

Swordsman 1751

Chapter 1751: Seclusion

Emperor God Xue Gu was a famous and great expert in the Eternal Chaotic World!

In the past, the Sanctuary Alliance had always thought that Emperor God Xue Gu had a weird personality and he was unwilling to be constrained by the Sanctuary Alliance. However, it was only at that moment that they knew that Emperor God Xue Gu was actually someone from the Acheron Palace!!

As for the Acheron Palace, in order to get rid of Jian Wushuang, a Real God, not only did they employ five Sir Gods to deploy the Killing Formation of Nine Cuts, they also employed Emperor God Xue Gu to take action personally. They were really ruthless.

“As for later on...”

Jian Wushuang also gave a simple explanation regarding what he experienced later on. Of course, he had merely talked about some of his own trump cards briefly.

Upon hearing that Jian Wushuang had had an intense battle with Emperor God Xue Gu and that he also did his best to keep himself alive, Hall Master Yuan and Hall Master Gu Xin could not help but admire him.

When he reached the end where the ancient flood dragon appeared, swallowed Emperor God Xue Gu with one gulp, killed the four Sir Gods and attracted two extremely powerful experts to fight a great battle in the Buddhist Demon Sea, Hall Master Yuan, Hall Master Gu Xin and even the Star Palace Master were stunned.

“That legend is actually real?” the Star Palace Master murmured.

“That legend?” Jian Wushuang could not help but look at the Star Palace Master.

“A long time ago, there was a rumor in the Eternal Chaotic World. It is said that when the Ancient Past and the First Era crumbled, countless experts died during the great battle. However, at the same time, there was a portion of experts who did not die in the great battle. Instead, they entered a state of eternal deep sleep. As for the places that they are in deep sleep in, some of them are in the forbidden areas of the First Era’s battlefield while some of them are in the ancient battlefield.”

“These experts who are in deep sleep possessed exceptionally powerful techniques and even Great Emperors are afraid of them. For example, the Boundless Purgatory in the Second Lair, which is known for its mighty name, is said to be a place of deep sleep of an extremely powerful expert,” the Star Palace Master said earnestly.

“Boundless Purgatory?” Hall Master Gu Xin’s throat could not remain calm.

Going to the Second Lair was the same as going to one’s death if he were to travel there without the fighting capabilities of an Emperor God. For the Boundless Purgatory, Hall Master Gu Xin had only heard of it before.

As for Jian Wushuang, he could remain calm.

After all, back then in the Eighth Lair, he had also come across an expert who was in deep sleep.

He knew very well that the Eternal Chaotic World was not as simple as it looked on the surface.

“Jian Wushuang, according to what you have said, it seems like there are two experts in deep sleep in the Buddhist Demon Sea. However, due to the clash between you and the Acheron Palace, those two experts were awakened by chance and this resulted in the great battle which occurred later on,” the Star Palace Master said.

“Among the two experts, one of them said that I am definitely connected to a sect known as the Seven Star Black Sect. Thus, he took action and saved my life by sending me out of the Buddhist Demon Sea,” Jian Wushuang said.

“Seven Star Black Sect?” Hall Master Gu Xin was stunned as she had never heard of such a sect before.

“I know about the Seven Star Black Sect.” The Star Palace Master opened his mouth and said, “The Seven Star Black Sect is a powerful sect back in the Ancient Past. However, as the Ancient Past collapsed, this sect naturally disappeared along with their long history.”

“As for him saying that you are related to the Seven Star Black Sect, it is considered normal. Because, the Secret Skill of Star Palace that you have cultivated have come from the Seven Star Black Sect. As I was fortunate, I happened to chance upon this Secret Skill’s inheritance.”

“What?” Hall Master Gu Xin was stunned. However, she understood immediately.

The Secret Skill of Star Palace was frightening, extremely frightening.

Due to the existence of the Secret Skill of Star Palace in the Lineage of Star, many powerhouses were afraid of the Lineage of Star.

As for such a kind of Secret Skill, under normal circumstances, even Great Emperor-level experts would be unable to create it. Thus, Hall Master Gu Xin had suspected whether this Secret Skill was created by the Star Palace Master a long time ago. However, the Star Palace Master had never spoken about it before.

At present, the Star Palace Master had taken the initiative to admit it.

“This is what has happened.”

After listening to Jian Wushuang, Hall Master Yuan, Hall Master Gu Xin and the Star Palace Master gasped.

They knew very clearly how dangerous Jian Wushuang’s experience this time around was.

At the same time, they had become even more fearful of the Acheron Palace.

“Jian Wushuang, for you to be able to escape by the skin of your teeth this time around, apart from the fact that it was due to your powerful abilities, it was also partially due to luck. As such, you must absolutely be careful in the future,” the Star Palace Master warned.

"Understood," Jian Wushuang nodded his head earnestly.

One would only learn from their own mistakes. With the narrow escape this time around, Jian Wushuang had a better understanding of the Acheron Palace and he revered the world even more. Thus, he would naturally be more careful in doing things in the future.

After all, he absolutely did not want to experience the same thing twice.

"Alright, since your injuries are very serious, you had better go back and recuperate first," the Star Palace Master said.

"Understood," Jian Wushuang nodded his head.

As his injuries were very serious, he would be unable to recover in a short amount of time. Hence, he had already made up his mind to stay in the Lineage of Star for a while to seclude himself in recovery.

In a secret room that was covered heavily by seals in the Sword Star, Jian Wushuang was sitting down with his legs crossed.

"Jian Wushuang, this time around, you survived the assassination that was planned carefully by the Acheron Palace. Moreover, you caused the Acheron Palace to suffer great losses. If this piece of news were to spread, it would definitely cause an uproar in the Eternal Chaotic World and your reputation will improve greatly," the King of Venomous Worms' voice echoed in Jian Wushuang's mind.

"I was just lucky," Jian Wushuang laughed indifferently and he was not arrogant in the slightest.

He knew very clearly that luck had made up a huge portion of the reason why he was able to stay alive.

Looking at the methods that the Acheron Palace had employed, even Jian Wushuang himself could not help but gasp in admiration.

The Acheron Palace would not take action easily. However, when they took action, it was indeed extraordinary and it forced Jian Wushuang into a hopeless situation right away.

If not for him being fortunate and coming across the expert deep inside the Buddhist Demon Sea, he would definitely be dead.

"Forget about the Acheron Palace. However, after that, I was hunted down by Sir God Qian Lan of the Soaring Heaven King Palace. That is the true humiliation!" Jian Wushuang clenched both his fists tightly and a vast amount of murderous intent emerged in his eyes.

The Acheron Palace had hatched a detailed plan to kill him and the methods that they had employed had caused even Jian Wushuang to exclaim in admiration. Even if he were killed by them, he would not feel any grievances.

But what about the Soaring Heaven King Palace?

They had attacked him when he was seriously injured. This caused Jian Wushuang to be even more furious.

If not for the King of Venomous Worms taking action and stopping Sir God Qian Lan, he would have probably died at the hands of Sir God Qian Lan. That was a true oppression and he would have died an unworthy death.

“Soaring Heaven King Palace!!!”

Jian Wushuang was overflowing with murderous intent.

“There’s no rush. When my abilities recover completely, I shall take my time to play with them!”

However, Jian Wushuang also knew that his injuries this time around were too serious. Hence, it would be impossible for him to recover his abilities completely in a short amount of time.

Moreover, if it were only injuries in his body, it would be alright. However, the most important thing was that he had paid a huge price to fight a fight to the death this time around. In particular, all his six Ancient God Stars were destroyed!

His Ancient God’s cultivation base had fallen to rock bottom and the process for him to recover would not be easy.

“I shall do it slowly. During this period of time where I have secluded myself in recuperation to recover my abilities, I can also absorb all the Demon Cores that I obtained back then and go for Stage Three Ultimate Real God!”

“In addition, there is also the palm that the One-Star Man left behind in my head. That is also a great opportunity!”

...

Chapter 1752: Removal

In terms of Ultimate Divine Power, after Jian Wushuang had consumed nine Taiqing Ancient Panaceas, the Ultimate Divine Power in him was already extremely close to completion.

There was only a very small part of divine power left. From Jian Wushuang’s viewpoint, he only needed to absorb all the demon cores that he got from Soaring Heaven King Palace and it should be sufficient.

By then, when his divine power had reached completion, he would be able to achieve the third stage of Ultimate Real God and his power would increase tremendously.

Then, he needed to rest in seclusion to recover from his injury. Besides, he needed to precipitate the six Ancient God stars again which would definitely require an extremely long time. During the process, he could absorb the demon cores to increase his divine power.

“Let’s begin,” Jian Wushuang let out a breath and started to meditate.

Just as Jian Wushuang was resting in seclusion...

In an extremely far away territory, on a large dark land, a cold, dark palace towered.

In the palace, a man in a black robe knelt politely. There were many statue-like soldiers in black armor that gave out cold auras around themselves.

“Jian Wushuang has already returned to Lineage of Star?” An ancient yet hoarse voice suddenly rang in the palace and the voice sounded like it was coming from all directions.

“Yes, someone saw that he entered Lineage of Star with the Master of Star Palace with the Master of Star Palace escorting him personally,” the man in a black robe said politely.

“Humph!” A cold humph suddenly spread.

“Roar!” “Roar!” “Roar!”

The soldiers in black armor in the palace let out angry roars simultaneously and their voices shook the earth.

“Such a meticulous plan that was said to be well-conceived didn’t kill Jian Wushuang? What do I need all of you for?”

The hoarse voice spread with boundless pressure. The man in a black robe who knelt down couldn’t help but shiver.

“How about Xue Gu? Mo Ying? Where are the few of them?” A hoarse voice asked.

“Master, besides when Jian Wushuang first fell into the trap and Emperor God Xue Gu sent a message, there was no other news from them. I continuously tried to get into contact with them but there was no reply until now,” the man in black robe replied.

The lofty palace was suddenly in silence.

Although Buddhist Demon Sea was dangerous, time and space wasn’t sealed off. Hence, they could still communicate with one another.

But then, Jian Wushuang had already returned to Lineage of Star and the people from Acheron Palace didn’t reply.

There was only one possibility....

“Dead!”

“Xue Gu, Mo Ying and the men that we’ve sent out have all died.”

The hoarse voice continued to speak but there wasn’t anger like before.

“Who is it? Who could kill them? Jian Wushuang?”

“Impossible. No matter how ridiculously strong Jian Wushuang is, he is only a Real God. His power is at most comparable to Real God Wu Bei’s. The five Sir Gods from Acheron Palace and even Emperor God Xue Gu himself, Jian Wushuang didn’t even stand much hope to stay alive, let alone killing Xue Gu, Mo Ying, and the others!”

“He definitely does not have the capability.”

"If it wasn't him, who would it be? The Master of Star Palace?"

The owner of the hoarse voice reckoned that only the Master of Star Palace in Lineage of Star had the power to kill Emperor God Xue Gu and the five other Sir Gods.

"Master, according to our information, the Master of Star Palace had been meditating in seclusion. Before Jian Wushuang was assassinated, he never left to the Sixth Lair. It was impossible that he could reach it in time to save Jian Wushuang," the man in a black robe who knelt down replied politely.

"If it wasn't the Master of Star Palace, who would it be? Would it be any experts of Sanctuary Alliance who happened to be wandering in Buddhist Demon Sea? No way, I roughly know the locations of the top experts of Sanctuary Alliance. There wasn't anyone in the Sixth Lair. If it wasn't the experts of Sanctuary Alliance, the thing that caused their deaths would only be the natural danger in Buddhist Demon Sea or maybe... Some ancient existence in the depth of Buddhist Demon Sea got involved!"

"But why would the ancient existence suddenly be awakened?"

The owner of the hoarse voice muttered. Then, he let out a sigh after a long while.

"Forget it. As the mission has failed, it is useless to look into it. Send down my command. Remove Jian Wushuang from the must-kill name list."

"Remove Jian Wushuang from the must-kill name list?" The man in a black robe who knelt was stunned. "Master, will we not assassinate him in the future?"

"Five Sir Gods teamed up and set up the Killing Formation of Nine Cuts, plus an Emperor God who was extremely close to the top who performed and carried out a meticulously planned assassination. In the end, they hadn't killed him but the whole army was wiped out. Regardless of the reason, it proved Jian Wushuang's power. If we were to want to kill him again, we will have to at least send out the top of the top who is comparable to the Master of Star Palace, or even an Emperor God stronger than him."

"And even so, it will not be definite. After all, there was an assassination. Jian Wushuang will definitely be more cautious. To be able to kill him, there is only one way, which is for the Great Emperor himself to kill him personally!"

"However, there are only two experts who are Great Emperor level in Acheron Palace and their identities are extremely unique. They definitely won't take action to assassinate a genius of Sanctuary Alliance. In other words, we, Acheron Palace, have already missed the best timing to kill Jian Wushuang."

"In the future, unless there is to be a fight against Sanctuary Alliance or a good opportunity, we shouldn't try to assassinate him!"

The hoarse voice reverberated in the lofty palace. It didn't go away for a very long time.

"Leave!"

"Yes."

The man in the black robe immediately left.

In the lofty palace, the remaining cold soldiers in black armor continued to stand there like statues.

But suddenly, there was a creepy shadow that appeared on the uppermost throne from nowhere.

The person was in a white robe and his face was blurry.

“Jian Wushuang...” A faint voice was heard from the blurry shadow in a white robe. “You are extremely talented, far more talented than Real God Wu Bei. You could totally become an Almighty in the future and stand shoulder to shoulder with a Great Emperor. You might even stand a chance to reach the level of the strongest person in Sanctuary Alliance. If it was like before, we of Acheron Palace would definitely kill a top genius like you, regardless of the price we would have to pay.”

“But now, we can’t.”

“You should be glad that you were born in a great period. We of Acheron Palace have something more important to be done at this period. We have no time, nor money, nor energy to spare to take care of you. However, the period will pass. In no time, the period will pass.”

“In one hundred thousand years, at most!”

“Jian Wushuang, you have a hundred thousand years to grow. One hundred thousand years later, we of Acheron Palace will go all out. By then, even if you become Great Emperor, you’ll die, without a doubt!!!”

“Hahaha...”

The blurry shadow in a white robe let out a burst of strange laughter. It didn’t go away for a very long time in the lofty palace.

...

Chapter 1753: The Seventh Level

In the blink of an eye, Jian Wushuang had already been in seclusion for five hundred years.

In a secret room in the Sword Star.

“King of Venomous Worms, your speed of recovery is really slow. Even though it has already been five hundred years, you have still not precipitated a single Ancient God Star,” Jian Wushuang complained.

“It will be soon. At most, it will take another hundred years for the first Ancient God Star to be restored,” The King of Venomous Worms’ voice echoed in Jian Wushuang mind. “Jian Wushuang, you should be content with your current situation. Do you think that it is so easy to restore the Ancient God Stars?”

“Fortunately, I have already transformed into a Full-foot Plenilune and my speed of recovery is many times faster than before. If not, under normal circumstances, when all six Ancient God Stars of a Six-star Royal Ancient God are destroyed, even with a Plenilune helping you to recover with its full power, it would at least take tens of thousands of years for you to recover to your peak.”

“Tens of thousands of years?” Jian Wushuang clicked his tongue in admiration.

He had heard from the King of Venomous Worms a long time ago that the cost of using the Star Destruction Skill was extremely high for Ancient Gods. If not for them giving their all, the Ancient Gods would absolutely not use it easily.

Moreover, even if they were to use it, under normal circumstances, they would only destroy one or two stars.

Only lunatics would destroy six stars in one go.

It was only because of the fact that Jian Wushuang was forced into a situation where he had no choice but to destroy six stars in one go.

“King of Venomous Worms, with your speed, how long will it take to restore all six stars?” Jian Wushuang could not help but ask.

“It will not take long. It will probably take about seven to eight thousand years of time for me to restore them. Jian Wushuang, do you think that you have the right to complain? These six stars do not require you to precipitate them slowly. Instead, it is purely dependent on me working desperately hard to restore them. Even with this, are you still not satisfied?” the King of Venomous Worms said with dissatisfaction.

Jian Wushuang could not help but laugh.

Plenilunes were born together with an Ancient God. To Ancient Gods, Plenilunes were extremely important.

They did not merely help in terms of recovering Divine Power and injuries. Moreover, even the destroyed Ancient God Stars were dependent on the Plenilunes to restore them.

If the Ancient Gods were to rely on themselves to restore the Ancient God Stars, it would not be as simple as tens of thousands of years. Instead, it might even take hundreds of thousands of years.

As for the five hundred years that Jian Wushuang had been in seclusion, it was the King of Venomous Worms who had done his best to help him restore the destroyed Ancient God Star. As for Jian Wushuang, he had placed most of his attention in that one shocking palm in his head.

That palm was the opportunity that the super expert, One-Star Man, had bestowed upon him in the Buddhist Demon Sea.

Extermination Palm of Reincarnation!

This palm contained an infinite amount of Reincarnation Power.

To Jian Wushuang, this palm was so profound that it was impressive.

During the past five hundred years, he had been doing his utmost best to comprehend the palm. However, he had only managed to scratch its surface.

However, even though he had only scratched the surface, he was still over the moon.

“Extermination Palm of Reincarnation. This palm seemed to contain the whole Reincarnation Doctrine,” Jian Wushuang murmured. He then closed his eyes again and the shocking palm appeared in his head again.

Jian Wushuang also continued to comprehend.

As he comprehended, he absorbed the pure power that the Demon Cores contained at the same time. Hence, he lost no time in doing both things at the same time.

After all, it was very easy to absorb the Demon Cores as he only needed to leave a small bit of his consciousness outside.

Time passed by slowly. In a flash, another one thousand and five hundred years passed.

In the secret room, Jian Wushuang had closed his eyes and he was sitting down with his legs crossed. However, from his right palm, a vast amount of Reincarnation Power had emerged.

Jian Wushuang’s level of comprehension of the Reincarnation Doctrine had already achieved the top of the sixth level of the Doctrine Palace. Hence, he could control a great amount of Reincarnation power.

At that moment, Jian Wushuang swung his right hand, which contained a vast amount of Reincarnation Power, toward the void in front of him. He had unleashed this movement according to the way of using the shocking palm in his head.

After comprehending with great effort for two thousand years, although he was unable to fully comprehend the real secrets within the palm, he could already just about use the move itself.

Every time that he swung his palm, Jian Wushuang did not use his Divine Power. Many palm prints that contained Reincarnation Power were unleashed and it would shake the void every time it was unleashed.

Jian Wushuang was practicing repeatedly. During this period of time, it was unknown how many times he had repeated the same movement.

However, all of a sudden... buzz!

A palm print materialized completely at the void in front of Jian Wushuang and it was sent out with a great amount of power.

Rustle~~~ Although it did not contain any Divine Power, the palm still created many ripples in the void and it almost broke open the void completely.

Jian Wushuang’s eyes, which had been closed tightly, finally opened and a delighted expression emerged from his eyes.

“There’s finally something,” Jian Wushuang was over the moon.

Over the past two thousand years, he had been studying and comprehending the shocking palm in his head intensively. All he wanted to do was to grasp how to use the palm for real.

However, after practicing many times and studying intensively for a long period of time, he was still unable to bring forth the hidden secrets in the palm in the end. Hence, he was totally unable to do it the

same way as the palm where he would combine a great amount of Reincarnation Power perfectly and unleash a frightening amount of power.

Against that, Jian Wushuang could not do anything. He knew that it was almost impossible for him to learn how to use the palm. At the very least, it was impossible for him at that moment. Hence, he could only mimic it.

He would mimic the palm to the best of his abilities. He would mimic the way it was used and also mimic some special secrets that the palm contained.

After studying intensively for hundreds of years and practicing for countless times, he had finally managed to imitate it with some difficulty.

As soon as he imitated it successfully, Jian Wushuang realized that the conditions were ripe and his comprehension of the Reincarnation Doctrine achieved a whole new level. Putting it another way, he had opened up a new door.

“The seventh level of the Doctrine Palace!” Jian Wushuang’s eyes were glowing brilliantly.

He could feel that the amount of Reincarnation power that he could control had risen like never before.

Such a kind of improvement was a transformation in terms of quality and it was completely different from before.

For him to have such a change meant that his comprehension of the Reincarnation Doctrine had made a breakthrough.

He had reached the seventh level of the Doctrine Palace from his original level of being at the top of the sixth level of the Doctrine Palace!

Although it seemed to be only one step between these two levels, the gap between them was like heaven and earth.

It must be known that even if one were extremely talented in comprehension, the sixth level of the Doctrine Palace was still at the level of a Real God.

As for the seventh level of the Doctrine Palace... it was the level of an Almighty!

“My comprehension of the Reincarnation Doctrine and Spacetime Doctrine have both achieved the top of the sixth level already. Moreover, I am more proficient in comprehending the Spacetime Doctrine. Hence, I originally thought that even if I were to make a breakthrough in the future, my Spacetime Doctrine would definitely be the first one to make a breakthrough. However, I did not expect my Reincarnation Doctrine to actually make a breakthrough first,” Jian Wushuang laughed.

Since his Reincarnation Doctrine had made a breakthrough to achieve the seventh level of the Doctrine Palace, his abilities would skyrocket. At the very least, his attack power would achieve a new level.

However, if his Spacetime Doctrine were to make a breakthrough, it would probably influence his abilities to a greater extent.

“No matter what, it’s a good thing for me to have made a breakthrough. Moreover, I have barely managed to mimic that palm. Let me have a try.”

Jian Wushuang was excited and he raised his palm again. This time around, his palm did not only contain a vast amount of Reincarnation Power. Instead, it also contained a small bit of Divine Power.

In a split second, he swung his palm.

Chapter 1754: The Third Stage Of Ultimate Real God

Hong!

Then, the void before Jian Wushuang shattered like a piece of paper.

He felt the power contained in his palm and Jian Wushuang revealed a smile.

“I reckon that my palm could only give play to one-hundredth of a One-Star Man, or maybe even one-ten-thousandth of his power. Even so, it is extremely powerful!” Jian Wushuang was shocked.

The degree of the scariness of the palm that the One-star Man had left in his head was far beyond Jian Wushuang’s imagination.

Even if it was only one-hundredth or one-ten-thousandth of the power, it was still considered an extremely powerful unique skill.

“My palm is also driven by the power of reincarnation, its name will be Reincarnation Palm then,” Jian Wushuang muttered.

Just then, Jian Wushuang was stunned.

“This feeling...”

There was excitement in Jian Wushuang’s eyes.

“Haha, in these two thousand years, although I only absorbed some demon cores occasionally, the accumulated divine power is extremely vast. Now, I can finally precipitate the hundredth drop of Ultimate Divine Power Droplet?”

Jian Wushuang clenched his hands and he could feel the changes in his body.

In the ocean of divine power, there were originally ninety-nine drops of Ultimate Divine Power Droplet floated there. But then, an enormous amount of divine power billowed and it started to precipitate the one hundredth drop of Ultimate Divine Power Droplet.

The speed of precipitation was shocking. Jian Wushuang didn’t need to do anything, everything happened naturally.

In a short while, the one hundredth Ultimate Divine Power Droplet was finally completed.

“It succeeded!” Jian Wushuang was filled with excitement.

The one hundredth Ultimate Divine Power Droplet marked the completion of divine power.

Jian Wushuang had reached the limit of Real God stage.

The moment it was precipitated, Jian Wushuang immediately felt his divine power and divine body start to transform at a shocking speed.

Such a transformation was much bigger compared to the transformation when he had leveled up to the second stage from the first stage of Ultimate Real God.

His divine power was increasing madly in strength and quality.

For instance, if Jian Wushuang's divine power strength before could merely shatter a ten thousand jin rock, he could easily break a tens of thousands of jin rock as his divine power grew stronger. A tens of thousands of jin rock! And his power continued to grow at a shocking speed.

The same applied to his divine body.

Jian Wushuang closed his eyes and fully focused on the transformation of his divine power and divine body.

The time flew past and half a day passed.

Jian Wushuang's transformation finally slowed down.

At that very moment, Jian Wushuang's eyes shot open and there was a burst of light.

"I'm finally at the third stage of Ultimate Real God.

Jian Wushuang clenched his hand and there was suddenly an explosive strength that burst out.

In Jian Wushuang's perception, the terrifying explosion of divine power was at least a hundred times stronger.

One should know that his previous divine power explosion was already at Sir God level.

"This breakthrough brings about a drastic change in me," Jian Wushuang muttered.

At the second stage of Ultimate Real God, divine power and divine body could be compared to an ordinary Sir God's.

Once he reached the third stage of Ultimate Real God, his divine power and divine body was at the level of Emperor God.

Sir God and Emperor God, both were Almighties. It looked like it was just a different realm but in actual fact, the difference was vast.

When he was in Buddhist Demon Sea, Jian Wushuang had dealt with five Sir Gods and they had even set up the Killing Formation of Nine Cuts. But he had relied on his trump cards to break the Killing Formation of Nine Cuts and killed one of them.

After he met Emperor God Xue Gu...

However, Emperor God Xue Gu alone had made Jian Wushuang go all out. He stopped at nothing. He had even performed the secret skill of Star Palace but he couldn't match him evenly.

That was the difference between Emperor God and Sir God.

The difference was first displayed in divine power and divine body.

The divine power and divine body of an Emperor God was a hundred times stronger than an ordinary Sir God's.

Secondly, an Emperor God's comprehension towards Power of Heaven Way definitely already reached the standard of the eighth level of Doctrine Palace.

Sir God was merely on the seventh.

The difference in the aspect was shockingly huge too.

It led to the power of Emperor God that could suppress a Sir God like breaking a piece of dead wood.

As for the difference between an Emperor God and a Great Emperor, it was even more ridiculous.

Then, Jian Wushuang had reached the third stage of Ultimate Real God. At least in terms of divine power and divine body, he was already even-handed with an Emperor God. Merely relying on such ferocious divine power, he could wipe out all Sir Gods theoretically.

"Back then, Real God Wu Bei was considered extremely strong among Sir God because he had reached the third stage of Ultimate Real God. It's a pity that his comprehension towards Heaven Way was too low," Jian Wushuang said.

Real God Wu Bei knew that his comprehension towards Heaven Way wasn't high.

He had only comprehended one Power of Heaven Way and he had barely reached the standard of the sixth level in Doctrine Palace. He was very far away from the peak of the sixth level. Many Real Gods on Real God ranking list had a higher level of comprehension towards Power of Heaven Way than him.

Hence, even though he had fierce divine power and a divine body, Real God Wu Bei could only suppress an ordinary Sir God. If he were to run into any top Sir Gods, he might not be the Sir God's match.

However, Jian Wushuang was totally different.

His comprehension of Heaven Way was far higher than Real God Wu Bei's. His comprehension of Reincarnation Doctrine itself already reached the seventh level in Doctrine Palace, which was on par with an Almighty.

Besides, he had many tricks and secret skills that Real God Wu Bei couldn't compare to favorably.

Forget about the others, merely the fact that he possessed the four Ancient God unique skill and three Ancient God secret skill was already sufficient for him to let out his fighting power flawlessly. With that, he was confident to wipe out any Sir Gods. In addition to that there was the Hong Jun Golden Sword, Mountain River Map, secret skill of Star Palace and other trump cards. Jian Wushuang was confident to fight a battle with an ordinary Emperor God.

Even if he were to run into experts like Emperor God Xue Gu, he could match evenly even if he didn't go all out.

“My power has increased too greatly,” Jian Wushuang smiled but he quickly calmed down.

“I reached the third stage of Ultimate Real God, which is the peak of Ultimate Real God. Next, it will be the seventh step of inverse cultivation and to become an Almighty. However, I haven’t gotten the seventh step of inverse cultivation skill yet.”

Jian Wushuang creased his eyebrows.

Inverse cultivation skills were very rarely seen.

The first five steps were easy but from the sixth steps onwards, it wasn’t easily obtainable by any ordinary people.

Jian Wushuang was lucky that he had run into the birth of Real God Wu Bei’s cave dwelling and he had obtained the sixth step of inverse cultivation skill from him. As a result, he had reached the third stage of Ultimate Real God. However, the seventh step after the sixth...

The seventh step of inverse cultivation skill, even Real God Wu Bei didn’t get it back then.

If Jian Wushuang wanted to become an Almighty, he had to first obtain the seventh step of inverse cultivation skill.

Chapter 1755: Come Out Of Seclusion

“I remember that back then, Real God Wu Bei has said before that he knew where the training method for the Seventh Step of an Inverse Cultivator was. However, it’s a pity that that person is very reserved and old. Hence, Real God Wu Bei did not even have a chance to interact with him.” Jian Wushuang said, “For such a reserved expert, he must be someone who can shake the world and the Palace Master should know about him. After coming out of seclusion, I will have to go and ask him.”

After thinking about that, Jian Wushuang calmed his mind down completely.

After that, he continued to comprehend the shocking palm in his head.

“There is a unique method to use this palm and it includes a method to use the Reincarnation Power as well. Although it’s a palm skill, it can only be applied to Sword Principles,” Jian Wushuang closed his eyes.

No matter what shocking moves he possessed, he would never forget that he was a person who studied the sword.

Sword Principles were his root.

For example, learning how to use the Reincarnation Palm by mimicking and studying the shocking palm was only for the sake of paving a way for him to study his Sword Principles.

It was only by studying the palm in his head thoroughly that he could slowly develop it and create a Sword Principle that belonged to him.

Jian Wushuang continued to comprehend and the King of Venomous Worms also continued to restore his Ancient God Stars.

It was extremely difficult to restore the Ancient God Stars, especially if all six stars were destroyed.

Even with a Full-foot Plenilune like the King of Venomous Worms helping him to restore the Ancient God Stars with its full power, it would still require a very long time.

Jian Wushuang had been prepared for it for a long time.

Time passed by quickly...

In a flash, Jian Wushuang had been in seclusion for a total of seven thousand and eight hundred years.

In the secret room, Jian Wushuang was still sitting down with his legs crossed. In the space between his eyebrows, there were originally five Ancient God Stars. At present, the sixth dark golden Ancient God Star had started to precipitate slowly and such a kind of precipitation carried on for more than half a month before the Ancient God Star had completely precipitated out.

"It's finally done."

The King of Venomous Worms' voice echoed in Jian Wushuang's head and its voice was filled with fatigue.

"King of Venomous Worms, thank you very much," Jian Wushuang said gratefully.

He was grateful from the bottom of his heart.

At the same time, he was also glad that he had a battle companion like the King of Venomous Worms who could fight side by side with him.

Over the time the King of Venomous Worms lived inside his body, the King of Venomous Worms had given him a lot of help. Even though he already possessed the fighting capabilities of an Almighty and he was not considered weak among the Almighties, the King of Venomous Worms was still able to help him considerably. Be it the intense battles in the Buddhist Demon Sea back then, or the experts of the Soaring Heaven King Palace who he helped to stop, the King of Venomous Worms had assisted him greatly.

For example, for the past few years, the restoration of his Ancient God Stars and the recovery of the injuries in his body had all been dependent on the power of the King of Venomous Worms alone.

If he did not have the King of Venomous Worms, he would have died many times. Moreover, the injuries in his body as well as the destroyed Ancient God Stars would also not have taken such a short period of time to recover.

"There is no need to stand on ceremony. If you really want to thank me, please make a breakthrough and become an Almighty as early as possible. I am excited just thinking about an Inverse Cultivator at the level of an Almighty," the King of Venomous Worms said.

Jian Wushuang could not help but laugh.

“With the seclusion this time around, my injuries and abilities have completely recovered. Moreover, I have made a breakthrough to Stage Three Ultimate Real God and the comprehension of my Reincarnation Doctrine has achieved the seventh level of the Doctrine Palace. Furthermore, I have managed to come up with the Reincarnation Palm by comprehending and studying intensively. In terms of my Sword Principles, they have also improved considerably. I can say that my gains are really huge.”

“The only thing that I feel is that it is a pity that my comprehension of the Spacetime Doctrine is still at the top of the sixth level of the Doctrine Palace,” Jian Wushuang muttered.

The Spacetime Doctrine was closely related to the Hong Jun Golden Swords and Moon Picking Skill.

As soon as it made a breakthrough, it would affect his abilities as a whole greatly.

However, it was a pity that such a breakthrough was not something that he could achieve even though he wanted it.

For example, for the comprehension of the Reincarnation Doctrine, he was fortunate enough to obtain an opportunity that was bestowed upon him by the One-Star Man. By comprehending the shocking palm which contained an infinite amount of Reincarnation Power in his mind, he came to a realization and made a breakthrough as a result. However, in terms of the Spacetime Doctrine, he did not come across any opportunity.

“Since my gains are extremely huge, I am satisfied. It’s time for me to come out of seclusion,” Jian Wushuang laughed.

On that very day, Jian Wushuang, who had secluded himself in the secret room for a total of seven thousand and eight hundred years, finally came out of seclusion.

For the battle in the Buddhist Demon Sea back then, only a few people who were the higher-ups of the Lineage of Star knew about it. However, they did not make this information public. Hence, when Jian Wushuang secluded himself and came out of seclusion, it did not cause any huge commotion.

In a cave which was completely composed of special gems, Jian Wushuang and Hall Master Yuan sat together and there was good wine and delicious food in front of them.

“Jian Wushuang, congratulations. Not only did you recover from your injuries, your abilities have increased greatly as well,” Hall Master Yuan laughed.

When Hall Master Yuan saw Jian Wushuang for the first time after he came out of seclusion, he could tell that Jian Wushuang was extremely different from before he had secluded himself.

After asking him, Hall Master Yuan came to know that Jian Wushuang had made a huge breakthrough during his seclusion.

“Before your seclusion, you could destroy the Killing Formation of Nine Cuts that was formed by five Sir Gods teaming up. But now, your abilities are definitely stronger. Which level have you really achieved?” Hall Master Yuan could not help but ask.

“I should be invincible among Sir Gods. Even if I were to come across a normal Emperor God, I should be able to fight with him head-on,” Jian Wushuang laughed.

“Invincible among Sir Gods?” Hall Master Yuan’s eyes brightened up a once.

He knew what kind of person Jian Wushuang was. Since he had dared to say that, it meant that he was absolutely sure of it.

“That’s great. There’s finally another super existence who can intimidate the Eternal Chaotic World in the Lineage of Star,” Hall Master Yuan was over the moon.

In the Eternal Chaotic World, an Almighty was already considered someone with great authority.

However, to a top, big powerhouse like the Lineage of Star, only Emperor God-level fighting capabilities could intimidate everyone. As for Sir Gods... they still did not have the right to do so.

Previously, the Lineage of Star had only had the Star Palace Master, the only Emperor God. However, due to the Secret Skill of Star Palace, the Star Palace Master was a huge deterrent.

However, putting the Star Palace Master aside, the Lineage of Star only had two Almighties and they were Hall Master Shi Yun and Hall Master Gu Xin. Moreover, they were only Sir Gods. To other big powerhouses who were similar to the Soaring Heaven King Palace, such Sir Gods were not much of a deterrent.

However, with the emergence of Jian Wushuang, a top expert who was invincible among Sir Gods and could also compete with Emperor Gods, it was also enough to intimidate everyone.

To the Lineage of Star, it was something significant.

“Hall Master Yuan, I came to find you as I wanted to ask you a question,” Jian Wushuang said abruptly.

“Tell me more about it,” Hall Master Yuan laughed.

“You also know that I have achieved the highest level of a Real God and if I were to take another step forward, I would be going for Almighty. However, to make a breakthrough to Almighty, I first need to obtain the training method for the Seventh Step of an Inverse Cultivator. Hence, do you know who possesses this method?” Jian Wushuang asked.

Although Hall Master Yuan was not an Almighty, his identity was very special. The big and small matters in the Lineage of Star, as well as many matters of the Sanctuary Alliance, were all taken care of by him. Comparing judgement levels, his level of judgement was not inferior to a normal Emperor God. Therefore, he would know who possessed the Seventh Step of an Inverse Cultivator.

“The training method of the Seventh Step of an Inverse Cultivator?” Hall Master Yuan squinted his eyes. After muttering to himself for some time, he nodded his head slowly, “Indeed, I know who possesses this method. However, it will be extremely difficult for you to obtain the training method from him.”

Chapter 1756: The Strongest Man, Emperor Bai!

“Who is it exactly?” Jian Wushuang couldn’t help but ask.

He was also very curious about in whose hand the inverse cultivation skill was.

One should know that Real God Wu Bei was also an arrogant Sir God when he was at his zenith. Plus, he had a White Blaze Fruit Tree and also a certain capital. However, Real God Wu Bei didn't even stand a chance to see the expert.

Who exactly was the exceedingly great person that Real God Wu Bei couldn't see even though he wanted to?

"Jian Wushuang, you have been in Sanctuary Alliance for so long. You should have a certain understanding of the Almightyies in Eternal Chaotic World, right?" Hall Master Yuan asked.

"Mm," Jian Wushuang nodded faintly.

"How about Great Emperor?" Hall Master said.

Jian Wushuang was stunned.

He knew about the Almightyies in Eternal Chaotic World, that was the truth. For instance, he could immediately recognize Emperor God Xue Gu the moment he used his divine weapon.

However, he only knew some of the Sir Gods and Emperor Gods, and he only had a brief understanding of them.

As for Great Emperors... Jian Wushuang didn't know much about the Great Emperors.

"Would the seventh step of inverse cultivation skill be in a Great Emperor's hand?" Jian Wushuang asked.

"Yes, and he isn't any ordinary Great Emperor," Hall Master Yuan continued. "Jian Wushuang, you know that Sanctuary Alliance is a definite overlord of Eternal Chaotic World and the ones in the highest position in Sanctuary Alliance are the super experts at Great Emperor level. Do you know how many Great Emperors there are in Sanctuary Alliance?"

Jian Wushuang shook his head.

"Thirteen of them!" Hall Master Yuan read out a number.

Jian Wushuang was surprised.

It wasn't because he found the number huge but... there were too few.

One must know that Sanctuary Alliance gathered all forces in Eternal Chaotic World and solo experts in the ten sanctuaries.

Just how few there were.

"Among the thirteen Great Emperors, there are masters of the ten sanctuaries. For instance, Purple Moon Great Emperor of Purple Moon Sanctuary, Colored Glaze Emperor of Colored Glaze Sanctuary, East Royal Emperor from East Royal Sanctuary... Besides the ten sanctuaries, there are three other Great Emperors. Although the three Great Emperors didn't conquer any sanctuaries, their individual powers are enough to shake one."

"Among the three Great Emperors, one of them is Emperor Bai."

“Emperor Bai also has another title. He is the strongest man in Sanctuary Alliance!”

“What?” Jian Wushuang was shocked.

The strongest man in Sanctuary Alliance?

The title was definitely highly valuable.

Hall Master paused and continued, “Regardless of Sir Gods or Emperor Gods, there is a distance of power in-between. Same applies to Great Emperors.”

“Among the thirteen Emperor Gods in Sanctuary Alliance, Emperor Bai is no doubt the number one. His power was widely recognized long ago.”

“Many years ago, at the beginning when Sanctuary Alliance first established, Emperor Bai launched an attack before. He did it in front of the experts and he killed another Great Emperor with a thunderous method.”

“Killed another Great Emperor?” Jian Wushuang exclaimed.

“Jian Wushuang, you should know that when one reaches Great Emperor level, he will be the strongest existence in Eternal Chaotic World. Since the collapse of ancient times and the first era, Eternal Chaotic World has never had anyone stronger than a Great Emperor while all the Great Emperors have the ability to split heaven and earth. They possess unbelievably strong power and their defensive skills are impressive.”

“Under normal circumstances, as both parties are Great Emperors, even if they couldn’t be evenly matched, they should be able to stay alive. Just like the other twelve Great Emperors in Sanctuary alliance, it would be difficult even for the strongest to kill the weakest. It is almost impossible. Only Emperor White has the capability to kill a Great Emperor and with ease!”

“Tell me now. Does Emperor Bai qualify to be the strongest man in Sanctuary Alliance?” Hall Master Yuan looked at Jian Wushuang with a smile.

“Of course he’s qualified,” Jian Wushuang nodded heavily.

He could kill another Great Emperor. That itself showed Emperor Bai’s power.

“Hall Master Yuan, as you brought up about Emperor Bai, would the seventh step of inverse cultivation skill be in the hands of this Emperor Bai?” Jian Wushuang asked.

“You’re right. The seventh step of inverse cultivation skill, Emperor White should be the only one in Eternal World that has it. Because he is the one and only inverse cultivator at the Almighty level in Eternal Chaotic World!” Hall Master Yuan said.

“What?” Jian Wushuang stood up and he looked surprised, “Emperor Bai is an inverse cultivator?”

“Yes,” Hall Master Yuan nodded, “Since the second era until now, there were some inverse cultivators but most of them died during inverse cultivation tests. There are only two people who passed all inverse cultivation tests and reached the sixth step of inverse cultivation, who are Real God Wu Bei and Emperor Bai.”

“Of course, you’re the third one now and you have already surpassed Real god Wu Bei. If you were to improve further, you might be able to stand side by side with Emperor Bai.

“It is also because Emperor Bai is an inverse cultivator. That’s why he is so ridiculously powerful and terrifying.”

Jian Wushuang clenched his fists and he was astonished.

It was true. Inverse cultivators were ridiculous.

He was merely on the sixth step, the third stage of Ultimate Real God, but he was confident in being evenly matched with an ordinary Emperor God.

If he were to improve further, reach the seventh step of inverse cultivation, and become an Almighty, his fighting power would easily reach the Great Emperor level. If his comprehension of Heaven Way were to enhance slightly and reach the level to be compared favorably with an ordinary Great Emperor, he would be able to kill a Great Emperor of the same level with ease at his advantageous position as an inverse cultivator.

Emperor Bai had obviously reached that level.

“Jian Wushuang, it’s needless for me to tell you how amazing Emperor Bai is. His title as the strongest man in Sanctuary Alliance should reveal that. Emperor Bai is also an ancient existence. His antiquity is far beyond your imagination. There are even rumors that said that he is an expert from the first era. Such an ancient Almighty doesn’t have any relatives or disciples and is unrestrained.”

“Although he carries the name of alliance leader in Sanctuary Alliance, he never bothered about the internal affairs. Forget about Real God Wu Bei, even the Emperor Gods in Sanctuary Alliance and the Great Emperor experts on the highest position hardly see him. It is said that among the other twelve Great Emperors, only two of them have his communication token.”

“In other words, even Great Emperors find it difficult to look for him,” Hall Master Yuan said.

Jian Wushuang’s face grew solemn after he heard that.

He definitely had to look for Emperor Bai if he wanted to get the seventh step of inverse cultivation skill. However, it wasn’t easy to look for him.

Chapter 1757: Demanding The Payment Of A Debt

It was not easy for even Great Emperors to find Emperor Bai, let alone Jian Wushuang.

Moreover, even if he were to find Emperor Bai due to his nature-defying luck, would Emperor Bai give him the method for the Seventh Step of an Inverse Cultivator for free?

After all, as soon as Jian Wushuang obtained the method for the Seventh Step of an Inverse Cultivator, there was a high chance of him becoming an Almighty-level Inverse Cultivator in the future. Moreover, there was also hope for him to achieve a level similar to that of Emperor Bai. If Emperor Bai had some

selfish motives, he would definitely not give the method to Jian Wushuang and allow Jian Wushuang to pose a threat to his position.

"Looks like I can only rely on opportunities in the future to obtain the training method of the Seventh Step of the Inverse Cultivator," Jian Wushuang muttered.

However, due to Real God Wu Bei's warning from before, Jian Wushuang had long prepared himself for such results.

"Oh right. Hall Master Yuan, there's another matter which concerns the Monarch of the Demon Heart Kingdom," Jian Wushuang said abruptly.

"The Monarch of the Demon Heart Kingdom? How is the Monarch of the Demon Heart Kingdom related to you?" Hall Master Yuan said with surprise.

"It's like this. When Real God Wu Bei gave the training method of the Sixth Step of an Inverse Cultivator to me back then, I promised him that I would kill the Monarch of the Demon Heart Kingdom on his behalf if I were to possess the abilities to do so." Jian Wushuang said, "Since I have made a promise, unless I have no abilities or no way to do so, I will not go back on my words."

Jian Wushuang would not make promises easily. However, he held promises in high regard.

Back then in Wu Bei's cave, since he had promised Real God Wu Bei, he would always hold it firmly in his mind.

Previously, he had not had enough abilities. However, things had changed...

"I see." Hall Master Yuan understood and said, "The Monarch of the Demon Heart Kingdom is a ruler of many Holy Kingdoms and his reputation is not small within the Eternal Chaotic World. Moreover, he is a member of the Sanctuary Alliance. As for his abilities, he is a top Sir God expert. With your current abilities, if it were one to one, it would be possible for you to kill him. However, the Monarch of the Demon Heart Kingdom's background is not simple."

"Background?" Jian Wushuang squinted his eyes.

Regarding the Monarch of the Demon Heart Kingdom's abilities, he already knew about it previously.

However, he did not know about the Monarch of the Demon Heart Kingdom's background. Hence, he was asking Hall Master Yuan to get to know some background of the Monarch of the Demon Heart Kingdom.

"Jian Wushuang, just now, I told you that within the Sanctuary Alliance, apart from the Masters of the Ten Sanctuaries, there are three other Great Emperors. Putting Emperor Bai aside, among the two remaining Great Emperors, there is a Great Emperor Zi Xu. Among the thirteen Great Emperors, Great Emperor Zi Yu can be considered one of the top five. Moreover, the relationship between the Monarch of the Demon Heart Kingdom and Great Emperor Zi Xu is not normal. It is said that when Great Emperor Zi Xu was still a Real God, he owed the Monarch of the Demon Heart Kingdom a favor. After that, he became a Great Emperor and the Monarch of the Demon Heart Kingdom has been serving under him ever since."

"If you wish to kill the Monarch of the Demon Heart Kingdom, you have to get past the level of Great Emperor Zi Xu," Hall Master Yuan said.

Upon hearing that, Jian Wushuang was stunned.

Previously, he had known that the Monarch of the Demon Heart Kingdom had a great background. However, he did not expect his background to actually be so deep-rooted.

With such friendship with a Great Emperor and that Great Emperor Zi Xu owed him a favor, if he were to come across any danger, Great Emperor Zi Xu would definitely come to rescue him personally.

Moreover, if he were to avenge Real God Wu Bei by killing the Monarch of the Demon Heart Kingdom, there would be a high chance of Great Emperor Zi Xu coming personally to kill him.

"Seems like I will be unable to take revenge for Real God Wu Bei for another short period of time," Jian Wushuang shook his head.

He had promised to help Real God Wu Bei take revenge. Moreover, he would only do so when he had the abilities and he had to also be in a situation where he was sure that he could stay alive.

However, at that moment, it was obvious that his abilities were not enough.

"At the very least, I must wait until I have enough things to capitalize on that I can face Great Emperor Zi Xu. Then, I will be able to take action against the Monarch of the Demon Heart Kingdom for real," Jian Wushuang murmured.

"Jian Wushuang, it is impossible for you to kill the Monarch of the Demon Heart Kingdom now and I believe that you would not be so stupid." Hall Master glanced at Jian Wushuang and continued speaking, "Since your abilities have fully recovered, what do you plan to do next?"

"Next..." Jian Wushuang could not help but raise the corners of his mouth, "I want to demand the payment of a debt!"

"Demand the payment of a debt?" Hall Master Yuan was stunned, "The Soaring Heaven King Palace?"

"That's right," Jian Wushuang nodded his head earnestly, "To begin with, there is a huge grudge between me and the Soaring Heaven King Palace that is unresolved. Moreover, outside the Buddhist Demon Sea back then, they almost killed me when I was seriously injured and I remember this debt extremely clearly. Hence, I must absolutely think of a way to get them to repay me."

"It's easy to say that. However, the abilities of the Soaring Heaven King Palace are not normal, do you have the confidence to deal with them?" Hall Master Yuan said with concern.

"Don't worry. Since I dare to demand the payment of a debt, I naturally have absolute confidence," Jian Wushuang laughed, "Hall Master Yuan, you definitely have a better understanding of the Soaring Heaven King Palace than me. Please tell me what kind of experts the Soaring Heaven King Palace have, as well as some of the trump cards that they possess. With this, I will be more prepared."

Jian Wushuang knew about some experts of the Soaring Heaven King Palace. However, he did not know all of them.

“No problem.” Hall Master Yuan said immediately. “According to the information that the Lineage of Star has collected, there are a total of eleven Almighties in the Soaring Heaven King Palace. Among the Almighties, nine of them are Sir Gods while the remaining two are Emperor Gods.”

Upon hearing that, Jian Wushuang’s eyes could not help but shrink.

The Soaring Heaven King Palace was a top powerhouse of the Eternal Chaotic World as well and it was no wonder that their ways of doing things had always been so unreasonable.

It seemed that they were unreasonable due to their absolute abilities.

An Almighty was strong enough to be called someone with great authority in the Eternal Chaotic World. However, the Soaring Heaven King Palace actually had a total of eleven of them!

It should be known that a similar top powerhouse like the Lineage of Star only contained three Almighties. By including Jian Wushuang, who possessed the fighting capabilities of an Almighty, there were only four of them. Compared to the Soaring Heaven King Palace, they were indeed lacking a lot in terms of numbers.

If not for the Star Palace Master, with the Soaring Heaven King Palace’s abilities, they would probably be able to suppress the Lineage of Star completely.

“For the nine Sir Gods of the Soaring Heaven King Palace, there are some with strong abilities, as well as some with weak abilities. In particular, there are three of them who stand at the top of the Sir Gods. As for the two Emperor Gods, they are Emperor God Tian Ling and Emperor God Tian Xiao. These two Emperor Gods are the oldest existences in the Soaring Heaven King Palace. At the same time, they are also the two founders of the Soaring Heaven King Palace. Among the two of them, Emperor God Tian Ling is the stronger one!”

“Emperor God Tian Ling has been famous for a long time and he became famous a lot sooner than our Palace Master. Moreover, his abilities long ago achieved the peak of an Emperor God and he is slightly stronger than the Palace Master. In the Eternal Chaotic World, he is also a well-known super expert,” Hall Master Yuan said.

Jian Wushuang frowned.

The current him could compete with Emperor God experts head-on, and if he were to encounter Emperor Gods at a similar level to Emperor God Xue Gu, he would not be fearful at all. However, if he were to encounter a top Emperor God, he would not have absolute confidence.

Fortunately, Hall Master Yuan said again: “Emperor God Tian Ling is proud and ambitious. Ever since he achieved the peak of being an Emperor God, he has been trying every means to go for Great Emperor. Moreover, it would definitely be impossible to make a breakthrough to Great Emperor if he were to rely on his own training. Therefore, there is a need for him to look for opportunities. As such, for many years, Emperor God Tian Ling has been travelling in the Second lair and he will only return once every hundreds of thousands of years.”

Chapter 1758: Treasure Auction

“Oh?” Jian Wushuang was interested.

If Emperor God Tian Xiao were to be wandering in the Second Lair, he had no scruples.

“How about Emperor God Tian Xiao?” Jian Wushuang asked.

“Emperor God Tian Xiao has been in a commanding position in Soaring Heaven King Palace all this while. He hardly wanders in the lairs or dangerous places while his power is far weaker than Emperor God Tian Ling’s. Emperor God Tian Ling is on the top among Emperor Gods while Emperor God Tian Xiao is merely intermediate among Emperor Gods.”

“Intermediate? How about if he is compared to Emperor God Xue Gu?” Jian Wushuang asked.

“He should be weaker compared to Emperor God Xue Gu. However, Emperor God Tian Xiao has two Chaotic Divine Treasures. In particular, there is one defense armor. Hence, you can’t belittle him either,” Hall Master Yuan said.

“Two Chaotic Divine Treasure? One of it is even a defense armor?” Jian Wushuang was surprised and astonished at the abundant treasure that Emperor God Tian Xiao had.

One should know that Emperor God Xue Gu only had one Chaotic Divine Treasure, which was the crimson trident.

“Besides the higher-ups, Soaring Heaven King Palace is a top force that is powerful in Eternal Chaotic World after all, you shouldn’t belittle the trump cards that they hold. If you fight with them head-on, you should be cautious,” Hall Master Yuan exhorted.

“I understand,” Jian Wushuang smiled faintly as he already made up his mind.

Although Emperor God Tian Xiao had two Chaotic Divine Treasure, he alone couldn’t make Jian Wushuang worried.

As for the other Sir Gods, he couldn’t be bothered.

He needed to be concerned about the trump cards that Soaring Heaven King Palace had.

“Jian Wushuang, I have to remind you that Soaring Heaven King Palace is much stronger than Lineage of Star. Although, due to the Master of Star Palace, Soaring Heaven King Palace didn’t have the guts to declare war against Lineage of Star. If we of Lineage of Star were to take the initiative to taunt them and corner them, it would be a different story. So, if you want to take revenge on Soaring Heaven King Palace, you can only do it alone. We of Lineage of Star can’t help you on the surface.”

“Of course, when it reaches a crucial moment, such as your life being threatened, I will tell the Master of Star Palace to get involved personally,” Hall Master Yuan sounded solemn. “You have boundless prospects and you are significant to Lineage of Star. If you were to be in danger, we of Lineage of Star would definitely go all-out to protect you, even if it means war against Soaring Heaven King Palace.”

“Mm, I understand,” Jian Wushuang nodded faintly.

Ever since Jian Wushuang had fought with Soaring Heaven King Palace, Lineage of Star had never once had a conflict with Soaring Heaven King Palace in public. It had only been Jian Wushuang fighting with

Soaring Heaven King Palace alone. It wasn't because Lineage of Star wasn't willing to assist Jian Wushuang but because Lineage of Star was at a difficult position.

If it wasn't necessary, Lineage of Star wasn't willing to get involved. The moment they got involved, they would definitely break apart with Soaring Heaven King Palace. By then, it would drag up too many affairs.

After he got to know more about Soaring Heaven King Palace, Jian Wushuang immediately departed.

...

One of the ten sanctuaries, Colored Glaze Sanctuary!

Colored Glaze Sanctuary was considered a more spacious sanctuary in the ten sanctuaries. There was a total of eight huge continents.

Among the eight continents, Soaring Heaven King Palace took up two of them.

The two continents were where the lair of Soaring Heaven King Palace was located, also the deep-rooted Soaring Heaven Land.

The other one was Sea Continent.

The original overlord of Sea Continent wasn't Soaring Heaven King Palace but a strong force that could compare favorably to Lineage of Star. However, the force experienced an accident whereby their strongest Emperor God passed away as he wandered in the Third Lair.

Without their Emperor God, the force naturally couldn't remain as the overlord of Sea Continent. Immediately, there was a war. As the force was destroyed, Soaring Heaven King Palace on Soaring Heaven Land got involved arrogantly and defeated the other forces in Sea Continent. Since then, Soaring Heaven King Palace had become the overlord of Sea Continent.

Soaring Heaven King Palace had even left a strong power in Sea Continent as a deterrent to all enemies. The power was concentrated in the middle of Sea Continent where Soaring Heaven Mansion was located.

As Jian Wushuang came to take revenge, he definitely had to come to the territory that Soaring Heaven King Palace had conquered.

Between Soaring Heaven Land and Sea Continent, Jian Wushuang opted for the latter.

Sea Continent, a huge bustling city that was floating in the air. The city's name was Sea City.

On Sea Continent, it could be named as Sea City. Its importance could be well imagined. In the entire Sea Continent, only Soaring Heaven Mansion could be compared to the flourishing city favorably.

In an exquisite restaurant in Sea City, Jian Wushuang sat in his crimson robe and carried his sword on his back as he read the set of information that he had just received.

"Vientiane Tower Treasure Auction?" Jian Wushuang raised his eyebrows, "Interesting."

Vientiane Tower was absolutely the number one chamber of commerce in Eternal Chaotic World. They possessed boundless treasures and rare books.

Vientiane Tower on every continent in Ten Cultivation Sanctuaries would throw a treasure auction every once in a while.

The treasure auction was huge. Many forces and sects on the continent, including many solo experts, would participate.

Jian Wushuang had just happened to make it in time for Vientiane Tower Treasure Auction in Sea Continent. The treasure auction was going to take place in Vientiane Tower in Sea Continent ten days later.

"I want to take revenge and I have to strike at the experts of Soaring Heaven King Palace. However, the experts are scattered all around Sea Continent. It won't be easy to find them. However, Vientiane Tower treasure auction is such a major event, even Soaring Heaven King Palace will definitely send influential experts to participate. This happens to provide me a great chance."

"As for how I want to do this..."

Jian Wushuang was in deep thought but there was suddenly a commotion outside the restaurant.

Jian Wushuang spread his soul power and he saw a few figures flying over from the void afar. The few of them had ferocious auras that were already at the level of Chaotic Real God. The one who was leading was a top Chaotic Real God.

The commotion outside the restaurant was stirred by their arrival.

At the same time, Jian Wushuang found out the background of the few figures via eavesdropping the conversations around him.

"Thunder Rolls Palace, a strong force in Sea Continent but they don't have any Almighty in commanding position. The leading one among them is the top Chaotic Real God, the master of Thunder Rolls Palace," Jian Wushuang tapped the table with his finger as the corners of his lips lifted into a smile.

When he saw the master of Thunder Rolls Palace, he already had a plan in his mind.

Then, Jian Wushuang immediately moved and got close to the few Chaotic Real Gods from Thunder Rolls Palace.

...

Chapter 1759: Fearlessness

Ten days later, the Vientiane Tower's Treasure Auction began as scheduled.

Just like the past, the Treasure Auction this time around had attracted many powerful, big powerhouses from the Sea Continent. Moreover, as the overlord of the Sea Continent, the Soaring Heaven King Palace had also sent experts over. Furthermore, the experts that it had sent over did not have low positions.

"Real God Xue Kong, I did not expect you to actually come to the Treasure Auction personally this time around."

“Haha, Brother Xue Kong, long time no see. I trust that you have been well since we parted?”

“Greetings to Real God Xue Kong.”

At the site of the Vientiane Tower’s Treasure Auction, the person who was flattered and escorted by everyone was a gray-robed old man.

The gray-robed old man was Real God Xue Kong from the Soaring Heaven King Palace. He was not just an Elder who had a lot of power in the Soaring Heaven King Palace. Instead, his abilities were shocking as well and it was rumored that he could compete with experts in the Real God ranking list. Among the experts from the Soaring Heaven King Palace who came to participate in the Treasure Auction this time around, he was their leader.

While being flattered by everyone, Real God Xue Kong and some experts from the Soaring Heaven King Palace went to their independent rooms.

When they sat inside their independent rooms, they could see everything that was occurring outside clearly. At the same time, they could also see the treasure exhibition stage.

“The auctioned treasures in the Treasure Auction of the Vientiane Tower have always been outstanding. However, I wonder what treasures will be auctioned off this time around.”

“It’s a pity that the Vientiane Tower’s Treasure Auction has always had tight security. Even the Soaring Heaven King Palace has no prior knowledge on the treasures.”

Two Real Gods of the Soaring Heaven King Palace were having a random conversation. However, at that time, Real God Xue Kong snorted coldly, “No matter what treasures are being auctioned off by the Vientiane Tower, as long as it is something that catches the Soaring Heaven King Palace’s eyes, it shall be ours.”

Upon hearing that, the other experts of the Soaring Heaven King Palace around him laughed.

Indeed, with the Soaring Heaven King Palace’s power and high-handedness, if a treasure were to catch their eyes during the Treasure Action, they would definitely be able to obtain it.

In no time, the Treasure Auction began and the first treasure was up for bidding.

The first treasure was a Real God-level Chaos Divine Weapon. Although it was armor used for defense, it did not catch the attention of the Soaring Heaven King Palace at all. On the contrary, experts from other powerhouses fought for the treasure for quite a period of time.

Time passed by and many treasures went up for bidding.

At the start, the Soaring Heaven King Palace was silent. Only the first twenty treasures had come out.

“Humongous White Sun Elixir. It’s something that is quite rare,” Real God Xue Kong muttered to himself and he spoke loudly: “One thousand Doctrine Gems.”

Real God Xue Kong’s voice spread across the area from the independent room that he was in and the whole Treasure Action became quiet at once.

The Humongous White Sun Elixir was valuable and it would be of some help to top Chaotic Real Gods. For its price, not to mention one thousand Doctrine Gems, if one were to come across someone who really needed it, even two thousand Doctrine Gems would not be considered a lot. If it were someone normal who gave the price of a thousand Doctrine Gems, someone else would definitely compete with him.

However, at that time, the Soaring Heaven King Palace was the one who gave the price.

In the Treasure Auction, many experts from each and every powerhouse or sect could not help but look at the independent room that Real God Xue Kong was in. However, they shook their heads immediately and it was obvious that they had already decided to give up on competing.

“One thousand Doctrine Gems, calling once!”

“One thousand Doctrine Gems, calling twice!”

The expert from the Vientiane Tower who was hosting the bidding competition was shouting loudly.

However, just as he was about to call for the third time...

“One thousand one hundred Doctrine Gems!” A deep voice could be heard abruptly.

“Eh?” Experts from many powerhouses and sects in the auction looked for the source of the voice immediately.

They saw that the voice also came from an independent room.

“The people in that independent room should be the people from the Thunder Rolls Palace.”

“The Thunder Rolls Palace? A mere Thunder Rolls Palace actually dares to compete with the Soaring Heaven King Palace?”

“Who knows. Perhaps there is someone in the Thunder Rolls Palace who really is in need of the Humongous White Sun Elixir badly?”

Some experts started to discuss it.

Although the Thunder Rolls Palace was a big powerhouse within the Sea Continent, there were sects which could rival, or were even stronger than, the Thunder Rolls Palace. Moreover, those sects were also interested in the Humongous White Sun Elixir. However, since the Soaring Heaven King Palace had given a price, they naturally gave up.

However, for the Thunder Rolls Palace to do this, everyone could only come to the conclusion that the Thunder Rolls Palace indeed had someone who needed the Humongous White Sun Palace badly.

In the independent room where everyone in the Soaring Heaven King Palace was, Real God Xue Kong looked in the direction that the Thunder Rolls Palace was and laughed apathetically, “The Thunder Rolls Palace has always revered the Soaring Heaven King Palace and they would absolutely not dare to oppose us. Forget it. It’s only one Humongous White Sun Palace. Since they need it, we shall give it to them.”

Real God Xue Kong did not lose his temper and he stopped bidding for the Humongous White Sun Elixir.

With that, the Humongous White Sun Elixir fell into the hands of the Thunder Rolls Palace at a price of one thousand one hundred Doctrine Gems.

The Treasure Auction continued.

In no time, another treasure caught the attention of the Soaring Heaven King Palace.

“Two thousand five hundred Doctrine gems,” Real God Xue Kong said right away.

All the powerhouses and sects in the auction came to a mutual understanding and gave up on competing immediately. However, from the independent room that the Thunder Rolls Palace was in, a deep voice could be heard again, “Two thousand six hundred Doctrine Gems!”

With that, Real God Xue Kong’s eyes squinted.

As for the experts of all the powerhouses in the Treasure Action, all of them were extremely surprised.

For the Humongous White Sun Elixir previously, perhaps someone in the Thunder Rolls Palace had really needed it. Hence, they had bid for it even though there was a risk of them offending the Soaring Heaven King Palace.

However, at that moment, for the second treasure that had caught the attention of the Soaring Heaven King Palace, the Thunder Rolls Palace still wanted to compete for it?

Would it be so much of a confidence for the Thunder Rolls Palace to happen to need both treasures that had caught the attention of the Soaring Heaven King Palace?

“Two thousand eight hundred Doctrine Gems,” Real God Xue Kong spoke again. However, that time around, his voice was a bit deep and low.

“Three thousand Doctrine Gems,” a deep voice could be heard again from the independent room of the Thunder Rolls Palace.

Real God Xue Kong’s eyes finally turned ice-cold.

“Thunder Rolls Palace... interesting,” Real God Xue Kong murmured and he stopped competing.

As for the other experts of the Soaring Heaven King Palace around him, their expressions were a bit cold as well.

The Treasure Auction continued.

The Treasure Auction was indeed held by the Vientiane Tower. The prices of all the treasures that they had taken out were extremely shocking and quite a number of treasures had caught the attention of the Soaring Heaven King Palace.

Moreover, every time Real God Xue Kong of the Soaring Heaven King Palace gave a price, the Thunder Rolls Palace would compete with him by giving another price. Moreover, no matter how high the price that Real God Xue Kong gave was, the Thunder Rolls Palace would always give a price that was higher than his.

The Treasure Auction was halfway done. During this period of time, there was a total of twelve treasures that had caught the eyes of the Soaring Heaven King Palace and they had also bid for them. However, for these twelve treasures, none of them fell into the hands of the Soaring Heaven King Palace in the end. Instead, all of them were obtained by the Thunder Rolls Palace.

The Thunder Rolls Palace had only obtained those twelve treasures.

In other words, the Thunder Rolls Palace would only bid for treasures that had caught the eyes of the Soaring Heaven King Palace. As for treasures that had caught the eyes of other powerhouses or sects, the Thunder Rolls Palace would not be concerned with them.

What were they doing?

In the Treasure Auction, the experts from all the powerhouses and sects were all extremely stunned. Some of them even cried out in alarm, "The Thunder Rolls Palace is really fearless!!!"

Chapter 1760: Old Monster Chi Xing

There were so many forces and sects that participated in the auction but Thunder Rolls Palace didn't bother with them. But whenever Soaring Heaven King Palace shouted a bid, they immediately joined and competed in bidding.

They were obviously asking for trouble with Soaring Heaven King Palace!

"Thunder Rolls Palace, are they crazy?"

"Crazy, they must be crazy."

"Thunder Rolls Palace must have increased in power tremendously and they are getting carried away."

"Tsk tsk. I think Thunder Rolls Palace is courting death. They openly provoked Soaring Heaven King Palace. If I were to be Real God Xue Kong, I would immediately destroy Thunder Rolls Palace right when the auction ends."

There were people whispering to one another. The experts from various forces and sect were waiting to watch a show.

Of course, they were also people whose eyes were dilated in curiosity. They faintly noticed that it wasn't as simple as it looked.

The few experts from Soaring Heaven King Palace gathered and they didn't look too good. Only the leader among them, Real God Xue Kong, flashed a bloodthirsty smile. "It seems like we of Soaring Heaven King Palace has not launched an attack for many years and the outside world already forget how scary Soaring Heaven King Palace is. Even a nonentity has the guts to provoke us in public."

"Humph, Thunder Rolls Palace doesn't even have any experts on Real God ranking list, let alone an Almighty. Such a sect, Soaring Heaven King Palace can destroy them in an instant. Wait till the auction ends, we shall immediately take action. First, kill all the people from Thunder Rolls Palace who came to join the auction," one of the Chaotic Real Gods from Soaring Heaven King Palace said.

“No, it’s not as simple as you think it is,” Real God Xue Kong smiled maliciously, “What does Thunder Rolls Palace have that gave them the courage to provoke Soaring Heaven King Palace? Their palace master isn’t that stupid. If he dares to do so, he definitely has a backer. There are only a few of us, it’s best that we don’t act recklessly.”

“How about this? Master Chi Xing happens to be nearby. Let me send him a message for him to make a trip here personally. With Master Chi Xing, no matter who Thunder Rolls Palace’s backer is, he will be able to settle.”

The few experts from Soaring Heaven King Palace nodded heavily at his suggestion.

They were confident in Master Chi Xing.

Then, in the independent room that all experts were paying attention to, the few Real Gods from Thunder Rolls Palace stood. Their faces were as pale as sheets and they were shivering in fear.

“Mister, the one that we offended is Soaring Heaven King Palace,” the master of Thunder Rolls Palace muttered.

In front of the master of Thunder Rolls Palace, there was a young man in a crimson robe carrying a long sword on his back. The person was naturally Jian Wushuang.

Jian Wushuang was enjoying his cup of tea leisurely. He smiled when he heard what the master of Thunder Rolls Palace had said. “Why? Master of Thunder Rolls Palace seems to be afraid?”

“Of course I am,” the master of Thunder Rolls Palace said, “Soaring Heaven King Palace is one of the biggest forces in Eternal Chaotic World. They have a total of over ten Almighties. Anyone sent could destroy Thunder Rolls Palace completely. On Sea Continent, Soaring Heaven King Palace is King. Thunder Rolls Palace have always been respectful.”

The master of Thunder Rolls Palace looked bitter.

Soaring Heaven King Palace was a big figure to Thunder Rolls Palace. If it wasn’t because Jian Wushuang had forced him to, he wouldn’t have had the guts to provoke the former.

But then, he had no choice. The few of their lives were in Jian Wushuang’s hands. They couldn’t even struggle.

They could only obey what Jian Wushuang wanted them to do.

“Don’t worry. Soaring Heaven King Palace isn’t as scary as you imagined. Plus, if the experts of Soaring Heaven King Palace were to barge in here, I would take care of them. As for you, just telling them you were forced by me will do. At most, apologize to them. There won’t be anything major,” Jian Wushuang said.

The master of Thunder Rolls Palace looked even more troubled.

One should know that Soaring Heaven King Palace had always been barbaric. Thunder Rolls Palace had offended them so badly, even if there was a reason, it wouldn’t be something that could be solved with an apology.

“Don’t worry, follow my instructions. Whatever treasure Soaring Heaven King Palace wants, get it for me,” Jian Wushuang continued to enjoy his tea.

The master of Thunder Rolls Palace gulped. Although he wasn’t willing to, he could only follow Jian Wushuang’s instructions.

However, Soaring Heaven King Palace seemed to take the hint. The rest of the treasure, they never bid anymore. Hence, the master of Thunder Rolls Palace naturally couldn’t fight for it.

Very soon, the biggest treasure auction on Sea Continent ended.

The experts from various forces and sects walked out from Vientiane Tower. The moment they walked out from Vientiane Tower, they were shocked at the sight in the void before them.

In the void outside of Vientiane Tower, there were over ten figures floating. The figures had strong auras. The weakest was an Eternal Real God and most of them were Chaotic Real Gods. Real God Xue Kong was in the crowd too but he wasn’t the leader of the crowd.

The leader was an elderly with white eyebrows who was standing at the far front with a snakehead staff. He was standing there in silence while he squinted his eyes.

The elderly with white eyebrows didn’t give out any aura. He was the least eye-catching one among the figures. However, that person was the reason the experts at the scene looked terrified.

“It’s Old Monster Chi Xing!”

“Sir God Chi Xing from Soaring Heaven King Palace. He’s an Almighty!”

“An Almighty came personally. Thunder Rolls Palace is doomed!”

“As expected, Soaring Heaven King Palace is not one who could be provoked as he wishes. An Almighty came personally and he could easily destroy Thunder Rolls Palace.

Outside of Vientiane Tower, countless experts stopped. They didn’t leave and the scene became noisy.

Whoever participated in that treasure auction knew that Thunder Rolls Palace had taken the initiative to provoke Soaring Heaven King Palace. According to Soaring Heaven King Palace’s manner of handling things, how could they tolerate that? At the treasure auction earlier, Soaring Heaven King Place didn’t do anything as they were concerned about Vientiane Tower’s reputation. But then... Judging by the looks of it, the moment the experts of Thunder Rolls Palace exit, they would immediately be killed by Soaring Heaven King Palace.

Under the anticipation and attention of all experts, the few Real Gods from Thunder Rolls Palace walked out of Vientiane Tower slowly. The person leading them was the master of Thunder Rolls Palace, who looked bitter.

The moment they walked out from Vientiane Tower, the Master of Thunder Rolls Palace felt dry in his throat when he saw over ten figures and Sir God Chi Xing at the forefront before him. He suppressed his fear and said, “Thunder Rolls Palace, Lei Tao, greets Sir God Chi Xin and everyone from Soaring Heaven King Palace.”

“Lei Tao, in the eyes of your Thunder Rolls Palace, is there Soaring Heaven King Palace?” Real God Xue Kong looked down at him from above.

“This...” the Master of Thunder Rolls Palace wanted to say something.

Sir God Chi Xing’s eyes suddenly opened wide and there was a flash of light.
