The Divorced Billionaire Heiress chapter 2593- Transferred Obsession

Selena was so sick of hearing everyone's flattery.

Eric nodded in agreement.

He was more satisfied the more exaggerated the compliments were.

Eric looked like he was just deceiving himself.

Finally, the people left.

Selena restrained her smile and said in a low voice, 'Til go back and rest for a while. You can stay here by yourself.'

"How could you be so heartless and leave me here alone?"

Eric held her waist tightly, not intending to let go.

Selena clicked her tongue and was about to say something when Chance ran over holding Chatty's hand.

"Daddy, I want to go to France with Chatty!"

Eric's eyebrows twitched.

Fortunately, the sky was a bit dark, so it hid his glum face.

"What did you say?"

"Chatty wants to go to France to find Fischer, and I want to protect her!"

Chance said cautiously.

Eric looked at his son with dark eyes.

Hah!

If Chance left with Chatty, Clayton would certainly go crazy!

Eric also did not want to be disturbed by Clayton on his wedding day.

"Let's talk about it later."

Eric did not want to refuse in front of Chatty.

Selena took the opportunity to let go of Eric's arm and went to hold Chatty's hand.

"Chatty, shall I take you to your mommy?"

Chatty nodded happily.

She turned her head to Chance and said, "Chance, I also like your new mommy very much!"

Chance's face flushed slightly.

Selena could not help but laugh, then she took Chatty's hand and walked out.

Eric knew that Selena wanted a break, so he did not stop her.

Selena held both children's hands and bumped into Nicole, who was coincidentally looking for her daughter.

When Nicole saw them, she smiled, walked over, and pinched the little girl's face.

"Who allowed you to run around? I'll tell your daddy later!"

Chatty pursed her lips in a grievance. "I went to say hello to Chance!"

Chance went over to wipe Chatty's tears, but there were none.

However, he still held Chatty's hand in distress.

"Aunt Nicole, Chatty and I will play over there..."

There was a bonfire and music over there. It was very lively.

Nicole nodded. "Okay, be careful!"

The two children bounced away.

Nicole straightened up, looked at Selena, and said with a smile, "You look so pretty today."

Selena lowered her head in embarrassment. "You've always been beautiful."

"Let's stop flattering each other. I'm here to sincerely congratulate you today. Although my family and the Ferguson family have a history, we still put our interests first. But I don't think Eric was putting his interests first when marrying you."

Selena twitched the corners of her mouth. The evening wind blew. Her eyes were languid.

“It’s not about interests. It’s just the most favorable choice at the time.”

“You two got married for love. Why are you thinking so pessimistically? Eric won’t do things he doesn’t want to or marry someone he doesn’t like. He must be really in love with you, so he wants to make your relationship public.”

Nicole said it naturally. Her voice was gentle and pleasant.

A corner of Selena’s heart was inexplicably moved.

For some reason, her eyes found Eric in the crowd.

His stern face was a bit lazy and frivolous, and there was a faint joy in his eyes.

On certain occasions, he was always flamboyant if he wanted to.

“Love?” Selena looked confused.

She did not know whether Eric was forced to get married or if he wanted to because of love.

Nicole smiled. “Look at the way Eric looks at you! His eyes are so bright and warm. This is the way he looks at the person he loves. He only looks at others with motive and indifference. Selena, you may be confused because you’re involved. I don’t know what you two have gone through, but as outsiders, we can all see that Eric is sincere and serious about you.”

Selena lowered her eyes to conceal the fluctuations in her heart. She said with a faint smile, “He is sincere, but I’m not sure it’s love. He has always been willing to put up an act.”

“I understand. Before getting someone’s whole heart, you wouldn’t easily believe in his sincerity because you’re afraid of getting hurt. Selena, what are your doubts?”

Selena raised her head. Her eyes were a little defeated.

“He doesn’t love me, so what should I be happy about?”

“How do you know he doesn’t love you?”

Nicole looked at her.

Selena pursed her lips, opened her mouth, then closed it again. She lowered her eyes slightly and remained silent.

Everyone knew who Eric really loved.

The surrounding atmosphere was warm and lively, but Nicole could feel Selena's depression and indifference.

Nicole pursed her lips and smiled lightly.

"I see. You think he loves someone else, don't you?"

Nicole exposed her thoughts, which made Selena a little embarrassed.

After all, Selena knew that Nicole was married and that Nicole no longer liked Eric.

It was just Eric's wishful thinking, but Selena still felt a little uncomfortable.

Nicole smiled and sighed.

"Eric and I were married, but he never touched me. I broke up with him as soon as our time was up. There are indeed divergent opinions about our relationship on the internet, but I don't think it's worth talking about the past, so I have never responded to those comments. Selena, if you believe that a man can be so obsessed about what he can't get, then you should also believe that this obsession can be transferred to other people. He doesn't love me that deeply. Rather than saying that he loves someone else, it's better to say that the two of you haven't really looked into your own hearts."

Nicole's voice was crisp and clear. She looked into the distance.

"But it doesn't matter. You two have a long time to get along. Selena, you have to try to trust him."

Selena's eyes flickered slightly, and she could not help but look at Nicole.

Nicole smiled beautifully. Her eyes were radiant, and she stood there with such a unique grace.

For some reason, the haze in Selena's heart quietly disappeared when she heard Nicole's words.

Nicole was so straightforward with Selena that Selena had no room to retort.

Everyone believed that Eric loved Selena.

Was Selena really too suspicious and tangled?

It seemed like Nicole and Eric's past was not so unforgettable. Since Nicole could speak of the past so calmly, it seemed that she really did not care about it.

Selena thought too much about Eric's past and thought that Eric's love for Nicole was as deep as the sea.

In fact, it was not to this extent.

For some reason, Selena's heart suddenly became brighter and clearer.

Just as she was about to say something, the musicians suddenly changed to another piece of music.

Everyone consciously made their way to the sides, forming a clear path from the bonfire to where Selena was standing.

Eric walked out from the middle. His eyes were clear, his figure was straight and tall, and his facial features were like works of art. He looked handsome, happy, and hopeful.

Selena paused and thought that this was not part of the itinerary.

What was Eric doing?
