

Temptation 93

Chapter 93 - 93

"Don't go, don't leave."

Liu Feng hurried to stop Luo Ya.

"Xiao Ya, you finally understand my feelings, then, let's officially start dating."

"Tonight I'll treat you to a candlelight dinner."

Liu Feng's shifty eyes measured Luo Ya's beautiful figure, saliva almost dripping out.

In his mind, he was quickly envisioning one hundred and eight ways to train Luo Ya.

Luo Ya felt disgusted by Liu Feng's greedy gaze, but thinking of Su Fan's deep betrayal, she swallowed her aversion.

"Okay, then wait for me at the hospital entrance when work is over."

After speaking, Luo Ya turned her head and left.

"Alright, alright..."

Liu Feng nodded his head excitedly.

"Heh heh, seems like, I'm really about to hit the jackpot."

Liu Feng dived into his office, took out his mobile phone and started researching passion hotels with private rooms in the city.

...

Right after work in the afternoon, Liu Feng changed his clothes and parked his BMW 3 Series sedan at the hospital entrance.

In his hand, he also held a bunch of roses, as flamboyantly ostentatious as one could be.

Luo Ya had also changed her clothes, wearing a light blue dress that made her look so pure and beautiful.

Standing in the corridor on the second floor, she could see everything at the entrance through the window.

At this moment, her heart was in turmoil.

She didn't really want to be with Liu Feng; her only goal was to make Su Fan jealous.

Finally, she saw a familiar figure walking out of the hospital entrance.

She hurriedly descended the stairs.

"Holding flowers, waiting for Director Bai?"

Su Fan, who had walked out of the hospital's main entrance, couldn't help but mock Liu Feng for his flamboyant appearance.

"You little rascal, shut your mouth. It was you who ruined my good fortune, and I'm not even mentioning that, yet you have the nerve to speak up?"

Thinking of that day's events made Liu Feng furious.

If it hadn't been for Su Fan's sudden interference, he would have already won over the beauty.

Bai Man's looks and status were both far superior to Luo Ya's.

Unfortunately, ever since that day, no matter how Liu Feng messaged Bai Man, trying to ingratiate himself, Bai Man never paid him any attention again, most likely, there was no chance left.

"Heh, you can't even look at yourself in the mirror, and you, of all people, dare to covet Director Bai? Ridiculous."

Bai Man was Li Jian's wife, so of course, Su Fan had to stand up for Li Jian.

"You..."

Liu Feng was so angered by the insult that he was about to clash with Su Fan, but suddenly, he looked behind Su Fan and his face relaxed immediately.

"Stinky brat, I have some business to attend to today. I'll settle the score with you another day."

As he spoke, Liu Feng, holding the fresh flowers, briskly ran towards the person behind Su Fan.

Su Fan turned around and was stunned.

It was actually Luo Ya.

How did Luo Ya get involved with Liu Feng?

Even though there wasn't much chance for him and Luo Ya, he couldn't just watch Luo Ya fall into the hands of a despicable person like Liu Feng, could he?

"My dear, you finally came out, we have booked the hotel, oh, no, I have already booked the restaurant, let's go quickly."

Liu Feng was desperate to the extreme.

That mushy nickname made Luo Ya's skin crawl.

But looking at Su Fan to the side, she still put on a forced smile and took the flowers.

"Thank you, Liu Feng, you're so considerate, I love it so much."

As she spoke, Luo Ya even held up the roses to take a deep sniff, showing a blissful smile.

"Heh heh, I'm glad you like it. I promise you'll like tonight's plans even more."

"Let's go, let's go quickly."

Liu Feng went out of his way to open the car door for Luo Ya.

As Luo Ya passed by Su Fan, she acted as if she hadn't seen him at all, about to get into the car.

"Wait."

Still, Su Fan couldn't hold back and grabbed Luo Ya's wrist as she passed him by.
