

Read The Divorced Billionaire Heiress Chapter 2545

The Divorced Billionaire Heiress chapter 2545-Soon, Lara came over, smiled, and looked at Harvey for a while.

“Harvey, you’re really good at teaching. Can you teach me too?”

Harvey was a little shocked. “Lara, you don’t know how to play golf?”

Lara smiled helplessly.

“No. I usually just watch other people play.”

Harvey pursed his lips and glanced at Selena. Selena was not at all upset and she said with a smile, “I think I got the hang of it, so I can practice by myself. Harvey, you should teach Lara.”

Harvey paused. Before he agreed, Lara had already walked over.

“How do you hold the golf club? Like this?”

Lara smoothly shifted Harvey’s attention from Selena to herself.

Harvey had no choice but to go forward to help.

She held the golf club and adjusted her posture while talking to Harvey, making people forget about Selena’s existence for a moment.

Following that, every time Harvey planned to check on

Selena, Lara would find a way to stop him. 2

Selena was not so dull that she could not notice this.

When Selena first arrived, Lara acted like a caring sister in front of everyone and treated her no differently from everyone.

However, Selena suddenly noticed another side of Lara.

Selena felt that she was not a sensitive person, but as a woman, she had an intuition.

Did Lara like Harvey?

Lara was more than five years older than Harvey!

Selena put down her gold club and went to the lounge chair to take a seat and drink some water.

After drinking half a bottle of water, the director took Eric and another big shot to see Harvey.

Lara could not get involved in the conversation. Although the netizens liked her, the investors looked down on her.

Since they ignored her, Lara excused herself to sit in the lounge chair.

Lara greeted Selena with a smile, sat there, and sighed.

“Am I stupid? I can’t seem to get the hang of it…”

Selena was taken aback. Then, she smiled politely.

“Of course not! I’m stupid too!”

Lara was old, but she was still so phony.

The best way to defeat phony people was to become even more fake than her.

Sure enough, Lara’s smile froze. She turned to look at Selena.

Selena flashed a gorgeous and innocent smile that was as bright as the sun.

Lara was frustrated.

This was the advantage of being young. No matter how Selena smiled, she had no wrinkles on her face, and her smile was so beautiful.

Unlike Lara, who had to pay attention to the curvature of her smile for fear of leaving marks on her face.

Lara twitched the corners of her lips with a half-smile.

She said in a clear and hoarse voice, “Ms. Nelson, are you also a fan of Harvey? He has a lot of fans. I have a little sister who likes Harvey very much. Unfortunately, she doesn’t have a chance to meet him.”

Selena was a little surprised.

These actors filmed together every day, so why could her sister not visit the set?

It was strange to hear this.

Before Selena could ask about it, Lara chuckled softly.

“Let’s not talk about her. If Harvey’s fans find out that you’ll have a cameo appearance as a fan, I’m afraid it’ll cause a riot. You’re really lucky, Ms. Nelson!”

Selena paused. She was startled.

Soon, Selena came to her senses and smiled. “I guess that’s the benefit of being a fan, and I’m one of the lucky ones.

After all, it’s rare for an idol to love their fans as much as Harvey does. His fans should be happy.”

Lara was taken aback for a moment. Her smile deepened.

“It’s great that you think so, Ms. Nelson. Don’t put too much pressure on yourself. By the way, I watched the movie that you made an appearance in last time. The main characters were interesting, but unfortunately, they were upstaged by the supporting characters. Your acting skills aren’t bad.

You’re quite a natural.”

Selena frowned.

She understood that Lara was deliberately targeting her, saying that she stole the limelight from others and that her acting skills were mediocre.

How did Selena offend Lara?

Selena did not understand. This was obviously the first time they met.

However, she was not worried because she did not come here for Lara.

Selena would listen to her feedback and disregard her criticism.

She stood up and wanted to walk toward Harvey.

“Harvey…”

Before Selena could take a few steps, Lara, who was behind her, walked over first.

Lara was not as indifferent as before and plastered a smile on her face.

“Harvey, are you done talking to them? Shall we continue playing?”

Selena was speechless.

The entertainment industry really was not easy.

It was much more difficult than managing a bar!

Selena was even more determined. After this cameo appearance, she would bid farewell to the entertainment circle.

The people who were talking over there looked over. Mr. Griffin patted Harvey on the shoulder and looked at Selena, who came over, and beckoned to her.

“Ms. Nelson, come here.”

Selena walked over with a smile.

Mr. Griffin probably had a good chat with Eric because his whole face was radiant.

He looked happier than winning the jackpot.

Mr. Griffin turned his head and continued, “Although there is a romance between the elder woman and the younger guy in this show, there’s no need to spread rumors about the couple outside the show. You must have seen how picky fans were about the choice of romantic couples in shows, so we shouldn’t take risks.”

When Lara heard this, she was slightly taken aback and smiled slightly with her head down.

The director implied that Lara and Harvey did not look like a well-matched couple.

They did not look good together.

Fortunately, both main characters were exceptionally brilliant, so they would still get a lot of fans even if they did not spread dating rumors.

Lara listened to the director with a smile and nodded from time to time without any objection.

Mr. Griffin was satisfied with her reaction. Finally, he looked at Harvey.

“Okay, let’s continue playing.”

Mr. Griffin paused. “Ms. Nelson, do you know how to play golf? Why don’t I find someone to teach you?”

Selena was taken aback and was about to refuse when Eric, who was next to the director, suddenly said, “It’s fine, I can teach her.”

Selena quickly refused. 'There's no need to trouble you, Mr. Ferguson.'

She would rather not play.

Eric smiled. "It's no trouble. Let's go."

After that, he left first without giving Selena a chance to object.

Mr. Griffin, who was next to Eric, was stunned. He went up to her and asked her in a low voice, "Are you familiar with Mr. Ferguson?"

Selena immediately shook her head.

"I don't know him."

Mr. Griffin nodded. "Okay. Since you don't know him, you can get to know him. He's our biggest investor now, and you're also one of the cast, so you have to entertain him on my behalf!"

As he spoke, he gave her a push and said with a smile, "Go on then."

Mr. Griffin looked at her with a smile that formed wrinkles all over his face. He was in a good mood.

Harvey looked at them and frowned slightly with an indistinct expression.

"Mr. Griffin, why don't I teach Selena? I brought her here in the first place."

Mr. Griffin glared at him.

"What are you afraid of? What else can he do in broad daylight? Besides, we're all on the same golf course with a distance of less than 200 meters away from each other. We can definitely hear her if she shouts. Is it necessary to kick up a fuss and anger our investor?"
