The Divorced Billionaire Heiress Boss Chapter 2053 Who Are You Calling Little?

Nathaniel said with a smile.

Nicole smiled. She was happy to see him come out of his love-lorn state.

Although Nathaniel was not someone who Livia could trust for the rest of her life, Nicole was happy that he could find another person to love.

“Where did this little girl come from? She doesn’t look local.” Nathaniel’s eyes lit up.

“I picked her up.”

He leaned over and whispered to Nicole.

Enter title...

“Literally. I saw a few thugs messing with her at the train station. That’s how I found out that she came to search for her brother. Her brother went to college and lost contact with her family.

She wanted to find a place to work, but she was almost trafficked.”

Nicole widened her mouth in shock.

Judging by Yasmin’s demeanor earlier, it did not seem like she had experienced so much.

Just as Nicole was about to say something, she saw Yasmin walking over to them.

Nathaniel smiled, stood up, and dragged the stool for her.

“Does this meal suit your taste? Would you like to order something else?”

Yasmin quickly shook her head and looked like a frightened deer. She was flattered.

Nicole smiled.

“Yasmin, which university did your brother go to? I’m acquainted with a few university deans, so I can help you!”

Yasmin was slightly taken aback. Her face was flushed as she looked at Nathaniel. She seemed to blame Nathaniel for telling Nicole about her private affairs.

Nathaniel quickly comforted her.

“Yasmin, Nikki is a kind person, and she knows a lot of people, so she’ll definitely be able to help you!”

Having said that, he raised his eyebrows.

“By the way, Nikki, you might as well arrange a job for Yasmin. Let her be your part-time secretary. It’s much better than working at a restaurant as a waiter washing dishes!”

Nicole pursed her lips and was stunned for a while. She suddenly did not know what to say.

“Uh...”

Nathaniel could really make things difficult for her.

How could Nicole arrange for a stranger to work by her side? Seeing that Nicole was put on the spot, Yasmin lowered her eyes and tugged at Nathaniel’s sleeve.

“Don’t make things difficult for Ms.Stanton.I haven’t been to university, so I don’t know how to work in such a big company.I’ll just find a restaurant work part-time there.”

Nathaniel frowned.

“No way! You’re so pretty, so you’ll be easily targeted by those bad guys! I think it’s too much work for you to be an actress.Nikki, please help her! You just gotta put out the word!”

Nicole regretted joining Nathaniel for dinner.She paused and said hesitantly, “Nathaniel, it’s not that I don’t wanna help.Having Logan by my side is more than enough.He’s also very busy, so he won’t be able to guide newbies.Why don’t you try placing her in Ferguson Corporation? It’s your family business anyway, so you can decide which department she goes to.”

Nathaniel was stunned.He frowned, sighed, and beat his chest.

“My second uncle will scold me!”

Nicole rolled her eyes and thought, ‘So, he’s not afraid of me scolding him?’

However, Nicole did not make it seen too obvious.

Yasmin paused.

“Nathaniel, I think you should just forget it..”

Nathaniel quickly interrupted her.He patted his chest and assured her.

“Don’t worry, my family owns Ferguson Corporation, so getting a job for you won’t be a problem.I’ll call my second uncle right now!”

Nicole raised her eyebrows.She finally got this problem out of the way.

Nathaniel took out his phone in front of everyone and called Eric.

As a result, Eric did not pick up Nathaniel’s calls.

Nathaniel paused and smiled sheepishly.

“My second uncle must be busy or in a meeting!”

He then called Mitchell, who picked up.

“Young Master Nathaniel?”

“Mitchell, how’s the company doing lately? I haven’t congratulated you on your promotion! What do you think about me recommending a rare talent to you?”

Mitchell immediately understood what Nathaniel meant.

He smiled and said, “Thanks for thinking about me, Young Master

Nathaniel.Ferguson Corporation still belongs to the Ferguson family, so if you want to recommend talents, please inform your uncle.My authority is limited to housekeeping, logistics, and the front desk.Do you think the talent you want to recommend will need my help?”

Nathaniel’s face turned glum.

“Get lost!”

Nathaniel hung up the phone angrily.

Nicole pretended not to hear anything.

Mitchell’s answer was as expected.

If Eric was not in Atlanta, there might still be a chance.

However, since Eric was here, Mitchell could not call the shots in Ferguson

Corporation.

What Nathaniel did was simply superfluous.

After he hung up the phone, Nathaniel looked at Yasmin ingratiatingly and said with a smile, "Don't be afraid, Yasmin. My second uncle is very approachable, kind, and easy to talk to. When I go over and tell him in person, he'll definitely agree to it!"

Yasmin frowned and nodded shyly in response.

Although she was confused, she still chose to believe Nathaniel.

Nathaniel smiled and ordered another dessert for her.

Seeing this, Nicole knew that it was time to leave them alone. She glanced at Shane, who stood up.

Nicole said with a smile, "It's getting late. I still have something to do, so I won't be able to accompany you. Nathaniel, you should show Yasmin around the city!"

Nathaniel paused and felt a little regretful.

"Nikki, we haven't talked properly yet..."

Nicole glanced at him.

Just as he was about to say something, she heard a familiar voice coming from behind.

"What are you guys talking about?"

Nicole was stunned and raised her eyebrows.

"Darling, why are you here?"

Clayton was modest and gentle. He was always so charming and handsome that people could not take their eyes off of him.

Clayton had a faint smile as he glanced at Nathaniel lightly. His warmth faded.

"Oh, I met Mr. Youngblood on the road. You didn't leave with him, so I came to pick you up."

Clayton raised his hand slightly, and Nicole reached out to hold his hand.

The two looked at each other and smiled as if the people around them did not matter.

Clayton stroked Nicole's hair and smiled gently.

"Are you done chatting?" Nicole nodded.

She looked back at Nathaniel.

"Almost!"

Nathaniel paused and was displeased with Clayton's sudden arrival.

Although Eric could not get Nicole, Nathaniel did not like Clayton either.

Neither of these men was easy to fool.

In an instant, Nathaniel flashed a playful smile.

"Eh? Who is this?" Nathaniel raised his eyebrows.

Nicole paused.

"Are you blind?"

Clayton looked at Nathaniel calmly without a change in expression, as if he was just looking at a child. His gaze was filled with contempt and disdain.

Nathaniel paused and took a deep breath.

"Nikki, we went through life and death together. How could you help someone else?"

Clayton laughed lightly, tightened his arms around Nicole's waist, and said calmly, "Nikki?"

He looked down at Nicole.

"Why don't I remember that you have such a little...Friend?"

Nathaniel's face darkened instantly.

Nicole looked at the two men speechlessly. She just had a headache. They were so childish.

Nicole pursed her lips, tugged at Clayton's clothes, and winked desperately to hint at him.

"Who are you calling little?"

Nathaniel gritted his teeth and said in dissatisfaction.

Clayton smiled playfully.

"I just mean that you're young, Mr. Ferguson. Don't think too much..."
