

Temptation 103

Chapter 103: The Bone

"Sob, why is there a woman, Su Fan, where have you been fooling around? Am I unable to control you anymore?"

Bai Man, hearing Luo Ya's voice, became even more furious.

Su Fan glared at Luo Ya.

Luo Ya immediately held her tongue.

Su Fan felt extremely panicked.

"I, a patient came in suddenly, I'm working overtime at the hospital."

"Overtime?"

Bai Man clearly didn't believe him.

"Really, I'm at the emergency room, if you don't believe me, I can let a nurse speak to you."

"Then let her speak, don't try to fool me."

Su Fan handed the phone to Luo Ya.

Luo Ya held the phone nervously.

On the other end, Bai Man spoke.

"I'm Bai Man, who is this?"

Luo Ya's voice trembled as she spoke.

"Bai, Director Bai, I'm Xiao Luo. A patient suddenly came in, all the other doctors had left, so we had to ask Doctor Su to come in for an emergency."

"Oh, Luo Ya, I see."

Bai Man hung up the phone directly.

This woman, she really doesn't leave any dignity for Su Fan.

Luo Ya handed the phone back to Su Fan

and gave Su Fan a very strange look.

Su Fan felt uncomfortable being looked at like that.

"If you want to ask something, just ask."

Just now, Bai Man had mentioned going home the moment she started speaking, Luo Ya must have heard it

What does Su Fan go to Bai Man's house for?

Any normal person would think that.

Luo Ya sneered.

"If you don't say, I won't ask. You are my master, and I am loyal to you."

Su Fan was amused.

He picked up Luo Ya, who was kneeling on the ground, placed her on the bed, and then lay down beside her.

He spoke softly.

"Our master-servant relationship is only confined to the bed. Off the bed, in the presence of others, we are friends. When we're alone, we can be lovers, understand?"

"So, do you want to date me, a real relationship?"

Luo Ya also started to get excited

Su Fan nodded.

"I haven't dated before, but we can give it a try."

"I want to train you; it's a man's biological instinct, but I'm not scum like Liu Feng. I don't just pursue physical desires, I'm also emotionally invested."

"Although I've slept with you, at the same time, I do quite like you, my feelings for you are genuine, it's just that I can't offer you a home for now."

"I have my own difficulties, but you have to believe me, I will definitely take responsibility for you."

Su Fan was speaking the truth

He was poisoned and needed to combine with a pure Yin woman, destined not to stay with one lady. Luo Ya was indeed charming, and so obedient; it was a lie to say Su Fan wasn't moved

"Sob sob sob..."

Luo Ya burst into tears.

"I knew you weren't a bad person. Although I don't know what your troubles are, I believe what you say, and I'm willing to wait for you, for you to go public with our relationship."

"Before you make our relationship public, I will faithfully be your servant."

Su Fan stroked Luo Ya's hair and embraced her in his arms.

"I know you must be suspicious about my relationship with Bai Man..."

"I admit, Bai Man and I are living together."

"You're her lover?"

Luo Ya's eyes lit up as if she had discovered a new world.

"I've heard already; Director Bai's husband is very old, a real geezer. Someone like you, Director Bai must really like you, right?"

"Get lost, what are you thinking."

Su Fan explained.

"The 'old geezer' you mentioned in your mouth is my uncle, Bai Man is my aunt. I've just moved to the city, and I'm temporarily staying at my uncle's house. We're relatives, do you understand?"

"Oh."

Luo Ya suddenly realized.

"No wonder she was the one who brought you that day and arranged for me to take care of you. It's like this."

Su Fan didn't forget to add.

"No one in the entire hospital knows about this, except for you. You must help me keep it a strict secret, do you understand?"

Luo Ya's face immediately showed a happy smile.

"Thank you for trusting me so much. I promise, I will keep your secret safe."

Su Fan smiled.

This was just a bone he had thrown to Luo Ya.

To make Luo Ya feel they were closely bonded so that she would become even more loyal to Su Fan

This naive girl had been completely manipulated by Su Fan

"Let's go then, let's get back before Bai Man starts scolding me again."

...

After taking Luo Ya home by taxi, Su Fan returned to the upscale compound.

It was already past ten o'clock at night.

Su Fan walked quietly into the courtyard, planning to return to his room.

"Stop right there."

A voice thundered out of the darkness, startling Su Fan.
