

THREE KINGDOMS: I HAVE A JOB TRANSFER PALACE

Chapter 3

Liu Feng was slightly startled when he heard the Lolita sound of the elf's job change.

Reached level 10 so quickly?

The Lolita tone of the job transfer elf sounded again: "These Wuhuan cavalry are pretty good. Each of them contributes a lot of experience and a lot of job transfer points.

Both experience and job transfer points are enough for the second job."

Changed job for the first time"

"Then change jobs. Liu

Feng naturally did not hesitate and immediately asked the transfer elf to change his job for the second time.

"Congratulations to the master for completing his second job transfer, becoming a second-rank military commander, and gaining the job transfer skills very quickly."

As soon as he finished speaking, a mysterious energy poured into his body, improving his strength.

Although his strength did not increase, his overall strength was much stronger than at the first turn.

There was an additional second turn skill, Divine Speed.

Divine Speed: Active Skill , after being used, one's own speed and attack speed can be increased by 100%, lasting for two quarters of an hour, with an interval of one hour.

This skill can be used on the troops and mounts under his command. The effective number is 300, and the number of people will continue to increase as the strength increases.

This skill is good. If used on cavalry, it will greatly increase the charging speed of the cavalry.

He raised his head and looked at the Wuhuan cavalry who were still circling around him, with a cruel smile on his face.

"What a speed!"

Resolutely used the second-turn skill, kicked off his legs, and appeared in front of the Wuhuan cavalry in front of him at a terrifying speed. Bang bang!

The two war horse corpses danced, and the two Wuhuan cavalry were smashed away on the spot.

And Because in the divine speed state, the speed increases by 100%.

The faster the speed, the more terrifying the power exploded.

The horses and cavalry that were smashed were all turned into meat.

The villagers who saw this scene took a breath again. The Wuhuan cavalry leader's eyes were full of fear.

This monster seems to have become stronger again?

"kill!"

In the super speed state, Liu Feng's speed and attack speed have become very terrifying.

Coupled with the super god-like power, the lethality displayed is simply unimaginable.

He is like a battlefield killing machine, no matter if it is a war horse, he Or the cavalry were all smashed into pulp.

Bloody and violent.

This scene is destined to be an unforgettable memory for the villagers.

Some villagers even covered their children's eyes with their hands to prevent them from watching, for fear of leaving a psychological shadow on them..The massacre continued.

The Wuhuan cavalry wanted to distance themselves.

But Liu Feng, who was in a super speed state, was extremely fast. Before the Wuhuan cavalry could pick up their speed, they were crushed to death. At this time, Liu Feng , is truly unstoppable and invincible.

In just a few breaths, all the dozens of surviving Wuhuan cavalry were killed.

The leader of the Wuhuan cavalry was so frightened that he beat his horse hard to escape from this nightmare. place.

However, he soon discovered to his horror that the monster boy was carrying the corpses of two war horses and quickly chased after him.

His speed was actually no slower than his own mount.

Although his mount's speed had not yet fully increased, But it was impossible to be caught up.

How could this monster have such terrifying speed?

"Where to escape!"

Liu Feng shouted and threw the body of a war horse out.

Feeling the strong sound of breaking through the air, the leader of the Wuhuan cavalry was so frightened that he jumped off the horse.

As soon as he landed, he heard a bang. There was a loud bang.

When he looked up, he saw that his mount had been smashed to pieces.

The leader of the Wuhuan Cavalry was frightened. Fortunately, he reacted quickly, otherwise he would have turned into flesh.

Suddenly, his pupils shrank and he was horrified. Distraught.

Because Liu Feng was already standing in front of him with the corpse of the war horse.

"Die!"

Liu Feng held the corpse of the war horse high, and in the horrified eyes of the Wuhuan cavalry leader, he smashed it down hard.

Bang!

The ground shook and dust flew up.

When everything calmed down, the villagers took a closer look.

Only one horse was completely broken up on the ground. , the bloody horse corpses, where was the shadow of the leader of the Wuhuan cavalry.

Looking at the fleshy corpses on the ground again, my stomach tumbled, and a strong sense of nausea came over me.

Ouch!

Almost all the villagers, Qi started vomiting.

Maybe he was too shocked and too nervous before, so he didn't react much.

Now when he relaxed, it was unbearable.

Even Liu Feng turned pale when he saw his masterpiece and almost vomited it out.

"Congratulations, master, for completing the Hundred Kills achievement and receiving the Hundred Kills gift pack. Do you want to open it?"
