

Temptation 26

Chapter 26: The Malicious Woman

Su Fan knew Bai Man was off-limits, especially now as the TV wall in front of the room still displayed the wedding photo of Bai Man and Li Jian. Li Jian's eyes seemed to stare directly at the sofa position. Even though it was just a photo, it was enough to send shivers down Su Fan's spine.

"Auntie, we, no, we can't betray Uncle anymore..."

Su Fan said anxiously.

"Are you rejecting me?"

Bai Man's face immediately turned cold.

"Ah."

The next moment, Su Fan screamed in pain.

Because Bai Man had viciously pinched his crotch, even breaking the skin.

This devil.

Su Fan really wanted to slap Bai Man, to overturn this shameless woman, but he didn't have the guts.

"Auntie, please, spare me."

In pain, Su Fan clutched the sofa tightly, tears already brimming in his eyes.

"Giggle, this is the cost of rejecting me."

Bai Man laughed as she let go of her hand.

She then gently patted Su Fan's little brother.

"Such a precious treasure, I wouldn't want to damage it."

"Come, let me help you."

As she spoke, Bai Man's hand got busy.

The youthful Su Fan couldn't resist.

Soon he had fallen into Bai Man's rhythm.

"Ah..."

After more than ten minutes, Su Fan let out a long cry, spilling out.

"Wow, you've already released this morning, and now you still have so much left, really, youth is good, such a large quantity, unlike your Uncle, that waste, you could squeeze him dry and barely get a trickle."

As she spoke, Bai Man wiped her hands with a tissue, then stood up and walked towards the TV.

Su Fan hurriedly pulled up his pants.

This dead pervert.

"You think just pulling up your pants means you can deny it?"

Bai Man took out her phone from a gap beside the TV and came back, watching Su Fan with a taunting smile.

"Want to see your wonderful performance just now?"

She handed the phone to Su Fan.

Su Fan turned his head to look and immediately burst with anger.

She was actually recording.

"You..."

"What about me?"

Bai Man looked at Su Fan provocatively.

"No, nothing."

Su Fan lowered his head.

"Hehehe, worthless."

Bai Man smugly sat back on the sofa, crossed her legs confidently, and spoke.

"Tell me, what will Li Jian do to you if he sees this video?"

A million curses ran through Su Fan's mind.

Apparently, the erotic experience just now was a trap Bai Man had set for him.

This woman was too crazy, and too malicious.

"But don't worry, as long as you listen to me obediently, I promise, no third person will see this video. After all, I wouldn't joke about my reputation so easily, right?"

Bai Man looked at Su Fan from the side.

Her profile was as beautiful as a rose, but its thorns were too numerous and poisonous.

Su Fan dared not look any longer, fearing he'd get pricked; he looked down.

"Auntie, didn't you have something to say to me? Go ahead."

"Hehehe, well you are sensible. I'm very satisfied with this attitude."

Bai Man watched as Su Fan was easily manipulated by her, reaching the height of her pleasure.

"I ask you, what is your relationship with the head of gynecology, Liu Ye?"

Su Fan shook his head.

"I've only been in the city for two days. Uncle is my only support, you know that. Today was my first meeting with Director Liu, and you were there. I didn't have a chance to talk to her privately; how could I know her?"

Bai Man thought about it, and that made sense.

"It seems this bitch is just sick, no matter the time, she wants to compete with me. Seeing you stealing the show today and me benefiting from it, she must feel uncomfortable, so she insisted on transferring you to gynecology."

"What did you say?"

Su Fan was confused.

Gynecology?
