The Divorced Billionaire Heiress chapter 2582- Are You Guilty?

Lara stood there pitifully. Although she was old, she took care of herself well for many years, so she was still beautiful.

After seeing Lara crying like this, everyone took pity on Lara.

Some reporters could not help but ask, "Ms. Nelson, may I ask if what Lara said is true?"

"Did you instruct Mr. Ferguson to blacklist Lara?"

"What is the relationship between you and Mr. Ferguson? Did you fool the netizens when you said you wouldn't dare to dream of Mr. Ferguson?"

"Why are you in Ferguson Corporation for no reason?"

"Are you aware of the inside story between Mr. Ferguson and Ms. Caldwell's relationship back then? Can you share it with us?"

Selena's heart trembled.

She had encountered cyber violence before. When someone spread the news of her relationship with Eric back then, the criticisms on the internet almost drowned her.

However, she survived.

There was still a difference between online and real life.

It was more realistic and terrifying.

Selena could not show her emotions nor say a word.

That was because one wrong step would ruin her.

Her face paled, her eyelashes drooped, and she did not speak.

Mitchell spoke from the side.

"Shut up! What do you think this place is? Ms. Nelson is here for business. Why does she need to explain herself to you? She's not from the entertainment industry, so she doesn't need to explain anything to anyone. Lara, you keep saying that you were blacklisted by Mr. Ferguson, but you can still stand here in Ferguson Corporation to force Selena's hand. It seems like you're not that weak, huh?"

Mitchell immediately pointed the finger at Lara.

Lara's face turned pale, and her chest sank slightly.

She could not feel guilty because this was her last chance to turn the tables.

"I... I just want to apologize in front of everyone. I think it's better to make this public. I did something wrong, so I can accept everyone's accusations against me. But I also hope that Ms. Nelson can calm down..."

Lara looked at Selena.

This was a live broadcast, so needless to say, the netizens were already in a frenzy.

[OMG! What did Lara reveal? Eric Ferguson was responsible for Lara being blacklisted?]

[She offended Selena? Wow, Eric Ferguson unleashed his anger for a beauty!]

[Lara deserves this. She snatched Selena's opportunity first. She's just unlucky!]

[Selena is also a bully. Lara has repeatedly said that she's a senior in the entertainment circle. Does Selena think that she can be unscrupulous with a backer?]

[Selena used to say that she doesn't want to be with Eric. But now, she's with him. She said it nicely, but she still bows for money.]

[My goddess Selena's image is completely ruined! She actually had an affair with Eric? Is he her sugar daddy? Lara just happened to catch her in Ferguson Corporation!]

[But I have to say, the man who is speaking up for Selena is also very handsome!]

[I really don't like Eric Ferguson. For a while, he acted as if he was so deeply in love with Goddess Nicole. Then, he's someone's sugar daddy. His love life is just as chaotic as celebrities!]

"Anyway, I still feel sorry for Lara. A senior admitting her mistakes is like kneeling in front of the investor!"

Lara spent money, and soon, she dominated the headlines.

The trending topics such as "Distressed Lara", "Lara was blacklisted", and "Eric Ferguson and Selena Nelson" were

constantly being discussed online.

The public opinion gradually moved in favor of Lara.

After all, in everyone's reverie about the relationship between Selena and Eric, there was nothing pure and clean about it.

Thus, they would rather support Lara.

Selena stood there with no expression on her face and did not speak.

Her every move was caught on camera.

It was very dangerous.

The bodyguards lined up and tried to block the view of the camera as much as possible, keeping the flash from getting any closer to Selena.

However, those reporters kept taking pictures whenever possible.

Mitchell's face was extremely glum. He walked to the side and ordered more bodyguards to come out. They took emergency measures to deal with the reporters at the door.

He raised his eyes to look at Selena, who looked pale.

She probably felt uneasy about this scene.

Mitchell stepped forward and whispered, 'You can't leave yet, so come upstairs with me.'

Selena's eyelashes trembled slightly. She responded and turned around to follow him.

However, Lara would not give up this opportunity so easily.

"Ms. Nelson, are you guilty? Is that why you don't dare to answer the questions? What you did to me was excessive. Didn't you reflect on yourself? Do you think that if you stay in the Ferguson Corporation building, you can be domineering for the rest of your life? Selena, back when you killed your ex-husband, were you already thinking of dating Eric?"

Lara's last sentence was like a drop of water that fell into a pot filled with boiling oil.

The pot suddenly exploded.

Those reporters seemed to have heard some shocking news and became even more aggressive.

“Lara, is what you said true? Ms. Nelson, did you really kill your ex-husband to be with Mr. Ferguson?”

“Oh my goodness! I really can’t tell that Ms. Nelson is so deranged!”

“What? A beautiful woman like her is a murderer? Why didn’t she go to jail?”

“Shouldn’t she be in jail for killing someone?”

Selena’s face completely lost all color.

Her body stiffened, and she turned her head abruptly. Her eyes were as cold as ice when she looked straight at Lara.

The corners of Lara’s mouth, which were slightly upturned, froze suddenly.

It seemed that Lara was frightened by Selena’s cold and dark eyes. She panicked for a moment.

That kind of gaze was as cold as the darkest depths of hell.

Seeing this, Mitchell knew that the situation would get worse, so he hugged Selena’s shoulders and walked in immediately.

At this moment, the elevator suddenly arrived.

Before Mitchell and Selena went in, Mitchell saw the person inside standing there coldly with a glum face.

“Mr. Ferguson...”

Mitchell’s face was pale. Eric did not look at him. Instead, his eyes were fixed on Selena.

The people upstairs found out about what happened in the lobby.

The public relations department was also urgently discussing the solution.

However, Eric had already gone downstairs by himself.

He looked at the quiet Selena. Her emotionless face was slightly pale. Her whole body was tense, and her fists were clenched with forbearance and tenacity.

She was like a weed full of vitality. She was powerless against the overwhelming wind.

Thus, Eric knew that she would be very scared.

When Selena saw Eric, she was slightly taken aback.

Selena panicked for a moment.

That was because outsiders distorted the facts based on their own imagination.

If Eric showed up at this moment, he would definitely be implicated.

Whatever the response, their relationship was over.

However, Eric walked out without realizing it.

“Eric...”

Selena called out to him in a low voice to stop him.
