Chapter 241 Happy Birthday

Scott and Caroline followed Paige to a seat.

They were about to talk when they suddenly heard people gasping in shock.

“Oh my god! It’s Mr. Jordan and Mr. Pierce!”

“Whoa! Is that Mr. Jordan’s son in his arms? Gosh, he’s cute!”

Caroline felt her back stiffen when she heard the voices and looked at the hall entrance in a daze.

Evan walked into the banquet hall wearing a black, custom-made suit and holding Axel in his

arms

A group of bodyguards following behind him spread into two groups guarding the two sides of the novelbin

entrance after he entered the hall.

The warm spotlight illuminated Evan’s elegant figure and enhanced his charm.

However, his face was cold and unapproachable, instilling fear in everyone.

Caroline was astonished. She turned to look at Paige. “Did you invite him as well?”

www

Paige glared at Alex in the distance and said angrily. That son of a bitch Pierce invited him! He betrayed me, and I will get even with him sooner or later!”

Caroline was embarrassed. “Forget it. Let it be then.

Evan had come with Axel, and she would tolerate anything for him!

Evan and Alex had already approached her while she was thinking.

Axel got out of Evan's arms, walked to Caroline, and presented his gift.

"Happy birthday, Mommy," he said shyly.

Caroline accepted the gift. "Thank you, my precious."

Alex presented his gift as well. "Happy birthday, Ms. Shenton."

Caroline stood up, forced a smile, and accepted the gift. "Thank you, Mr. Pierce."

"Don't mention it," Alex said.

He nudged Evan with his elbow and beckoned him to present the gift.

Evan glanced coldly at Scott before he passed his gift. "This is the gift."

Caroline accepted it and said, "Thank you. Please take a seat."

Evan pulled Axel to himself and sat next to Caroline.

The crowd was stunned by his action.

Scott looked at Evan nonchalantly before pouring a glass of warm water for Caroline.

"Have some warm water, Carol."

Evan scoffed. "When did you develop the habit of drinking warm water?"

Caroline wanted to respond, but Scott was one step ahead of her. "Mr. Jordan, Caroline prefers

warm water after giving birth to her children."

Evan's face turned cold. "She enjoys drinking fresh milk. Shouldn't she be drinking what she likes

on her birthday?”

Scott said, ‘You may not know, but Carol has a habit of drinking warm water before fresh milk

during this season.”

Evan appeared displeased and looked at Scott coldly. “You seem to know her well.”

Scott met Evan’s eyes calmly. “Pretty good. I took care of Carol for more than three years”

The tension between the two men grew instantly..

In a rush, Paige snatched up the champagne bottle from the table and popped it open. She then filled everyone’s glass with champagne and raised her own while speaking into a microphone she

had acquired.

Her voice echoed through the banquet hall instantly.

“Ms. Shenton’s birthday is today, everyone. Let’s wish her a happy birthday!”

Everyone raised their glasses and cheered, breaking the rigid atmosphere at their table. “Happy birthday, Ms. Shenton!”

The birthday party began officially, and everyone was immersed in the joy of feasting.

Liora and Tyler returned and pulled Axel along to feast together joyously.

Numerous employees toasted to Caroline during the party.

Scott wanted to drink on Caroline's behalf, yet he was distracted by a male employee's inquiry..

Caroline took sip after sip, her lips glistening from the alcohol. Her shining eyes captivated Evan,

who sat beside her.

Caroline was about to sit when two female employees came to toast.

Happy birthday, Ms. Shenton!"

Caroline couldn't bring herself to refuse, so she readied for another drink. Just as she was lifting her glass, a person appeared in front of her.

Before Caroline could respond, Evan had already finished her drink.

The two female employees were stunned before they walked away.

Evan put down the glass heavily and looked at Caroline in displeasure. "Are you done drinking?"

Caroline had one too many drinks. "None of your business," she grumbled.

She walked to the washroom, swaying. Evan followed her out of concern.

Caroline left the stall, washed her hands, and was ready to go. But when she opened the door, she

saw Evan standing there, blocking her way. Her body tensed as she became alert.

"This is the ladies' room, Mr. Jordan. Do you want to be regarded as a pervert?" she said.

Evan caught the swaying Caroline and said softly. "You've had too much to drink. Let me take you

– home."

Caroline shoved away his hand. "Let go of me! I'm not coming with you!"

“Why are you making a fuss? Do you know how much you drank? Evan said harshly, suppressing

his anger.

Caroline smiled. “How is that any of your business? Listen here, Evan. Plenty of people are looking out for me. I don

need you- novelbin

Caroline’s eyes widened in shock, and she sobered up a little. She felt the urge to break free in a

panic, but Evan firmly held the back of her head, preventing any escape.

“Hmm! Ev-”

“Riri, it’s embarrassing that we didn’t bring anything for Ms. Shenton’s birthday...”

“You’re right. Why don’t we get something on our day off tomorrow and give it to her on Monday?”

Caroline shoved Evan strenuously when she heard her employees’ voices.

Evan scooped up Caroline in his arms and carried her to a toilet stall.

Caroline glared at Evan. “Have you lost your mind? If they were to know-

Evan covered Caroline’s lips and interrupted her angry remark. He leaned over and whispered to

Caroline, “Scream if you don’t mind them knowing

Caroline's earlobes had always been sensitive. Her body trembled, and her face flushed quickly.

"You're despicable, Evan!"

Evan looked at the blushing Caroline with keen interest. He grabbed the back of her head and

kissed her once again.

Caroline did not have the courage to make a sound and gave in to Evan's bullying.

Her heart was racing, and her body's reactions were reminding her she still had not moved on

Chapter 243 This Might Be a Huge Problem.

Paige grabbed Caroline's arm when she returned to the banquet hall "Please offer your opinion, Carol. This son of a bitch Alex didn't even touch his drink. Look at his glass..."

Paige suddenly stopped talking and stared at Caroline's lips in shock. "Why are your lips red and

swollen, Carol?"

Upon hearing that, Alex turned his gaze toward Evan. Observing Evan's moist lips, he swiftly realized that Caroline and Evan were up to no good

Caroline shot Evan a displeased look. He was grinning cunningly, clearly in high spirits. Angrily, she remarked, "It's likely an allergic reaction!"

"Ah, don't drink anymore."

Paige paid no attention to that and continued to complain about Alex

Soon, the party ended.

Caroline propped up the tipsy Paige and prepared to take her and the children home.

“I’ll give you a ride.”

Two voices came from behind her. Caroline looked over and noticed that Evan and Alex said the

same thing in unison

“Dr. Scott, you’ve had some drinks too if I’m not mistaken,” Evan said mockingly.

Scott’s usually gentle expression turned stiff. “My drinking doesn’t stop me from calling them

ride-sharing service, right?”

Evan scoffed. “Do you want them to wait for a car with you on a winter’s night?”

“Must one wait outside for a car?” Scott refuted.

“Don’t you

think it would be better to send them home sooner when Paige feels so unwell? Why

bother wasting time?”

“I can prescribe a hangover remedy to her to save you from unnecessary worries, Mr. Jordan.”

Caroline was irritated by their quarrel. She was about to speak when a car stopped next to them

suddenly novelbin

The group turned their heads and saw Neil hurrying out of the car.

Caroline was surprised, “Weren’t you on a business trip? Why are you back this quickly?”

Neil briefly looked at the people behind Caroline and asked, "Is it over?"

Caroline asked.

Neil rubbed his belly subconsciously, chuckled, and said, "You're right. Let's go home if it's over. I'll make you some Funfetti pancakes, and I'll have some, too."

Evan's gaze dimmed.

'When did she get so close to Neil? They sound like they have been keeping in touch over the past few years! How does everyone know that Caroline is alive when I was the only one who didn't? he wondered.

Evan's gaze landed on the two children's faces before he looked at Neil once again. He pondered. for a few seconds, and then his face turned solemn

Liora looked very similar to Neil.

Did Caroline have the two children with Neil?

Meanwhile, Scott said. "Since Neil is here, I shall leave first."

Caroline said, "Sure. Be careful on the road."

Neil's gaze swept past Evan again after Scott left. Then, he led Caroline to the car without uttering

a word

Alex appeared to be shocked after witnessing the scene.

Kenny and Scott were already troubling enough, and now there was Neil, too?

Alex looked at the hostile Evan concerningly. "Evan, what is with Mr. Xander? If he hadn't shown.

up, I wouldn't have noticed that Caroline's daughter looks just like him..."

“Shut up!” Evan uttered in rage.

Soon afterward, he got into the car and left.

Alex was dumbfounded. Oh no... This might be a huge problem!’

Chapter 244 Protect Yourself

After returning to Bayview Villa, Neil made Funfetti pancakes for himself and Caroline.

Caroline washed up the sleeping children briefly before she headed downstairs and sat with Neil

at the dining table.

Neil said, “Carol, why was Evan there earlier?”

Caroline remembered Evan forcefully kissing her in the washroom at the mention of that.

She said, “Alex told Evan, so he came and gave me a watch worth a million dollars as a gift.”

Neil chuckled. “Evan lives up to his reputation of spending generously.”

Caroline—played with the pancake on her plate and said, “Don’t tease me, Neil. Rather than teasing me, you should think about how you’re going to confront him next.”

Neil asked casually. “Ah? How do you think I should confront him?”

Caroline said. ‘You seem relaxed. 1 Evan learns that we kept in touch but he was kept in the dark,

he will come to bother you for sure*

Neil said, “That’s not a big issue

Caroline was frustrated “Just be careful in the next two days”

“Sure, I’ll follow your lead.”

The next day, Caroline was awakened by an agonizing scream downstairs.

She pushed away her blanket and ran to the window to see Draco attempting to barge in with

– numerous bodyguards.

Caroline hastily ran out of her bedroom and bumped into Jamie and Freya, who got out in fear.

www

Jamie said, “Someone was screaming, Carol.”

Caroline said with a frown, “Dr. Bailey, take Jamie to the room, and don’t come outside!”

Freya nodded and took Jamie back into the room.

Caroline headed downstairs and found Grayson already at the door as soon as she opened it.

Caroline said solemnly, “What are you doing here, Mr. Jordan Sr.?”

Draco looked at Caroline before he turned to his bodyguards and said, “Bring the two children to

Caroline stood up in pain. “What exactly are you doing. Mr. Jordan Sr.?”

“To check if my family’s children have ended up elsewhere, of course,” Draco replied.

Caroline’s heart was racing. “My children are not your family’s!”

Draco grunted. "I was almost deceived by you and that man previously, so I won't fall for your lie

again!"

"Let go of me! Mommy! Save me!"

"Don't touch me! Let go of me!"

Liora and Tyler's heart-wrenching screams echoed, and Caroline wanted to run upstairs to them.

Yet, she was restrained by Draco's bodyguards with swift movements.

Caroline struggled frantically. 'Mr. Jordan Sr11 have no grievance with you. Don't lay your hands

on my children, okay?"

"You don't get to decide that," Draco said nonchalantly.

Soon, Tyler and Liora were carried downstairs.

Liora stretched out her arms, cried, and shouted when she saw Caroline. "I don't want to go,

Mommy. Save me!"

Tyler's face flushed in anger, yet he still tried to advise Caroline, "Don't force it, Mommy! Protect

yourself!"

Caroline cried profusely. "Please, Mr. Jordan Sr.! I'm begging you! Please, release my daughter and

son!"

. "Don't even think about getting your children back before I test their DNA!"

Draco waved his hand at the bodyguards. "Take them!"

Caroline watched helplessly as the two children were forced into the car. There was nothing she could do.

She strongly felt that the Jordans would take the children forcefully once their DNA results were out.

The bodyguards released Caroline and departed when the others left.

Filled with fear, Caroline hurried upstairs to get her phone and called Neil.

Caroline cried out when the call was picked up. "Neil! Evan's father has taken Ty and Lia!"

Neil was stunned. "Evan's father?"

Caroline recounted this morning's incident to Neil,

"What should I do. Neil? It would be easy for him to find Ty and Lia's background!"

"Don't panic, Carol. I'll figure out a way. Wait for my message!"

“I would like to meet you to talk about Caroline’s children! Where are you?”

Evan held back his anger. It was apparent that his patience was running thin

Neil calmed down and figured Evan might be the way to take back the children!

Neil sent his location to Evan.

Half an hour later, Evan arrived at Neil’s villa.

Before Neil could speak, Evan walked into the house and punched him.

Neil stumbled backward and felt anger surging in his chest. “Have you lost your mind?”

Evan grabbed Neil by his collar harshly with a ferocious gaze.

“Neil! Are Tyler and Liora yours?”

Neil was stunned. Why would Evan assume that Ty and Liora were his children?

“Speechless? It was you who hid Caroline for five years, right?” Evan narrowed his eyes.

“Neil, you’re fucking looking for trouble!”

Evan was out of control and punched Neil again,

Neil could no longer suppress his anger, so they started fighting

Reuben parked his car and rushed into the house just in time to witness the terrifying scene, so

he hastily approached to break the fight.

Before he could break the fight, he was punched.

He covered his nose and said, "Mr. Jordan! Mr. Xander! Stop fighting and talk it out!"

The two of them fought even more fiercely.

Reuben was extremely anxious but did not have the courage to offend these people!

All of a sudden, he remembered Caroline and pulled out his phone to call her.

"Ms. Shenton! Come to Mr. Xander's villa quickly, or else someone is going to die!"

Fifteen minutes passed, and Caroline pulled her car to the villa's entrance, filled with anxiety. Her chest tightened as the sound of fighting reached her ears

She hurried inside the villa and witnessed Evan throwing punches at Neil's face. Her heart ached at the sight.

She quickly grabbed Evan's arm, her eyes bloodshot with anger. She glared at him and yelled, "Evan, enough! Are you crazy?"

Evan stopped fighting and looked at Caroline in rage. His face was bleeding.

"Why are you protecting him? Is it because he is Tyler and Liora's father?"

Caroline was stunned by his remark.

Evan appeared to be in agony when he saw Caroline's reaction.

"What's wrong? Are you feeling guilty because I know your secret?"

Caroline looked at him in disbelief, “Evan, do you even know what you’re talking about?”

Evan wiped away the blood on his lips, and his expression turned cold. “One of you is my friend, while the other is the woman I’ve been searching for frantically for five years!”

Evan sneered, his bloodshot eyes revealing a tinge of sorrow.

“Very well. Both of you did a good job!” He took a step back and walked out of the villa with a tense expression

Caroline felt suffocated as she gazed after his lonely figure.

Reuben heaved a sigh. “Ms. Shenton, Mr. Jordan has endured a lot of pain in these five years.

He went after Evan after saying that

Caroline lowered her gaze to hide her sadness. ‘He is still the same. He is so fixated on the misunderstanding that he won’t give me any chance to explain myself.’

“Carol”

Neil’s face twisted in pain as he slowly sat up from the ground, clutching his chest. novelbin

Caroline pulled herself together, sniffed, and helped Neil up. “I’ll help to clean up your wounds.

Caroline helped Neil to the sofa “Carol, it’s right for you not to get back with him. He’s too wild.”

Caroline did not utter a word. She found the first-aid kit and sat next to Neil to help him clean up his wounds.

Looking at Caroline’s pale face, Neil felt the pain in his heart intensify more than his wounds.

“Carol-”

* “Don’t speak!” Caroline interrupted him rigidly.

He kept quiet and waited for Caroline to dress his wounds.

Caroline finished dressing his wounds and said, “Let’s just leave the misunderstanding of the children the way it is.”

Neil smiled bitterly. “I didn’t manage to explain to the madman. However, I can use the incident of Evan picking a fight as the excuse to take Ty and Lia back

“Leave it be. Don’t rush it. The more we want the children back, the more suspicious they will become.”

Caroline remained composed. She had carefully considered everything while coming here. She realized that acting out of panic would make her seem like she had done something wrong.

Her main concern was her kids’ safety. She believed Draco wouldn’t harm them because he desired them greatly.

Also, she didn’t need to stress about Draco discovering the truth, especially since Evan couldn’t

uncover anything.

Unless Draco could bring the doctor and medical tools to perform the test at home.

Neil said. “Things will eventually come to light. Carol, are you really not planning on telling him?

Perhaps he won’t fight for the children’s custody after he finds out?”

“I won’t make that assumption! Evan will try to get close to the children when he finds out, and

Mr. Jordan Sr. will notice sooner or later too!

“Moreover, even if Evan were to not fight for custody, it doesn’t mean Mr. Jordan Sr. won’t!”

Neil heaved a sigh. “Frankly, it’s not fair to hide this from him. If I were in his shoes, I would be

angry too.”

Caroline said, “Is it fair for me then? Don’t forget how I waited for him to do something in prison.

but I gave up after hearing his remark back then. My three children and I would already be dead if

not for you.”

Neil said, “Carol, these grievances can actually be resolved because he saved you thrice.”

“I’m grateful for that. However, I can’t forget how he left me behind in peril because he believed in

another woman.

Neil fell silent because he knew his sister was telling nothing but the truth.

Chapter 247 I’m Embarrassed for You

Meanwhile, at Jordan Residence.

Liora lay in Tyler’s arms, sobbing endlessly.

On the contrary, Tyler was so calm that he did not look like a five-year-old.

Draco was pleasantly surprised by Tyler’s reaction and decided he would keep and train Tyler if he were Evan’s son.

The child will surely become a powerful person when he grows up!’ he thought.

Draco could not conceal his fondness for Tyler. "Tell me, boy. Who is your father?"

Tyler soothed Liora's back and looked at Draco provocatively "I have the right to refuse to answer

your questions. Also, you may look into it if you want to know so badly."

"Whoa, Bernard. Look at the child. He speaks boldly and is quite courageous, huh?"

Draco interacted with the butler, Bernard Stone, in excitement

Bernard answered, "You're right, sir. He is totally a copy of Master Evan."

Tyler scoffed and thought about how he could possibly be a copy of Evan when he loved his mother so much.

Draco was delighted. "Call me Grandpa, and I'll give you money, okay?"

Tyler raised an eyebrow. "Ah? How much will you give me?"

"You can have as much as you want!" Draco said.

Tyler's eyes glistened with slyness. "Alright then. Let's calculate my worth. My mother's company is worth 7,000,000,000 dollars, and you assumed that my father is Evan

"According to my knowledge, his net worth has already reached an immeasurable level. As their son, shouldn't you give me billions of money based on my calculation? You will be regarded as stingy if you give any less than that."

Draco was dumbfounded. It was apparent he did not expect Tyler to calculate in that manner.

'He knows how to calculate his net worth with his parents' financial resources at such a young age. He must be a business genius!' he thought.

Draco said, "Everything of the Jordans will be yours if you are my grandson!"

Tyler smirked “The statement has come full circle if that is the case. Why did you claim to let me decide the amount of money earlier then? Don’t embarrass yourself if you can’t afford to pay.”

Liora suddenly raised her flushed face and glared at Draco. “He’s right! I’m embarrassed for you!”

Draco did not mind being embarrassed because he was too pleased with these children’s

intelligence.

“If I can’t bear the embarrassment, how can I possibly be where I am today?”

“Ah, some people have no shame, right?” Tyler mocked.

Draco’s expression turned solemn upon hearing that, but he chose to put up to keep his smart grandson.

Draco looked at Bernard and said, “Check when the equipment will arrive. I’m waiting for a

verification report!”

Bernard answered, “It will be here soon.

In the afternoon, blood was drawn from Tyler and Liora for a DNA test once the testing equipment

arrived.

The report would be available in at least two days.

Tyler pondered how to address this quickly. While he wasn’t skilled at modifying the report, that didn’t mean Axel couldn’t do it.

Tyler gave some instructions to Liora.

Liora’s eyes widened in shock. “Will that work, Tyler?”

Tyler sipped his milk slowly. "You've underestimated your ability to throw a tantrum."

Liora pouted. "Why does this statement sound off?"

Tyler said, "If you want to leave here quickly, do as I said. Don't forget that Mommy is very worried."

Liora immediately perked up, patted her chest, and said, "Okay! Leave it to me!"

Liora behaved differently during dinner by joining Tyler and Draco to eat without fussing.

Draco was puzzled by Liora's change in attitude.

"Are you tired from crying, Lia?" Draco asked caringly.

Liora cocked her head at Draco. "Yes, I'm tired of crying, but I can't promise I won't cry again."

Draco was stunned. "What do you mean?"

Liora said, "I will cry if Axel is not coming. I won't cry if Axel is here to play with me."

Liora inserted Tyler's instruction into her conversation and emphasized it.

Draco said, "That's all? You just want Axel to come to play with you?"

Liora said, "Yes, I like Axel." novelbin

Draco checked the time and said, "It might be too late for him to come."

Liora immediately pouted, and her eyes welled up with tears I haven't even called him, yet you.

claim he's not coming!"

Draco had a headache from Liora's crying episode that lasted the whole afternoon. He hastily

comforted her when he noticed that she was about to cry.

"Be good, child. Don't cry. I'll make the call, okay?" Draco coaxed patiently.

Draco was delighted there was a granddaughter in the Jordans.

Liora held back her emotions. "Call then. Call Axel now! I'm going to cry on your bed if he doesn't

come!"

Draco didn't want Liora to cry in his room, so he quickly grabbed his phone to call Axel. He was

really afraid of Liora's tears.

Axel was getting ready for dinner with Evan when he received Draco's call. He was quite surprised. that Draco was calling him. "Hello, Grandpa."

Draco went straight to the point, "Axel, will you please come to my place? Tyler and Liora are here.

Axel clutched his cutlery tightly. "Why are they at your place?"

"It's a long story. Lia wants to see you and will cry if you don't come. Come over to my place."

Draco spoke in a gentle tone but would not tolerate rejection.

Axel told Evan, "Daddy, I would like to go to Jordan Residence."

Evan was surprised because Axel was hesitant about going there and seldom asked for visits to that place.

'Why did he change today?' he wondered.

"Reason," Evan said in a deep voice.

Axel said, "Ty and Lia are there!"

Evan frowned. Why are Caroline's two children at Jordan Residence? Could it be that my father has regarded the two children as mine? There is no guarantee what he will do if they are not mine!

Evan's expression turned solemn at the thought of Caroline having a breakdown. He stood up and

said, "I'll give you a ride there

An hour later, Evan walked into Jordan Residence with Axel in a rush.

Tyler and Liora were in a standoff with Draco when they entered the living room.

Tyler and Liora were stunned by Evan's bruises.

'Did he beat up someone or got beaten up?' they wondered.

Draco's expression turned cold when he saw Evan, "What is going on with you?" he asked sternly.

Evan refused to explain. He glanced at the children and asked, "Why did you bring them here?"

"How much longer did you plan to let your children wander out there if I didn't bring them here?"

Draco asked, suppressing his anger.

"They are not my children!" Evan explained.

Liora clutched Tyler's hand tightly, turned, and said softly, "Look, Daddy is not only a scumbag but also an idiot!"

Tyler did not utter a word, but he pondered as he stared at Evan's lips.

Draco was shocked. "So, you've done your investigation, huh?"

Evan was about to answer when Draco scoffed. "Never thought you'd be self-proclaimed clever! Tyler looks so similar to you, yet you're telling me that he's not your child?"

Evan appeared agitated. "What kind of error do you think the DNA test can have?"

Draco took a sip of his coffee. "It's not difficult for people to mislead us in fear that we'd take custody of the children. Hence, I got someone to purchase DNA testing equipment to confirm if they are the descendants of our family!"
novelbin

'Custody?' Evan narrowed his eyes 'Could it be that Caroline commissioned someone to tamper with the DNA result?'

It was actually possible in view of her connections these days!

Evan said, "When will the report be out?"

"In two days"

"I'll stay here with Axel for the next two days."

"As you wish."

After showering, Axel took photos of Tyler and Liora at 8:30 p.m. and sent them to Caroline.

When Caroline got the message, she felt relieved. It showed her that her children were safe.

She replied: [Why are you there too, Axel?]

Axel told Caroline about how Tyler confronted Draco and the plan that the three of them had come up with.

Caroline was scared out of her wits but was reassured by her children's boldness and adaptability.

She figured she might be worrying for nothing.

Axel texted: [Wait for my update, Mommy.]

Caroline replied: [Sure. Be safe, all of you.]

Axel and Tyler quietly left their room at midnight, tiptoed downstairs, and entered the testing

equipment room.

Once they closed the door, Axel opened his laptop and connected it to the testing equipment for data manipulation.

After an hour of work, Axel shut down the laptop and announced, "We did it. Time to leave."

Tyler nodded and snuck back to the room with Axel.

Tyler slumped against the sofa in relief when the door was shut.

Axel texted Caroline [Mission accomplished.]

Then, he put down his phone and told Tyler, "There's something I want to remind you, Ty.

Tyler looked up in lethargy. "What is it?"

"I can't be sure if Grandpa has only gotten them to prepare one paternity test report."

Tyler frowned. "What do you mean?"

"Grandpa stayed abroad for a long time previously. Axel's reminder was simple yet impactful.

Tyler was overwhelmed. "How do we prevent this?"

Axel shook his head. "I don't know which organization is that, but I can only pray that he didn't do

that.”

Even Tyler, skilled in tracking, found this challenging. He couldn't locate it without knowing who had it. Checking everyone at Jordan Residence was impossible for him.

Even if he were to look into this, there was no telling if Draco had hidden a group of employees

somewhere.

Caroline felt relieved when she got a text from Axel. She then explained the situation to Neil

Neil commented, “Things seem to be going a little too easily.”

Caroline was surprised. “Isn't it a good thing that it's going smoothly?”

“That's not exactly what I'm saying

Never mind. I've made things too complex.”

Caroline grasped Neil's point. “If Mr. Jordan Sr. discovers the kids' background, I won't be seeing them anymore.”

The following afternoon, Alex visited Evan at MK. He smirked the moment he entered and saw

Evan's face.

“Evan, you’ve actually stooped so low that you got in a fight with someone? Who was the strong one?” Alex asked.

Evan looked at Alex. “You talk too much.”

Alex suppressed his smile and sat on the sofa. “Let me take a guess! Uh... Was it Neil?”

Evan’s face turned solemn. “I don’t mind meeting up with your father to have a talk if you find that you’re too bored at work!”

“I’m trying to help you to strategize, you see. Stop being so heartless,” Alex said.

Evan sneered. “Do I need you to strategize for me?”

Alex said, “You don’t... of course Speaking of which, there are plenty of good quality men around.

Caroline.”

Evan lost his patience. “Get out of here if you can’t keep your mouth shut!”

Alex raised his hands to yield. “Alright, I’m here to talk about something today.

“Go ahead”

Alex’s smile faded, and his expression turned serious. “Do you know that Casey is back?”

Evan’s gaze dimmed when he heard about Casey. “How do you know about this?”

“I saw him at the Nightfall Lounge last night. After not seeing him for so many years, I couldn’t be sure, so I took a photo.” Alex pulled out his phone.

Alex sent Evan a photo. Evan brought it up to examine, and his hand clenched on the desk.

The man turned in puzzlement and looked at Daniella. novelbin
