

## Swordsman 3451

### Chapter 3451 Divine Moon Palace

"Clan leader Blood Marten, tell me." Jian Wushuang knocked on the armchair casually.

"Celestial Marquis, to tell you the truth, the Blood Marten Clan arranged the marriage between my daughter and Chi Hu so that the Blood Marten Clan and the Scarlet Gold Clan could get closer through marriage. This way, we can have more confidence when we face the blood clan," Er Xiu said.

"Blood Clan?" Jian Wushuang's expression changed. "What does the marriage between you and the Scarlet Gold Clan have to do with the blood clan?"

"Mr. Heavenly Marquis, you may not know this, but although the Blood Marten Clan has always been a top clan in the demon region, in fact, our clan only had a period of glory when the ancestor was still alive. After the ancestor went to the universe battlefield, our clan gradually declined. Although we are still a top clan now, we are already at the bottom of the top clans!" "Many other races also secretly said that the Blood Marten Clan was not worthy of its name and no longer had the strength of a top race. In addition, the Heavenly Sword Marquis may also know that the competition between many races in the demon region has always been very cruel, and our Blood Marten Clan has been fighting with many races all year round!"

"Now that our Blood Marten Clan is under-estimated, our overall strength has already pulled away from many other top races. Naturally...many races want to replace our Blood Marten Clan, and there are even races that want to directly annex our Blood Marten Clan."

"Are you saying that the clans that want to annex your Blood Marten Clan are the blood clan?" Jian Wushuang asked.

"Yes." Er Xiu nodded heavily. "Among the many top clans in the demon region, even if some of them have designs on the Blood Marten Clan, they would at most occupy the territory resources of the Blood Marten Clan. However, they would never want to annex or exterminate the Blood Marten Clan. After all, the Blood Marten Clan has had its glory. A camel that is about to die is bigger than a horse. In addition, there is the sect-protecting formation set up by the ancestor. The top clans in the demon region would not dare to truly fight with the Blood Marten Clan. However, the blood clan is different!"

"Blood clan, you are one of the four great divine clans. Your foundation and strength are far beyond that of the Blood Marten Clan. Even when the Blood Marten Clan was at its peak, we were still inferior to the blood clan when the ancestor was around, let alone now!"

"There is no doubt that the blood clan has the ability to directly devour and annihilate the Blood Marten Clan. From the actions of the blood clan over the years, it seems that the blood clan does have such a thought. It's just that they are worried about the other divine clan, the Nine-tailed Clan, in the nearby territory. That's why they haven't made a move

yet."

Jian Wushuang narrowed his eyes slightly.

The most powerful clans around the Piahuo City were not only the Scarlet Gold Clan and the Blood Marten Clan, but also the even more terrifying Nine-tailed Clan.

As for the blood clan, they were still some distance away from this territory. If the blood clan took action against the Blood Marten Clan, it would be equivalent to encroaching on the territory near the Nine-tailed Clan. Of course, the Nine-tailed Clan would not sit idly by.

“Since the Nine-tailed Clan is keeping the balance, what do you need to worry about?” Jian Wushuang asked.

“I didn’t worry about it before, but over the years, the Nine-tailed Clan has also encountered some troubles,” Er Xiu said.

“Oh, what troubles?” Jian Wushuang asked.

“It’s a newly-risen clan. To be exact, it’s a newly-risen force,” Er Xiu said.

“Power?” Jian Wushuang’s expression changed.

“Yes, it’s called Divine Moon Palace. It was founded hundreds of years ago. At first, it was very low-key and didn’t attract much attention. But in just a few hundred years, it has developed into a map that even the Nine-tailed Clan wouldn’t dare to underestimate. Especially 30 years ago, Divine Moon Palace even annexed the Howling Demon Clan and made the entire clan submit to it,” Er Xiu said.

“The Roaring Demon Clan?” Jian Wushuang’s pupils constricted.

Among the many clans in the demon region, he knew not only the four great divine clans but also a few powerful top clans. The Roaring Demon Clan was undoubtedly an extremely powerful top clan, although there were no experts of the sixth void realm in the clan, it was said that there were two experts at the peak of the fifth void realm and many powerful Principles Masters.

In terms of overall strength, the Roaring Demon Clan was much stronger than the Blood Marten Clan, even stronger than the Scarlet Gold Clan.

How could such a top clan be annexed by the Divine Moon Palace, which had been established for only a few hundred years?

The Divine Moon Palace had amazing methods!

“What’s next?” Jian Wushuang asked.

“After the Divine Moon Palace annexed the Roaring Demon Clan, its overall strength skyrocketed. It has become a force above all the top clans, and it is qualified to threaten the status of the four great divine clans. As the only divine clan in this territory, the Nine-tailed Clan also sensed the threat, so they wanted to suppress the Divine Moon Palace. Unexpectedly, the Divine Moon Palace directly fought with the Nine-tailed Clan!” Er Xiu exclaimed.

“The Divine Moon Palace is not fighting indirectly, but directly. It can even be said to be a direct declaration of war. The nine-tailed race will naturally not be outdone. Therefore, the nine-tailed race and the Divine Moon Palace have been fighting fiercely all these years. Although the nine-tailed race has the upper hand, they do not have an absolute advantage. Instead, the Divine Moon Palace has been

recruiting experts everywhere all these years. As their strength grows, the threat they pose to the nine-tailed race also grows!"

"At this time, the Nine-tailed Clan has put all their attention on Divine Moon Palace, so they have no time to care about the fights between the other clans. Therefore, they have given the blood clan an opportunity. Not long ago, experts from the blood clan came here one after another and even fought with the Blood Marten Clan."

"Is that why you want to recruit the Scarlet Gold Clan to fight against the blood clan through marriage?" Jian Wushuang looked at Er Xiu.

"Yes, the Blood Marten Clan is not the only one who has noticed the blood clan's intention. The Scarlet Gold Clan has also noticed it. We have a tacit understanding with each other in this marriage alliance. Now that the marriage alliance has been formed, it's suitable for the two top clans to fight against the blood clan together. With the combined strength of the Blood Marten Clan and the Scarlet Gold Clan, as long as the blood clan doesn't come out in full force, we'll be able to protect ourselves," Er Xiu said.

"After you proposed the marriage, I also thought about giving up the marriage with the Scarlet Gold Clan and choosing you, but you are a human cultivator and don't stay in the demon region all year round. If something happens to the Blood Marten Clan, you won't be able to come in time."

"Secondly, although you are very talented and have great potential, your current strength..." Before Er Xiu finished his words, Jian Wushuang had completely understood.

### **Chapter 3452 Alliance?**

—

—

"Although I'm talented, I'm afraid that the blood clan won't respect me, let alone respect me. Clan leader Blood Marten, is that what you mean?" Jian Wushuang said.

Er Xiu smiled awkwardly. From his laughter, it was clear that he had tacitly agreed.

Jian Wushuang was helpless about this.

"Of course, that's because our Blood Marten Clan didn't know that you had an expert who had reached the peak of the sixth realm of the void. Otherwise, our Blood Marten Clan would have decisively given up on the Scarlet Gold Clan and chosen to form an alliance with you," Er Xiu said.

Hearing this, Jian Wushuang understood.

If he alone was not enough to make the blood clan fear him or her, then the addition of Demon Master Chenhuo would definitely be enough.

If the blood clan knew that the Blood Marten Clan had an expert at the peak of the sixth void realm as a helper, they would definitely not dare to have any thoughts about the Blood Marten Clan.

"Clan leader Blood Marten, since we've already said this, I'll speak frankly. My second brother is definitely going to marry Princess Ying of your Blood Marten clan, and our Zhuo Clan and your Blood

Marten Clan will naturally become in-laws. If your Blood Marten Clan is in trouble at this time, our Zhuo Clan will naturally not sit idly by. As a member of the Zhuo Clan, of course, I will also take action,” Jian Wushuang said.

“I’m relieved to hear your words, Mr. Heavenly Marquis. I’ll send my daughter here immediately.” Er Xiu hurriedly called out to the Blood Marten Clan. “Hurry, go and bring Ying ‘er here.”

“Yes.” Someone from the Blood Marten Clan immediately went over. Not long after, Zhuo Peng’s beloved Princess Ying appeared in front of everyone.

“This is my second sister-in-law?” Looking at the delicate and beautiful girl in front of him, Jian Wushuang’s expression could not help but change. He could not help admiring his second brother’s good taste. “Ying ‘er!”

Seeing the girl, Zhuo Peng was pleasantly surprised.

“Zhuo Peng, why are you here?” Princess Ying was a little surprised.

She had thought that she would never see Zhuo Peng again. She did not expect that Zhuo Peng would come to the land of the Blood Marten Clan.

“Ying ‘er, your father has promised to marry you to me. From now on, we will never be separated,” Zhuo Peng walked to Princess Ying and said excitedly.

“What?” Princess Ying was stunned at first, but then she looked at Er Xiu in disbelief. “Father...”

“Haha, daughter, Zhuo Peng is a good boy. I can see that he really likes you. Father will naturally fulfill your wish,” Er Xiu said with a smile.

“Great, great!” Princess Ying also shouted happily.

A moment later, Zhuo Peng pulled Princess Ying to Jian Wushuang.

“Ying ‘er, it’s all thanks to third brother’s help that we can be together this time. Let’s thank him together,” Zhuo Peng said.

“Third brother?” Princess Ying looked at Jian Wushuang in confusion.

Er Xiu, who was beside her, hurriedly said, “Ying ‘er, Mr. Heavenly Marquis is the number one genius in the Divine Beginning Realm. The reason why you and Zhuo Peng can be together this time is largely because of Mr. Heavenly Marquis.”

“Thank you, Mr. Heavenly Marquis.” Princess Ying bowed and said gratefully.

“Second brother, second sister-in-law, we are family. There’s no need to be so polite.” Jian Wushuang smiled.

Princess Ying stood up, but she still looked at Jian Wushuang with some doubt.

“This person is Zhuo Peng’s third brother? That means he is younger than Zhuo Peng, but why is father so humble when facing him?” Princess Ying muttered in her heart.

"Second brother, you and second sister-in-law haven't seen each other for a while. Go and have a good chat. You can meet father and mother in an instant," Jian Wushuang said.

"Okay." Zhuo Peng immediately led Princess Ying to Zhuo Yunfeng and Luo Xinqin.

Jian Wushuang, who was still sitting side by side with Er Xiu, said in a soft voice, "Clan leader Blood Marten, the marriage between our two families has been decided. Now, let's talk about another matter."

"May I know what you are talking about?" Er Xiu asked.

"I have just agreed that if the blood clan threatens your Blood Marten Clan, I will do my best to help. But at the same time, if I encounter some trouble in the demon region, I'm afraid I will also need your Blood Marten Clan's help. So, why don't we form an alliance?" Jian Wushuang said.

"An alliance?" Er Xiu was stunned, but then he laughed. "Of course, it's the best!"

Er Xiu could not wait to form an alliance with Jian Wushuang so that he could completely tie Jian Wushuang to his side.

"Don't be in such a hurry to agree. This matter is not as simple as you think," Jian Wushuang said with a smile.

"Oh?" Er Xiu was surprised.

"To tell you the truth, I will be in the demon region for a long time. Of course, I have a lot of things to do. I'm afraid that you, clan leader of the Blood Marten Clan, and your entire clan won't be able to accept some of these things," Jian Wushuang said with a smile.

"Oh? What is it that our entire clan won't be able to accept?" Er Xiu asked.

"For example, fighting a celestial race or even destroying one? Can your Blood Marten Clan accept that?" Jian Wushuang laughed.

"What?" Er Xiu was completely stunned. "Fighting a celestial race or even destroying one? Mr. Heavenly Marquis, are you kidding?"

"I'm not kidding. It's really possible. That's why I want you to think carefully." Jian Wushuang smiled.

"Mr. Heavenly Marquis, do you really want to attack a celestial race?" Er Xiu looked at Jian Wushuang in surprise. "It's not that I want to attack, but I'm afraid that my other ally will do so." Jian Wushuang smiled.

"Who's my other ally?" Er Xiu asked.

"My other ally, if I'm not mistaken, is the Divine Moon Palace you mentioned earlier!" Jian Wushuang said.

"What?" Er Xiu was shocked.

The Divine Moon Palace, the mysterious force that had only risen for a few hundred years but was already able to challenge the Nine-tailed Clan?

"Mr. Heavenly Marquis, are you the helper that the Divine Moon Palace hired to deal with the Nine-tailed Clan?" Er Xiu asked in shock.

"I can't be sure for now, but I think it's most likely," Jian Wushuang said with a smile.

According to Er Xiu, the Divine Moon Palace had only risen for a few hundred years, but it had developed at a terrifying speed.

Moreover, the Divine Moon Palace was obviously aimed at the Nine-tailed Clan. Therefore, Jian Wushuang immediately thought of Miss Xiao'er. According to his guess, Miss Xiao'er should be the one who created the Divine Moon Palace. Only Miss Xiao'er had the strength and motive to do so.

### **Chapter 3453 Goodbye, Xiao'er**

"It's actually very easy to determine whether Divine Moon Palace is my ally or not." Jian Wushuang smiled. "Clan leader, if you want the blood clan to be afraid of your Blood Marten Clan and not dare to attack it, then naturally, you must let the blood clan know about my relationship with your blood marten clan. If that's the case, then you can take the initiative to spread the news."

"Moreover, when I killed Scarlet Tiger in Piahuo City previously, I caused quite a commotion. I also let the City Protection Army in Piahuo City know that I have an expert at the peak of the sixth level of the void. This news will also be spread out. When that time comes, the blood clan will not dare to act rashly. And if that ally of mine is really the Divine Moon Palace, then they will naturally come looking for me. We only need to wait here. When that time comes, you can decide whether you want to form an alliance with me or not."

"I understand. I'll send someone to spread the news now. Besides, Chi Hu is dead, so the engagement between the Blood Marten Clan and the Scarlet Gold Clan doesn't count. I have to make it clear to the Scarlet Gold Clan." Er Xiu immediately went to make arrangements.

Jian Wushuang stayed in the Blood Marten Clan and waited quietly.

As time passed, the news that Heavenly Sword Marquis had arrived in the demon region and that an expert had reached the sixth realm of the Void had spread throughout the entire demon region.

The entire demon area was in an uproar, especially when the Heavenly Sword Marquis had killed the young patriarch of the Scarlet Gold Clan in Piahuo City and married the blood marten tribe. This meant that the Heavenly Sword Marquis had arrived in the demon area, he did not just pass by.

The various tribes in the demon area naturally began to pay attention. In the Grand Meeting Hall of the Scarlet Gold Clan, many high-level experts of the Scarlet Gold Clan gathered together.

"He's going too far!"

"This Heavenly Sword Marquis is really going too far!"

Roars sounded continuously in the hall. It was the current chief of the Scarlet Gold Clan.

**SON**

“Heavenly Sword Marquis, you killed my son. If I don’t take revenge, I’ll be a father in vain!” The chief of the Scarlet Gold Clan clenched his fists, his nails dug into his flesh. After a while, he said, “Didn’t Heavenly Sword Marquis kill someone in Piahuo City? This is against the rules set by the races of the demon area. What did the other races say?” “Clan leader, you know how capable Heavenly Sword Marquis is. Even the three Saint Realms can’t do anything to him. Who else can kill him?”

“Moreover, the news from the Piahuo City said that Heavenly Sword Marquis had a super expert at the sixth realm of the void with him. He had extraordinary potential, and with such an expert by his side, who would dare to provoke the races of the demon region? Naturally, they would turn a blind eye and pretend not to know,” said an elder of the Scarlet Gold Clan.

“Pretend not to know? We made the rules together. How can we pretend not to know now?!” The Scarlet Gold Clan leader was furious.

“There’s nothing we can do about it. The Heavenly Sword Marquis is not easy to provoke. Even the four great celestial races are not willing to provoke him, let alone the top races. Moreover, the Heavenly Sword Marquis seems to be in a marriage alliance with the Blood Marten Clan. The Blood Marten Clan is also on his side. No one else dares to talk about gods,” continued the elder.

“By the way, it’s not as if all the races in the demon region don’t know about it. One of the four great celestial races, the nine-tailed race, has condemned him. However, the nine-tailed race is mainly because the Heavenly Sword Marquis killed the Nine Palace Saintess. Furthermore, the nine-tailed race has to deal with the Divine Moon Palace, so they have no time to worry about the Heavenly Sword Marquis. Therefore, they can only say it verbally.” “Humph, a bunch of trash!” The Scarlet Gold Clan leader snorted coldly. “Tribe leader, that Heavenly Sword Marquis is indeed not to be trifled with. Why don’t we just forget about this matter?” The elder said softly.

However, the moment he finished speaking, he was immediately met with the piercing cold gaze of the Scarlet Gold Clan leader. He was so frightened that he did not dare to say anything more.

“Humph, forget about it? What kind of joke is this? How can I not take revenge for killing my son?” The Scarlet Gold Clan leader’s voice was icy cold, “Heavenly Sword Marquis, just you wait. Maybe I can’t do anything to you now, but no matter what I do, I will make you pay for it!”

“And the Blood Marten Clan, do you think you can kick the Scarlet Gold Clan away with the ship of Heavenly Marquis Sword?”

“In your dreams!” The cold voice echoed in the hall, causing the air in the hall to freeze.

Jian Wushuang was waiting quietly in the Blood Marten Clan.

Meanwhile, the Blood Marten Clan had already lit lanterns and prepared for the wedding of Zhuo Peng and Princess Ying.

The two parties had already set a date and were waiting to get married. The location of the wedding was in the Blood Marten Clan.

However, on this day, someone came looking for him.

“Mr. Heavenly Marquis, Mr. Heavenly Marquis!” Er Xiu rushed to Jian Wushuang.

“Clan leader of the Blood Marten Clan, why are you in such a hurry? Is someone really here?” Jian Wushuang said with a smile.

“Yes, someone is here, and he specifically asked for you. In addition, the clansmen of the Blood Marten Clan who are guarding outside have sent a message to someone. The person is very mysterious, so we can’t see his face clearly. It’s even difficult to capture his aura. However, we can tell that he is definitely a real expert,” Er Xiu said.

“That’s most likely true. Let’s go and welcome him.” Jian Wushuang smiled and immediately rushed toward the entrance of the Blood Marten Clan with Er Xiu, along with Demon Master Chenhuo.

As soon as they reached the entrance, Jian Wushuang immediately saw two gray-robed figures in the void in front of him.

The two gray-robed figures were completely out of the gray robe’s coverage. The surrounding void was quite hazy, so he could not see their appearance.

However, Jian Wushuang did not need to see their appearances. He only needed to sense their unique aura to recognize them. “It really is her,” Jian Wushuang said with a faint smile.

The two gray-robed figures had also stepped down.

“Miss Xiao’er, it’s been many years. How have you been?” Jian Wushuang looked at the clearly delicate figure in front of him.

The gray robe retreated, and the surrounding haze disappeared. The delicate figure raised her head, revealing a peerless beauty with a deep charm, it was so charming that people could not help but bow their heads.

The moment they saw the woman’s face, the clansmen of the Blood Marten Clan were stunned. They stood there like stones, not moving at all.

“Miss Xiao’er’s charm is really getting better and better. She doesn’t even need to speak. Her every move is probably enough to make some weaker cultivators lose their minds completely,” Jian Wushuang thought to himself.

He had personally experienced Miss Xiao’er’s charm. At the same time, the Nine Palace Saintess in the Blood Wave Realm had also used the same trick on him.

However, the Nine Palace Saintess’ seductive methods were far inferior to miss Xiao’er’s.

### **Chapter 3454 Xiao’er’s Origin**

—

—

“Jian Wushuang, the last time we met, you didn’t even step into the Divine Master Realm. But in the blink of an eye, so many years have passed, and you’re already recognized as the number one genius in the Divine Beginning Realm. Even the three Saint Realms can’t do anything to you. You’re really extraordinary,” Xiao’er said, her voice was sweet and intoxicating.

"Miss Xiao'er, aren't you different now? If I'm not wrong, the Divine Moon Palace, which has just risen in the demon region, was created by Miss Xiao'er," Jian Wushuang said with a smile.

"It's just a small trick." Xiao'er smiled, tacitly acknowledging the relationship between the Divine Moon Palace and her.

"A small trick? It's not a small trick to be able to create a major force in a short period of time that can challenge the Nine-tailed Clan and have an expert of the sixth realm of the void with you." Demon Master Chenhuo suddenly spoke, his eyes were intentionally or unintentionally looking at the gray-robed figure behind Xiao'er.

The gray-robed figure was still shrouded in the gray robe and did not reveal his appearance. His aura was also very hazy. However, with the strength of Demon Master Chenhuo, he could naturally sense the hidden aura of the other party. "The sixth realm of the void?" Jian Wushuang also revealed a surprised look.

"I spent a lot of effort to subdue this servant beside me. Unlike You, a super expert at the peak of the sixth realm of the void would willingly follow him as a guard. This is really surprising," Xiao'er said. "A servant?"

Jian Wushuang and the experts from the Blood Marten Clan around him were secretly shocked.

They had thought that the expert behind Xiao'er was just an expert under her command. They did not expect that he was just a servant? To make a super expert of the six realms of the void a servant...

"Although Chenhuo is working with me as a guard, we are working together as equals. Unlike You, Miss Xiao'er, who directly makes an expert of the six realms of the void a servant," Jian Wushuang said with a faint smile, "Well, let's not talk about these unnecessary things. Let's go to the Blood Marten Clan and talk about it slowly." "Okay." Xiao'er nodded.

## **UNnler**

"Mr. Heavenly Sword Marquis, and Miss Xiao'er, please come in," Er Xiu said respectfully.

He knew very well that although he was the grandmaster of the Blood Marten Clan, he was nothing in front of Jian Wushuang or Miss Xiao'er.

Jian Wushuang had amazing potential. He was even a threat to the three Saint Realms, and he was accompanied by the guards of experts at the peak of the six void realms.

As for Miss Xiao'er, he had just heard that she was the mysterious expert who founded the Divine Moon Palace. The Blood Marten Clan could not afford to offend either of them.

The group returned to the Blood Marten Clan and then came to the meeting hall of the Blood Marten Clan.

Because the people who came to discuss the matter were too special, the entire hall had been covered by a magic array.

There were only five people sitting in the hall.

They were Jian Wushuang, Xiao'er, Er Xiu, Demon Master Chenhuo, and the servant who followed Xiao'er.

Except for the five people, no one else was qualified to enter the hall.

"Jian Wushuang, do you still remember what we talked about?" Xiao'er looked at Jian Wushuang.

"Of course I do. We formed an alliance and helped each other," Jian Wushuang said.

"That's right. As my ally, you now know that I created the Divine Moon Palace, so you naturally know what I need your help with," Xiao'er said.

"I know. I'm just going to help you deal with the Nine-tailed Clan. But before that, there's something I have to figure out," Jian Wushuang said after a moment of silence, then he said, "That's where you come from, and what kind of grudges do you have with the Nine-tailed Clan?"

"Well..." Xiao'er's expression changed slightly. "Why? Can't you tell me about it now?" Jian Wushuang shrugged.

"You are my ally and have enough strength. Of course, you are qualified to know about this, but Grandmaster Er Xiu..." Xiao'er looked at Er Xiu with interest.

Er Xiu and the Blood Marten Clan were not allies of Divine Moon Palace.

"Grandmaster Blood Marten has also intended to form an alliance with us. The main purpose of this visit is to form a true alliance between the three of us," Jian Wushuang said.

"Oh, is that so?" Xiao'er raised her eyebrows. "At least the Blood Marten Clan knows what's good for them. It saves the Divine Moon Palace from having to take action personally." "What?" Er Xiu was surprised, but then he said in a low voice, "Miss Xiao'er, do you mean that you had planned to take action against the Blood Marten Clan?"

"What do you think?" Xiao'er looked at Er Xiu with a sneer, "In this territory, other than the Nine-tailed Clan, there are only two top tribes, your Blood Marten Clan and the Scarlet Gold Clan. Now, my Divine Moon Palace has been developing very fast, but it has basically reached its limit. If you want to increase your strength again, you can only think of ways to annex or control other tribes. Your Blood Marten Clan and the Scarlet Gold Clan are naturally the best targets for my Divine Moon Palace."

"I'm not afraid to tell you now that I've secretly controlled some members of the Blood Marten Clan, including a few core figures. If you don't plan to form an alliance with Jian Wushuang, my Divine Moon Palace will make a move within three years at most. At that time, your Blood Marten Clan will definitely take the initiative to provoke my Divine Moon Palace. Then, my Divine Moon Palace will use this as an excuse to swallow your Blood Marten Clan with lightning speed."

"Believe me, if my Divine Moon Palace really wants to devour your Blood Marten Clan, then even the Nine-tailed Clan won't have the time to react."

Upon hearing Xiao'er's words, Er Xiu's face turned pale. At the same time, he felt a lingering fear in his heart.

He knew very well that Xiao'er's words were not the slightest bit exaggerated. With the Divine Moon Palace's current strength and means, it would be too easy for them to devour his Blood Marten Clan.

If it were not for the fact that the Nine-tailed Clan would stop them, they would not have to prepare anything.

Now that Divine Moon Palace had made careful preparations, they would not give the Blood Marten Clan any chance to react. Just like when Divine Moon Palace swallowed the Roaring Demon Clan.

The Roaring Demon Clan was much stronger than the Blood Marten Clan, but they were suddenly swallowed by Divine Moon Palace.

At the thought of this, Er Xiu was even more shocked.

"Clan leader Er Xiu, Jian Wushuang just said that your Blood Marten Clan only intends to form an alliance with the Divine Moon Palace?" Xiao'er looked at Er Xiu again.

"No, no, Miss Xiao'er, I've already decided that my Blood Marten Clan will form an alliance with the Divine Moon Palace and Mr. Heavenly Marquis now. No matter what your orders are, my Blood Marten Clan will not refuse. Even if you want my Blood Marten Clan to help the Divine Moon Palace fight against the Nine-tailed Clan, we can do it," Er Xiu said solemnly.

#### **Chapter 3455 Nine-Life Charming Heaven Skill!**

Jian Wushuang and Xiao'er laughed at his words.

"Clan leader, from now on, your Blood Marten Clan is our ally," Jian Wushuang said with a smile.

"Although the Blood Marten Clan is at the bottom of the top clans, it is still a top clan and has a good foundation. It would be great if we can get the Blood Marten Clan to help us without fighting," Xiao'er added.

"Miss Xiao'er, since the Blood Marten Clan is now our ally, Clan Leader Erxiu is also qualified to know everything. Now you can tell us about the grudge between you and the Nine-tailed Clan," Jian Wushuang said.

"Sure." Xiao'er nodded and was silent for a moment, then she said, "Jian Wushuang, when we first met, you already knew that I am a reincarnated cultivator. But what you don't know is that this is not my first reincarnation."

"Oh?" Jian Wushuang's expression changed.

"Before this life, I had reincarnated eight times. This time, it was the ninth time. It was the ninth time that the secret skill that I cultivated had truly reached perfection. From then on, I could do everything I wanted to do. The previous eight lives were just the middle of the transition," Xiao'er said.

"Nine reincarnations, just to cultivate a secret skill to the perfection level? What secret skill is that?" Jian Wushuang was puzzled.

However, Er Xiu's eyes suddenly widened. "Could it be..."

"Oh? Clan leader Er Xiu, do you know the secret skill I cultivate?" Xiao'er looked at Er Xiu.

"I know a legendary secret skill that requires nine reincarnations to reach the perfection level. This secret skill is said to come from the universe battlefield and is an extremely magical and incredible secret skill. It's called the nine-lives succubus skill!" Er Xiu said.

"As expected of the leader of the Blood Marten Clan. Your knowledge is indeed extraordinary. That's right. The secret technique I'm cultivating is precisely the nine-lives succubus technique." Xiao'er said with a smile.

"How can it be?" Er Xiu was extremely shocked, "Nine-lives succubus technique. Isn't that a secret technique that the Nine-tailed Clan doesn't impart? You have such a great enmity with the Nine-tailed Clan. It's obvious that you have the intention of completely exterminating the Nine-tailed Clan. How can you cultivate the Nine-tailed Clan's supreme secret technique?"

"Moreover...it's said that since the Nine-tailed Clan obtained the nine-life charm, no one has been able to successfully cultivate it. They don't even have the qualifications to cultivate it. In all these years, no one has ever cultivated this secret skill, but you actually succeeded?"

"Haha, no one can cultivate this secret skill?"

"Yes, before me, no one could cultivate it, but now it's different. As for why I cultivate this secret skill, it's actually very simple. Because I'm originally a member of the Nine-tailed Clan," Xiao'er said.

"As expected." Jian Wushuang narrowed his eyes, but he was not surprised.

Since Xiao'er had been entangled with the Nine-tailed Clan and possessed the unique enchantment skill of the Nine-tailed Clan, he had guessed that Miss Xiao'er might be from the Nine-tailed Clan.

However, Er Xiu found it difficult to understand, "You're clearly a clansman of the Nine-tailed Clan, and since you can cultivate the nine-life enchantment skill, the Nine-tailed Clan must have attached great importance to you and even treated you as a treasure. But how could you end up hating the Nine-tailed Clan so much?"

"Hmph, I'm not lying. My real name is Daji, and I'm originally a member of the Nine-tailed Clan. Furthermore, I have the purest Emperor Phoenix bloodline in the Nine-tailed Clan. The Emperor Phoenix bloodline is the bloodline of the Nine-tailed Clan's royal clan. In the Nine-tailed Clan, only the owner of the Emperor Phoenix bloodline can become the clan leader of the Nine-tailed Clan and lead the entire clan."

"Hence, after I was born, many members of the Nine-tailed Clan did treat me as a treasure, and everyone treated me with great respect and respect. Everything was going well for me, but after that, because of one thing, it completely changed. My family and my clansmen abandoned me, completely ignoring my life and death. In the end, the Nine-tailed Clan even did not hesitate to kill me with their own hands." As Xiao'er spoke up to this point...their body began to tremble slightly, and their eyes were filled with shocking hatred.

However, Jian Wushuang was still puzzled. He could not help but ask, "Miss Xiao'er, what exactly is the matter you mentioned?"

"It has something to do with the Seven Star Xuan Sect." Xiao'er glanced at Jian Wushuang lightly. She knew that Jian Wushuang had a deep relationship with the Seven Star Mysterious Sect.

When Jian Wushuang used the Seven Star Mysterious Sect's secret skill in front of her in the Witch Desert Realm, Xiao'er recognized him at a glance.

Jian Wushuang was shocked.

It was related to the Seven Star Mysterious Sect?

Then...

"Jian Wushuang, do you know why I chose to ally with you instead of killing you when I first saw you and saw you use the Seven Star Mysterious Sect's secret skill?" Xiao'er stared at Jian Wushuang. "To be honest, you were nothing but an ant in my eyes at that time. You were not qualified to ally with me at that time. However, I proposed the alliance because of the Seven Star Mysterious Sect behind you!"

"You may not know this, but I have always been on the side of the Seven Star Mysterious Sect because the person I love the most is from the Seven Star Mysterious Sect!"

"The person you love the most?" Jian Wushuang was stunned, but then he looked at Xiao'er in shock. "Miss Xiao'er, is your husband an expert from the Seven Star Mysterious Sect?"

"Husband? Humph, he is just a heartless man. Although I have a marriage contract with him, I didn't have the time to get married. But he was almost everything to me at that time," Xiao'er said softly.

"Miss Xiao'er, who is the person you're talking about? What's his name?" Jian Wushuang asked.

"His name is Di Shisan. You have a close relationship with the Seven Star Mysterious Sect. Have you heard of him?" Xiao'er asked.

However, when Jian Wushuang heard Xiao'er's entire name, he suddenly widened his eyes, and his heart instantly surged.

Di Shisan?

He had heard of this name more than once!

In his previous life, among the experts left behind by the Seven Star Mysterious Sect in the eternal chaotic world, he had first come into contact with Di Shisan.

He was the first sword emperor who had saved his life several times and the eternal chaotic world at that time!

Jian Wushuang had even come into contact with sword principle with his help and had also cultivated it for a period of time in the trials he had arranged.

It could be said that aside from his master, Di Shisan was the expert that the Seven Star Mysterious Sect had left behind in the eternal chaotic world!

This was an absolute swordsman that even Jian Wushuang could not help but admire and admire.

And this person was actually the husband of Miss Xiao'er?

Chapter 3456 Xiao'er's Hatred

"Jian Wushuang, you seem to have heard of him?" Xiao'er asked.

"I do know him. Not only that, I have met him and had many dealings with him," Jian Wushuang said.

"You have met him?" Xiao'er's body suddenly trembled. "How is that possible? He died in battle when the Seven Star Mysterious Sect was destroyed. How many years has it been since that battle? How can you have met him?"

"Is he still alive?" Xiao'er looked at Jian Wushuang with an unprecedented glint in her eyes.

Jian Wushuang naturally noticed the look in Xiao'er's eyes. At the same time, he could see the anxiety and anticipation in her eyes. It was obvious that Miss Xiao'er had long determined that Di Shisan had died with the Seven Star Mysterious Sect.

After hesitating for a moment, Jian Wushuang raised his head again and said, "Di Shisan...is indeed alive."

Upon hearing this, the light in Xiao'er's eyes instantly soared to the maximum, and her face revealed a look of ecstasy.

"Really?" Xiao'er was still a little apprehensive.

"Of course it's true. To tell you the truth, he was the one who guided me to truly enter the sword principle. Moreover, he once saved my life and was a great benefactor to me," Jian Wushuang said.

"Where is he now? Why hasn't there been any news about him after so many years?" Xiao'er asked hurriedly.

"It's because his current location is very special and completely isolated from the Divine Beginning Realm. Of course, I know about the existence of that place, but I'm still too weak. It's still unknown whether I can enter it successfully. However, it won't be long before I go there. As long as I can re-open that space, not only Di Shisan but also many experts left behind by the Seven Star Mysterious Sect will have a chance to see the light of day again," Jian Wushuang said.

"That's great, that's great!" Xiao'er was so excited that she did not know what to do. Even after so many years, no one could replace Di Shisan in her heart.

"Miss Xiao'er, if I really enter that space and see Di Shisan in the future, I will naturally tell them about you," Jian Wushuang said.

"Okay." Xiao'er was filled with anticipation.

At this moment, Jian Wushuang asked, "Miss Xiao'er, did you just say that the Nine-tailed Clan abandoned you because of the Seven Star Mysterious Sect and Di Shisan?"

"Yes." Xiao'er nodded slightly. "At that time, Di Shisan and I were in love, and we matched each other in terms of status and background. Our marriage was decided. Everything was going well, but something unexpected happened. It happened during the world-ending war!" "In that war, the three Saint Realms led the attack. With the power of the will of the Heavenly Dao, many top forces of the Divine Beginning Realm attacked the Seven Star Mysterious Sect at the same time!

“At that time, no one knew the exact reason. The four divine races and the Eight Directions Divine Sect didn’t care if they had any grudges with the Seven Star Mysterious Sect. They all obeyed the orders of the three Saint Realms and charged into the Seven Star Mysterious Realm together. “You have to know that at that time, Di Shisan and I were already engaged. Everyone knew Di Shisan’s status in the Seven Star Mysterious Sect. The nine-tailed race and the Seven Star Mysterious Sect were already on good terms. Logically, the nine-tailed race should be on the side of the Seven Star Mysterious Sect. However, in reality, the nine-tailed race also listened to the orders of the three great Saint Realms. They betrayed their trust and charged into the Seven Star Mysterious Sect together!”

“As the Saintess of the Nine-tailed Clan, I naturally opposed it. However, not only did the clan leader of the Nine-tailed Clan not care about my position, she even ordered me to be secretly executed when she found out that I was going to the Seven Star Mysterious Sect to fight together with Di Shisan!”

“How could that be?” Jian Wushuang frowned. “Even if the patriarch of the Nine-tailed Clan forbade you to have any relationship with Di Shisan for some special reasons, he shouldn’t have killed you directly. After all, you have the Emperor Phoenix Bloodline.”

“Emperor Phoenix Bloodline?”

“Humph, in that era, there were two people in the Nine-tailed Clan who had awakened the Emperor Phoenix Bloodline. Besides me, the other one was Di Xi’s daughter. Di Xi wanted his daughter to inherit her position and become the next patriarch of the Nine-tailed Clan. Therefore, he made things difficult for me in the Nine-tailed Clan. And that time, he found an opportunity to kill me!” Xiao’er sneered.

“Is that so?” Jian Wushuang raised his eyebrows.

He had said that things could not be so simple. It turned out that there was a struggle for the patriarch’s throne.

“You were indeed looking for an opportunity to kill me, but unfortunately, my reputation in the Nine-tailed Clan was not low at that time. Many elders of the Nine-tailed Clan were on my side at the beginning. Although everyone objected because of the Seven Star Mysterious Sect, many elders did not agree to my execution. In the end, one of the elders who was closest to me secretly let me go. However, Di Xi continued to pursue me and killed me. In the end, I died at her hands!” Xiao’er said.

“She killed you?” Jian Wushuang was stunned.

“Yes, I did die once, but it was an opportunity for me to find the cultivation method of the nine-life succubus skill. I entered the reincarnation passage and began my nine-life cultivation journey...” Xiao’er stopped.

After a while, she looked up again. “Jian Wushuang, you should know why I hate the Nine-tailed Clan, right?”

“Yes.” Jian Wushuang nodded slightly.

It was true that Miss Xiao’er was a member of the Nine-tailed Clan and an extremely important possessor of the Emperor Phoenix Bloodline. However, the entire Nine-tailed Clan had abandoned her, and she was even hunted down and killed once, now that she had finally experienced the nine

reincarnations and cultivated the nine-life charm to perfection, she had the ability to fight against the Nine-tailed Clan. Naturally, she wanted revenge.

“Miss Xiao’er, although the Nine-tailed Clan has treated you unfairly and indeed abandoned you, you still have the bloodline of the Nine-tailed Clan. Moreover, it’s not as if no one in the Nine-tailed Clan was on your side back then. I can understand that you hate the Nine-tailed Clan, but if you want to destroy the Nine-tailed Clan just like that, it’s too...” Jian Wushuang had not finished his sentence.

Xiao’er waved her hand, “I know. That’s why my initial goal was not to destroy the nine-tailed race. All I wanted to do was to take back what originally belonged to me. Besides that, there’s also Di Xi. Although she went to the universe battlefield, her descendants are still fine within the nine-tailed race and are still occupying the position of clan leader.”

#### Chapter 3457 The Alliance Was Reached

After listening to Xiao’er’s explanation, Jian Wushuang finally understood.

Miss Xiao’er had spent so much effort building the Divine Moon Palace to fight against the Nine-tailed Clan. Her real goal was not to destroy the Nine-tailed Clan but to destroy Di Xi, who had once ruled the clan. What she really wanted...she should kill Di Xi’s descendant, the current clan leader of the Nine-tailed Clan, and replace him to take control of the Nine-tailed Clan.

It had to be said that with Miss Xiao’er’s experience, she was indeed qualified and had a reason to murder Di Xi’s descendant.

“Jian Wushuang and Clan Leader Er Xiu, now that you know the specific grudge between me and the Nine-tailed Clan, as my allies, I need you to do your best to help me take back the position of clan leader of the Nine-tailed Clan. Are you willing?” Xiao’er looked over.

“Of course.” Er Xiu had long been frightened by Xiao’er’s words, so he agreed without thinking. He had no choice but to agree. If he did not, the Divine Moon Palace would directly attack his Blood Marten Clan, moreover, judging from the current situation, it was not necessarily a bad thing for his Blood Marten Clan to choose to stand on the side of the Divine Moon Palace.

“Jian Wushuang, what about you?” Xiao’er looked at Jian Wushuang again.

“I can help you deal with the Nine-tailed Clan with all my strength, but after I help you regain control of the Nine-tailed Clan, I also need your help to deal with another clan,” Jian Wushuang said directly.

“With your current ability and the presence of this top expert beside you, you shouldn’t care about ordinary clans, even top clans. But now, you want the help of my Divine Moon Palace and the Blood Marten Clan. Don’t tell me you’re going to deal with a great divine clan as well?” Xiao’er asked.

“Yes, I’m going to deal with the Blood Clan, one of the four great divine clans. To be exact, I’m going to deal with someone in the Blood Clan,” Jian Wushuang said. “Who?” Xiao’er asked.

“The clan leader of the Blood Clan. He must die!” Jian Wushuang said in a deep voice.

But upon hearing Jian Wushuang’s words, both Xiao’er and Er Xiu were shocked.

Er Xiu looked at Jian Wushuang in astonishment.

As for Xiao'er, although she looked calmer, she was equally astonished. "Jian Wushuang, you want to kill the Blood Clan's Grandmaster?"

"Yes, because of a special matter, I need the help of Spirit Ancestor from the Divine Ancestor Daoist Sect. Spirit Ancestor's condition is to kill the Blood Clan's Grandmaster," Jian Wushuang said.

"Spirit Ancestor?" Xiao'er narrowed her eyes. "I've heard of her as well. The hatred between her and the clan leader of the Blood Clan is indeed great. However, Spirit Ancestor is most talented in her soul. You want to ask her for help because of her soul, right?"

"Yes, I need her to perform a soul peeling for my most important person and to ensure the integrity of that person's soul to the greatest extent," Jian Wushuang said.

"Soul extraction requires a lot of soul control ability. I can say that no one in the Divine Beginning Realm can guarantee that a person's soul will not be damaged in the slightest when the soul is extracted. However, if the soul is extracted by Spirit Ancestor, even if there is no guarantee, there is still a 99% chance." Xiao'er nodded secretly.

"Miss Xiao'er, you are from the Nine-tailed Clan and have cultivated the nine-life heaven-enchancing skill to the perfection. If you were to strip your soul, would you be comparable to the Spirit Ancestor?" Jian Wushuang suddenly asked, he found that Miss Xiao'er had a great background and must have high attainment in the soul. If she could reach the same level as the clan leader of the Nine-tailed Clan in the soul aspect...he could have asked Miss Xiao'er to help him without seeking the help of the Spirit Ancestor.

However, upon hearing Jian Wushuang's words, Xiao'er shook her head. "Jian Wushuang, you don't know that the members of the Nine-tailed Clan have a lot of innate talent in the soul aspect. For example, the current clan leader of the Nine-tailed Clan should be no weaker than the Spirit Ancestor in the soul aspect. However, this is also because the current clan leader specializes in cultivating. There is another cultivation system in the Nine-tailed Clan, which specializes in enchantment!"

"Although the enchantment is closely related to the soul, it is not a thorough study of the soul. Therefore, the attainments in the soul are not as good as those in the cultivation of the soul. As for me, including the nine-life enchantment, I belong to the Enchantment School. Therefore, my attainments in the soul are not very high. If I were to strip someone's soul, it would not cause any harm to their soul. At most, I would only have an 80% chance!"

Jian Wushuang was stunned, but then he forced a smile.

It seemed that it was impossible for Xiao'er to do the soul stripping for his wife.

"In that case, I can only ask the Spirit Ancestor to help. Then I must kill the Blood Clan leader," Jian Wushuang said in a deep voice.

"But the Blood Clan leader has a cultivation at the peak of the six void realms. Even if the top expert beside you personally helps him, I'm afraid he won't be able to win. Moreover, this is only a direct battle. It's too difficult to kill an expert at the peak of the six void realms," Xiao'er said. "I know. That's why I'm asking for your help. I'll also find more helpers to help me," Jian Wushuang said. "Okay, I can

promise you that after I regain control of the Nine-tailed Clan, I'll do my best to help you kill the Blood Clan leader. But if I can't kill him in the end, you can't blame me," Xiao'er said.

"The Blood Marten Clan will also do our best," Er Xiu quickly said.

Of course, Er Xiu also knew that his help was just words. If he really wanted to kill the clan leader of the Blood Marten Clan, he must rely on the top experts, and he, the strongest member of the Blood Marten Clan, had just reached the fifth void realm, so he could not pose any threat to the clan leader.

"Then it's a deal." Jian Wushuang smiled.

Although he knew it would be too difficult to kill the clan leader, it was still better to have two allies, the Divine Moon Palace and the Blood Marten Clan, than to be alone.

Especially Miss Xiao'er, who was already in control of the extremely powerful Divine Moon Palace. If she could help her control the Nine-tailed Clan, she would definitely be very powerful, she would definitely be able to help him a lot.

"Since it's already agreed, the most important thing now is to help me control the Nine-tailed Clan again. It won't be easy to complete this step," Xiao'er said.

"Miss Xiao'er, you've been preparing for so many years. Judging from the activity in Your Divine Moon Palace, you should have a detailed plan, right?" Jian Wushuang asked.

#### Chapter 3458 The Plan

—

—

"The plan..." Xiao'er smiled faintly. "My original plan was to hide in the dark and find the right time to swallow the two top races, the Scarlet Gold Clan and the Blood Marten Clan, with lightning speed. In this territory, only the Nine-tailed Clan and my Divine Moon Palace will be left to contend for hegemony. Moreover, by swallowing these two top races, my Divine Moon Palace's overall strength will also be stronger. By then, we will definitely be able to suppress the Nine-tailed Clan!"

"However, now that the Blood Marten Clan is on our side, and with your help, Jian Wushuang, it will be easier to carry out this plan."

Hearing this, Er Xiu's heart trembled. He had wondered if Xiao'er was just trying to scare him by saying that he would attack the Blood Marten Clan. But now, it seemed that the annexation of the Scarlet Gold Clan and the Blood Marten Clan...was indeed part of the Divine Moon Palace's plan. "The Blood Marten Clan is already on our side. Does this mean that the Scarlet Gold Clan is your first target?" Jian Wushuang looked at Xiao'er.

"Yes, the Scarlet Gold Clan is extremely powerful. If we can annex them, our Divine Moon Palace's strength will definitely rise to another level," Xiao'er said.

"If we attack the Scarlet Gold Clan, the clan will fight to the death. It will be very difficult to swallow them without paying too much." Jian Wushuang asked.

"I understand. Of course, I have a way." Xiao'er smiled and glanced at the gray-robed figure next to her.

The gray-robed human figure followed Xiao'er to the Blood Marten Clan. However, his face had always been hidden under the gray robe. Moreover, the aura on his body had always been concealed. However, under Xiao'er's instructions, the gray-robed human figure had finally stood up, after which, he withdrew the gray robe on his body and revealed his own appearance.

This was an old man with a thin face and a goatee. His eyes were like the stars and were exceptionally dazzling.

When he saw the goatee, Er Xiu shouted, "Lord Xu, you are Lord Xu!"

"Lord Xu?" Jian Wushuang's expression changed.

Over the years, he had obtained information about some top experts in the Divine Beginning Realm from the spacetime temple, including many powerful universe masters who had gone into seclusion. Lord Xu was one of them.

Lord Xu was an extremely powerful expert at the six levels of the void, and he was a lone wolf.

One had to know that the six levels of the void were super experts who stood at the top in the Divine Beginning Realm. Such a super expert was also a lone wolf. He did not have any restrictions and could do whatever he wanted. In the Divine Beginning Realm, he could also do whatever he wanted. Among the various factions in the Divine Beginning Realm, no one was willing to provoke a lone expert of the six realms of the void, including the three great holy regions. Most likely, none of them were willing. But such an expert was actually following by Xiao'er's side at this moment? "How could it be?"

"Lord Xu was famous for being stubborn. He had lived for so many years and had a very strange temper. During this period, many large factions had tried to make connections with him, but they were all rejected by him. It was basically impossible to want him to join a certain faction, but now..." Er Xiu looked at Lord Xu in astonishment.

"Lord Xu has a strange temper and a proud personality. It's known to all that it's impossible for him to work for someone. But in front of Miss Xiao'er, Lord Xu is just a servant...it seems that Miss Xiao'er has controlled Lord Xu with a special method. If I'm not mistaken, it must be the enchantment, right?" Jian Wushuang asked.

"Yes, Lord Xu was indeed controlled by my enchantment. It's the nine-life heavenly charms technique that you all know of. Of course, I also spent a lot of money and experience, and there was also a lot of luck involved in it. That's why I was able to control him." Xiao'er laughed, "With my current strength, even if I used the nine-life heavenly charms technique, it would still be too difficult for me to control an expert at the sixth level of the Void."

"However, as long as it's not the sixth realm of the void or a small number of experts with strong mental states who are not affected by my charm, it's difficult for an ordinary expert of the fifth realm of the void to resist my charm."

"Miss Xiao'er, do you mean that you can directly control the high-level experts of the Scarlet Gold Clan with your charm?" Jian Wushuang looked over.

“Yes.” Xiao’er nodded. “My ultimate goal is the Nine-tailed Clan. Besides worrying that the Scarlet Gold Clan will be in the way when dealing with the Nine-tailed Clan, the most important thing is that there are many high-level experts of the Scarlet Gold Clan. There are nearly ten Principles Masters, and there is a Patriarch of the fifth void realm and two Principles Masters at the peak of the fourth void realm. This battle strength is not weak!”

“If I can control this power, it will greatly improve the overall strength of the Divine Moon Palace.

“As for the ordinary clansmen of the Scarlet Gold Clan who are below the rule master level, they are of no use to me. I don’t even bother with them

“The reason why the Divine Moon Palace was able to completely annex the Roaring Demon Clan is because the Principles Masters of the Roaring Demon Clan are all under my control. They obey me completely. No matter what orders I give them, even if I want them, including the entire roaring demon clan, to die, they will do it unconditionally.”

“I see.” Jian Wushuang nodded slightly. “That is to say, if we want to deal with the Scarlet Gold Clan, we only need to control the high-level experts of the Scarlet Gold Clan.”

“Yes, my plan was to control the high-level experts of the Scarlet Gold Clan one by one and then disintegrate the clan from the inside. When the Scarlet Gold Clan is almost disintegrated, the Divine Moon Palace will take action to control the entire Scarlet Gold Clan. But now, with the help of the Blood Marten Clan and you, Jian Wushuang, there is no need to go through so much trouble. We can attack the Scarlet Gold Clan right now and forcibly take control of the clan,” Xiao’er said.

Jian Wushuang nodded secretly.

If it was just the Divine Moon Palace, they would have to be more cautious when dealing with the Scarlet Gold Clan alone. After all, the Divine Moon Palace had to guard against the Nine-tailed Clan.

But now, with the addition of Jian Wushuang and the Blood Marten Clan, the overall strength of the Divine Moon Palace had increased greatly, so there was no need to be so cautious.

“Miss Xiao’er, when do you plan to make a move?” Jian Wushuang asked.

“I’ll go back and prepare my men. In three months, we’ll do it directly,” Xiao’er said.

“In three months?” Jian Wushuang narrowed his eyes and nodded. “In three months, we’ll wait for your news, Miss Xiao’er.”

## **Chapter 3459 Breaking the Formation**

Xiao’er and Lord Xu soon returned to Divine Moon Palace. After all, they were going to deal with the Scarlet Gold Clan, so Divine Moon Palace had to be prepared.

Jian Wushuang stayed in the Blood Marten Clan.

Ten days later, Zhuo Peng and Princess Ying got married in the Blood Marten Clan’s territory.

The wedding was quite grand. Experts from the surrounding clans and forces were sent to attend the wedding, and the gifts were also quite generous. After all, one of the two families that got married was

the Blood Marten Clan, the other one was the most famous Heavenly Sword Marquis in the Divine Beginning Realm. The clans in the demon region naturally had to give him face.

During the wedding, Jian Wushuang only showed up briefly and did not have much interaction with these clans.

However, the wedding went smoothly and Zhuo Peng got married to Princess Ying as he wished.

After the wedding, the Blood Marten Clan began to secretly prepare.

In the blink of an eye, three months had passed.

In a secluded void not far away from the Blood Marten Clan, several figures stood there waiting quietly. Jian Wushuang and Demon Master Chenhuo were among these people, in addition to the six Principles Masters of the Blood Marten Clan, including Er Xiu.

Suddenly, everyone in the void raised their heads.

"They're here." Jian Wushuang also looked forward.

Sure enough, in the void in front of them, there were more than a dozen figures, led by two gray-robed figures.

Although the two gray-robed figures concealed their appearances and auras, Jian Wushuang and Er Xiu both knew that they were Xiao'er and Lord Xu, who had become slaves.

As for the experts behind them, they were naturally the experts of Divine Moon Palace. There were a total of 18 Principles Masters, and their auras were very strong. Almost all of them had reached the third realm of the void, and there were many Principles Masters in the fourth realm of the void, even there were three experts in the fifth void realm.

"As expected of Divine Moon Palace, which is able to fight the Nine-tailed Clan head-on. What a powerful lineup." Jian Wushuang secretly praised these experts.

"Clan leader Er Xiu, you should have told the Blood Marten Clan's Principles Masters the whole story, right?" Xiao'er first looked at Er Xiu.

"Miss Xiao'er, don't worry. I have already informed them. Furthermore, the entire Blood Marten Clan has agreed to stand on the same side as the Divine Moon Palace and the Heavenly Sword Marquis." Er Xiu laughed.

The five experts from the Blood Marten Clan behind him immediately nodded.

These masters of the rules of the Blood Marten Clan had also learned of the Blood Marten Clan's alliance with the Divine Moon Palace from Er Xiu. At the same time, they also learned of the purpose of this trip. In the beginning, their hearts were extremely shaken, however, after so many days, they had calmed down.

At the same time, Er Xiu had already told them about the relationship between the Blood Marten Clan and the Divine Moon Palace. Therefore, no one in the Blood Marten Clan objected to this matter.

"It's good that you all understand. Since we have chosen to attack the Scarlet Gold Clan, the Divine Moon Palace will certainly use the people that we had painstakingly planted in the Scarlet Gold Clan. Therefore, we must not make any unexpected changes in the middle of this attack. Otherwise, once all our efforts have been wasted, the Scarlet Gold Clan and the Nine-tailed Clan will be on guard. It will be too difficult to control the Scarlet Gold Clan with the same method in the future," Xiao'er said.

"Miss Xiao'er, your Divine Moon Palace and the Nine-tailed Clan have been fighting fiercely for years. You've mobilized so many experts at once. The Nine-tailed Clan should have noticed it, right?" Jian Wushuang asked.

"Don't worry. I've made preparations this time. I've temporarily diverted the attention of the Nine-tailed Clan. Although I've mobilized these experts, they haven't noticed me. But just to be on the safe side, we must be as fast as possible. We must finish the battle quickly. We mustn't give the Nine-tailed Clan any time to react," Xiao'er said.

"In that case, what are we waiting for? Let's go to the Scarlet Gold Clan now," Jian Wushuang said.

"Okay." Xiao'er nodded.

More than 20 Principles Masters immediately headed toward the territory of the Scarlet Gold Clan as fast as they could.

With the speed of the Principles Masters, they arrived at the void outside the territory of the Scarlet Gold Clan in less than half a day.

"The Scarlet Gold Clan is right in front of us." Er Xiu looked at the hazy void in the distance.

"After all, it's the nest of a top clan. If I'm not mistaken, the Scarlet Gold Clan should also have a very powerful clan-protecting formation," Jian Wushuang said.

"Of course." Er Xiu nodded. "Our Blood Marten Clan and the Scarlet Gold Clan are in the same territory. Over the years, we have fought with each other many times. Both sides know very well that the Scarlet Gold Clan also has a very powerful clan-protecting formation. Although the power of the clan-protecting formation is not as powerful as ours, it would be quite difficult to break it by force. Of course, if a super expert at the peak of the sixth realm of the void attacks..."

When Er Xiu said this, he could not help but glance at Demon Master Chenhuo beside him.

"This defensive array of the Scarlet Gold Clan is indeed not weak. However, it is not too difficult to break it." Xiao'er smiled. After which, she glanced at Lord Xu beside her. "Go."

Lord Xu nodded. His body flashed and he had already rushed toward the Scarlet Gold Clan alone.

The Principles Masters of the Blood Marten Clan revealed a puzzled expression when they saw this scene.

"Could it be that Miss Xiao'er wants Lord Xu to break the formation alone?" Er Xiu frowned. "Although Lord Xu's strength is outstanding, he is not considered the top amongst the six void realms. It is unlikely for him to break the formation of the Scarlet Gold Clan alone, right?"

"Haha, just be prepared and watch." Xiao'er smiled confidently.

Seeing Xiao'er's expression, Jian Wushuang's expression changed slightly, but he already understood. "I'm afraid Miss Xiao'er doesn't want Lord Xu to break the formation alone, but someone in the Scarlet Gold Clan should cooperate with him."

Jian Wushuang remembered that Miss Xiao'er had just said that if they wanted to attack the Scarlet Gold Clan, they had to use the people who had been planted in the Scarlet Gold Clan. If nothing unexpected happened, they would be able to break the clan-protecting formation.

Sure enough, not long after Lord Xu arrived outside the Scarlet Gold Clan, the inside of the clan-protecting formation of the Scarlet Gold Clan suddenly... Boom!

With a violent boom, the entire clan-protecting formation of the Scarlet Gold Clan shook violently and then began to shake crazily.

And at this moment, Lord Xu directly attacked.

Chi!

An incomparably sharp black spear, carrying with it a shocking might that only sixth level void realm experts possessed, pierced through the space and ferociously stabbed toward the defensive formation of the Scarlet Gold Clan.

### **Chapter 3460 Defeat the Scarlet Gold Clan**

The power of the Scarlet Gold Clan's clan protection formation was indeed extraordinary. If Lord Xu alone were to attack it head-on, one or two attacks might not be enough to defeat the clan protection formation. However, if someone were to provide support from the inside...if they were to attack the clan protection formation from the inside, coupled with Lord Xu, the clan protection formation would not be able to withstand it.

As expected, when Lord Xu's black spear, which carried an earth-shaking power, struck the clan protection array, the entire array collapsed and a large amount of power began to dissipate, the Scarlet Gold Clan, which was originally covered by the array, was completely exposed in this world.

"The clan protection array of the Scarlet Gold Clan has been broken. Help me and attack the Scarlet Gold Clan together with me. Remember to try not to kill the upper echelons of the Scarlet Gold Clan. Use lightning-like methods to suppress them before leaving them to me to control. In addition, we have to be as fast as possible."

As soon as Xiao'er finished speaking, many Principles Masters of the Divine Moon Palace and the Blood Marten Clan immediately covered the territory of the Scarlet Gold Clan like dark clouds.

As for Jian Wushuang and Demon Master Chenhuo, they also followed the crowd as if they were strolling in a garden.

When they arrived at the territory of the Scarlet Gold Clan, the entire clan was already in chaos. "Chi Li, what are you trying to do?" "Elder Chi Li, are you crazy?"

"Chi Li, my Scarlet Gold Clan has done nothing wrong to you. Why did you break the clan protection array of my Scarlet Gold Clan today?"

Low cries resounded through the entire sky. The Principles Masters of the Scarlet Gold Clan had already risen up, and they were all extremely shocked and furious.

The one who was surrounded by the Principles Masters of the Scarlet Gold Clan was a golden-robed old man. That golden-robed old man had a smile on his face at this moment. This smile was extremely demonic.

“Elder Chi Li!” The eyes of the Scarlet Gold Clan Leader were cold as he stared at the golden-robed old man.

However, the gaze of this golden-robed old man suddenly turned toward the empty space in front of him. “He is here.”

The many Principles Masters of the Scarlet Gold Clan also immediately sensed it. They all turned their heads over. When they saw this, their expressions changed greatly.

They saw a large group of figures. None of them emitted an extremely majestic and powerful aura that had reached the level of Principles Masters. A total of over twenty people pressed down like dark clouds, a powerful pressure that could suffocate people was emitted from these figures.

At the same time, hearty laughter reverberated within the entire Scarlet Gold Clan.

“Haha, the Scarlet Gold Clan is very lively.” “This is my first time coming to the Scarlet Gold Clan, one of the top races in the demon region.”

“Clan Leader Scarlet Gold, how have you been?”

This unbridled laughter resounded throughout every corner of the Scarlet Gold Clan. The ordinary clansmen of the Scarlet Gold Clan were all in a daze. They did not know what had happened. Only the Principles Masters...all of their faces were extremely ugly. “The Principles Masters of the Blood Marten Clan are inside. Other than that, there are even more Principles Masters from...the Divine Moon Palace!” The eyes of the Scarlet Gold Clan leader narrowed. “It’s the Divine Moon Palace. The Divine Moon Palace wants to attack our Scarlet Gold Clan!”

The Scarlet Gold Clan Leader immediately understood and made a decision.

“Quick, quickly send a message to the Nine-tailed Clan. All the elders, work together and block them,” the Scarlet Gold Clan Leader shouted sternly.

Instantly, the many Principles Masters of the Scarlet Gold Clan who were originally surrounding the golden-robed old man immediately rushed forward to meet those Principles Masters who were attacking them.

Seeing this scene, the golden-robed old man laughed out loud, “Hahaha! Just these Principles Masters of the Scarlet Gold Clan want to block my Divine Moon Palace? They are simply daydreaming!”

Indeed, although the Scarlet Gold Clan was a top clan, they were also very strong among the top clans. They had a total of ten Principles Masters, including the Scarlet Gold Clan Leader, he was an expert at the peak of the fifth void realm.

However, his battle strength was nothing in front of the combined forces of the Divine Moon Palace, the Blood Marten Clan, and Jian Wushuang.

“Boom!”

**Ira V**

**IS O**

With a loud boom, Lord Xu rushed to the front of the crowd. His aura was overwhelming, and the power of the experts of the six void realms was fully displayed in his hands. He was also extremely fast, he immediately rushed into the group of Principles Masters of the Scarlet Gold Clan.

Chi! Chi!

The two strange spear shadows pierced through the void and the divine bodies of the two Principles Masters of the Scarlet Gold Clan without any hindrance.

The divine bodies of these two Principles Masters immediately collapsed, losing nearly 40% of their divine power on the spot.

Following that, many experts from the Divine Moon Palace and the Blood Marten Clan came pressing over. The difference in battle strength between the two sides was too great, and the situation was directly one-sided.

In just a single exchange, six of the ten Principles Masters of the Scarlet Gold Clan had their divine bodies crushed on the spot. Then, after a few rounds, the Principles Masters of the Scarlet Gold Clan were completely crushed, at this moment, Miss Xiao'er also directly took action.

In just a short moment, she used her charm to control a total of three Principles Masters of the Scarlet Gold Clan.

This time, the Scarlet Gold Clan had even less ability to resist.

“Run, quickly run!”

When the Scarlet Gold Clan's grandmaster saw the situation in front of him, he already understood that the Scarlet Gold Clan had no way to resist the other party. And although the Nine-tailed Clan had sent their experts over as soon as they received the news, even if they were to use the spatial passage...it would take some time for them to resist the enemy.

However, during this time, the group of Principles Masters in front of them was fully capable of wiping out the entire Scarlet Gold Clan.

Therefore, in order to better preserve the Scarlet Gold Clan, the Scarlet Gold Clan Leader immediately gave the order to abandon the clan and flee.

Upon hearing the order of the Scarlet Gold Clan Leader, the experts of the Scarlet Gold Clan immediately gave up resisting and began to flee in defeat.

However, just as they were about to flee...Jian Wushuang, who had been standing in the void nearby and had not made a move, suddenly made a move.

He gently raised his hand and drew a line in the void around him. A wave of the power of space-time principles instantly swept out. Buzz, buzz, buzz!

The world shook. With the help of the golden banner, Jian Wushuang completely confined the space-time around him in an instant. The space-time binding immediately applied to the experts of the Scarlet Gold Clan.

The power of the space-time binding was shocking. It immediately slowed down the Principles Masters of the Scarlet Gold Clan and made it impossible for them to escape from the experts who were chasing them.

“No! No!”

Scarlet Gold’s Clan Leader body trembled and his eyes were filled with fear. Right under his nose, the Principles Masters of his Scarlet Gold Clan were being chased by the experts of the Divine Moon Palace or the Blood Marten Clan and then trapped and suppressed, not long after, they were forcefully controlled by Xiao’er with her enchantment, and Lord Xu was already blocking in front of him.

In just a short moment, nine out of the ten Principles Masters of the Scarlet Gold Clan were controlled by Xiao’er. The only one who was still controlled was the Scarlet Gold Clan leader.
