

Taking Alpha's Twins Away After Divorce

Chapter 517

Natalia was shocked when his lips touched hers.

She tried to push him. But Adrian did not let her go.

He felt sharp pain in his head as if something was exploding inside. His hands wrapped around her waist, pressing his body against hers.

As though he had been longing for it, his rough kiss turned desperate.

Natalia became so enraged that she shoved him with her wolf strength.

He retrieved a few steps back. Natalia growled at him.

"How dare you do that?"

His brows shot up as if he was confused by his own action. His gaze roamed around the floor until they lifted up to look at her.

As if his eyes could change colors, they turned dark brown, and suddenly they flashed red for a moment. She recalled that before the accident he looked like that.

"Get out of this room right now," she said, glaring at him. She did not want to see him.

He did not move as he stared at her with a pair of lost eyes.

When she saw he was not moving, she opened the door and walked out of the room.

There was no way she would stay in the same room with him and let him take advantage of her body.

She went to her twin's room and slept with them. In the middle of the night, Noah's sleep broke. Natalia hugged him and Aria.

She caressed Noah's head and kissed his forehead. "This world is not for good people, Noah. Don't get emotional when it comes to your family, okay?"

"Mommy, are you talking about Dad?"

Natalia turned away and uttered,

"Nothing, my baby. I was just talking nonsense. Sleep."

Noah hugged her tightly and mumbled, "Dad is behaving

strangely, Mommy. Aria is afraid of him now. She is not even saying anything as if she had seen something in him."

Natalia was confused. Then she assumed they were children, and they realized their father was a devil

who had taken another

home.

Natalia fell asleep as she embraced her two children.

The next day,

Natalia went to the company.

Patric came to see her in his office. She thought he would talk to her about Adrian, and she was right.

"I don't want to talk about that man," she said while looking at the beta of the pack.

"Natalia, can you please listen to me for once?" Patric said this while pulling out a chair and sitting down.

He was staring at Natalia with desperate eyes.

"What do you want to say? Have you heard about what he did? He is just a—" "Natalia, he is not in his right mind," he said.

She gave him a look that said she was not buying it. "Why? Is he under the influence of drugs? He said he did not want to talk about our past. He only wants to be with Hazel, Can you believe it? All these years, what he told me about himself was false. His love was fake. Everything..."

She paused and closed her eyes. Patric stared at her for a while.

He could see she was tired of everything.

"Patric, please. If you come here to talk about the share thing, then please lea-"

Patric cut her off as he said,

"He is possessed by an evil witch. He can't remember anything about you. He is in real pain."
