

Taming Faye by Laurieen Chapter 21

Suspicious Situation

Faye became stilled, her eyes wide open in shock as she saw Daylan fall lifeless on the floor.

She screamed out in fear with her eyes tightly closed as the shooter continued shooting, bullets flying everywhere hitting the flower vases and shelves.

“No! No! Mr sage? She called out in fear.

“Mr sage can you hear me? Tears were rushing out of her beautiful eyes.

Quickly she crawled towards him hitting him hard, wake up Mr sage! Mr sage! Mr sage! There was still no response from him.

“Daylan!! She shouted coughing, the acidic smell of the grenade and smoke of burnt plastic bruised her lungs.

Daylan please wake up, she begged softly, day.....

He coughed and opened his eyes.

“OMG! You’re alive Mr sage!, she hugged him tightly I thought I lost you.

She gently pulled him away and saw blood gushing out of Daylan’s chest.

Horror filled her eyes, Faye’ he weakly called.

She blinked...

“Daylan! Faye! Are you in there? Anthony coughed entering his office.

“Yes! Yes! Please help she said and fainted.

Daylan woke up to see the adorable sad face of his secretary looking at him.

“You are awake! Her eyes lit up.

“Yes, his throat was dry as he tried sitting up on the hospital bed.

“Welcome back bro, The doctor said you were lucky the bullet did not get to your heart when they removed it, so you should stay at home for one week to heal better, Anthony told him while helping him to sit better on the bed.

Daylan exhaled.

“You have a blood on your chin”, Faye murmured. She took a towel held it under warm water and dabbed it on his chin, he gaze unflinchingly into her Adorable face.

“Done’ she exhaled her eyes slowly reaching his.

His brown eyes became dark, she could not look away he held her with his gaze. She hoped he would kiss her..... But when he did not move she excused herself.

“I have to go out for sometime.....she mumbled breaking the connection.

It took her soft voice and the creaking sound of the chair when she stood up that brought him back to reality, he blinked and looked away.

She walked out

“Anthony! Good to see you again” she smiled greeting Daylan best friend warmly since when he came back from overseeing Daylan company outside the country.

“Good to see you too Ms Faye, I trust you are doing well?” He grinned.

she nodded with a smile.

“I want to go home.... Daylan stopped their discussion.

“I cannot stay here anymore, I hate it in here! I hate hospitals

Faye and Anthony turned to look at him, on seeing his serious expression Anthony agreed to drive him home.

“Okay bro, let’s take you home then. I will tell the doctor to come see you tomorrow

They assisted him into the car after filling in some documents, as they drove the busy city Daylan noticed the black SUV car with tinted windows behind his car, he was sure he saw the same car when they came out of the hospital.

Anthony who was in the steering was busy telling Faye his funny and bad experience throughout his stay in Paris, Daylan noticed she was listening attentively to his bestfriend smiling.

“Have you been to Paris?” Anthony asked.

“No! Not really but I would like to go there someday” she smiled.

Daylan kept that in mind, he sure will be the one to take her there himself.

Faye wondered who he was busy texting as she was responding to Anthony

As they kept traveling, Daylan looked at the side mirror again and the same car was still trailing them.

“Hey Anthony! How about we stop for a drink first?” He suggested

Faye head swing to Daylan in surprise, is he okay?

“Why bro? You should be at home now resting, you can’t go to the bar with your injury” Anthony replied.

“It is just a drink, I am fine with it”. He avoided their questioning gaze

“Alright, if you say so I will stop at the nearest bar” Anthony smiled increasing his speed.

Daylan nodded, focusing his attention on the road, not looking at them, not saying anything.

As Anthony turned right, the car trailing them also turned trailing them.

Daylan picked his phone and message the seniors of his security men alerting them of the strange and suspicious car following them.

“Faye

Daylan held her wrist, she was taken aback at his serious tone and tight grip.

*... I want you to go with Anthony to my hotel

“Hotel?” Faye and Anthony spoke simultaneously.

Although she had observed him texting speedily.

“What is going on?”

“Anthony I change my mind about going home or to the bar... he spoke gently not to raise fear in them,”..... take my secretary to a hotel I will come and see you later”

Well, she is always a secretary to him...

“Mr Sage what is going on?” Faye asked

“Bro what’s going on?” Anthony asked looking at Daylan through the driver mirror.

“Nothing, just do as I say”. Anthony nodded, turning left

Another car stopped, he was about coming out when Faye held him.
