

Temptation 138

Chapter 138: Female Patient

The woman was dressed in a fiery red cheongsam, sitting cross-legged on a chair, her slit running alarmingly high, up to the very root of her thigh, exposing her pale legs to the air, a sight overwhelmingly beautiful.

Her upper body was just as explosively voluptuous, with a deep V-neckline revealing two semi-circular mounds and a deep cleavage, above which half a tattoo was visible.

It was a delicately blooming black rose.

The woman's face was stunningly beautiful.

Yet there was a palpable sense of lethality about her.

It was none other than Lin Qianjiao, whom Su Fan had saved the night before.

"Well, Divine Doctor Su, are you surprised to see me?"

Lin Qianjiao smiled at Su Fan.

Ravishingly beautiful.

"Such a beautiful woman."

"Doctor Su, do you know her?"

The young nurse asked Su Fan curiously.

Su Fan remained silent with a cold expression on his face.

He had a premonition that Lin Qianjiao's arrival here spelled nothing good.

"Hehe, more than just acquaintances, I and Divine Doctor Su share a life-and-death bond,"

said Lin Qianjiao as she stood up and approached Su Fan.

Seductively, she tugged at Su Fan's arm.

"Divine Doctor Su, wouldn't you agree?"

This woman was truly enchanting.

Su Fan actually felt his concentration faltering.

Last night was too late, and under the pressing circumstances, Su Fan hadn't taken a close look at Lin Qianjiao.

Now, seeing her clearly, she was astonishingly angelic.

But this night blooming rose was all thorns.

"You go ahead, I'll take a look at her condition,"

Su Fan said to the nurse.

He found it inconvenient to speak with the nurse present.

The young nurse was immediately saddened.

It seemed her crush had a complicated relationship with this woman.

"A life-and-death bond?"

The nurse suddenly had a wild thought as she left the room.

Could it be that they had a child together and lost it?

"My God."

The nurse covered her mouth in shock.

Su Fan closed the door and sat behind the consultation desk.

"I'm not sure what's troubling Miss Lin."

Su Fan adopted a strictly professional demeanor.

As if he truly intended to treat Lin Qianjiao.

"Hehehe."

Lin Qianjiao laughed.

"You are quite the character, forget the act, I'm not sick. I'm here for something else,"

Su Fan continued sternly.

"I'm sorry, but this is a hospital and I am a doctor, I don't discuss private matters."

Who dared to speak to Lin Qianjiao like that?

President of Baihua Society, the Underground Queen of Yang City.

They said men who spoke to her like that were chopped up and fed to dogs.

Yet now, she wasn't angry.

Instead, she pointed to the clock on the wall.

"It's six o three, you're off work now, how about I treat Divine Doctor Su to dinner so we can talk properly?"

Su Fan was speechless.

This woman was incredibly persistent.

"Never mind, just say what you have to say here."

"I have other matters to attend to later."

Though Lin Qianjiao was indeed beautiful, Su Fan didn't want to involve himself too much with a woman tied to the underworld.

His grandfather's will was clear, he was to choose a righteous path.

"Fine, since Divine Doctor Su is so busy, I'll get straight to the point."

"You saved my life last night. I, Lin Qianjiao, do not like being indebted to anyone. Here is a million yuan, and outside the hospital, there's a brand-new Land Rover worth two million yuan that I bought for you, consider it a token of my gratitude."

"What?"

Su Fan was shocked.

Damn...

This woman was wealthy.

Such generosity was extraordinary.

Even for someone who had just arrived in the city like Su Fan, let alone the locals, that was a tremendous sum.

But, considering the woman's underworld background,

Su Fan still refused.

"I've said it before, I'm a doctor, and saving lives is my duty. You can take the money and the car back. Besides, I don't even have a driver's license, what use do I have for a car?"

"Hehe, that's easy."

Lin Qianjiao simply threw a driving license onto the desk in front of Su Fan.
