

Temptation 77

Chapter 77 - 77 Mastering the Rhythm

"Don't, don't, please don't hit me in the face..."

Liu Feng covered his face in fright and squatted on the ground.

This was a trauma caused by being hit.

Yet Su Fan's hand went back into his pocket.

Just kidding.

"Hahaha..."

"Liu Feng is such a coward."

"What an embarrassment."

The crowd burst into laughter.

Crouching on the ground, Liu Feng's face turned red with shame as he stood up and said angrily.

"Stinky, stinky brat, you, don't get cocky, you'll, you'll get yours..."

"Smack."

Before Liu Feng could finish his words, a hard slap landed on his face, sending him back sitting on the ground with a thud.

"Ouch, my face, I'm bleeding from the nose, I'm bleeding from my nose, Su Fan, you, you son of a bitch."

Liu Feng looked like a wronged baby.

That was a surprise counterattack.

"I already made it clear I was going to hit you, yet you still didn't know how to dodge, I think your brain must be underdeveloped, you moron?"

Su Fan gave Liu Feng a cold look.

Such a scoundrel deserved a good lesson.

There was another reason too.

Who the hell did Liu Feng think he was, daring to slip into Bai Man's bed, a woman of such grace, not meant for someone like him to touch, even if he was the one being played, it wasn't okay, wasn't that putting a green hat on Li Jian?

Li Jian was his cousin, and of course, Su Fan had to help Li Jian teach Liu Feng a serious lesson.

"Hahaha."

Hearing Su Fan's curse at Liu Feng, the crowd burst into laughter once again

Some even clapped their hands.

"Divine Doctor Su, good job hitting him, Liu Feng doesn't know his job, all he thinks about is sucking up and backstabbing colleagues, he deserved it."

"Right, good beating, we support you."

Obviously, Liu Feng really didn't have a good standing in the hospital.

It was supposed to be a critical meeting for Su Fan, but now it turned into Su Fan's solo show, with the staff becoming his supporters.

"You, you..."

Liu Feng was so angry that he ground his teeth, but he didn't dare make a sound.

Bai Man, sitting in the front row, had a complex look in her eyes.

Liu Feng, compared to Su Fan, was like a woman, too weak and pathetic.

She must have been out of her mind to think about giving him a chance in the first place.

She had resented Su Fan for catching them, but now it seemed that Su Fan had done her a big favor.

"Enough, what is all this arguing for?"

Sun Zhigang, who had been hiding behind the scenes at the presidium, had initially wanted to see Liu Feng humiliate Su Fan, but things had taken this unexpected turn, so he quickly stood up.

As he spoke out, everyone hurriedly quieted down; they clearly didn't want to provoke the Living Yama.

"Su Fan, you're causing an uproar at the meeting and beating up a colleague, do you still respect the organization, do you have any discipline?"

Sun Zhigang yelled at Su Fan.

But Su Fan was no ordinary person, and Sun Zhigang was not Bai Man, Su Fan didn't give him any face at all.

"Director Sun, aren't you mistaken, wasn't it Liu Feng who insulted his colleagues and caused an uproar earlier?"

"I was just upholding discipline here. I think you should commend me, after all, this is a security guard's job, and I did it voluntarily."

"Hahaha..."

People were first stunned, then burst into laughter again

Some directors who didn't get along with Sun Zhigang also covered their mouths and laughed.

Indeed, rejuvenating the workplace required young blood.

"You, you're twisting words, you..."

Sun Zhigang tried to save face, but Su Fan was already striding towards the stage.

"What are you doing, don't you dare lay a hand on me, I'm warning you, don't you mess around."

Sun Zhigang was so scared that he kept backing away, it seemed that yesterday's slap had left a shadow on him too.

"Hehe, Director Sun, why are you dodging? I'm not going to hit you."

"Are you very afraid of me?"

Su Fan looked at Sun Zhigang teasingly as he ascended the stage.
