Chapter 78: A Big Gambler

"Dr. Su is so handsome."

"Yeah, even though the meeting was supposed to criticize him, somehow I feel like he is the one in control. Amazing."

"Yes, he must be the first to scare Sun Zhigang, the Living Yama, like that."

"So satisfying."

Below, some doctors were giving Su Fan thumbs up, and the young nurses were all starry-eyed.

This boyfriend material is off the charts.

"If I were ten years younger, I would marry Dr. Su,"

said a middle-aged female doctor, smiling.

The surrounding people also laughed.

Indeed, many authoritative professors were furious with Su Fan because he had embarrassed them twice, but many others had no conflicts of interest with Su Fan and besides, Su Fan had saved their lives yesterday — good people versus bad, after all.

"You kid, you, you are too arrogant. I'm telling you, once Director Zhang arrives, he's going to announce your dismissal. Then I want to see how arrogant you can be?"

Sun Zhigang's face was red with frustration.

"Dismiss me?"

Su Fan chuckled dismissively.

"What if Director Zhang commends me instead?"

"Commend you, haha."

Sun Zhigang was taken aback at first and then burst into laughter.

"You must be out of your mind. Director Zhang personally told me to dismiss you, which is why this staff meeting was called. Did you think it was a commendation meeting?"

"Hahaha, you're killing me."

Su Fan watched Sun Zhigang laughing and smiled as well.

He even felt a bit sorry for Sun Zhigang.

Apparently, Wu Miao hadn't said anything to Sun Zhigang after she went home last night; Sun Zhigang was still in the dark.

Right, how could Wu Miao have the courage to tell Sun Zhigang that she was having an affair with Zhang Haitao?

Moreover, Wu Miao had had a car fling with Su Fan.

To think his wife had been taken advantage of by another man, and he was still here laughing.

Isn't that sad?

"Section Chief Sun, don't be in a hurry to laugh. Dare to make a bet with me?"

"How so?"

Sun Zhigang was intrigued.

The guy loved to gamble when he had free time.

Su Fan touched his nose.

"It's simple. Yesterday, I slapped you, and I know you resent me for it. But since you can't beat me, I'll give you a chance today. If Director Zhang indeed announces my dismissal, I'll let you slap me three times, and I promise to stand still and not call the police."

"If Director Zhang promotes me and gives me a raise, then you let me slap you twice more, and you can't dodge or call the police. How about that?"

"Deal!"

Upon hearing this, Sun Zhigang exclaimed excitedly.

He had been worrying about having no opportunity for revenge. Little did he know, Su Fan was literally offering his face.

Yesterday, it wasn't just him who heard Zhang Haitao decide to dismiss Su Fan.

Even if Zhang Haitao had a change of heart and didn't dismiss Su Fan, with Su Fan having made Zhang Haitao lose face, how could Zhang give him a promotion and raise? Isn't that just crazy?

"Kid, you said it yourself, don't regret it later."

"Su Fan, don't be rash."

At this moment, Liu Ye, sitting in the front row, couldn't hold back any longer.

Bai Man couldn't speak directly, but she also gave Su Fan a fierce look, clearly warning him to keep himself in check and not mess around.

Su Fan pretended not to see.

He extended his hand toward Sun Zhigang.

"No regrets, a high-five on that."

"Slap."

Sun Zhigang didn't hesitate at all; he was more excited than winning a game of mahjong and slapped his hand down.

Just then, a group of people walked in through the door.

Leading them was Zhang Haitao, followed by his secretary and some reporters with cameras.

"It's over, even the reporters are here; Su Fan is going to be even more embarrassed."

"Sigh."

The crowd looked at Su Fan with sympathy.

Sun Zhigang's eyes gleamed with delight.
