

## Talented 661

### Chapter 661

She was so angry that she didn't even want to say a word to him.

Seeing the miserable smile on Freya's face, Kieran's heart ached, he was not good at coaxing women, much less any love words, but he finally decided to act physically.

Freya's petite body was wrapped hard into his arms, and she was just about to say for him to let her go, he turned around and had wrapped her hard in his arms.

"Freya, let's get back together."

The voice that does not allow for doubt, does not give Freya any room to refuse at all, Freya dreams of getting back together with him, but now, she just does not want to go along with his heart.

He did, in fact, call her cheap.

He humiliated her with the most unpleasant words and he threw away the proposal ring he had given her, and even, he did not hesitate to throw the bracelet she had given him away.

What he threw away was her beating heart.

"Brother, you said you won't get back together with me." Freya said truthfully.

"Freya, I take back what I said before." After a pause, he continued, "I regret that I'm getting back together with you. Freya, I've proposed to you, don't you dare leave me!"

"Proposal?" Freya's eyelashes, like butterfly wings, fluttered gently, and the aggression on her face could not be restrained.

"Brother, you did, and I said yes. But you seem to have forgotten that you have thrown away the ring you gave me."

Everything that night hurt Freya's heart.

Kieran was stunned, Freya was right, he had indeed thrown away the proposal ring he had given her.

In fact, he had picked up the ring later, but after he dropped it, the diamond on top of the ring was a bit loose, and he had to take it for fixing.

Seeing that Kieran didn't say anything, Freya didn't continue to discuss the ring with him, she got up from the bed and forced a smile, "I really think our current relationship is good, so don't take it so seriously."

In that way, her heart won't hurt so much.

Seeing Freya holding her clothes and going to the next room to take a bath, Kieran really wanted to chase her back, but he was ashamed when he thought of all the cold violence he had inflicted on her after he had proposed the break-up.

Freya is a positive girl. She was indeed quite down in the morning when she thought of something unhappy, but when she arrived at the hospital and faced the patients, her mind quickly returned to normal.

In fact, everything is already moving in the best possible direction.

Mr. Fitzgerald is no longer acclaiming to break up with her, he wants to win her back now and they can still be together again.

Maybe it was because she was too greedy, she just couldn't control the hard feelings in her heart, and she missed Mr. Fitzgerald before he lost his memory.

How nice Mr. Fitzgerald was back then, he wouldn't call her cheap, he wouldn't throw away the things she gave him, let alone their ring.

Much less would he make her heart ache so much.

And now, she has to be careful to please in order to get Mr. Fitzgerald to go back to her, and to keep him from getting jealous, she has to take off the wedding ring he gave her before he lost his memory.

She has to play little tricks on this love affair, like last night, when he got up in the middle of the night and she was actually awake.

She learned to act in front of Mr. Fitzgerald.

She didn't want to become an actress in front of the one she loved most. She loved him and wanted to face him as she was, but unfortunately, since he lost his memory, so many of the simplest things have become a luxury.

At noon, Stephanie and Cindy dragged Freya to the newly opened barbecue restaurant outside the hospital for dinner.

"Wow! That's a lot of balloons!"

Hearing Cindy's words, Stephanie rushed towards the window, "How come there are so many balloons? There seems to be writing on top of the balloons, I'm a bit nearsighted and can't read them."

Stephanie had a particularly vivid imagination, "So many balloons, it's like someone is going to confess their love to a girl. I'll get my glasses and see what's written on the balloons!"

"Stephanie, you don't need to take your glasses, I can see the words on the balloon."

"Freya ....."

Cindy distinguished the words on the balloon with some difficulty, "Freya, I like you."

After reading the words on the balloon, Cindy suddenly dawned on her, "Freya?! It couldn't be Dr. Stahler, could it?"

Seeing Freya standing quietly to the side, seemingly completely uninterested in the balloons flying in the sky outside, Cindy rushed to her excitedly, "Dr. Stahler, look! There are balloons floating in the square across the street!"

“The balloon even has your name on it! Dr. Stahler, it must be some young man who is confessing his love for you!”

Only after listening to Cindy’s words did Freya walk slowly to the window. The sky above the square opposite the hospital was indeed floating with balloons of various colours, with two large hot air balloons at the top.

Between the two hot air balloons, there was also a banner pulled up, Freya, I like you.

Freya half lowered her eyelids, she couldn’t really think who was so bored to make so many balloons.

“It should just be the same name, it can’t be a confession to me.” Freya said lightly, “Let’s go, let’s eat barbecue.”

“But Dr. Stahler, I think it’s a confession of love to you! It can’t be such a coincidence that it happens to have the same name as you, and the place where the confession is made is in the square opposite our hospital, this is clearly for you!”

Still lying on her back in front of the window, Cindy wouldn’t even move as she struggled to look down, and when she got a good look at the man standing in the square across the street, she couldn’t help but scream out.

“Mr. Jenkins! Dr. Stahler, it’s Mr. Jenkins!”

Hearing Cindy’s excited shout, Stephanie also hurriedly looked towards the square after putting on her glasses, and she was no less excited than Cindy.

She turned her face and waved her hand excitedly at Freya, “Dr. Stahler, look, it’s really Mr. Jenkins!”

Freya’s expression stiffened. Mr. Jenkins was such a low-key person, how could he suddenly make such a big show to confess his love to him?

Moreover, she had heard Patricia say before that she had made it clear to Joshua that it was purely a mess, and she thought Joshua would back off. How come his pursuit of her was still intensifying?

As the heir of the Jenkins family, Joshua’s every move has been chased by the media, and if he’s making such a big fuss, he’s trying to make headlines again!

Freya was just about to find a place to hide and not accompany Joshua in the headlines, but she heard Cindy’s excited shout again.

“Simon! Simon has also gone to the square! Freya, is Simon trying to witness Mr. Jenkins courting you? Simon really loves you like his own sister!”

## **Chapter 662**

When Joshua inexplicably released balloons in the square, Freya already had been confused, and now that Mr. Fitzgerald also appeared, she had a headache.

If he were to witness Joshua wooing her in public, the world would be in chaos!

Freya wanted to cry.

“Dr. Stahler, what are you still standing there for! Hurry up and go down! Mr. Jenkins and Simon are waiting for you down there!”

Freya sighed weakly, yes, both were waiting for her.

Cindy didn't feel Freya's low mood at all, as she continued to say excitedly to Freya, “Dr. Stahler, having such an excellent suitor as Mr. Jenkins, it is envious, and having such a good brother as Simon! Dr. Stahler, you are so lucky!”

Stephanie came over and pulled Freya's arm, “Come on, Dr. Stahler, let's get down there! Mr. Jenkins is so sincere, it's not good to keep him waiting too long! There's also Simon, he's a CEO who's on top of everything, he took the time to come over to witness your happiness, you should hurry up!”

Stephanie and Cindy are now completely immersed in the persona of Simon's good brother, and have forgotten how he made things difficult for Freya the last time he came to the hospital to see her.

“I will skip the barbecue for now, you guys just bring me back something to eat later. I'm a little sick and don't want to go out.”

Freya wrested her hand from Stephanie and Cindy's clutches and sat back in front of her desk, not going out to face both Joshua and Mr. Fitzgerald.

“Dr. Stahler, you're really not going to go down there?” Cindy glanced outside with some regret, “Mr. Jenkins is really devoted to you, you're not even going down, how sad he must be!”

As soon as Cindy finished saying this, Freya's mobile phone rang, and it was a message from Joshua.

“Freya, I'm waiting for you at the square opposite the hospital, today at noon, can we have a meal together?”

Cindy really wasn't trying to pry into Freya's privacy, she was next to Freya, it was hard for her not to want to see the messages on Freya's phone.

“Go! Dr. Stahler, why not go! Mr. Jenkins is inviting you to have a lunch! Mr. Jenkins is so handsome, just looking at him is pleasing to the eye, eating with him is simply a pleasure!”

Stephanie also said from the bottom of her heart, “Yes, Dr. Stahler, I also think that Mr. Jenkins is really nice, don't miss such a good man!”

“Cindy, Stephanie, I know you guys are doing it for my own good, but I really can't accept Mr. Jenkins's good intentions.” Freya did not want Cindy and Stephanie to misunderstand the relationship between her and Mr. Jenkins and said rather seriously.

Stephanie and Cindy glanced at each other and naturally understood that Freya still could not get over the pain of losing Mr. Fitzgerald.

Stephanie cleared her throat and said rather politely, “Dr. Stahler, I know you can't forget Mr. Fitzgerald. But when you live in the world, you have to look ahead. You are still so young, you still have a great life ahead of you, do you really intend to grow old alone?”

Cindy gently shook Freya's arm, "Yes, Dr. Stahler, we all know that you and Mr. Fitzgerald are very much in love, but you have to plan for yourself too! Mr. Jenkins is such a good man, if you miss him, you really have to regret for the rest of your life! Dr. Stahler, you have to try your best to grab your own happiness!"

Of course Freya would grab the happiness that really belonged to her, but her happiness was now standing next to Joshua, if she rushed down to listen to the confession of Mr. Jenkins, it was totally looking for troubles.

It's just that Mr. Fitzgerald's current status is too sensitive, so Freya can't say these words to them.

When Stephanie and Cindy saw that Freya was still silent, they thought that she was still immersed in her longing for the late Mr. Fitzgerald, and they both made eye contact, intending to help Freya to run towards a new journey of happiness.

"Dr. Stahler, I think you should really go down and meet Mr. Jenkins! Even if you don't care about hurting Mr. Jenkins, you can't let down the Fitzgerald family's good intentions!"

Hearing Stephanie's words, Cindy also hurriedly echoed, "That's right, how sincere is Simon! Leaving behind mountains of documents to come over and cheer for Mr. Jenkins, if you don't go down, Simon will be upset!"

Cindy rushed to the window and took a look out, then she quickly rushed back to Freya, "Dr. Stahler, look! I don't know if there's something wrong with my eyes, why do I feel that Simon's face looks so unpleasant?"

"Right, it's like someone owes him a few hundred million! Dr. Stahler, is it that Simon doesn't like to wait for people and he's angry that you're late in going down to let him witness your happiness?"

Freya "....."

Mr. Fitzgerald was so angry that he wanted to break her legs!

After taking a look at the square, Stephanie couldn't agree more with Cindy, "Yes, Simon's face does look very bad! Dr. Stahler, hurry up and go down, don't make Simon wait impatiently!"

Is Mr. Fitzgerald's face really unpleasant?

Freya walked to the window and looked down, her eyesight was very good, although she could not take in all of Kieran's expressions from this distance, she could still feel that Mr. Fitzgerald was very upset and unhappy in his heart right now.

The phone suddenly rang again, Freya grabbed it and took a look, it was a message from Mr. Fitzgerald.

"Freya, you're impressive!"

Freya's fingertips shivered. In front of Mr. Fitzgerald, although she would sometimes lose temper, but most of the time, she was still very timid.

After wimping out, she felt so ashamed of herself that she grabbed her phone and bravely sent him a message back, "Not that impressive."

“Heh!”

Through the screen, Freya could hear Kieran’s sneer. She winced indefensibly and was just about to send another sentence to brace herself, but her phone rang again.

“Freya, come down! Otherwise, you will suffer the consequences!”

### **Chapter 663**

Freya was scared of Mr. Fitzgerald in her heart, but now that she saw this obvious threatening message he sent her, she suddenly laughed.

Men are so fickle!

In the morning he had coaxed her to get back together with him, and now he dared to threaten her before she had even said yes!

Ha!

He’s so arrogant, she’ll never get back together with him in her life! She’ll just be a fuck buddy for the rest of her life, until she dies!

Although she was so angry, but after another glance at her mobile phone screen, Freya still had the sense to go downstairs.

Stephanie and Cindy were unaware of the affair between Freya and Kieran, and they naturally thought that Freya was going down there to find Mr. Jenkins.

They were most happy to see Freya’s second relationship, and they both glanced at each other and hurriedly followed Freya down, deciding to join Simon in helping to cheer Mr. Jenkins on.

After getting on the lift, Cindy still couldn’t help but sigh, “If only I could have a brother as good as Simon! I wish I could have such a good brother standing beside me when the handsome man woos me!”

Stephanie said without mercy, “Want a brother? You’d better find a boyfriend first!”

When she heard the word boyfriend, Cindy instantly defeated. Those who have been in love will never understand how sad it is to be single.

Although she doesn’t even know if her boyfriend is born now, she still envies Dr. Stahler so much for having such a good brother as Simon!

As Cindy was immersed in the desire for a brother, Stephanie also spoke with an enchanted expression, “I want a brother like Simon too! His cold and ascetic face makes him a super sisterly man! If I were his sister, I would die of happiness!”

Freya did not take the same lift as Cindy and Stephanie, so naturally she did not hear their conversation.

If she had listened to them, she would have had to roll her eyes straight away.

This time, Joshua really wasted a lot of manpower and resources, and the balloons in the sky were still increasing rapidly at a rate visible to the naked eye.

Freya stood at the entrance of the hospital, somewhat lost in thought, looking at the balloons in the sky. Once upon a time, there was also a man who had released a large portion of the night sky with lanterns and proposed to her in a shower of rose petals, only unfortunately, that man had forgotten the most beautiful memories between them.

The sound of Joshua releasing hydrogen balloons in the sky was so great that it attracted many people to gather around. Some people also recognised that the two men standing in the middle of the square, one was the famous Simon, and the other was Mr. Jenkins. Pedestrians stopped to look around and take pictures.

Kieran was oblivious to all of this. His eyes were locked on his mobile phone for an instant, his phone was slow to receive a message back from Freya, and his face grew darker and darker.

The veins on the backs of his hands pulsed with intensity, especially when he saw Freya standing in front of the hospital, his temples started to throb.

This woman is really coming down!

Kieran followed Freya's line of sight and also slowly looked upwards. When he realised that she was looking at the roaming hydrogen balloons, his handsome face went straight to black.

Heh!

She's so absorbed!

Was she, in fact, touched by this Mr. Jenkins's childish wooing tactics?

Kieran, who has always been temperamental, was so angry with Freya that his handsome face began to contort and, well, he wanted to break her legs.

Originally, the onlookers were having fun taking pictures, but Kieran's handsome face was so dark and dreadful that they didn't dare to continue taking pictures of him with impunity.

Joshua does not like people taking pictures of him either, but today is an exception.

He has always kept a low profile and is not good at doing romantic things to please girls, but after Patricia talks to him, he plans to break the ice and chase Freya.

Patricia said that she should not have set him up with Freya, and she also hoped that he and Freya would be fine as friends in the future.

But Joshua did not want to be friends with Freya.

He knew her when she was underage and he waited for her to grow up, but when she did, she was with someone else.

Now that she's finally single again, how could he possibly give up on the girl he's been waiting for all these years!

Joshua knew that today Freya would most likely reject him, but he believed that sincerity would lead to success, as long as he tried, she would accept him one day.

There was another very important reason for him to make such a big show today; the man standing next to him gave him a strong sense of crisis.

Simon and Freya are destined to be together, but the man's intuition still tells him that Simon is his greatest love rival.

When Cindy and Stephanie came out, Freya was still standing stupidly in front of the hospital, Cindy quickly pushed her, "Dr. Stahler, what are you doing standing here! Mr. Jenkins is across the street! Go, use your enthusiasm to conquer Mr. Jenkins!"

Before Freya could return to her senses, she was already being dragged across the square by Stephanie and Cindy.

So many hydrogen balloons almost covered the colour of the sky overhead. Freya thought in a bit of a trance, "Is it considered disturbing the peace and order for Mr. Jenkins to release balloons?"

It seems to require a fine.

Seeing Freya coming over, the smile on Joshua's face grew warmer and warmer. He wore a pure white high-end custom-made suit today, which set off his eyebrows like a painting and his grace, just like Prince Charming coming out of a fairy tale.

"Freya, you've here."

From the moment she left the hospital gate, Freya had been in a state of mindlessness, and she didn't even notice that Joshua had taken her hand.

On the contrary, Stephanie and Cindy were even more excited than when Mr. Jenkins held their hands, and they both exclaimed in an exaggerated manner, "Mr. Jenkins is so handsome! Dr. Stahler is so happy! Dr. Stahler, say eyes, whatever Mr. Jenkins says, say yes!"

Originally, Joshua was quite unsure of what to do, but after hearing this from Cindy and Stephanie, his heart suddenly grew a lot more confident.

He and Freya are still blessed by many people when they are together.

Hearing Stephanie and Cindy's exaggerated voices, Freya woke up with a start, seeing that her hand was grabbed by Joshua, she subconsciously wanted to pull it out, but Joshua was terrifyingly strong, so she could not pull it out.

Joshua really wants to kill her today, doesn't he!

It wasn't just Joshua who wanted her dead.

Cindy even smiled and came up to Kieran, "Simon, can I follow Dr. Stahler and call you Brother Simon? Brother Simon, you're so good to our Dr. Stahler! You're really the best brother!"

## **Chapter 664**

Brother?

Kieran's handsome face was unpleasant, and Freya had no doubt that Cindy would be dismembered by him in the next moment.

Cindy was completely unaware of the danger, she was still immersed in her yearning for Simon, "Brother Simon, I know you're here to cheer for Mr. Jenkins! I'm so jealous that Dr. Stahler can have such a good brother like you who is willing to witness her happiness!"

Stephanie senses that the atmosphere is not quite right, but when she thinks of the media saying that Simon has a super iceberg face, she is relieved.

Simon is so nice to his sister, he must be cold-faced and warm-hearted! She can't be fooled by the cold and false surface of Simon!

With this in mind, Stephanie chimed in, "Brother Simon, let's cheer for Mr. Jenkins together!"

Stephanie felt that since Simon was so good to Freya, she should say a few words for Freya, and after thinking about it, she said in a hurry, "Brother Simon, our Dr. Stahler often talks about you, she says you're the best brother in the world!"

Stephanie referred to, "Our Dr. Stahler has praised you so much, in the future you, as a brother, have to love your sister more!

Best brother?

"Heh!"

A cool sneer escaped from Kieran's thin lips. Cindy and Stephanie looked at each other. Why did Simon look so disgusted and disdainful?

In the end, Stephanie and Cindy agreed that the high-cold CEO had a special way of expressing himself, and his "heh" should mean that he agreed with their words.

Having received Kieran's approval, Stephanie and Cindy almost exerted their energy to give Freya a wink, signalling her to hurry up and get intimate with Mr. Jenkins.

The corners of Freya's lips twitched, these two teammates of hers were about to get her killed, and they still had the nerve to throw winks at her?

If Mr. Fitzgerald broke her legs, she must break theirs too!

Kieran's eyes, knife-like sweeping down on Freya's face, she weakly pulled the corners of her lips and turned her face to look at him, "Brother....."

"Heh!"

Stephanie felt that something was wrong, she asked Cindy with her eyes, isn't there something strange about Simon! Is that his way of doting on his sister?

Cindy raised an eyebrow at her, have you read any domineering CEO novels? Maybe Mr. Fitzgerald is outwardly strange to Dr. Stahler, but secretly spoils her?

"Brother, why did you come over? You're so busy, you go back first."

Freya decided to talk to Joshua today, so that she would not have to be so frightened every now and then, but before she could talk to Joshua, she had to send Kieran away.

“Heh!”

Kieran snored.

Kieran’s cool laugh scared off another wave of spectators, and Joshua wearily glanced at him as if inadvertently, his eyes then locked on Freya’s face.

“Freya, the words on the balloon are what I want to say to you.”

“Freya, I know that you still can’t let go of Mr. Fitzgerald in your heart right now, you don’t like me that much, but I can wait, I will wait for you to see my presence.”

“Freya, I didn’t come here today to force you to accept me, I just want you to know that I’ve always been there.”

“Mr. Jenkins, do you have time now? Let me treat you to a meal.” Freya was a kind girl, she didn’t like to make Joshua ashamed in public.

If she were to say something desperate to him in front of so many people, it would not only be a shame for Joshua, but also for the Jenkins family.

She wanted to take a gentle solution to make Joshua completely aware of the problem.

Joshua did not expect Freya would take the initiative to invite him to dinner, he was immediately overjoyed, his lips curved up, “Sure.”

“Dr. Stahler has taken the initiative to ask Mr. Jenkins to dinner!” Cindy was excited, “Does Dr. Stahler count this as accepting Mr. Jenkins?”

“Sure! It’s the first time I’ve seen Dr. Stahler take the initiative to ask a man to dinner!” Stephanie said rather emotionally.

“Brother Simon, you’re so impressive, as soon as you stepped in to cheer for Mr. Jenkins, Dr. Stahler immediately accepted him!”

Cindy was feeling that the aura of this man was quite scary, but thinking that she had Freya as her backer, she still had the courage to say to him, “Brother Simon, Dr. Stahler must respect you!”

Kieran’s brow knitted tightly and tightly, why did he feel that this was the word to use for an old man? Was he that old in the mind of that woman?

“For sure! Dr. Stahler has always respected the old and loved the young, so of course she has special respect for Brother Simon!”

Respected for the elderly and loved the young?

Heh!

He really was old in that woman’s eyes!

The restaurants outside the hospital were too crowded at noon, so she decided to choose a quiet place to talk to him.

“Mr. Jenkins, let’s go over to Arkpool City University for dinner.” She knew that there was a very elegant French restaurant over at Arkpool City University, and at noon, there were few customers inside the restaurant, and there were separate private rooms, which were perfect for talking.

The point is, Arkpool City University is quite close to the Hospital.

“Okay.” Joshua obeyed, he raised his hand in a gentlemanly manner and tried to take Freya’s hand, but she avoided it.

His heart was now rejoicing and he didn’t care about Freya’s deliberate distance, he rather thoughtfully opened the way for Freya, “Take my car, I’ll go and bring it over here.”

Seeing that the male protagonist of this courtship had already left, the audience no longer gathered around, and the only four people left in the large square were Freya, Kieran, Cindy and Stephanie.

Cindy gave Stephanie a strong push, “Stephanie, what are you still frozen here for? You don’t want to go and be third party, do you?”

“No! Let’s go eat barbecued meat!”

Seeing that Kieran was still standing still, Stephanie said thoughtfully, “Brother Simon, you surely won’t be a third party either, right? Why don’t you come with me and Cindy to have a barbecue?”

Kieran didn’t even look at Cindy, instead his eyes fell straight on Freya’s face, “Freya, I’m the third party for you and that man?!”

## **Chapter 665**

Cindy and Stephanie were both a bit confused, according to reason, Simon was so supportive of Mr. Jenkins and Freya being together, his relationship with Mr. Jenkins should be very good!

Moreover, Simon’s aura was so scary and frightening that they were too scared to talk to him.

Cindy and Stephanie glanced at Freya, gesturing for her to say something, not to let Simon continue to release such a terrible low pressure, they felt that, if this continued, they would all be frozen to death by Simon.

“No ..... no .....,” Freya said softly.

Cindy and Stephanie’s brains got more confused, what the hell is going on here! Why does Dr. Stahler look so scared of Simon!

But they can’t blame Dr. Stahler for being timid, Simon is too scary, it’s normal to be afraid of him!

It’s just that it’s a bit out of character for Mr. Fitzgerald to be so mean to Dr. Stahler.

Just as Cindy and Stephanie were about to be crushed by the low pressure on Kieran’s body, Joshua finally drove the car over.

Instead of sitting in the car and waiting for Freya after parking outside the square, he thoughtfully got out of the car and walked over to Freya, "Freya, I'm bringing the car over, let's go over to Arkpool City University."

Seeing Joshua, Cindy and Stephanie took a breath at the same time.

The two of them, both simple and joyful people, could not stand this depressing atmosphere and they both wanted to do something to lighten the mood.

Almost as if their hearts were in sync, Cindy and Stephanie spoke at the same time, "Mr. Jenkins, you haven't kissed Dr. Stahler yet!"

Cindy was the best at creating a disturbance, and without waiting for Kieran to say anything, she excitedly clapped her hands and shouted, "Kiss her, kiss her!"

Freya, "....."

What kind of grudge did she have against them? They wouldn't stop until she was dead!

When there were too many people, Freya didn't want to make Joshua awkward in public, but now that there was no one else around, she didn't want Cindy and Stephanie to continue to misunderstand.

She was just about to tell them that the relationship between her and Mr. Jenkins was not what they thought, when Kieran had already spoken with a cool smile, "Freya, dare you try?"

Freya pouted, she really didn't dare.

"Brother, me and Mr. Jenkins, we ....."

Before Freya could finish her sentence, Cindy heartlessly cut her words off, "Dr. Stahler, Simon has given an order for you to kiss with Mr. Jenkins, why don't you hurry up?!"

How could there be such a silly girl under the sky? He was not ordering her to kiss Joshua, but gave a threat.

Although Stephanie always looks like a heartless and silly girl even in her normal life, she is not as naive as Cindy.

Just now she had already sensed that Kieran was a bit out of sorts, and now that he said that, she could even sense the tense in the air.

This comment from Simon sounded like he was jealous.

"Freya, everyone is so looking forward to our kiss, shouldn't we satisfy them?" Joshua deliberately misinterpreted Kieran's meaning and said with a gentle smile as he looked at Freya.

In fact, Joshua knew in his heart that it was impossible for Freya to agree to kiss him, but when one falls in love with someone, one can never help but have extravagant hopes that one should not have.

For example, at this moment, Joshua even hoped that, by a miracle, Freya would take the initiative to kiss him.

"Heh!"

The chill is bitterly cold.

Freya instantly got goose bumps, she just wanted to rub her arms so as not to be so cold, but Kieran had already grabbed her hand without a second thought.

Stephanie and Cindy almost stared out of their eyes at what was going on.

He forcibly held hands with his own sister? Even jealous of his future brother-in-law?

“Freya, you want to be intimate with him that much?!”

“I didn’t .....” Freya subconsciously denied it, she didn’t want everyone to know about their inappropriate relationship, and as she was about to pull her hand out in a hurry, but he tightened it a little more.

Kieran clutched Freya’s hand in public, and Joshua’s warm, handsome face took on a hint of cold.

He smiled stiffly at Kieran, “Simon, you’re overstepping the mark! Freya is now your sister!”

“Sister?” Kieran sneered, “Freya, you really want to be my sister?!”

“Brother, Mom said I’ll be her daughter from now on, so in terms of generation, I’m your sister.” Freya’s voice was small, but she said stiffly.

If everyone knew that she was with him now, there would be chaos!

So, in front of outsiders, she had to keep her distance from him.

“Brother, you go back first, I want to talk to Mr. Jenkins, I’m going over to Arkpool City University.”

Saying this, Freya tried to wrestle her hand out of his grasp.

She failed.

Not only that, the next second, Kieran directly pulled her into his arms, without giving her the slightest chance to refuse, his lips then pressed down fiercely.

Freya’s eyes suddenly rounded as she was kissed by him straight away.

Her brain, in turmoil, was now thinking that he was Simon and she was Kieran’s wife!

The people who were dumbfounded were not only Freya, the expressions on Stephanie and Cindy was shocked, they looked at each other and asked silently, what on earth was going on here?

Not a trace of warmth could be found on Joshua’s handsome face.

He forced himself to remain calm, but there was still a piercing chill in his voice, “Simon, what are you doing?! Let go of Freya!”

“Brother, let go of me!” Freya was so shocked by Kieran’s action that her heart was about to stop, she scrambled out of his arms, tried to hide the unnaturalness on her face, “Brother, are you drunk?!”

“Freya, I’m sober.” Kieran’s eyes were frighteningly bright, and he said to her word for word, “Freya, tell them what our relationship is!”

## Chapter 666

“Brother, you ..... you’re my Brother .....

Freya was not afraid of the cold words in this world, but she was afraid that it would damage Mr. Fitzgerald’s reputation, and against Kieran’s numbing stare, she still said with a clear conscience.

“Heh!” Kieran laughed sarcastically, “Freya, you really think of me as a brother!”

“Yeah, I treat you like a brother.” Freya’s voice was getting smaller and smaller, Mr. Fitzgerald was so intimidating that she was about to cry.

“Freya, say that again?!”

Kieran stepped forward, and the powerful sense of oppression emanating from him made Freya gasp for breath.

“Say it! What exactly is our relationship!”

Joshua really felt that Kieran was being a bit too aggressive, he quickly stepped forward and blocked in front of Freya, “You’re going too far! Freya truly treats you like a brother, yet you bully her, don’t you feel ashamed?”

“Go too far?” The smile on the corner of Kieran’s lips got colder, “Freya, you don’t even dare to admit the relationship between us, aren’t you going to far?”

“Say it, what exactly is our relationship!”

Kieran pushed so hard, Freya was really anxious and angry. He told her tell the public about their relationship, was he going to destroy his reputation?

He was so terribly angry today, and so incomprehensible, Freya was timid, but now, she had also lose her temper.

What kind of relationship could there be between them? It’s just about sex at best!

“Brother, it was you told me to say our relationship!”

Freya moved her lips, but before she could say the next words, Kieran could clearly tell from the shape of her lips that the first word she wanted to say was “sex”.

“Freya, you’re awesome!”

This woman would rather say that they were in that kind of relationship than admit that they were lovers!

That’s awesome!

Kieran naturally did not want Freya to say that they were in that kind of relationship, but he couldn’t really beat her up, he was so angry that the veins on his forehead jumped up. With a force, he grabbed Freya’s hand and moved forward.

“Brother, let go of me!”

Freya's face was as white as paper, she wanted to keep a tight lid on their illicit relationship!

Kieran did not want to let go of her at all, not only that, he also intensified his efforts, directly carrying her like a sack.

Joshua did not expect Kieran to do such a thing to Freya in public, and the moment he was dazed, he had already rushed into the car with Freya.

Cindy and Stephanie seemed to be petrified, and it took a while for them both to come back to their senses.

Cindy stammered and said to Stephanie, "Stephanie, what is this situation? How could Dr. Stahler and Simon ....."

"Just now, I saw Simon forcibly kiss Freya, and I saw him carry Freya ....."

Stephanie was slightly more perceptive than Cindy, "Dr. Stahler seems to be with Simon. However, Dr. Stahler seems to have been forced by Simon."

"Didn't you notice that just now Dr. Stahler had been reluctant to go near Simon? It was Simon who kept bullying and enticing Dr. Stahler to talk about their relationship. I suspect that Simon coveted Dr. Stahler's beauty and force her to be with him!"

"What to do then? Wouldn't Dr. Stahler be miserable? Should we go and get Dr. Stahler back?" Cindy asked with a worried look on her face.

"It is difficult!" Stephanie spoke slowly, "The two of us combined are no match for Simon, if we go to save Dr. Stahler, we will only be crushed to death by him! But Cindy, we mustn't tell anyone about this today."

"Dr. Stahler would be sad if everyone knew that she was being cornered by Simon!"

Joshua hand clenched into a fist, he stared deadly at the direction Kieran's Koenigsegg left, he also felt that Freya was forced by Simon, after all, just now she was so reluctant to go with him.

Freya only had Mr. Fitzgerald in her heart, how could she possibly get entangled with Mr. Fitzgerald's own brother!

His power is no match for Simon's, but he will find a way to save the woman he loves from the clutches of the devil!

Freya, who was trapped in Kieran's clutches, had no idea that she had become a pitiful girl in the hearts of her own colleagues and Joshua.

She especially wanted to get out of the car and explain their relationship to Cindy and Stephanie, so as not to let all sorts of gossip fly around.

She tried to communicate with Kieran, "Brother, can you let me off? Stephanie and Cindy are sure that we are together, if this becomes public knowledge, it will ruin you!"

"Freya, I'm not as weak as you think!"

After a pause, Kieran continued, "Freya, if we are together, we can't hide it for the rest of our lives, sooner or later the whole world will know about it! So stop trying to deny the relationship between me and you!"

"Brother, actually we don't have much of a relationship with each other then, there are many fuck buddies now."

She didn't dare to admit their relationship, Kieran was already upset enough, and now that she was talking about the words fuck buddies, his face became even darker and darker.

"Freya, what do you take me for? You take me as a pimp, don't you?!"

Freya was aggrieved, she had never treated him as a pimp? It was obvious that he had treated her like a prostitute.

This man was unreasonable, Freya didn't want to care about him anymore, she turned her face to the side and uttered, "Brother, think what you like!" And then she didn't bother to talk to him again.

Is she really treating him like a pimp?

Kieran jerked the steering wheel, the Koenigsegg turned into a side alley inside, he quickly got out of the car, sat next to Freya in the back seat, and then kissed her.

"Freya, you are my fiancée!"

"No!" Freya subconsciously denied, "Your fiancée is Regina!"

Thinking of something, Freya continued, "Oh, you can also go to Diana! You personally sent me a message the other day, and you said that the scandal between you and Diana was true!"

"Yes, Bradley even told me that the noise you and Diana made circled the whole building!"

Kieran, "....."

He tossed up all this mumbo-jumbo. When he and Freya quarreled, he could be angry with her, but when he tried to make up with her, it really is a dark history that can't be jumped.

Kieran didn't like to explain, but in order to coax Freya, he still planned to be patient and explain to her.

As he was just about to speak, his mobile phone suddenly rang. Seeing that it was an unfamiliar number, he thought better of it and picked it up.

As soon as the phone was connected, Diana's voice came out, "Simon, now everyone knows that I'm your woman! I'll come over to keep you company tonight, okay?"

## **Chapter 667**

Diana was actually ashamed when she was thrown straight out of Kieran's office that day.

But after she deliberately sent the photos to the press and made the scandal between her and Simon known to the world, Simon didn't look for trouble with her, and even, he didn't even try to stop the spread of the scandal.

Simon was in the hearts of countless women in Arkpool City!

After he took over the helm of Fitzgerald's, there were no other scandals on his body, except for the scandal with Regina.

With his ability, if he didn't want the scandal to spread, he would have a thousand ways to stop it, and this time, he didn't curb the spread of the scandal, is it possible that he actually doesn't hate her as much as he shows?

People are always greedy, will have extravagant expectations. Looking at the increasing rumors on the Internet, Diana's heart has a touch of expectation that should not be there again.

What if Mr. Fitzgerald is just cold and icy in front of people but warm behind the scenes?

That way, she might still have a chance.

Diana actually knew in her heart that it would be a bit tough for her to really become Simon's wife, but marrying into a wealthy family was too tempting, and even though she knew the chances were slim, she still wanted to give it a shot.

When she didn't get a response from Kieran, Diana didn't get angry, her voice, more and more delicate and soft like water, "Simon, if you don't say anything, I'll take it as a yes from you! Tonight, we'll meet at our usual place."

After saying this, Diana hung up the phone with a sense of satisfaction.

Kieran didn't say anything just now, not because he had become mute, but he really felt that what Diana had just said was inexplicable and he just wanted her to get lost.

What's more, he was now so close to Freya's face, and his phone was super close to Freya's ear, so Freya could hear it all what Diana was saying on the phone.

He wasn't in the mood to deal with Diana, an inexplicable woman, right now; he just wanted to not let Freya's misunderstanding of him grow.

Before he could think of the wording how to explain to Freya, her cool laugh reached his ears, "Usual place? Brother, you and Diana still have an usual place! It's quite nice!"

"What, tonight, you're going to be at your usual place?"

"Freya, no usual place!"

Kieran's eyes stared profoundly at Freya's face as he continued to say word for word, "I didn't touch Diana. That night, Diana did enter my office, but she was finally thrown out by me."

Bradley had explained to Freya about the scandal between Kieran and Diana, and she naturally knew that there was nothing between them, but now, she was just all upset.

Seeing that Kieran didn't say anything, Freya continued with a cold smile, "Brother, go find Diana now! After all, the whole world knows she's your woman!"

Angered by Freya, Kieran sank his face and said to her incomparably serious, "Freya, Diana is not my woman! That day I sent you a text message admitting the relationship between her and me, just to piss you off."

The more Kieran explained, the more humiliated he felt, he had never been so humiliated in his life.

But in order to coax this woman, he didn't mind disgracing himself to the end, "Freya, the message Bradley sent to you was also a deliberate lie, I didn't touch Diana."

"Freya, I was angry before, I was angry that you used me as a stand-in, I was angry that you didn't have me in your heart."

Freya also did not expect Kieran, who was so unattainable, to be patient and explain so much to her.

But the thought that he had thrown away all the tokens of affection she had given him, and that the proposal ring was still missing, made her feel uncomfortable.

She tilted her face to the side to keep him from seeing the softening of her attitude, "Brother, I said it's none of my business whether Diana is your woman or not, you don't need to explain to me!"

"Brother, let go of me! I really have to go back to the hospital, I have a lot of work to do this afternoon and I don't want to work late."

Seeing that Kieran still had no intention of letting go of her, Freya gritted her teeth and added, "Brother, if you don't let go of me and make me late for work this afternoon, I'll definitely hate you even more!"

Freya's words really worked, and fearing that she would hate him even more, Kieran hurriedly let her go.

Freya got up, grunted at him arrogantly, and turned to run quickly outside the alley.

Kieran actually wanted to take her back to the hospital and share a lunch or something, but the dislike she showed for him was too obvious and he was afraid that the more he pushed, the more he would be disliked.

He was in no hurry, as long as he was sure she had him in mind, he had all the means to stand by her side in name only.

The thing that bothered him most was that Freya treated him as a stand-in for his brother, and last night, she called out to him in her dream, making him feel that she had him in her heart.

Since she has him in her heart, and she has taken the first step towards him, he will take the remaining ninety-nine steps and make her heart, completely, his!

When Freya only returned to her office, Cindy and Stephanie came over nervously.

The other colleagues in the office hadn't come over yet, and now there were just the three of them. Cindy looked at Freya heartily, "Dr. Stahler, did Simon do anything to you just now? Did he bully you?"

Stephanie still couldn't believe the relationship between Freya and Simon, she couldn't help but ask, "Dr. Stahler, are you and Simon really in that kind of relationship?"

## **Chapter 668**

Freya really didn't know how to explain, after all, the kissing and hugging had been seen by Stephanie and Cindy, so her explanation would only make things worse, so she simply kept quiet.

Seeing that Freya did not say anything, Stephanie and Cindy had believed that Freya was admitting the inappropriate relationship between her and Simon.

Cindy slapped the computer desk in front of her with righteous indignation and yelled, "This is outrageous! Even if Mr. Fitzgerald is rich and handsome, he can't bully you! He's no different from robbing a girl by force!"

Stephanie was also unjust for Freya, "Yes, Simon is too hateful! Dr. Stahler, you're his sister-in-law, but after Mr. Fitzgerald had been gone, he didn't treat you like a sister, but he even forced you! His evil deeds are simply too numerous!"

Freya took a sip of coffee. This is too much, right?

How come they made Mr. Fitzgerald sound like an unforgivable bully who robbed people by force, while she turned into a pitiful girl?

Obviously, after Mr. Fitzgerald lost his memory, it was she who took the initiative to seduce him first, okay?

Freya suddenly felt that Mr. Fitzgerald was so aggrieved and pitiful, she couldn't even bear to continue to be angry with him.

What Freya was most worried about was actually that Cindy and Stephanie would spread the news of their illicit relationship to everyone, she put down the cup in her hand and said rather politely, "Cindy, Stephanie, can you keep the matter between me and Brother a secret?"

Cindy nodded heavily at Freya, "Dr. Stahler, don't worry, I won't say anything about Simon forcing you! I am determined to defend your reputation! But I also firmly despise such bullying behaviour of Simon!"

"I also despise Simon!" Stephanie also gritted her teeth and said, "This kind of man with a human face and a beast's heart is so hateful!"

Well, as long as their incestuous relationship doesn't get out.

He was wrongly accused of being a bully and was a bit aggravated, so she would go back and coax him.

Stephanie and Cindy were willing to keep her secret, and Freya silently breathed a sigh of relief, now, the only thing she was worried about was Joshua.

She was just about to call Joshua when her phone rang, it was Joshua calling.

After she picked up the phone, his worried voice came over the phone, "Freya, where are you now? Did he bully you? Send me your location, I'll go over to rescue you now."

"No need ....."

Freya said weakly, "I've gone back to the hospital now, he didn't bully me."

“Freya, I’m sorry, I’m useless, I didn’t protect you well, that’s why I let Simon take advantage of you! Freya, don’t worry, from now on I will definitely protect you well and will never let Simon force you like that again!”

Freya, “.....”

How come even in Joshua’s heart, she has become a pitiful girl!

She really wanted to shout to the heavens, “Mr. Fitzgerald didn’t force me, it was me who forced Mrs. Fitzgerald!

But she didn’t know Joshua very well, and she certainly wouldn’t say such things to him.

All she wants now is for Joshua to not spread the news about her and Mrs. Fitzgerald to the world.

“Mr. Jenkins, can do me a favor? Can you not tell anyone about what happened between me and Brother today?”

“Freya, don’t worry, I won’t tell anyone about what Simon forced you to do. Freya, don’t feel bad, everything will be fine.”

“Mr. Jenkins, thank you for keeping my secret, but there is something that I want to make clear to you.”

Freya knows that some words really hurt when they are said, but dragging them out hurts even more.

Make it quick, it may hurt at the time, but you will reap better happiness when you pull out of it.

“Mr. Jenkins, please, in the future, don’t waste any more time on me. The person I like is not you, and no matter what you do, I can’t possibly like you. Mr. Jenkins, you are a very good man and you deserve a better girl.”

“Freya, you are worried that if we are together, Simon will ruin it, right?” In Joshua’s voice, the warmth slowly converged and instead floated a touch of unspeakable firmness, “Freya, don’t worry, although I am not as powerful and wealthy as Simon, I will do my best to protect you.”

“Freya, I know you are worried about me and are doing me a favour, but I will not accept such a favour. Because, the only thing that will make me happy is to be with you.”

Hearing Joshua’s words, Freya was speechless.

How could he think that she loved him deeply and feared for his personal safety when it was clear that she disliked him and rejected him?

It’s not good to be too confident, he was so confident that he didn’t believe a woman would reject him!

Freya wanted to say to Joshua that he was overthinking, that she wasn’t worried about him at all, that she just purely disliked him.

But before she could say these words, Joshua said, “Freya, I’ll pick you up for dinner this afternoon. I have a client coming over, so see you tonight.” He hung up the phone in a hurry.

Freya watched the phone screen fade to dark, she suddenly found that it was a bit difficult to communicate with Mr. Jenkins.

See him in the evening?

How dare she!

At noon today, Mr. Fitzgerald was already so angry, if she went out with Mr. Jenkins at night, she would be in much trouble!

Freya did not want to go out with Mr. Jenkins at night, nor did she want to see Mr. Fitzgerald's angry face. After she sent a message to Mr. Jenkins that she had something to do at night, she went straight to Kiki's flat.

Freya heard about what happened to Kiki last night. Although Kiki said she was not injured, Freya was not at ease without going over to see for herself.

Freya parked the car directly outside the district, and just as she got out of the car, a little boy, six years old, jumped on her.

Freya didn't think much of it at the time and regarded it as a child being naughty and playing and accidentally bumping into her. After holding the little boy's body steady, she walked quickly inside the flat.

When she entered, Quinn was preparing dinner in the kitchen and Kiki was sitting in sofa, eating melon seeds that had been peeled.

## **Chapter 669**

Freya is quite happy for Kiki, everyone is not blind, they can see how much Quinn likes Kiki, with Quinn, she can get real happiness.

Kiki was also quite concerned about Freya and Kieran's progress, and she looked at her worriedly, "Freya, are you and Mr. Fitzgerald still not back together now?"

"It should be soon."

Freya truthfully said to Kiki, "Now, it's Mr. Fitzgerald begging to get back together, I actually want to get back together more than he does, but he pissed me off before, so I have to hold back, so that he can't be smug."

And he's even rumoured to be with an actress!

"Freya, you're very impressive, to have Mr. Fitzgerald take the initiative to beg to get back to you!" Kiki smiled shallowly, her clear eyes carrying an obvious cunning, "I also support you to whet Mr. Fitzgerald's appetite, so that he dares not to mention breaking up with you in the future!"

"In fact, I played a tricks this time so he would take the initiative to ask for a reunion."

Freya will not tell Mr. Fitzgerald, but will not hide it from Kiki, "I know the thing that Mr. Fitzgerald minds the most, is that I use him as a stand-in, and I don't love him. So, I deliberately pretended to sleep and called out his name in my sleep, and said that I didn't want him to be with Regina."

"Kiki, if I wasn't awake, I wouldn't be able to call out any Brother in my sleep, because Brother is Simon, and I only have Mr. Fitzgerald in my heart, so how could I call out Simon's name!"

“Freya, you’re doing the right thing, sometimes you need to be scheming in love, when Mr. Fitzgerald regains his memory, he will understand you.”

What Freya and Kiki said were the simplest of exchanges between the girls, and none of them thought that what they had just said had been overheard by someone with an agenda.

After Freya and Kiki had chatted for a while, Quinn had already prepared dinner.

Kiki’s cooking skills are naturally much better than Quinn’s, and when he eats her cooking, Quinn will also feel very happy and blissful.

But he still couldn’t let Kiki cook.

Looking at the four dishes and one soup laid out on the table, Freya couldn’t help but exclaim, “Director Quinn, you can even go and become a chef!”

“It’s alright.” Quinn wasn’t modest, he turned around and wanted to carry Kiki over for dinner, but thinking that Freya was still here, he kept a low profile.

Freya felt that she was a bit like a third party when she stayed with Kiki, but she just didn’t want to go back to Kelsington Bay.

Just now, she had received a message from Mr. Fitzgerald, who said he was waiting for her at Kelsington Bay.

She deliberately made him wait.

Freya picked up her chopsticks and was about to have a good taste of Quinn’s cooking, but her mobile phone suddenly rang.

It was a message from Jaden.

“Mummy, where are you? Why aren’t you home yet?”

“I’m at your Aunt Kiki’s.”

Almost immediately, Freya received another message from Jayla, “Mommy, won’t your conscience hurt if you’re disturbing Auntie Kiki and Uncle Quinn?”

Freya, “.....”

No, she’s not the third party! It was obvious that Quinn was the third party for her and Kiki!

Before Freya had even eased up from being in love with each other, he received another message from Jaden replying, “Mommy, Daddy is calling you home for dinner.”

Freya almost choked to death on her own saliva, Mr. Fitzgerald calling her home for dinner?

Why does it feel like Mr. Fitzgerald is her mother!

Jayla’s message also quickly sent over, “Mommy, hurry up and come back! Daddy is guarding the table of dishes without talking or eating, I have a hunch that if you don’t come home, Daddy will eat me and my brother!”

“Mummy, Daddy is so scary, come back quickly and save me and my brother!”

Jaden couldn't stand Jayla's behavior of pretending to be pitiful at every turn, but in order to let his mommy and daddy get back soon, he still sent Freya a message, “Mommy, I'm scared too! Daddy is too scary, Jayla and I are about to be scared to death by daddy!”

Freya knows those two kids in her family best, she wouldn't believe that they would really be scared to death by Kieran.

These two kids are not even afraid of the sky falling, they are afraid of Mr. Fitzgerald's angry face?

However, Freya deeply felt that it was not conducive to family harmony for Mr. Fitzgerald to scare small children with a stern face, and after thinking about it, she still replied to the two little ones separately, I'll go back now.

As soon as they received Freya's reply, Jayla ran to Kieran in a frenzy, “Uncle Simon, Mommy said she'll be back soon. I've tricked Mummy back for you, you have to tell me the story of Little Red Riding Hood!”

Storytelling?

Kieran wrinkled his eyebrows, how could he possibly tell such a childish story to a little kid?

It's like pulling down his IQ!

Kieran's eyes were full of disgust, but when he met Jayla's eyes, he could not say no.

Not only that, but fearing that this iceberg face of his might frighten her, he pulled his lips rather amiably, “Okay.”

Jayla loves to listen to fairy tales, and she couldn't be happier to hear Kieran agree to tell her a story.

She smiled and nestled next to his arm, “Once upon a time there was a little girl called Little Red Riding Hood, hurry up and tell me about it.”

“Once upon a time, there was a little girl named Little Red Riding Hood .....”

The corners of Kieran's lips twitched as he continued to tell the story of Little Red Riding Hood without expression, “One day, she went to her grandmother's house, and in the forest, she met a big, bad wolf.”

“The big bad wolf ate Little Red Riding Hood's grandmother and then ate Little Red Riding Hood .....”

As Kieran was just about to continue, Jayla suddenly said with a distressed look on her face, “Uncle Simon, why do you and Mummy tell the story of Little Red Riding Hood differently? Mummy doesn't tell it like this.”

“Oh? And what did your mummy say?”

## **Chapter 670**

When it was her turn to play, Jayla was indescribably excited and she started to tell Kieran a story.

“Mummy said that Little Red Riding Hood met the Big Bad Wolf in the forest, who was extraordinarily handsome, and Little Red Riding Hood abducted him back home and has since become the little girl who sells the Big Bad Wolf.”

Jayla became even more excited after telling the story, “Uncle Simon, isn’t Little Red Riding Hood especially powerful? Not only can she abduct the big bad wolf and take him home, she can also sell him! She is so powerful!”

The corners of Kieran’s lips twitched even more, this is how Freya educates her children?

“But Uncle Simon, if I were Little Red Riding Hood, I wouldn’t sell the Big Bad Wolf out!” Jayla suddenly said in a serious manner to Kieran.

“Oh? Then what will you do?” Kieran was at this moment completely like a patient and good father, asking Jayla in a gentle voice.

“I’ll get the Big Bad Wolf to be my boyfriend! I like handsome boyfriends the most! The Big Bad Wolf is so handsome, what a waste not to have him as a boyfriend!”

Hearing Jayla’s words, Kieran really wanted to grab Freya and give her a severe beating.

Kieran was completely unaware that he looked like an old father who was afraid that his precious daughter would be abducted by a delinquent boy.

He said to Jayla in quite a serious tone, “Jayla, you can’t fall in love until you’re eighteen! No, it’s before you’re twenty! No man is good, be careful of being deceived!”

Jaden tugged at the corner of his lips, “Uncle Simon, you and I are men too, are we not good?”

Kieran, “.....”

However, Kieran just had the ability to not change his face, he still said to Jaden without blushing or gasping, “We are different from those men outside, we won’t bully girls.”

“But, Uncle Simon, you bullied my mommy .....” Thinking of Freya’s difficult appearance a few days ago, Jaden tightened his eyebrows, “Uncle Simon, you made my mommy cry.”

Hearing Jaden’s words, Kieran suddenly didn’t know what to say.

Indeed, what he did the other day was a bit much and it’s a wonder she didn’t feel bad!

Jayla also couldn’t help but feel sorry for Freya, “Yes, Uncle Simon, my mommy cried hard! My mommy’s eyes were swollen from crying!”

“Uncle Simon, you promised me and my brother that you would love and care for my mummy, but you still bullied my mummy. Uncle Simon, you don’t mean what you say!”

Kieran has always been cold and hard-hearted, but after hearing Jaden and Jayla’s obviously accusatory words, he felt as if a knife had been plucked out of his heart.

He is especially afraid that these two little kids will hate him and he can’t contain his heartache when he sees them frowning.

“Uncle Simon.” Jaden pursed his lips slightly, and suddenly, he spoke incomparably solemnly, “This time, Jayla and I will help you recover our mommy, but if you bully my mommy again, Jayla and I will never forgive you!”

“Yes, my brother and I will never forgive you!”

In order to show her determination, Jayla even raised her chin arrogantly, as if, if Kieran dared to bully Freya, she would fight him to the death.

Seeing Jayla’s look, Kieran was amused, in the end, he didn’t laugh, but said with a serious face, “I won’t do it again.”

After a pause, he added, “I’ll be marrying your mum soon.”

Hearing this from Kieran, Jayla’s face instantly rippled with a smile.

Jaden, however, could not laugh, his mind being much more mature than Jayla’s.

He knew in his heart that if Daddy were to marry Mommy now, it would definitely be Simon’s ID card that he would use.

Mummy only has Daddy in her heart, how ridiculous it would be if she and Simon were legally married!

He only hoped that Daddy would regain his memory soon, then all their worries would no longer exist.

On her way back to Kelsington Bay, Freya met Phillip.

As she waited for the green light, she glanced out of the window and beside the street, a man was drunk with a bottle of wine, and she could recognise it as Phillip.

Freya did not like to meddle, but thinking of Lucy’s greatest wish before she was born, that Phillip would be well, she still parked the car aside, and went to find Phillip.

In fact, Freya felt that Phillip treated Lucy so badly that it would not be too much to die 10,000 times, but Lucy wanted him to live well, and she still did not want anything to happen to him.

He was so drunk and there were so many cars coming and going on the road that he could easily be hit.

When Freya was in the car, she hadn’t felt it from a distance, but when she approached Phillip, she could see that his sideburns had sprouted a lot of gray hair.

It was as if, overnight, he had grown old.

Phillip was under thirty years old.

Freya’s eyes were suddenly sore.

She hated Phillip because of what happened to Lucy, but he was after all the idol she had worshipped for years, and seeing him so decrepit and old was still indescribably hard on her heart.

How much he loved Lucy that he grew old overnight after losing her!

Phillip must have loved Lucy very much, but unfortunately, she has passed away, and it is too late for any more deep love.

Seeing a car passing by, Freya hastily pulled Phillip aside, "Phillip, don't drink any more!"

"Lucy?"

Phillip suddenly turned around and embraced Freya with all his might. Freya was taken aback by the suddenness of the situation, and she was just about to push him away with all her might but he had already taken the initiative to let her go.

He put on a disheveled and self-deprecating smile, with an indescribable self-loathing between those brows written with vicissitudes, "You're not Lucy, I know, you're not Lucy!"

"Lucy is dead! She doesn't want me anymore! She's gone! She'll never come back!"

Freya wants to say, it's not your fault that Lucy will die, you deserve it for being so hard on yourself!

But she could not say these words.

"Lucy, I love you! I'll give you my heart, will you come back!"

"Lucy, you won't come back, you hate me, you detest me, you don't even bother to enter my dreams! Lucy, why did you leave me?! Why!"

"Lucy, I'm sorry, I didn't mean to be mean to you. Lucy, you must be cold down there alone, I'll go down and keep you company, okay?"

With that, Phillip charged towards the truck that was speeding across the street.
