

Taming Faye by Laurieen Chapter 15

Object Of Her Wayward Emotion

The model was extremely sexy with her slender legs, curvy and shapely bottom.

He will take her home, he decided.

That's the only way he can forget about Faye and whatever they had this afternoon, when the show ended Daylan stood up flashing his charming smile making eye contact with the model who got the message.

Swaying her hip seductively the sexy model walked her way to where Daylan stood, and they started talking with the model blushing and touching her hair.

The next morning Maya walked into Faye's office unannounced and dropped the newspaper on her desk.

Faye who was busy typing sigh.

"Maya what is it again?"

"Read for your self" she urged her hands crossed on each other.

Faye lifted her eyes from the computer and it landed on the newspaper headline.

CEO OF SAGE COMPANY DAYLAN SAGE DATING BEAUTIFUL MODEL AVA!! The headline screamed at her..

Faye was shocked to the bone, her hands became rigid, mouth slightly open as her eyes welled.

"Daylan is cheating on Jamie!! Maya shouted.

Faye nodded biting back the sob while blinking away the lone tears that dropped out of her eyes.

She had told Maya about Daylan and Jamie's relationship even though Maya knew about the one night stand they had.

She had convinced Maya she is not in love with him as he is not into her, so Maya thought it was only Jamie he was interested in.

"Er..... Maya you need to leave now okay, I have a lot to do and whatever is happening to daylan, it is his life and I don't care. He is just my boss and iam working

for him to get paid at the end of the month. He can do whatever he likes babe". She forced a smile.

Maya sighed." Okay Fay I will see you later in the evening", Maya turned and left.

With shaky hands Faye picked the newspaper looked at the pictures taken, her boss was entering in with a stunning lady, they were at a dinner gazing at each other loving, they kissed holding hands.

She dropped the newspaper and sunk to the floor, she hugged her knees as the tears were flowing more freely now.

Faye shut her eyes painfully regretted when she thought there was hope for her.

It did not take Daylan two days to replace Jamie.

Not with her, but with another woman.

Faye cried out her heart as her shoulder shook.

He used her!

He had hurt her.

Daylan sage!!

She realized he feels nothing for her, she is just an employee to him and someone he can use to satisfy his sexual need, and hell! She wanted it too.

When she got home, she met Maya waiting for her seated on the sofa watching TV.

"Maya?

"Did you check her out? Maya whispered breathlessly when she heard her name being called.

"Her name is Ava Jerkins, she is a top south Africa super model.....

Faye continue to ignore her bestfriend removing her clothes.

Don't you think she is beautiful, I mean look at her big boobs and...

Maya! Faye hissed

What?

"Please can you just stop already? I am not in the mood for any discussion about my boss this evening! Right now I am very tired and hungry.

"Okay" Maya chewed her lip to keep her mouth shut. "But Don't you think they had steamy sex last night....I mean look at...."

Faye gave her a hard look that shut her up completely.

"Okay! Okay let me bring you the food I prepared" Maya surrendered going towards the kitchen.

Faye smiled in relief, she was hurt, her head was banging. She doesn't want to break down in front of her best friend.

Maya cannot know what happened this afternoon with her and her boss, not now.

She is not ready for Maya's lecture and reminder of how she got hurt by her ex-boyfriend and how she is dumb to let him have sex with her in his private elevator.

She is and will always be a secretary to him..... Nothing more, Faye brushed the lone tear that flowed out of her eye.

She will do everything to get Daylan out of her heart, her brain and her mind.
