The Divorced Billionaire Heiress Boss

Chapter 2040

Nicole opened her mouth but did not know what to say and did not know how to persuade.

Suddenly.

Tina sat up straight and picked up the phone on the table and said, "Yes, just left, follow me right away, Zach is likely to find that vixen, this time he must take evidence."

After she finished speaking, she hung up the phone and looked at Nicole: "Come, come with me? Nicole was stunned: "Is it suitable for me to go?"

"Why not, I wish people all over the world would go and see the good show between him and that vixen." Tina gritted her teeth.

Nicole pursed her lips, for the sake of the shares, okay. Go, go and see, it doesn't hurt.

It's just that Tina is in a bad mood and doesn't drive.

Nicole became her driver.

Tina was in command. The car went downstairs in a high-end community.

Nicole knew that many actors liked to buy houses here.

It was clean and the paparazzi couldn't get in.

She frowned slightly, thinking of Kirsi, it seems that she and Zach have been together for a long time.

Nicole looked at Tina: "Did you find a private detective?"

Tina replied: "Forget it, it's his former driver, from my hometown. He looked dissatisfied and made an excuse to drive, and then I gave him a sum of money to help me watch."

Nicole nodded.

It seems that no matter when, she still has to have her own confidant.

In less than five minutes, Tina's phone rang.

After listening, she hung up the phone.

"They came out" Nicole immediately looked over attentively.

Soon.

Two people appeared at the door of the apartment. they looked very familiar.

As soon as Zach came out of Tina's place, he turned his head and threw himself into the arms of his new love.

This made Tina's breath a little heavier, and it seemed that he was very angry.

But Kirsi seemed a little weird.

Maybe it was the night of the auction that day and she didn't see it clearly.

Nicole always feel that Kirsi has gained a bit of weight, and female stars have always paid great attention to their figure.

She didn't realize what happened until she saw Zach excitedly and cautiously putting his hand on Kirsi's stomach.

Nicole can see it, and so can Tina.

Nicole turned her head to look at her subconsciously she saw that Tina's face was pale, her lips were all white, and he was trembling slightly, unable to speak.

It was a look of a huge blow.

It's just that this blow didn't make her crazy, but rather a bit of despair.

Tina sighed, leaned against the car, and closed her eyes.

Her voice was hoarse: "Nicole, take me back."

Nicole was surprised by Tina reaction.

According to Tina's temper, she should go up and beat these two dogs.

Until the car left here, The two dogs were also left behind.

Tina suddenly spoke, her voice low and hoarse: "When I had appendicitis, I took the wrong medicine, and the two-month-old child in my belly was gone. Since then, I have

never been pregnant again. I always felt that I owed Zach, so I could turn a blind eye to his romantic affairs outside.

He said he didn't mind, didn't like children.

And I took it seriously.

Her voice suddenly choked up and felt sad.

Nicole pursed her lips and coughed: "A man's derailment is a matter of nature, and it has nothing to do with whether he has children. After all, he didn't like that woman because he had children."

Tina covered her face and her shoulders trembled slightly: "Me too I don't know, how did you get to where you are today?"

Nicole sighed: "what should I do now? Tore his face, or pretend he doesn't know anything? Going out with your child, you won't continue to endure it. At this point, everyone won't be fighting for one breath, but every cent."

After hearing Nicole's words, Tina's face gradually calmed down.

Tina nodded: "Nicole, you're right, I still have a tough battle to fight. Nicole breathed a sigh of relief, and now she doesn't care about any shares. She just hope that Tina would stop being stupid.

Otherwise, there was really no cure.

Nicole sent her home and returned her home alone.

Being upset by Tina, Nicole simply went to Clayton's company.

Clayton was very surprised by her arrival.

He not only went down to pick her up in person, but also carried the bag diligently.

This made everyone envious of Nicole.

Nicole couldn't stand the attention of so many people, it was too enthusiastic, she immediately got on the elevator.

There were only two people, she breathed a sigh of relief and said, "why is it so high-profile, I can up by myself"

Clayton smiled, "Isn't this all basic courtesy? You're my wife, if I don't go down to pick my wife up, it will make others speculate that there is not a good relationship between us."

Nicole really believed what he said seriously.

Seeing her listless appearance, Clayton asked what she was doing just now.

Nicole simply recounted what happened from going to Ferguson's house in the morning to what happened just now.

Coincidentally, he opened the door of the office in front, and Nicole walked straight in.

She sat in Clayton's seat, her long hair ran down her shoulders to her ears, and her delicate earrings were small and beautiful.

Clayton put his hands on both sides of the chair and looked at her with a smile: "Just because of this unhappy?"

Nicole put her arms around his neck: "Not unhappy, but not too happy either."

Clayton clicked, He lowered his head and kissed her lips, then said with a smile: "Then let's do something fun?"

Nicole was taken aback.

Suddenly, he was in the air, and Clayton picked her up.

Nicole quickly refused, a little nervous: "Are you crazy? this is the company!"

Clayton didn't care where it was. He put Nicole in the lounge inside and Nicole glanced at the lounge, she chose this bed herself.

Immediately Clayton face flushed, he pushed and refused.

Nicole swears that she really didn't come here for this.

Clayton kissed for a while, then smiled and looked at her: "Don't be unhappy because of others, our marriage is no problem, you see all my energy is spent on you and there is absolutely no second heart."

Nicole blushed when Clayton said it.

Heartbeat, it feels like the heart is about to jump out.

The breaths of the two people were intertwined, and Nicole sat unsteadily and subconsciously leaned back.

Clayton followed suit and fell on top.

Nicole opened her eyes slightly, her eyes were hazy and moist, looking at the strong love in Clayton's dark eyes, as if she had discovered something.

dust as she was about to investigate carefully, Clayton's kiss came to her face, giving her no chance to react.

They are chasing each other, Clayton's big hand is clasping her waist and she can't control it. Suddenly the door of the office is pushed open.

"Mr.Sloan..." Clayton froze slightly, and his face sank instantly.

Nicole took a deep breath, let out a sigh of relief.

watched him raise his eyebrows, and tidied up the buttons of his shirt, while exhorting: "Look, I'll say it's not suitable, it's more important to work, let's go."
