

Taking Alpha's Twins Away After Divorce

Chapter 520

Taking a deep breath, Hazel knew she had to tell them everything.

"That witch's powers were imprisoned with ash in a jar, and the door had been locked for years. My sister-in-law, Ansel, is the coven's second highest-ranking witch after that woman. So, all these years, Ansel tried her hardest to break the door and free the powers so that she could take over them.

So when Natalia broke the door, the powers were freed, and Ansel possessed them all. Now she is the most powerful witch."

Natalia recalled what had happened in that room. She had assumed she would die, but she did not. Hazel stepped toward Natalia and said,

"Sister, I am sorry for what happened to you. But I had nothing in my hands. I was not alone. My child was with me. So I had to follow whatever they told me. The only thing I could do was not open the door. Before you opened it, I used to tell them that I had not found the door.""

Natalia's eyes lowered as she noticed Hazel caressing her own stomach.

Natalia's eyes blurred with tears as she asked,

"S-So it's not A-Adrian's child?"

Hazel shook her head. "He never touched me. In fact, he had to bear many tortures in my pack. He not only broke free from their cage but also rescued me from hell."

Natalia stared at Hazel's belly without saying anything. She then heard Hazel again.

"Do you know what he used to say when they hurt him in my pack?"

Natalia's eyes lifted to look at her. "W-What?"

Hazel smiled at her sadly and replied,

"My wife is waiting for me in my pack. I can't die. I have to go back to her."

Natalia's lips trembled when she heard her.

"She is right, Natalia. I was with them in the Black Hawk Pack. Adrian almost gave up while they were torturing him, but he came back just for you," Patric said.

Natalia turned her face away from everyone as tears ran down her cheeks.

She felt a hand touch her belly. She saw was Hazel.

"You are blessed that your child is alive. Don't let anyone hurt this child. When Adrian was on my pack, he used to say that he wanted to spend time with you when you got pregnant again because he missed the last time you were pregnant with his twins.

"Child? She is pregnant?" Patric said with a shocked tone.

Jason gave him a nod. Benjamin placed his hand on his shoulder and spoke,

"I was aware of it. That is why I was always near her, protecting her and her child."

Patric frowned at him. "Then why didn't you tell me or Adrian?"

Natalia stopped him from scolding Benjamin. "It's because I told him not to say anything to anyone."

Patric felt messed up. "You should

have told Adrian about it. He had been trying to find out and then learned that you never checked up. That time he was in the right mind. He could do something."

Hazel shook her head. "No. Even if he had learned, there was nothing he could do. He would have ended up harming himself or the child."

Natalia could not control herself as she broke down. She was not sure what to believe. There had been so much going on in her life over the last few days.

"I told you, Natalia. Adrian is possessed," Patric explained.

Natalia looked at him. "But he knows everything, except-"

Hazel interrupted her by saying, "Except you. Ansel possessed him. When he was in our pack, Ansel spellbound him. But it did not work much until you broke the door and Ansel got the unbreakable power. Adrian completely lost control that night and Ansel had him under her control entirely. Content Belongs to

Ansel had blurred his thoughts and memories of you in his mind. Her voice echoes in his head, reminding him of his hatred for you. That's how black magic works, Natalia. This is a dark world full of power and magic."

Hazel revealed everything about how her family adopted her when was a child and raised her to be a pawn in their revenge game.

Natalia realized she had misunderstood Andrian. Her heart clenched as she realized how much pain he was in.

"I will get him back," Natalia said, wiping away tears.

"But how? We are not powerful enough to break Ansel's spell," Hazel said.

"There is one person we know. He can help us," Jason spoke out.

Natalia nodded as she looked at him. Patric was aware of who they were talking about.

"I have already met him. He has no way. He only asks to protect Hazel..."

Patric's eyes widened as he remembered Qadir's words. He had said that Hazel was carrying an Alpha's child and Adrian should protect her and her child.

"So the Alpha was not Adrian but Jason?" he murmured in surprise.

Natalia did not waste her time as she dialed a number. The call was immediately received as a man's voice rang in her ear.

"It's been a long time. How are you, Natalia?"

Natalia inhaled deeply and replied,

"Max, I need your help."
