

The Ancient Genes

Volume 1

Chapter 24 - 7 ★ Quest (Part-2)

***** MC's POV *****

I get out of the hospital and wait for a cab to get back to Academy.

Shit !

Looking at the street lamps which were lighting the dim streets, I take a look at my watch.

I am Dead.

Even if I somehow managed to get pass the guards. I still feel a headache knowing that there is still a person, I needed to look out for. I just hope August sleeps early.

After waiting for a while, a cab finally enters my vision. And taking the cab, I head towards academy.

....

‘ Yeah, just stop here ‘. I ask the driver to stop as the view of academy’s gate enters my vision.

The cab stops a few meters away from the entrance and I get out of the car paying the driver.

I could see the lights in the guard cabin. It didn’t seem he was asleep. But it wouldn’t do me any bad to confirm it. So, I concentrate on my ears hoping to catch the guards snoring sound.

But a different sound enter my ears.

‘ Ahh...‘

‘ Ahh..‘

‘ Ahhhh...‘

Damn it !

What the hell is this dude doing in there. If he really wanna do it, he should at least care about his privacy unless he is an exhibitionist.

Anyway, I better not disturb him. It will spoil his mood and mine too. So, I decide to climb over the wall of the academy.

As, I roll over the wall and go for a smooth landing on all my four limbs. I collide with something in the darkness.

The soft but sturdy impact disturbs my balance and I fall face first on the ground. But oddly, I don't feel any pain at all. It felt as if the ground had turned into a soft cushion.

‘ Ah ! ‘.

As I press my hands below to push myself up, a soft sensation enters my hand while a girl's cry enter my ears.

Feeling an ominous foreboding, I take my phone out. As I turn my phone on, its light illuminates my surrounding. And I am frightened by the scene in front of me.

There was no soft ground below me. Instead, it was the same blonde hair girl that I got into trouble with recently.

Looking at her flushed face, I raise my hand as a realisation struck me.

I am dead.

‘ I...I.’

What?

Don't tell me, I am going to graduate.

I don't mind if the girl is pretty like her. But isn't this too fast. I haven't even held the hand of a girl properly.

‘ Don't talk ‘.

I am pulled out of my wild fantasies by her tensed voice.

And I hear a lady's voice.

‘ Find her. Head Master has given orders for her to not to live the campus ‘.

‘ Yes mam ‘. I hear a union of voices.

As the voice disappears, she let's out a sigh of relief and gets up leaving me on the ground.

As she approaches the wall, I couldn't help but ask.

‘ Where are you going ? ‘.

I didn't had anything to do with her except of owing her a couple of apology.

But, her eyes kept attracting me towards her. It wasn't love but more like a sense of familiarity.

I wait for her response, but she ignores me and continue to walk towards the edge of the wall.

' If you don't speak, I will shout right now ' .

This time, my words stop her and she turns around giving me a death gaze.

The hairs on my body rise feeling a threat. But, I maintain my stand pretending to be unfazed by her gaze.
