

Temptation 30

Chapter 30 Desire

Today at the hospital, Su Fan watched as Bai Man overruled everyone's opinions in her determination to save that little girl. In the end, it was Bai Man herself who performed the surgery.

This made Su Fan hold Bai Man in higher regard.

Clearly, her professional ethics were far above those of other doctors.

"Hmph."

"I know what you're thinking."

Bai Man was clever, almost as if she could see right through Su Fan's thoughts, and spoke directly.

"My private life may be promiscuous, but remember, I'm also a doctor. I'm not the only one who knows how to save lives."

"Besides, I'm not as bad as you think. To tell you the truth,"

"I was just bored that day, and Liu Feng was constantly courting me, so I thought I'd give it a try. Who knew you'd catch me in the act, and I didn't even succeed. You're the only man who has ever been on top of me, understand?"

Bai Man's words startled Su Fan.

Indeed, the color and shape of Bai Man's nether region did not look like those of someone who had been promiscuous.

"But, but why did you want to..."

Su Fan was on the verge of speaking but held back.

Bai Man smiled, taking over the conversation.

"Are you trying to ask why I can't leave you alone? Why I carry on with such matters behind the scenes?"

Su Fan nodded.

"I'm in a good mood today, so I might as well tell you some rules of city folks."

"This place isn't as leisurely as your countryside. The pace is fast here, everyone is busy, and everyone has pressure. So some people like to go fishing, some like to play ball— all to release stress."

"And me, I like to do things like this."

"As for why I chose you, it's simple. You saw something you shouldn't have, plus, you're Li Jian's relative. Isn't that even more thrilling?"

"Right, isn't there an old saying, 'Don't let the water from your own rice paddy flow into someone else's field?'"

Bai Man's words rendered Su Fan speechless.

What a way to describe it, 'Don't let the water from your own rice paddy flow into someone else's field.'

"Every human has desires. Everyone has a double personality. The seemingly innocent school girl might play around more than me behind closed doors. The kind-hearted sister you see may not be as nice as you think. I don't know why Wang Fei gave you that phone, but I can be sure, she's not well-intentioned. I advise you to stay away from her; she's much more crafty than I am."

"I, I don't have anything going on with her," Su Fan panicked for a moment, fearing that Bai Man might know about his tryst with Wang Fei that night.

"It's best if you don't have anything. Stop talking nonsense and continue."

Bai Man's hand moved again.

Su Fan complied.

His hand exerted strength.

"Hmm..."

Bai Man moaned, closing her eyes.

Su Fan just watched her.

Watching that devilish face.

She was truly beautiful.

Especially in that soul-stirring state.

At that moment, her eyes tightly shut, her brows furrowed, her white teeth biting her lower lip. Her expression seemed to be one of pain yet enjoyment, irresistible. Su Fan wanted to lean down and kiss her, but he dared not.

That expression only further stimulated Su Fan.

He continually varied the strength in his hand, and the frequency also changed, causing Bai Man's facial expressions to shift as well.

"Ah..."

"Faster, a little faster."

Bai Man seemed to have reached a crucial moment.

"Ah."

Suddenly, Bai Man let out a long cry, completely unraveling.

And Su Fan also found his release.

"Tsk."

A thick gush of dew sprayed directly onto Bai Man's lower abdomen.

"Alright, get out..."

Bai Man, now sated and weakened, closed her eyes and spoke.

Su Fan scurried out of the room as if he had been pardoned.

A few minutes passed.

Bai Man then opened her eyes again.

"That was amazing, this guy is fierce."

Clearly, she had an experience tonight like never before.

"Wow, that's a lot."

Bai Man, looking at the dew on her abdomen, was somewhat astonished.

Then, she dipped a finger in it and slowly brought it close to her red lips...
