

Temptation 102

Chapter 102: Eighteen Bends

Su Fan tried once again to enter the cave.

One third.

"Mmmmmmm..."

Large teardrops rolled down from Luo Ya's beautiful eyes.

Pain, mingled with pleasure and excitement.

From that moment, she became a true woman.

Su Fan also entered a profoundly mysterious sensation.

Tight.

Too tight.

Although Liu Ye was also a virgin, her age was apparent, and her body was fully developed, while Luo Ya was at the budding age, extremely tight. When Su Fan entered, he could clearly feel the resistance at the threshold.

Nine twists and eighteen bends.

Slowly probing in.

Halfway.

Su Fan felt as if he had reached a major barrier entry.

As a doctor, he naturally knew that was the place where life is conceived.

Luo Ya's canal was very short, and he actually touched directly upon the cervical entrance.

Advancing further feared might cause Luo Ya to bleed severely.

Thus, Su Fan maintained the depth at halfway and began to thrust.

Piston motion, over and over again.

Luo Ya went from initial pain to flying high in pleasure.

After several minutes, Luo Ya had completely found the rhythm.

Luo Ya turned her head back, looking at Su Fan excitedly.

"From now on, I am your woman, and you, you must never leave me," she said.

"How could I possibly give up such a good 'cave'," he replied?

Su Fan held Luo Ya's waist with one hand and grabbed her hair with the other, pulling her head over and kissed her.

In the morning, he was still considering how to handle his relationship with Luo Ya, how to gain her forgiveness, but now, they had merged as one.

Fate is so mysterious; no one knows what the next moment will bring.

Finally, after half an hour

"Ah."

Su Fan released Luo Ya and took a step back.

Dew sprayed out, landing on Luo Ya's small and charming buttocks.

Luo Ya too collapsed onto the floor.

Like a lump of mud.

Spent, she probably wouldn't be able to go to work tomorrow.

"Huff..."

Su Fan leaned against the bathroom door behind him, taking a deep breath.

At this moment, he felt an indescribable excitement,

Not just emotionally but also physically.

After such an intense battle, he should have been very exhausted, yet now, he felt more energized than before, every cell in his body activated, primarily because he distinctly felt the peculiar energy within his body grow even stronger.

"Is it because I cultivated together with Luo Ya?"

"Although Luo Ya doesn't have an extremely Yin body and can't detoxify me like Liu Ye, transforming my body, she was a virgin, which enabled me to enhance my own strength."

"Indeed, virgins are the best."

Su Fan caught his breath.

He looked down at his 'little brother'

It still had remnants of dew and a faint scarlet hue.

That was the symbol of Luo Ya's virginity, his trophy.

He thought about grabbing some tissues to wipe it off.

"Don't."

At that moment, Luo Ya sitting collapsed on the floor stopped Su Fan.

"What's wrong?" he asked.

Su Fan looked at Luo Ya, puzzled.

Luo Ya didn't speak, instead she showed him with actions.

She crawled in front of Su Fan, opened her mouth,

and went up to him.

Bit by bit, she cleaned him thoroughly.

"Huff."

Su Fan sighed deeply, never expecting Luo Ya to be so indulgent.

Was this still the pure young nurse he knew?

Seeming to see what Su Fan was thinking, Luo Ya shyly said,

"I'm not being promiscuous, it's just, just that I'm willing to do anything for you."

"As long as you're pleased, I'll do anything."

Su Fan's arousal was almost reignited.

Fearing Luo Ya couldn't handle it

It could turn fatal.

Just then, Su Fan's phone rang.

Su Fan glanced at it, gave Luo Ya a 'be quiet' gesture, and then picked up the call.

As soon as he did, a roar came through.

"Su Fan, where have you died off to? What time is it, and you're still not home?"

"Is that Director Bai's voice?" Luo Ya blurted out in surprise.
