

Temptation 148

Chapter 148 - 148 Always Ready

Sun Rui's body was incomparably white, her skin silky smooth like jade, with a hint of pink, but most seductive of all was that youthful air about her.

No normal man could resist such temptation.

"What, what are you doing?"

Su Fan swallowed hard, his adam's apple bobbing, his words barely articulate.

Sun Rui blushed.

"Divine Doctor Su, you've helped me, and I want to repay you, but I have nothing now, not even a home. The only thing I can offer is my body. I, I want to give myself to you, take me, possess me!"

Su Fan's eyes were bloodshot as he stared at Sun Rui's delicate form.

Her breasts were exceptionally well developed for her age, magnificent, the area further down a sparse black thicket with a small raised mound that would certainly feel enveloping during entry.

But he still had his rationality.

After all, Sun Rui wasn't yet eighteen.

He just couldn't do such a thing.

He quickly turned away.

"You don't need to thank me, it was a small effort on my part, besides, even if you want to express gratitude, it doesn't necessarily have to be in this way, quickly put on your clothes."

Seeing Su Fan turn away, not looking at her anymore, tears of hurt flooded out of Sun Rui's beautiful eyes.

She mustered her courage and stepped forward, hugging Su Fan from behind.

"Big Brother Su, do you dislike me that much? Don't want to bother with me?"

Sun Rui hugged him close, and Su Fan could distinctly feel the softness of her body against him, especially the two mounds of 'bunnies' against his back.

Su Fan's body suddenly became hot.

It was truly maddening.

But he still clenched his teeth tightly.

"Don't do this, I, I don't want to hurt you."

"I..."

Su Fan was still talking when suddenly, his words stopped, his body shuddered, rigid.

Because Sun Rui's hand had slipped from behind and, through his jeans, grasped Su Fan's already stiffened dragon.

In an instant, the dragon reared even higher.

The jeans were tented high.

"Hiss."

Su Fan drew in a sharp breath, his blood surging, at a loss.

And behind him, Sun Rui, her left hand tightly around Su Fan's waist, her right hand clutching the root of the dragon, stood on tiptoe, her head resting on Su Fan's shoulder, her cherry lips close to his ear, her breath as sweet as orchids, she whispered,

"Big Brother Su, you're already so hard, you must be uncomfortable, let me help you with it?"

"I'm not a child, I understand some basic biology. It's not good for your body to hold it in like this."

"I'm ready to offer myself anytime, don't you really want to enter me?"

Seduction.

Barefaced seduction.

Su Fan was burning up, aware that kids these days mature early, but girls in the village knew so little compared to city girls like Sun Rui.

Could she be so bold?

But he had only just met Sun Rui.

Could it be a honeytrap?

Happiness had come so swiftly, it felt unreal to Su Fan.

He remained somewhat guarded.

He forcefully pushed Sun Rui away.

"Ah."

Taken aback, Sun Rui fell onto the bed.

The tears poured out like rain.

"But, you've already seen all of me; if you don't want me, who will I marry in the future?"

"If that's the case, then I don't want to live anymore, I can't face living."

Saying this, Sun Rui pushed open the window, half her body already out.

"Don't!"

Seeing Sun Rui was serious, Su Fan was startled and hurriedly rushed over, pinning her down on the bed, holding her firmly.

"Big Brother Su, do you want me now?"

"I'm ready at any moment, come inside."

Sun Rui looked up at Su Fan, her eyes brimming with expectation.
