

Talented 471

Chapter 471

The song "Tipping City", a collaboration between him and Kiki, has actually been released online, and in less than a night, "Tipping City" has already shot to the top of the Golden Songs Weekly Chart.

Fans of Khan frantically cheered him up. Kiki also reaped countless praises, and Kiki's heavenly voice once again shot to the top ten of the Hot 100.

In fact, it's really important for two people to work together on a song in chorus.

If Khan had collaborated with a female singer who was not in the top tier, even if Khan had been a popular diva in the singing world, he would not have been able to save the song.

And Kiki's singing voice, even when working with a musical genius like Khan, would not be inferior in the slightest.

The two voices, entwined and complementing each other, give a feast for the ears.

There is no doubt that with the song "Tipping City", Kiki, who had been silent for more than a hundred days and was ridiculed by countless people as an abandoned wife of a luxurious family, was once again on heat.

Initially, what everyone was obsessed with was Kiki's heavenly voice. When the music video of "Tipping City" was released, the eyes of countless people were instantly washed by Kiki's magnificent beauty.

Kiki has always been beautiful, and no matter what ridicule Kiki has endured, her beauty has never been questioned.

In the MV, Khan was the general, and Kiki was the demon. The two of them are attracted to each other, but there are many misunderstandings. Later, Khan as the general, who misunderstands Kiki as the demon girl, wields his sword to cut off his love ties because he misunderstands that Kiki is harming the world.

Kiki broke in despair, but left all proud.

They thought the two of them would never cross paths again, but when war broke out, the general went to the front line and fought bravely to kill the enemy.

The general was so brave that he cut down the enemy's army and cleared up the foreign turmoil, but the king was suspicious of him, and on his way back to the court, the exhausted general was hanged by the army sent by the king.

The general died in an ambush. The demon girl came down from the sky and dispersed her cultivation to protect the general.

In the end, Kiki fell into KhWallace's arms, withered.

The general said that he wanted to kill the demon girl with a thousand cuts, but in the end, for whom were the tears of blood in the corners of his eyes?

After watching the music video for “Tipping City”, countless netizens left messages online with tears in their eyes.

“The demon girl is so beautiful! Kiki is so beautiful! So what if she’s an outcast! Even if she’s an outcast, Kiki is still the most beautiful outcast of all!”

“I don’t think Mr. Birkin has a good eye! Kiki is beautiful and sings well, as good as Penny? Rich people’s appetites is odd!”

“I feel like I’m going to become Kiki’s fan, did you guys see the look in the demon girl’s eyes when she died? Sad, yet content, I feel like my heart has been struck to the core!”

“Me too, me too! I’m now a fan of Kiki! I love Kiki’s face and talent, I have respect for her private life!”

.....

Because of “Tipping City”, Kiki’s Weibo account, which had been deflowered to the point of misery a while ago, rose by nearly a million followers overnight.

There is no doubt that Kiki has once again become heat.

If it wasn’t for the video that appeared all over the internet near dawn, Kiki would have been on the top tier, but the appearance of that video made Kiki’s acting career lifeless.

That video was posted anonymously online by an internet user.

The video was filmed at the six-star hotel, one of the premier hotels in Arkpool City.

The video features “Kiki” and a major director, Cayden Mitchell, who is famous for directing literary films.

The video is very long and initially shows “Kiki” and Cayden having sex in a hotel bed.

Although Cayden is a decent guy on the outside, he is actually a hypocrite and has quite a wicked taste for having sex.

So some of the flirtations the two play with look unbearable.

Under the hazy light, Kiki’s face was also a bit hazy, but when people took a look, they would identify the owner of that face as Kiki.

For the first half, Kiki was in bed with Cayden, who was having all sorts of fun, and then the door to the hotel room was thrown open violently.

Cayden’s wife, furious, rushed in, yelling Kiki’s name and punching and kicking “Kiki”.

“Kiki” was already naked and had been tossed around a bit by Cayden, and with this beating, she looked a mess.

Cayden’s wife is known in her circle as a defender, so when something like this happens, she doesn’t think her husband is at fault. “Kiki” got beaten by her and looked disgusting with the snot and tears on her face.

Soon, many reporters rushed in again, snapping pictures of the disfigured “Kiki” on the ground.

After this video was released online, those good impressions that Kiki had managed to salvage vanished instantly.

In its place, there was endless abuse and sarcasm, even as countless people threatened to tell shameless women like Kiki to go to hell.

Before, Kiki was blacked out all over the net, including saying that Kiki was a slut, without solid evidence, netizens were almost cursing her to death, now, there is a full video online. Kiki is shameless, trying to use Cayden to get on top, hooking up with a married man, caught by his wife, Kiki will not be able to turn around again.

In the entertainment industry, it is well known that actresses will have unspeakable relationships with directors.

But the point is, no one else has been exposed, and even the occasional rumour is not conclusively proven.

Kiki’s affair is different this time, not only is she hooking up with a married man, but there is also evidence on the board.

Without waiting for dawn, the incident, on this occasion, had already exploded on the internet.

“Shit! This is too explosive! How can she be caught red-handed playing with someone’s husband, how can Kiki have such heavy tastes!”

“Cayden is old enough to be her father, and she can still get away with it, that’s a strong taste indeed!”

“I used to say she was framed for jail, and I thought she was weirdly pathetic, but I didn’t think it was true!”

“She was happy in the director’s bed!”

“What a disgrace! This kind of person is just polluting the air by living, why doesn’t she go and die!”

Chapter 472

“Go to hell!”

“Go to hell!”

The internet was full of voices maliciously telling Kiki to go to hell. Originally, Kiki’s fans were still skeptical when they heard about the incident.

After all, in the hearts of fans, their idol was the best, and what others see as flaws, can be turned into advantages.

Of course they were not willing to let their own idol be slandered like this and frantically spoke up for Kiki online.

Only, when they saw the video, they all remained rather tacitly silent.

They could not scold the idol they truly love, but with what she did, they were disappointed from the bottom of their hearts.

Kiki sat in jail unjustly and was later bullied again and again by the Wallace family, but she still stubbornly lived on.

She didn't steal or rob, she was a resident singer in a bar, stubborn to support herself, she was like a small grass, trying hard to live, but now they found that the so-called pride, the so-called stubbornness, all turned into a joke.

The proud and noble idol in their hearts would, surprisingly, do something as lowly as climbing into a director's bed.

And, humiliatingly, she was caught by his wife and beaten up.

They once thought that what they were fans of was a pure lotus in the entertainment industry, but to their surprise, they were blind, and what they were fans of was a rotten peach blossom!

Every morning when Freya wakes up, she habitually read the news.

She knew that 'Tipping City' had been posted online and she had planned to go online to see the response to 'Tipping City' and give Kiki a wave of positive reviews in the process.

She didn't expect to see the video of "Kiki" and Cayden when she tapped on the website.

Freya's heart thudded, she hurriedly clicked into the video, she knew Kiki no better, naturally she knew that Kiki could not have done that kind of thing, she also firmly believed that the woman in the video, was definitely not Kiki.

Although the woman in the video really resembles Kiki quite a lot, and under the hazy light, it can be misunderstood.

Freya's hands could not control the trembling, her mind running fast.

This video will definitely ruin Kiki completely, and she has to come up with a way to help Kiki get through this difficult time.

Freya originally wanted to watch the video again so that she could find the flaw and help Kiki clear her name, but when she re-clicked on the video, she found that it had been blocked by the website.

However, since many journalists from the hotel rushed there, even if the video was gone, the pictures with the key parts covered in code were inevitable.

Now, Kiki g has been topped to the number one spot on the Hot 100.

Almost the whole internet is shouting and screaming for Kiki to die, for her to get out of the entertainment industry and for her not to live in the world to be a disgrace.

This incident is really worse than a certain photo-gate that was exposed a few years ago.

The least that the female celebrities involved in a certain photo-gate is that they were photographed because of love, after all, the man is unmarried and the woman is unmarried, so what's wrong with taking some photos!

But this time it was different. Cayden is a married man.

In this society, there is almost zero tolerance for mistresses, especially for the outcasts of powerful families like Kiki.

Many netizens emotionally yelled that a shameless mistress like Kiki should be dipped in a pig cage or a dog cage!

Freya was furious, and she angrily left a comment below, "Are you blind? Shut up if you're blind! The person in the video is not Kiki at all!"

"You're the one who's blind! Your whole family is blind!"

"Not only are you blind, you're also deaf! Didn't you hear that Cayden's wife even shouted out Kiki's name? And Kiki also admitted in the video that she is Kiki!"

"Kiki is shameless in hooking other people's husbands! You speak for Kiki, you're no good either!"

"People who support Kiki are brain-dead! Brain-dead people die!"

.....

When Freya left a message, she was mobbed by the whole internet. Freya rolled up her sleeves, she really wanted to go and smash the heads of this group of brainwashed people, but there were too many brainwashed people for her to do so.

Sometimes, Freya thinks that many people are really funny, always standing on the moral high ground to accuse others, they simply do not understand the truth, nor do they know how innocent the person they are scolding is, they will only use scolding others to express their own unhappiness, but do not think about what kind of harm they have caused to others.

Now that Kiki has been approved by Quinn's mother, she and Quinn can be said to be one more step closer to a happy ending, when such an inexplicable video is suddenly exposed online, the Turner family, even if they are more enlightened, cannot accept Kiki!

Freya was so anxious that she knew that this incident had festered too much, and even if she managed to get all the media to pull all the unfavourable reports on Kiki, the online scolding of Kiki could not be completely eliminated.

But she cannot completely turn the situation around at once now, she can only find a way to turn the tide against Kiki little by little.

Freya, on her own, was certainly not capable of getting the media to pull all those reports, so she thought about it and called Kieran's number.

Almost immediately, Kieran picked up the phone.

Kieran's voice was low and cold with detachment, "What is it?"

Freya felt that she was getting sentimental, and listening to Kieran's detached voice, she was aggravated again.

"Brother, please do me a favor."

"Say it!"

Kieran's words were brief and concise, and there was not a trace of warmth in his voice. Freya knew that Kieran's character was originally like this, colder than an iceberg to strangers.

But she should not be a stranger to him!

The most important thing now is to deal with the matter of Kiki being slandered all over the internet first, Freya didn't have time to grieve, "Brother, Kiki is now being framed for her having been with Cayden, there are many reports against her on the internet, can you please help me to suppress them?"

"Helping you with Kiki's scandal?" Kieran's voice was cold and detached, "Freya, I'm not that free!"

After saying this, Kieran hung up the phone straight away.

Looking at the fading black phone screen, Freya could not come back to her senses for a long time, she really missed Mr. Fitzgerald so much.

The previous Mr. Fitzgerald was not like this.

Remember last time when Kiki had an accident, she sought help from Mr. Fitzgerald, who, without saying a word, cleaned up the online environment and held her in his arms, gently reassuring her over and over again that she didn't have to worry and that he had everything done.

Now Mr. Fitzgerald is not willing to give her tenderness anymore!

However, just after hanging up Freya's phone, he said with cold eyebrows to Bradley who had diligently appeared in his office, "Suppress the negative news about Kiki!"

Bradley, "....."

Boss, you just said you weren't that free!

Bradley was afraid of Kieran, but he said, "Mr. Simon, you just seem to have rejected Miss Freya in the phone

Chapter 473

Kieran did not say much, but only coldly stared at him

Thinking that he was likely to lose another house, Bradley shut his mouth decisively.

But Bradley's mouth was now twitching so badly that it was hard for him to keep his mouth shut like that. He was torn for a long time, but he still went back to his office in silence and took the "The Secret Book of Chasing Wife" that he had once carefully prepared for Kieran, before returning to Kieran's office again.

"Mr. Simon, if you want to chase Miss Freya, I suggest you take a look at this book."

Bradley doggedly came up to Kieran, “Back then you ahem

Realizing that he had said wrong again, Bradley hurriedly changed his tone, “Back then my boss used this book to chase after Miss Freya, you can definitely use this book to chase after Miss Freya too!”

Kieran paused the movement in his hands, he looked at Bradley coolly, “What, you don’t even want the bonus this year?”

“I do!” Bradley, fearing that Kieran would ferociously deduct his bonus again, said in a hurry.

Fortunately, Kieran did not mention the deduction of bonus again, and Bradley could not help but secretly breathe a sigh of relief.

He was just about to say something else but Kieran suddenly spoke in a somewhat awkward manner, “I won’t chase Freya, she’s Kieran’s woman.”

Bradley silently rolled his eyes, “Isn’t Kieran the real you?”

Bradley felt that he needed to do him a favor, he clutched the The Secret Book of Chasing Wife in his hand, “Boss, are you sure you don’t want this book anymore?”

Seeing that Kieran did not say anything, Bradley said, “Just now Mr. Levin and Mr. Coleman both asked me for this book, saying that they want to learn from Boss’ experience back then, so that they can succeed in chasing after Miss Freya. I’m going to make another copy now.”

Kieran was fine just now, but as Bradley’s words left his mouth, Kieran became unpleasant..

Bradley knew that his boss was getting jealous again.

Bradley wanted to laugh, but he knew Kieran’s temper very well, if he laughed, his boss would definitely be annoyed and angry.

Bradley almost exerted a flood of strength to hold back his laughter, “Boss, Mr. Levin and Mr. Coleman are waiting outside, I’ll go out first!”

“Don’t you dare!”

The voice of Kieran was cold, and Bradley’s face did not change, but he held back his laughter.

He wouldn’t dare to help someone chase Boss’ woman!

“Drop it!”

As Bradley was just about to say something, Kieran’s icy cold voice came into Bradley’s ears.

Bradley put The Secret Book of Chasing Wife on Kieran’s desk and walked away nimbly.

As Bradley had just left the office, Kieran’s disgusted eyes fell on top of the “The Secret Book of Chasing Wife” on his desk.

Heh! And “The Secret Book of Chasing Wife”? How childish!

While disgusted with his dead sibling’s childishness, Kieran still picked up the book on the table.

The first rule of “The Secret Book of Chasing Wife” is to treat women gently.

Kieran smiled coldly, for a woman like Freya, he couldn’t be gentle!

No!

Since when did he want to chase Freya?

Kieran threw aside the “The Secret Book of Chasing Wife” in annoyance, it was really an evil book of brainwashing!

Kieran felt that he might have really been brainwashed by this evil book, and in less than two seconds after throwing it aside, he couldn’t help but grab it back again.

Secrets number two, women like all kinds of surprises, as a qualified man, he should send some gifts from time to time, for example, red roses.

Kieran’s heart had a chill, it is so disgusting!

Kieran disgustedly grabbed his phone and dialed Bradley’s number with a black face, “Order a bouquet of roses for me.”

After a half second of silence, he added, “Red roses.”

Bradley’s efficiency was first class, and in less than half an hour, a bouquet of red roses appeared inside Kieran’s office.

As soon as the red rose was placed in front of Kieran, Kieran couldn’t control a sneeze.

He really shouldn’t have been brainwashed by the cult and bought red roses, he didn’t know he was allergic to pollen!

Looking at Kieran, who had sneezed several times in quick succession, Bradley was so excited that he almost burst into tears.

He really is his boss, who had pollen allergies!

When Kieran looked up after sneezing, he saw Bradley staring at himself with tears in his eyes.

The corners of Kieran’s lips twitched violently, his senior special assistant was so sentimental that it really made him uncomfortable all over.

“What, you’re allergic to pollen too?” Kieran spoke coldly.

Bradley was not stupid, he naturally knew that it was his own excited look that was disliked by his boss.

But he was genuinely joyful; he couldn’t control his emotions.

Bradley shook his head vigorously and was just about to go back to his room next door, but Regina, wearing a red dress, pushed the door open and had entered.

Regina was already beautiful, she had dressed up today, and with this dazzling red, she looked so beautiful that even women couldn’t help but be fascinated.

Kieran completely failed to notice Regina's beauty. He raised his eyes faintly, not quite bored, but not as gentle as a boyfriend should be either.

"What brings you here?"

"Simon, I miss you, are you not welcoming me over?"

Regina was originally a graceful and noble girl, and it was only in front of Kieran that she would reveal her girlish and shy appearance.

Bradley was heartily wanting to say for Kieran that you were not welcome here, but Kieran now identified himself as Simon, and if he dared to say that, he would definitely break his legs.

Bradley glanced at Kieran with complicated eyes, but still silently walked out of the president's office.

"No."

Kieran is still the same unperturbed look, used to Kieran's coldness, there is no warmth in his words, but Regina will not feel embarrassed.

Regina was just about to say something else but she saw the large bouquet of red roses on her desk, she hugged the large bouquet of roses with delight, "Simon, are these flowers for me?"

Chapter 474

Without waiting for Kieran to speak, Regina half lowered her eyelids and said shyly, "Simon, thank you, whatever you give me, I like it."

Kieran, "....."

When did he say that the rose was for Regina? Well, he didn't know who he wanted this rose to go to either.

The fresh, soulful face of Freya suddenly flashed through his head, and Kieran wrinkled his eyebrows and shook his head, he was really possessed.

Kieran pressed down hard on his temples, forcing himself not to let that face muck around in his mind.

However, he found that his determination always collapsed whenever he met Freya, and he could not get her face out of his mind.

As he was lost in his own thoughts, Regina's voice suddenly rang softly in his ears, "Simon, I want to give birth to a child for you. Simon, if I give birth to our child, will you like him?"

Kieran's mind couldn't help but think of Jaden and Jayla's faces, and his heart suddenly went soft.

He had never been a fan of children, but if he could have had two children that cute, he thought, he would have loved them, only, he never thought that the mother of his children would be Regina.

When Kieran woke up, he had forgotten many things, but inside his subconscious mind, he knew that he was Simon, and he also knew that he liked Regina.

Coupled with Regina's unfailing care for him over the past few months, he did not refuse when Patricia said that Regina was his fiancée and set them up together.

If he was destined to marry in this life, Regina was the right one for him.

But even though he subconsciously remembered that he liked Regina, that he was not averse to marrying her, he had, surprisingly, never thought of having children with her!

Even, from the bottom of his heart, he rejected Regina giving birth to his child!

If the mother of his child is Freya

Kieran cursed, Freya, Freya again! He's fucking possessed!

Kieran could not control his emotions in front of Freya, but in front of others, he never showed his emotions.

Therefore, at this moment, even though the thought meddled in his mind, his expression did not fluctuate even a little.

"Regina, I don't like children, and I won't have children." After a pause, Kieran continued, "It's enough for my family to have Jaden and Jayla."

Hearing Kieran's words, Regina's face suddenly turned as white as paper.

He doesn't like children!

How could he not like children!

When he didn't know that Jaden and Jayla were his children, he spoiled them!

Regina's eyes were red with hatred, she wanted to scream out loud, but she was afraid that if she got too irritated, Kieran would hate her, she could only force herself to calm down and said pitifully, "Simon, I love children! If you won't let me have a baby, have you ever thought that it's unfair to me?"

Kieran didn't say anything immediately, he pondered for a moment before saying incomparably serious, "Regina, I'm sorry, I should be a dick. If you really like children, I think you have a better choice."

Regina looked at Kieran incredulously, her whole body was trembling with discomfort, what did he mean by supporting her to have a better choice? Was he trying to push her to another man?

No!

She had done everything she could to stay with him, and even if he still didn't love her, or even if he never touched her, she wouldn't let go!

"Simon, I'm not looking for anyone else! In my life, I only want to be with you!"

Regina put down the roses in her hand, she went forward, sat directly on Kieran's lap, she hugged his neck hard, and her red lips went towards Kieran's lips.

"Simon, kiss me, okay? We're almost engaged and you haven't even kissed me."

The moment Regina's lips were about to press against his, Kieran couldn't help but stiffen and turn his face away.

"Regina, you go back first."

Regina was biting her lips to death, and the moment she was lost in thought, Kieran had already gotten up and kept some distance from her, that indifferent coldness made Regina upset.

She stepped forward and stubbornly hugged Kieran, "Simon, I'm not going back."

Regina was as petulant as a little girl, "Simon, don't be so cold to me in the future, okay? All other boyfriends spoil their girlfriends, can you also spoil me?"

"Simon, I really like you, and I am so happy to be with you. But people are always greedy, and after being with you, I want you to treat me a little better."

"Simon, for the sake of me liking you so much, can you treat me a little better? Just spoil me for a little bit so that I can also feel what it's like to be loved."

"Regina, I'm sorry." Kieran said apologetically to Regina.

"Simon, what I want is not your sorry, what I want is your heart!"

Regina stubbornly kissed Kieran's lips, "Simon, kiss me please can you kiss me?"

Kieran knew that Regina was his fiancée, his chosen woman, and it was only right that he should kiss her, but, he couldn't do it.

Kieran gently patted Regina's back, "Regina, you go back first, I still have things to take care of."

Regina's tears, uncontrollably rolling down, he still wouldn't touch her!

However, when Regina came over today, she did not want to have a deeper intimacy with Kieran. After all, she had just undergone IVF a few days ago.

She wiped away the tears at the corners of her eyes, her eyes glanced sorrowfully at Kieran before she quickly turned and ran outside Kieran's office.

In fact, the moment she ran out in tears, Regina's heart still held a trace of expectation, she expected Kieran to come out after her, but unfortunately, he did not.

Kieran was really not thinking of chasing her out.

Coaxing a woman is something he thought he would never do in his life.

He will marry Regina, and he will respect Regina, but only as much as he respects her.

He signed his name on the document, and looking at the book in front of him, Freya's face, again, began to play tricks on his mind.

He lit a cigarette and stood in front of the floor-to-ceiling window, looking out at the traffic.

The phone suddenly rang, it was Patricia calling, "Simon, the day after tomorrow is a once-in-a-lifetime auspicious day, why don't you and Regina get engaged the day after tomorrow?"

Chapter 475

The dazzling smoke, in front of Kieran, drew a circle and scattered away in all directions.

Kieran was silent for a moment, he seemed to be contemplating something.

The thin lips moved slightly, and a word that did not pour out any emotion came out of his mouth, "Okay."

Freya didn't want Kiki to feel bad, she was quite afraid that Kiki would know about what happened online.

But Kiki woke up and still found out everything that had happened online.

Kiki's face, somewhat white, but her expression, however, was surprisingly calm.

Freya hadn't worded it well to comfort her, but she came over to comfort Freya first, "Freya, don't worry about me, I'm not that fragile."

Freya knew that Kiki was not that fragile, but her heart just ached for Kiki!

Kiki tried so hard to stay close to the sun, how come there are so many people who have to stand in her way!

"Kiki, don't feel bad, me and Jaden and Jayla will soon find out the flaw and prove your innocence to the whole world! I will not only prove your innocence, but I will also find out the person who framed you and beat him up!"

"Okay, I'll beat him with you when the time comes." Kiki smiled, "Freya, you really don't have to worry about me, I'm sure everything will be fine."

"Kiki, the truth will definitely come out. But for the last few days, you'd better stay at home, I'm afraid that there will be extreme netizens who will hurt you again."

Hearing Freya's words, Kiki couldn't help but remember her last time when she was almost killed by that taxi driver and his companion, and her lips couldn't help but turn white.

She doesn't want to hide like she can't see anyone because of some inexplicable blackmail, but she doesn't want to give those who want to hurt her the opportunity to do so.

Afraid of Freya's uneasiness, Kiki hurriedly said, "Freya, don't worry, I'll stay in Kelsington Bay these days, I won't go anywhere."

Only after receiving Kiki's assurance did Freya stepped back out the door to go to work at the hospital.

Freya thought that Kelsington Bay was quite safe, after all, the security here was superb, but she did not expect that Christ would barge in like a bandit.

The maids inside the villa could not stop him at all, and since Freya had already gone out, Christ rushed in Kelsington Bay.

After Kiki finished her meal, she nestled on the sofa inside the living room, reading the online news.

She found that all the negative reports that had been all over the place in the morning had been blocked, but the netizens were still hurling abuse at her.

Kiki thought that after facing so much unpleasantness and going through the abuse again, she had become numb to it, but looking at the unpleasant messages on the internet, she realized that she hadn't been able to practice the skill of being invulnerable to all kinds of poison after all.

Kiki felt that she was simply asking for her own discomfort by continuing to read the various comments online.

She tossed her phone aside, intending to find a movie to enjoy.

Just as she turned on the TV, the door to the living room was violently thrown open and Christ rushed in in a fury.

The maid followed him in, "Miss Hartsell, Mr. Birkin had to come in, we didn't dare to stop him!"

Kiki didn't blame the maids, she just waved her hand and instructed them to go first.

After the maids left, only Kiki and Christ were left in the large living room.

Kiki lazily raised her eyelids and looked at Christ with obvious disgust in her eyes, "Christ, you're really haunting around me!"

"Kiki, why did you climb into Cayden's bed! Why did you climb into his bed!"

Christ's body carried a chilling anger as he looked at Kiki from above, his eyes surging with a tyranny of hatred, "Kiki, if you want resources, you want to get to the top, you can come to me! I will support you in whatever you want to play!"

"Kiki, why do you have to be so shameless as to hook up with a married man and make it known to the world! Kiki, what do you take me for, Christ!"

Kiki didn't say anything immediately, she just kept her posture leaning on the sofa, looking at Christ with a smirk.

Looking at that face, suddenly Kiki felt as if she understood something.

Previously, Kiki had always felt that the biggest reason she and Christ had come to this point, and that she had suffered so much, was because of the many misunderstandings between her and Christ, and the Penny that lay between them.

Now, she suddenly realized that the biggest problem between her and Christ was not a so-called misunderstanding, let alone someone else, the biggest problem between them was just that he did not trust her.

For a marriage, a relationship, sometimes, trust is more important than the so-called love, because, that unconditional distrust can destroy all the love.

Seeing that Kiki still had the nerve to laugh, Christ became even more furious, "Kiki, say it! You don't want to be coaxed and obeyed by me, but you want to find a disgusting old man. You are sick."

“Christ, I am sick if I find you!” Kiki was really too lazy to explain to Christ, who didn’t trust her at all, explaining was simply more of a waste of words.

“Christ, I just like to find older men, well, I just want to get on top by older men, what’s that got to do with you?!”

“Not to mention just looking for an old man, even if I were looking for a male dog, it has nothing to do with you! Christ, I’m already disgusted by you, you can get lost now!”

“Kiki!” Christ roughly grabbed Kiki’s shoulders, he stared at Kiki with gloomy eyes, he was just about to lean down his face and bite Kiki’s lips, but Quinn’s fist had landed hard on Christ’s face.

“Christ, I told you, don’t touch Kiki again!”

Christ subconsciously covered the injured area on his face, he did not immediately hit back at Quinn, instead he hooked his lips and sneered, “Quinn, you protect Kiki so much, only you don’t know what Kiki has done, right?!”

“Kiki had sex with Cayden! And Cayden’s wife caught them in bed!” The thought of ‘Kiki’ and Cayden in bed together was so unpleasant that it made Christ want to kill her.

He curled his lips grimly, “Heh! She serves Cayden really hard, she didn’t have that many positions with you, did she?!”

Chapter 476

Is there someone in your life who you once loved so much that you could give your life to him, but after half a lifetime of hardships, you want to take an axe and split open his head to see what kind of dross is inside?

Kiki felt that Christ was this kind of person for her.

Christ’s image in Kiki’s mind was already as bad as it could be, and now that he had said such words to Quinn, he had once again refreshed her thought.

Kiki’s lips were still curled in a careless smile, but her heart was wretched, embarrassed, and there was a touch of worry that even she couldn’t sort out.

Yes, she was worried that Quinn would be like Christ, who thought she was shameless.

That video, after all, was the real deal, and the first time she watched it, she herself thought the heroine in the video was her.

Quinn slammed another fist hard into Christ’s face, and he embraced Kiki into his arms, the tenderness and affection was in his eyes.

“Kiki, I believe the woman in the video is not you!”

Looking at Quinn’s wild but tenderly handsome face, Kiki only felt happy and had an urge to burst into tears.

This is Quinn, who believes in her unconditionally, no matter what happens.

Once, Kiki really envied Freya for being able to meet someone who believed in her unconditionally, and now she suddenly realized that, in fact, she also had a man who believed in her unconditionally!

“Quinn, do you really believe me?” Kiki’s voice was hoarse as she couldn’t help but look at Quinn and ask.

“Kiki, how could I not believe in you! You are the woman that I have decided to be, if I don’t trust you, it would be me not trusting myself.”

Kiki looked at Quinn in bewilderment, without much of a heartfelt confession, but these words were the most moving words of love Kiki had ever heard.

Perhaps because she was so moved, Kiki had forgotten that Christ was still standing angrily in the living room.

She reached out and hugged Quinn with all her might, burying her head in his chest, and said softly, “Quinn, thank you!”

Thank you for your willingness to believe in me and for clutching my hand when I was at my most embarrassed.

“Fool.” Quinn’s voice carried an inseparable dote. Kiki took the initiative to throw herself into his arms, this was a joy. He had also forgotten that Christ was still inside this living room, he leaned his face down and kissed Kiki’s lips hard.

Christ’s eyes ached, and finally, his heart ached.

Christ’s fists were clenched and he roared through clenched teeth, “Quinn, let go of Kiki!”

In fact, he regretted it just now after Christ had said those words.

As soon as he came across something about Kiki, he couldn’t control his sanity. Therefore, as soon as he saw that video, he was so angry that he almost went crazy and rushed over non-stop, wishing to dig out Kiki’s heart to see how dirty that heart really was.

But after calming down, he suddenly understood.

Kiki has Quinn, she could get whatever resources she wanted, why did she need to please that old man Cayden?

He looked at Kiki painfully and torn, he wanted to apologize to Kiki, but looking at the way Kiki and Quinn were kissing deeply, he could not say the words of apology.

He even sneered at Quinn and said, “Quinn, if you had watched the video, you would have known what Kiki’s mouth did to Cayden last night! Should I say that you are too sultry?”

“Shut up!”

No matter what Christ said, Quinn’s heart for Kiki would not change, but he could not allow Christ to say such unpleasant things to embarrass Kiki.

He let go of Kiki, and his fist went unceremoniously towards Christ’s body.

Christ wanted a fight just in time, he didn't budge, and his hammer-like fist, too, was flung viciously at Quinn's face.

In the blink of an eye, both Quinn and Christ were bloody on their faces.

Initially, Quinn was indeed unable to defeat Christ, he was, in fact, a very talented person, but he was just used to being cynical, and he was not willing to practice diligently.

After a few fights with Christ, he realised that his love rival was too powerful, and whenever he had time he secretly worked on his skills, and now when he fights with Christ, he doesn't fall into a disadvantage so easily.

"Quinn!"

Seeing that Quinn had received a punch to the jaw from Christ, Kiki was so anxious that she rushed to protect Quinn and said in a cold voice to Christ, "Christ, stop it! You are not welcome here! Please don't go crazy here! Get out!"

"Kiki, if I'm not welcome here, is Quinn welcome?!" Christ's eyes stern as he stepped forward and tried to grab Kiki's hand, but Kiki quickly hid in Quinn's arms.

Seeing Kiki's unconcealed dependence on Quinn, Christ's eyes were so red that they almost dripped blood.

His outstretched hand remained frozen in mid-air for a long, long time before he withdrew it.

"Kiki, come back to me! As long as you come back to me, I will help you clear up the negative news on the internet! Kiki, come back to me and no one will ever hurt you again!"

Kiki felt that this was really the number one joke in the sky when it was said by Christ.

The corners of her lips were curled with sarcasm, "No one will ever hurt me again? Christ, who can hurt me more than you?"

Kiki's words blocked Christ's speech for a moment. He looked at Kiki steadily, his dark eyes as deep as the sea, surging with huge waves, and finally, a little bit of silence.

"Kiki, do you have to let me rip out my heart before you're willing to come back to me?"

Kiki continued to laugh, "Christ, you really think too much, even if you cut out your heart and fed it to the dogs, between us, it would have been over long ago!"

"Christ, I beg you, please go around when you see me in the future, please don't ever appear in front of me again in your life and disturb me!"

Christ was so angry that his heart hurt, he abruptly raised his eyelids, and his eyes carried determination, "Kiki, the video you had sex with Cayden is now known to the whole world. Do you think that the Turner family can accept a woman who climbed into the director's bed in order to get to the top?"

Chapter 477

“Christ, you really don’t need to worry about this!” Without waiting for Kiki to speak, Quinn spoke coldly, “Christ, no one from our Turner family is that blind!”

Quinn seemed to have suddenly thought of something, and he quickly pulled out a beautifully folded piece of letterhead from his pocket.

“Kiki, this is what my mother asked me to give you.”

Kiki froze as she subconsciously took the piece of letterhead and opened it.

“Kiki, my precious daughter-in-law, the evil forces are too rampant and you have suffered! Don’t worry, Meaty and I believe in you! We will always be your strongest backing! Come on, baby!”

Kiki was amused by Paige’s last sentence, but looking at what she had written, her eyes, again, could not control the wetness.

Suddenly, she felt so happy!

“Kiki, what did my mother say?” Quinn could not help but feel a little anxious when he saw Kiki obviously smiling happily, but her eyes were guilty of being wet again.

He thinks his mum is a very enlightened person and will support him and Kiki, but he can’t see Kiki shed tears, what if his mum scolds Kiki?

“Paige said she believes in me and told me to cheer up.”

Kiki gently wiped away the tears at the corner of her eyes, “Quinn, I’m so happy!”

Christ stood in a daze as he looked incredulously at the piece of letter paper in Kiki’s hand. From his direction, he could roughly see what was written on that piece of letter paper.

Quinn’s mother, after watching that video, actually supported Kiki and Quinn to be together!

How can it be!

He suddenly felt that between him and Kiki, there would be no more possibilities.

The letter was so blinding that he couldn’t stay here for a minute, so he turned around in a panic and rushed outside.

Just as he arrived at the entrance, Christ’s mobile phone rang.

It was his mother, Evie, who called.

Evie’s voice had a distinctly worried tone in it, “Christ, did you see the news today?”

“Yes.” Christ knew that Evie was talking about Kiki’s matter, and he responded.

“Christ, being framed like this, Kiki must be very sad right now, this is a great time for you to behave, you must comfort Kiki. Tell her that we all believe her, the woman in the video can’t be her.”

After hearing Evie’s words, Christ really did not know what to say.

He is not a child who likes to talk to his parents, but today it was so hard for him inside that he could not help but talk to Evie more.

He said, "Mom, I've just been looking for Kiki."

"Really?" Evie's voice had a distinctly joyful tone in it, "You comforted Kiki, right? Was Kiki very touched? Did she say that she would give you another chance?"

"Mom, I didn't comfort Kiki."

Evie knew very well what kind of person her own son was, and when she heard the twisted and gloomy voice of Christ, her heart thumped.

Without Christ having to say much, she could guess how Christ had just sneered at Kiki, every word of which was heartbreaking.

Evie was so angry that she was gasping for air. The verbal injury was still light, but she was afraid that her son had also done some physical harm to Kiki.

It took a while for Evie to find her voice, but even when she was breathing normally, she didn't want to continue talking to her son.

"Christ, how did I give birth to a brain-damaged bastard like you! You deserve to be a bachelor for the rest of your life!"

After saying this, Evie was so angry that she simply hung up the phone.

After Christ left, Quinn tightly embraced Kiki into his arms.

"Kiki, don't worry, I won't let you be aggrieved. I'm going to hold a press conference now, I'll make it clear to everyone that the person inside the video can't be you."

"Quinn, leave it alone, I want to handle it myself."

Kiki lifted her face and looked at Quinn with immense seriousness, "Quinn, you've already helped me a lot, I'm grateful, I"

"Kiki, you want to piss me off, don't you!"

After yelling, he was afraid that he would scare Kiki, the relationship between the two of them was already unstable, so if he scared her away, what should he do?

Quinn is actually a very manly man. Among the women in the circle, who doesn't know that Director Quinn is a maniac and domineering!

But in front of Kiki, he was willing to lower all his posture and be willing to work for her.

In front of the woman he loves, even a cold and arrogant man is willing to show his gentle and considerate side.

"Kiki, I'm your man! You should get used to standing behind me and letting me protect you!"

Kiki's eyes could not help but become wet again. In all her years of living, it was the first time someone had told her to stand behind him and he would protect her.

She used to be so used to charging into battle by herself, and now suddenly she heard such words, she was so warm.

"Quinn, thank you." Kiki's voice suddenly became very, very low, "I will try to stand behind you."

"Kiki?!"

Hearing Kiki's words, Quinn was immediately overjoyed.

"Kiki, Kiki, my Kiki"

Quinn was too joyful, and he wanted to kiss Kiki.

Kiki felt that, for once, she seemed to have changed a little.

In the past, when Quinn kissed her, she didn't want to upset him and didn't even dodge away, but in her heart, she was crazy enough to want to escape.

But this time, all of a sudden, she didn't want to hide away.

Chapter 479

With these words, Nina was clearly putting all the blame on Kiki, she was close to saying that it was Kiki who had raped Cayden last night.

Kiki was directly exasperated by Nina, she had seen shameless people, but she had never seen such a shameless person!

Quinn was also refreshed by Nina's level of shamelessness. He did not care to hit a woman, but now, he really wanted to hit Nina.

Kiki clutched Quinn's hand with force before Quinn forcibly suppressed the anger in his heart.

Quinn, with his violent temper, definitely couldn't swallow this anger, but he was just afraid that if he acted impulsively, he would push Kiki into an even more embarrassing situation, so he held back for the time being.

When he saw the test sheets Nina flung out, the reporter rushed up and pressed the shutter, snapping wildly one after another.

"This lab report really shows that Cayden was drugged!"

"Yes, this Kiki is really shameless, in order to get to the top, she can even drug a person!"

"It's horrible, she's just openly destroying the relationship between the director and his wife!"

"Has Quinn been drugged by her?"

"I think it's possible! She'll do anything to get to the top!"

.....

Listening to the chatter of the onlookers, Cayden gained a lot of strength as he stepped forward, looking like a victim.

“Everyone, allow me to say something. My wife is right, I was really drugged by Kiki! She always wanted the female lead in *The Ballad of the Sparrow*, and I had a crush on someone else, so I never thought she would use such underhanded tactics to force me to use her!”

“But don’t worry, I only choose roles based on acting skills, not on connections! Even if she forced her way into my bed by such unorthodox means, the female lead in *The Ballad of the Sparrow* will not be her!”

“Kiki, shame on you!”

As soon as Cayden’s words left his mouth, a man in black with a hat rushed out from the crowd of onlookers, carrying a large basin of filth in his hands and throwing it at Kiki without a second thought.

“Kiki, aren’t you dirty? I’ll make you dirty today!”

The situation happened so suddenly that none of the journalists on the scene reacted. After a brief moment of bewilderment, they hurriedly and frantically pressed the shutter, trying to record Kiki’s most wretched scene.

Kiki did not expect such a sudden turn of events at the press conference.

Even though she was scarred all over, but every time she appeared in kind of public, she was exquisite and proud, and she dared not imagine the wretchedness of being splashed with filth in front of a large crowd.

Surprisingly, the large pot of filth was not poured over her, but all over Quinn.

Quinn turned around, he shielded Kiki with all his might, at this moment he was like a giant tree, able to shield Kiki from all the storms.

The man who threw the filth at Kiki was really quite extreme in character. Inside the basin he was carrying, there were rotten vegetable leaves, rotten eggs and some indescribable filth.

Rotten vegetable leaves mixed with all kinds of filth stained Quinn’s back and short hair, rotten eggs and some unpleasant juices dripped down from his head, but the man in the suit, even though he was covered in filth, could not hide his inherent noble arrogance.

Impressive!

All the people at the scene looked at Quinn at this moment and only had this feeling in their hearts.

For the first time, they found a towering man, tainted with dirt, to be somewhat miserably impressive.

Kiki was also impressed by the Quinn at this moment.

Looking at the smudges stained on Quinn’s face, Kiki suddenly realised that it seemed she had never looked at this face of Quinn properly.

The face, with its dark eyes, high nose, thin lips, and slightly raised, evil eyebrows, is no less beautiful than Christ's.

Kiki thought that she might really have been blind before, how could she not see such a good looking Quinn!

"You're fucking looking for death, aren't you!"

When he thought that if he hadn't blocked this tub of filth, it would have been poured all over Kiki, Quinn couldn't hold his temper any longer.

Straightening his long legs out, he grabbed the man in the cap and slammed his fist into his face with a vengeance.

The man in the cap was certain that Kiki, a weak woman, would not dare to fight back even if he splashed her, and he never thought that Quinn would protect Kiki like this.

He had a cynical heart but no good skills, and when he was fatally beaten by Quinn, he had no power to fight back.

"He hit me!"

The man in the cap was sure that there were so many reporters around and Quinn was a public figure, so he didn't dare to go too far, but Quinn didn't have the slightest intention to restrain himself, he directly kicked him hard in the mouth.

"Quinn, forget it!"

Kiki also wanted to punch this man, but she was afraid that if things went too far, it would affect Quinn's reputation, so she went forward and persuaded Quinn to stop.

Quinn couldn't get enough of the beating, but he didn't want Kiki to be worried, so he withdrew his hand. The man didn't dare to delay in the slightest, and fled away.

Kiki drugged and seduced a married man, and the famous director beat someone in public.

The reporters were so excited that they rushed to Quinn and Kiki in front of them, holding up microphones and asking questions.

"Quinn, are you angry because of Kiki?"

"Quinn, how exactly did you and Kiki get together? Did she drug you before?"

"Quinn, are you pl Penny to use Kiki as the female lead in your new movie?"

"Quinn, what do you think of Kiki's chaotic life style?"

.....

"Fuck you!"

Faced with these reporters who were indiscriminate and only wanted to desperately stir up trouble, Quinn was so angry that he directly uttered dirty words.

He originally wanted to clutch Kiki's hand, but his hand was covered in rotten eggs and was a bit dirty, so he hurriedly withdrew his hand.

"I'm telling you, Kiki is my woman, anyone who dares to talk nonsense again in the future is an enemy of mine!"

The reporters at the scene looked at each other in disbelief, they couldn't even imagine that a man of Quinn's stature would defend Kiki, an outcast from a wealthy family with a chaotic style.

A female reporter who had always admired Quinn's talent could not accept that her favorite director had fallen prey to the evil of Kiki, an outcast from a wealthy family, and asked Quinn in an indignant manner, "Quinn, Kiki is trying to seduce Mr. Birkin while drugging Cayden, so don't you mind she is dirty?"

Chapter 480

Dirty?

If not for the fact that the reporter in front of him was a woman and that Kiki was clutching his hand, he would have thrown a fist at her and smashed her face in.

But even if he hadn't done it this time, the piercing coldness in his eyes had scared the female reporter earlier.

She had prepared several more sharp questions to ask Quinn, but the look in Quinn's eyes was too frightening, as if, if she dared to say one more word, he would pounce on her and kill her by a thousand cuts.

The female reporter's body shivered uncontrollably and her lips moved, but she had the good sense to keep her mouth shut.

After hearing the female reporter's words, Cayden seemed to resonate with her, and he said to Quinn with a touch of ingratiating, "Quinn, as an experienced person, I would like to advise you, you can't just look at the face of a woman, but look at her character. To be honest, for a woman like Kiki, I really can't compliment her character, don't be fooled by her!"

Quinn does not beat women, but he will not show mercy to this shameless hypocrite Cayden.

He raised his fist violently and landed two thumps on Cayden's eyes.

This press conference was broadcast live, and Quinn's beating caused a very bad impact on the internet.

After all, as a public figure, no matter how hot-tempered you are, it's always wrong to hit someone in public.

"There's nothing wrong with Quinn beating up the one who threw the filth, if he threw it all over me, I would beat him up! But Cayden is a bit innocent, he just said a heartfelt word to him, and he was beaten up, so pitiful!"

"I want to hug Cayden so badly, it's bad enough that he's drugged at his age, but he has to be beaten up, so miserable!"

“Fortunately, Nina has bright eyes and firmly defends Cayden, or else Cayden would really be crying pathetically!”

“I blame Kiki, this shameless outcast, it’s not enough to wreak havoc on Cayden, she also wants to wreak havoc on Quinn!”

.....

Quinn didn’t care to pay attention to the developments on the internet right now, he just stared at Cayden with a sneer, his arrogant and unrestrained handsome face full of disdain and sarcasm.

“What kind of resources can’t my wife have?! Why would she need to find an old bald ass like you if you want to get to the top?!”

The whole room was amazed.

Just now, when Quinn said that Kiki was his woman, all the people thought that Kiki had seduced Quinn with unorthodox means and wanted to take advantage of the opportunity to rise to the top, but to their surprise, Quinn said that she was his wife!

Have they been secretly married for a long time?

The expressions of the journalists were somewhat subtle.

If Kiki had really become Quinn’s wife, it really doesn’t seem necessary for her to hook up with an old director who is old enough to be her father.

After all, although the resources under Cayden were good, there was still quite a gap compared to Quinn and the Turner family.

Hearing Quinn’s words, the netizens who were watching the live stream had exploded into a frenzy.

The netizens could only express their shock with an exclamation point that could almost swipe the screen.

Cayden hadn’t expected Quinn to say such things either, and he was so shocked that he was busy looking for his own quick-acting heart pills when he thought of the old bald ass Quinn had spoken of.

Although Cayden was scornful of the Turner family’s power, as a famous director, he also had a temper, and, as he had always thought, the woman from last night was indeed Kiki.

Cayden took the quick-acting heart pills Nina handed him and shoved them into his mouth, he took a few hard breaths before speaking in annoyance.

“Quinn, I was kind to remind you, but even if you didn’t appreciate it, you can’t beat me, your behavior is too much! I repeat, it was indeed Kiki who drugged me last night and climbed into my bed! Even if I could lie to you, would the video still lie to others?”

“Quinn, I’m here to kindly remind you once again, don’t be fooled by women who are not what they seem! Some people pretend to be pure and chaste martyrs in front of you, but they are dirty behind the scenes!”

Originally, when they heard Quinn say that Kiki was his wife, the reporters and the crowd were still somewhat skeptical about the authenticity of last night's incident, but now that they had heard Cayden say so, they no longer had any half-hearted doubts.

Even if Cayden could lie, but the video couldn't fool anyone, last night, Kiki had indeed done something shameless!

Besides, even if Kiki had married Quinn, so what! Some people are ungrateful and greedy, who knows if she'll do something shameful behind Quinn's back!

Not long ago, Kiki was committing suicide at Mr. Birkin's wedding!

After a few moments of silence, the journalists on the scene became excited again, holding up their microphones and scrambling to ask Quinn questions.

"Quinn, is what you said true? Did you really have a hidden marriage with Kiki?"

"Kiki hooked up with Cayden behind your back, the evidence is overwhelming, don't you feel disgusted to be with Kiki now?"

"What do your parents think? After knowing about Kiki's scandal, did they insist on opposing you and Kiki being together?"

"Quinn, you and Mr. Birkin are good bro, does Mr. Birkin know you're with his ex-wife?"

.....

"I repeat, there is no way my wife could have hooked up with that old bald ass! My wife was with me yesterday, how could she have been at the hotel! The woman in the video is not my wife at all, are you blind?"

The journalists on the scene looked at each other, they wanted to say, the woman in the video is obviously Kiki, you're the one who is blind, but they didn't have the guts.

It was still a young male reporter said quite courageously, "Quinn, we can all recognize that the woman in the video is Kiki! Quinn, Kiki has even cuckolded you, do you still want to defend her?"

Quinn had a grumpy face, which was a precursor to a temper tantrum. Kiki was afraid that he would beat someone up in public again, so she quickly clutched his hand with force.

Kiki's hand had miraculous calming function. One second ago, Quinn was so angry that he wanted to kill someone, and in an instant, he settled down.

She lifted her face and looked at Quinn with complicated eyes, she did not expect that Quinn would say something like she was his wife in public, did he not know that the current Kiki would get him into trouble if he said that?

Kiki lifted her face, looked at the obviously deliberately difficult reporter in front of her, and said word for word, "The woman in the video is not me!"

“Not you?” Without waiting for the reporters to speak, Nina had already spoken in a sharp voice, “That’s not what you said last night! You said that you were shameless and that you would never dare to do it again!”

Kiki did not argue with Nina, she just glanced at her with bland eyes, the corners of her lips slightly raised, as if she was mocking the indistinguishability of right and wrong in this world, the slightly raised chin proudly.

Kiki’s hands slammed and she took off her jacket straight away.
