

# **Taking Alpha's Twins Away After Divorce**

## **Chapter 519**

Natalia was shocked as her eyes widened. She heard something she could not believe.

"Y-Your child? H-How?" she mumbled.

She felt as though the sky had fallen on her. She was not in a state to feel anything. She was confused and puzzled.

Jason sighed and looked at her.

"I met her in her pack. There was never anything between her and Adrian. The child is mine, and I spent a night with her a few months ago."

Natalia shook her head. Her hand slipped away from Jason's hand.

"That's not possible. She manipulated you, brother. You have never talked about her. And why did she lie when the child is not Adrian's? Why is he even trying to protect her? He himself admitted that that child is his."

Hazel looked at Natalia and stepped toward her. Natalia raised a hand, stopping her from approaching her. "Don't. You can manipulate everyone but me. I didn't forget how you warned me to leave Adrian's life."

Hazel clenched her jaw and said angrily, "I also warned you about that door. Why did you break into the room?"

Natalia froze when she remembered the locked door. She frowned and said, "You are right. That door... That is what your family wanted, right? They wanted to unlock it, didn't they? This is what I did. Now why didn't your family disappear from our lives?"

Hazel shook her head. "I warned you that you should not look for it. You should not have broken the door. That door..."

Hazel paused as her lips trembled. Jason rushed to her and held her in his arms.

"Brother, she is acting. Don't listen to her. She is the princess of that Leighton family. She also wants that. Can't you see they are here now? Adrian also wants her. He turned into a devil."

Jason gazed at Natalia and said in a harsh tone,

"Enough, Natalia."

Natalia's body jerked in shock. Her brother had never talked to her like that.

Jason saw the pain in her eyes. He felt upset and said,

"Hazel is just like you, Natalia. She is a pawn in Leighton's game."

Natalia was bewildered. "Pawn? She is the daughter-"

"Adopted daughter," Hazel interrupted her.

Natalia took a step back upon hearing Hazel. "W-What?"

Hazel nodded her head. "I was just a poor child that they adopted to fulfill their wish. Their eyes were always on Adrian. It was not me who saved Adrian but him who saved me at the border. That night..."

Hazel recalled the night and spoke again.

"That night, I was fleeing from Black Hawk Pack. They had followed me and were about to kill me when Adrian saved me. But they hit his forehead with a weapon that wizards use to kill werewolves. He was so strong that he did not die. Their plan was to kill him because his father killed their daughter years ago."

Natalia had nothing to say. "Killed their daughter?"

Hazel nodded her head. "Yes, Alpha Lucas killed the old Leighton's daughter years ago. She had feelings for Alpha Lucas, and soon after, her family made an offer to

Alpha Lucas to marry their daughter.

Alpha Lucas and his father agreed on it, but he later discovered Grace before the wedding. She was his

mate, so Alpha Lucas refused to marry the Leighton's daughter.

That woman was an evil witch who wanted to be his Luna. So she tried to kill Grace a few times. But Alpha Lucas loved his mate and killed that evil witch."

Patric heard everything but a question raised in his mind as he asked,

"How is it connected to the door?"
