

Temptation 73

Chapter 73: Radiant and Glowing

Wang Fei squeezed out those contents and then smeared them on her face.

"Fei, what, what are you doing?"

Su Fan was astounded.

Wang Fei seductively said,

"A drop of essence for ten drops of blood, don't you know? This stuff is super nourishing, especially from a young man like you. After I gave you a handjob last time, I noticed my hands have become much smoother. Your stuff can beautify the skin; it shouldn't be wasted."

As she spoke, Wang Fei was also patting her cheeks, seemingly to help with the absorption.

Wang Fei, a pharmaceutical rep, took her skin care very seriously.

Su Fan thought to himself that being involved in pharmaceuticals, he knew this stuff could indeed whiten and nourish the skin. Not to mention, after his dual cultivation with Liu Ye, his body was much better, which certainly increased the medicinal value of his essence.

If Wang Fei could use it, it definitely shouldn't be wasted.

"Hehe..."

Su Fan suddenly thought of something and chuckled.

"You naughty boy, what are you laughing at?"

Su Fan said,

"Sis, you said my stuff could whiten and nourish the skin, right? I was thinking, why not collect it and sell it in the future? I could make a fortune."

"Pfft."

Wang Fei also laughed.

"You really are money-crazy to come up with such an idea. Aren't you afraid some people won't just apply it on their face but will take it into their bodies? By then, you'd have offspring everywhere."

"No, really?"

Su Fan was shocked.

Wang Fei calmly said,

"You still don't understand many things about the city. I know this industry too well. Buying 'j' is a huge industrial chain, and stuff from a young guy like you is even more valuable."

"But if you're really short on cash, I can give you some. I'm not short of money."

"I don't need money, I need you. Let me have another go,"

Su Fan, looking at Wang Fei's charming demeanor, felt his interest peak again.

"You little rascal, insatiable, huh? Can you even handle it still?"

Wang Fei was about to mock Su Fan when she felt him.

The dragon had already risen high.

"Wow, you really are a beast. Well, let me satisfy you one more time, ah."

"But we can't do anal this time, I don't think I can take it."

As she spoke, Wang Fei bent down.

Gurgle gurgle.

Su Fan lay back, enjoying Wang Fei's services with great pleasure.

Of course, Wang Fei gained as well.

Twenty minutes later.

She raised her head.

She swallowed all the essence, not wasting a drop.

She even licked her lips, fearing she might have missed something.

The value of Su Fan's essence was astonishing, and Wang Fei had certainly profited.

"Alright, I need to go now, lest Bai Man finds out."

"You should get some sleep early."

Wang Fei kissed Su Fan on the face and quickly left his room.

Having an affair under Bai Man's watch was a huge thrill for both Wang Fei and Su Fan.

Having released twice in succession, Su Fan was utterly exhausted and fell into a deep, blissful sleep upon closing his eyes.

The next morning, when Su Fan got up.

Li Jian had already personally prepared breakfast.

Li Jian, when at home, tended to Bai Man like a servant, making it hard for outsiders to connect him with being a major leader.

"Little Fan, up already, huh? Come eat, I'm off to work. Make it a good day."

Li Jian patted Su Fan's shoulder and left home.

Su Fan walked into the dining room.

Fried dough sticks, soy milk, and pickles.

Bai Man was sitting on a chair, legs crossed, drinking the soy milk.

Looking at Bai Man swallowing the white soy milk, Su Fan paused for a moment.
