

Temptation 68

Chapter 68 - 68 Found Out?

"Hehehe."

Li Jian chuckled, displaying a look every man can relate to.

"No need to explain, cousin understands. After all, I was young once, too. You must practice moderation, though. Don't damage your foundation. If you overdraw now, later you'll be out of stock."

"It must be tough on you, still single at such a vigorous age. Wait a second, your cousin will keep an eye out for some nice girls at the university to introduce to you, to be your girlfriend, hehehe."

Poor Li Jian, he thought Su Fan was just spanking the monkey and wanted to help him find a partner—someone to discharge some of that bodily heat, but how could he have known that the stain was from his perverted wife Bai Man's doing?

Su Fan hung his head in shame.

"Alright, get some rest. I'm going to see what your auntie's up to."

Li Jian laughed and walked away.

Bai Man awkwardly crawled out from under the bed, still grumbling.

"Didn't this old fart say he wasn't coming back tonight?"

"Scared me to death."

With that, she walked over to the window, looked outside, and saw Li Jian enter their bedroom before hurriedly leaving.

Su Fan looked at Bai Man's retreating figure, then lowered his head to glance at his little brother again.

"You, you, why do you have to be so unreliable? We nearly got into big trouble."

"Lucky, it was just by a hair's breadth."

...

"Oh, Fei Fei is here too."

Upon entering and seeing Wang Fei seated on the couch, Li Jian greeted her.

"Hehe, sorry to disturb your romantic time with Bai, I feel really embarrassed."

Wang Fei giggled, covering her mouth with her hand.

She was wearing a black bodycon dress, sitting on the couch—very sensual.

Li Jian was a man, after all, and instantly felt a surge of heat inside.

His eyes fixed on Wang Fei's beautiful legs and couldn't look away.

"You old pervert, if you dare have designs on my bestie, believe it or not, I'll gouge your eyes out?"

Bai Man stormed in, turning the tables.

"How could that be?"

The sudden appearance of Bai Man startled Li Jian.

Having done something wrong, Bai Man took the offensive, scolding Li Jian.

"You can't even get it up, and you dare to look around? Don't you fear the frustration?"

"Cough cough cough."

Li Jian coughed awkwardly, his face flushed beet red.

Wang Fei stood up gracefully and spoke.

"Bai, you're joking. With a stunning wife like you, how could Director Zhang be interested in me? Since Director Zhang is back, I won't keep you company tonight. I'm heading home, then."

"It's so late, don't go. Stay over."

Bai Man offered politely.

Wang Fei said with a smile.

"Okay then."

Bai Man led Wang Fei to a guest room.

Wang Fei often came to Bai Man's house, and there was a guest room specially prepared for her.

By the time Bai Man came back, Li Jian had finished washing up and was lying in bed.

"Didn't you say you wouldn't be coming back tonight? Then why are you back?"

Bai Man said coldly.

This damn old fart, ruining her big moment.

If it hadn't been for Li Jian's sudden interruption.

She would've been savoring Su Fan's treasure by now.

Probably in ecstatic bliss.

Li Jian said with a smiley face.

"I did the math, and today is your ovulation period. We could work hard on having a child."

"How are you going to do that if you can't get it up?"

Bai Man's attitude was very cold.

Li Jian said awkwardly.

"I've got a prescription from the old doctor at the College of Chinese Medicine. I feel like it's working. Let's give it a try."

"By the way, where did you go just now?"

Bai Man panicked at Li Jian's words.
