

The Ancient Genes

Volume 1

Chapter 40 - Comrade in Arms

***** MC's POV *****

‘ I am a Mercenary ‘. I speak with a straight face.

‘ Huh... but hasn't the Academy banned such activity until the students reach their last year's ‘. He speaks with narrowed eyes

‘ No, it's fine ‘. I reply without any hesitation.

‘ Why don't I know about it ? ‘. He speaks with a frown.

‘ It's fine as long as you don't get caught ‘. I speak while showing my sparkling teeth.

Cough

Cough

I hear him choke on air as he coughed vigorously.

He suddenly looks towards me and speaks, ‘ Are you messing with me ? ‘.

‘ No , I am not ‘. I reply.

‘ You could get expelled for this ‘. He speaks with a concern in his eyes.

‘ Like you are the one to talk ‘. I reply in sarcasm.

Besides, I might have a bit of trouble if I got expelled from Academy. But, if the system expelled me, it would be a whole different story.

‘ Anyways, a few days ago. I received a quest...‘. I continued speaking.

After 20-25 minutes, I explained everything to him.

‘ You mean that b*tch Lisa is here and you are here to rescue her ‘. He asks as his face contorts.

‘ I am here to rescue the little girl. She is my first priority. And I will try to save others while I am at it ‘. I speak as I get up from my seat.

‘ I understand all that. But I still have a question ‘. His expression turns serious.

‘ What ?‘

‘ You said your Mercenary name was Shura right ‘ He speaks as an air of seriousness surrounds him.

‘ So what? ‘. I reply.

‘ Isn’t that the name from the Anime ‘ Oh Lord Hit me ‘, I remember you saying that you didn’t watch anime ‘. I was completely stunned and speechless.

How could this guy speak such things in this dire circumstances. Did he have a switch on him to change his modes.

‘ I have already left those things behind ‘. I reply felling helpless.

I didn’t know why, but I felt I shouldn’t have said it to him.

‘ Ha..ha.. I have finally found a comrade. I will revive you ‘. He speaks while waving his clenched fists.

‘ Do you have internet connection in your laptop ?‘. I ask Axle ignoring his actions.

‘ No, I don’t. They have set up a jamming formation. We need to break that up to connect to outside world ‘. He speaks.

‘ It’s gonna be tough to break the formation with the three formation masters and who knows how many guards guarding it ‘.

‘ I can do it ‘. I hear Axle’s voice as my gaze turn towards him.

‘ You just need to created a disturbance in the formation. I can easily bypass it ‘. He speaks with confidence.

‘ Are you sure ? ‘. I ask him because I didn’t want to get him involved in this matter.

‘ Don’t you dare to look down on me. I am at the top of my class ‘. He speaks with a smug look on his face while getting up from the bed.

I move towards the other bed and pick up my AR-15 rifle and my face mask.

Turning around, I find Axle with his mask on and a bag pack on his back. He was staring at me in a daze.

‘ You really know how to get in trouble. ‘. He speaks with a trace of helplessness in his eyes.

‘ What happened ? ‘ . I ask in confusion.

‘ I didn’t notice it earlier. But how did you get that uniform with a fox mark on it ‘. He speaks.

‘ I killed a guy earlier in a fight to death ‘. I speak while stretching my hands out showing my helplessness in the situation.

‘ I don’t care if you kill this bunch. But you should have avoided that guy ‘. He speaks while massaging his forehead.

‘ Is something wrong ? ‘ . I ask feeling an ominous foreboding.

‘ You know right, what the seven sins are ‘ . He asks me with a smile.

‘ Yeah ‘ .

‘ Sin of the Lion, Pride ‘

‘ Sin of the Serpent, Envy ‘

‘ Sin of Dragon, Wrath ‘

‘ Sin of Goat, Lust‘

‘ Sin of Pig, Gluttony ‘

‘ Sin of Bear, Sloth‘

‘ Sin of Fox, Greed ‘

As I finished speaking this, a realisation struck me and sweat started to form on my head.

‘ Yes, I think he was a prospective candidate for the seat of Greed ‘ .
He speaks with a smile.

‘ Forget it, it’s already done ‘ . I speak while walking towards the door.

‘ Yeah, don’t worry. I am here for you. From now on we are comrades in arms ‘ . I hear Axle speaking.

‘ Do you know the way towards the formation ‘ I ask.

‘ Yes, but it’s heavily guarded ‘ . He speaks with a seriousness.

‘ But, I have a plan ‘ . Axle speaks with a smile and a cold glint in his eyes which gave me chill.

This guy.... lets hear him.

Hello guys, its the author. I am writing this because I show my novel on a site which I have no idea about. So if you like my content. Pls read it on .
