### Chapter 41: Hey Everyone, I'm Huo Xunzhou, the Stage Witness

The discussion about the middle seat was very intense.

However, there was no live broadcast on the big screen this time, so no one could see the comments.

As soon as Lin Shanchu and Yun Wu entered the arena, there was a commotion coming from the members. The number of comments also increased in an instant:

[I'm neither bragging nor hating on Lin Shanchu, but that white dress is 1000% compatible with her.]

[There really are people who look so good in clothes that resemble tablecloths.

I'm so jealous that I'm crying right now...]

[So what if she's good-looking? She's just a decoration who can't sing and dance.]

[Yo hater, I love Lin Shanchu for her looks.]

[Don't you guys think that Yun Wu and Lin Shanchu make a great couple with their black and white outfit ensemble?]

[Are they in a group? Holy hell, I really love the idea of them being together!]

[Heh! Lin Shanchu isn't capable at all, so she thinks she'll be able to gain fans by tagging herself with another member. How disgusting.]

From the last live broadcast, the production crew understood that Lin Shanchu was the key to gaining the attention of the public.

As soon as Lin Shanchu entered the venue, the camera was trained on her the whole time.

She wore a plain white dress today. Her thick long hair was splayed behind her like dark ink, making her look beautiful and otherworldly.

Some members gathered together and whispered, "Lin Shanchu looks so beautiful in that white dress. I look forward to watching her performance."

"I saw her doing a dance practice with Yun Wu two days ago. I think it's a dance that makes her look like a fairy."

Yun Wu raised her head and glanced at the seating arrangement. "Where are we sitting?"

Lin Shanchu looked up and saw the middle seat that was located at the top of the stands. "Let's sit at the very top."

There was a pair of seats located right below the central position.

Yun Wu ran to one of the seats and sat down. She grabbed the other chair while turning around to look at Lin Shanchu.

"Let's sit..."

The moment Yun Wu noticed Lin Shanchu taking the top seat, she couldn't continue the rest of the sentence.

The words 'Holy sh\*t... The haters are going to hate on you again' were written all over Yun Wu's face.

“This chair seems to be a little bigger than the others,” Lin Shanchu said while looking rather serious.

Yun Wu was speechless. She thought that Lin Shanchu was really dense at times.

New comments quickly popped up on the screen. [Holy sh\*t! Lin Shanchu has taken the middle seat!]

[How the heck is she this brave?]

[Isn't that Xia Jinqing's seat?]

[What's wrong with her taking the middle seat? Is Xia Jinqing's name engraved on that seat, huh?]

[I'm just a passerby. I think Lin Shanchu's trying to gain everyone's attention.]

[You haters have too much time on your hands. You insist on hating Lin

Shanchu no matter what she does.]

Xia Jinqing, who was frequently mentioned on the screen, entered the venue at this time.

Diabetes Is Not From Sweets! Meet The Main Enemy Of Diabetes

She had once made a name for herself overseas, thus already having her own fanbase. Now that she returned to the country and joined the talent show, she intended to compete for the top spot as the main girl.

The company that Xia Jinqing had a contract with took a liking to her and allowed her to appear in other variety shows before. At the same time, the company kept promoting her, so she maintained her popularity the whole time.

However, Lin Shanchu appeared out of nowhere.

The day she entered the production crew, she went viral.

Xia Jinqing, who was originally the most popular member of the show, ended up getting ignored by everyone other than her fans.

As soon as Xia Jinqing entered, she saw Lin Shanchu sitting in the middle seat.

That seat should have been hers!

A member who knew Xia Jinqing greeted her. “Jinqing!”

Xia Jinqing suppressed the unhappiness in her heart and replied to her with a smile.

The comments were posted again.

[Xia Jinqing is so cool! You're killing me with coolness, my long-legged goddess!]

[Um... It's obvious that Lin Shanchu's legs are slightly longer...]

[So that's Xia Jinqing. It seems that she's made a ton of appearances lately.

She looks different compared to the other members.]

[I look forward to seeing Xia Jinqing's performance on the stage.]

The members arrived one after another.

Next up was the appearance of the mentors.

The first to appear was the dance instructor, Qin Shuya.

She was once a famous Chinese female singer. Even though she was nearly 40 years old, her voice and physical form were in excellent condition. She maintained her brilliant performance onstage as she sang and danced at the same time. She didn't even pant once she was done with her performance.

Next was the singing instructor, Xu An.

He had been the most popular male singer in the Chinese rankings for several consecutive years.

Finally, Bai Yu, the music production instructor, was introduced.

The comments went wild.

[Is Qin Shuya capable of being young forever? She still looks beautiful as usual, not to mention she's amazing at performing!] [Xu An's songs are still so touching.] [This is amazing! They actually invited Bai Yu to the show!]

[The mentor lineup is too strong!]

[A huge thank you to the production crew for allowing me to watch such wonderful performances without spending a penny!]

The three instructors were all experienced and talented seniors.

Typically speaking, one might not be able to secure tickets to their concerts even if they were to spend money.

Everyone loved to watch a wonderful performance.

The members were so excited that they cheered and screamed.

Lin Shanchu was also excited.

She clapped madly for the mentors from the middle seat to the point that her hands were already sore.

Her seat was too eye-catching, so the director did a close-up shot of her. Lin Shanchu was so engrossed in watching the performance that she stood up and applauded.

More comments were posted.

[Hahaha! Is Lin Shanchu seriously that crazy woman who keeps clapping nonstop?]

[Dear fairy, can you act more like a fairy instead of a human? At this rate, I'd start thinking that you're a human instead!]

[The way she jumps and screams makes her seem classless.]

[Please don't tell me that the reason that lady joins this show is to cheer on everyone...]

Lin Shanchu did have the intention to cheer on everyone.

The rest of the members clearly excelled in performing, whereas she was unable to perform well due to her weak body.

Then again, since Lin Shanchu was already here, she might as well take up the middle seat and cheer on everyone in order to feel more inclusive.

The last person to show up on the stage was the stage witness.

It was said that the stage witness was also a relatively famous senior in the entertainment industry.

However, when the production crew made the announcement on Weibo, they never mentioned anything about the stage witness. Many netizens thought that the role of the stage witness was given to someone else.

“I heard that they changed the stage witness,” Yun Wu turned around and whispered to Lin Shanchu.

“Oh.”

Lin Shanchu wasn't very concerned about this. With Nan Mu's connections, he would definitely invite a famous and experienced celebrity to become the stage witness.

All she had to do was to clap for the guest. Someone said, “I'm coming.”

Lin Shanchu started to clap very seriously.

Then, a collective of gasps sounded from the members.

“Hey everyone, I'm Huo Xunzhou, the stage witness.”

The man's deep and magnetic voice came out of the microphone and echoed to every corner of the studio. The members began to scream.

“Ah!”

“It's the best actor, Huo Xunzhou!”

The comment section also became lively.

[The man who once conquered the entertainment industry with his looks is here!]

[The production crew is awesome!]

[The producer is Nan Mu, after all! How can they not be awesome?]

Huo Xunzhou was wearing a white shirt without a tie. His collar was slightly open, revealing his Adam's apple. He sat upright in his wheelchair while looking very noble.

He raised his head and swept his gaze toward the members' seating area. “The initial stage assessment will now begin. ”

The accompanying staff pushed Huo Xunzhou to the mentors' seating area.

Huo Xunzhou then announced the first group of members.

The first group of members came from a large company.

Their performance was just average.

In the group consisting of six members, two of them were ranked B, three were ranked C, whereas the last one got an F rank.

Since there were only five available slots for the girl group, that meant only five members could obtain rank A.

The competition was very intense.

The instructors were very strict. By the time it was Lin Shanchu and Yun Wu's turn to perform, only an A-ranker was announced among the members that had performed.

Huo Xunzhou looked down at his documents and said into the microphone,

“Next up, we have two individual members – Yun Wu and Lin Shanchu.”

The man's voice slowed down. When he called out Lin Shanchu's name, he sounded affectionate in nature.

Lin Shanchu silently rubbed her ears before drawing to her feet to go up to the stage with Yun Wu..

The moment Lin Shanchu appeared, more comments flew across the screen.

[The performance I want to watch is finally here.]

[I'm waiting for Lin Shanchu to make a fool of herself.]

[I think these people are a little too much. What if she came prepared?]

[If I were Lin Shanchu, I'd just stand there just to show everyone how pretty I am without doing anything. At least, I'd be able to regain some dignity by doing that.]

The song, “Resentful Ghost” was played at that moment.

The students' seating area went deathly silent for a moment.

The instructors also swapped looks with each other.

Only Huo Xunzhou was staring at the stage with an indifferent expression.

Yun Wu and Lin Shanchu looked at each other and stood back to back.

Their dance moves were neat and synchronized as if they were twins.

From the instructors' seating area, Qin Shuya was pleasantly surprised. She turned to Bai Yu and asked, “What do you think of them?”

“What do you think, Ms. Qin?” Bai Yu asked in reply.

Qin Shuya did not hide her excitement. “This group’s dance was such a pleasant surprise!”

The most exciting segment of “Resentful Ghost” started playing at that moment.

“This world is in shambles and ruins.

The words ‘rest in peace’ are uttered one last time.

The resentful ghost is dressed in white.

She stands among the dilapidated ruins.

She looks at the sunlight pouring through the cracks of the abyss.

She is shackled, but she struggles to get up.

Lin Shanchu knelt on the ground. The camera zoomed in for a close-up.

Dust clouded her previously clear eyes. An expression filled with the struggle that stemmed from her desperate situation contorted her fair face. The pain she suffered from was silent yet great, and it almost crushed her.

The darkness was swallowing her.

Darkness tainted her eyes.

She lay down quietly as if she had stopped struggling.

Suddenly, she leaped up with all her might.

Her long black hair fluttered in the air. Her snow-white dress resembled a blooming flower.

It was a perfect backflip.

She floated freely in the air.

It was like she was starting a new life.

Diabetes Is Not From Sweets! Meet The Main Enemy Of Diabetes

The song ended soon enough.

Yun Wu turned to smile at her as she mouthed, “You’re amazing today!”

Lin Shanchu did pull off the backflip during their practice, but it wasn’t as perfect as the latest backflip.

There were fine beads of sweat on Lin Shanchu’s forehead. Her complexion was pale, but she still tugged at the corner of her lips as a form of response. After three seconds of silence, thunderous applause broke out.

Following that, the instructors clapped from their seats too.

The two of them bowed together.

Yun Wu was very satisfied with the performance this time. She even smiled this time, as opposed to maintaining her usual cool appearance.

The dance instructor, Qin Shuya, picked up the microphone while exclaiming excitedly, “Yun Wu, you’re awesome! You have a strong foundation! How old are you this year?”

“Twenty,” Yun Wu replied.

“You have a bright future ahead of you!” Qin Shuya said with certainty. “I love your dance so much, so I’ll give you an A! You must become an A-ranker!”

“And you, Lin Shanchu! You really surprised me too! Your dancing skills are obviously not as good as Yun Wu’s, but not only did you not drag her down, you even cooperated well with her! Especially during the backflip, your expression made your performance even more perfect and charming!”

Qin Shuya pointed behind her while continuing, “I heard the members behind us crying just now! Your performance is really great! It’s definitely the performance that I’m the most satisfied with since the start of the initial stage assessment! You and Yun Wu both deserve an A!”

When Yun Wu heard Lin Shanchu being praised, she looked even happier than when she got praised. She grinned while turning to look at Lin Shanchu, only to notice that there was something wrong with the latter.

Lin Shanchu noticed that Yun Wu had noticed her abnormality, so she reached out and grabbed Yun Wu’s hand, indicating for her to not speak.

Lin Shanchu had just finished dancing in the summer heat, but her hands were as cold as ice.

Yun Wu couldn’t help but shiver upon feeling the coldness.

After going through a week without much trouble, Lin Shanchu’s cancer started acting up again.

It was probably because the frequency of the attacks had increased, but she felt that it was not as unbearable as before.

Lin Shanchu’s lips curved up slightly, her expression now looking normal.

“Thank you, Ms. Qin.”

The comments filled the screen.

[I told my friend that I cried after watching someone dance, but she said I was just exaggerating.]

[I didn’t know Yun Wu is a hidden gem.]

[I got goosebumps because of Lin Shanchu’s gaze just now.]

[She performed a dance of the underworld while wearing the clothes of a fairy.] [I know, right? Her gaze made her look like an actual resentful ghost.] [I’m starting a petition for Lin Shanchu to act the role of a lunatic beauty.]

[The ones who claimed that Lin Shanchu can’t sing and dance, show yourselves!]

Everyone witnessed Yun Wu’s skills.

She deserved the A rank without fail.

However, Lin Shanchu’s rating was controversial.

After discussing among themselves, the instructors decided to give Lin Shanchu an additional test.

Although Huo Xunzhou was not a mentor and did not interfere with the grading, the other mentors still asked for his opinion.

“What do you think, Mr. Huo?”

“The difference in skill between Lin Shanchu and Yun Wu is too great. It’s unfair to Yun Wu if Lin Shanchu gets an A after passing the additional test.”

Surprisingly, Huo Xunzhou didn’t agree with the idea of giving Lin Shanchu an additional test. He even came up with a lengthy reason.

Yun Wu was anxious when she heard this. She picked up the microphone with the intention to defend Lin Shanchu.

However, Lin Shanchu was one step ahead.

“Mr. Huo is right. Yun Wu is very outstanding. She deserves the A. She was the one who choreographed ‘Resentful Ghost’ by herself. I still have a lot to learn and improve on.”

Her voice was very soft, but fortunately, there was a microphone to amplify it, so it could still be heard clearly.

Then, they continued the process.

Huo Xunzhou announced the final rating of the two members.

“Yun Wu, A. Lin Shanchu, B.”

Yun Wu vaguely sensed that Lin Shanchu might not be feeling well.

When the two of them got off the stage together, she was still holding Lin Shanchu’s hand tightly.

As they passed by the instructors’ seats, Bai Yu suddenly picked up the microphone.

“Yun wu.”

The said girl suddenly stopped.

Lin Shanchu turned her head and looked over, her eyes meeting with Huo Xunzhou’s.

Remembering that the show was a live broadcast, Lin Shanchu retracted her gaze in time.

Yun Wu returned to her usual cold and emotionless self.

“What’s the matter, Mr. Bai?”

“Why did you use my song to choreograph the dance?”

“I didn’t know it was your song, to begin with, Mr. Bai. I’ve never choreographed this type of dance before, so I wanted to try it.” Lin Shanchu could detect the hostility underlining the short sentences.

Bai Yu pursed his lips and put down the microphone.

His reaction was a little suspicious.

The atmosphere at the scene was a little tense for no reason.

Yun Wu seemed to not feel it as she was ready to head up the stands while holding Lin Shanchu's hand.

The pain suddenly attacked Lin Shanchu.

Lin Shanchu's vision blurred immediately as her knees buckled beneath her weight. She then toppled forward instantly.

A large hand reached out from the side and supported her steadily.

The help came right on time as if that person was ready.

The thin cotton fabric could not block out the warmth coming from the man's palm.

His warm breath burned her skin, but the pain in her body was strangely reduced.

“Good luck.”

Huo Xunzhou noticed that Lin Shanchu had recovered and let go of her after saying these two words in a low voice.

From an outsider's point of view, Lin Shanchu had accidentally fallen. Huo Xunzhou merely helped her out of convenience.

Only Lin Shanchu knew how much Huo Xunzhou had actually helped her.

Huo Xunzhou flipped through the members' documents and continued with the process.

Lin Shanchu slowly walked up the stands.

Neither of them looked at the other.

Yun Wu looked at Huo Xunzhou thoughtfully before turning to Lin Shanchu.

She felt that there was a very compatible atmosphere between the two of them..

The power of an invincible character was indeed extraordinary.

All Huo Xunzhou did was steady Lin Shanchu, and yet the pain was already gone from her system.

Since she was no longer in pain, she was in a good mood.

An Youyun watched as Lin Shanchu walked up the stands. She tilted her head and smiled at her. “Big sister, you're amazing!”

The sight of An Youyun's dimples made Lin Shanchu's hands itch.

She thought of how numbered her days were, so she decided to not hold her desires back anymore.

She reached out and gently poked An Youyun's dimples before revealing a satisfied expression. "Thank you," she said.

An Youyun's eyes widened in shock as she looked at her in confusion.

She was like a little kitten.

Lin Shanchu patted her head affectionately. "Good luck." "Thanks." An Youyun nodded shyly.

The next group to go on stage was Xia Jinhong's group.

Xia Jinhong was sitting in the row in front of An Youyun, and the camera happened to cut over and captured this scene.

The comments kept appearing. [Did Lin Shanchu do what I've always wanted to do?]

[An'An is actually blushing!]

[Right now, I don't know who to envy more.]

[Holy hell! I'm seriously loving their interactions!]

Xia Jinhong's company had organized a group of five for her, but the other members were obviously not as good as her.

They were purely here to make her look good.

The other members couldn't keep up with Xia Jinhong's rhythm. Not only did they sing over each other, but they were also not synchronized.

The instructors frowned as they watched.

"How long have you been practicing together?" Xu An asked once the performance ended.

"We formed a temporary group and practiced together for a week," Xia Jinhong replied.

Qin Shuya had already picked up the microphone by then, so she said with a serious expression, "Many of the members have formed temporary groups. Everyone doesn't have much time to get used to each other. Teamwork is very important, so you must learn how to cooperate."

The comments agreed with her.

[Ms. Qin: Yeah. That's right. I'm talking about the "Resentful Ghost" group.]

[Xia Jinhong is actually very strong. She's just being dragged down by her teammates.]

[Time to play the blame game.]

Qin Shuya played the good cop, so Xu An came out to play the bad cop.

"Xia Jinhong, I've seen your performance before. You're pretty good, so I'd like to give you a chance to score an additional test."

More comments appeared.

[Is this the amazing Xia Jinneng that people have been boasting about?] [I thought she was really good and could get an A straight away.]

Ophthalmologists Are Lost. Vision Returned To 100% In A Week!

[Xia Jinneng, who is good at singing and dancing, is going to take an additional test just like Lin Shanchu, the bad singer and dancer?] [Don't compare Lin Shanchu to our Mengmeng. She's not worthy!]

[She's indeed unworthy. Your Mengmeng will be self-abased.]

Xia Jinneng accepted the opportunity to take the additional test.

After all, she had been a trainee overseas for many years, which meant she was still skilled to a certain degree.

After the additional test, she successfully got an A.

Her fans were spamming the comments like crazy. [Mengmeng, you're the best! You deserve the A rank!]

When Xia Jinneng returned to her seat, she avoided the camera and glared at Lin Shanchu coldly.

Lin Shanchu supported her cheek with one hand while glancing at Xia Jinneng.

How had she offended Xia Jinneng?

Was there such a name in the original novel?

Lin Shanchu thought for a long time but could not remember, so she summoned the useless system.

“Is there a character named Xia Jinneng in the original novel?”

The system replied, [Xia Jinneng, Tang Qidai, and Qiao Jiayi are good friends.]

She didn't have any interactions with you in the original novel.]

Lin Shanchu replied, “Is it because I'm not following the plot, so the plot starts developing sentient thoughts and branching out on its own?” The system said, [That's probably... right.]

Lin Shanchu asked, “What has Lu Shiyuan been doing lately?”

[He's thinking of a way to become a sponsor for the show.]

Lin Shanchu huffed, “He's getting crazier by the minute. To think that he's willing to pay his rivals just so he can get his hands on me...” [He does that because he loves you,] the system defended.

Lin Shanchu snorted. “That's bullsh\*t.”

The system scolded, [Female leads of sadistic novels can't curse.]

“Get lost!” Lin Shanchu retorted.

The system only replied with a sad emoji.

The recording continued.

Two A-rankers appeared soon after.

One of them was An Youyun.

It was already nighttime when the recording ended.

Everyone was exhausted.

They had to be assigned to new dormitories.

Those with high ratings had priority in choosing their dormitories. This was also an unwritten rule of talent shows.

There were double rooms, four-person rooms, six-person rooms, and twelve-person rooms.

Naturally, the fewer people there were, the more comfortable it would be.

The rest of the A-rankers did not hesitate to choose two-person rooms for themselves.

Yun Wu was the only one heading toward the twelve-person room.

She took two steps while dragging her suitcase before turning back to grab Lin Shanchu's suitcase. Then, she ran away quickly.

Ads by Pubfuture

Lin Shanchu was speechless.

The commenters were confused as well.

[Why did Boss Yun snatch Lin Shanchu's suitcase from her?]

[If I'm understanding this correctly, she probably wants to stay in the same dorm as Lin Shanchu.]

[I'm laughing so much right now. Boss Yun can be quite immature sometimes.]

[Guys, I really love the idea of Lin Shanchu and Yun Wu being a couple.]

[Why is it Lin Shanchu and Yun Wu instead of the other way round?] [Maybe that's because Lin Shanchu seems more dominant.]

[Huh?]

That night, the topic #Lin Shanchu and Yun Wu or the other way round hit the trending list.

However, the people involved had no idea what was going on.

Meanwhile, Lu Shiyuan and Lin Shanchu's relationship fans were unhappy. They immediately rushed to the topic page and tried to take over it. "Lu Shiyuan and Lin Shanchu are meant to be together!"

"Look, they're so compatible! [image]"

Attached was a picture of Lin Shanchu and Lu Shiyuan looking at each other affectionately on the day the former joined the production crew.

The relationship fans of Lin Shanchu and Yun Wu refused to give in. They posted a video montage of Lin Shanchu and Yun Wu online.

Whether it was the tacit understanding between the two of them during the “Resentful Ghost” performance or Yun Wu snatching Lin Shanchu’s suitcase, they were all more exciting and interesting than the picture of Lu Shiyuan and Lin Shanchu looking at each other affectionately.

Lu Shiyuan and Lin Shanchu’s relationship fans turned their tune very easily.

[The lunatic beauty and the cold-looking badass! I really love the idea of two powerful women being together!]

[Ah! I really love this couple as well!]

[I’m on my way to converting to this faction! Lin Shanchu and Yun Wu look so good together!]

Originally, the fans from the two different relationships were the ones arguing with each other, but it turned out that one faction was starting to merge into the other.

More and more people joined in, which boosted the topic’s popularity.

A large number of passersby were deeply attracted after seeing Lin Shanchu and Yun Wu’s edited video of “Resentful Ghost”.

They searched for “My Stage” that night in order to watch the full version of “Resentful Ghost”.

The production crew loved drama the most. Their editors pulled an all-nighter just to edit all the members’ performances.

Among them, “Resentful Ghost” had the most views.

However, Lin Shanchu had no idea that her performance went viral.

It was because her phone had gotten confiscated.

When Nan Mu looked at the real-time data that his assistant handed over, he slapped his thigh so much out of elation that he could feel it going numb.

“I’ve struck the jackpot!”

Nan Mu happily showed the data to Huo Xunzhou. “Xunzhou, I think that if things continue to progress like this, once this show is over, I can earn enough money to buy a tank, let alone a plane!”

Huo Xunzhou glanced at the data, clearly disinterested. He asked, “Is Lu

Shiyuan still intending to sponsor the show?”

Nan Mu felt like laughing when that matter was mentioned. “That’s right. Do you think Lu Shiyuan got so mad at the contract that he became dumb? He actually wants to sponsor my show and give me free money!”

Huo Xunzhou thought for a moment before replying, “Let’s ask for Lin Shanchu’s opinion.”

“Huh?” Nan Mu was stunned for a moment before reacting to the statement. “Are you talking about the matter of Lu Shiyuan intending to sponsor the production crew?”

“Yeah,” Huo Xunzhou replied..

Chapter 44: There Goes My Happiness

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Lin Shanchu's biological clock was very accurate.

She woke up at seven in the morning.

There was a camera in the dormitory. She carried a training suit meant for Class B members she had just received yesterday to the bathroom.

After washing up, she saw Yun Wu getting out of the bed next to her blearily.

Everyone was busy cleaning up till the late hours of the night, so most of them were still in bed.

"You woke up this early?" Yun Wu whispered to Lin Shanchu in a low voice.

Lin Shanchu smiled at her. "I'll be waiting for you in the cafeteria."

Yun Wu made an "okay" gesture.

Lin Shanchu walked out of the dormitory quietly. The cameraman, who was yawning, immediately perked up. "Are we filming this early in the morning?"

The cameraman nodded.

Other than the fixed camera positions in the training room, the official livestream shooting was actually at nine o'clock.

However, Lin Shanchu was different.

Her presence could help the show go viral.

The production crew wanted nothing more than to install a camera on her so that they could stream her life all the time.

Seeing that the cameraman began to follow her, Lin Shanchu began to chat awkwardly with him.

Lin Shanchu asked, "Have you had breakfast?"

"Yeah."

"What did you eat?"

"Steamed buns, deep-fried dough sticks, and soy milk."

Lin Shanchu's eyes lit up. "In the cafeteria?"

She liked to eat steamed buns and soy milk, but the food in the production crew's cafeteria was all healthy and had low carbs.

It was probably to keep the members in shape.

The canteen would never provide high -calorie food like steamed buns and deep-fried dough sticks, which could easily make people fat.

As the training was starting today, Lin Shanchu did not put on any makeup.

She had some baby fat on her cheeks. Her skin was fair and delicate, and her cat-like eyes were bright and lively. She looked rather young without makeup, but at this moment, her eyes were filled with joy. Her every move was intoxicatingly beautiful.

The cameraman couldn't bear to shatter Lin Shanchu's fantasy, but he still told her the truth.

"I had breakfast outside."

The smile on Lin Shanchu's face gradually disappeared "Oh."

The audience members that had woken up early had already entered the live broadcast room by then. They just happened to watch the entire conversation between Lin Shanchu and the cameraman.

[Lin Shanchu: Well, there goes my happiness!]

[She actually likes to eat steamed buns and deep-fried dough sticks. She's so down-to-earth.]

[Hahaha! That moment when her fake smile starts to disappear!] [I'm a little curious about their breakfast.]

The breakfast in the cafeteria was still low-calorie and healthy.

The main course was sugar-free whole grain bread, eggs, and milk.

The fruits were dragon fruits and blueberries.

After Lin Shanchu finished her breakfast, the rest of the members also got up one after another. The cameraman no longer followed her alone.

When she came out of the cafeteria, a staff member came to look for Lin Shanchu.

"Someone is looking for you."

Lin Shanchu followed him and saw Nan Mu in a place where the camera could not see.

She followed Nan Mu to the office.

"There's something I need your opinion on," Nan Mu said directly.

"Go ahead." Lin Shanchu sat down at the side.

"Lu Shiyuan wants to sponsor the production crew. What do you think?" Nan Mu asked.

So it was this matter.

"How much is he offering to sponsor?" Lin Shanchu asked.

Nan Mu didn't expect her to not be surprised at all. "We haven't discussed it yet."

“Then let’s have a talk.” The corners of Lin Shanchu’s eyes rose slightly as she flashed a harmless smile. “I think 100 -million-dollar sponsorship is more befitting of his status.”

Nan Mu looked shocked.

No wonder Huo Xunzhou told him to ask for Lin Shanchu’s opinion.

Lin Shanchu asked for a hundred million dollars right from the start.

She was truly a ruthless person!

Lin Shanchu looked at the time. “It’s almost nine o’clock. I have to go back.”

“Hold on.”

Nan Mu stopped her and took out a contract. “I’ve asked someone to draw up the contract. Take a look. Let’s find a time to call Chu Gushen and have this contract... Hmm?”

Lin Shanchu directly took a pen from the desk, flipped open the contract, and signed her name on it.

Nan Mu was stunned. “You didn’t even read the contract. Aren’t you afraid that

I might trick you? ”

“You won’t do that.” Nan Mu was Huo Xunzhou’s manager, so she trusted his judgment.

Nan Mu was touched by Lin Shanchu’s confident tone.

“Don’t worry, I’ll make you even more famous than Xunzhou!” He promised while patting his chest.

“All right.” Lin Shanchu smiled.

After signing and stamping the contract, Lin Shanchu returned to the B-rankers’ training room.

She had just walked to the door of the training room when she heard someone mention her name.

“Why hasn’t Lin Shanchu come yet?”

“She won’t be late for the first day of training, will she?”

Lin Shanchu squinted her eyes and looked at the name tag of the girl who spoke. It was Wen Tongtong.

She vaguely remembered that girl.

When Xia Jinqing got off the stage yesterday, Wen Tongtong went to hug her. She was Xia Jinqing’s friend.

Having heard her words, everyone else looked around for Lin Shanchu. “It’s still early,” someone said. “There are still 20 minutes before nine.”

Wen Tongtong stated meaningfully, “Everyone is already here save for her. Maybe she’s not used to living in a group.”

Girls were meticulous in nature. They could immediately tell that Wen Tongtong was hinting at Lin Shanchu being lazy and that she wasn’t even enthusiastic about training.

Although the production crew announced that the official livestream would start at nine o'clock, the cameras in the training room were always on.

Hence, the livestream had already started.

Wen Tongtong's words were meant for the audience.

The atmosphere in the training room also became tense because of Wen Tongtong's strange words.

The comments backed Lin Shanchu up.

[Who's this Wen weirdo? She loves starting drama, doesn't she?] [Although I'm not a fan of Lin Shanchu, I'm on her side this time.]

[Lin Shanchu has already woken up a long time ago!] Lin Shanchu walked in at this moment.

The stiff atmosphere eased slightly after she appeared.

She didn't know anyone in Class B, so she went straight to the corner and sat cross-legged on the ground like the other members.

The comments started praising her.

[I'm so jealous. How can someone sit cross-legged on the ground like this and still look so ethereal?]

[Wow, her bare-faced look is the best!]

[Yup, it's confirmed. Those who call Lin Shanchu ugly are either blind or purely hating on her!]

The girl sitting next to Lin Shanchu had been staring at her ever since she sat down.

Lin Shanchu touched her face. "Is there something on my face?" "You don't have any makeup on?" The girl shook her head.

"Yeah." Lin Shanchu would sweat during training anyway, so she might as well not put on any makeup.

Lin Shanchu glanced at the girl's name tag. It said "Ran Zhimo".

Ran Zhimo stared at Lin Shanchu's face carefully. How could someone's bare face look as good as they had already put on makeup?

Her skin was really flawless!

"Can I touch your face?" Although Ran Zhimo asked the question politely, she had already reached out her hand, itching to touch Lin Shanchu.

Lin Shanchu leaned over generously. "Sure thing."

Ran Zhimo reached out and touched Lin Shanchu. Her face was as smooth as a boiled egg that had just been peeled. She couldn't help but touch Lin Shanchu's face again and again.

The latter was speechless.

The commenters were having a field day because of that interaction. [To be honest, I also want to touch Lin Shanchu's face.]

[Oh my god, Lin Shanchu leaned over straight away! She's so obedient!]

[She's addicted to touching Lin Shanchu's face! Hahaha!]

## Chapter 45: Disadvantageous Due to Not Having Any Friends In the Past

The other girls moved away from Lin Shanchu subconsciously the moment she sat down next to them.

This was because Lin Shanchu was too beautiful.

They were asking to be humiliated if they were to appear in the same shot as her.

However, when they saw Ran Zhimo touching Lin Shanchu's face, they could not help but approach her.

Having learned from Ran Zhimo's example, the girls asked Lin Shanchu politely, "Can I touch your face too?"

After the first girl spoke up, the other girls also gathered around Lin Shanchu.

"I'd like to touch your face too."

"Me too."

Her parents had passed away early, so Lin Shanchu was a little introverted when she was young.

Because of her outstanding looks and Tang Qidai's intentional manipulation,

Lin Shanchu had been ostracized by the girls around her since she was young.

She had lived in Tang Qidai's shadow for her entire childhood and adolescence, so she had never made any friends, let alone surrounded by a group of girls in such a friendly manner.

There were so many beautiful and cute girls making such adorable requests to her. How could she resist?

Lin Shanchu decided to raise her head and close her eyes. "Come on!"

The girls surrounded her.

At first, they were all praising her happily.

"Your skin is amazing."

"How do you maintain your skin?"

"You really don't have any makeup on!"

"Is this what they call a true natural beauty?"

After that, the girls started to take advantage of Lin Shanchu and started to feel her up and down. They touched her neck, hands, and even her waist.

“Your fingers are so slender and beautiful.”

“Wow, Lin Shanchu’s waist is so thin!”

“You have really long arms! You must have practiced dancing when you were young!”

Lin Shanchu was speechless.

The commenters went wild.

[Hahaha! Those girls are total perverts! I’m laughing so hard that my stomach hurts!]

[It’s all over. Lin Shanchu has fallen into the succubi’s trap and got molested!]

[Stop! That’s my wife!]

[Lin Shanchu looks like she’s panicking so hard right now! Hahahaha!] Lin Shanchu was really panicking now.

She was at a huge disadvantage due to not having any friends in the past.

She had no idea that girls nowadays were very aggressive.

Ran Zhimo noticed Lin Shanchu’s red face and quickly spoke up in order to save her. “You guys, stop touching her!”

Lin Shanchu shot her a grateful look.

However, Ran Zhimo added, “You can continue touching her after training is done.”

Lin Shanchu was speechless. Clearly, she trusted the wrong person.

The girls stopped, but they still surrounded Lin Shanchu.

After this, the distance between them was inexplicably shortened.

There were even girls who thoughtfully tidied up Lin Shanchu’s messy hair and clothes as they chatted with her while surrounding her.

“I used to think that you were so beautiful and noble when I saw your pictures online. I didn’t even dare to talk to you when I first saw you.”

Lin Shanchu replied, “Not only are you talking to me now, but you even touched me.”

“I’m so envious of your natural beauty. You look exactly like the female lead of a novel.”

Lin Shanchu joked, “But female leads aren’t as useless as me.”

The girls laughed.

The netizens’ mirthful laughter drifted across the screen in the form of comments too.

[I suddenly realized that Lin Shanchu has the potential to be a comedian.] [The female lead of a novel isn't as useless as me, she said! Haha!]

[That beauty knows herself too well!]

[Hahaha! She's beautiful and funny! I love her so much!]

When Wen Tongtong spotted a group of girls surrounding Lin Shanchu and chatting with her enthusiastically, she felt very disdainful.

All Lin Shanchu had was a rich fiancé, which was why so many girls were rushing to curry favor with her.

Lin Shanchu herself was just a useless human decoration.

The clock on the wall was about to hit nine o'clock.

Wen Tongtong glanced at the door and called out loudly, "The instructor is here!"

The girls turned around and sat down, only to find that the instructor had yet to arrive. They shot dissatisfied looks in Wen Tongtong's direction.

"I heard some sounds," Wen Tongtong defended loudly. The next moment, the instructor walked in from the door.

Qin Shuya walked in with a smile on her face.

"Good morning, everyone."

"Good Morning, Ms. Qin!" the members shouted in unison.

"Everyone seems to be in good shape," Qin Shuya commented. "I'll issue the task concerning our main theme."

Then, the theme song was played, while the dance was demonstrated.

The lyrics were simple and clear, whereas the dance was youthful and hot-blooded. One would be intoxicated after watching it once.

The members watched as they tried to follow.

Ads by Pubfuture

As they danced, they realized that the theme song wasn't that simple.

Qin Shuya began to announce the rules.

"The theme song assessment is divided into one-day, two-day, and three-day classes. Members can choose which class they want based on their abilities." There was a commotion in the training room.

"Lin Shanchu, how many days of classes do you want to choose?" Ran Zhimo asked Lin Shanchu.

"Three days," Lin Shanchu replied without hesitation.

She had really bad health, after all. Her life mattered the most.

She couldn't die before Lu Shiyuan breathed his last.

"Everyone, you can make your choice after following my dance movements." Qin Shuya played the theme song again.

After the first round, most of the members were panting from exhaustion.

Lin Shanchu was surprised to find that she was not as tired as she had imagined.

The useless system should do its job during moments like this.

Lin Shanchu said, “Hey, idiot! Did my body recover a little?”

The system used three seconds of silence to express its dissatisfaction at being called an idiot.

After that, it started talking. [You’re the female lead, after all. So, you still have some sort of aura around you.]

Lin Shanchu sneered coldly.

The system was scared when it heard her laughter. It explained, [Maybe it’s because you changed the plot. Although you’re the female lead of a sadist novel, now that the plot has changed, you’re no longer being tortured, so you’re gradually gaining some aura as the female lead.]

Ran Zhimo noticed that Lin Shanchu did not seem to be panting after the dance, which surprised her. “Do you want to choose the one-day class with

Lin Shanchu came back to her senses and shook her head. “No, I don’t have a solid foundation. The three-day class suits me more.”

Compared to making her debut as a member of the girl group, she much preferred acting.

She could gain some popularity in this show, then stay until the night when the girl group was formed. After the show ended, she could take on more roles.

The comments:

[Lin Shanchu is really a surprise. She can actually perform the entire dance without any mistakes.]

[Does anyone here really think that Lin Shanchu is useless? She was admitted to the Xu City Drama Academy with the best results in the country. She also scored 690 points in her exams, making her the valedictorian of Xu City.] [Outstanding people learn everything quickly, just as expected.] [As Lin Shanchu’s hater, I suddenly don’t know how to criticize her...]

When it was almost noon, Yun Wu ran to Class B to find Lin Shanchu.

“Lin Shanchu! It’s time for lunch!”

Lin Shanchu was practicing with Ran Zhimo, so she didn’t notice Yun Wu immediately.

Yun Wu stood by the side and watched the training instead of disturbing Lin Shanchu.

The comments were spammed on the screen.

[I followed Boss Yun, the foodie, all the way from Class A’s training room.] [Hahaha! This scene is akin to the wife catching her husband cheating on her!]

[Lin Shanchu: I didn’t want to cheat on you, but Ran Zhimo started it by touching me first.]

[This is like the drama “The Temptations of Going Home: Lin Shanchu edition”]

[Did I just watch a family drama in the comment section?]

[Holy f\*ck, I'm going to die laughing my ass off because of these comments sooner or later! Hahaha!]

## Chapter 46: Isn't It Already Awesome?

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Ran Zhimo was the one who noticed Yun Wu first.

“Yun Wu is here to find you.” She touched Lin Shanchu's arm.

Lin Shanchu looked at the time on the wall. It was almost time for lunch.

“Let's go and eat,” said Yun Wu as she walked over. Ran Zhimo followed the two of them out of the room instinctively. “I'll go too!”

Most of the members were still practicing their dance.

There were only a dozen or so people in the cafeteria.

Dance practice was very physically exhausting, and everyone was hungry after practicing for the entire morning.

Each of them ate a lot.

Other than Lin Shanchu, everyone else's plates were piled up like a small mountain.

“Will these be enough for you?” Ran Zhimo asked Lin Shanchu.

“She has a small appetite, so she can only eat this much. Lin Shanchu, help me carry the mangoes.” Yun Wu was carrying a pile of small mangoes.

After Yun Wu finished her meal, she ate five mangoes in one go.

Although Lin Shanchu had already seen Yun Wu's appetite for herself, she still couldn't help but be amazed.

Her appetite was too amazing.

She was a little envious.

Sensing Lin Shanchu's gaze, Yun Wu picked up the last mango and asked her, “Do you want to have it?”

“I'm allergic to mangoes,” Lin Shanchu replied.

Yun Wu then ate the last mango in peace.

After all, mangoes weren't served in the cafeteria every day.

The comments said,

[She really is deserving of the title “Glutton”.]

[Lin Shanchu is so pretentious. Can she really eat her fill with such a small amount of food?]

[It's not healthy to eat so little to maintain your figure.]

[That's enough, haters. Some people are just born with small appetites.]

After the meal, the girls rested in their seats.

The other members also arrived in succession.

When the members from Class B saw Ran Zhimo and Lin Shanchu, they also came over to sit with them.

“Have you guys finished eating?”

“Yeah.” Lin Shanchu supported her cheek with one hand.

The members looked at Yun Wu, who was sitting next to Lin Shanchu. She did not look like someone to be trifled with.

But on second thought, Lin Shanchu was easy to get along with. So, Yun Wu, who was on good terms with her, should not be difficult to get along with...

Thus, someone gathered up her courage and asked Yun Wu, “Boss Yun, did you choose the one-day class?”

“Yeah.” Yun Wu nodded. “Who the hell is Boss Yun, by the way?” The girl explained, “It means we all think you're very strong...”

“Oh...” Yun Wu blinked in embarrassment.

Ran Zhimo had also chosen the one-day class, so she asked Yun Wu, “Can we practice together later?”

Yun Wu turned to look at Lin Shanchu.

Lin Shanchu just smiled slightly and gave her a look that said “up to you”.

“Sure,” said Yun Wu.

The commenters went wild.

[Lin Shanchu and Yun Wu are killing me!]

[Boss Yun is so cute. She's embarrassed when she's being praised. Hahaha!] [Was she asking for Lin Shanchu's opinion just now?]

[It should be. I feel like the two of them have a great understanding.] [Lin Shanchu and Yun Wu should just form a love line together!]

Just as the atmosphere at Lin Shanchu's table became harmonious, Xia Jinqing, Wen Tongtong, and the others walked over.

From afar, Xia Jinqing saw Lin Shanchu and the girls talking and laughing.

In just one morning, Lin Shanchu's relationship with them had become so good.

“Is Lin Shanchu very popular in Class B?” Xia Jinqing asked Wen Tongtong softly.

“Those people just want to curry favor with her because she has a rich fiancé. Who would like someone like her?” Wen Tongtong replied scornfully.

When they passed by Lin Shanchu’s table, Wen Tongtong commented in a weird tone, “You guys are here for lunch so early?”

The commenters were annoyed.

[Why did this girl appear again?]

[She’s so annoying. I hope she can leave as soon as possible after this round.]

[She brings bad luck!]

[I really don’t know why you guys are so malicious to a girl. Wen Tongtong didn’t do anything bad.]

[Lin Shanchu didn’t do anything bad either, did she?]

The other members of class B had all just arrived at the cafeteria.

Only Lin Shanchu and the other two came earlier.

Everyone knew how strong Yun Wu was, whereas Ran Zhimo was quite skilled too. Compared to them, Lin Shanchu was the weakest.

Wen Tongtong was hinting that Lin Shanchu did not train hard and only knew how to slack off.

The originally harmonious atmosphere suddenly became tense.

Wen Tongtong used to be a trainee overseas with Xia Jinneng. In comparison, she was more qualified.

The other members couldn’t say anything.

Ads by Pubfuture

Lin Shanchu lifted her eyelids slightly and glanced at Wen Tongtong. “The best time for lunch is between half past eleven and one o’clock. It’s already one o’clock now. Is it still early?” she asked.

Her tone wasn’t much different from usual, but her displeasure could be clearly heard in her emphasized tone.

Wen Tongtong didn’t expect Lin Shanchu to talk back to her.

She had noticed that Lin Shanchu was kind toward the other members of Class B, so she thought that Lin Shanchu would not say anything to show her magnanimity.

Wen Tongtong felt a little embarrassed.

However, when she thought about the cameras in the cafeteria and how Lin Shanchu would definitely be scolded by the audience, she felt a little better.

Wen Tongtong pretended to be surprised as she replied, “Is it already one o’clock? I was so busy with training that I didn’t look at the time. Plus, I didn’t feel hungry at all.”

Lin Shanchu’s lazy expression remained. “You might have gastric problems if you don’t feel hungry.”

Wen Tongtong was speechless.

The commenters were laughing.

[Aaaaah! The way Lin Shanchu mocks other people in her gentle voice makes her look like a lunatic beauty!]

[Gastric problems! Hahaha!]

[There's indeed something wrong with the Wen girl, but it's definitely not gastric!]

[Well done!]

[Wen Tongtong, don't you know that you're the drama queen here?]

[Does that Wen girl think that we're all idiots? If she really is as hardworking as she claims to be, then she shouldn't have said all those magnanimous bullsh\*t! Actions speak louder than words, you know!]

Although Xia Jinmeng didn't like Lin Shanchu, she also felt that Wen Tongtong's behavior was a little embarrassing.

She turned around and left.

Wen Tongtong quickly followed.

Lin Shanchu turned around and found that everyone at the table was staring at her.

"What's wrong?" Lin Shanchu was confused.

There was a camera recording the live broadcast, so everyone was more cautious and smiled without saying anything.

"You're right." Yun Wu smiled mischievously. "People with good grades are smart. They can insult people without using any vulgarities."

Hearing this, the others all looked at Yun Wu.

Yun Wu shrugged and continued, "Don't you know that Lin Shanchu was a valedictorian of Xu City? Oh, and she was also the top student in the country who got into the Xu City Drama Academy." The members were all shocked.

"Holy f\*ck!"

"So awesome!"

"There's a camera recording everything. Watch your language." "Oh my god, she's so beautiful and outstanding! How are we supposed to live?" "I came to this world just to be part of the background characters..."

The comments: [What the f\*ck? Is Lin Shanchu that awesome?]

[She's a top student!]

[But she never showed off her credentials and made them part of her personality. I really like her because of this.]

[I used to be a neutral netizen, but now I'm completely her fan.]

[Don't think so highly of Lin Shanchu. She must have colluded with Yun Wu in advance and deliberately let her say that in front of everyone to show off.] This comment offended both Yun Wu and Lin Shanchu's fans at the same time: [Yeah, yeah, keep running your mouth, hater.]

[Does she still need to show off when she already scored 690 points in her high school exams? Isn't it already awesome?]

## Chapter 47: Toy Around With Him to Death

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Lin Shanchu had been a regular on the hot search list these days.

Fans and viewers from all walks of life were still not satisfied with their fight in the comment section of "My Stage", so they shifted their battleground to Weibo.

Very quickly, the topic #Lin Shanchu scored 690 points became a hot search again.

Lin Shanchu already had a lot of anti-fans.

As soon as the haters saw the hot search, they flooded the topic's page just to ridicule her.

[That ugly Lin Shanchu dares to brag about everything!]

[Does she think she doesn't have enough haters? Is she trying to make her scores part of her personality? How hilarious!]

[Ignorance is terrible. Are 690 points so easy to score? If you want to act cool, you need to have some common sense first.]

[No one would really believe it, right?]

Before Lin Shanchu participated in "My Stage," she didn't have many fans. Most of them were haters, so when she was scolded online, almost no one spoke up for her.

Over the years, it seemed politically correct to slander her.

However, things were different now.

Before, there were Lu Shiyuan and Lin Shanchu's relationship fans. After that, there were Lin Shanchu and Yun Wu's relationship fans. Her "Resentful Ghost" performance during the initial stage assessment was the one that helped her attract the most fans.

The fans of the three parties collectively went off against the haters. [Yeah, my idol is so ugly! I dream to become as ugly as her!]

[Lin Shanchu really is unpopular. She's so unpopular that she's merely the female celebrity who got searched up the most on the internet in real-time.]

[Ignorance is indeed scary. It's already the year 2202. If you even bother to search the records, you'll know that the valedictorian in Xu city was called Lin Shanchu.]

While the fans of both sides were in full swing, Tianzhou Media's official Weibo directly posted Lin Shanchu's results from that year.

Tianzhou Media's Official Weibo: [It's the high school examination season again. We're sharing the results of an artist who's part of our family. We wish all candidates to achieve great results and become top scholars!] There were two pictures attached to the post.

One of them was Lin Shanchu's high school exam results from that year.

The other was an interview video of Xu City's valedictorian that year.

The haters were slapped in the face by the evidence, but they still pressed on stubbornly. [There's no need to show off like this even if you scored 690 points. Aren't you just trying to make the results part of your personality? Lin Shanchu isn't the only one in the entertainment industry who has good high school exam results.]

There were many currently popular artists in Tianzhou Media, so they had always received a lot of attention.

As soon as this Weibo post was posted, whether it was Lin Shanchu's new fans or passers-by from all over the world, they all came to join in the fun: [ Lin Shanchu has signed a contract with Tianzhou Media? ]

[Damn, Lin Shanchu is pretty and is good at performing. She's also a top student!]

[ I just want to know what did Lin Shanchu do in her past life to have such a stellar record in her current life.]

[I don't understand. Isn't Lin Shanchu Lu Shiyuan's fiancé? Why didn't she sign a contract with the Lu Corporation?]

Tianzhou Media.

Nan Mu and Lu Shiyuan were sitting opposite each other. There was a conference table in the middle with a contract on it.

Nan Mu lazily leaned back in his chair and said in a casual tone, "The sponsorship amount is 100 million dollars. The deal is off even if you pay a penny less."

After he finished speaking, he didn't even look at Lu Shiyuan.

He took out his phone and continued to browse the comments under Lin Shanchu's high school exam report card.

90% of the comments under this Weibo post were positive.

He had not misjudged her.

Lin Shanchu was really popular.

She was born to make a living in the entertainment industry.

Nan Mu did not know what that Lu idiot was thinking. He ignored Lin Shanchu, who had unlimited potential, and supported a woman who had no ability or looks.

Nan Mu sighed mentally. This was probably his fate.

He was destined to discover precious gems one after another.

Huo Xunzhou was first, and Lin Shanchu was second.

Lu Shiyuan, who was sitting opposite Nan Mu, was wearing a well-ironed suit. His brows were furrowed into a knot, and his entire body was filled with suppressed anger.

“A hundred million? Nan Mu, you’re quite arrogant!”

In Xu City, no one had ever dared to treat him so lightly and humiliate him like this.

He had lowered himself to sponsor Nan Mu’s show, but the latter had demanded an exorbitant price from him without any sincerity.

Nan Mu put his phone to the side while looking conflicted.

“President Lu, you have no idea that countless sponsors have been calling me non-stop these two days, ” he said.

“It’s all because Lin Shanchu’s performance has become popular. The sponsors want to invest in my show, but when I heard that you wanted to sponsor the show, I didn’t agree to any of their offers.

“It’s my honor that you want to sponsor my show. Of course, other people have to make way for you, right?”

They were all cunning businessmen who went through a lot in the business world.

Lu Shiyuan could naturally hear the enigma in Nan Mu’s words.

“It’s not like I have to invest in your show,” he said with a cold smile.

Ads by Pubfuture

“I know.” Nan Mu deliberately dragged out his words and said slowly, “You’re here for Lin Shanchu.”

To be honest, he didn’t understand Lu Shiyuan’s thoughts.

If Lu Shiyuan cared about Lin Shanchu, he wouldn’t have spent his days hanging around that Tang celebrity.

But if Lu Shiyuan didn’t care about Lin Shanchu, he wouldn’t have lowered his head and come all the way to deal with Nan Mu just to see her.

Lu Shiyuan’s suppressed anger completely erupted because of what Nan Mu said.

“Shut up!” His hands that were hanging by his sides clenched into fists, and the veins on the back of his hands bulged.

At this moment, the assistant’s voice sounded from outside the door.

“Boss, a sponsor decided to pay us a visit. He’s already been invited to the reception room.”

Nan Mu shot Lu Shiyuan a provocative smile.

Then, he got up and walked out.

It was obvious that he was going to meet the other sponsor.

He had just walked to the door when Lu Shiyuan's voice came from behind him.

“Stop!”

Nan Mu wasn't stupid. He knew what Lu Shiyuan meant by stopping him.

With his back still facing Lu Shiyuan, he widened his eyes out of shock.

When Lin Shanchu asked him to open a bid of a hundred million, he thought that Lin Shanchu wanted him to deliberately toy around with Lu Shiyuan.

He didn't expect Lu Shiyuan to actually be willing to pay a hundred million dollars.

This woman, Lin Shanchu, was really amazing!

She looked like a cat, beautiful and weak without any aggression.

Yet, she could control a scumbag like Lu Shiyuan.

“President Lu.” Nan Mu controlled his expression and returned to his seat.

Lu Shiyuan didn't even look at him. He directly flipped open the contract and stated his request.

“You have to invite me to the recording studio for every episode.” Nan Mu was very confused and shocked. “All right,” he said.

He just wanted to be able to see Lin Shanchu at a close distance.

If Lin Shanchu could make Lu Shiyuan jump into a hole that she dug from a distance, then wouldn't Lin Shanchu be toying around with him to death if they were to face each other?

Nan Mu didn't have any objections to Lu Shiyuan's conditions. He even started to look forward to it.

After signing the contract, Lu Shiyuan left Tianzhou Media with a dark expression.

Just as he got into the car, he received a call from Tang Qidai.

“Brother Shiyuan, did you know that Shanshan has signed a contract with Tianzhou Media? ”

“What did you say?” Lu Shiyuan sat up straight..

Tang Qidai told Lu Shiyuan about Tianzhou Media's Weibo post.

Lu Shiyuan had received a call from Nan Mu early in the morning, saying that he wanted to accept his sponsorship and that they would discuss the details in person.

He then brought some people to Tianzhou Media and went to the meeting room with Nan Mu to discuss the contract alone.

As a result, he didn't know about Lin Shanchu's contract with Tianzhou Media right away.

Tang Qidai could tell from Lu Shiyuan's tone that he didn't know about this.

Lin Shanchu always did things that made Lu Shiyuan angry.

She was secretly happy, but her tone did not show it at all. "Do you not know about it?"

The answer she got was the dial tone of the call getting disconnected.

Tang Qidai was a little unhappy.

In the past, Lu Shiyuan would never hang up on her abruptly.

However, when she thought about how Lu Shiyuan would hate Lin Shanchu even more after this incident, all the unhappiness in Tang Qidai's heart was swept away.

After Lu Shiyuan hung up the call with Tang Qidai, he immediately opened Weibo.

When he clicked on the trending list, he saw the topic #Lin Shanchu signed a contract with Tianzhou Media hanging high in the top row of the trending list.

Unable to restrain his anger, he threw the phone at Zhou Yan's face. "What's going on?"

When Zhou Yan was waiting for Lu Shiyuan at Tianzhou Media, he received a call from a client at the last minute and chatted for a long time. Hence, he had only just found out about this news.

He knew that in front of Lu Shiyuan, all excuses were just sophistry and would only make him angrier.

Therefore, he did not try to defend himself. "I'm sorry, President Lu. This is an oversight on my part."

Lu Shiyuan's tone was unusually cold. "If something like this happens again, you can pack your things and get lost!"

Zhou Yan froze for a moment, but he quickly recovered. "Yes, sir."

"President Nan of Tianzhou Media just posted on Weibo."

Zhou Yan handed the phone with the Weibo page displayed on it to Lu Shiyuan. The latter had the strict and calm look of a businessman as if nothing had happened just now.

Nan Mu: [I've been in this industry for so many years and I'm finally honored to work with you, President Lu! @Lu Shiyuan]

The attached picture was a picture of the title page of the contract with the Lu Corporation's official seal. It did not capture any content of the contract.

Lu Shiyuan and Lin Shanchu's fans happily clicked on this Weibo post.

[The Lu Shiyuan and Lin Shanchu couple are showing off their sweet moments again!]

[It's so sweet. He's sponsoring his fiancée's program. He's really overbearing and pampering! ]

[I clicked in with a face full of anticipation and left with a big smile on my face.]

[Hehe... Lu Shiyuan and Lin Shanchu are acting all lovey-dovey again... Hehe...]

Today is also a very happy day... Hehe...]

The other passers-by had a different point of focus than the relationship fans.

[I don't understand why Lin Shanchu didn't sign with Lu Shiyuan's company. Is it to avoid suspicion?]

[If Lu Shiyuan is really such a person who avoids suspicion, then what's going on between him and a certain actress with the surname Tang?]

[He's letting his fiancée sign with another company and invest his own money into that company. Why do I feel like Lu Shiyuan has lost both his fiancée and his money?]

[Although I can't say what's wrong, I just feel that something's wrong.]

[I came in with a dumbfounded look and left with the same look.]

Public opinion gradually developed in the direction of questioning Lu Shiyuan.

Zhou Yan asked Lu Shiyuan for his opinion. "President Lu, do you want to let the marketing accounts guide the public opinion?" Lu Shiyuan's expression was frighteningly cold.

He had been having a hard time recently.

And all of this was related to Lin Shanchu.

The woman who had once said that she wanted to be with him forever changed her mind without his permission. She even teamed up with others to dig a hole for him to jump into!

"No need," Lu Shiyuan almost squeezed out these two words from the gaps between his teeth.

He had to get Lin Shanchu back.

He wanted her to regret treating him like this!

In Class B's training room.

Previously, Yun Wu had promised Ran Zhimo that she would practice dancing with her, so she stayed in the training room of Class B.

The instructor was not there all day. She had left in the morning and would only come back for the assessment tomorrow.

Hence, the members were the only ones training in the training room.

Yun Wu was a real master of dancing. After practicing for an entire morning, she had already mastered the dance for the theme song.

Rather than saying that she was here to practice in Class B, it would be better to say that she was here to help out.

After she came in, she was basically teaching the other members how to dance and helping them with the movements.

Lin Shanchu found that whenever Yun Wu taught the members, she showcased patience that didn't fit her age. Also, she was particularly happy whenever she was teaching.

She guessed that Yun Wu might have been a dance teacher before.

After practicing a few times, she went to the side to learn how to sing.

Anyway, she would only take the test in three days.

There was no rush.

The comments were posted soon.

[Yun Wu is so patient when she's teaching the other girls. She looks so different compared to her usual self.]  
[Agreed. Yun Wu is very surprising.]

[She's a skilled and helpful girl. I really like her.] [Why isn't Lin Shanchu practicing the dance?]

[She's probably learning the song.]

[Heh! Everyone else is practicing their dance while she's practicing her singing by herself. She must be slacking off.]

[I'm laughing so hard right now. You guys are praising Lin Shanchu so much, but she's slacking off there. Do your faces sting from the slap?]

As soon as it was mealtime. Yun Wu dragged Lin Shanchu away for dinner.

When they arrived at the cafeteria, they realized that there were even fewer people there than at noon.

Yun Wu explained to Lin Shanchu, "I heard that most of the people signed up for one-day or two-day classes. They all want to perform well during the theme song assessment and get more screen time for the audience to remember them."

That was why everyone was so focused on practicing their dance that they didn't come to eat.

Lin Shanchu was very ashamed. "They're really hardworking." Then, she added a piece of boiled chicken chop to her plate.

After getting used to it, she felt that chicken chop was quite delicious.

It was dinner time.

The audience was eating while watching the show.

[The girls really are too hardworking!]

[That's right. They are even willing to skip meals. They really are savage.] [That's why they're in the show while we're outside.]

[Lin Shanchu's foundation isn't good either. Doesn't she know how to work hard and practice?]

[I feel that what Wen Tongtong said at noon was right. Lin Shanchu really can't face hardship.]

[As expected of rich young ladies. Tsk.]

[She should be going to dance practice after dinner.]

Lin Shanchu did go to the training room to practice dancing after dinner.

However, she left after practicing it once.

The director saw that Lin Shanchu had not returned and asked the staff to look for her.

In the end, the staff found Lin Shanchu in the dormitory. She had grabbed her clothes and was about to take a shower.

“I found Lin Shanchu in the dormitory,” the staff said.

The cameraman rushed over at the speed of light.

Lin Shanchu thought that the staff was looking for her because of urgent matters. “What is it?” “Are you going to take a shower?”

“Yeah,” Lin Shanchu replied.

“It’s only eight o’clock. Why are you taking a shower at this time?”

Lin Shanchu felt that the staff was a little confusing. “I’m going to take a shower, then sleep.”

“But it’s only eight o’clock,” the staff repeated.

Lin Shanchu nodded. “Yes. After the shower, I can wash my clothes and do my skin care. By then, it’ll be almost ten o’clock, which is bedtime..”

## Chapter 49: Lin Shanchu, the Worst Member Ever

The cameraman broke out in a cold sweat on Lin Shanchu’s behalf.

This was a live broadcast. Everyone else was practicing, but she had come back early to sleep. Was she really not afraid of being criticized?

“Are you not feeling well? Is that why you want to rest early?” the cameraman reminded her kindly.

Of course, she couldn’t casually tell others that she had cancer.

Lin Shanchu shook her head. “I’m used to sleeping and waking up early.”

The staff member was speechless.

The cameraman was speechless.

The commenters were also speechless.

[She really is Lin Shanchu, the worst member ever.]

[Lin Shanchu did wake up quite early this morning. She has a good sleeping schedule and is very mindful of her health.]

[ he's a tough guy to be able to sleep and wake up early. ]

[Everyone else is practicing, but she's the only one sleeping. She's too lazy.] [It wasn't easy for me to have a good impression of her, but now it's all gone.]

[What do you guys know? Her fiancé is the sponsor of the show. She has all the money she can afford. She doesn't need to work hard unlike the other girls.]

[If she doesn't want to work hard, she should just let Lu Shiyuan spend money to get resources for her. Why did she come to participate in a talent show and steal the screen time of the other girls?]

The number of comments on the screen suddenly increased, with half supporting Lin Shanchu and the other half scolding Lin Shanchu.

The director looked at the rapidly increasing number of comments and asked the staff and cameraman to come back with mixed feelings.

Although Lin Shanchu's behavior could easily attract haters...

She still attracted people to discuss the show at the same time.

Being the center of attention was the essence of a talent show.

Lin Shanchu slept until dawn.

She woke up before seven.

She didn't have the habit of lazing in bed.

So, she got out of bed and went to the bathroom. The comments started filling the screen.

[Wow, Lin Shanchu is up so early.]

[Is this still early? [ Xia Jinmeng from Class A got up at five o'clock to practice. ]

[There are still a lot of people who practiced all night. ]

[Oho... The lazy girl is finally up.]

[Lin Shanchu is too useless. I'm very disappointed in her, so I'm no longer her fan now.]

Lin Shanchu came out of the bathroom and found that many beds in the dormitory were empty.

Even Yun Wu's bed was empty.

Lin Shanchu left the dormitory and went straight to the training room.

There were people practicing their dance in the training room.

There were also some who were sleeping on the floor. Ran Zhimo was one of them.

When Yun Wu saw Lin Shanchu, she walked over and went to the cafeteria with her.

When they were picking their breakfast, Yun Wu chatted with her. ‘You went to bed so early last night. Aren’t you afraid of being scolded?’

Lin Shanchu replied, ‘I’m just going to sleep. It’s not like I’m committing murder or arson. Why should I be afraid of being scolded?’

Yun Wu was speechless. The comments were divided.

[I feel that Lin Shanchu is right. ]

[But everyone’s working hard except her. She deserves to be scolded!] [Must a few PPI die from exhaustion to prove that they are hardworking?]

[Stop arguing so early in the morning]

Lin Shanchu recalled the number of people in the training room. She turned back to ask for a large plastic bag from the lady selling the food.

‘‘What do you need the plastic bag for?’’

‘‘I’m bringing some food for the other members,’’ Lin Shanchu said.

Today, they had to record the assessment for the one-day class, so Lin Shanchu put on makeup.

She was born with a pure and harmless face. When when she smiled, it made one’s heart soften, making them want to give all the good things to her.

The lady believed her without a doubt. ‘‘All right,’’ she said.

Yun Wu was worried that Lin Shanchu’s thin and weak body could not carry so many things, so she said, ‘‘Ma’am, please give me a bag too.’’

Due to Yun Wu’s shocking appetite, all the serving ladies in the cafeteria remembered her.

The serving lady looked at her suspiciously. ‘‘Lin Shanchu can carry the bag on her own.’’

Yunwu was confused.

Did she look like a liar?

Lin Shanchu laughed and comforted her. ‘‘I can handle the food on my own.’’ The comments were laughing at Yun Wu.

[It’s not the serving lady’s fault. It’s Boss Yun’s fault for eating too much.

Hahaha!]

[ after being comforted by Lin Shanchu, Yun Wu looks even more emo. ]

[To be honest, just now, I was imagining a scene where the lunatic beauty and the cool badass turned against each other.]

[In comparison, Lin Shanchu does look more trustworthy! Hahaha!]

Lin Shanchu brought a big bag of food back to the training room.

Ran Zhimo, who had been sleeping on the ground, woke up at the same time. When she saw the big bag of food that Lin Shanchu was carrying, her eyes widened.

“Did you bring us breakfast?”

“Yup.”

After receiving Lin Shanchu’s response, Ran Zhimo crawled toward Lin Shanchu without caring about her image.

“Lin Shanchu, you’re officially my older sister from now on!”

Ran Zhimo practiced her dance until late at night. She was so tired that she fell asleep on the ground, so she was very exhausted and hungry.

Lin Shanchu saw this and quickly ran over to her. She took out bread and milk from the plastic bag and handed them to her.

Ran Zhimo demonstrated the perfect way to wolf down the food in front of others.

Yun Wu called the other members over to have breakfast together.

A few members had planned to skip breakfast to save time and practice one more time.

However, Lin Shanchu had brought breakfast for them, so they could eat breakfast directly and save time.

They were very grateful to Lin Shanchu.

The comments were quickly spammed.

[Ran Zhimo looks so pitiful yet funny.]

[Thank you, Lin Shanchu, for bringing breakfast. Sincerely, Ran Zhimo’s fans.]

[Actually, this is the most favorite part of a talent show that I watch. Even though everyone competes with each other, they are all very kind and friendly. They always help each other out. I feel very touched whenever I see them doing so.]

[That’s right. Actually, everyone likes to see nice things happening.]

[Isn’t it just a matter of convenience to bring breakfast? Does she think she can clear her name just like that?]

[That’s right. I really don’t know who hired the bots to talk about feeling touched in the comments.]

The theme song assessment for the one-day class officially began at nine o’clock.

All members gathered in the hall.

The instructors and the stage witness, Huo Xunzhou, had already arrived.

After a brief opening speech, the assessment began very quickly.

“Who will begin the assessment first? Is anyone willing to step up and perform

Huo Xunzhou sat in his wheelchair while holding his microphone and looking around.

When he saw Lin Shanchu in the corner, his eyes lingered for a moment, but he quickly looked away.

“I’ll do it!”

Two voices rang out at the same time.

One of them was Yun Wu, who was sitting beside Lin Shanchu. The other was Xia Jinqing, who was sitting in the middle.

Xia Jinqing knew how powerful Yun Wu was. Her heart tightened, but she still said with a generous expression, “Then Yun Wu can go first.” “Can we do it together?” Yun Wu asked Huo Xunzhou.

Xia Jinqing’s heart sank.

Yun Wu was much stronger than her. If they performed together, the gap would be very obvious.

“What do you think, instructors?” Huo Xunzhou turned to look at the instructors.

Bai Yu, who usually didn’t express much of his opinion, said, “I think it’s fine.”

The other two mentors did not have any objections and agreed.

Xia Jinqing’s expression changed immediately.

She would definitely lose if she were to dance to the theme song with Yun Wu..

Chapter 50: Lin Shanchu Said She Wanted to Challenge For a Spot in Class A

Yun Wu moved her arms and walked out.

She turned around and saw that Xia Jinqing was still dawdling. So, she raised her chin at her and said, “Hurry up.”

Xia Jinqing forced a smile and replied, “Okay.”

Many of the members knew Xia Jinqing, so they were very supportive of her.

Wen Tongtong’s voice was the loudest.

“Jinqing, you can do it!”

When Lin Shanchu saw this, she put her hands together to form a megaphone around her lips and shouted, “Yun Wu, good luck!”

If other girls received cheers, Yun Wu would most definitely receive one too.

Yun Wu turned to Lin Shanchu and winked.

The comments went crazy.

[I enjoyed it!]

[Lin Shanchu and Yun Wu have formed a two-way love line!] [Holy sh\*t! Boss Yun actually winked! There goes her cool-girl image! Haha!] [What cool girl? She's just a sweet girl in front of Lin Shanchu!] [But Lin Shanchu's cheering is too loud. Even Mr. Huo is looking at her.]

[Yeah! Mr. Huo is looking at her.]

Huo Xunzhou only glanced at Lin Shanchu once before looking away.

He felt that Lin Shanchu was a little different.

It seemed like...

She was more lively than before.

Xia Jinqing walked over to Yun Wu and stood beside her.

"You can start now," said Yun Wu.

"Begin," Huo Xunzhou announced.

As the music started playing, Yun Wu's entire aura changed.

Her eyes were confident and her expression was calm. Dancing was like a game to her.

She sang the lyrics without making a single mistake, and her voice was in tune.

She sang and danced perfectly.

On the other hand, Xia Jinqing, who was standing beside her, was a little inferior.

She was already under a lot of mental pressure when facing Yun Wu.

She was so nervous that she sang the wrong lyrics.

In the end, she simply stopped singing.

Having spotted this, Xia Jinqing's fans rushed to save her dignity in the comment section.

[Mengmeng is already doing very well. After all, she has only been practicing for a day.]

[You call her amazing? Keep tooting your own horn with your eyes closed!]

[Well, this is the difference between King of Glory and Tough Bronze in Honor of Kings.]

[I think Xia Jinqing won't be able to keep her spot as an A-ranker.]

The other members didn't expect Xia Jinqing to fail to even remember the lyrics.

The situation was a little awkward.

When their performance ended, no one spoke and only applauded.

Qin Shuya liked Yun Wu a lot during the initial stage assessment.

Yun Wu's performance this time did not disappoint her.

With a smile on her face, she looked at Yun Wu with satisfaction. After picking up the microphone, she asked Bai Yu,

"Mr. Bai, what do you think of Yun Wu's performance?"

Bai Yu's skin was a shade of pallid white that had not been exposed to the light for many years. Dressed in plain black, he looked sickly and depressed.

This ghostly composer was famous for his eccentric temper and sharp tongue. During the initial assessment, there was a chance that Bai Yu acted more reserved due to it being the first meeting with the members.

This time, it might not be the case.

Bai Yu picked up the microphone. His clear and pleasant voice rang out.

"Not bad."

"Thank you, Mr. Bai." Yun Wu bowed calmly.

The members around her were all praising her. "Yun Wu is so awesome."

Lin Shanchu sat in the corner, her eyes sweeping back and forth between Bai Yu, Yun Wu, and Huo Xunzhou.

Yun Wu, who was supposed to be Huo Xunzhou's rumored girlfriend, seemed to be related to Bai Yu.

Bai Yu pulled out Xia Jinqing's information. Xia Jinqing, "he said. "Why did you stop singing at the end of the performance?"

"I forgot my lines." Xia Jinqing pursed her lips in embarrassment.

"Since you've signed up for the one-day class, why didn't you memorize the lyrics?" Bai Yu's expression was stern.

Xia Jinqing held the microphone and looked like she was about to cry.

Bai Yu's attitude did not soften even though he spotted Xia Jinqing's predicament.

The question he asked was blunter than before. "Do you think your performance today is worthy of your status as an A-ranker?" Xia Jinqing bit her lip as tears rolled down her face.

Her tear-stained appearance was very pitiful.

She sobbed and tried to absolve herself by acting pitifully. "I practiced too late last night, so I caught a cold and had a fever. That's why I forgot my lines..."

Xu An noticed that Bai Yu was frowning impatiently, and he knew that the latter would say something even more unpleasant once he opened his mouth again.

Hence, he snatched Bai Yu's microphone and said, "If you're sick, go to the doctor and get some medicine. I look forward to your better performance during the first public showdown."

The comments flew across the screen.

[Who is this Bai Yu? He's so annoying!]

[As a senior, can't he talk nicely to his junior?]

[Dear Mengmeng, don't cry. You're down with a cold and fever, but you still insisted on practicing. My heart hurts for you!]

[That's right. Can't he be gentler to girls?]

[Bai Yu is here to be a mentor. Out of 99 people, only five of them get to make their debut as girl group members. Of course, he has to be strict!]

[Xia Jinneng is so pretentious. She can't even accept such a small criticism.

Why did she even participate in the talent show?]

After a brief discussion, the instructors re-rated Yun Wu and Xia Jinneng.

Huo Xunzhou announced the final result.

"Yun Wu's rank remains unchanged. Xia Jinneng will be demoted from A to B." Yun Wu skipped back to Lin Shanchu's side. "I danced well, didn't I?"

Lin Shanchu gave her a thumbs up.

Xia Jinneng's eyes were filled with anger and hatred when she saw the scene.

Yun Wu was too powerful, so she could only admit defeat.

However, what was there to be proud of for a useless person like Lin Shanchu?

She even stole her limelight.

The more Xia Jinneng thought about it, the more she couldn't take this lying down.

She returned to her seat. Wen Tongtong comforted her immediately.

"Mengmeng, you did a great job!"

Xia Jinneng chuckled softly in return.

When the next group of members came on stage, Xia Jinneng turned her head and whispered something to Wen Tongtong.

"I understand," Wen Tongtong said with a smile.

The theme song assessment continued.

Although the other members from the one-day class weren't as outstanding as Yun Wu, they had also improved a lot compared to the initial stage assessment.

Many of the members' ratings had risen.

However, none of them got an A.

Soon, all the members of the one-day class had finished their assessment.

The camera cut to Huo Xunzhou.

His slender and beautiful fingers gently clasped the script, and his magnetic voice announced the new rules set by the production crew.

“There’s still one spot left for Class A. Does anyone want to challenge it?”

“Are members not from the one-day class allowed to take on the challenge?” a member asked.

“Sure, but if you fail the challenge, you’ll be directly admitted to Class F,” Huo Xunzhou replied.

Class F meant that they could only stand at the back of the line during the recording of the theme song.

The further back they were, the fewer shots they had.

Everyone fell silent.

Then, there was a soft discussion.

“Go and challenge him, ” Yun Wu said with a nudge.

“No,” Lin Shanchu refused firmly.

It felt good having to slack off as a member of the three-day class.

At this moment.

Wen Tongtong’s voice came from behind.

“Lin Shanchu said that she wants to challenge for a spot in Class A.”

Lin Shanchu was confused.

She turned to look at Wen Tongtong.

Wen Tongtong’s eyes flashed with a trace of satisfaction as she continued, “Lin

Shanchu, you’re so brave. To think that you want to challenge for the spot in Class A.”

The camera immediately cut to her.

Wen Tongtong asked, “Why aren’t you going up?” Are you afraid of failing the challenge and entering Class F?”

Lin Shanchu’s back was facing the camera. Her eyes, which had always been warm and harmless, became as cold as a blade that sliced Wen Tongtong’s flesh off bit by bit.

Wen Tongtong was so frightened that she shivered and stammered out,

“You....’
