

Talented 981

Chapter 981

Probably because she felt that her appearance wasn't miserable enough, Rebecca withdrew her hand and scratched herself several times with force.

She scratched so hard that in the blink of an eye, her skin carried visible marks, as if, just now, she was being ruthlessly bullied.

"Fabian, help me! Help me!"

Hearing the sound of a forceful door opening downstairs, Rebecca gritted her teeth and rolled straight down the stairs.

She was in a mess, and there were still a few drops of bright red blood on the folds of her skirt, plus the bruises on her body, she looked so pitiful.

"Rebecca, what's wrong with you?!"

Fabian rushed to Rebecca with quick steps and hugged her tightly into his arms. Rebecca cowered helplessly and frightenedly in his arms, and the look of pity on her face broke Fabian's heart.

"Fabian, save me, save me ..." Rebecca still didn't seem to have recovered from the panic, she kept mumbling.

"Rebecca, what's wrong with you? Is someone bullying you? Don't be afraid, I'm here, I'm here, I won't let anyone bully you."

Rebecca was still trembling and nestled in Fabian's embrace, when she heard his words, she suddenly became emotional beyond measure.

She violently pushed Fabian away and hastily crawled to a corner of the wall.

“Fabian, leave me alone, I’m dirty now, I’m not good enough for you!”

Tears rolled down the corners of Rebecca’s eyes in big drops, “Fabian, I’m really dirty, I’m not worthy of you ...”

At this time, Fabian noticed the obvious bright red staining on the hem of Rebecca’s clean white skirt, as well as her unpleasant marks.

Her face was swollen and it was obvious that she got slapped on her face. The bruises on her body were even more frightening. Who the hell dare lay hand on his Rebecca?!

The sound of Rebecca’s cry for help was so loud that Kieran and Freya also heard it, and they both came into the living room.

The servants inside the villa also heard Rebecca’s voice, but since Kieran and the others were there, they didn’t dare to meddle in the matter, so they hurriedly returned to their rooms and went about their business.

“Rebecca?” Freya was shocked by Rebecca’s appearance, “What the hell is going on here?”

Rebecca’s clothes were untidy and the buttons of her skirt were open, she looked like obviously she had been bullied by a man.

Freya did not like Rebecca, but after all, it was something that had happened in Kelsington Bay, and as the owner, she could not ignore it.

Rebecca and Fabian were lovers, and Fabian was not psychologically twisted. If the man who had touched Rebecca was him, he would not have tossed her like that.

However, the servants inside the villa were all women, and apart from Fabian and Kieran, there were really no other men inside the villa.

No, there was also her teacher Sebastian.

But Sebastian had been staying in the lab and hadn't come out at all, so how could he have done this to Rebecca!

Could it be that the security guard at the door had bullied Rebecca?

"Rebecca, who exactly bullied you? Tell me, I'll go and kill that bastard!" Fabian once again hugged Rebecca tightly, not giving her any chance to escape, "Rebecca, tell me, I want to take revenge for you!"

"Fabian, leave me alone! I'm dirty, I'm really dirty ... I dislike myself."

Rebecca's tears fell like beads, she tried to break away from Fabian's embrace, but the difference in strength between men and women was too great, she failed to break away.

She could only cover her face and shed silent tears.

"Rebecca, you're hurt, let me help you treat your wound first." Noticing that Rebecca's leg was bleeding, Freya went upstairs to get the medicine box to help her stop the bleeding.

"No! Don't touch me! Don't touch me!" While Freya was helping her with the wound, Rebecca, who had just been quiet, suddenly became agitated again.

"Don't touch me! Don't you touch me! Don't touch me!"

Rebecca's hands were moving around, since she was so uncooperative, Freya couldn't really treat her wound.

Freya lifted her face and looked at Kieran with great embarrassment, they could not ignore this matter, but they could do nothing now.

Kieran couldn't bear to see Freya in such a difficult position, he swept Rebecca's face expressionlessly, "Fabian, send her to the hospital! I'll check this out!"

When she heard Kieran's voice, Rebecca instantly trembled, and even her teeth could not be controlled to chatter.

"Don't touch me! Don't touch me! Please don't touch me!" Rebecca kept shrinking into Fabian's arms, that fearful look made Fabian's heart ache.

"Rebecca, I'm here, no one will bully you! Rebecca, don't be afraid, you're hurt, I'll take you to the hospital, okay?"

Fabian's eyes were red as he picked her up horizontally, and he planned to take her to the hospital to have her wounds properly treated.

As for the person who had bullied his Rebecca, when Kieran found out, he would definitely bruise him to death.

"Don't touch me! Don't you touch me!"

Rebecca seemed to be bewitched, repeating the words she had just said over and over again, her eyes dull as if she had lost her soul.

"Don't touch me! Mr. Fitzgerald, please, let me go, please! Mr. Fitzgerald, don't touch me ..."

The "Mr. Fitzgerald" from Rebecca's mouth took everyone by surprise, and Fabian lifted her face to look at Kieran.

"Kieran?" Fabian's voice was tinged with incredibly shock, hearing him call out Kieran's name, Rebecca trembled even harder.

"Mr. Fitzgerald, please let me go, let me go ..."

“Rebecca, what did you say? You said it was Kieran who bullied you?!” Fabian still did not want to believe this fact, “Rebecca, are you mistaken? How could Kieran ...”

Rebecca used all her strength to break away from Fabian’s embrace, because her movement was too hasty, she crashed into a celadon vase on the side as she fell to the ground.

Her eyes were filled with tears, and her long eyelashes were covered with teardrops as she trembled with resignation and helplessness.

She uttered, “Fabian, how could I even get this wrong! You don’t believe me, do you? I knew you wouldn’t believe me. ”

When Rebecca was bullied so badly, Fabian’s heart already hurt so much, and now that he met her tearful eyes, his heart hurt even more.

He did not want to doubt his best friend, but he loved this woman.

This was the first time he was in love, and this was the woman he wanted to spend his life with.

“Rebecca, is there some kind of misunderstanding?” Fabian held on to the last shred of luck and asked in a trembling voice.

“Misunderstanding?” Rebecca’s tears flowed as she spoke, “Fabian, I wish there was a misunderstanding, but, I’m dirty.”

Rebecca’s shoulders shook violently as she sobbed uncontrollably, and it was only after a while that she said in a trembling voice, “Fabian, I wanted to give you my clean body when I got married with you, but now, I’m so dirty that even I feel sick.”

“Fabian, I’m sorry, I’m no longer good enough for you. Why not let me die?”

With that, Rebecca jerked up and slammed into a stone pillar to the side. **Chapter 982**

Fabian panicked, "Rebecca, don't!"

Fabian rushed in the direction of Rebecca like a gust of wind, luckily he was quick enough to hold her and not let her bang her head on it.

"Rebecca!" Thinking that if he had been one step later she would have hit her head, Fabian was scared, and he gave almost all of his strength to hold Rebecca.

"Rebecca, I forbid you to do anything stupid! If anything happens to you, how will you let me live!"

Rebecca cried as her heart trembled violently, "But Fabian, I'm dirty, I'm not good enough for you! Fabian, I can't live when I think of that nightmare!"

"Fabian, leave me alone! Let me die! Fabian, please leave me alone, okay?!"

Rebecca struggled and tried to kill herself again, but Fabian held her hard so she wouldn't succeed.

He gently patted her shoulders, his scarlet eyes carrying a deep and tender feeling, "Rebecca, don't be afraid! No matter what has happened, you are the cleanest girl in my heart."

"Fabian ..." Rebecca flung herself into his arms and let her tears flood her eyes.

Until now, Freya was still in a daze, the man who had bullied Rebecca was Kieran?

How could this be possible?

Kieran's face did not show much expression, but his eyes were frighteningly dark, obviously, he did not expect him to be affected for no reason either.

He had no time to pay attention to why Rebecca was talking such nonsense now, he was only afraid that Freya would misunderstand him.

"Freya, I didn't." Kieran clutched Freya's hand, fearing that she would shake it away in disgust.

Freya did not shake off his hand, but clutched his hand tighter, "Kieran, I believe you."

She was used to calling Kieran Mr. Fitzgerald, and suddenly changed her address, so she really didn't quite fit in, but she wanted to use this title to tell him that in her heart, he would always be the man she loved and trusted the most.

The corners of Kieran's lips lifted lightly, when Freya called him that, he had a sappy feeling.

"Kieran, why did you bully Rebecca?!"

Fabian suddenly let go of Rebecca and growled hatefully at Kieran, "How dare you bully Rebecca like that?!"

Freya couldn't bear to see Kieran being misunderstood in such a way, so she stood in front of him, "Fabian, Kieran didn't bully Rebecca at all! Rebecca is deliberately framing him!"

“Deliberately framed?” Fabian obviously did not believe Freya’s words, he glanced at the bright red on the hem of Rebecca’s skirt, “Are you saying that Rebecca is going to ruin her reputation and deliberately set up Kieran! Mrs. Fitzgerald, you’ve really let me down!”

“Fabian, don’t mind me, it’s all my fault, I shouldn’t have failed to notice that the button on my skirt was open just now, if I wasn’t that careless, it wouldn’t have been so bad that he saw me like that after I ran into Mr. Fitzgerald before he ...”

When she said this, Rebecca looked like she couldn’t go on, and could only whimper lowly.

“Rebecca, you’re not wrong! It’s Kieran’s fault, not even sparing his friend’s woman!”

Fabian stared at Kieran with hatred, “Kieran, this is your home with Mrs. Fitzgerald, Mrs. Fitzgerald is still here and you’re bullying Rebecca, you’re a fucking animal!”

“Fabian, shut up! I forbid you to say that about Kieran!” Freya pointed at Rebecca and shouted coldly, “Rebecca, I don’t know why you framed Kieran, but I don’t believe a word you say!”

Glancing at the bright red on Rebecca’s skirt, Freya’s eyes grew even colder, “Still pretending to be a virgin, are you? Rebecca, there are some things I didn’t want to say, but your behaviour today was so outrageous!”

“I am sure that you have been in and out of hotels with men more than once, don’t tell me that being in the same room with a man in a hotel, the two of you were just chatting!”

Rebecca’s face was white, she timidly lowered her head and defended herself in a small voice, “I didn’t, I really didn’t.”

“Rebecca, don’t pretend to be innocent! It’s not just me, Bradley saw it too! We didn’t have the heart to expose you, but now you’re just being nasty! Rebecca, you’re shameless!”

“Freya!”

When Freya scolded Rebecca in front of him, Fabian couldn’t stand it.

“Freya, you’ve gone too far! Kieran has bullied my woman, he has betrayed you, it’s no matter if you don’t help Rebecca get justice, you still help him bully her, you’re unreasonable!”

“Fabian!” Kieran spoke coldly, he didn’t care if others scolded him, but he wouldn’t allow others to say anything about Freya.

Kieran’s aura was already cold, and now he was carrying a majestic anger, this stern shout was even more frightening.

When he thought of Kieran’s powerful force, Fabian’s legs shook reflexively, but when he thought of Rebecca’s aggravation and Kieran’s inferiority, he still glared at Kieran fiercely.

His woman was being bullied like this under his nose, if he was still timid and afraid, could he still be a man?

“What? Kieran, you still want to break my legs?!” Fabian laughed coldly, “You’ve slept with my woman and you’re still justified, right? Kieran, I was really stupid to treat you as a friend!”

“Fabian, you are indeed stupid!” Freya shouted, “Fabian, if you weren’t stupid, you wouldn’t have been fooled around by Rebecca!”

Fabian sneered, “Freya, in your eyes, what kind of woman is my Rebecca? I know you are partial to Kieran, but no matter how partial you are to him, you are not qualified to say that about my Rebecca!”

“And you, Kieran! I treat you like a brother, but what about you? What do you think of me? I know that you are unbeatable, and that no one can stop you from getting what you want! But Rebecca is my woman, even if you covet her beauty, you can’t bully your brother’s woman!”

“Kieran, you bastard, today I will take revenge for Rebecca even if I have to risk my life! Kieran, I’ll kill you!”

With these words, Fabian waved his fist and ruthlessly punched at Kieran’s body.

Freya was shocked and hastily shielded in front of Kieran. Now, he could not see anything abnormal from the outside, but his internal organs were failing more and more, and he could not withstand Fabian’s punches and kicks.

“Fabian, stop it!” Freya glared at Fabian with hatred, “Do you know what your Rebecca has just done in my lab?!”

Chapter 983

Without waiting for Fabian to speak, Freya said again in a cold voice, “She added poison to Kieran’s medicine! She wanted to poison Kieran!”

Fabian laughed coldly, “Freya, you’re really working hard to slander my Rebecca! Where’s the evidence? If you have the guts, show me the evidence!”

“I saw it with my own eyes, the drug residue is now inside the bin in the lab, this is the evidence!”

Hearing Freya’s words, Fabian laughed more disdainfully, “Freya, I don’t believe a word you say! Rebecca is kind by nature, she can’t even spare to hurt an ant, how could she possibly do something to hurt others?!”

“Don’t tell me the dregs of medicine are evidence! Who knows if you deliberately poured in the poison in order to frame Rebecca! Freya, you are turning right and wrong upside down to help this bastard Kieran, I really despise you!”

Fabian was angry, but his fist did not land on Freya who was blocking Kieran’s way after all.

He coldly ordered at Freya, “Freya, get out of the way! Otherwise, I’ll even beat you up together!”

“Fabian, wake up!” Freya really wanted to smash Fabian’s head open and see what was inside.

“Fabian, you’ve known Kieran for so many years, don’t you know what kind of person he is? You know that he is devoted to me. So many women wanted to climb into his bed, he is unmoved, how could he possibly touch Rebecca?!”

“Yes, Kieran is very picky about women. If it was another woman, he wouldn’t really touch her, but the woman tonight is Rebecca, the best in the world! How can he possibly hold back his desire?!”

Fabian rudely dragged Freya aside and was to slam his fist hard into Kieran's face.

"Kieran, you've bullied my woman, I'll never be at peace with you!"

Before Fabian's fist could touch Kieran's handsome face, he was ruthlessly thrown to the ground.

Kieran's eyes were as cold as a knife as he looked at Fabian from above, "Fabian, how dare you touch Freya!"

Fabian laughed loudly and got up from the ground, "Kieran, you feel upset even if I tug your woman, don't you think I am ashamed since you have bullied my woman?! I really hate that I can't kill you!"

Fabian lunged at Kieran again, Rebecca put on a frightened look, "Fabian, don't, it's not worth it for me ..."

"Rebecca, don't worry, tonight, even if I have to risk my life, I will still get justice for you!"

Fabian was impulsive, but he was still downed to the ground ferociously before he could punch Kieran.

Rebecca jumped in front of him and hugged his arms with all her might, "Fabian, are you alright? Are you alright? It's all my fault! I'll take you to the hospital now!"

"Rebecca, you don't have to worry, I'm fine!" Stubbornly getting up from the ground, Fabian once again attacked Kieran's body.

The result was predictable, he once again failed miserably.

Freya saw beads of sweat oozing from Kieran's forehead, she was so anxious that she rushed to protect him, "Fabian, I know how to prove Kieran's innocence! Isn't there blood on the hem of Rebecca's skirt? Let's go get a blood test! If it's not her blood at all, then it can only be that she framed Kieran!"

"It's not her blood?" Fabian gnashed his teeth in hatred, "He has bullied Rebecca into such a state, who gave you the nerve to say that this is not her blood? If it's not Rebecca's blood, could it be Kieran's blood? Kieran, today you and I have severed our relationship, it's either you die or I die!"

Glancing at a fruit knife on the coffee table, Fabian directly grabbed the fruit knife and rushed towards Kieran's body.

At this moment, Fabian looked like he had completely lost his senses, and only had the rage.

Freya was anxious, whether it was Fabian or Kieran, she did not want them to get hurt.

Luckily, Kieran was so good that even if Fabian had a fruit knife, he couldn't do anything to Kieran. He grabbed the fruit knife, knocked Fabian to the ground with three or two blows, called the security guards to come in and threw him out.

Rebecca cried and wept as she went after him, her snotty and tearful appearance made Fabian's heart ache.

Fabian pushed down the pain in his body, and took her into his arms, "Rebecca, don't worry, I will never let you suffer so much!"

"If Kieran hurts you so much, he just doesn't treat me as a friend! Since he's heartless, don't blame me for being heartless too! I can't beat him, but even if I have to poison him, I will still avenge you!"

"Fabian, you're so good to me!" Rebecca timidly hugged his arm, "Fabian, you are the best person in this world to me, I really want to be with you for the rest of my life, but Fabian, when I think that I am already so dirty, I feel that I don't deserve to stand by your side."

"Fabian, he bit me, he tortured me ... I'm so dirty, I'm dirty all over ... Fabian, I can't be clean anymore, I can never be clean!"

"Rebecca, I said that no matter what happens, in my heart, you will always be the cleanest and purest girl in this world. Don't be afraid, I will never leave you for the rest of my life."

Fabian gently kissed away the tears at the corners of Rebecca's eyes, "Rebecca, wait, I will definitely poison Kieran to death and avenge you!"

"Fabian, are you really willing to poison Kieran to death for my sake?" Rebecca's eyes were dense with an intoxicating mist of water, seeing Fabian nod, she softly wrapped her arms around his neck.

"Fabian, I studied medicine, I can help you dispense the medicine."

As soon as Fabian and Rebecca left, Freya scrambled to check Kieran's body.

Fortunately, although he had received a few blows from Fabian, there were no obvious injuries on his body, and his condition did not continue to deteriorate.

Although his condition had not deteriorated drastically in the past two days, it was still not optimistic, and if she did not configure the antidote for the Withering Silence, he would not survive for a few days.

Thinking that she might lose him forever, Freya burst into tears.

She did not want Kieran to see her so upset and hastily turned her face aside.

Kieran had already noticed her difference, he didn't say anything about it, but hoisted her into his arms with force.

"Freya, I'll be fine, I'll hang in there and grow old with you."

"We will definitely grow old together." Freya wiped her tears away, "Kieran, what should we do about Rebecca? Fabian has really misunderstood you, he is your best friend, you must be very sad, right?"

"Freya, since it's a misunderstanding, it can be cleared up. Don't worry, everything will be fine." Kieran didn't want Freya to worry too much and said softly to comfort her.

Freya didn't want to worry either, but Fabian loved Rebecca, and it won't be so easy to solve the problem.

She was afraid that Fabian would really take revenge on Kieran for Rebecca, regardless of everything.

Just as this thought flashed in her mind, Kieran's mobile phone rang.

It was Fabian calling.

Chapter 984

Fabian had asked Kieran to meet tomorrow to negotiate, if he didn't show up tomorrow, their childhood friendship would be completely severed.

Although Kieran always looked like an iceberg, as if he had no feelings and desires, in fact he valued friendship, otherwise, he wouldn't have sacrificed his life to save Fabian back then.

Besides, it was still because of a misunderstanding that they would be at such a standstill with each other, and he tried to resolve the misunderstanding with Fabian.

Freya felt uneasy about their meeting. She didn't want to think Fabian was scheming, she always felt that tomorrow's so-called negotiation was not that simple.

Kieran told her not to worry, and she didn't want to question his man, but the uneasiness in her heart was too strong, and she planned to follow him there quietly tomorrow.

If Rebecca instigated Fabian to do something underhanded, she could call the police in time or something.

After having breakfast, Kieran went straight to the place he had agreed with Fabian.

Fabian had asked him to meet him at a high-end cafe. In the large, luxurious cafe, there were only two of them and Rebecca.

It felt strange for two big men to agree to meet in a cafe, but the coffee table was indeed perfect for negotiations.

Just as Kieran entered, Rebecca's mobile phone rang. She glanced at it and timidly left her seat to go to the washroom to answer the phone.

Once in the washroom, Rebecca changed her timid and soft appearance, the corners of her lips hooked up, her face was tinted with a sinister smile.

"Robin, don't worry, that fool Fabian has already taken the bait, he added the medicine to Kieran's coffee. You can bring Mr. Pryce and Joanna over now. Once Kieran is dead, Fabian is the murderer, and you are the only heir to Pryce's!"

"Not only that, if you help my boss to remove such a big enemy, my boss will definitely fully support your career, and then you can avenge your past shame and revenge! This time, we are killing two birds with one stone!"

Rebecca was afraid that Kieran would not drink his coffee, so she hung up the phone and hurriedly headed for the hall.

Fabian had been able to remain calm, but once he saw Kieran, his emotions suddenly became overwhelming.

Especially since Rebecca had just acted so afraid of Kieran, this made him so angry that he jumped straight up from his seat.

"Kieran, in your heart, am I your friend or not?!"

Kieran took a sip of the coffee, and spoke without any haste, "Yes."

Fabian slammed his fist on the table, "You treat me as a friend, and yet you did such a shitty thing! Kieran, you fucking bastard! Bastard!"

He was scolded so fiercely by Fabian, but Kieran still looked immovable, his expression did not fluctuate in the slightest. He raised his eyes in an unperturbed manner, "You have a bad eye!"

"I have a bad eye?!" Fabian twisted his face and laughed coldly, "You slept with my woman, and you still have the nerve to say I have bad eyes? Kieran, you really deserve to go to hell!"

"Fabian, my taste is not that bad." Kieran put the coffee cup back on the table, it was a careless gesture, but he did it with a noble elegance.

"You don't have such a bad taste? What do you mean? Do you know how much of a psychological shadow your bestial behaviour has left on Rebecca?!"

"Last night, she was crying all the time, even when she was asleep, she kept shedding tears! She even tried to slit her wrists! If I hadn't caught her in time, she would have been dead by now! Kieran, you ruined my Rebecca, today, I'll get you killed!"

"Fabian!"

Seeing that Fabian was so agitated, Rebecca ran over and gently clutched his hand, she timidly glanced at Kieran and then whispered, "Fabian, let's go, I'm really scared! Fabian, let's go home, okay?"

"Rebecca, I promised I would avenge you, I'm a man of my word!" Fabian patted the back of Rebecca's hand soothingly, "Rebecca, watch carefully, see how I'll take care of this bastard Kieran today!"

"Fabian, I'm so scared, I'm afraid he'll ..."

"Rebecca, with me here, there's nothing to be afraid of! Today you just need to watch how I abuse this bastard!"

Fabian fiercely turned his face and stared coldly at Kieran, "Kieran, I do consider you to be my best friend. But what about you? I treat you like a brother and you slept with my woman, I don't such a friend!"

"Kieran, you're a piece of shit! I told you, whoever dares to hurt Rebecca, I will kill him. Kieran, you deserve to die."

"Kieran, go to hell. Don't worry, I'll offer you incense on your death anniversaries! You shouldn't have hurt the woman I love!"

As soon as Fabian finished saying this, Kieran's magnificent body trembled uncontrollably.

He looked at Fabian incredulously and asked, "What did you add to the coffee?"

"Of course it's something to make you go to hell!" Fabian slowly straightened his stance, "Kieran, as a good friend, of course I have to personally send you to hell!"

"Fabian, you ..."

Kieran had a face of shock, as if he was unwilling to believe that his good friend would do such a thing to him for a woman with bad intentions.

However, before he could finish his sentence, his body stumbled violently and his magnificent body fell backwards uncontrollably.

Seeing Kieran fall motionless on the ground, Fabian's eyes were slightly wet, "Kieran, why did you do that?! If you hadn't done such a nasty thing, we would all be fine! Kieran, you bastard, wake up!"

Fabian said, and kicked Kieran's body hard, trying to wake him up.

"Kieran, you bastard, wake up!"

Fabian's eyes were red as he kicked Kieran, but no matter how hard he kicked him, he still fell motionless on the ground.

Rebecca was delighted, but she still put on a panicked look as she slowly approached Kieran and felt his breath.

At that, Rebecca jerked her hand back, "Fabian, Mr. Fitzgerald is out of breath!"

Chapter 985

Hearing Rebecca's words, Fabian was instantly like a deflated ball, he sat down on his knees in front of Kieran in a disheveled manner, he seemed to want to cry, but in the end he laughed out loud bitterly.

"Kieran, you bastard is finally dead! I've avenged my Rebecca! But why am I so sad when you're dead?!"

"Kieran, you bastard, wake up! Kieran, wake up!"

When Freya pushed open the door of the cafe and walked in, all she heard was Rebecca's words, "Fabian, Mr. Fitzgerald is out of breath.

Freya's hand shook and the bag in her hand almost slipped to the floor.

She suddenly stared round, tears welling up in her eyes, probably because of too much grief, obviously her eyes were filled with tears, but they couldn't roll down.

"Kieran!"

Freya rushed to Kieran and hugged him hard, "Kieran, what's wrong with you? Wake up!"

"Mrs. Fitzgerald ..."

Fabian's eyes were complicated, there was hate, sorrow and regret.

"Mrs. Fitzgerald, I killed Kieran!"

"What?!" She took Kieran's pulse, and then she shouted at Fabian, "Fabian, you're crazy, aren't you! How could you kill Kieran! I'll kill you to avenge Kieran's death!"

With that, Freya slapped Fabian's face hard.

Fabian's face was distorted by Freya's slap, but he did not fight back, he sat motionlessly on his knees as if he had lost his soul, his eyes were wet.

Rebecca pretended to look distressed and sat down in front of Fabian, she gently stroked the half of his face that was hurt by Freya, "Fabian, does it hurt?"

"Rebecca, I'm fine." Fabian stiffly removed Rebecca's soft hand, "I want to be alone."

"Fabian, what about Freya?" Rebecca bit her lip, then said, "She already knows what we did, if she calls the police, you will definitely go to jail! Fabian, I don't want you to go to jail!"

Hearing the word "jail", Fabian's body moved gently, and Rebecca said again, "Fabian, we absolutely cannot let Freya leave here! I absolutely cannot let you be ruined by her hands!"

"Rebecca, what are you going to do then?" Fabian's face was calm as he looked at Rebecca with complicated eyes and asked.

The malice in Rebecca's eyes flashed as she raised her eyelids and spoke timidly, "Fabian, Freya has to be killed."

"Fabian, I know you'll think I'm malicious! But Fabian, I'm doing all this for you! You're the man I love, I want you to have a great future, I don't want you to spend the rest of your life in prison!"

"The Fitzgerald family is no less powerful than your family, if the Fitzgerald family finds out the cause of Mr. Fitzgerald's death, they won't spare you!"

"Rebecca, what do you think we should do about Freya, I'll do as you say." Fabian seemed to be moved by Rebecca's words, and after a long time, he spoke up.

"Fabian, I still have a packet of medicine here, once Freya drinks it, she will never be able to open her mouth!" Rebecca said, and fished out a packet of medicine from her bag.

Freya hugged Kieran and whimpered, and when she heard Rebecca's words, she lifted her face violently.

She stared at Fabian and Rebecca with hatred, "You guys are trying to kill me?!"

Since they had fallen out, there was no need to continue hiding some words, Rebecca slightly raised her chin, "Freya, don't blame me and Fabian, we had no choice!"

"Mrs. Fitzgerald, I'm sorry, but I don't want to go to jail." Fabian looked at Freya with pity, and then took the medicine bag in Rebecca's hand.

"Mrs. Fitzgerald, let me send you to hell! If there is an afterlife, I will make amends to you and Kieran!"

Seeing Fabian grabbing Freya's hand and forcing the medicine inside the medicine bag into Freya's mouth, Rebecca was happy.

Freya and Freddie were the two people that Robin hated.

She thought that compelling Fabian to kill Kieran would not only remove Freya's biggest backer, but also make Robin the only heir to the family, so this was already the best way to kill two birds with one stone.

When Robin saw Freya's corpse later, he would be very happy and delighted.

“Fabian, let go of me! You can’t continue to be deceived by Rebecca! You’ve already killed Kieran, do you want to kill me and the child in my belly?!”

“Fabian, the child in my belly, he calls you uncle just like Jaden and Jayla.”

Hearing Freya’s words, Fabian’s hand couldn’t help but stiffen, but in an instant, the hesitation in his eyes was replaced by determination.

“Mrs. Fitzgerald, I want to let you go. But if I were to let you go, would you be willing to let me go? You won’t! You won’t let Kieran die in vain! So Mrs. Fitzgerald, today, you must die! Don’t worry, when you die, I will help you and Kieran take good care of Jaden and Jayla, and I will compensate them for what I have done to you!”

With that, Fabian poured the medicine into Freya’s mouth.

Freya struggled desperately, but her strength was no match for Fabian’s. In the end, a large bag full of medicine powder was poured into her mouth.

Freya kept coughing, but most of the medicine was still swallowed by her.

She tried hard to spit out the medicine, but no matter how hard she tried, she couldn’t get it out.

“Fabian, you’ll regret this! Rebecca is not a good person at all! You killed your best friend for her, you’ll definitely regret it!”

“Rebecca is the best woman in this world, I will not regret going through anything for her!”

Freya coughed harder and harder, and as she was about to say something to Fabian, her body shuddered violently and she slowly went limp, and eventually, didn’t move at all.

Fabian turned his face to the side, not looking at Freya and Kieran, who had fallen to the ground lifeless, and he murmured softly, “Kieran, Freya, rest in peace.”

Just as Fabian finished his sentence, the sound of hurried footsteps suddenly rang out at the entrance of the stairs, and Robin, Fabian’s father Adrian Pryce, as well as Joanna, Bradley, Jaden and Jayla, walked up to him at a brisk pace.

Seeing so many people suddenly coming over, Fabian couldn’t help but be startled. As he was just about to say something, Rebecca had already kneeled down in front of Joanna with a thump.

“Madam, Mr. Fitzgerald and Mrs. Fitzgerald have both been killed by Fabian! You must get justice for them!”

Chapter 986

“What?!” Joanna couldn’t control her cry, her pale hands kept trembling, if not for Bradley holding her in time, she would have fallen to the ground.

“Rebecca, what did you say?!” Fabian was also in shock, “Who did you say killed Kieran?!”

A quick flash of weakness flashed across Rebecca’s face, but the moment she met Robin’s gaze, only determination remained in her eyes.

“Madam, Mr. Fitzgerald was poisoned to death by Fabian! If you don’t believe me, you can check the coffee on the table, it was drugged by Fabian!”

“And Mrs. Fitzgerald was cruelly poured the poison into her mouth by him! Poor Mrs. Fitzgerald, she was still carrying a child in her belly, and she was killed!”

Rebecca’s eyes were filled with tears, and she looked sincere and sad, “I want to save Mrs. Fitzgerald, I can’t bear to see her die like that, but I can’t help her! Fabian is too horrible, I tried to stop him, but he wanted to kill me too!”

“Fabian!” Joanna slammed her cane heavily on the ground, “Kieran grew up with you since you are young, he even saved your life, how can you take his life!”

Adrian naturally did not believe that his precious son would do such a thing, and he hurriedly went to explain to Joanna, “Madam, there must be some misunderstanding here! You also know that Fabian and Kieran have the best relationship, they are good friends, how could he possibly hurt Kieran!”

“The other day, he even said that when Kieran’s baby is born, he will be their godfather! How could he possibly let Freya die!”

Adrian looked at Joanna with a pleading face, but when he swept towards Rebecca, his eyes were only piercingly cold, “You’re Fabian’s girlfriend, aren’t you?! Why do you want to turn right and wrong upside down and frame Fabian?”

“I didn’t, I was just telling the truth! There are monitors in this cafe, if you don’t believe me, you can go to the surveillance room and watch the video. I love Fabian, but I have my conscience, I can’t let these three lives die in front of me!”

“Dad, I’m going to the surveillance room to pull out the video for you!” With that, Robin ran in the direction of the surveillance room.

“Fabian, it’s really you who killed Kieran and Freya, isn’t it? You and Kieran were friends, how could you do such a nasty thing?!”

Adrian already believed most of her words.

He had been in the mall for so many years and had a delicate mind, he still couldn’t understand why Fabian wanted to kill Kieran, who was like a brother to him.

“Mr. Pryce, it’s my fault.”

Rebecca hung her head with an innocent and pitiful look, “It was Mr. Fitzgerald who bullied me, and Fabian was furious and wanted to take revenge for me. I don’t want Fabian to do something stupid for me, but I can’t stop him!”

“Mr. Pryce, this is all because of me, don’t blame Fabian, blame me!”

“What have you done?!” Adrian was angry, but it was his son who had committed the murder, and now the Fitzgerald family had come over here, so even if he wanted to cover up, it was useless.

Joanna still had not eased up from the sorrow of losing her grandson, her eyes were filled with tears and her voice trembled as she asked Fabian, "Fabian, you killed Kieran for this woman!"

"You still don't know what kind of person Kieran really is? Let alone the fact that this woman is not as good looking as Freya, even if she was a supreme beauty, how could Kieran bully his friend's woman! Fabian, you really disappoint me with your woman-obsessed look!"

"Joanna, there may be some misunderstanding in this matter, can you give Fabian another chance?"

"Give Fabian a chance?" Joanna laughed coldly, "If I give him a chance, who will give Kieran, Freya and my grandson a chance? Adrian, your son killed my Kieran, our Fitzgerald family and your family are at odds!"

"Don't try to protect Fabian! Your family is big and powerful, but our Fitzgerald family is not incompetent! Fabian killed my Kieran, I want him to pay for his life!"

"Fabian, what the hell is going on here? You and Kieran were so close, how could you do such a stupid thing?! Fabian, tell me that you didn't kill Kieran, as long as you say so, I will believe you!" Adrian still held on to the last shred of hope and asked Fabian in a soft voice.

Before Fabian could answer his words, Robin ran out of the office excitedly.

"Dad, I've watched the surveillance! It was Brother Fabian who killed Mr. Fitzgerald and Freya! Freya died so horribly! Brother Fabian forced her to take the poison, it was so tragic!"

"You shut up!" Fabian looked at Robin with disgust in his eyes, "I'm not your brother! A wild child born to a mistress who destroyed my family is not worthy of calling me brother!"

"Brother, you can't say that, no matter what my mother has done, we're family!"

"Family? Robin, my brother and I are the family, but unfortunately, before he could see the world, he was killed by your shameless mother!" Fabian did not give Robin any respect at all and said in a cold voice.

Fabian's words were harsh, but Adrian could not bear to blame him. He loved Fabian's mother, so he was extraordinarily indulgent towards Fabian.

When he was young, he was drunk and made an unforgivable mistake. He had already sent that woman away, but he did not expect that she would come to his door with the pregnancy test report when his wife was in labour, and his wife had an emotional breakdown and died in childbirth.

He could not forgive that woman, even though she was pregnant with his child, but it was still unforgivable.

He never intended to claim back that woman's child, Robin, it was his mother who knew of Robin's existence and insisted that her grandson claim his ancestry.

When Fabian said that his mother was shameless, Robin was naturally upset in his heart, but thinking that Fabian was already a murderer and couldn't turn over a new leaf, he didn't continue to argue with Fabian.

He just said to Adrian, “Dad, now that the evidence is overwhelming and Fabian really did kill someone, what should we do? How about we just let the police handle this?!”

After saying that, he turned his face to Fabian and said, “Fabian, don’t blame dad for not helping you. You killed people, you should pay the price! Don’t worry, I’ll help you take good care of dad and grandma, I’ll help you keep the Pryce family’s foundation and wait for you to get out of jail!”

“Robin, aren’t you too eager? I’m not even in jail yet, and you can’t wait to get on top already!” Fabian’s hooked lips were unrestrained and mocking, “Yes, if I killed people, I should pay for the price, but I didn’t kill anyone!”

Fabian stretched out his foot and kicked Kieran, who was lying beside him, “Kieran, don’t pretend! Don’t you get tired of pretending to be dead?”

Chapter 987

Hearing Fabian’s words, Jaden and Jayla knew that Freya didn’t need to continue pretending to be dead, and the two of them trotted to her and helped her up with one left and one right.

“Mummy, are you tired after lying on the ground for so long?” Jayla thoughtfully gave Freya’s shoulders massage, “My sister has been lying with mummy for so long, she’s tired too!”

“Sister, you must be good and obedient in your mother’s tummy. When you are born, I will play barbie with you.”

“Stupid Jayla, what’s inside Mommy’s tummy is obviously a younger brother!” Jaden was usually too lazy to argue with Jayla, but when it came to such a serious issue as his younger brother, he definitely had to take a firm stand.

The thought of having brother to play football and study robots with him soon made Jaden unspeakably excited.

But in front of outsiders, he still looked cold, he glanced at Freya’s belly, “Brother, you have to listen to Mummy, or Mummy won’t give us a football team!”

Jayla added, “And the Barbie team! For the sake of our Barbie team, sister, you have to be good!”

Freya opened her eyes. Was it really appropriate to discuss the football team and the Barbie team in such a serious occasion?

Can’t these two kids see that Robin and Rebecca are so angry that their faces are pale?

Kieran slowly got up from the ground and was slightly saddened to see the two little kids surrounding Freya.

He had also been lying on the ground for quite a while, okay, but why was there no one who even cared about him?

“How did Mr. Fitzgerald not die?! And Freya, they, they ...”

Robin’s face was full of fear as he pointed incredulously at Freya and Kieran, “What the hell is going on here?!”

“Fabian, just now, didn’t you ... how did this happen!” Rebecca was also full of shock as she muttered a whisper.

“Rebecca, very disappointed right?” Fabian smiled to himself and looked at Rebecca with a clear disappointment in his eyes, “Your poison was changed by me a long time ago. Rebecca, I’ve been giving you a chance, but unfortunately, you really let me down!”

After getting used to the infinite dotting in Fabian’s eyes, Rebecca suddenly faced a cold and austere him, her heart chilled, she couldn’t help but take a step back.

“Fabian, you ...”

Before Rebecca had finished her words, Fabian cut her words off, “You can’t believe it, right? You thought you had me under your control, but you ended up being tricked by me?”

“Why? Because you underestimated the brotherly love between men. Rebecca, it is the first time I love a man in my life, I’m mentally prepared to spend my life with you, but that doesn’t mean that I can hurt my best friend for you!”

“Besides, you think those tactics are brilliant, in my opinion, they’re really not up to par!”

Rebecca staggered back, “Fabian, I didn’t lie to you, it was really Mr. Fitzgerald who bullied me, have you forgotten the bruises on my body and the blood on my body?!”

“Rebecca, you’re still unrepentant! I know better than anyone what kind of person Kieran is! He has a deep love for his wife. Rebecca, you really think highly of yourself!”

“Fabian, I didn’t! I was really bullied by him, he doesn’t deserve to be your friend, he ...”

Without waiting for Rebecca to finish her sentence, Fabian smashed a large pile of photos in front of her.

The male lead in the photos was Robin, and the female lead was naturally her.

These photos were not so unpleasant. There were a few photos of them just coming out of the hotel room with their arms around each other, so it could tell what kind of relationship they were in at a glance.

“Rebecca, I already knew about the relationship between you and Robin a long time ago, even so, I’ve been giving you a chance, but all you’ve given me is disappointment!”

“Brother, no, listen to my explanation!” Robin obviously didn’t expect such a sudden turn of events, he was already shocked enough when Kieran and Freya suddenly came back from the dead just now, and now when he saw these photos, his eyelids jumped in shock even more.

“Shut up! I said, don’t call me brother!”

Fabian put away the coldness on his face and suddenly raised his eyebrows and smiled brightly, “Robin, do you know why I knew long ago that you were up to no good and had to cooperate with you in such a drama?”

Without waiting for Robin to speak, Fabian continued, "Because I wanted to let some blind people see what kind of dog was standing next to him!"

"But there's one thing I have to admire about you. This unpredictable skill of yours is so damn good! It's only been a short while since Kieran and his wife pretended to be dead, and you've brought Adrian and Joanna over, so how can you be so sure that they'll play dead?!"

"I ..."

Fabian's words directly blocked Robin from speaking, neither Adrian nor Joanna were fools, hearing his words, there were some things that they instantly figured out.

In this world, no one can be unpredictable, unless, of course, it is the person who sets up the game.

It was probably Robin's idea that Rebecca would approach Fabian, and now it was even Robin's idea that Rebecca had instigated Fabian to poison Kieran.

Robin has gone to great lengths to ruin both Kieran and Fabian!

Robin hurried to ask help from Adrian, "Dad, believe me, I really don't mean to frame Fabian. The reason I called you and Joanna to come over was because I had received information that Fabian had killed Mr. Fitzgerald! Dad, I'm really calling you guys over to help Fabian!"

"Is that so?" Fabian smiled wryly as he glanced at Robin who was sweating coldly on his forehead, then he gave a wink to Jaden, "Jaden, do you think he brought so many people over here to help me?"

Jaden did not say anything, but directly opened a box-like object that was as big as the palm of his hand.

As soon as that thing was opened, Rebecca's voice was heard.

"Robin, don't worry, that fool Fabian has already taken the bait, he added the medicine you gave me to Kieran's coffee, you can bring Mr. Pryce and Joanna over now. Once Kieran is dead, Fabian is the murderer and you are the only heir of the Pryce's!"

"Not only that, if you help Boss remove such a big enemy as Kieran, Boss will definitely fully support your career, and then you can avenge your past shame! We are killing two birds with one stone this time!"

Then came the voice of Robin, "Rebecca, you're great! Don't worry, when we get rid of Fabian, I'll marry you and make you the only mistress of the Pryce family!"

After the sound in the box stopped, Fabian provocatively hooked his lips at Robin, "Don't you want to kill me? Go ahead, come and get me killed!"

Chapter 988

Robin dreamed of killing Fabian, but now, in front of Adrian, he wouldn't dare! He was so angry and cowardly that he could only strain his neck and gasp for air.

After a while, Robin put on a fake smile and said to Fabian, "Brother, it's all a misunderstanding! This is all a misunderstanding! You're my brother, even if I had to kill myself, I wouldn't harm you!"

“Fabian, a recording doesn’t mean anything. Someone deliberately set me up, you can’t let someone with bad intentions fool you!”

“Robin, shut up!”

Adrian coldly interrupted his words, he was already unwilling to accept Robin as his son, for the sake of his mother, he didn’t obstruct him from entering the Pryce family when he was down and out. Now, he dared to lay hands to his precious son, even if his mother insisted on allowing him to acknowledge his ancestors, he would still oppose to the end!

“Dad, don’t you believe me? I’m your real son!”

Fabian sneered and gave Adrian a look, “Adrian, you are really stupid to believe that he is your son!”

“Fabian, who are you calling stupid? You rebellious son, see how I will teach you a lesson!” Adrian grabbed a broom in front of him and threw it at Fabian.

Without Adrian’s support, Robin was terrified and he pulled his arm, “Dad, don’t hit Fabian! Fabian didn’t mean to offend you!”

“Dad, listen to my explanation, I was really wronged, I really didn’t harm Fabian! Fabian is my role model, my pride, I worship him, and I promise with my personality, I won’t harm Fabian!”

“Personality?” Freya laughed, “A copycat has no personality! Robin, you’ve been illegally imprisoning Freddie for years, you’re also suspected of intentional homicide, trying to get Kieran and Fabian killed, even if you pretend to be innocent, you will go to jail!”

“I didn’t!” Robin subconsciously denied, “Freya, who are you to wrongly accuse me? I don’t know anything at all, who are you to slander me?”

Thinking of something, Robin hurriedly pushed Rebecca in front of him, “It’s this bitch! It’s not enough that she hooked up with me, she even tried to hook up with Fabian! Yes, she set all this up, she just can’t see me and Fabian getting along well, she wants to part me and Fabian away!”

Robin shouted at Rebecca in a serious manner, “Rebecca, why do you want to frame me and my brother? What exactly is the purpose of your approaching us?!”

Rebecca looked at Robin in a daze, she could not have ever imagined that the man she had loved with all her might would not end up being the man he had promised her, sheltering her from the wind and rain, but pushing her out and making her endure all the misery and hardship.

Rebecca loved Robin, from the moment she was picked up by him as a child.

In her world, there is no right or wrong, whatever is good for Robin is right.

Robin was just the son of an unrecognised mistress who was struggling to make ends meet, and she went around all sorts of men to help him become famous, just to get money from those men and help him succeed.

He later succeeded, then was exposed for plagiarism and fell into disrepute. She got close to Fabian and got expensive sports cars, villas and all kinds of jewellery from him.

She had so much wealth, but she didn't want to spend any of it. She sold all those things to help him get back on his feet.

He used the money she gave him to set up a clothing company and was taken back to his family, and his life got better and better, but he still didn't know how to be content.

He wants more, so she continues to help him.

Her love was so deep that it touched even herself, but not him.

Her heart hurt so much that Rebecca suddenly did not know how to justify herself.

Seeming to see Rebecca's despair, Fabian hooked his lips compassionately, he smiled gently, as if he had become the same Fabian who loved her again.

"Rebecca, look at you, what kind of eyes are these! How good I am, and yet you have to love this kind of scum!"

Rebecca did not want to cry, but when she heard Fabian's words, her tears could not be controlled to roll down.

It seemed like, in this world, the only person who had truly treated her well was Fabian, but unfortunately, she had missed out after all.

"Brother, I'm not scum! It's this woman! She's mean-spirited, deliberately making us brothers fight to the death!" Robin was desperate to show goodwill to Fabian, "Fabian, you have to trust me!"

"Robin, shut up!" Adrian was straightforward, and he could not stand to see Robin being so shameless.

If not for Fabian's wisdom, he would have been put through jail today. At this thought, Adrian was even more furious at Robin.

"Dad ..."

"Don't call me dad! I don't know if you are my son, I only know that it was your mother that killed the woman I loved!" Adrian spoke coldly, "I will leave today's matter to the police department, you will pay the nasty things you have done!"

After saying these words, Adrian didn't even look at Robin before turning around and walking towards the outside of the cafe, no matter how much Robin screamed, he didn't have any half-heartedness.

Adrian was so determined that even if his mother stepped in, she could not help Robin.

Throwing Robin out of the Pryce family and sending him to prison was the ending Fabian had always wanted.

But now, in his heart, it had not joy at all.

He was so sad, not for Robin, but because the girl he loved with all his heart had never liked him.

The police came and took Robin away, there was no evidence that he had illegally imprisoned Freddie, but some evidence, with enough power, could be forged.

Coupled with the charge of intentional homicide, Robin could not avoid this jail sentence.

Rebecca was also taken to the police station to cooperate with the investigation. When she left, her eyes gave Fabian a complicated glance, seemingly with remorse, lingering and reluctance.

Only after the loss did she realise what she had missed.

Kieran and Freya knew that Fabian must have wanted to be alone and have some peace and quiet, so they did not disturb him.

As Kieran and Freya had just left the cafe, a heartbreaking cry rang out in the air.

“Dad, what’s wrong with you?! Dad, wake up! Someone please save my dad!”

Chapter 989

“Dad, hang in there! I’ve called the hospital and the ambulance will be here soon! Dad, you must hold on!”

Freya didn’t like to meddle, but as a doctor, the hardest thing to do was to see the dead without saving them, not to mention, this voice sounded somewhat familiar.

Following the voice, Freya looked in the direction of the intersection, only to see a man in his fifties or sixties with a weathered face lying motionless on the ground, while Emily and Elis were hugging him, tears of despair streaming down their faces.

“Grandpa, wake up! Wake up!”

Elis’ voice had a distinct crying tone and sounded unspeakably pitiful. Freya’s heart sank and she could not help but quicken her pace.

Jaden and Jayla also saw Elis. They were first shocked by Elis’ appearance like Josiah, and then they coincidentally felt extra special pity for him.

He was teary-eyed and his skinny body kept trembling, which made Jayla feel sad.

“Brother, his grandfather should be fine, right?” Jayla couldn’t help but sigh, “He looks so skinny! So pitiful!”

Elis really did look exceptionally thin. He was five years old, but he looks like three years old, as if he was a refugee who had fled from a famine somewhere.

Glancing at Elis’ legs, Jayla couldn’t help but lower her face and glance at her own round little arms.

“Brother, his thighs aren’t as thick as my arms!”

“Jayla, that’s because you’re too fat!”

Being unmercifully dissed by Jaden, Jayla’s heart couldn’t help but be hurt, “I don’t want this, but chocolate is so cute! It’s so cute, why don’t I eat it? If I don’t eat it, it will be sad!”

Jaden was so angry that he didn’t even want to talk to Jayla anymore.

Jayla looked at Jaden with big eyes, "Brother, I suddenly remembered that I haven't eaten any chocolate today. Chocolate must be so sad and upset."

Jaden, "..."

Why did she want so badly to stuff his sister back into mommy's tummy?!

Although his face was full of disgust, Jaden still pulled out a chocolate lollipop from inside his pocket. Seeing this lollipop, Jayla's eyes instantly lit up, but, looking at Elis and Emily's heartbroken look, she suddenly lost her appetite for chocolate.

When she saw Freya, it was as if Emily had seen a great savior, she grabbed Freya's coat with force and knelt directly on the ground.

"Dr. Stahler, save my dad! Please save my dad, you're so good at medicine, I know you'll be able to save him! I beg you to save him ..."

Freya briefly understood the situation of Emily and Elis. She was a young woman with this seriously ill old father, crippled brother and a young child, it was really not easy, so Freya wanted to help her.

However, she couldn't help anymore.

Emily's father had run out of breath.

Moreover, it wasn't a simple shock, he was truly dead.

She was a good healer, but she couldn't do anything to bring him from dead.

"I'm sorry, I can't help you anymore, he is gone."

"What?!" Emily's eyes rounded abruptly, tears swirling in her eyes, but she braced herself to not let them roll down.

With this look of trying to hold back her tears, she looked more and more mournful and pitiful.

"What are you saying?! What's wrong with my grandfather? My grandfather will be fine!" Elis pathetically grabbed Freya's sleeve, "Miss, just now you were teasing us, my grandfather will be fine, right?"

When she met Elis' eyes full of hope, Freya slightly moved her lips, she really couldn't bear to repeat her words to him again.

"Yes, my grandfather will be fine! Yesterday he even told me that when he gets better, he'll take me to the beach to collect shells. Grandpa hasn't even accompanied me to the beach to collect shells yet, so he would be okay!"

"I haven't seen the sea yet! I want to go with Grandpa to see the sea, Grandpa will be fine!"

With that, Elis squatted back down and said softly as if he was afraid he might disturb the man on the ground, "Grandpa, let's go home. You get some sleep and we'll go to the sea tomorrow to collect shells together, okay?"

“I heard from my classmates that the sea is very beautiful, I want to see how beautiful the sea is with Grandpa.”

Elis is so understanding, Freya hastily looked away, a tear couldn't be controlled to roll down from the corner of her eyes.

The chocolate lollipop in Jayla's hand snapped to the ground.

She really didn't think that she would witness death separation.

The woman who was sobbing on her knees and the skinny little boy were so pitiful.

She would rather never eat chocolate again for the rest of her life, just hoping that the grandfather lying on the ground would come back to life and their family would be happy.

Freya knew that Emily was having a hard time financially and she wanted to help her deal with her father's aftermath.

She doesn't like to meddle in things, but she really likes Elis too much and she can't bear to see him so upset.

As soon as she saw Elis' snotty face, she would recall Josiah's cute face when he was a child, and her heart would soften to the point of wanting to hold all the good things to him.

Emily was indeed very poor now, unable to even get the money to pay for her father's cremation, which was paid for by Freya, including the purchase of the coffin and burial.

Freya did not want her to pay back the money, but Emily wrote down all the expenses and waited to pay her back when she earned money.

After Emily finished dealing with her father's affairs, she knelt for a long time in front of his grave, her tears flowing over and over again as she thought about the rest of his miserable life.

As the sun went down, she got up and was just about to lead Elis home with her when a dark shadow loomed over her.

Before she could slow down, large hands, like iron pincers, roughly strangled her around the neck.

“Emily, you lied to me!” Khalid Smith, Keegan's elder brother and Emily's nominal husband, stared at her with a violent look as he choked her, “Rohan Bennett is still alive, yet you lied to me that he was dead! Fine, you lied to me so that I couldn't kill him myself to avenge Adeline's death, then I'll kill you and this bastard of yours to sacrifice Adeline's dead soul in blood!”

“My father didn't force Adeline to die! He was framed!” Emily spoke with difficulty, “Khalid, my father didn't make a mistake at all, even if he did, you ruined our family and tortured me for six years, we've been even!”

Khalid let go of Emily. She thought he had changed his mind, willing to let her and Elis go, but the next moment, he got into his car, stepped on the accelerator, and rushed in the direction of her and Elis!

Chapter 990

Emily never expected Khalid to suddenly make such a crazy move, and she was so shocked that her body instantly stiffened like a stone.

After reacting, she hugged Elis tightly and hurriedly ran ahead, but their speed was no match for the speed of the Rolls Royce Phantom.

Just when Emily thought she and Elis were sure to die, Khalid's mobile phone suddenly rang sharply.

He slammed on the brakes so that she and Elis got saved.

The person calling Khalid was his brother Keegan.

Keegan's voice was playful, "Brother, guess who I ran into on this case?"

"Who?" Khalid's voice was gloomy, clearly not in the mood to talk nonsense to Keegan.

Keegan couldn't stand his brother's sullen personality, he silently rolled his eyes and continued, "I ran into Adeline, who was being chased and killed!"

"What?!" Keegan's fingers shook so violently that the phone in his hand almost fell to the ground.

"Brother, Adeline isn't dead, she only faked her death back then." Keegan's voice continued, "It's a coincidence that I was able to trace an old case of a serial murderer."

"Brother, do you know who's after Adeline? It's Adeline's rich businessman husband abroad! From her husband's mouth, I learned a remarkable secret!"

"Brother, you've been fooled by Adeline!"

"Go ahead!" Keegan couldn't stand Khalid's coldness, and likewise, Khalid couldn't stand his brother, who was full of nonsense.

Seeing that his brother was getting impatient with waiting, Keegan hurriedly made a long story short, "Brother, back then Rohan didn't rape Adeline, it was Adeline who saw that he was rich and drugged him to get money from him."

"She always thought you were a poor boy with nothing at the time, and she adored your body, but equally adored the glory and wealth. I just heard from a buddy of mine that Adeline had gotten a lot of money from him back then too!"

"Back then Adeline drugged Rohan and climbed into his bed. She thought she would just blackmail a large sum of money from him, but she never thought that you would catch her!"

"She didn't want to ruin her image in your heart, and it so happened that a rich businessman from F Country was courting her, so she wisely staged a play of jumping into the sea and faking her death, so that she could maintain her pure and noble image in your heart for you to remember for the rest of your life, and at the same time, she could get close to a rich man!"

"You think she was forced to die by Rohan, but in fact, she is in love with that rich businessman from F Country! It's a pity that she is greedy, she married that rich businessman and continued to hook up with other rich people, eventually she was caught by him and he wanted to send her to hell in a fit of rage."

“Poor Rohan, his factory went bankrupt and got sick and even died afterwards because of you.”

After hanging up the phone, Khalid didn't come back from the shock for a long time.

Perhaps time is really the best medicine to heal all wounds. Once he thought that losing Adeline would turn him into a walking corpse, but now he realized that he didn't seem to care about Adeline as much as he thought.

Listening to Keegan's account of Adeline's hypocrisy and betrayal of him, his heart was horribly calm.

It turned out that Emily really hadn't lied to him, her father really hadn't raped Adeline, forcing her to commit suicide by jumping into the sea, from the beginning to the end, he had been innocent.

But what about him?

In the name of paying off her father's debt, he used a marriage with no real name to imprison Emily for nearly six years, and every day, he tortured her in different ways to make her atone for Adeline's sins instead of Rohan.

He forced Emily to kneel in front of Adeline's grave to repent when she was on the verge of giving birth and couldn't even stand up with a big belly.

The night Emily went into labour, she still knelt most of the night because she had endured too much torture during her pregnancy, coupled with severe malnutrition and being taken to the hospital too late she was on edge of her death.

He said that Emily deserved all the torture and suffering she endured, but like she said, what did she do wrong!

In fact, she was the most innocent person in this world!

“Get in the car and accompany me to the police station!” Khalid suddenly opened the car door and coldly ordered Emily.

In fact, after realising the mistake he had made, he actually wanted to be nicer to Emily, but he was so used to being mean to her that it was really hard for him to be gentle with her.

Hearing his words, Emily's thin body couldn't help but cower.

Her fear of him made Khalid's brow furrow.

Was she that afraid of him?

How could she not be afraid of him! Probably, in her mind, he was even scarier than the devil!

Also, how come she's become so skinny now!

Khalid's thought was slightly in a trance, he remembered that when he first met her, she wasn't this thin.

“Okay.” Emily took another step back, still whispering.

She knew that whenever Khalid looked for her, there was definitely nothing good, but she still didn't dare to refuse.

She had too many soft spots, Elis, Cassius, all of them were her life, and that devil Khalid was capable of doing anything.

If she was taken away by him, only she herself would be tortured, but if she resisted, Cassius and Elis would have to be buried with her.

Although her heart was scared to death, Emily still tentatively asked, "Mr. Smith, can I take Elis home first?"

If it was in the past, if Emily dared to make conditions with him, Khalid would definitely have had someone give her a beating, but this time, he didn't torture her and only nodded.

His nod was subtle, but in Emily's eyes, it was a pardon for her.

He agreed to send Elis back to her home in the slums, which meant that he would no longer insist on running Elis to death. Even if she had to get beaten and knelt in front of Adeline's grave, she had nothing to complain.

What was even more surprising to Emily was that he took the initiative to drive her and Elis to her slum home. After settling Elis into her home, she didn't dare to delay at all and went out to find Khalid.

Elis ran out after her, "Mum, don't go! He's a bad man! I want to protect you! I am a man! I don't want the bad guy to bully you!"

Bad man?

Khalid's brow furrowed when he saw the dilapidated house where Emily lived, and when he heard Elis' words, his brow was even more wrinkled.

Emily thought Khalid would be waiting in the car, she hadn't expected him to get out of the car.

Thinking of what Elis had just said, she scrambled to cover his mouth, not letting him continue to tell the truth for fear of angering this demon.

Afraid that he would hurt Elis, she quickly shielded herself in front of him and spoke carefully, "Mr. Smith, Elis means no harm, he is still young, can you forgive him?"
