

Temptation 101

Chapter 101 - 101 All the Same

Seeing Luo Ya's abject pleading for pleasure, Su Fan's heart trembled.

Indeed, no matter how innocent a woman appears, deep down, they're all the same kind of wanton.

It just depends on who they're with.

"This is all your own doing, don't say I forced you,"

Su Fan said indifferently.

Luo Ya nodded her head.

"As long as you don't abandon me, I am willing, willing to be your female slave for life, forever, accept, accept your, your training,"

Luo Ya's face turned crimson to the roots of her neck as she spoke.

Su Fan was very pleased with this.

"Good, then get up,"

"Are we supposed to get dressed and leave now?"

Luo Ya was somewhat reluctant to part.

"What, you want more?"

Su Fan looked at Luo Ya with a smile in his eyes.

With flushed cheeks and eyes filled with longing, Luo Ya said,

"Just now, I was drugged, so, I've forgotten what it feels like, can you, can you give me another one?"

"To truly, truly enter me."

For the chaste Luo Ya to say such things, and while sober, was simply too crazy.

Su Fan's desire for battle was instantly ignited.

"This is what you brought on yourself."

With that, Su Fan undid his belt.

His trousers slid to the ground.

"You help me take off my underwear."

"Ah, me?"

Luo Ya shyly lowered her head.

"What, are you going to disregard your master's command?"

"No, I wouldn't dare."

Luo Ya got down and walked over.

"Kneel down, crawl over here."

Luo Ya hesitated for a moment, but upon encountering Su Fan's commanding gaze, she quickly knelt on the ground and crawled over, kneeling before Su Fan to remove his underwear.

With his underwear released, the enraged dragon sprung forth, striking Luo Ya's charming face.

"Gululu."

Seeing the impressive scale, Luo Ya swallowed hard.

She had been drugged just before, and now she realized the frightening aspect of Su Fan.

It was even more formidable than a large cucumber.

"What, scared?"

Su Fan looked down with a smile in his eyes at Luo Ya.

Luo Ya shook her head.

"No, I really like it, as long as it's yours, I like everything about it."

"Open your mouth."

Enter.

"Gululu."

Luo Ya's cheeks immediately bulged out on both sides.

Su Fan continually gyrated his hips, deeply stimulating Luo Ya.

Several minutes later.

"Wahh."

Luo Ya, nearly suffocated, turned her head to the side to take deep breaths.

Then she looked up again at Su Fan with teary eyes.

"Master, I, I want it too."

"You little slut."

Su Fan grabbed Luo Ya's hair.

"Since the little bitch is so obedient, I guess I'll give you a reward,"

He roughly pulled Luo Ya up and pressed her against the dressing mirror.

Luo Ya placed her hands on the dressing mirror, presenting her backside.

In the mirror, she could clearly see her whole body, her two pink buns were blazing red.

Her face was also flushed with rosy cheeks.

Su Fan stood behind her.

Gently rubbing.

"Wuuuuu."

Feeling the searing heat of the Divine Artifact, Luo Ya couldn't help but tremble, letting out soft moans.

"Hehe, are you ready? I'm going to start entering,"

"I, I'm ready."

Luo Ya bit down hard, bracing herself for the coming storm.

Su Fan's Divine Artifact pressed against the edge of her Peach Blossom Cave, slowly piercing in.

"Ahh."

With just the head entering, Luo Ya let out a scream akin to a pig being slaughtered.

"It hurts, it hurts, Master, it hurts..."

Luo Ya looked into the mirror, her eyes brimming with tears, crying out.

Her legs were already unsteady.

Su Fan grabbed Luo Ya by the waist to support her.

"So, should we stop?"

Su Fan teased with lust.

"No..."

Luo Ya immediately tensed up.

"I want it, Master, I can handle it, you, you come in, I can take it."
