were a bit dissatisfied, they did not feel any attachment to the cave. Hence, they moved their bodies and left.

"Jian Wushuang, this is my transmission token. If you come across any trouble in the future, you can use this token to contact me. Of course, if I need your help, I will also use this token to contact you," Duan Lingfeng handed a token over to Jian Wushuang.

After receiving it, Jian Wushuang nodded his head and laughed: "We will see each other again soon."

Duan Lingfeng's body moved and he left the cave via the space passage as well.

In no time, everyone had left. Only Jian Wushuang and the God Destroying King remained.

Both of them were the ones who had obtained the final treasure.

“Jian Wushuang, I applaud you. You have obtained two out of the three White Blaze Fruit trees,” the God Destroying King stared at Jian Wushuang.

“Didn’t you get one White Blaze Fruit tree as well?” Jian Wushuang giggled.

The God Destroying King also revealed a smile.

Indeed, he had also obtained a White Blaze Fruit tree which was enough for him to report the completion of his task to the person backing him.

At that moment, the dim shadow of Real God Wu Bei, which was at the highest point of the cave, descended in front of the both of them.

“It’s very difficult to move the White Blaze Fruit tree. Hence, I must do it one by one for the three trees. You shall follow me first,” Real God Wu Bei shot a glance toward the God Destroying King.

“Understood.”

The God Destroying King followed Real God Wu Bei to a special space to move the White Blaze Fruit tree at once. As for Jian Wushuang, he waited quietly.

After some time, both of them came out of the special space. The moment they walked out, the God Destroying King’s eyes were filled with delight. It was obvious that the tree had been moved successfully.

“All right, you can leave already,” Real God Wu Bei said apathetically.

The God Destroying King nodded and left via the space passage.

In the huge cave, only two people remained.

They were Jian Wushuang and the dim shadow of Real God Wu Bei.

At that moment, the two of them were facing one another. Real God Wu Bei’s shadow also came together gradually and became a black-clothed middle-aged man with the an evil-looking forehead.

His penetrating eyes stared at Jian Wushuang with lightning speed and he only started to speak after quite a while.

“Little kid, you are called Jian Wushuang?”

During the three tests previously, he had got to know Jian Wushuang’s name from the other Universe Gods’ discussions.

“You should know that the reason I purposely let the God Destroying King leave first is so that you will be left here alone, right?” Real God Wu Bei’s voice was a bit cold.

“I know,” Jian Wushuang nodded his head, “Because I am the same as you. We are both Inverse Cultivators!”

“Haha, glad that you know,” Real God Wu Bei laughed evilly, “The appearance of my cave has attracted many Universe Gods. However, I didn’t expect an Inverse Cultivator like you to also be within the Universe Gods. Moreover, if I didn’t see wrongly, you should still be a the Universe God of the Second Heaven, but you have a special treasure which allows you to conceal your aura.”

Jian Wushuang possessed a treasure that had been manufactured by the founder of the Lineage of Star, and this treasure allowed him to hide his aura and even his Soul Power. Hence, normal experts and even normal Almighties would not be able to see through him.

However, Real God Wu Bei was also an Inverse Cultivator and they were inside his cave. As such, he was able to see through Jian Wushuang clearly.

“Even though you are only a Universe God of the Second Heaven, your abilities have reached such a level. In addition, you are also ranked third on the Universe God ranking list. You are even stronger than I was back then when I was in your shoes,” Real God Wu Bei exclaimed in admiration.

He had also grown up step by step, starting from being a weak person himself.

He had also experienced the stage of being a Universe God. Back then when he was still a Universe God of the Second Heaven, he could only barely make it into the top twenty of the Universe God ranking list at his peak. There was no way for him to get stronger as well. After all, there was lot of restriction with regards to the Unique Skills. However, Jian Wushuang was in the top three and it was obvious that Jian Wushuang was more outstanding than him.

“Real God Wu Bei, since you know my identity, you should also be certain that my motive for coming to this cave is not only for the White Blaze Fruit and its tree,” Jian Wushuang said seriously.

“You wish to get Real-God level Inverse Cultivation Techniques from me, right?” Real God Wu Bei looked at Jian Wushuang with interest.

“That’s right. That’s my main objective,” Jian Wushuang nodded his head earnestly.

Back then, when he came to the Wu Bei’s cave, helping the Lineage of Star to fight for the White Blaze Fruit and its tree was his secondary objective.

The most important thing was still himself.

He needed Real God-level Inverse Cultivation Techniques.

It was only with the necessary cultivation techniques that he could make a breakthrough and become a Real God-level Inverse Cultivator.

Without the cultivation techniques, he would stay at the level of Universe Gods for the rest of his life.

“Indeed, I know the Real God-like Inverse Cultivation Techniques and I can even give them to you. However, there is a condition,” Real God Wu Bei said.

“What condition?” Jian Wushuang questioned at once.

“I want you to help me kill someone, a personal enemy of mine,” Real God Wu Bei’s eyes turned cold.

“Your personal enemy?” Jian Wushuang’s expression changed, “Who is your personal enemy and how strong is he?”

“He is the Demon Heart Kingdom’s monarch, an Almighty who rules many Holy Kingdoms,” Real God Wu Bei said in a low voice: “He and I have a huge score to settle. When I was alive, there were numerous times that I wanted to kill him. However, I couldn’t do it as his abilities were slightly stronger than mine. Moreover, his background is powerful. Until the day I die, I still haven’t managed to find any opportunities!”

“An Almighty?” Jian Wushuang was shocked, “Real God Wu Bei, even when you are at your peak, you are still unable to kill the Demon Heart Kingdom’s monarch. Yet, you want me, a Universe God, to kill him?”

Chapter 1542: Superior?

“Why are you anxious? I’m not asking you to kill him now but later on when you enhance your power and have the capability to,” Real God Wu Bei stole a glance at Jian Wushuang.

Jian Wushuang let out a breath of relief and immediately replied solemnly, “Real God Wu Bei, I can promise you that I will figure out a way to kill Demon Heart Kingdom Monarch on your behalf as soon as I have the ability to. If I were to not reach that level ever, you couldn’t blame me.”

“Don’t worry. If you were to never reach that kind of level or if you passed away, I naturally couldn’t pin the blame on you. Plus, at your current level, you are really far off that level. Forget about the other factors, it is still unknown whether you can become Real God successfully. After all, you have one last Inverse Cultivation Test to go through,” Real God Wu Bei sighed.

“The last Inverse Cultivation Test is the toughest test as an inverse cultivator. Although you are quite powerful, the possibility of you passing the test is still not high.”

Jian Wushuang’s pupils contracted as he heard that remark.

“Real God Wu Bei, you’re an inverse cultivator at the stage of Real God. In other words, it meant that you passed through all three Inverse Cultivation Tests. Can you tell me what the last Inverse Cultivation Test about?” Jian Wushuang asked.

Inverse Cultivation Test, the toughest test for an inverse cultivator.

The previous two Inverse Cultivation Tests that Jian Wushuang had been through had brought him to the brink of death.

Naturally, for the third Inverse Cultivation Test, the toughest test, Jian Wushuang was worried himself.

“I can’t tell what the third Inverse Cultivation Test is exactly. but the moment I expose the Inverse Cultivation Test, it will become entirely different,” Real God Wu Bei explained, “However, I can tell you that when it comes to my third Inverse Cultivation Test, everything that I went through still strikes fear in me now. Plus, because of the Inverse Cultivation Test, it caused a drastic change in my temperament. Hence, the people in Eternal Chaotic World treat me as a madman.”

Jian Wushuang's eyebrows were tightly knitted.

The third Inverse Cultivation Test had made Real God Wu Bei so terrified and his temperament underwent a drastic change?

"Just how scary was the test?" Jian Wushuang muttered.

Real God Wu Bei didn't explain much but extended his hand and took out a grey stone bead.

"Huh?" Jian Wushuang looked and his gaze instantly fixed onto the grey stone bead.

He wasn't unfamiliar with the grey stone bead. When he had received the Heavenly Creation Skill previously, it was contained in the grey stone bead.

Jian Wushuang had yet to find out what material the stone bead was made out of.

"The inverse cultivation skill of Real God level, also the sixth step of inverse cultivation, is stored in the stone bead," Real God Wu Bei smiled and passed the grey stone bead to Jian Wushuang.

Jian Wushuang took the grey stone bead and swept his soul power over it. He was delighted.

"The Sixth Step of Cultivation Strength!" Jian Wushuang's eyes were twinkling with joy.

"I only have the Sixth Step of Cultivation Strength. I cultivated to the extreme limit of a Real God with this skill when I was live. However, as I couldn't get my hands on the Seventh Step of Cultivation Strength, which is the one that equals the skill of an Almighty, I have trapped it there. I didn't even break through when I died," Real God Wu Bei sighed.

"Even Real God Wu Bei couldn't find the Seventh Step of Cultivation Strength? Could it be that?the Seventh Step of Cultivation Strength never existed?" Jian Wushuang frowned.

"That's not it. I know who carries the Seventh Step of Cultivation Strength but that person... He's too aloof. Forget about me, many Almighties who are much stronger than I am aren't even qualified to see him. I naturally don't stand a chance. I don't even have the chance to get in touch with him. How can I ask him to pass me that skill?" Real God Wu Bei smiled bitterly.

"Is that so?" Jian Wushuang nodded in silence.

"Jian Wushuang, if you were to reach the level I was at before I died one day, you could ask any Almighty who is stronger. Any Almighty who is strong will know who has the Seventh Step of Cultivation Strength," Real God Wu Bei asked.

"I understand," Jian Wushuang understood.

Then, Real God Wu Bei flipped his palm and two dark, mysterious rings appeared in his hand.

"Senior Wu Bei, what's this?" Jian Wushuang looked at the two rings suspiciously.

"These two rings contain a White Blaze Fruit Tree each. I gave God Destroying King one just now for him to leave first. Hence, I did some tricks," Real God Wu Bei said.

"A White Blaze Fruit Trees in these two rings? How is it possible?" Jian Wushuang was amazed.

He could tell that the black rings should be Qian Kun rings.

Although there was storage space in a Qian Kun ring, it was used to keep various kinds of treasures. However, treasures were treasures, they were dead objects. But White a Blaze Fruit Tree was a true living thing.

It possessed life-force.

In Eternal Chaotic World, whatever life-force, such as human cultivators, exotic beasts, they were alive, how could they be kept in Qian Kun ring?

Even the Natural Treasures had to be plucked and cut off from their life-force before storing them in Qian Kun ring.

But then, the two Qian Kun ring...

“Why? You find it unbelievable, right?”

Real God Wu Bei looked at him with a smile, “When I first received these few rings, I was astonished too. However, such a Qian Kun ring existed and it was made by a superior personally, back when the Almighties were fighting over the White Blaze Fruit Tree and had an insane fight. The reason they couldn’t call the match was that the procedure was very complicated to maintain the White Blaze Fruit Tree’s life-force when they wanted to transplant it.

“But it was different for me.”

“I took the entire plot of land that cultivated the sapling of White Blaze Fruit into the ring while the Almighties could only watch me.”

“No wonder Real God Wu Bei, you can take away the sapling of White Blaze Fruit so openly before the Almighties. This is why, huh?” Jian Wushuang complimented and then asked, “You said that these few rings were made by a superior. Would this superior be the one that helped you nurture the other two White Blaze Fruit Trees?”

“Yes, it’s him. Actually, not only the ring and the nurturing of White Blaze Fruit Tree, even the restriction in my cave is set up by him. Because of the existence of the restriction, the Almighties outside can’t enter,” Real God Wu Bei smiled.

“Even the restriction is set up by the superior? Who exactly is this superior?” Jian Wushuang asked curiously.

“I don’t know his exact identity, nor do I know his actual power. I only know that he is very good at making weapons, formation and many realm techniques. Even many Almighties who specialized in weapon-making and formation couldn’t be compared to him favorably. He is definitely one of the most mysterious people I’ve seen all my life,” Real God Wu Bei said.

Jian Wushuang was stunned when he heard it.

Chapter 1543: The Arrival Of The Palace Master

He was exceptionally talented in manufacturing weapons and using spells of many realms.

Moreover, he was also very mysterious.

This caused Jian Wushuang to think of his own Master, Xuan Yi, instantly.

Similarly, his Master's background was extremely mysterious.

Moreover, his Master was also very proficient in manufacturing weapons, using spells, as well as in many other areas.

He was very similar to the great person Real God Wu Bei mentioned.

"Could it be Master?" Jian Wushuang frowned.

However, he was unable to confirm it.

It might just be a coincidence.

However, it might also be him.

If the great person who Real God Wu Bei had mentioned were really his Master Xuan Yi, then he would indeed be extremely mysterious.

"No matter what, I have no way of finding out if that person is my Master," Jian Wushuang shook his head and stopped thinking about it.

"I have given you all the things that you wanted. Remember our agreement. When you have the ability, please help me to kill the Demon Heart Kingdom's monarch. Now, please go!" Real God Wu Bei said.

Jian Wushuang's eyes squinted and he glanced at Real God Wu Bei deeply. After that, he gave a bow and entered the space passage which led to the outside world.

With Jian Wushuang leaving, only Real God Wu Bei was left in the big cave.

As Real God Wu Bei stood in his position, he raised his eyes and looked up at the heavens.

"Haha~~~"

All of a sudden, an insane laught could be heard from Real God Wu Bei and it shook the universe.

"Old bastard, I have done what you wanted me to do. Hence, I, Wu Bei... no longer owe you anything!"

"Haha!!!"

A mad laugh resounded within the whole cave and the enormous cave also started to shake with laughter. At the next moment, the whole cave started to collapse.

As for Real God Wu Bei, who was in the cave, he was completely swallowed by the collapsed cave and his figure dissipated slowly.

...

Outside Wu Bei's cave, the vast hall was still floating in the sky of the island.

Inside the big hall, many experts had gathered.

However, at that very moment, the eyes of the experts were focused on Lei Chao.

“Two White Blaze Fruit trees had been obtained by that little kid from the Lineage of Star!”

“Where did the insane luck of the Lineage of Star come from!”

With so many experts, as well as a few Almighties staring at him, even Lei Chao felt fearful.

However, at that moment... Swish! Another shadow appeared out of thin air from within the big hall.

It was a silvery, white-haired old man. His face was old and his aura was very normal. Hence, He looked like an ordinary old man.

However, when this ‘old man’ appeared, many experts in the vast hall went silent immediately.

The eyes of the Almighties also focused on the old man at once.

As for Lei Chao, who had felt a bit fearful moments ago, he became delighted when the old man arrived.

“Palace Master!”

Lei Chao appeared in front of the silvery white-haired old man immediately and greeted him respectfully.

“It’s the founder of the Lineage of Star!”

“The Star’s old monster?”

“This old bastard actually came personally?”

A number of Almighties frowned.

However, they also knew that Jian Wushuang had obtained two White Blaze Fruit trees from Wu Bei’s cave. Since this was such a big matter, it would naturally cause the founder of the Lineage of Star to be alarmed.

Therefore, the founder of the Lineage of Star ought to come personally.

“You may stand up,” the silvery white-haired old man who was the Star Palace Master glanced at Lei Chao and questioned him at the same time: “Where’s the little kid from my Lineage of Star?”

“He is still inside Wu Bei’s cave and is about to come out soon,” Lei Chao said immediately.

“Ok.” The Star Palace Master nodded. After that, he looked toward the Almighties, who were at the front of the big hall.

“Haha. Long time no see, Star old monster.”

A hearty laugh came from the center of the big hall from the red-haired old man who had a horn on his forehead. Quite a number of Almighties beside him stood up as well.

However, apart from the red-haired old man, when the other Almighties looked at the Star Palace Master, it was obvious that they were looking at him with respect.

Similar to Universe Gods and Real Gods, there were weak and strong Almightyies.

There were twenty Almightyies present and this was considered a lot. However, among them, only the red-haired old man could compete with the Star Palace Master. As for the other Almightyies, such as the owner of the Sky Sword Mountain and Tower Master Qi Fu, they were weaker than the Star Palace Master.

"Huo You, you're here as well?" The Star Palace Master looked at the red-haired old man.

"I just happened to be in the Red Dragon Sanctuary during this period of time. After I knew about the appearance of Wu Bei's cave, I hurried over to take a look," the red-haired old man, Huo You, giggled, "Star, come and take a seat."

With a wave of Huo You's hand, a long, narrow table appeared beside him immediately.

The Star Palace Master did not stand on ceremony. With a flash of his body, he appeared in front of the long, narrow table and sat down straight away.

"Star, that little kid from your Lineage of Star has indeed brought you credit. With so many Universe Gods fighting for the three White Blaze Fruit trees, he still managed to obtain two of them in the end. We are all really envious of you," Huo You gasped in admiration.

"This little kid's luck is indeed not too bad. However, as he had obtained two White Blaze Fruit trees, there's no avoiding the attention of people with hidden agendas. Hence, I have to rush over personally to bring him back," the Star Palace Master said nonchalantly.

As soon as his words left his mouth, the expressions of quite a number of Almightyies in the area changed slightly.

Before this, there were indeed some people among the Almightyies who had had their eyes set on Jian Wushuang. After all, two White Blaze Fruit trees were extremely attractive.

However, at the very moment, with the arrival of the Star Palace Master, those people had dropped the idea at once.

They had no guts to snatch items away from the Star Palace Master. Moreover, they did not have the ability to do so either.

"Haha. Don't be so blunt. As long as everyone understands," Huo You chuckled, "Oh right, that little kid of your Lineage of Star should be coming out of the cave soon."

"Understood," the Star Palace Master nodded his head. With a flash of thought in his mind, an invisible seal appeared beside him and Huo You immediately.

The invisible seal was merely a technique used to prevent others from hearing their conversation.

"Star, could it be that you wish to tell me something? Such that you have placed a protective screen on the time and space around us?" Huo You looked toward the Star Palace Master with surprise.

"Indeed, I need your help with something," The Star Palace Master spoke.

"What's wrong?" Huo You questioned.

“When the little kid of my Lineage of Star comes out, no matter what you see from him, please don’t mention anything,” the Star Palace Master said.

“Oh?” Huo You raised his eyebrows, “Could it be that the little kid has some sort of secret?”

“Please, just tell me whether you agree to it or not,” the Star Palace Master said.

“Haha. After hearing such things from you, I am now very curious about that little kid. Don’t worry, since you have asked me personally, I will naturally not decline. No matter what I manage to see later, I will not say anything,” Huo You laughed.

Chapter 1544: Deal

The experts in the hall were still waiting.

However, as the Star Palace Master came personally, there was no one who dared to plot against Jian Wushuang anymore.

Very soon, Jian Wushuang came out from the cave.

On the island, at the entrance of Wu Bei’s cave, Jian Wushuang leapt out along with a flash of light.

Just as he leapt out of the cave, the entrance behind him immediately shook and collapsed entirely.

Wu Bei’s cave then vanished into thin air.

Jian Wushuang only shook his head in silence when he saw what happened.

“Jian Wushuang.”

Lei Chao instantly sent him a message, “Did you see the palace above you? Hurry up and come over.”

Jian Wushuang didn’t hesitate but plunged towards the palace and appeared in the lofty hall.

Once Jian Wushuang had appeared in the lofty hall, he instantly felt the bold, vigorous auras in the hall.

Every single aura was terrifyingly strong.

Especially those seated in the higher areas in the hall. The casually-spread aura was already suffocating him.

“This, these people...” Jian Wushuang looked at the people around him and he felt dreadful.

He knew clearly that anyone at the scene could kill him easily.

These people were looking him up and down too. That made Jian Wushuang even more horrified.

“Jian Wushuang, hurry. Come and greet Palace Master,” Lei Chao’s voice was heard.

“Palace Master?” Jian Wushuang was stunned and followed Lei Chao’s guidance. He immediately looked at the white-haired elderly in the middle of the hall.

“Greetings, Palace Master,” Jian Wushuang immediately bowed and let out a breath of relief from the bottom of his heart, “It turned out that Palace Master came personally. I guess I don’t have to worry much,”

“Get up,” Star Palace Master waved and Jian Wushuang stood up.

The fiery-haired elderly next to Star Palace Master, Huo You, looked at Jian Wushuang with a strange look in his eyes.

“This aura... Universe God in the Second Heaven?” Huo You was surprised but he instantly understood.

“Haha, Old Monster of Star Palace, I finally know this young man’s secret. Haha...”

Huo You laughed heartily. However, due to the restriction of the surrounding void, the people around them, including the Almighty, didn’t know what he was talking about.

Huo You was one who was on equal footing as the Star Palace Master. The treasure that the Star Palace Master had made personally could conceal Jian Wushuang’s aura from everyone else at the scene, including the Almighty, but not him.

He definitely could tell Jian Wushuang’s ins and outs then.

He could tell that Jian Wushuang was merely a Universe God in the Second Heaven but people treated him as Universe God in the Third Heaven because of a treasure on him that concealed his aura.

As a Universe God in the Second Heaven, he was so powerful and he was in the top three on the Universe God ranking list?

No ordinary cultivator would be able to do that. There was only one kind of person who can do that.

An Inverse cultivator!

An inverse cultivator like Real God Wu Bei!

Huo You was certain that Jian Wushuang was an inverse cultivator.

“Huo You, do you remember what you promised me earlier?” Star Palace Master glanced at Huo You.

“Of course I do,” Huo You smiled, “Four White Blaze Fruits and I will keep this young man from Lineage of Star’s secret. I’ll never leak his identity as an inverse cultivator to anyone in the future. How about that?”

“Four?” Star Palace Master squinted his eyes, “You’re good at taking advantage, huh?”

“Haha, it’s only four White Blaze Fruits. Jian Wushuang got nine of them in the cave and also two White Blaze Fruit Trees. With the two White Blaze Fruit Trees, you can have however many White Blaze Fruits you want. What are four pieces to you?” Huo You laughed.

The Star Palace Master was on friendly terms with him but that didn’t change the fact that he took advantage of the Star Palace Master.

Plus, four pieces of White Blaze Fruits were really nothing much from the harvest that Jian Wushuang had got from Wu Bei’s cave.

“Four pieces of White Blaze Fruits, deal,” the Star Palace Master agreed directly.

“Great,” Huo You’s smile grew even wider.

The people in the surroundings could see Huo You talking to Star Palace Master and they seemed to reach a mutual agreement but they didn’t know the context of their agreement.

“Jian Wushuang, pass me the White Blaze Fruit Trees,” Star Palace Master looked at Jian Wushuang.

Jian Wushuang didn’t hesitate and immediately took out the two special rings that he had gotten from Wu Bei’s cave.

He looked at the two rings and the surrounding experts, including the Almighties. There was a glimpse of heat in their eyes but they pressed it down forcefully.

“The rings are quite interesting. I wonder how Wu Bei got them,” Star Palace Master briefly glanced at the rings and pocketed them.

“Pass me the four pieces of White Blaze Fruits that you got from Wu Bei’s cave,” Star Palace Master said again.

Jian Wushuang immediately took out four pieces of White Blaze Fruit.

Star Palace Master passed the four pieces of White Blaze Fruits to Huo You.

“Jian Wushuang, do you have any other matter to deal with? If not, follow me back to Lineage of Star,” Star Palace Master looked at him.

“Palace Master, please hold on for a while,” Jian Wushuang replied and came before an Almighty before everyone’s watch.

The Almighty was naturally the owner of Sky Sword Mountain.

“Senior Sky Sword, previously you told Mister Lei Chao to send me a message. I wonder, does it still count?” Jian Wushuang asked politely.

“Of course, of course it counts,” the owner of Sky Sword Mountain smiled, “When the fight is over, I said that as long as you offered me two White Blaze Fruits, you, who I once imprisoned in Sky Sword Prison, could release anyone you wished.”

“Here are two pieces of White Blaze Fruits. I’d like Senior Sky Sword to release Fiery King from Sky Sword Prison. Let him be free,” Jian Wushuang took out two White Blaze Fruits.

“Haha, no problem. When I return, I shall release him immediately without any delay,” the owner of Sky Sword Mountain was delighted.

“Please tell him to send me a message when he gets released,” Jian Wushuang said as he let out a breath of relief.

Fiery King, also the founder of Lineage of Scarlet. The secret skill of Scarlet Kingdom was created by Fiery King himself.

Previously when he was imprisoned in Sky Sword Prison, Fiery King took good care of him and Jian Wushuang was grateful. He wanted to rescue Fiery King.

Then, he had finally made the owner of Sky Sword Mountain release Fiery King. He considered himself to be removing a thorn in his heart.

“Two pieces of White Blaze Fruit in exchange for the freedom of a first stage Real God. Sky Sword, you made quite a good deal. Huh?” Star Palace Master glanced at the owner of Sky Sword Mountain.

The owner of Sky Sword Mountain smiled awkwardly.

However, Star Palace Master didn’t worry much about him and left with Jian Wushuang and Lei Chao soon after.

...

Chapter 1545: Things Have Settled Down

It had ended.

The crazy fight that was participated in by many top Universe Gods in the Eternal Chaotic World had finally come to an end.

Many Universe Gods who had participated in the fight left with sadness.

During the crazy fight, some people had died without experiencing anything big while some people had trampled on the bodies of others and got a reputation for themselves.

During this fight, Jian Wushuang was one of the most dazzling figures.

In particular, Jian Wushuang had obtained two White Blaze Fruit trees and nine White Blaze Fruits alone. This has allowed the Lineage of Star to become the biggest winner of the fight this time around.

His name had also reverberated across the whole Eternal Chaotic World again.

...

Inside an old cave within the Lineage of Star.

Jian Wushuang, Hall Master Yuan and Lei Chao were standing in front of the Star Palace Master respectfully.

“Palace Master, I have already opened up a standalone star in the Endless Milky Way. Moreover, I have already started to set up a spell. As soon as the spell is complete, we can nurture the two White Blaze Fruit trees. As for the resources needed to nurture the trees, we have already prepared quite a decent amount,” Hall Master Yuan said.

“We only need to nurture one White Blaze Fruit tree,” the Star Palace Master said.

“Eh?” Hall Master Yuan and Jian Wushuang became stupefied.

“The White Blaze Fruit tree is extremely precious. Just one tree alone is enough to make many Almighties go crazy. Although the Lineage of Star is one of the big powerhouses of the Eternal Chaotic World, we are not strong enough to have two trees at the same time. Hence, I have decided to give the other tree to the emperor,” the Star Palace Master said.

“The emperor?” Hall Master Yuan was stunned. After that, he nodded his head.

As for Jian Wushuang, he had a puzzled expression.

“Jian Wushuang, the emperor whom the Star Palace mentioned should be the Purple Moon Emperor of the Purple Moon Sanctuary,” the King of Venomous Worms’ voice echoed in Jian Wushuang’s head. As the King of Venomous Worms only grew inside Jian Wushuang’s Ancient God Body, his existence was not known even to the Star Palace Master.

“The Purple Moon Emperor is equivalent to the Master of the Purple Moon Sanctuary. He is a super expert who stands at the top of the Almighties in the Eternal Chaotic World. Moreover, he is a lot stronger than the Star Palace Master, as well as the Almighties that you saw previously!”

“The Star Palace Master is really smart. He knew that with the Lineage of Star’s abilities alone, it would be very difficult to possess two White Blaze Fruit trees. By giving one of them to the Purple Moon Emperor, the Lineage of Star would gain the support of the Purple Moon Emperor. Hence, no one would dare to set eyes on the White Blaze Fruit tree in the Lineage of Star.”

“Is that so?” Jian Wushuang nodded his head.

“The Purple Moon Emperor?”

Jian Wushuang also took note of the name.

“Jian Wushuang.”

All of a sudden, the Star Palace Master looked at Jian Wushuang, “It is all thanks to your abilities this time around that the Lineage of Star is able to obtain these two White Blaze Fruit trees, as well as a few White Blaze Fruits. The Lineage of Star is fair in meting out rewards and punishments. Since you have achieved a great feat for the Lineage of Star, I will naturally give you an award. Although this reward cannot be compared to the value of the two White Blaze Fruit trees, it will still be of use to you.”

“How about this: If you need any treasures or resources, tell Hall Master Yuan later so that he will prepare them for you. In addition, I will allow you to enter the Real God Hall every hundred years. Moreover, you can stay inside for one year for every entry, until you become a Real God.”

After hearing what was said, Jian Wushuang’s eyes brightened up.

The Real God Hall was the most precious training resource of the Lineage of Star and it was extremely useful to Universe Gods.

However, it was not easy to open the Real God Hall as every opening would require a huge price to be paid. Hence, in the Lineage of Star, even if it were the Star Palace disciples, it was not easy for them to enter the Real God Hall for comprehension.

For example, when Jian Wushuang had risked his life to complete the Ultimate Disciple Task previously, his total award had only amounted to three months in the Real God Hall.

But what about that very moment?

He could enter the Real God Hall every hundred years. Moreover, he could stay for a year for each entry?

What great treatment was that?

“Jian Wushuang, your talents knows no limit and there might be some hope for you to become another Almighty of the Lineage of Star in the future. Thus, the Lineage of Star will do its utmost best to help you grow. However, before this, there will still be a long journey ahead of you. The more noteworthy one is at the very moment. Your Inverse Cultivation Test for the Third Heaven should be quite close to you.”

The Star Palace Master looked at Jian Wushuang.

“If you clear this final Inverse Cultivation Test for the last Heaven, you will rise to the top at one go.”

“However, if you were to fail, there would be no more hope for you forever!”

“Remember, you must be extremely careful.”

“Understood,” Jian Wushuang nodded his head seriously. He himself was very clear that the Inverse Cultivation Test for the Third Heaven was his final test, as well as one of his greatest obstacles.

This obstacle was extremely important.

“You may leave now,” the Star Palace Master waved his hands.

At once, Jian Wushuang, Hall Master Yuan and Lei Chao bowed and left.

After leaving the cave, the three of them stood in the Endless Milky Way.

“Jian Wushuang, I have passed the Palace Master’s words down. From now on, you can enter the Real God Hall once every hundred years. Moreover, if you need any resources or treasures, you can tell me directly and I will do my best to help you get them,” Hall Master Yuan said.

“Understood, thank you very much, Hall Master Yuan,” Jian Wushuang laughed.

“No need to stand on ceremony. By the way, did you get what you wanted from Wu Bei’s cave?” Hall Master Yuan looked at Jian Wushuang.

What he was asking about was naturally the Method of the Inverse Cultivator’s sixth step.

“I got it,” Jian Wushuang giggled.

“That’s good. Continue your training. Tell me when the Inverse Cultivation Test for the Third Heaven is here so that I can help you to prepare,” Hall Master Yuan said.

Jian Wushuang nodded his head. After that, he headed to his own Sword Star.

At the Sword Star.

“Qiu Yue, this Qian Kun Ring has quite a few training resources. Please share it with your sisters. For the next period of time, I will probably be staying in the Lineage of Star. If you have questions that you don’t understand, you can come and ask me,” Jian Wushuang was looking at the maids who were below him.

“Thank you very much,” Qiu Yue and the maids were all extremely delighted.

As the Sword Star Master, Jian Wushuang treated the maids under him quite well.

He would help if he could. Moreover, he would give them some training resources occasionally.

For Jian Wushuan, the training resources that he gave randomly were enough to cause Qiu Yue and the rest of the maids to be over the moon.

Inside a secret room, Jian Wushuang was sitting down alone with his legs crossed.

“From the journey to Wu Bei’s cave this time round, I have benefited greatly. In addition, my Soul Power has risen greatly as well. For the abilities of a Universe God of the Second Heaven like me to reach such a level is already very impressive. If I wish to continue getting stronger, I can only improve my comprehension toward the Heaven’s Way at best,” Jian Wushuang was quite helpless as well.

In the end, he was only a Universe God of the Second Heaven. Hence, his abilities were restricted.

“I wonder when the Inverse Cultivation Test for the Third Heaven will come. Will it be soon?”

Chapter 1546: There’s News

Jian Wushuang stayed in Lineage of Star since then.

He never paid attention in cultivation as his power had reached a bottleneck. The only thing he could do was improve his comprehension towards Reincarnation Doctrine and Spacetime Doctrine. However, such comprehension didn’t require him to cultivate in seclusion but natural comprehension in a relaxed state would have a better effect.

Jian Wushuang stayed in Sword Star and drank with Ling Feibai, Long Ya and a few others occasionally. Sometimes, he would give pointers to Qiu Yue and the other maidservants regarding cultivation.

Every one hundred years, he would visit Real God Hall and he would stay in there for a year.

The time flew past. It had been a thousand and eight hundred years in the blink of an eye.

In the one thousand and eight hundred years, Jian Wushuang lived at ease. In the one thousand and eight hundred years, he stayed in Lineage of Star and never left.

...

Real God Hall.

The entrance suddenly opened and Jian Wushuang, who had comprehended in it for a year, slowly exited.

After he exited Real God Hall, Jian Wushuang let out a heavy sigh.

“As expected, ever since my comprehension towards Spacetime Doctrine reached the standard of passing the first level of Doctrine Palace, my comprehension towards the Power of Heaven Way has stopped entirely. Even after I comprehended in Real God Hall for a year, there wasn’t much improvement,” Jian Wushuang felt helpless.

He knew since long ago that with his improvement in comprehension, his speed of improvement was as slow as a snail, even with the assistance of Real God Hall.

A hundred years ago, also one hundred thousand and seven hundred years after he had come back from Wu Bei’s cave, his comprehension towards Spacetime Doctrine already reached the standard of the first level of Doctrine Palace.

After reaching that standard, he had no space for improvement in terms of comprehension towards Power of Heaven Way.

For the past century, there was no improvement in both Reincarnation Doctrine and Spacetime Doctrine.

“I’m still restricted by my realms as Universe God in the Second Heaven,” Jian Wushuang sighed emotionally.

In his current state, he had even reached the limit of unique skill that his realm could be at.

It was the same in terms of soul strength.

Then, even his comprehension towards Power of Heaven Way had reached the limit of a Universe God in the Second Heaven.

In other words, unless he passed his third Inverse Cultivation Test and become a Universe God in the Third Heaven, he wouldn’t improve at all in terms of his power.

Many years passed but the third Inverse Cultivation Test never came. There weren’t even any signs of it coming.

Regarding that, Jian Wushuang was rather helpless too. He could only sit and wait patiently.

Lineage of Star, in the rolling palaces, Jian Wushuang was walking alone slowly.

On the way, he met many disciples of Lineage of Star. The disciples were discussing him quietly as they looked at him with admiration.

One should know that for the past one thousand and eight hundred years, the brand new Universe God ranking list and the incident in Wu Bei’s cave had spread like wildfire.

As the most eye-catching person in Wu Bei’s cave and the third-ranked on Universe God ranking list, Jian Wushuang was naturally the disciples’ role model.

They were even many disciples of Lineage of Star who treated Jian Wushuang as the pride of Lineage of Star.

After all, ever since Star Palace Master had started Lineage of Star, Jian Wushuang had been the first to get listed in the top three on Universe God ranking list.

But what they didn't know was that he was deeply distressed that his third Inverse Cultivation Test had yet to come.

Just then, there was a message that popped in.

"Mister, the person that you asked Vientiane Tower to look for, we found a clue."

Jian Wushuang's footstep paused and there was a glimpse of light in his eyes.

"Finally, there's news!" Jian Wushuang couldn't help but clench his fists.

Two thousand years ago, since he had been released from Sky Sword Prison, he found Vientiane Tower and entrusted them to look for his wife for him for a price of ten hundred million Chaos Gem.

Vientiane Tower promised that they would reply to him within three thousand years.

But then, it had been two thousand over years and Vientiane Tower really did give him an answer.

...

On Star land, in a secret room in the Vientiane Tower branch where Jian Wushuang had requested the task.

"Mister, according to your criteria, Vientiane Tower went through two thousand years of searches and finally found one person. It is extremely likely that she is the Primordial Great Sinner that you are looking for," a purple-haired elderly stood before Jian Wushuang as he said.

"Extremely likely? In other words, it's not certain?" Jian Wushuang creased his eyebrows.

"It's hard to be certain. After all, her behavior is creepy and she won't reveal herself, nor did she fight with anyone. Vientiane Tower only found her through multiple indications. We are definite that she is a Primordial Great Sinner and she is a woman. On top of that, she only appeared in Eternal Chaotic World within the last ten thousand years!"

"With these three indications, although Vientiane Tower isn't a hundred percent sure that she is the person you're looking for, we are at least seventy percent confident," the purple-haired elderly said.

Jian Wushuang's pupils contracted.

A Primordial Great Sinner, a woman, and she had only appeared in Eternal Chaotic World in the past ten thousand years.

The three signs did match his wife, Leng Rushuang (Leng Ruxue).

"It must be her!" Jian Wushuang grew emotional and he immediately asked, "Where is she now?"

"According to the news that Vientiane Tower received, she is currently in Blood Demon Church in Jiu Gong Holy Kingdom and she seems to hold a high position in Blood Demon Church," the purple-haired elderly replied.

"Blood Demon Church?" Jian Wushuang creased his eyebrows.

The name Blood Demon Church itself indicated that it wasn't any kind sect.

"Blood Demon Church in Jiu Gong Holy Kingdom belonged to a strong force. They seem to have quite a few Real Gods too," the purple-haired elderly smiled.

"In a Holy Kingdom, means that it is outside of Ten Cultivation Sanctuaries?" Jian Wushuang muttered to himself.

Soon after he left Vientiane Tower, he returned to Lineage of Star.

When he arrived at Lineage of Star, he went to see Hall Master Yuan immediately.

In the cave made of unique gemstones.

"Jian Wushuang, it's rare that you come to see me. Could it be that your third Inverse Cultivation Test is coming, or did you reach a bottleneck in your cultivation and you need me to prepare some cultivation resources for you?" Hall Master Yuan looked at Jian Wushuang attentively.

"The third Inverse Cultivation Test never came, not even a sign. As for cultivation resources, I don't need them as of now. I came here today to ask Hall Master Yuan for a favor," Jian Wushuang said.

"Oh?" Hall Master Yuan raised his eyebrows. He knew that Jian Wushuang's character was proud and aloof. If it was something he could do himself, he definitely wouldn't ask for the other's assistance. But then, Jian Wushuang found him. He definitely ran into trouble that he couldn't resolve on his own.

"Tell me, what do you need me to do for you?" Hall Master Yuan looked at him.

Chapter 1547: Real God Jiu Gong

"I wish for Hall Master Yuan to send some of the Lineage of Star's Real Gods to help me go to a powerhouse and capture someone alive," Jian Wushuang said.

"Capture someone alive?" Hall Master Yuan was surprised.

"That's right," Jian Wushuang nodded his head.

The body of his wife Leng Rushuang was currently being controlled by Leng Ruxue. Moreover, Leng Ruxue was a consciousness that was given birth by the extremely evil Primordial Great Sin. If he wished to rescue Leng Rushuang, he would need to first capture Leng Ruxue alive. After that, he would request Hall Master Yuan's help. With an Almighty's power, it might be possible to suppress Leng Ruxue and awaken his wife's, Leng Rushuang's, consciousness.

Hall Master Yuan laughed indifferently and asked, "Which Sanctuary and which sect?"

"That powerhouse is not within the ten Cultivation Sanctuaries. Instead, it is at the Jiu Gong Holy Kingdom. It is also said that a few Real Gods exist there," Jian Wushuang said.

"The Jiu Gong Holy Kingdom?" Hall Master Yuan frowned all of a sudden.

"Hall Master Yuan, is it troublesome?" when Jian Wushuang noticed a change in Hall Master Yuan's expression, he could not help but ask.

"It is indeed troublesome. Truthfully, it is very troublesome."

Hall Master Yuan's voice became low, "Jian Wushuang, if the person who you wish to capture alive is in another Holy Kingdom, it would be all right even though they are ruled by the Almighty. With the power that the Lineage of Star possesses, we could send experts straight away. For example, we can send Lei Chao over and help you to capture the person alive. Even though this is done, the Almighty in charge of the Holy Kingdom would not look for us over such a small matter."

"However, the person who you wish to capture alive now is within the Jiu Gong Holy Kingdom and the Jiu Gong Holy Kingdom is different from the other Holy Kingdoms."

"How so?" Jian Wushuang frowned.

The Lineage of Star did not have to worry about the Holy Kingdoms controlled by Almighties. However, why was Hall Master Yuan so concerned about the Jiu Gong Holy Kingdom?

"Jian Wushuang, let me tell you the truth. The monarch of Jiu Gong Holy Kingdom is a Real God with abilities to stand at the top. He is Real God Jiu Gong and just like Lei Chao, he is also in the Real God ranking list. Moreover, he is ranked fifth in the Real God ranking list!" Hall Master Yuan said.

"Fifth in the Real God ranking list?" Jian Wushuang was shocked.

The Real God ranking list and the Universe God ranking list were quite similar in nature. For one to get into the Real God ranking list, he would definitely need to be in the top few among the Real Gods.

As for Real God Jiu Gong, for him to be ranked fifth in the Real God ranking list, his abilities are probably very close to an Almighty's.

"Not only is Real God Jiu Gong powerful, his way of doing things is also very unreasonable. Moreover, the most important thing is that there was once a huge incident between him and the Lineage of Star," Hall Master Yuan said.

"What?" Jian Wushuang was stunned.

Real God Jiu Gong actually had a grudge against the Lineage of Star?

"Jian Wushuang, do you remember Ling Dan, the person who I sent you over to defeat at the Green Lightning Sect?" Hall Master Yuan said.

"Of course I remember," Jian Wushuang nodded his head.

He still remembered Ling Dan slightly. After all, it was a match that made him famous.

He had defeated Ling Dan with one stroke, and later on, he had pushed back the Seven Planet Palace Master. With that, he had become famous and got into the twentieth position of the Universe God ranking list.

"Back then, Ling Dan had intentionally provoked the Lineage of Star. If not for you appearing and defeating him, the Lineage of Star would definitely have lost its prestige. After that, I intentionally sent people to investigate him in detail. After the investigation, I realized that there were some dealings between Ling Dan and Real God Jiu Gong. It seemed that Real God Jiu Gong had promised to make him his disciple if he could make the Lineage of Star lose its prestige." Hall Master Yuan said.

“This kind of thing actually happened?” Jian Wushuang understood.

It was no wonder that Ling Dan was so unwise back then where he had challenged the prestige of the Lineage of Star. It was all due to Real God Jiu Gong’s promise.

“Back then, Real God Jiu Gong was forced out of the Purple Moon Sanctuary by the Lineage of Star. For many years, he dared not even take a single step into the Purple Moon Sanctuary. As for the Holy Kingdom that he controls, the experts in the Lineage of Star naturally don’t dare to go there. If they were to go to his Holy Kingdom and be discovered by him, he would definitely not hesitate to take action to kill the Real Gods of the Lineage of Star,” Hall Master Yuan said.

“Is that so?” Jian Wushuang frowned.

At that very moment, Leng Ruxue was in the Blood Demon Church within Jiu Gong Holy Kingdom. Apart from there being a few Real Gods in the Blood Demon Church, some of them also possessed strong abilities. Hence, there would be no hope for him to charge into the Blood Demon Church and rescue Leng Ruxue alive. As such, he had to rely on the Lineage of Star.

However, he did not expect Jiu Gong Holy Kingdom to be controlled by Real God Jiu Gong.

“Jian Wushuang, it is not good to provoke Real God Jiu Gong. Moreover, the Jiu Gong Holy Kingdom is his territory and he would definitely know of any disturbances in his own territory. Hence, the Real God experts of the Lineage of Star absolutely cannot go there as it would be sending themselves to their own deaths. This applies to you as well. Although you are a Universe God and that he might not kill you due to his identity, he can still order the experts under him to kill you. In any case, if you were to go there, you would face very high risks as well. Thus, you had better not go as there is really no choice. However, you can still get someone to go on behalf of you to capture the person,” Hall Master Yuan said.

“No, I have to go to the Jiu Gong Holy Kingdom personally as that person is extremely important to me!” Jian Wushuang said with a low voice.

“Extremely important?” Hall Master Yuan frowned.

“Hall Master Yuan, there are some things that are inconvenient for me to tell you. However, I really have to go to the Jiu Gong Holy Kingdom,” Jian Wushuang said.

Hall Master Yuan started to mutter to himself at once.

After some time, he looked at Jian Wushuang again, “Jian Wushuang, it’s alright if you really need to go there. I will use the resources of the Lineage of Star to hire a few experts who will travel along with you to help you. Although the Real Gods of the Lineage of Star are unable to enter Jiu Gong Holy Kingdom, we can still hire people secretly and Real God Jiu Gong won’t know about it.”

“However, you must promise me something. After reaching Jiu Gong Holy Kingdom, you have to think of a way to hide your identity properly. Secondly, do not take action personally. You can get the experts that I have hired for you to do the work.”

“Understood,” Jian Wushuang’s eyes brightened and he spoke immediately, “Since that’s the case, I will make a move to Jiu Gong Holy Kingdom first. I have to first clarify if that person is the person who I’m looking for. After confirming, I will inform you again.”

“No problem. Remember that you have to be very careful. Also, isn’t the Real God who you paid two White Blaze Fruits to get the owner of the Sky Sword Mountain to release from the Sky Sword Prison in the Star Land? You can look for him and get him to go with you,” Hall Master Yuan said.

“Big brother Fiery King?” Jian Wushuang’s eyes brightened up.

Not long after the fight in Wu Bei’s cave had ended, the Fiery King was released by the owner of the Sky Sword Mountain. After he came out, he sent a message to Jian Wushuang at once to thank him.

Moreover, in recent years, the Fiery King also came from the Sky Sword Mountain to the Star Land personally to thank Jian Wushuang in person. Hence, at that very moment, the Fiery King was staying in the Star Land.

Jian Wushuang sent a message to the Fiery King at once.

Chapter 1548: Blood Demon World

Blood Demon World in Jiu Gong Holy Kingdom.

Blood Demon World was made of a dozen worlds and it had a vast territory.

Blood Demon Church was the overlord of Blood Demon World, the true local tyrant.

Blood Demon Church could also be considered a strong force, even within Jiu Gong Holy Kingdom.

Blood Demon World was one of the many worlds. In a pavilion in an ordinary city, a man and a woman sat together. The man was a middle-aged man in loose, long robe while the woman was a beauty in a white robe.

From their behavior, they should be husband and wife.

“Husband, it has been three days, why hasn’t Protector Jin Yan arrived?” The beauty in a white robe creased her eyebrows.

“Don’t worry. Protector Jin Yan already messaged me. He will be here soon,” the middle-aged man said.

“I feel that Protector Jin Yan isn’t reliable. He is from Blood Demon Church after all. The people from Blood Demon Church are all demons,” the beauty in a white robe looked concerned.

“Shh,” the middle-aged man signaled her to keep quiet and he said, “It’s okay if you say that elsewhere but in Blood Demon World, don’t speak recklessly. Otherwise, we might be killed.”

The beauty in a white robe felt her heart skip a beat.

“Actually, I know that there’s a risk asking for help from experts in Blood Demon Church. But we have no choice. Only they can help us with the trouble we’re having. Otherwise...” The middle-aged man sighed and felt helpless too.

If it wasn’t because he had no choice, he wouldn’t get involved with anyone in Blood Demon Church.

Then, a few figures walked into the pavilion at the same time. The one walking at the front was a blonde, brawny elderly.

Both the middle-aged man and the beauty in a white robe stood up simultaneously as they saw the people.

“Protector Jin Yan,” the middle-aged man greeted with a smile.

The blonde, brawny elderly who walked in the pavilion glanced at the middle-aged man and he looked calm. But when he saw the beauty in a white robe behind him, there was a change in his expression and there was a strange look in his eyes.

“Haha, Universe God Qi Yi, right? Come, let’s sit and discuss,” the blonde, brawny elderly, Protector Jin Yan, smiled as the three of them sat by the table. Then, the middle-aged man poured some wine.

“Protector Jin Yan, sorry to trouble you to get involved personally. My wife and I shall raise our glasses in a toast,” the middle-aged man, Universe God Qi Yi, raised his glass.

“You’re welcome.”

Protector Jin Yan smiled as he looked towards the beauty in a white robe. After chugging the wine, Protector Jin Yan said, “Universe God Qi Yi, the favor that you asked for is quite troublesome. Even I have to spend some time and effort to take care of it. If you really want to resolve this, you have to show some sincerity. With the agreed price, it might not be enough.”

“Not enough?” Universe God Qi Yi creased his eyebrows. Actually, the price he had paid was already very high, but he was well prepared as Protector Jin Yan was a man in Blood Demon Church.

“I wonder what else Protector Jin Yan needs. I will prepare for you immediately,” Universe God Qi Yi replied.

“You don’t have to prepare anything. The thing that I want, you have it right now,” Protector Jin Yan said.

“Oh?” Universe God Qi Yi looked confused.

“Actually, it’s nothing major. I’d like your wife to serve me for a while. Not long, maybe about a hundred or two hundred years will do,” Protector Jin Yan said casually.

“What?” Universe God Qi Yi’s face suddenly grew grave.

The beauty in a white robe next to him was terrified too.

“Protector Jin Yan, your joke is not funny at all,” Universe God Qi Yi had already stood up, anger raging in his eyes.

“I don’t have the time to make a joke with you,” Protector Jin Yan’s face grew cold too. “Your wife has to serve me for two hundred years. Otherwise, I will not help you.”

“Humph, you will not help. There will be other people who are willing to help. Jun Er, let’s go,” Universe God Qi Yi pulled the beauty in a white robe by her arm and wanted to leave.

“Hold on,” Protector Jin Yan smirked coldly, “Although the deal didn’t go through, I can’t be making a trip for nothing, right? How about this? The price that you offered previously, forget about it. But your wife has to stay.”

“Protector Jin Yan, don’t go overboard!” Universe God Qi Yi and the beauty in a white robe was angry.

“Overboard? Haha, this is Blood Demon World and Blood Demon Church rules here. I can do whatever I like. Who can do anything to me? You should blame your wife for being so enchanting that I can’t stand the temptation,” Protector Jin Yan scoffed as he stood up, “Brothers, go and catch the beauty for me. When I’m done with her, all of you can take turns for her to serve you.”

“Haha, thank you Protector Jin Yan.”

The few Universe Gods who stood at the side looked excited. Their burning gazes fixed onto the beauty in a white robe.

“B*stard!”

Universe God Qi Yi was angry and his aura suddenly soared.

“This annoying Universe God Qi Yi, just kill him!”

The few Universe Gods from Blood Demon Church had a sudden murderous intention and... hong!

A massacre was suddenly induced. The exquisite pavilion instantly broke into parts from the impact of divine power.

Universe God Qi Yi and the other few people’s figures instantly soared up in the void above the city and they startled the cultivators in the entire city.

“Husband!”

The beauty in a white robe had a green sword in her hand as she rushed onto the battlefield.

However, although the couple were Universe Gods in the Second Heaven, their opponents were five Universe Gods in the Second Heaven.

Plus, there was Protector Jin Yan, who was a Universe God in the Third Heaven, watching by the side.

“Humph, just a Universe God in the Second Heaven and he wants to counter-attack?”

Protector Jin Yan smirked in disdain and he fixed his gaze on the beauty in a white robe, “Don’t hurt my beauty. I have to take good care of her.”

With a malicious smile, Protector Jin Yan moved and appeared behind the beauty in a white robe. He extended his hand to grab her shoulder.

“Husband!”

The beauty in a white robe was frightened and went as pale as a sheet.

“You evil Jin Yan!!!”

Universe God Qi Yi let out a shrill roar that shook the heavens and earth.

Just as Protector Jin Yan's palm reached for the beauty in a white robe's shoulder, vroom!

A shapeless force suddenly soared over from nowhere and Protector Jin Yan's smile immediately stiffened. The few experts from Blood Demon Church who were besieging Universe God Qi Yi looked terrified too. The next moment, the few person's gazes grew dim and their bodies fell helplessly.

That sight shocked all the cultivators in the city who were watching the battle.

In the void, Universe God Qi Yi and the beauty in white robe were shocked at the sight.

Chapter 1549: Elder Xue Yang

"My husband, what... what happened to them? The white-robed beautiful woman questioned shockingly.

"It's an expert. An expert has acted secretly to help us."

Universe God Qi Yi was looking at the void around him. However, he did not manage to find the origin of that power.

"No matter who helped us, both of us are extremely grateful!"

Universe God Qi Yi bowed down to the void around him. After that, he pulled his wife's hand and left immediately.

The city then went into a complete uproar.

A protector of the Blood Demon Church had died within the city and this was a big matter.

Moreover, the most important thing was that it was unknown who the protector was killed by or how he was killed.

Many cultivators from the city had started to find the mysterious expert who attacked the protector. However, they were unable to find him.

At the very next moment, just opposite the void where the fight had broken out between Universe God Qi Yi and the protector, two figures were sitting down on a spot near the window in a pub.

"Jian Wushuang, didn't Hall Master Yuan of the Lineage of Star remind you many times not to act unless you have absolutely no choice? Why did you act in the end?" the Fiery King who had scarlet hair, scarlet eyebrows and even a scarlet beard looked at Jian Wushuang while laughing and holding a wine cup.

"I have already checked. Although there are quite a number of cultivators in this city, the strongest person is only a normal Universe God of the Third Heaven. Hence, no one will be able to tell that I am the one who did it," Jian Wushuang said indifferently.

"Even if that's the case, we must still be careful," as the Fiery King spoke, he exclaimed in admiration soon after, "However, the Blood Demon Church's people's way of doing things is really unreasonable. They were actually snatching other people's wives without any restraint in front of so many cultivators in

the city. It is no wonder that the cultivators of the Blood Demon Church would say that the Blood Demon Church's people are all demons. Looking at it now, that seems to be the case."

Jian Wushuang frowned slightly.

Back then, by just hearing the name, he could tell that the Blood Demon Church was not a decent powerhouse. After coming to the Blood Demon World for real, he realized that the Blood Demon Church was even more evil than he had expected. For example, a small matter like snatching other people's wives could make the Blood Demon Church's people start killing people.

The Blood Demon Church still had some small powerhouses and sects. On ordinary days, as soon as they disrespected the Blood Demon Church even the slightest bit, the Blood Demon Church would destroy the sect straight away or even destroy their clan. All in all, the Blood Demon Church was the overlord of the Blood Demon World.

"Such a powerhouse actually existed for so many years in the world. Yet, no experts acted to destroy it," the Fiery King muttered.

"If the Blood Demon Church dared to do such things within the ten Cultivation Sanctuaries, they would have been destroyed many times. However, this place is only a Holy Kingdom. Hence, the Blood Demon Church is considered a top powerhouse. As long as one is not stupid enough to provoke Real God Jiu Gong, he would not be killed," Jian Wushuang said. However, his mind was filled with worries.

After all, there was a high possibility that Leng Ruxue was inside the Blood Demon Church.

"Jian Wushuang, what do we do now?" the Fiery King looked over.

"Let's go somewhere near the Blood Demon Church's base. I have to first confirm whether the person I'm looking for is there," Jian Wushuang said.

In no time, Jian Wushuang and the Fiery King set off.

The Blood Demon Church's base was within one of the regions of the Blood Demon Church. When Jian Wushuang stepped into this region.

"Eh?" Jian Wushuang's heart skipped a beat and he took out a token immediately.

It was a special golden token and it was given to him by Emperor Tang after his marriage with Leng Rushuang in the Green Fire World back then.

Back then, when Leng Rushuang's consciousness was about to go into a deep sleep, Emperor Tang had intentionally left a seal inside her consciousness. Unless Leng Rushuang's consciousness woke up and she went to erase the seal herself, it would be impossible to erase the seal even if Leng Ruxue was controlling the body and had her abilities rise to a very high level.

As for the golden token, it could sense the existence of that seal.

When Jian Wushuang appeared in the region where the Blood Demon Church was in that very moment, the golden token had a reaction.

"As expected, it's her!"

Jian Wushuang clenched both his fists tightly and he was extremely excited.

Previously, although he obtained the news from the Vientiane Tower, be it the Vientiane Tower or him, they were unable to confirm if the person within the base of the Blood Demon Church was actually Leng Ruxue.

However, at that very moment, Jian Wushuang could confirm.

“Shuang’er, I have finally found you!”

“Please wait a while longer. In no time, I will get your consciousness to wake up and let you control your own body again.”

Jian Wushuang’s eyes were glowing brilliantly.

Of course, before that, he still needed to be sure of the true abilities of the Blood Demon Church.

...

As a powerful overlord within the Jiu Gong Holy Kingdom, the Blood Demon Church had quite a number of experts.

Among them, those who stood at the highest level were naturally the few Real Gods and below them were a few Elders who were Peak Universe Gods of the Third Heaven.

Among those Elders, one of them was Elder Xue Yang.

Elder Xue Yang had come from a normal region within the Jiu Gong Holy Kingdom originally. Moreover, when he was small and weak, he had been chased around by strong enemies. As such, he had escaped to the outside world and roamed about everywhere. After that, as he had no choice, he went to the Blood Demon World and joined the Blood Demon Church with an identity as a Universe God of the First Heaven. With the help and the resources within the Blood Demon Church, his abilities grew continuously and he became an Elder of the Blood Demon Church in the end.

When he became an Elder, he lived his life comfortably. In the Blood Demon World, one could run wild willfully. When many weak forces in the Blood Demon World were facing him, they trembled in fear and were extremely terrified of him as they were scared that they might have offended him. Everywhere he went, people would bow to him and try to win his favor.

As soon as ignorant people provoked him, he would not need to act personally. Instead, by giving an order, on the second day, that person, the sect that he was in, his loved ones and good friends, would all be killed.

Thus, it could be said that within the Blood Demon World, one sentence of his could decide the fate of many people.

Elder Xue Yang also enjoyed the power and influence that he possessed.

However, at that very moment, his good days were about to come to an end.

“Who are the both of you?” Elder Xue Yang’s eyes were filled with a bit of fear as he looked at the two people who had appeared in front of him all of a sudden.

For the two people, one of them was carrying a longsword while the body of the other person was like fire. Moreover, either one of them could give him, a Peak Universe God of the Third Heaven, pressure that he never experienced before.

The pressure that he experienced was even greater than the pressure he had felt whilst facing the few Real Gods within the Blood Demon Church.

"I wish to ask you something. You had better answer it truthfully," Jian Wushuang's expression was cold and he was staring at Elder Xue Yang.

"I... I will do my best," Elder Xue Yang's throat was trembling.

"I know that you are an Elder of the Blood Demon Church which is considered quite a high position within the Blood Demon Church. Therefore, you should know some of the matters within the Blood Demon Church. Let me ask you. How many Real Gods does the Blood Demon Church have and how strong are they?"

Jian Wushuang's low voice echoed in the ears of Elder Xue Yang.

Chapter 1550: Three Stages of Real God

"The two of them are aiming at Blood Demon Church!"

Elder Xue Yang felt terrified but he didn't reply to Jian Wushuang's question instantly.

He knew clearly how brutal Blood Demon Church's conduct was. If he were to expose the privacy of the internal Blood Demon Church and they were to find out, he would definitely end miserably.

"Why? You're not willing to?" Fiery King glanced at Elder Xue Yang, "It seems like you will have to suffer for a bit."

"Elder Xue Yang," Jian Wushuang suddenly spoke.

Elder Xue Yang looked at Jian Wushuang subconsciously and was immediately attracted by the glaring crimson light in Jian Wushuang's eyes.

The crimson light was like a scarlet sun that was extremely eye-catching.

Eighteen Asura Hell instantly descended.

"No, no!!!"

Elder Xue Yang instantly gave out a blood-curdling scream. He fell into the dreamland and was unable to free himself from it.

With Jian Wushuang's current soul strength, it was close to a Real God's dreamland when he performed Eighteen Asura Hell with his all and it was extremely torturous to one's body and mind.

Although Elder Xue Yang was a Peak Universe God in the Third Heaven, he couldn't endure the terrifying torture of Eighteen Asura Hell.

“Ah! Ah!!!”

Elder Xue Yang’s eyes were bloodshot and his face was distorted in agony. He looked extremely ferocious.

The entire heaven and earth was drowned in his shrill scream. Luckily, before Jian Wushuang had pulled him into dreamland, Fiery King had already set up a layer of restraint at the surrounding void. Hence, the scream never spread and there was no communication allowed.

Very soon, Elder Xue Yang walked through each kind of torture in the dreamland and it slowly dispersed.

Elder Xue Yang looked exhausted as he collapsed on the ground. However, there was still an unprecedented fear on his face.

“Elder Xue Yang, the earlier dreamland, do you want to experience it again?” Jian Wushuang glared at Elder Xue Yang and said coldly, “Don’t be in a hurry. We have time. The earlier phantasmagoria, if you are willing to, we can do it ten times or hundred times.”

Ten times? A hundred times?

Just one time could make Elder Xue Yang close to going mad.

“No, no. I’ll say. I’ll tell you everything,” Elder Xue Yang shook his head and shouted.

Jian Wushuang and Fiery King smirked coldly at his reply.

“Jian Wushuang, your torturing measure is really impressive,” Fiery King couldn’t hold back his compliments.

In terms of power, Fiery King might be stronger by one notch. However, in terms of torturing measure, Jian Wushuang, who was a Universe God good at soul attacks, was much more skillful than Fiery King.

When he performed Eighteen Asura Hell with his all, forget about Elder Xue Yang, even an ordinary Real God might not be able to withstand it.

“Tell me, in Blood Demon Church, how many Real Gods are there in total?” Jian Wushuang enquired.

“There’s a total of four. There are three first-stage Void Real God and the other one is the founder of Blood Demon Church who is a Real God who already reached the second stage,” Elder Xue Yang didn’t dare to hide.

“Second stage?” Jian Wushuang’s pupils contracted.

“Eternal Real God?” Fiery King’s face grew solemn.

In Eternal Chaotic World, there were three stages for a Real God.

The first stage was Void Real God, which was the most ordinary king. In Ten Cultivation Sanctuaries, some weaker sects were appendage to Real Gods of that stage. For instance, Seven Planet Palace Master who Jian Wushuang had once suppressed, the Real Gods that were imprisoned in Sky Sword Prison, including Fiery God, Blood Emperor, Heartless King and so on, they were all in that stage.

However, Fiery King was considered at the peak of Void Real God.

The second stage of Real God was Eternal Real God.

Real Gods at this stage were much rarer than the first stage Void Real Gods. Even within Ten Cultivation Sanctuaries, if an Eternal Real God were willing, he could easily start a force or sect. For instance, most of the deacon elderlies were Eternal Real God.

As for the third stage of Real God, it was known as Chaotic Real God.

Those were Real Gods at the peak. There were very few Real Gods of that stage. Even a force like Lineage of Star had very few Chaotic Real Gods.

Of course, the bunch of Chaotic Real God at the peak were listed on the Real God ranking list. Their fighting power was extremely strong.

Like Lei Chao, he was one of the Chaotic Real God listed on Real God ranking list.

"For the three stages of Real God, every stage marks a vast difference. The Eternal Real God in Blood Demon Church is much scarier than the three Void Real Gods team up," Fiery God explained.

"Besides the four, is there any other experts in Blood Demon Church? I'm referring to the kind that is always in seclusion and hardly reveal themselves normally," Jian Wushuang continued to ask.

"I really have no idea," Elder Xue Yang shook his head and said pathetically, "Mister, although I am an elderly in Blood Demon Church, there are about twenty elderlies like myself in Blood Demon Church. We are considered higher-ups but we have no idea about the core secret in Blood Demon Church. For instance, I have no idea if there's any hidden expert in Blood Demon Church."

Jian Wushuang squinted his eyes and didn't doubt what Elder Xue Yang said.

"I have a portrait here. Take a look and see if you know this person or if you have seen this person in Blood Demon Church," Jian Wushuang took out a painting of Leng Rushuang.

Elder Xue Yang took a look at the portrait and he immediately looked shocked but he immediately shook his head, "Mister, I've never seen this person."

"Are you sure?" Jian Wushuang creased his eyebrows.

"I am sure. After all, a lady that looks this beautiful, if I were to see her, I'd definitely have an impression but I don't recall at all. This lady is definitely not in Blood Demon Church. Even if she were, I reckon she should be kept as maidservant by the people in the church. A maidservant that is so beautiful, who's willing to bring her out to share with everyone..." Elder Xue Yang had yet to finish his sentence.

Pak!

Jian Wushuang had already given Elder Xue Yang a tight slap. Then, Elder Xue Yang immediately spat a mouthful of blood and stunned.

"Maidservant?" Jian Wushuang harrumphed coldly.

He knew very clearly that there might be people with great power in the world who could forcefully take control of a Primordial Great Sinner. However, in Blood Demon Church, there wasn't anyone who had the ability to.

Plus, according to the information that he had gotten from Vientiane Tower, Leng Ruxue's position in Blood Demon Church was extraordinary.

"You'd better think about it carefully. If you say any more nonsense, you're going to die," Jian Wushuang bellowed.

"Yes, yes."

Elder Xue Yang nodded continuously and his eyes suddenly twinkled, "Yeah, mister. There's a mysterious person in Blood Demon Church. He might be the person you're looking for."

"A mysterious person?" Jian Wushuang was surprised, "Tell me."
