

## Talented 461

### Chapter 461

Home?

Hearing Christ's words, Kiki suddenly laughed.

Where is her home?

The Hartsell family?

The Hartsell family, which had carried all the joy of her childhood, was ruined.

From the moment she was sent to prison by Christ, that villa had long since ceased to be her home.

Kiki broke away from Christ's hand little by little and gave a pale smile, "Christ, I have long been without a home."

Christ's heart suddenly ached, and he grabbed Kiki's hand again without relenting, "Kiki, come home with me! I will give you a home! Kiki, come home with me!"

"Christ, can't you stop making a fool of yourself? You can't give me a home! All you can give me is disgust! Christ, I beg you, don't ever come back to disgust me again, okay?"

Kiki was tired, and stressing over and over again to a person not to disgust her again was really tiring.

The man in particular was unbelievable and she was even more tired.

"Kiki, I can't give you a home, Quinn can give you one, can't he?!"

Kiki kept struggling to get free, and Christ clutched her hand even tighter, "If I make you sick, Quinn won't let you be sick, right?! Kiki, say something to me!"

Christ really didn't want to go back to this sabre-rattling look with Kiki, but the thought of her with Quinn made him so jealous that he almost went crazy.

He would rather Kiki continue to hate him than for her to ignore him and treat him like air.

He even thought, somewhat clumsily, that if he confined Kiki to his side, as long as he didn't let her see Quinn, perhaps, she wouldn't continue to like Quinn.

"Yes, Quinn won't make me feel sick and he can give me a home."

Kiki seemed to have recalled some extremely warm memories, the corners of her lips were curled in a light smile, "Quinn is the only man who has ever warmed me, in this life, I will be with him forever! Christ, you shouldn't continue to appear in front of me and annoy me!"

He was so distraught that Kiki's words echoed over and over again in his mind, how could Kiki, who had never married anyone but him in her life, have fallen in love with Quinn!

He forbade Kiki to be with Quinn, let alone allow her to fall in love with him!

"Kiki, I don't care you've been with Quinn! You must come home with me!"

“Who are you to make me go home with you?”

Looking at the shivering Tommy, who was bruised and swollen, crawling out from the men’s washroom, Kiki pointed at Tommy on the ground and sneered, “Christ, did you see him?”

“In my mind, you’re no different from him! Both criminals who disgust me and try to rape me!”

Christ’s eyes involuntarily fell on Tommy, his pupils involuntarily contracted. He dared not think that he was no different from a disgusting old man like Tommy in Kiki’s mind!

But he loves Kiki so much that even if she finds him disgusting, he still can’t let go!

Seeing that Kiki mentioned him again, Tommy couldn’t help but shiver, he trembled and spoke, “Mr. Birkin, I was wrong! I will never dare to bully Miss Hartsell again, I will definitely go around when I see Miss Hartsell in the future! Mr. Birkin, I was wrong! I beg you to forgive me this time!”

If he had known that Mr. Birkin actually cared about Kiki, he wouldn’t have dared to touch Mr. Birkin’s woman!

Tommy really hated Anna, in fact, if it wasn’t for Anna saying that Kiki was an abandoned woman who was disliked by Mr. Birkin and encouraging him to come over, he could not have offended Mr. Birkin so completely!

“Get out!”

Christ kicked hard at his back. After Tommy spurted out a mouthful of blood, he crawled towards the stairs.

“Kiki, I’m not like him!” Christ stubbornly corrected Kiki’s prejudice against him, “Kiki, I love you, I can treat you well for the rest of my life!”

“Christ, don’t say that you love me. Don’t you think that your so-called love is too cheap?” Kiki smiled, “I don’t care for such cheap love!”

“Kiki, what exactly should I do so that you can give me a chance?” There was a clear begging in Christ’s voice, “Kiki, as long as you’re willing to give me another chance, I’m willing to do whatever you want me to do!”

“Christ, can you please stop pretending to be a lover in front of me in the future? Watching you perform makes me seriously mentally ill.”

Kiki smiled coolly, “Christ, between us, it’s already over, from the moment you sent me to prison, we’ve already ended. So don’t waste any more time on me, you’ll be tired and I’ll be even more tired.”

“Christ, once, I thought that my feelings for you were a lifetime, but now that I’m facing Quinn, I realize that you are not my lifetime, Quinn is the one I want to grow old with.”

“When you’re young and ignorant, who hasn’t done something wrong? Christ, the most fortunate thing that I have done is to see you for what you really are and stop loving you in time!”

Christ’s eyes were so red.

It is the greatest regret that they are separated!

“Kiki, I forbid you to be with Quinn! Quinn is not suitable for you, I am the most suitable man for you!”

“Heh!”

Kiki hooked her lips, she was obviously smiling so wantonly, but there was no half warmth in her eyes, “Christ, you are the most suitable man for me?”

“How self-abusive should I be to think that you are the most suitable man for me?!”

“Christ, you’re really thinking too much, I have no masochistic tendencies! I wouldn’t think that a man who has ruined half of my life is best for me!”

“As for Quinn ..... you think Quinn is not suitable for me, but as long as I like him myself.”

Thinking about what Dave had told him about Kiki’s suffering in prison, Christ was speechless for a moment, he had indeed ruined half of her life, but because of that, he wanted to make up for it twice as much!

Why couldn’t she, for once, give him a chance to make amends!

“Kiki, there’s no way Quinn will marry you! You insist on staying by Quinn’s side because you want to be Quinn’s mistress?!”

## **Chapter 462**

Seeing the obvious shock and pain in Kiki’s eyes, Christ’s heart choked, but he continued, “Kiki, the fact that you and I were married is known to the world, do you think that a family like the Turner family would let Quinn marry a divorced woman who had an abortion?!”

“Kiki, come back to me! Quinn can’t marry you in name only, but I can tell the world that you are my beloved wife!”

Kiki bit her lip in a death grip, she did not speak immediately.

As much as she hated Christ, she had to admit that what he had just said was right, there was no way a family like the Turner family would let Quinn marry her.

She had, in fact, known this for a long time.

She is so proud that she naturally cannot be an unseen mistress to a man.

Kiki felt that she was a bit shameless, she understood all this a long time ago, but still agreed to be Quinn’s girlfriend, saying that she wanted to spend her life repaying Quinn, but in fact, wasn’t she more asking for the warmth that Quinn brought her, but didn’t want to give him her heart in its entirety?

On some levels, she was simply more hateful to Quinn than Christ was to her.

“I don’t care.”

Naturally, Kiki would not let Christ get his way and she spoke out against her heart, “Christ, I don’t care! I love Quinn, even if I don’t have a name, I still want to stay by his side for the rest of my life!”

“Love?” Christ sneered, “Kiki, do you know what kind of person Quinn is, and you dare to say you love?!”

“Christ, there’s no need for you to remind me of what kind of person Quinn is, no matter what others think of him, as long as I think he’s good, that’s enough!”

“Kiki, Quinn has had many women and you don’t care?”

“I don’t care!” Kiki gritted her teeth and said one word at a time.

Christ was really so angry with this woman. He actually wanted to say, “Kiki, look at me, look how good I am, even though I have made mistakes, my body is clean and I have only had you from the beginning to the end.

But he was too proud to say such a humiliating thing, he could only grit his teeth, “Kiki, do you love Quinn so much that you are even willing to be a mistress?”

“Yes, I love Quinn so much that I don’t even want my dignity, so Christ, you can get lost now!”

Christ was so angry with Kiki, but he had to take Kiki with him.

He would not let Kiki return to Quinn’s side again.

If he continues to let Quinn possess Kiki, he will die!

Fiercely carrying Kiki on his shoulders, Christ walked towards the VIP lane without a care.

“Christ, you madman, put me down!”

Kiki struggled hard, but Christ was so strong that no matter if she hit him, grabbed him or kicked him, he still carried her tightly.

“Kiki, yes, I’m crazy! I won’t let go of you again!”

Christ stubbornly put Kiki in the car, and to prevent her from jumping out of the car, he even put a safety lock on it from the outside.

As he stepped on the accelerator, Christ couldn’t help but turn around and glance into the back seat, Kiki stared at him coldly, and he couldn’t describe it what kind of look it was.

Disgust? Hate?

In short, the look in Kiki’s eyes made Christ feel uncomfortable from the bottom of his heart, and the thing inside his chest was throbbing with pain. He knew in his heart that Kiki must hate him very much, and in her mind, he must be even more disgusting than that greasy, lewd old man Tommy, but what should he do?

Some time ago, he did want to go along with Kiki, trying to please her and make her change her mind about him.

But Kiki is with Quinn night after night, and she doesn’t even look at him, so all his efforts are in vain.

He could not, anymore, continue to obey Kiki.

And even if he were to fall into the infernal depths of hell, he could not give Kiki to Quinn.

So he can only use the dumbest method to trap Kiki by his side, clumsily behaving and pleasing, so that she can see his transformation, his goodness.

When Kiki sneered at him, Christ's heart hurt, but when Kiki was so suddenly quiet and did not say a word, Christ also panicked from the bottom of his heart.

He was always quiet, but in front of Kiki, he became like a chatterbox.

He spoke with an apprehensive heart, "Kiki, it's my fault, I shouldn't have forced you time and again, let alone listened to Penny's side of the story and sent you to prison."

"Although you were in prison and I wasn't the one who had someone commit violence against you, I was still the culprit who hurt you. Kiki, I know I did wrong and I repent, can you give me a chance to change my ways?"

"Christ, would you say you are ridiculous or not?" Kiki laughed with sarcasm, "Since you know you've done wrong, you shouldn't make the same mistake again and again and force me!"

"Christ, stop the car! I want to go back!"

Originally, Christ had forced himself to calm down and talk to Kiki properly, but now when he heard that Kiki was going back to look for Quinn, he could no longer keep his calm and unruffled appearance.

"Kiki, I won't let you go back to Quinn!"

Kiki tugged hard on the door handle, but Christ had put a security lock on it, so she couldn't open it.

Kiki gnashed her teeth in hatred, "Christ, you're simply sick! Let me out of the car! I want to get out of the car!"

"Yes, Kiki, I'm sick!" There was a heavy sigh in Christ's voice, and his tone of voice, too, suddenly softened, with an intoxicating magic, "Kiki, I love you that I become sick."

Kiki was slightly stunned, if it was the Kiki before she was in jail and Christ spoke to her in such a deep voice, she would have been so moved that she would not hesitate to forgive whatever mistakes he had made.

But now Kiki's heart is already cold, hard and numb, and Christ's sugar-coated bullets cannot warm her up.

Kiki closed her eyes, she was too lazy to continue talking to Christ, so she quietly sent a text message to Quinn. She felt really quite selfish, she obviously did not love Quinn, but once she thought that Quinn would come to her rescue, she could feel at ease.

After self-loathing, Kiki was forcibly carried into the villa by Christ. The moment Christ opened the living room door, Kiki was shocked by the situation inside.

There were actually dozens of dressed up women standing inside the living room!

## **Chapter 463**

"Christ, you're sick!"

As soon as Kiki's body was freed, she turned around and rushed outside the living room.

Christ was faster than she was, and he grabbed her hand with force, "Kiki, stop right there!"

Kiki didn't want to stand still, but Christ was too shameless, and she couldn't leave even with his deadly grip on her wrist.

"Kiki, you don't dare to face reality, do you?" Christ's voice was cold, but there was a touch of imperceptible pleading in his eyes.

He forced Kiki to sit on the sofa and looked at one of the women inside the living room.

Kiki really didn't have a special hobby of enjoying women fighting over each other at night. She really felt that Christ's heart was twisted to the point of insanity, but she knew in her heart that at this time, her struggle would be a waste of effort, and perhaps, she would even inspire Christ to do something irrational.

A few days ago, Kiki confirmed one thing, her parents's car accident was indeed not a coincidence, that car accident was the handiwork of the Wallace family!

Since the truth of her parents' tragic death was established, Kiki didn't want to learn about her life casually anymore. If she didn't sacrifice the blood of Penny and everyone in the Wallace family to the spirits of her parents, she couldn't die in peace!

So, even though she was now disgusted by Christ, Kiki did not joke with her life again, she just looked at Christ with a cold smile, "What, are you asking me to admire your women?"

"Kiki!"

Christ was so angry that he shouted, in Kiki's eyes, he was the kind of man who refused no women?

He's picky, okay?

In all his years of living, there was only Kiki who could catch his eye!

"What, am I annoyed that I've said what's on your mind?" Kiki was still smiling, obviously, it was only a fake smile, but on that face, it was charming.

"Kiki, in your mind, is this the kind of man I am?!" Christ clutched Kiki's hand in a deadly grip, "Kiki, I'm not like Quinn!"

"Yes, Christ, you're not like Quinn."

Kiki took a breath, then said with a smile, "Quinn is different from you! Quinn knows how to respect others, unlike you, who only forces others! Christ, you and Quinn are not the same! You are no match for Quinn! You'll never be able to match Quinn!"

"Kiki!"

Christ was outright infuriated by Kiki, and after he kissed her, he wanted to break her neck again, but he couldn't let go.

The large swathes of blood inside the bathroom of the hotel's presidential suite still ruthlessly irritated Christ's eyes, and he was afraid that if he went too far, he would again make Kiki kill herself.

He wanted to confine Kiki to his side so that everyone in the world would know that Kiki was his woman, but he was afraid that if he pushed too hard, it would backfire and cause Kiki to have a depressive episode and there would be no more Kiki in this world.

After Christ released her, Kiki still lay quietly on the sofa, but even if she was lying numbly like a walking corpse, the disgust in her heart could be expressed.

Kiki suddenly sat up from the sofa and as she slumped over, she couldn't control her dry heaving.

Her appetite has been very poor lately and she had hardly eaten anything all day today; she threw up for a long time and nothing came out.

Looking at Kiki vomiting like that, Christ's handsome face turned pale, and he stared at Kiki with anger and heartache in his eyes, but more than that, he was helpless.

"Kiki, am I disgusting you?!" Christ roared in a dumb voice, "Kiki, who are you to treat me like this!"

"Christ, one should be self-aware." Kiki just finished saying this and couldn't control her dry heaving again, "Since you know that you are disgusting, then please be kind and stay away from me."

"Kiki!"

Christ slammed his fist on the sofa, this woman always had the ability to drive him crazy, he wished to tear her face apart, but he couldn't do it.

He could only drive himself mad.

"Kiki, you think I make you sick don't you! I'm telling you, Quinn is even more disgusting than me!"

He felt that he was really mean to expose Quinn in front of Kiki, but he loved Kiki too much, and he was afraid that Kiki only had Quinn in her heart, so he racked his brains to try to break up Kiki and Quinn.

Christ got up, he glanced at Kiki, then pointed at the dozens of flamboyant women standing inside the room, "Kiki, do you know who they are?!"

Kiki looked away, she was not curious. She really didn't care about such a boring matter.

Seeing that Kiki did not take his words to heart at all, Christ's heart burned with anger, but he continued to point at those women and said, "All of them are Quinn's women!"

As soon as Christ's words fell, the woman standing at the front wearing a red dress walked up to Kiki, she smiled, "Miss Hartsell, let me introduce myself, my name is Cindy, Quinn said that he likes me the most and wants me to stay with him for the rest of my life!"

"Who said that Quinn likes you the most?" The woman standing beside Cindy was not happy to hear this, she looked at Kiki and laughed delicately, "The person Quinn likes the most is me! He said he wouldn't let go of me in his next life!"

"Quinn likes me best! I'm the one in Quinn's heart!!!"

“Don’t be ridiculous. Quinn only has me in his heart! He said that if will never leave me!”

“Quinn clearly likes me the most! He said he wanted to live with me and die with me!”

.....

Hearing that it was the voices of these women inside the room, Kiki didn’t hate Quinn, but she felt that Christ’s behavior was really ridiculous, and she literally laughed out loud.

Christ had almost gotten Quinn’s lovers, but he was puzzled that Kiki laughed out

Could it be that Kiki was so angry at Quinn’s absurd behaviour that she had reacted abnormally?

He was just about to say something but Kiki’s voice full of sneers rang in his ears, “Christ, that’s enough! Even if Quinn has fallen in love with every woman in the world, he is still the man I love the most!”

“Kiki, I forbid you to love Quinn!” Christ’s voice abruptly softened, “Kiki, the person you love should be me! Kiki, please, love me once more, okay?”

#### **Chapter 464**

“Okay.”

Kiki answered. Hearing that, Christ was happy and held Kiki into his arms. He was just about to say something but he noticed that there was no warmth in Kiki’s eyes, only coldness.

When he met Kiki’s eyes, Christ’s suddenly hot heart instantly cooled completely, his fingertips uncontrollably trembled, and indeed, the next second, he heard Kiki’s voice that was as cold as ice.

“Christ, if you bring my two children to life, if you bring my parents back from the dead, I’ll love you again!”

Christ’s body stumbled violently and almost fell to the ground.

“If you can’t do that, in the future, don’t talk about love in front of me, I don’t have a special hobby of enjoying being disgusted!”

“Kiki, Mom and Dad’s death was an accident, you can’t .....”

“It wasn’t an accident!” Kiki rarely became agitated, her eyes red as she hissed, “Christ, my parents were killed by Penny! Do you know how badly they died? They were run over by a heavy truck! Christ, if you really want me to forgive you, kill Penny!”

“Kiki, what did that car accident have to do with Penny?”

Without waiting for Christ to finish his words, Kiki sneered and intended his words, “Christ, shut up! Since you are not willing to kill Penny, don’t ask me to forgive you in the future! I’m afraid it will dirty my ears!”

Kiki really felt that Christ was ridiculous, he didn’t want to hurt Penny while trying to get her to throw herself back into his arms, how could there be such a beautiful thing under the sky!

Besides, there are some loves that can’t be taken back, and if you miss them, you can never go back!

In this life, she and Christ had missed out after all!

“Kiki, don’t get so emotional! Mum and Dad’s death was really just an accident, I’ll try to make it up to you later, Kiki, give me a chance to make it up to you, okay?”

He was afraid that Kiki would leave him, and he clutched her hand with a firm grip, and his eyes were full of unconcealed pleading.

He really couldn’t kill Penny, who had saved his life, and even if Penny’s crime was unforgivable, he couldn’t personally kiss his saviour.

“Mr. Birkin, do we still want to continue communicating with Miss Hartsell?”

“Get lost!” No sooner had Cindy’s words left her mouth than Christ bellowed out, and Cindy’s body shook uncontrollably as she hurriedly greeted all the women behind her and headed outside the living room with her.

Seeing Kiki’s entire body shaking with hatred, Christ knew that he had messed things up again tonight, making Kiki hate him even more.

For a moment, he didn’t know what to say to Kiki. Thinking that Kiki had just vomited without throwing up anything, he rushed to the kitchen and brought out a bowl of porridge that the cook had cooked in advance.

He scooped up a spoonful of porridge and carefully placed it on Kiki’s lips, “Kiki, don’t be angry, eat something, okay?”

Kiki turned her face and looked at Christ, who was half crouched in front of her with a pleasing face.

He was gentle, if it was the Kiki before she was in jail, she would only be moved, but unfortunately, the Kiki now was not so sentimental.

Seeing that Kiki did not open her mouth, Christ continued curtly, “Kiki, I know, just now I made you angry again, I am too stupid. I don’t know how to make you happy, I don’t know how to love a woman. Kiki, even if you are angry with me, don’t be upset with your stomach, okay?”

“Christ, I’m having trouble with my stomach by drinking the porridge you feed me!”

Kiki’s words instantly made Christ’s handsome face darken.

When had he ever been so careful to please a woman?

If any other woman dared to be so choosy with him, he would have thrown her to Africa to feed the tigers, but the woman in front of him was Kiki, the Kiki he loved.

“Okay, Kiki, if you don’t want to eat the porridge, don’t eat the porridge.” Christ placed the porridge on the coffee table to the side as he continued to speak softly to Kiki, “Kiki, I’ve learned to cook noodles, I’ll go cook for you now.”

As if he was afraid that Kiki would refuse, Christ rushed towards the kitchen as if he was running away.

Kiki felt that she was really useless, she obviously hated Christ so much, but when she heard that he was going to cook a bowl of noodles for her with his own hands in the kitchen, her eyes were even wet.

It was, before she went to prison, warmth she had never dared to think of.

Kiki wiped the corners of her eyes, she laughed at herself. Kiki, don't be a bitch, when he is in a good mood, he gives you some sweetness and you are grateful?

Who knows if he will one day, in a fit of rage, knock you into the abyss again!

Haven't you had enough of the lessons you once learned?

Kiki thought she might have a bit of a talent for prophecy, because, later on, Christ really did knock her into the abyss of doom once again.

Kiki was the only one left inside the living room, so of course she wouldn't stay here any longer. She straightened the clothes she was wearing, got up, and headed outside the living room.

She can't get out.

Outside the living room stood a whole row of bodyguards, she could not escape.

Kiki smiled, proud as ever, and charming as ever... Christ has really gone to a lot of trouble for her!

Make her even more disgusting!

This time Christ cooked without making a mess of the kitchen, and soon a steaming bowl of beef noodles was out of the oven.

He knew that Kiki loved beef noodles the most, so he had learnt how to make them from the chef, just to win Kiki's smile.

He still remembered that she loved beef noodles, and when she was in a bad mood, she loved to eat strawberry-flavoured lollipops.

"Kiki, I've made beef noodles, have a try."

Christ originally wanted to feed Kiki noodles, but when he was cutting the beef just now, he accidentally cut his hand, and he was afraid that Kiki would think he was too stupid, and he didn't dare to let Kiki see the bone-deep wound on his finger.

Only, even with Christ's efforts to hide it, his wound hadn't completely stopped bleeding, and the moment he placed the bowl on the coffee table, a drop of bright red blood dripped onto the floor in front of him.

## **Chapter 465**

Looking at the blinding bright blood, Kiki couldn't help but be stunned.

Seeing that Kiki had discovered the injury to his finger, Christ did not hide it any longer. Since Kiki had already seen it, he might as well let her see it thoroughly.

With this in mind, Christ boldly displayed his injured finger in front of Kiki.

“Kiki, I’m hurt.”

Kiki was indifferent.

Being so disregarded by Kiki, Christ’s heart was hurt as he shook his hand in front of Kiki.

“Kiki, I’m bleeding a lot and it hurts.”

After saying this, Christ was about to throw up in disgust at himself, when did he become so pretentious!

A big man would one day act like some little pity in front of a woman!

Kiki is right, he’s a bit disgusting!

Although he thought so, Christ still didn’t give up to continue performing the bitter trick, he shook his hand and blood oozed out from the wound again, he pretended to wrinkle his eyebrows in pain, “Kiki, can you care about me? I’m hurt, it really hurts.”

Kiki sneered, “Bitter ploy? Christ, this acting skill of yours is really bad!”

After a pause, Kiki said with a cold smile, “Christ, if you had cut off a finger and you said it hurt, I might have given you a second look, but now that you’ve broken some skin and you’re crying out in pain, what do you think I should say about you? You’re pretentious? Well, that’s a real pretension!”

Christ was stunned, standing still. He looked at Kiki’s broken little finger on her left hand as if he had been bewitched. Yes, he just bleeds a bit, but Kiki had her litter finger broken.

The bitter trick could not be continued, but Christ still tried hard to gain some goodwill in front of Kiki.

He carefully picked up noodles and brought it to Kiki’s mouth almost reverently, “Kiki, I won’t play the bitter meat trick anymore, do you want to taste my beef noodles?”

As if he was afraid that Kiki would be reluctant to eat it, Christ hastily added, “Kiki, one bite, just one bite is fine. You used to like beef noodles the most, try a bite, okay?”

In fact, Christ wanted to say, “Kiki, if you like my beef noodles, I will make them for you every day in the future.

I won’t just make you beef noodles, I’ll make you any other meal.

However, he was afraid that if he said so, he would be disliked Kiki even more, so he could not say these words.

“Christ, I have long since stopped eating beef.” After a long, long time, Kiki spoke with an expressionless face.

“I haven’t eaten beef since I lived in a cattle pen for a month.”

She also lived, for a month, in a dog crate.

The expression on Christ’s face froze for a moment, Kiki’s words were an understatement, but he couldn’t help but remember what Dave had reported to him about Kiki’s experiences in prison, that she

had lived in a cattle pen, had been locked up in a dog cage, and had even been forced to eat a lot of unclean things.

He tried not to think about that dark period, and he hoped that Kiki could forget it too, but it was a humiliation and pain that was engraved in her bones that Kiki could not forget it!

Christ was afraid that the bowl of beef noodles would disgust Kiki, he hastily carried the bowl aside. He thought of something and his face lit up again, hastily took out a strawberry flavoured lollipop from inside his pocket and handed it to Kiki in a curt manner.

“Kiki, strawberry flavoured lollipop.”

Kiki’s eyes slowly moved from the lollipop to Christ’s face, she smiled and looked at Christ with self-deprecation, but more than that, it was still pale.

In the beginning, she would have fallen for Christ without the credit of that one lollipop.

Once, Kiki did like to eat lollipops, but now, what Kiki fears most is eating sweets.

This half of her life was so bitter that every time she tasted sweetness, it was like a bitter irony.

Christ fumbled to unpack the lollipop package for Kiki, “Kiki, try it, will you try a bite?”

Kiki slapped this lollipop directly to the ground, she sneered and looked at the lollipop that landed on the ground, “Christ, whatever you have taken, I think it is dirty!”

As he was just about to say something else, the sound of a fight rang out outside the living room.

Kiki knew that it was Quinn who had come over, and as she got up, she rushed towards the living room door with quick steps.

“Kiki!”

Christ grabbed Kiki’s wrist with force, his eyes with a painful plea, “Kiki, I forbid you to leave with Quinn!”

No sooner had Christ’s words left his lips than Quinn had rushed in, his shirt dishevelled, obviously, having just been through a vicious battle.

When his eyes fell on Kiki, the hostility in his dark blue eyes faded away, leaving only an inseparable tenderness.

“Kiki!”

Quinn stepped forward and tightly embraced Kiki into his arms, there was a clear joy in his voice, “Kiki, I’m so happy that the first person you think of when you’re in danger is me.”

Looking at Kiki and Quinn, who were hugging each other tightly, Christ’s hand that was on Kiki’s wrist abruptly slipped away.

No wonder, Quinn could come over so soon, so, it was Kiki who informed Quinn!

Being with him, it means being in danger?

When did he become even more terrifying than the wolves and tigers!

“Quinn, let’s go home.” Kiki snuggled into Quinn’s arms, sticking Christ’s eyes.

Quinn’s place was already the place she had decided to call home! How can this be!

“Okay, Kiki, let’s go home.” Quinn took Kiki’s hand, and headed outside the living room.

“Kiki, stop right there!”

Christ had managed to bring Kiki to the Villa with great difficulty, of course he would not allow Kiki to leave just like that, he quickly blocked in front of Kiki and Quinn, “Kiki, you can’t go back with Quinn! Quinn will not marry you, he is just playing with your feelings!”

“Christ, do you think all men in the world are like you, only playing with women’s feelings?” Quinn said word by word, “In my life, if I marry, my wife will only be Kiki!”

Seeing that he could not retain Kiki with these words, Christ’s eyes instantly showed determination, and with a wave of his hand, the bodyguards outside the living room surrounded Quinn and Kiki, and they even drew guns.

Christ’s eyes were scarlet red as he said, “Kiki, stay and be my woman! Otherwise, next year, today will be the anniversary of Quinn’s death!”

#### **Chapter 466**

Christ actually really didn’t want to show such a dark side in front of Kiki, but he was afraid!

He was afraid that after he let Kiki and Quinn go, their relationship would grow deeper and deeper, and the more he couldn’t interfere!

Kiki did not expect that Christ would be despicable to such an extent that he would threaten her with Quinn’s life.

But she will not be threatened by Christ, never by him!

Kiki shielded herself in front of Quinn with her body, her face still wearing a cool and mocking smile, “Fine, today you just happen to kill me and Quinn together, so that we can go hell to be a pair of lovebirds!”

“Kiki, I won’t let anything happen to you!” Quinn said with unparalleled certainty.

Quinn really didn’t feel the slightest bit of panic when he was pointed at by so many guns, a man who grew up in a family like his has experienced any kind of danger!

Quinn protects Kiki into his arms, he is just worried that the bullets are eyeless and will hurt Kiki by mistake.

Quinn raised his eyebrows, and his handsome face still wore his usual recklessness, “Christ, you’re really getting good at it! You’re getting better and better at killing people! If you have the guts, let someone kill me today, otherwise, in this life, you will never touch Kiki again!”

Christ fiercely grabbed the gun in the hands of his men standing next to him, and the black muzzle of the gun was pressed deadly against Quinn's temple, "Quinn, do you really think I don't dare to kill you?!"

"Quinn!"

Kiki screamed, she actually grabbed the gun from the hand of one of the bodyguards in front of her and pressed it hard against her head.

She looked at Christ with undisguised disgust and sarcasm in her eyes, "Christ, if you hurt Quinn one bit, I will die in front of you right now!"

"Kiki, drop the gun!"

Quinn completely ignored the gun that was pressed against his temple by Christ, he was just afraid that Kiki would really hurt herself.

Kiki had tried to end her own life countless times before, and she definitely wasn't just scaring Christ when she said she would die!

Christ was so angry, but he also had to admit that Kiki's threat succeeded, and he really couldn't just stand by and watch Kiki die in front of him.

"Kiki, you're awesome! You're awesome!"

Christ heavily slammed his gun on the ground as he stared at Kiki with red eyes, "Kiki, don't think that after you leave this door, you'll be free, I won't let go! As long as I don't die, you won't be able to be with Quinn!"

Christ turned around violently and went upstairs, he was afraid that if he took one more look at Quinn and Kiki, he would defiantly drag everyone down to hell with him!

Quinn took Kiki directly to Swedayle Garden.

As soon as she entered the door of the flat, Kiki was the first to speak, "Quinn, let's break up."

Quinn was about to help Kiki change her slippers and his hand that was holding the slippers instantly froze in the air.

Thinking he had heard wrong, he tried to pull out a smile, "Kiki, what did you just say?"

"Quinn, I say, let's break up."

Quinn's hand shook and the slippers in his hand instantly fell to the ground.

The slipper was very light and did not create much noise, but Quinn felt that a hole had been smashed in his heart.

Of course he would not agree to break up with Kiki, he tried to make himself say to Kiki in as calm a tone as possible, "Kiki, why do you suddenly want to break up with me? Isn't it good for us to be like this?"

"Quinn, I'm sorry." Kiki half lowered her eyelids, in her life, the person she was most ashamed of was Quinn. At this moment, she didn't even dare to look at Quinn's eyes.

“Quinn, I think I’m selfish, I don’t love you at all, yet I still keep asking for warmth from you, saying that I want to spend my whole life repaying you for being so good to me, in fact, it’s just that I’m too selfish, making you keep paying for me, while I can never give you my heart.”

“Kiki, I don’t care! As long as you are willing to stay by my side, I can care about nothing!” Quinn stubbornly embraced Kiki into his arms, in fact, just now Kiki said that she didn’t love him at all, his heart choked as hard as it was, he thought that, after so many days of facing each other, she would be somewhat attached to him, but it was still his wishful thinking.

But even if she could never fall in love with him, he couldn’t let her go.

Christ loves Kiki, and he is no different!

Without Kiki, the rest of his days and nights, the rest of his long life, would be meaningless.

“But Quinn, I care!” Kiki came out of Quinn’s arms, “Quinn, it’s not fair to you, I can’t be that selfish!”

“Kiki, you’re not selfish when you’re with me! You’re selfish when you break up with me!” Quinn habitually was obedient to Kiki, but on such a major issue as breaking up, he couldn’t follow Kiki’s decision.

“Kiki, since you agreed to be my girlfriend, for the rest of your life, you will never break up with me!”

Kiki sighed helplessly, “Quinn, why are you doing this! You know, the relationship between the two of us is not to be seen.”

“I’ve been divorced, I’ve lost two children, I have a disability on my hands, I’m also a woman who’s been in prison, your parents, your family, would not approve of you being with a woman like me.”

After a pause, Kiki said incomparably serious word by word, “Quinn, I’m really grateful for your kindness to me, but the more grateful I am, the more I can’t ruin you.”

Kiki knows how terrible the public opinion in this society is.

Especially for a person of Quinn’s status, negative information, the damage caused to him, to the Turner family, is incalculable. Quinn entangled with her is the biggest negative information.

“Kiki, who said that our relationship is not visible!” Quinn said, “Kiki, I will stand by your side openly! If you don’t believe me, we’ll get married tomorrow!”

“Quinn, stop it, I don’t want you to fall out with your family because of me.” After a moment of silence, Kiki then said, “Quinn, let’s break up!”

“Impossible!” Quinn was so anxious that his eyes turned red, “Kiki, you stole my heart, and now you’re breaking with me, what are you doing? Kiki, you’re simply irresponsible!”

Quinn felt that saying these words were not enough to express his anger, he added, “Kiki, you’re cheating on my feelings!”

Kiki knew she was sorry to Quinn, but she couldn’t give him her heart, what else could she give him?

Only her body!

“Quinn, I’m sorry, all I can give you is my body.”

#### **Chapter 467**

Kiki knew that it was too unfair to Quinn for her to do so, and she hated herself, but the only thing she could think of to use to repay Quinn was her body.

Quinn’s pupils suddenly shrank, almost completely out of control.

But he still quickly grabbed Kiki’s clothes and covered her with force.

“Kiki, what do you take me for? A man who only thinks about women?!”

Quinn’s eyes were unconcealed pain, “Kiki, if I just wanted a body, why would I pester you all day long! I’ll just go and buy a sex toy!”

“Kiki, what I want is you! So Kiki, don’t think of using your body to repay me, and don’t think of leaving me, if you really feel sorry for me, try to open your eyes and see how good I am.”

Quinn’s voice was tinged with a helpless sigh, “Kiki, you’re not blind! Why can’t you see how good I am!”

Kiki bit her lips dead, it’s not that she couldn’t see Quinn’s goodness, it’s just that her heart was dead, and even a good man couldn’t move her anymore.

This dead heart of hers was like her children, her parent, dead and never to live again.

It was because she saw how good Quinn was, and she did not want to continue to rely on him.

“Quinn, I ……”

“Kiki, don’t mention breaking up with me again!” Quinn cut Kiki’s words off, he was afraid that he would scare Kiki if he was too irritated. He forced himself to calm down and said to Kiki in as calm a tone as possible, “Kiki, I know you don’t love me right now, I really don’t care.”

“The feelings in the human world are not the only kind of love at first sight, Kiki, you can’t fall in love with me at first sight, but that doesn’t mean, the two of us, can’t fall in love over time.”

“Maybe you think that you don’t have a heart-thumping feeling when you face me, but in this world, how many couples hold on to each other until they grow old without a heart-thumping feeling, but rather a long time to cling to each other?”

“Kiki, believe me, we will be together forever.”

“Quinn ……”

Kiki opened her mouth and swallowed the sound in her throat, she really didn’t know what to say to Quinn again.

She knew in her heart that if she really wanted to find another man to support her in this life, Quinn was the best choice.

But she was afraid that because of her, he would be under too much pressure from the family, too many different looks!

Quinn didn't give Kiki another chance to speak as he gently murmured in Kiki's ear, "Kiki, believe me, as long as you don't give up on me, no one will stand in our way!"

Kiki did not continue to push Quinn away, she knew in her heart that she and Quinn could not last forever. When the pressure from her parents and family really came, when a more suitable woman appeared by his side, she should leave.

Catherine not only invited Kiki to sing the theme song and episode of her new film, but also invited her to guest star in a role in Legend of a Woman Doctor.

Kiki wanted to try her hand at acting, so naturally, she readily agreed to Catherine's invitation.

Her cameo role was less than a week's worth of scenes, but Kiki was still happy. Having work to take on was a good thing for her, and, with Freya working as a medical consultant on the set, she was happy to work with Freya.

The only thing that puts Kiki in a bad mood is that Anna is also in this drama and is playing the second female role.

However, Kiki's greatest skill is to ignore her. She took the script and sat next to Freya to study the roles in the script with her.

Kiki didn't want to pay attention to Anna, but Anna didn't want to be ignored. She stepped on her high heels and walked to Freya and Kiki with her chin held high.

"It turns out to be our famous Freya and Kiki!"

Anna's voice was rather loud, and as soon as her words fell, everyone's eyes were focused on Freya and Kiki.

Freya put the script back into Kiki's hand and said somewhat helplessly, "Kiki, the fly is here."

"Who are you calling a fly?" Anna crossed her arms, "You're the fly! Your whole family are flies!"

As if she was afraid that everyone wouldn't hear her, Anna raised her voice again, "Freya, Kiki, you two, a widow and an outcast, you really make a good match! Why don't you two just get together? One has a dead man and the other has no man, what a refreshing combination!"

Freya does not care Anna cursed her, anyway, it is not the first time she got cursed, but Freya could not see Kiki being bullied.

Freya lazily raised her eyelids, her expression didn't change, but the words that came out were harsh, "What, are you envious? Well, that's right, you're the kind of fly that only buzzes around, no man wants you even if you pay them, even if you want to be a widow, you don't have a chance!"

"Freya, what did you say? Anna was so angry that she wanted to go up and hit Freya, but thinking that there were quite a few people around, she forced down the urge to beat Freya up, and instead aimed at Kiki, whom she hated even more.

"Freya, the person you are talking about should be Kiki, right? It's true, if I were a man, I wouldn't dare to take her! Poor Quinn, he's being pestered by Kiki, he's so annoyed!"

“Anna, which one of your eyes saw Quinn pestered by Kiki? Are you dreaming?”

Being so choked by Freya, Anna was furious, she certainly didn't want to lose dignity in public, she yelled at Freya, “Freya, don't get too cocky! Do you really think that just because Kiki shamelessly fell for Quinn, she can become his wife?”

“I'm telling you, she's the one who's daydreaming! I saw Paige the other day, and she said that what she despises most is a divorced and imprisoned woman like Kiki, and that even in her next life, Kiki will never enter her Turner family!”

Kiki didn't care about people like Anna, but after hearing her words, she was still upset inside.

Indeed, Quinn's mother despised her for this stain.

“Isn't that Paige?” Someone uttered, and Kiki and Freya hurriedly looked towards the front.

Sure enough, Quinn's mother, Paige, was walking in the direction of the set.

### **Chapter 468**

“Why is Paige here?”

“Is it for Kiki?”

A few of the crew members muttered in whispers, “Could it really be that Kiki has stuck to Quinn and pissed off Paige? If I were Paige, I wouldn't be able to bear the thought of my son, who is so brilliant, being pestered by a divorced woman who has been in jail!”

Kiki's face was unpleasant, and her lips, too, were uncontrollably white.

She thought that one day Quinn's mother would find her and strictly forbid her to go near Quinn again, she just didn't expect that Quinn's mother would come to her in such a public place.

“Kiki, you go to the rest room, leave this to me.” Freya guessed Paige's intention of coming, she didn't want Kiki to be aggrieved in public, and said softly to Kiki.

“Freya, I'm fine, what comes around, always comes around.”

Kiki stood up calmly, and after deciding to face it bravely, her expression was quite frank.

Anyway, it was not the first time that she had been chastised in public, and she had gradually become numb, not to mention that in this relationship between her and Quinn, she was the one who was in the wrong, and she deserved to be chastised by Quinn's mother.

Looking at Paige getting closer and closer to Kiki, Anna was so proud of herself. She had just made up her words about Paige hating Kiki, but she could guess Paige's attitude towards a divorced woman like Kiki.

Anna's face was piled with a gloating smile, “People really can't be too shameless! Hooking up with men everywhere, and now his mother comes to your door, what a shame!”

“Kiki, I’m here to comfort you in advance, don’t cry in front of all of us when you get hit in the face by Paige later! If you want to cry, hide in a corner and cry in secret, if you cry in front of all of us, we are afraid to be humiliated together with you!”

As soon as Anna’s words left her mouth, several staff members who are usually close to her couldn’t help but speak up.

“Kiki really hooked up with Quinn? She’s begging for Mr. Birkin’s return to her while still hooking up with Mr. Birkin’s good buddy. What a shame!”

“Yes, shameless!”

“What do you guys think Paige will do to teach her a lesson? Will she just fling the cheque in her face and tell her to get the hell out of Quinn’s world?”

“I don’t think so! I think Paige will just slap her in her face!”

“Hahahaha .....

Hearing the unintentional laughter of the people around her, Freya was so angry that, but violence could not solve all the problems, if Paige really made things difficult for Kiki in public, Kiki would really not be able to stay in the drama group.

Freya couldn’t just throw Paige out, she could only shift the anger to herself before Paige could speak.

“Paige, what’s wrong?” Freya shielded in front of Kiki and spoke coldly.

“Freya, right?” Paige took off the large sunglasses on the bridge of her nose, she grabbed Freya’s hand with immense joy and looked Freya up and down, “Freya, Patricia showed me a picture of you, I didn’t expect you to look even better in person than in the picture!”

Freya, “.....”

Paige was a bit out of the ordinary. According to reason, since she came to Kiki, she should have investigated Kiki and she should have known that she is a good friend of Kiki.

How could she be so enthusiastic about Kiki’s best friend, who was supposed to be hostile?

Originally, Freya was thinking that if this Paige was really unreasonable, she would have to give her an over-the-shoulder slam or something even if she was limping, but she couldn’t really use violence against her because Paige was smiling so brightly at her.

Paige smiled warmly at Freya for a moment and hurriedly let go of Freya’s hand, “Freya, we’ll have a chat in a few days! I’ll treat you and Patricia to coffee! I have very important things to do today!”

It seemed that Paige was only now stepping into the thick of things, and indeed, the next second, Paige had rushed to Kiki.

When they saw Paige standing in front of Kiki, most of the people in the crew were in the posture of watching a good show – the abandoned wife of a rich family stalking someone else’s son and the mother coming to her door to make trouble, how exciting!

Freya also stared at Paige with a wary face, if Paige dared to slap Kiki in public or something, even if it would offend the Turner family, she would beat Paige up!

The person who was most pleased with herself now would be Anna, who was afraid that everyone would overlook her presence, she was even faster than Paige, so she had rushed to Paige.

“Paige, I’m Anna.”

Anna grasped Paige’s hand curtly, with the good-natured look of a prospective future daughter-in-law.

Paige obviously did not expect to see such a person as Anna suddenly appearing in front of her, her expression was slightly stunned and she forgot to take back the hand that was grabbed by Anna for a moment.

Seeing that Paige had no intention of withdrawing her hand, Anna suddenly felt that Paige had a good impression of her.

The future mother-in-law she had in mind was so impressed with her that she naturally had to put on a good show.

“Paige, you’ve come over to teach Kiki a lesson, right? Paige, I also think Kiki’s behaviour is too much, she is a dirty abandoned woman, and she still presumes to become Quinn’s woman, she is simply dreaming!”

“But Paige, even if you want to teach Kiki a lesson, don’t really get angry, anger hurts your behavior!”

Seeing Paige just gasping in anger and not saying anything, Anna knew that Paige must have been infuriated by Kiki’s shameless behavior, she continued to grab Paige’s hand and picked up again and provoked, “There are some things that I know I shouldn’t say more, but it hurts my heart to see Quinn being pestered by such a shameless woman!”

“You don’t know how shameless Kiki is, she even tried to climb into Tommy’s bed in order to become famous! A few days ago in Blues, I saw her hooking up with Tommy in the bathroom! That scene was unbelievable!”

Seeing Paige’s face getting redder and redder in anger, Anna hurriedly comforted her in a considerate manner, “Paige, don’t be angry! It’s not worth getting angry over a woman like Kiki! Please rest assured that I will keep a good eye on Quinn from now on and won’t let him be pestered by such a shameless woman again!”

Speaking of this, Anna’s face was suddenly filled with shyness, “In fact, I am with Quinn, I ..... I am Quinn’s woman. Don’t worry, I will definitely take good care of Quinn.”

A slap was thrown hard at Anna’s face.

Paige was so angry that her body trembled, she stared coldly at Anna, “Who did you just call shameless? Who are you calling dirty? Say it again!”

**Chapter 469**

Anna was directly dumbfounded by Paige's slap, how could she have imagined that she had worked so hard to smear Kiki, and in the end, she had been beaten by Paige?

Freya and Kiki were also confused, this Paige was even more unconventional than expected. Why she was defending Kiki?

The onlookers were dumbfounded by Paige. Didn't they say that Kiki was shamelessly seducing Quinn and that Paige had a deep hatred for Kiki? How come the person Paige hit was not Kiki, but Anna, who had been deliberately ingratiating herself in front of Paige?

What Anna said just now was so unpleasant that Paige's chest was still heaving violently, she had just hit Anna and her right hand was in pain, she raised her left hand and threw a slap hard at Anna's face again, "Say it! Who did you just call shameless!"

When Paige was young, she was known for her fiery temper. Now that she is older, the years have made her more and more graceful, but her violent temper never changed.

Without waiting for Anna to say anything, Paige pushed Anna down to the ground with a straightforward force, viciously.

"I'm telling you, Kiki is the daughter-in-law that I have decided to have, and if you scold Kiki, you are scolding me!"

Quinn's father, Kaleb Turner, spoiled his wife a lot, and Paige was arrogant both at home and outside, so of course she won't take it lying down when someone dares to denigrate her favoured daughter-in-law in this way.

Anna fell to the ground in a heap, and it was only when her hand was scraped and skinned that she reeled from the pain.

Anna dared not to think that the plot would suddenly take such a flip. She couldn't lose face after being punched several times in a row, but Paige was the hostess of the Turner family and she couldn't afford to mess with her.

She could only please Paige.

Anna trembled and moved her lips, she looked at Paige incredulously, "Paige, you ..... how can you hit me? I am saying these things for your own good, how can you hit me?"

When Anna spoke, she accidentally pulled the wound at the corner of her lip, hurting so badly and painfully that it was extraordinarily aggravating, and she blinked her eyes, tears almost rolling down her face.

"Paige, Kiki is really not a good person! How could the woman that Mr. Birkin doesn't want be good?! Moreover, she hooks up with men everywhere, as I said just now, she even hooked up with Tommy in public, she ....."

Paige smashed Anna directly in the mouth, causing her to gasp in pain and unable to speak.

"Paige, you ..... you ....."

“Me? What’s wrong with me?”

“Christ and Kiki divorced because he was blind! As for that Tommy you said? Is that fat and bulky guy? Kiki has a boyfriend like my son, how can she still have that short and ugly guy in her eyes?”

“Heh! You still want to rise to the top with that fatty? If Kiki wanted to get to the top, how could our Turner family not support her, and why would she need to find that disgusting old man to distress herself?”

Paige’s words directly blocked Anna from speaking, and the crowd at the scene, who were waiting to see what was going on, changed their attitude towards Kiki.

Originally, they all thought that Kiki was an outcast of the Birkin family, a woman that the Turner family could not possibly look up to, but they never expected the Turner family to approve of Kiki so much.

Even if she was abandoned by Christ, with the Turner family backing Kiki, who in the entertainment industry would dare to mess with Kiki?!

And Paige’s position in the Turner family is simply more than a queen, she has acknowledged Kiki, who in the Turner family would not dare to get Kiki out of the door!

It seems that Kiki’s decision to become the Turner family’s daughter-in-law is now a foregone conclusion!

The women at the scene, who had gone from despising Kiki, turned to envy Kiki’s good fortune.

After Anna took a few strong breaths, she still wanted to make a struggle, “Paige, I really didn’t lie, Kiki really hooked up with Tommy in the bathroom. Tommy came back and said Kiki was really cheap and good in bed .....

“Anna, right?” Paige’s voice was suddenly tinged with a touch of indescribable tenderness, and when Anna saw that Paige’s attitude towards her had improved, she hurriedly nodded her head vigorously.

It seems that the gentry family still likes a woman with a clean body, Kiki is so dirty, it’s strange that they can really accept her!

Anna was about to take advantage of Paige’s improved attitude and say something to gain a little goodwill, but the next moment, Paige’s voice, full of threats, reached her ears.

“Anna, if you want to be banned, just say so, I will fulfill you, you don’t need to try so hard!”

Anna suddenly stared at her eyes, she could not even imagine that Paige wanted to block her!

The Turner family is very powerful and also has a presence in entertainment. An entertainment company that has risen in recent years is made by Paige, and Paige can ban anything in the entertainment industry.

“Paige, I ..... how could I possibly want to be banned! You are joking!” Anna let out a dry laugh, cold sweat already seeping out of her forehead.

“If you don’t want to be banned, keep your mouth shut!” Paige gave Anna a cold glance and warned her word for word, “If I find out that you dare to talk nonsense or give my daughter-in-law any more trouble, you will go back to the village and feed the pigs!”

Anna’s face was as white as paper and she fell to the ground with a thud.

Her family did raise pigs, she had been feeding them in the countryside before she entered the entertainment industry. Just now, she saw Paige glance at her mobile phone, she didn’t expect that in such a short time, Paige’s men had already turned her background out. the Turner family’s power was truly extraordinary and terrifying!

With such a terrifying power, it really is easy to block her in the industry.

Anna didn’t dare to think about it any further.

“And you guys!” After Paige finished lecturing Anna, her eyes fell coldly on the cast members who were waiting to see Kiki’s good show just now, “You just can’t wait to see my daughter-in-law’s joke, can you?!”

“I’m telling you, the daughter-in-law of our Turner family is not someone who can be bullied by just anyone! If I find out who bullies my daughter-in-law on the set, not to mention the entertainment industry, he won’t even be able to stay in this city!”

“If I see one person who bullies my daughter-in-law, I will block one!”

As soon as Paige finished saying this, she grabbed Kiki’s hand, “Come on, Kiki, let’s go talk about your wedding!”

## **Chapter 470**

Even if Kiki was calm, she was still shocked by Paige’s unconventional behaviour.

And, why was it suddenly about her and Quinn’s wedding?

Not only did she and Quinn not get all kinds of difficulties, but it also came to wedding, wasn’t it too fast?

Kiki really didn’t want to discuss anything about the wedding with Paige, but as she was just about to find an excuse to refuse Paige, Paige had already dragged her over to Catherine.

“Catherine, my daughter-in-law and I need to discuss the details of the wedding, give her a break!”

How dare Catherine say no? She said, “Paige, go ahead, when Kiki is free, come back to shoot.”

Hearing that,, Kiki looked at Freya for help, but Freya indicate that she quickly go.

Freya truly loves Paige, such a great mother-in-law! She couldn’t wait for Kiki to be with Quinn and pissed of that perverted Christ!

When Freya didn’t even help her, Kiki was really hopeless, and she could only resign herself to letting Paige drag her to the cafe.

Just now, when Paige was abusing Anna, her aura was really quite scary, but when facing Kiki, she instantly smiled.

“Kiki, just now .....

Thinking about how irritable she was just now, Paige couldn't help but be embarrassed and worried, “Kiki, was I too mean just now? Don't let me scare you, I'm only mean to people I don't like, I won't be mean to my daughter-in-law. Kiki, don't worry, I'm definitely not that kind of evil mother-in-law, when you marry into our family, mother-in-law and daughter-in-law problems don't exist.”

“You're not mean, I rather thought you were quite awesome just now.”

Kiki just told the truth.

Hearing Kiki's words, Paige immediately burst into laughter as she said with a little bit of narcissism, “Actually, I think I'm quite awesome too!”

Realizing something, Paige hurriedly and deliberately put on her face again and said to Kiki, “Kiki, you and Meaty are about to get married, and you should call me mum!”

Wasn't it too fast?

Also, who is this Meaty?

Paige could see Kiki's confusion and she hurriedly explained, “Kiki, Quinn must not have had the never to tell you that Meaty is his nickname! When I was pregnant with him, I especially loved meat, so after he was born, I just called him Meaty.”

The corners of Kiki's lips couldn't help but twitch, “That's a very distinctive name.”

She really couldn't imagine what it would be like for the lean and sturdy Quinn to be called as Meaty.

“I think it's a good name too. How about it, Kiki, isn't your future mother-in-law very creative?” Paige spoke rather smugly.

“Quinn and I aren't thinking about getting married right now, we .....

“Meaty is so useless!” Paige cut Kiki's words off, “After so long he can't even manage to get a wife, how could I give birth to such a foolish son! I really doubt that I carried the wrong child at the hospital in the first place!”

Kiki, “ .....

Kiki made an effort to clear her throat before she found her voice, “In fact, I didn't think I would marry Quinn. You should have heard about my past, a person like me is not good enough for Quinn.”

“Your past? You mean you've been in jail or you've been married?”

Paige looked at Kiki incomparably serious, she said almost word for word, “Kiki, it's not your fault that you've been married and that you've been in jail unjustly, no one in our Turner family thinks that you don't deserve Meaty. Really, Kiki, as long as you don't look down on yourself, no one will look down on you. And Kiki, the reality of the situation now is that you don't like Meaty.”

Kiki's eyes were moist, Freya had said these words to her, she did not expect that today, Paige would also say these words to her.

There was no doubt that both Quinn and Paige had brought her so much warmth, how their family was so good that she was at a loss for words?

"Kiki, I'm not coming over here today to force you to have to marry Meaty, I'm hoping that you will open your heart and give Meaty a chance. I've been divorced too, and Meaty's father, my second husband, is the one I really want to join hands with for the rest of my life."

"Kiki, there may be people who love only one person in their life, but not all people may love only one person in their life. You think, the one you once loved, is the one you can't let go of for the rest of your life, and when time passes, you will find that you can still meet love."

"Kiki, my first marriage, too, left me bruised and battered. I once thought that this was it for me, and that I could only struggle in a cage full of pain and hate for the rest of my life. After my divorce, I met my husband, and I realized that I could be cherished in this way, and that men are really different from each other."

"Kiki, I used to love my ex-husband very much, and I thought that even if I hated him, I couldn't let go of him. Later, I realized that what I couldn't let go of was just the youthful years that I had loved with reckless abandon, and my husband was more than worthy of my life's companionship, I am in love with him."

"Kiki, everyone's state of mind is different, the way to deal with problems is also different, I don't insist that you fall in love with the second man in your life, as I did, I just hope that you can not let the shackles that you once had shackle you for life."

"Kiki, you can't keep reminiscing about the past, you have to look forward. Christ is only your past, while Meaty will be there for you forever."

After having coffee with Paige, Kiki thought about many, many things. It seemed like she really was like this, after she was released from prison, she put shackle on herself again, hating Christ while not daring to open her heart and fall in love with another man again.

Why should she give up the joy of a lifetime henceforth for a man who had wounded her to the bone!

But it's not easy to fall in love with a man again.

After Kiki finished filming today's scene, she went straight back to Kelsington Bay with Freya.

Neither of them expected that something big would happen tonight, completely destroying all of Kiki's efforts, to take away all the light from her life, to make her completely doomed!
