

## Tamer Family 39

### Chapter 39

In the Endless Mountains, Chen Yang glanced at the dense forest around him and said coldly, "Gongsun Miao, come out."

"At this point, is there any need to hide?"

"Family Head Chen, do you want to die so badly?" With a sneer, Gongsun Miao led his clansmen out of the forest.

"I want to die? It's not over yet. It's probably not appropriate for the Gongsun family's head to enjoy victory now." Chen Yang replied with the same sneer.

"Hahaha..."

Gongsun Miao seemed to have heard something so funny that he almost couldn't stand up.

However, in the blink of an eye, the smile disappeared and was replaced by a crazy killing intent. "Ancestors, show yourselves!"

As soon as Gongsun Miao finished speaking, three figures suddenly rushed out from the dense forest behind Gongsun Miao.

Looking at the three Genesis experts emitting a terrifying aura, Chen Yang didn't even turn his head. "In that case, Ancestor Xue, Ancestor Mo, come out."

Behind Chen Yang, Ancestor Xue and Ancestor Mo, who were disguised as members of the Chen family, arrived at Chen Yang's side almost at the same time.

At the same time, the clansmen of the two families also held their weapons tightly and waited.

“All of you, stand down. Now is not the time for you to take the field.” Gongsun Miao and Chen Yang asked their clansmen to stand down at the same time.

Both of them had absolute confidence in this battle and wanted to minimize the casualties of their clansmen.

The two sides confronted each other for a moment. In the end, Gongsun Mang was the first to break the silence. “Everyone, don’t wait anymore. Let’s do it.”

Almost as soon as Gongsun Mang finished speaking, Ancestor Xue rushed out and targeted the Feng family’s Patriarch.

Seeing this, Patriarch Feng hurriedly blocked.

Damn it, why did he have to face this lunatic Xue? Could it be that the little head of the Chen family didn’t tell her that we were on the same side?

Left with no choice, the Feng family’s Patriarch could only say, “Lady Xue, you know that the outcome of this battle is not ours. Why don’t we not fight?”

“Cut the crap and fight!”

Patriarch Feng was now certain that Chen Yang had definitely not told Ancestor Xue about his rebellion against the Feng family.

He had no choice but to deal with it. At the same time, he prayed in his heart that Chen Yang would quickly give the order to attack Gongsun Mang.

As for Ancestor Mo and Patriarch Liu, they stayed away from the battlefield and looked at each other. Neither of them was in a hurry to attack.

“First Elder, do it!”

Immediately, Chen Yang and Elder Chen Xuan rushed out together. The pure and powerful spiritual energy in their bodies gathered in their right fists and smashed towards Gongsun Mang.

At the same time, the Mystic Wind Wolf and the Green-horned Bull were released and ran behind Gongsun Mang to attack him.

Although Gongsun Mang was a fourth-stage Genesis Realm expert, he was suddenly attacked by four Genesis Realm experts and was at a disadvantage for a moment.

BANG!

A loud bang sounded. Chen Yang and Elder Chen Xuan, who were circulating the SunBurst Fist, met Gongsun Mang’s fists.

The Mystic Wind Wolf and the Green-horned Bull took the opportunity to attack Gongsun Mang’s back.

After enduring this set of attacks, even though Gongsun Mang was at the fourth level of the Genesis Realm, he was still beaten until he vomited blood.

“Ha!”

After circulating the spiritual energy in his body to separate Chen Yang and the others from the demon beasts, Gongsun Mang wiped the blood from the corner of his mouth and sneered. “Do you think you’re the only one with a beast?”

Accompanied by Gongsun Mang’s sneer, a wolf-like demon beast with an ox head charged at Chen Yang.

However, before this demon beast could reach Chen Yang, it was stopped by Ancestor Xue's beast.

When Chen Yang saw this, he cooperated with Elder Chen Xuan and his beasts to surround Gongsun Mang. "Gongsun Mang, what other ideas do you have?"

"Chen Yang, I have to say that you're the most monstrous person I've ever met. Unfortunately, you're from the Chen family."

"Therefore, you will definitely die today! Big Brother, come out!" Gongsun Mang shouted.

"Hahaha, I didn't expect that I, Gongsun Lu, would one day be able to personally crush a devil."

Gongsun Lu walked out of the Gongsun family and leaped to Gongsun Mang's side. "Chen Yang, right? My Gongsun family has already given a response. What should your Chen family do?"

Seeing Gongsun Lu appear, Ancestor Mo and Ancestor Xue were stunned. Immediately after, worry appeared on the faces of the two ancestors.

Now, what should they do?

Chen Yang, Chen Yang, what else can you do to turn the situation around?

"Respond? Since Patriarch Gongsun wants my Chen family's response, my Chen family can't disappoint Patriarch Gongsun, right?"

Immediately, Chen Yang touched his beast pouch. The Blazing Eagle and the Winged Tiger circled in the air and looked down at Gongsun Lu.

"Patriarch Gongsun, how is the response of the Chen family?"

Gongsun Lu's expression changed, but then he snorted. "Hmph! Two early-stage demon generals are not enough."

"Even if I don't have the help of my natal beast, it's still not something two early-stage demon generals can deal with!"

Immediately, Gongsun Lu emitted a terrifying aura. As for the Blazing Eagle and the Winged Tiger, they circled around and swooped down, tangling with Gongsun Lu.

"I know that two beasts can't deal with Patriarch Gongsun, but it's enough to hold you back."

"Next..." Chen Yang narrowed his eyes and circulated his SunBurst Fist again. "After getting rid of Gongsun Mang, this battle will end!"

As soon as Chen Yang finished speaking, the four existences at the Genesis Realm rushed forward again. For a moment, Gongsun Mang retreated step by step.

The situation at the scene reversed again and again, almost hurting the backs of the few old ancestors at the side. Apart from Patriarch Feng, the expressions of the other three ancestors changed several times.

"I didn't expect the Chen family to hide so deeply." When Patriarch Liu saw this, he twisted his neck. "Ancestor Mo, looks like I can only quickly deal with you and help the Gongsun family."

"Finish me off? That depends on whether you have the skill!"

Ancestor Mo's aura trembled as he immediately rushed out and threw a punch at the Liu family's Ancestor. These two ancestors could only rely on their own strength. The combat strength they erupted with was much stronger than Gongsun Mang.

As time passed, Gongsun Mang gradually fell into a disadvantage. After all, Gongsun Mang was a Beast Tamer, and his strength was all on his beasts.

His natal beast could not help, which means more than half of Gongsun Mang's strength have been cut off.

Gongsun Mang alone could not stop the combined forces of Chen Yang, Elder Chen Xuan, and the two demon generals.

Gongsun Mang, who was forced into a corner, had a decisive look on his face. "Shadow Lord, please attack!"

"You have to think carefully. Once I take action, the benefits of this battle will have nothing to do with your Gongsun family." These words floated over from somewhere.

When Gongsun Mang heard this, his heart ached. However, at this point, he could only do so. "Shadow Lord, please do your best. I want the entire Chen family to be wiped out today!"

"Okay, as you wish!"

Immediately, a man in a black robe and a black mask jumped to Gongsun Mang's side. His eyes flickered with bloodlust as he said with a sinister smile, "Chen Yang, right? How do you want to die?"

## Chapter 40

Even Chen Yang was shocked by the sudden appearance of this Genesis expert. A worried expression appeared on Ancestor Xue's face. How many trump cards were these two sides hiding?

The expert called Shadow Lord suddenly emitted a powerful aura of the fourth level of the Genesis Realm.

With Shadow Lord's help, Gongsun Mang revealed a sinister smile again. "Chen Yang, let's see how you can turn the tables this time!"

“How can I turn the tables?” Chen Yang was not frightened by this so-called Shadow Lord. A playful smile appeared on his lips. “Since Ancestor Gongsun wants to know so much, I won’t hide it anymore.”

“Patriarch Feng, do it.”

“Alright, I was dying of suffocation.” Patriarch Feng forced Ancestor Xue back with one palm, then took two steps and jumped in front of the man in black.

Without saying anything else, he circulated his spiritual energy and fought with the man in black.

Patriarch Feng’s sudden betrayal shocked everyone, especially Ancestor Xue. She was stunned at first, but then she smiled and said, “I was wondering why Patriarch Feng didn’t fight with all his strength. It turns out that he was already instigated by Chen Yang.”

“Patriarch Feng, wait a moment. I’m coming!”

Immediately, Ancestor Xue jumped up and surrounded the man in black with Patriarch Feng.

Faced with Patriarch Feng’s betrayal, Gongsun Mang was furious. “Feng Hui, you actually betrayed the alliance!”

“Betray the alliance? When you let the three great families attack my Feng family, why didn’t you think that we were an alliance?”

“Since you’re heartless, don’t blame me for being ruthless! Today, your Gongsun family will definitely be destroyed!”

Gongsun Mang’s words clearly stung Feng Hui. When he attacked again, he was completely determined to kill this man in black.

“Gongsun Mang, you still have the mood to argue with others. Looks like we’re still too weak.” As Chen Yang spoke, his fist containing spiritual energy smashed towards Gongsun Mang’s right shoulder.

As Gongsun Mang's mind was on Patriarch Feng, he did not resist at all. By the time Chen Yang's fist landed, it was already too late.

“Pfttt!”

Gongsun Mang spat out a mouthful of blood and immediately focused his attention on dealing with the attacks of Chen Yang and the others.

On Patriarch Feng's side, because Patriarch Feng and Ancestor Xue were fighting desperately, it did not take long for the black-clothed person to be unable to hold on.

The man in black was also a decisive person. He knew that the Gongsun family would definitely lose this battle. After forcing Patriarch Feng back with a palm strike, he took another palm strike from Ancestor Xue and quickly fled.

Ancestor Xue still wanted to chase after him, but Feng Hui stopped her. “Lady Xue, stop chasing. The most important thing now is to destroy the Gongsun family.”

“Yes.” Ancestor Xue nodded. Then, she and Feng Hui rushed to Gongsun Mang's side and joined the camp attacking Gongsun Mang.

Seeing that no one was chasing after them, the man in black heaved a long sigh. Then, he thought of something and glanced at Chen Yang and the others before speeding towards Song City.

With Feng Hui and Ancestor Xue joining in, Gongsun Mang could not even stall for time.

In less than ten minutes, Chen Yang found a flaw in Gongsun Mang and punched out.

“SunBurst Fist!”

This punch that gathered most of Chen Yang's spiritual energy pierced through Gongsun Mang's chest and shattered his heart.

“YOU!!!”

Gongsun Mang looked at Chen Yang in disbelief. He wanted to say something, but in the end, he did not.

“No!”

Seeing his brother fall, Gongsun Lu seemed to have gone crazy and charged at Chen Yang. He even ignored the attacks of the Blazing Eagle and the Winged Tiger.

“You want to die? Then I'll fulfill your wish!”

Immediately, under Chen Yang's lead, a group of Genesis experts swarmed forward. It did not take long for them to completely kill Gongsun Lu.

After Gongsun Lu died, Elder Chen Xuan was still in disbelief. “Family Head, is this true? We really destroyed the Gongsun family?”

“Of course.” After the battle ended, Chen Yang smiled again.

Of course, in the eyes of the Gongsun family, this smile was even more terrifying than the smile of a devil.

However, even if Gongsun Miao wanted to slip away, the Chen family members guarding at the side would not let him succeed. There was no choice. Gongsun Miao could only stay where he was, trembling in fear, waiting for Chen Yang's punishment.

Compared to Gongsun Miao, Patriarch Liu had been thinking of ways to escape. However, Ancestor Mo also knew Patriarch Liu's intentions and wanted to hold him back no matter what.

After Chen Yang and the others finished off the Gongsun brothers, Patriarch Liu no longer planned to escape. He waited for Chen Yang to come over.

“Patriarch Liu, at this point, what else do you have to say?” Standing in front of Patriarch Liu, Chen Yang said very impolitely.

Patriarch Liu forced a smile and said, “The Liu family is doomed this time. I’m willing to pay any price as long as Family Head Chen can let us go.”

“If you want me to let you off, fine. Firstly, you have to take out 3,000 spirit stones. Secondly, the main business of the Liu family has to be handed over to the Feng family.”

Hearing Chen Yang’s conditions, Patriarch Liu hurriedly agreed. “Sure, sure. As long as you can let go of my Liu family, I’ll agree to anything.”

It was a big price to pay, but surviving was better than anything.

As for why Chen Yang chose to let the Liu family go, he had his considerations.

The destruction of the Gongsun family had already caused quite a stir. If the Liu family was destroyed again, the other ninth-grade families would join forces to deal with the Chen family.

Moreover, the Liu family was a vassal family of the Song family. If they destroyed the Liu family, wouldn’t it give the Song family an excuse to destroy the Chen family?

Besides, the Chen family still needed some time to digest the spoils of war this time. They did not have the appetite to swallow the Liu family for the time being.

After some consideration, Chen Yang decided to let the Liu family go.

But the Gongsun family...

Seeing Chen Yang walking over step by step, Gongsun Miao revealed a fawning smile. "Family Head Chen, Lord Chen, my Gongsun family admits defeat this time."

"I'm willing to give up all of my Gongsun family's territory. I only beg Lord Chen to let us go and let us migrate elsewhere."

When Chen Yang heard this, he stroked Gongsun Miao's hair. "But if I destroy your Gongsun family, won't all your things still be mine?"

Gongsun Miao knew that the Chen family would not let them off no matter what. After hesitating for a moment, Gongsun Miao made up his mind.

"Family Head Song, please save my Gongsun family once. My Gongsun family is willing to offer that treasure to the Song family!"

As soon as Gongsun Miao finished speaking, Family Head Song rushed out of the forest and arrived in front of Chen Yang in two to three steps.

"Family Head Chen, how about letting the Gongsun family off?"

Family Head Song's words seemed like a request, but the threat in his words was vividly displayed.

"Family Head Song, this is an internal dispute of my Beastmaster Sect. It's not appropriate for you to interfere, right?" Chen Yang braced himself and said.

"I said, let the Gongsun family off, do you want me to repeat it a third time?" Family Head Song's face instantly turned cold, and his late-stage Genesis cultivation was displayed.

Seeing this, Chen Yang took a deep breath. "Then for the sake of Family Head Song, our Chen family will let the Gongsun family off."

Seeing that Chen Yang was so sensible, Family Head Song nodded in satisfaction. “Don’t worry, my Song family won’t invade the benefits you deserve.”

“Within a day, everyone in the Gongsun family will move to Song City. The Gongsun family’s territory will be divided up by you.”

“If you don’t want any of the land, you can exchange with my Song family. My Song family will have no objections.”
