Chapter 391

Hearing Christ's words, Quinn's hand that landed on Kiki couldn't help but push harder.

Everyone in Arkpool City knows how much Kiki loves Christ, the biggest obstacle between Christ and Kiki is Penny, now that Christ is willing to give up Penny, will Kiki go back to him?

Christ was even more nervous than Quinn. He had already backed down to this point, if Kiki still didn't agree, he really wouldn't have any chance.

"Remarry?"

Kiki laughed, her brimming eyes held obvious disgust and detachment, "Christ, who gave you the courage to say such things to me?"

"By divorcing you, I am getting rid of my misery, why should I dig my own grave? To make you disgust me every day? Sorry, I don't have such hobby."

"Kiki!"

Christ was angry, in his opinion, he was willing to give up Penny for Kiki, put aside his pride to let her turn back, this was already his limit, how much more did she want him to back down?

He was angry that he couldn't let go of this woman even though he knew she was ungrateful!

Christ shouted Kiki's name in such a high voice, expressing the anger in his heart, on some medium level, seeking a sense of presence.

But Kiki simply ignored his presence, she kept some distance between her lips and Quinn's, but the words that came out made Christ almost die in anger.

"Quinn, let's stay on my side tonight, I'll put the water on and help you take a bath later."

Kiki knew that she had gone too far in saying this and was using Quinn, but if she didn't say that, Christ would not get away so easily.

"Kiki!"

Christ stepped forward and was about to grab Kiki's hand. She hadn't even helped him take a bath, and she wanted to help Quinn take a bath?

Is it true that she will have to serve Quinn shamelessly when she gives him a bath later?!

When he thought of Kiki's pleasing towards Quinn in the bathroom, Christ went completely mad with jealousy.

He wanted to snatch Kiki from her, even if she liked to have an affair with a man in the bathroom, that man could only be him.

But Quinn had protected Kiki so well that he could not even snatch her away.

“Christ, don’t you want to get lost yet?” Kiki looked at Christ with cold eyebrows, obviously with such a cold expression, the corners of her lips were still able to maintain the curvature.

“What, are you trying to watch me help Quinn take a bath? Sorry, I don’t think Quinn will agree!”

Christ was so angry that he clenched his teeth together, why didn’t he bite Kiki to death!

He also knew that he was a bit shameless to stay here when they wanted to take a bath together, but even if he peeled the skin off his face, tonight, Quinn wouldn’t want Kiki to help him take a bath!

The door of the flat was suddenly pushed open, and Freya stood at the door with keys, along with Kieran standing behind her.

Freya gave a fierce glance at Christ, who had appeared in her and Kiki’s flat, she knew that he was up to no good.

But Kiki was now in Quinn’s arms, and it seemed that Quinn was in the upper hand this evening.

Looking at Quinn who was hugging Kiki tightly, Freya secretly said, “Quinn, well done, better piss off Christ.

Thinking that she had come back to treat Kiki’s wound, Freya rushed to Kiki, “I’ll go to the room to check your wound.”

Christ’s expression was stunned, “She’s injured?”

After saying this, he hurriedly surveyed Kiki, trying to check where exactly Kiki had been injured.

Kiki wore all black tonight, so even if she was injured and bleeding, it was not easy to see, but Christ still noticed Kiki’s injury.

She injured her knee.

The clothes at her knees had visible tears and were still a little wet; obviously, it was not water, it was Kiki’s blood.

“Kiki, tell me who hurt you!”

Christ moved fast to grab Kiki’s hand. But Freya parted them with a cold face. She was like an old mother hen protecting her chick, protecting Kiki behind her.

“Christ, Kiki’s affairs are none of your business!” With that, she held Kiki’s arm, and led her towards the room.

“No! I have to check her wounds!” Christ caught up, he was not at ease until he examined Kiki’s wounds himself.

Freya was so annoyed by Christ that she turned her face to Kieran and said, “Mr. Fitzgerald, can you help me throw out the irrelevant people?”

Without the need for Kieran to throw him, Quinn wanted to throw Christ out.

Christ broke away from Quinn's grip and he looked at Kieran with annoyance, "Fitz, if you dare to stop me, I'll cut you off!"

Kieran frowned. Christ was threatening him again with termination of friendship!

Freya threw a wink at Kieran, "Honey, please throw him out, okay?"

Hearing Freya's words, Kieran was instantly as full of energy.

He coolly raised an eyebrow at Christ, "Christ, is there any friendship between us?!"

Christ, "....."

In the end, the reluctant Christ was still forcibly thrown out by Kieran.

Christ was so angry.

But when he thought of Kiki's knee injury and her face, which was obviously swollen but he had ignored, his heart was torn with pain.

Although he was always so angry in front of Kiki that he lost his mind, he still had his wits about him.

Tonight, Kiki was bruised.

That photo looked indescribable, in fact, she must have been forced.

In a trance, the words that Dave had said rang out in Christ's ears again, "Boss, Miss Hartsell was once bullied by many men in prison, and Miss Hartsell resisted and bit her tongue."

Being bullied by the bad guys tonight, Kiki must have bit her tongue again!

But when she was in the most excruciating pain, he gave her no care and attention, but only sarcasm and humiliation.

Even more, she was forced to serve him in the most humiliating way.

What's the difference between him being like this and the men who bullied her?

No wonder, he made her so sick!

Christ turned around sharply and took one step upstairs, turning back to Kiki and Freya's flat.

Apologize or kneel, he wants to give himself another chance!

Kiki, this time, don't you dare shake off my hand again!

Chapter 392

It was Kieran who opened the door for Christ.

Kieran looked at Christ with a puzzled expression, he moved his lips as if he wanted to say something, but in the end he did not speak.

Christ grabbed Kieran's shoulder hard, "Fitz, where's Kiki?!"

Christ's words did not sound like a question to Kieran, as he suddenly let go of Kieran and rushed straight towards Kiki's room.

He hadn't even reached Kiki's room when he heard a sound coming from the bathroom in the living room.

"Kiki, can you not tickle me? I'm the most ticklish!"

That was, Quinn's voice.

Kiki and Quinn were inside the bathroom!

Christ's head exploded with a loud bang as he walked step by step in the direction of the bathroom as if he was possessed.

He stood fixedly at the bathroom door, not moving. He had always despised this kind of listening to the wall, but at this moment, he just couldn't help himself.

He went crazy trying to find out what Kiki and Quinn were doing inside the bathroom.

Quinn's voice was still going on, "Kiki, it tickles! It really tickles! Kiki, I beg for forgiveness! I'm wrong! I won't move! Will you stop tickling me? I'm really ticklish!"

Quinn and Kiki were really taking a shower inside the bathroom!

What about other than bathing? What else were they doing?

This was followed by the sound of water overflowing and smashing onto the floor. Obviously, those two people, who could make the water inside the bathtub tumble like this, could not have been doing anything much more innocent.

Christ's eyes were bloodshot, Kiki and Quinn really couldn't wait!

Kieran and Freya were still in the flat, and the two of them were already doing that!

Injured?

She can even flop around in the water like that when she is injured! Kiki is shameless!

Christ really wanted to kick the bathroom door open, but what was next when he rushed in?

What could he say or do? All he could do was to admire Kiki and Quinn as they were in the middle of a fierce battle!

So invulnerable a man, so reigning a man, surprisingly, did not have the courage to face Kiki's entanglement with another man.

Christ's eyes were bloodshot as he flung the door handle from his hand and fled.

He kept trying to give him and Kiki another chance, but Kiki didn't even care for such a chance!

If she doesn't want it, why should he make a fool of himself!

But Kiki, you want to be with Quinn? No way!

His woman, if she is to be bullied, only he can bully her, others want to bully her, damn it!

Christ slowly took out his mobile phone and dialed Dave's number, his voice was as cold and bitter as if it came from the hell, "Check a mobile phone number for me! Kiss the owner of the phone number!"

After Christ left, Quinn walked out of the bathroom.

Kieran didn't expect Quinn to be able to create so many stories even when he went to the bathroom. Looking at the theatrical Quinn, he couldn't help but say, "Quinn, it's a waste of talent if you don't turn into an actor."

"What, are you envious?" Quinn dashily took out a cigarette and lit it, thinking that Kiki hated the smell of smoke, he crushed the cigarette out.

Quinn did not feel that his actions were despicable; he had originally appeared in Kiki's life many years later than Christ, and he naturally had to play some tricks.

Moreover, all of his tactics are just to keep Kiki away from the scum, and it is only when Kiki is tricked by Christ again that she will again in misery.

"If you're envious, I'll teach you a few moves."

"No need." Kieran softly glanced at Freya's room door, "Freya likes me, I don't have to play these schemes and tricks."

"You really don't need it?" Quinn obviously didn't believe Kieran's words, "Why do I hear that Freya has been ignoring you lately?!"

Quinn's words clearly hit a sore spot with Kieran, but he would not admit that Freya had almost ignored him recently.

"Freya is my wife, even if she ignores me."

Kieran coolly swept Quinn, "Unlike some people who have been chasing after a woman for so long and have achieved nothing."

"Good move!" Quinn secretly gritted his teeth, however, he wouldn't remain achieved nothing, perhaps one day, he and Kiki would be together.

As soon as Quinn's words fell, Freya walked out of Kiki's room. Seeing Freya, Kieran didn't look half as domineering as the president, he was obviously a resentful husband waiting to be pampered by his wife.

"Freya, since you're all out of the hospital tonight, don't go back, let's go back to Kelsington Bay."

Freya's mobile phone suddenly rang, and what came over the phone was the hospital nurse's voice, "Miss Freya, when are you coming back? Mr. Levin has woken up, he's been crying since he woke up and is clamoring for see you."

When Freya came out of the hospital, Seth was asleep, she didn't expect Seth to wake up so soon, listening to Seth's cries on the other end of the phone, Freya was so anxious, "Please put Seth on the phone, I'll talk to him."

“Seth, don’t cry.” Freya coaxed gently with immense patience.

Seth was still crying in anguish, “Boss, where did you go? I woke up and couldn’t see you, I was so scared! Boss, did you not want me anymore?”

Listening to Seth’s pitiful voice, Freya was instantly flooded with love, “Seth, what are you talking about, how could I not want you!”

When Freya said this, she really didn’t mean anything impure, now she had completely treated Seth as a child, and she coaxed him with exactly the same thing she had used to coax Jaden and Jayla back then.

But these words were sour to Kieran’s ears, she wouldn’t want Seth, so she could not want her husband, right?

“But boss, I can’t find you.”

Seth sobbed, “Boss, I’m so afraid you’ll abandon me.”

“Seth, what are you talking about! How could I possibly abandon you!” Freya was afraid that Seth would continue to cry, so he hurriedly said, “Seth, don’t be anxious, I’ll be back to the hospital soon.”

“Okay, boss, I’ll wait for you.” Only after receiving Freya’s affirmative reply did Seth hang up the phone with satisfaction.

Listening to what Freya had just said to Seth, Kieran’s handsome face turned black.

Seth is so shameless! What else can he do all day but play the pity game!

If he wasn’t his sister’s son, he would have squeezed him to death!

No, he absolutely cannot let Seth’s shameless act get the better of him!

Kieran had a bright idea, and suddenly, he fell to the ground with his heart covered.

Chapter 393

“Mr. Fitzgerald, what’s wrong with you?!”

Freya was taken aback by Kieran’s sudden movement, and she hugged his arm with force, her eyes filled with undisguised worry.

Kieran has always been ascetic, so naturally his acting skills are not as skilful as Quinn’s.

He frowned awkwardly, and said with unmistakable stiffness, “I am not feeling well, I was probably probably sick.”

Looking at Kieran’s twisted acting, Quinn at the side almost burst out laughing.

What is this feigned tenderness of Fitz for!

Freya did not see that he was acting. She looked at Kieran’s handsome face with distress, “Could it be that you have a fever? I’ll go get a thermometer and take your temperature.”

“No need!” Kieran was afraid of being exposed and said in a hurry, “I’m just having a hard time, and taking my temperature won’t help.”

Freya put his finger on Kieran’s wrist, he was normal, his pulse was steady and healthy.

He was fooling her.

Freya looked at Kieran with a wry smile, “Mr. Fitzgerald, then how can we do it to help?”

“No need to do anything, you just stay with me.” Kieran leaned arrogantly in Freya’s arms, with absolutely no intention of getting up.

Freya sneered so hard that the corners of her mouth twitched... He was really faking it!

Normal people are getting more mature, how come Mr. Fitzgerald is getting more childish?! He couldn’t be jealous with Seth, could he?

What is there to be jealous about with someone who has the mind of a three-year-old child!

Quinn did not expect that Kieran, the calmest and most stable of the four young men in the capital, would also do such a shameless act of pampering and scandalizing.

He silently exhaled, Fitz’s acting skills seem to have a magic power to turn corruption into magic, not good at first, but later it turns out to be more and more perfect, in the future, he has to learn from Mr. Fitzgerald.

“Okay, I’ll stay with you.” Freya obeyed, her voice gentle.

Getting in his way, Kieran was happy. As he was just about to hug his wife and kiss her, Freya already slapped his handsome face to the side in disgust.

“Mr. Fitzgerald, don’t pretend! You’re so old and you’re still playing such little tricks, don’t you think it’s childish?!”

Kieran’s heart was instantly and heavily wounded, he was at the age of vigor, how did he get old?

When his feigned weakness was exposed, Kieran didn’t blush, and he said to Freya with a straight face, “Freya, I’m not lying to you, I’m really uncomfortable. You only have Seth in your eyes, and I’m not comfortable.”

“Mr. Fitzgerald, Seth is completely a child at heart now, there is no need for you to be jealous with him. In my heart, he is now the same as Jaden and Jayla, will you be jealous with Jaden and Jayla?”

“Yes!” Kieran’s voice was still justified, Freya was simply going crazy. How can she not reason with him!

“Mr. Fitzgerald, you’re unreasonable!” She didn’t want to waste her breath by continuing to talk to him. Thinking that Seth was still waiting pathetically for her to return to the hospital, she patted the dust on her body and walked quickly outside the flat.

Seeing Kieran being defeated, Quinn was so happy, he said to Kieran without fear of death, “Someone seems to be disliked!”

Kieran got up, his eyes coldly sweeping over Quinn's face, Quinn instantly felt countless ice lings pricking his face with a thousand holes.

He was going to laugh at Kieran for a while longer, but thinking that his force was too scary, he had the sense to shut his mouth.

Kieran didn't feel the least bit self-conscious about being disliked by Freya, he quickly caught up with her, "I'll accompany you to the hospital!"

Since he couldn't stop Freya from taking care of Seth, he would stay with her every step of the way. He wanted to see how long Seth could pretend to be crazy and foolish!

Freya actually did not want Kieran to accompany her to the hospital, after all, Seth was too afraid of him and she did not want to leave a psychological shadow on Seth.

But recently Kieran has been pestering her so much that she can't shake him off, so she can only ask him to accompany her there.

As a matter of fact, Seth was quite happy to see her, but as soon as he saw Kieran, who followed her into the ward, he couldn't control himself and burst into tears.

"Big monster! Bad guy!"

Seth nestled in Freya's arms in utter terror, "Boss, the big monster is so scary, he'll eat me! I'm scared!"

"Don't be scared! With me here, I won't let the big monster bully you!" Freya gently patted Seth's shoulder and softly reassured him.

Being so comforted by Freya, Seth's incessantly trembling shoulders finally calmed down, but there was still a distinct tremor in his voice.

"But boss, I don't like to see the big monster, can you let the big monster out?" Seth clung to Freya's arm like a child who was afraid of being abandoned, "Boss, I just want to be with you."

Kieran was directly exasperated by Seth, he was to steal his wife in front of him.

Afraid that Freya might get angry, Kieran forced down the urge to throw Seth out, he raised his eyebrows coldly, "Seth, stop it!"

Kieran's voice was not loud, but he had been in the top position for a long time and his aura was extraordinarily cold and awe-inspiring, and the intangible pressure emanating from his voice was frightening.

Seth, who had been in awe of Kieran since he was a child, was then once again shocked by the mighty presence on Kieran's body, his body trembling badly, but thinking that he was now a big fool and that Freya was protecting him unconditionally gave him a lot more strength.

He nuzzled into Freya's arms, his dark eyes innocent and pitiful.

"Boss, the big monster is really going to eat me! Boss, the big monster is so ferocious, can you quickly drive the big monster out?" Seth started wailing.

"I don't want to be eaten by the big monster! Big monster is so bad, I don't want to see big monster."

Looking at Seth's crying face, Freya felt uncomfortable from the bottom of her heart. She couldn't stand to see people cry, especially her best friend Seth.

Seeing that Kieran was still staring coldly at Seth with a look that was about to eat him, Freya couldn't bear it anymore, "Mr. Fitzgerald, can you stop scaring Seth with a black face all the time? He's already afraid of you, and you still scare him!"

With Freya backing him up, Seth was instantly emboldened. He blinked his eyes and looked at Freya innocently, "Boss, let's get rid of the big monster and go to sleep, okay? I want you to hold me in your arms!"

Chapter 394

Kieran was furious, he wouldn't be a man if he let his wife sleep with Seth in her arms!

Kieran didn't want to continue to indulge Seth in playing dumb, so he stepped forward and strangled Seth's hand on Freya's arm, "Seth, don't play dumb! You're not stupid at all!"

Seth didn't cry out this time, he blinked his eyes and the tears fell.

The look of resignation was even more pitiful than his wailing.

He cowered towards Freya, apparently silently asking her for help.

Freya's heart was so soft. When Jaden was still a small child, he used to pamper her like this.

Freya gave Kieran a fierce glance, broke his hand away, and then tenderly said to Seth, "Seth, don't cry! We don't care about people with brain problems! I'll sing to you and we'll sleep, okay?"

"Yes!" Seth instantly broke into a smile, "Not only do I want to hear Boss sing, I want to hear Boss tell a story."

"Okay, tonight I will tell you the story of Little Red Riding Hood." Freya's voice, soft as the breeze on his face, "Once upon a time, there was a little child whose name was Little Red Riding Hood. One day she went to her grandmother's house and met the big bad wolf"

Seth was listening with great interest, but the corners of Kieran's lips twitched. Seth was the big bad wolf, okay? How could Freya not see it!

But Seth obviously didn't think he was the big bad wolf, and after listening to Little Red Riding Hood's story, he showed and raised his eyebrows at Kieran, "Big bad wolf!"

Freya laughed, "Yes, Seth is smart, now you can even recognize the big bad wolf! What more stories do you want to hear?"

"I still want to hear the story of Snow White." Without waiting for Freya to start, Seth said, "The last time Boss told it to me, I remembered the ending and the prince and princess lived happily ever after."

"Boss, I'm the prince and you are the princess, right?"

"Right."

“Nope!”

Two voices rang out simultaneously as Kieran coldly corrected Seth’s mistake, “I’m the prince, you’re the dwarf!”

“No, no, I’m the prince, you’re the” Seth thought about it and thought that Kieran didn’t look like a dwarf but

“You’re the bad guy! You are the wicked queen! Don’t you try to break me and Boss up! Boss, we’ll always be happy and joyful together, right?”

“Yes, the evil queen is the worst, he doesn’t want to break us up.” Freya patiently coaxed Seth, “Seth, let me tell you another story of Ultraman”

Looking at Freya, who was carefully coaxing Seth, Kieran’s heart was sour, especially when he saw Seth giggling at Freya, his handsome face was so dark.

No longer able to bear the thought of Freya telling Seth a story so gently, he pulled Freya away from the bed as soon as he could and sat down on the edge of it.

Seth was startled when the warm, soft person beside him suddenly turned into a hard block of ice.

After seeing clearly that the person sitting beside him was Kieran, the cold hairs on his back stood up in fright.

Fear was followed by overwhelming resistance as he wiped the corners of his eyes and cried pitifully to Freya, “Boss, the bad guy! The bad guy is trying to bully me! Boss, I don’t want to see the bad guy, I don’t want to see”

“Seth, don’t be afraid, I won’t let the bad guy bully you.”

Freya actually didn’t want to say that Kieran was a bad person, but Seth’s look was so pathetic that she couldn’t bear it in her heart.

She went forward and tried to pull Kieran, who was sitting on the edge of the bed, away from her, but he was like a huge mountain that she could not pull.

“Mr. Fitzgerald, can you stop bullying Seth?” Freya whispered to Kieran to discuss.

“No!”

Kieran was so righteous that he blocked Freya’s speechlessness. Freya was just trying to find his voice when Kieran had already opened his mouth with a black face.

“Don’t you like to hear stories? I’ll tell you a story. Tonight, we’ll start with a story about breaking a leg.”

Break a leg?

Seth’s eyebrows knitted abruptly, and before he could ease up, Kieran’s chilling voice rang in his ears again, “After the story of the broken leg, we’ll come back to the story of the removed arm.”

Seth's eyebrows knitted tightly, he looked at Freya with tears in his eyes, he wanted to hear his boss's soft voice telling him happy-go-lucky fairy tales, okay? Who wanted to hear Mr. Fitzgerald telling him such a horrible horror story!

Moreover, why did he think that the poor protagonist who had his legs broken and his arms removed was him?

In a trance, Kieran's sultry voice drifted over again, "There are also stories of cutting tongues, heads, plucking out eyes and skinning people."

Seth really did not have the courage to listen to Kieran tell him a story, so he planned to muddle through.

He blinked at Freya, innocent and pitiful, and the next moment, he wailed and cried out.

"Boss, the bad guy wants to cut my tongue! Boss, help me! Help me! Oooh"

"Can you stop scaring Seth?" Freya couldn't stand it, "Seth is now mentally younger than Jaden and Jayla, you're an elder, are you ashamed of yourself by bullying a child?!"

"No!" Kieran was not in the least bit ashamed, and it was the person who was pretending to be stupid should feel ashamed.

Freya, "....."

Kieran directly took Seth's pillow over and unceremoniously slept on it, "Don't you want someone to tell you a story and have someone sleep with you? Fine, I'll keep you company."

Seth was in a state of confusion, he wanted his gentle boss to keep him company, okay? Who wants his fierce uncle to accompany him?

Seth was inwardly resistant, but he was still in the stage of pretending to be stupid, he could not say many things yet, he could only continue to wail and cry.

"Boss, help me! I'm scared, I'm scared, I'm so scared"

The corner of Kieran's mouth couldn't help but twitch again.

So disgusting!

Seeing Seth being bullied like this, Freya couldn't just sit back and watch, she said to Kieran rather helplessly, "Mr. Fitzgerald, I'm really angry that you're bullying Seth!"

Kieran couldn't let Freya get angry, but he was even more reluctant to have his wife being stalked by someone who was keeping him alone night after night.

So he continued to earnestly tell Seth the story of breaking his legs and skinning him.

Seeing Seth's face turn white with fear, Kieran felt it was about time, he slowly and methodically threatened Seth, "In fact, breaking legs and skinning and drawing tendons are all trivial matters, a more interesting story would also be death by a thousand cuts, chopped into meat sauce and wrapped in a pot of human meat buns."

“Seth, if you decide to keep pretending to be stupid, we’ll tell the story of the human bun again. Are you going to keep pretending?”

Chapter 395

His Uncle is so mean!

Seth did not want to continue to be threatened by Kieran, telling stories about human buns, he wanted to ask Freya for help, but, Kieran simply did not give Freya the chance to save him, he could only break his teeth and swallow tears.

Of course Seth would not admit that he was playing dumb, but, he could pretend to be asleep.

So, after struggling for a long time, he decisively closed his eyes.

He knew that if he pretended to sleep now, he wouldn’t be able to keep pestering Freya tonight, let alone keep her company in the ward, but he was more afraid of being abused by his uncle!

Seeing Seth pretending to sleep with his eyes closed, Kieran sneered, “Seth, you’re really something, not only can you pretend to be stupid and dumb, but now, you’re also pretending to sleep!”

“Mr. Fitzgerald, Seth is really asleep, he’s not pretending to be asleep.” Freya really couldn’t bear to see Seth continue to be abused by Kieran and couldn’t help but speak up.

She gathered the clothes she was wearing, “Mr. Fitzgerald, you should go back first, I’ll stay here and take care of Seth.”

“He’s asleep and doesn’t need your care.”

Kieran picked Freya up, “The person who needs your care more is me.”

Freya swallowed, he was able-bodied and strong, so he didn’t need her to take care of him!

When she met Kieran’s dark eyes, Freya instantly understood that the care he was talking about was obviously not pure!

She wasn’t going to be taken advantage of by men with impure thoughts!

The corners of Kieran’s lips curled up into a smile, he embraced her into his arms, and his thin lips pressed over.

Freya has always been unable to resist Kieran’s kisses. After being kissed, she was abducted by him to the car and finally to the Kelsington Bay.

While Kieran went to take a shower, Freya quietly took her phone to google some questions.

What can you do if your husband makes you angry?

The almighty internet instantly gave several answers, some saying he should kneel on the keyboard, others saying he should kneel on the rubbing board, and others saying he should kneel on top of a durians.

Thinking that there was a big durian in the fridge, Freya rushed downstairs and came back majestically with it in her arms.

When she entered the bedroom with the durian in her arms, Kieran had just come out of the bathroom and froze when he saw Freya holding a durian twice the size of her head in her arms.

“What are you doing with durian at this late hour?”

When she thought of how Mr. Fitzgerald liked to threaten to break her legs at every turn, and how he had an extra hobby tonight, telling her stories about human steamed buns, Freya’s words were deflected at the edge of her mouth.

She smiled a fawning, flattering and ingratiating smile, “Take the durian and peel it for you, of course! We’ll eat durian together!”

Kieran put on a look of understanding, “So when you unlock a new posture, you like to eat durian.”

Freya, “.....”

What the hell is inside this man’s head?

Seeing Freya’s face flushed red, Kieran couldn’t help but want to tease her, “So I was right.”

“Freya, do you like unlocking new postures with me that much? Well, since you’re so impatient, I naturally can’t let you down!”

Freya’s back still hurt, and she was afraid that Kieran would really continue to do something impure to her, so she hurriedly racked her brains to think of something to say to change the subject.

“Mr. Fitzgerald, thank you, if it wasn’t for your help, the internet would have talking about Kiki now.”

If it wasn’t for the fact that Kieran had suppressed the news about Kiki, so that the major media didn’t dare to write about it and released the whole video of Kiki being bullied by Dylan inside the bar, Kiki would have been scolded to death by now.

However, even if Kieran suppressed the news, this incident fermented too much and the negative comments about Kiki on the internet still could not be eliminated.

Many netizens were still biting at Kiki like a mad dog. After all, even if Kiki’s private life is fine, it is a fact that she has been in jail.

Freya feels that the only way to completely help Kiki turn over a new leaf is to find evidence that proves that Kiki was wrongly accused of being in jail.

Jaden has taken it upon himself to help Kiki clear her name, and hopefully, tonight, everything will go smoothly on Jaden’s side of the operation.

The moment she was lost in thought, Kieran’s lips fell again, Freya originally wanted to resist, but thinking that he was determined to help her fight the scum, her heart was warm and soft, she still kissed his lips hard.

In the interplay of light, Penny is drunk.

Obviously, her mind is so chaotic, but the pain in the heart is extraordinarily clear.

She grabbed a bottle of wine from the side and was just about to open it, a large, slender hand clutched hers.

“Penny, don’t drink it. It hurts my heart when you’re like this.”

Chapter 396

“Leave me alone!”

Penny shook off the hand hard, “I want a drink!”

Penny opened the bottle regardless, she was in a really bad mood tonight and even though she knew that drinking wouldn’t make her feel better, she wanted to keep drinking.

As if, only by drinking non-stop like this would she seem less pathetic.

In fact, in the recent battle between her and Kiki, she should be considered to be in the upper hand, she used the internet and made Kiki be blackened all over the internet, even if someone stepped in to squash Kiki’s scandal, Kiki is still in disrepute now.

She thought that now that Kiki had become a street rat, Christ would be disgusted with Kiki.

So, this evening, she went to Christ and she told him about what happened online, she said that Kiki was not good enough for Christ and told him to stop wasting his feelings on Kiki.

But surprisingly, Christ still didn’t disgust Kiki, he even stared at her shamefully and told her to get lost!

A glass of wine went into her belly, burning her stomach hotly, but she still could not forget the way Christ looked at her tonight.

It was a coldness and disgust that came from deep in the marrow of the bone.

She dared not think that Christ, who said that he would make her the happiest woman in the world, would look at her with such eyes.

Penny doesn’t understand why, even though Kiki has become a poisonous woman that everyone can beat up, Christ still can’t let go of her, is it only when Kiki is dead that Christ can see her Penny?

The glass of wine in her hand was snatched away again, and Penny was annoyed to the core, “I said, leave me alone! Give me the wine! I want a drink!”

Penny knew that since Christ had agreed to marry her, the position of Mrs. Birkin would be impossible to escape, but she really loved Christ. She wanted his heart too.

“Stop!”

Diego directly shattered the bottle of wine to the ground viciously, the sound of the bottle shattering was so loud that Penny jerked and had a brief moment of consciousness.

“Diego, why did you come over?” Penny’s face held a distinct bitterness, “Did you come over to see my joke?”

“Penny, you know full well I won’t look at your jokes.”

Diego’s face carried a distinctly caring look. It was strange to say that he had a better-than-woman face, yet he would not let people think of him as a woman at all, and the dark aura that emanated from him invisibly made people turn away.

“Diego, I know.” Penny said softly as she turned her face and looked drunkenly at Diego and said, “But Diego, I really feel bad! I want to drink, I’ll die if I don’t.”

“Penny, even if you drink yourself to death, Christ won’t be heartbroken, why are you trampling yourself like this!”

Diego gently clutched Penny’s hand, his eyes shining with the general light of a lover, “But Penny, I will be heartbroken, you are torturing me by doing this.”

“Diego, why do you have to be so nice to me? Everyone doesn’t like me, Christ doesn’t like me, his friends don’t like me either, Diego, I’m so annoying, why are you so nice to me?”

“Penny, who said you were annoying.” There was an intoxicating compulsion in Diego’s voice, “In my heart, you’re the cutest girl.”

“Penny, don’t feel bad, I know why you feel bad. But Kiki can’t turn over now, you’re the winner, there’s no need for you to give up on yourself.”

“But, Christ, he still can’t let go of Kiki! Kiki is so cheap, why does he like her so much!” Penny hugged Diego’s arm, “Diego, do you think, am I no better than Kiki?”

“How come!” Diego smiled elegantly as he spoke tongue-in-cheek, “Kiki can’t even compare to a finger of yours!”

“Penny, don’t doubt it, you’re the best girl in the world.”

“But

“But what?” She asked subconsciously.

“Penny, right now the internet is lopsided in its denunciation of Kiki, but if the truth about your miscarriage had been exposed back then, it wouldn’t have been Kiki who was denounced by the netizens.”

“What do you mean?!” Penny asked as she broke away from Diego’s arms and she looked at him with a wary expression.

“Penny, don’t be so nervous, you know, I’ve always adored you and I’m naturally and steadfastly on your side.”

“However, you also have to be prepared for both, the truth about your miscarriage six years ago must never come to light.”

“What truth?! The truth is that Kiki was shameless and killed my child!” Penny shouted excitedly, “Diego, you didn’t listen to that bitch Kiki’s nonsense, did you?!”

“Penny, I’m not listening to Kiki’s nonsense, I saw it with my own eyes.” Diego paused and continued to lie without blushing, “Six years ago, when you pretended to fall down the stairs, I was there and witnessed that farce with my own eyes.”

Hearing Diego’s words, Penny stood up from her seat haughtily, she stared coldly at Diego, “Diego, you want to tell Christ about this and help Kiki against me together, don’t you?!”

“Penny, don’t get emotional.” Diego gently took Penny’s hand, gently soothing, “Penny, six years ago, I knew the truth, if I really wanted to help Kiki deal with you, I wouldn’t have waited until now.”

“Penny, I’m incredibly glad that it was me who was inside the Villa, if it was someone else who witnessed all this, I’m afraid that not only would Kiki not be able to sit in jail, but Christ would also blame you. Penny, you have to believe that I am firmly on your side, because, I adore you!”

Penny sat beside him and asked with the pout, “Diego, are you sure you won’t betray me?”

“I swear!” Diego made a face to swear, “Penny, you are my heart and soul, you are my treasure, I will not betray you.”

Seeing that Penny’s expression had softened, Diego continued, “Penny, six years ago, how could you do that kind of stupid thing? You want to make Kiki unable to turn over a new leaf, there are a thousand ways, of course, I can also help you, why do you have to use the most stupid way like hurting yourself?”

“Penny, do you know how heartbroken I was when I saw you collapsed in a pool of blood, motionless! I wished that I could not rush to you immediately to protect you, but I was afraid that I would ruin your plans, so I could only look at you from afar with heartache.”

“Diego, I framed Kiki, it’s really because I had no other way out.” Looking at the handsome man in front of her with affection, Penny tonight suddenly had an urge to confide in him.

Chapter 397

The fact that people are always more or less vain, Penny does not love Diego, but Diego’s chasing after her confessions during this period of time still gave her a great sense of vanity.

After all, a man of his stature must be the top, and the fact that he can fall in love with her Penny proves that she, Penny, is still charming.

Besides, with Diego helping her, what she wants to do will definitely be done with half the effort.

Diego is Christ’s best friend, and since he dares to chase her behind his back, it proves that he has tacitly approved of her dating two men.

Penny snuggled into Diego’s chest as she looked at him pitifully, “Diego, the child I had in my stomach at that time was not Christ’s.”

“Christ’s never touched me, even when he was drunk and I climbed into his bed.”

“I went to a bar that night because I was sad. When I woke up, I found out that I had been bullied by a strange man. Can you imagine what a bolt from the blue that was for me? What was even more devastating was that I found out I was pregnant.”

“I really love Christ and I’m afraid I’ll lose him, I can only pretend that what’s in my belly is his child.”

“I told Christ that I was pregnant, but I was afraid to have that child because I was worried that Christ would find out that it wasn’t his child. So, I had to take a risk and kill the child in my belly with my own hands and frame Kiki in the process.”

Penny looked at Diego with teary eyes, “Diego, was I despicable? But I really felt bad at that time, Kiki was shameless, she stole my Christ away, I was really obsessed, I just wanted to get my Christ back.”

Diego forced down the disgust in his heart and gently patted Penny’s back, “Penny, it’s all in the past, I will protect you in the future, Kiki can’t bully you!”

“I know

Penny’s voice was suddenly so soft, “Diego, I’ve always known that you’ve been good to me.”

Saying that, Penny tilted her face and her lips went towards Diego’s lips.

Seeing Penny’s lips getting closer and closer to his, Diego’s stomach lurched, and his body went straight to rigid.

He was having a deal with Jaden and started to play a ploy on Penny upon his return, to trick Penny into telling the truth about what happened back then so that the recording could be made and Kiki could be cleared of any wrongdoing.

But a ploy doesn’t mean he has to give himself to Penny, OK!

What Penny had just said to her, pretending to be pitiful, was actually half-true. Six years ago she would get pregnant, not at all because she had been bullied when she was drunk, but because she had someone outside behind Christ’s back.

Six years ago, when he returned to visit his family, he didn’t expect to see Penny entering a hotel room with a strange man.

Feeling Penny’s lips already pressed against his, Diego was completely petrified.

He was still a virgin, who would want to give his first time to Penny to spoil!

What’s more, he’s not really interested in women at all.

“Penny

Diego gently pressed Penny’s hand, he said, “Penny, you are seducing me!”

“Diego, I know you want to, and I I do.”

The feeling of intestinal discomfort became more and more pronounced as he watched Penny’s lustful and reluctant appearance.

He forced down his revulsion and smiled tenderly as he turned to her, “Penny, you do overwhelm me, but I cherish you.”

He brought his lips to Penny's ear, he almost exerted his flood of strength to continue to fake a look of affection, "Penny, I am afraid that if someone sees us, it will be detrimental to you."

Diego kept some distance from Penny in a rather gentlemanly manner, "Penny, you must remember that you owe me a good night, and when Kiki can't turn over completely, I will come to you to ask for it. Penny, tonight, I'll take you home first, don't be taken advantage of by someone with an agenda."

Penny actually kind of wanted a man, she really didn't want to miss Diego tonight, but she felt his words were particularly valid, and she finally put on the appearance of a pure girl that was sacred.

Her and Christ's wedding was just around the corner, and in these few days, she would never allow any accidents to happen!

"Don't worry, Diego, I owe you, I'm keeping it all in my heart! When this time has passed, I will definitely make it up to you twice over!"

Diego laughed but didn't say anything. Who needs her compensation? He just wants to never be disgusted again!

After Diego dropped Penny off at her flat, he dialed Jaden's video call directly from the car.

Before Jaden could make a sound, Jayla excitedly shouted, "Diego, how did your plan go? Did you charm Penny into a frenzy?!"

"Call me Godfather"

"Godfather, you mean, your scheme has succeeded?!" Jayla exclaimed, "Godfather, you are so awesome!"

Looking at the small, round-faced Jayla in the video, Diego was melted in his heart.

Yes, the content of his deal with Jaden is that if his ploy runs successfully and he gets hold of the evidence that Penny framed Kiki, from then on, he will be the godfather of the two little ones.

Originally, Diego still felt it was disgusting to go near a woman like Penny, but looking at the cute and well-behaved two little ones in the video, he felt that it was worth it to have two more babies at once, even if he had to sacrifice.

"Godfather, you are indeed very awesome." Jaden said, coaxing Diego to pleased.

Diego said happily, "I think I'm awesome too! So do you guys think I'm awesome, or Fitz is awesome?"

Jaden's lips twitched, "One should be self-aware, and I don't like to tell lies."

Diego was hurt, this little brat meant he wasn't as handsome as Fitz?

Jayla laughed, "Godfather, I can tell lies! Don't listen to my brother's nonsense, of course you're the more awesome one!"

Diego was even more hurt, he slammed on the accelerator, the sports car rushed out with the wind.

Seth is missing!

Chapter 398

When Freya went to Seth's ward in the morning, he found the covers folded neatly on his hospital bed and he was nowhere to be found.

Several thoughts flashed through Freya's mind in a flash, each of which worried her greatly.

She was just about to go outside and ask the nurse on duty, and Eleanor walked in with an exquisite gift box.

"Freya, this is what Seth asked me to pass on to you."

"Eleanor, where's Seth?" Freya asked as she took that gift box and looked at Eleanor in confusion and worry.

"He's out of the country."

Eleanor smiled lightly with an obvious apology, "I'm sorry, Seth is playing dumb these days, I actually saw it a long time ago, but I, chose to play dumb with him."

Seeing that there was not much surprise on Freya's face, Eleanor's heart was clear, "Freya, you can also see that Seth is pretending to be stupid, can't you? This kid, what a poor actor."

"I just saw it last night." Freya said truthfully, "Eleanor, the injuries on Seth's body have not yet healed, so how could he suddenly leave the country?"

"He can get well just as well abroad, you don't have to worry about him."

Eleanor stepped forward, she clutched Freya's hand, "Freya, I'm really sorry for the past few days, I shouldn't have lied to you with Seth, but, I also have a selfish heart, I can't bear to make it so hard for my child."

"Eleanor, it's okay, I can understand you, and I don't know what would have become of me now if Seth hadn't saved me!"

"Freya, you really are a good girl." Eleanor said from the bottom of her heart, thinking of Seth who talked to her openly last night, there was heartache in her heart, but more than that, she was still relieved.

Her Seth, at last, moved on.

"Freya, Seth has asked me to tell you something."

"What's it?"

"He said that he wished you and Kieran a long life together." Eleanor glanced at the box placed on the table by Freya, "He might not be back when you and Kieran get married, this is his congratulatory gift to you."

Freya looked at Eleanor incredulously, she had ever thought that Seth would be able to move on!

In her heart, she always felt that she owed Seth, she treated him as her best friend and couldn't bear to hurt him. She was always worried that he would have a hard time if she was with Kieran, but fortunately, he was able to move on.

"Thank you!" Freya said softly to Eleanor, only a parent as enlightened as Eleanor could have taught a child as good as Seth, no resentment, no self-loathing, only wholeheartedly good to others.

After Eleanor left, Kieran walked in through the door, he glanced at the gift box on the table, "Seth sent this?"

"Yes!" Freya smiled gently, "It's a wedding gift from Seth."

"Don't you want to open it and take a look?" As he spoke, Kieran had already stepped forward and opened the gift box.

When looking at the gift box, Freya was shocked, it was too exaggerated, what was inside the gift box, was actually an oversized diamond.

That's a few dozen carats!

"Boss, I can't come to your and Uncle's wedding, this diamond is the wedding gift to you. Boss, girls like jewellery, they like rings, you can just use this diamond to customize a ring."

Seeing the piece of letterhead left inside the gift box, Kieran could not help but give a cold snort.

What a nice thought!

And he wanted Freya to use the diamond he gave her as a custom ring? The diamond on her wife's ring can only be from him!

But as long as he's around, no one will be able to snatch Freya away!

With this in mind, Kieran could not help but clutch Freya's hand.

At that time, Kieran had always thought that he could always clutch Freya's hand tightly, how could he have never thought that one day, he would let go of Freya's hand without hesitation?

However, those are all afterthoughts.

Diego recorded the video when he tricked Penny into telling the truth six years ago, Jaden is not putting the recording online now, he plans to wait until the day Penny and Christ get married before making the video available to the public.

Although Jaden is still a small child, his methods of revenge against people are sometimes more ruthless than those of adults.

He felt that the best way to get back at someone was not to stab her directly and take her life, but to wait until she was standing on a cloud and send her into the infernal depths of hell, never to be able to turn back.

Penny and Christ's wedding must have been the happiest moment in Penny's life, and while she was smiling, he released this recording, turning her from a star-studded bride to a pile of poo that everyone shouts at!

He thought that as long as Penny was not dead, her wedding would be a nightmare she could not get rid of for the rest of her life!

Although there are still many voices abusing Kiki on the internet, during this period of time, thanks to the efforts of Freya and the two little ones, there are also many voices defending Kiki on the internet.

In response to that upside-down post, Freya also made a post online. Freya's post restored the truth about the entanglement between Kiki and Penny and Christ.

By posting this, Freya couldn't have convinced everyone of what she was saying, but with so many people online, there were always people who believed her.

Plus, in that full video from the bar, it wasn't Kiki who shamelessly danced to seduce men, but rather Dylan who bullied Kiki, who was forced to compromise.

Dylan's reputation was already bad in Arkpool City, so it made sense that he would bully Kiki, who had no one to rely on.

After Freya's post and that full video came to light, many people commented online that singing in a bar was completely different was not a prostitute.

There's no shame in singing in a bar, earning money with your own labour!

Kiki was bullied by Dylan and she danced that kind of dance in public, which is not embarrassing. Instead, her friendship with Freya is really enviable.

A portion of the netizens with a proper outlook even agreed that there is nothing wrong with Kiki having been in jail.

Is it true that if you've been in prison, you have to stay out of sight for the rest of your life?

How many celebrities have been in jail and still shine when they get out!

What's more, from Freya's post, Penny is the mistress. Even if Kiki accidentally killed Penny's child, her five years in jail paid off, why hold on to Kiki?

Of course, those who spoke up for Kiki were, after all, only a small group of voices on the internet, with most people still standing in Penny's shoes and trolling Kiki.

Penny didn't care all the voices on the internet today, she was wearing her wedding dress, full of joy, becoming the most beautiful bride of Christ.

Chapter 399

18th January.

The wedding of Christ and Penny was held in the hall on the ground floor of a hotel.

The marriage between the two families was celebrated by almost all the celebrities in Arkpool City.

As the rightful Mrs. Fitzgerald, Freya, of course, had to accompany Kieran.

It's just that Freya attended the wedding of Christ and Penny, not to wish them a happy marriage, she just wanted to see how the scum would make a fool of themselves today.

Kiki naturally knew about Christ and Penny's marriage, but she tried hard to ignore the news.

After all, she has worked hard to start a brand new life, and these people who have diabolised her, she really doesn't want to bring up again.

Penny paid for netizens to scold her wildly online, which affected her acting career quite badly. Many businessmen focus on the actor's reputation, persona and whatnot, and these negative news cost her a lot of work.

However, Kiki doesn't care.

She has never wanted to be a big star or anything, she has been through too much in her life, and her sense of loss and gain has long since diminished.

Kiki knew that January 18 was the date of Christ and Penny's wedding, but she did not know that they were getting married at the Hotel.

If she had known they were getting married at the Hotel, last night, she would not have stayed at the Hotel after recording the song.

Kiki didn't have much work to do today, so she stayed in bed for a while in the morning before leaving.

She felt that the atmosphere at the Hotel was overly festive today, but she didn't think much of it. Pressing on the lift, she went straight to the ground floor.

Unexpectedly, as soon as she opened the lift door, she saw Christ, who was dressed in a groom's suit.

It was then that Kiki realised that Christ and Penny were getting married over here.

Looking at Christ, who was well-dressed with a flower on his chest, Kiki could not tell what she felt in her heart.

They, too, had a grand wedding, but that wedding was an empty joy for her alone, and from the beginning to the end, Christ did not even smile.

This time, he was finally able to marry his beloved Penny, he must have rejoiced from the bottom of his heart, right?

But what does that have to do with her?

Kiki laughed coldly, yes, this has nothing to do with her!

She only wished that the scum would never bother her again in her life.

Kiki did not look at Christ again as she lifted her feet and walked quickly towards the front.

But Christ was not willing to let her go just like that, as he grabbed her wrist, "Kiki, stop right there!"

"Christ, let go!"

Kiki really didn't want to waste a single spittle with Christ, and her wrist was still clutched by Christ with great force.

Kiki didn't want to get entangled with Christ again in front of these people, who came to attending the wedding.

"Christ, are you sick? You hurry up and let go of me!"

Kiki saw that Christ still didn't have the slightest intention to let go of her, she couldn't help but hook her lips and sneer, "What, you want everyone to see that you're getting married to Penny and you're still tangled up with your ex-wife?!"

"Shut up!"

Christ bellowed, this woman always had the ability to make him so angry, "Kiki, the wedding hasn't started yet, I'll give you one last chance, if you beg me to come back to you, today's wedding will be cancelled!"

Kiki said that this was the funniest joke she had heard in years.

He made her beg him to come back to her?

Who gave him the courage to think she would beg him?

She's not right in the head to beg a scumbag to continue to annoy her!

"Christ, you're overthinking it, I really don't have a special hobby of enjoying being disgusted."

Kiki took a deep breath and continued to hook the corners of her lips into a fake smile at Christ, "Christ, I wish you scum and bitch have a long time marriage!"

Christ roared, "Say it again?!"

"I say, I wish you scum and bitch have a long time marriage." Kiki put on a captivating smile, "Christ, I'm wishing you and Penny a long time marriage!"

"Kiki, you know that you are the one I want to have a long time marriage!" With a sudden force in his hand, Christ directly dragged Kiki inside the lift.

A few guests who had arrived earlier walked past the lift. When they saw Christ and Kiki together, their eyes flashed with obvious confusion.

But Christ was someone they could not afford to mess with and could only desperately try to please, and there were certain things they did not dare to say.

An enclosed lift always makes people feel extra insecure, especially when there is a neurotic.

Kiki wanted to press the lift to get out so that she could keep a relatively safe distance from Christ, but Christ had a firm grip on her hand and wouldn't give her the chance to get out.

"Christ, don't you touch me!" Kiki frowned in disgust, "I don't care who you want to be with, the person I want to be with won't be you!"

"It's not me, isn't Quinn?!" Christ fiercely pressed Kiki against the inner wall of the lift, "Kiki, what is so good about Quinn that makes you so devoted to him?!"

"Why should I tell you?" Kiki sneered and continued, "I just know how good he is, there's really no need to tell you!"

"Kiki, does Quinn make you feel good?" Christ shouted furiously.

She had lost count of the number of times she had said that Quinn had made her feel good, and he had repeatedly asked the question over and over again.

"Say it! Kiki, don't play dumb!"

Kiki put on a charming smile, since he liked to hear that, she would say it again.

"Yes, Quinn makes me feel good." Kiki spoke without any delay, "I don't want to let go of him for the rest of my life!"

When he heard this affirmative answer from Kiki, he was so jealous that he was really going crazy.

"So that's how you served him? You can't wait to serve him in the bathroom when there are other people around? Kiki, why are you such a fucking bitch!"

Christ's eyes were bloodshot, he really wanted to choke Kiki to death, making his wedding turn into Kiki's funeral.

Kiki really felt that Christ was being unreasonable because she really didn't know when she had ever served Quinn in the bathroom.

Seeing that she did not say anything, Christ thought she would say yes. When the lift reached the top floor, he grabbed her by the shoulders and rushed out regardless, "You like to serve men in the bathroom, don't you? Fine, I'll let you have your way today!"

Chapter 400

3-4 minutes

As he spoke, Christ had already forcibly dragged Kiki to the presidential suite he had booked on the top floor.

Hearing the sound of the room door slamming hard, Kiki's heart panicked to the extreme.

"Christ, get lost, don't touch me!"

Kiki punched Christ desperately, his scarlet eyes were like a wolf, making her panic from the bottom of her heart.

"Christ, let me out! This is your wedding to Penny!"

Kiki tried to say something to sober up Christ, "Christ, your wedding is about to start, please get out!"

Christ did not have the slightest intention of letting Kiki go, he picked her up straight away.

“Kiki, even if today is destined to be a joke, you don’t want me to let you go! Kiki, we will not rest until we die! In this life, as long as we have one breath left, you will not be able to escape!”

Kiki was horrified, but her confrontation with Christ was a complete ant to shake a big tree, she had no chance of winning.

But even if she couldn’t win, she didn’t want to be bullied by him again!

The times she was bullied by him after her release from prison, each time, she was worse than dead.

She thought that if he did get his way this time, she could really die.

Kiki did not say anything, she just looked at Christ and laughed, misanthropic and self-deprecating.

She felt funny from the bottom of her heart, funny about Christ, funny about the world, but the funnier everything around her was, the sadder her heart became.

It was so sad that the strength she had managed to build up to try to live was shattered and disintegrated, and in the end, she could only wish for death.

At the moment he turned around, Christ suddenly wanted to give Kiki a hug.

But before he could take Kiki into his arms, his mobile phone suddenly rang.

“Boss, the wedding has already started, where have you been? Miss Wallace is going crazy with anxiety!”

Dave’s voice sounded anxious, but in fact he was expecting Christ to repent of his wedding or something.

Kiki has been kind to him, and no matter what, he would prefer Kiki to be good.

He is partial to Kiki.

Dave secretly thought, “Boss, run away from the wedding, elope with Kiki, better make Penny cry to death!

Penny is not a good woman, she deserves to be dumped! How nice Miss Hartsell is, losing her is a lifetime loss for the Boss!

Of course, Dave couldn’t say this to Christ, so he could only continue to act anxious, “Boss, the guests and the media have all arrived, you can’t be too late! Boss, please come over quickly! If you don’t come over, I really don’t know how I’m going to explain to everyone!”
