Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Lin Shanchu looked at Wen Tongtong's embarrassed expression. The corners of her lips curved up slightly. Her smile was full of mockery.

Her expression changed in an instant, and she returned to her usual innocent and harmless look.

The camera cut to Lin Shanchu's face at this time.

She smiled gently and reached out her hand to Wen Tongtong.

Wen Tongtong was shocked by the speed at which Lin Shanchu's expression changed. She thought that Lin Shanchu wanted to hit her, so she shrank back in fear.

“What are you doing?”

However, Lin Shanchu's hand only gently fell on her head.

“Thank you for helping me fight for this opportunity.”

She gently touched the top of Wen Tongtong's head while speaking in an extremely soft tone.

Her entire being was as gentle as water.

The perverts led by Ran Zhimo felt like feeling Lin Shanchu up and down again.

If it wasn't for the presence of the instructors, they would most likely started touching her straight away.

Other than Wen Tongtong, who was the closest to her, no one else noticed the dark and cruel look that Lin Shanchu had displayed just now.

The comments went crazy.

[Huh? What the hell is Wen Tongtong doing?]

[She wants to make a fool of Lin Shanchu!]

[Although Wen Tongtong's behavior is quite disgusting, Lin Shanchu deserves it. She's the one slacking off and not practicing, after all!]

[I'm waiting for the lazy b\*tch to embarrass herself.]

Lin Shanchu stood up and said honestly, “I want to challenge for the remaining spot in Class A.”

Huo Xunzhou looked at her indifferently. “Please come up the stage.”

When Lin Shanchu took her first step, she paused.

A familiar pain struck her again.

How could this be?

It had already acted up on the day of the initial assessment. It had only been a few days, but now it was acting up again!

“Hey idiot!”

The system sensed Lin Shanchu’s physical condition.

[In your confrontation with Lu Shiyuan, you’re naturally on the disadvantageous side. Once he gets close to you, your female lead aura will naturally be weakened. In addition, you’ve been resisting him all this time, so your body naturally suffered a backlash.]

Lu Shiyuan was here as well?

Lin Shanchu looked around and saw Lu Shiyuan and Nan Mu not far away.

Nan Mu had a fake professional smile on his face and was talking to Lu Shiyuan in a low voice.

It seemed like Lu Shiyuan had already signed the one-million-dollar sponsorship contract with Nan Mu.

Lu Shiyuan seemed to have sensed something because he looked straight at her.

There was anger in his eyes, but there was also a trace of longing.

Lin Shanchu felt disgusted just by looking at him.

She retracted her gaze.

As she walked onto the stage, she made a request to the system. “Give me a pain-free card.”

[I can only give you a pain-free card if you do a mission... What are you doing?]

Lin Shanchu turned around and dragged a chair behind her. Then, she walked toward Lu Shiyuan with a murderous look on her face. [Let’s talk it out!] The system was so scared that it was garbled.

Lin Shanchu ignored it.

[ I’ll give you a pain-free card!] the system said.

Lin Shanchu stopped.

The system begged her humbly, [Can’t you just do a random mission, like expressing your love or something?] The commenters were confused.

[What is Lin Shanchu doing?]

[It looks like she’s about to start a fight!] [She’s so cool! I stan a lunatic beauty!] [Holy f\*ck, Lu Shiyuan came to the studio!]

[In the end, she’s just bringing Lu Shiyuan a chair.]

Lin Shanchu threw the chair in front of Lu Shiyuan.

Then, she raised her hand in front of Lu Shiyuan.

She expressionlessly crossed her thumb and index finger into the shape of a heart.

The system was confused.

This was different from what it had imagined!

Lin Shanchu demanded, "Now give me the pain-free card." The system was speechless.

It trembled as it handed over the one-time pain-free card.

Although Lin Shanchu only gave Lu Shiyuan a heart, it was still considered an improvement, right?

It was definitely better than talking about wanting to kill Lu Shiyuan all the time.

After getting the pain immunity card, Lin Shanchu turned around and returned to the stage.

Lu Shiyuan could only stand there, dumbfounded.

What the hell was Lin Shanchu doing?

The comments went crazy.

[Ahhh! I'm here as a relationship fan of Lu Shiyuan and Lin Shanchu!] [Hahaha! Lu Shiyuan's shocked expression is so funny!]

[Why is Lin Shanchu so funny? She dragged a chair and gave Lu Shiyuan a heart sign!]

[It would be interesting if this couple were to appear on a couple variety show.]

[I really don't know what's there to like. The two of them don't seem to love each other at all.]

[Can't Lin Shanchu not cause any trouble? She's so annoying!] [I'm here to watch a performance, not to watch a couple being lovey-dovey.] Lin Shanchu gave a 90-degree bow. "I'm sorry. We can start now."

She lowered her eyes slightly and waited for the music to start.

When the music started playing, she looked up and started to sing and dance to the music.

Her body was soft, and her limbs were long.

She moved according to the music accurately, and was able to dance gracefully.

In contrast to "Resentful Ghost", she seemed to have broken free of all restraints and was free.

Even her hair that floated with her movements was pleasing to the eye.

Xia Jinneng, who was in the member seating area, turned green when she watched the performance.

"Didn't you say that she's been slacking off and didn't practice?" She lowered her voice and gritted her teeth as she questioned Wen Tongtong.

Wen Tongtong had just recovered from the fright that Lin Shanchu gave her.

"She returned to her dorm to sleep at eight o'clock last night and didn't practice much at all," she said, a little annoyed. "She chose the three-day class at the beginning. Who'd have known she'd learn the whole thing so quickly?"

Xia Jinneng was so angry that she ruffled her hair.

"Did Lin Shanchu secretly wake up in the middle of the night to practice?" she asked Yun Wu.

“Nope. There’s no need for her to do that at all.” Yun Wu’s eyes were still on Lin Shanchu.

After she finished speaking, she shouted loudly like Lin Shanchu did for her.

“Lin Shanchu, good luck!”

The other members of Class B also followed suit and cheered for Lin Shanchu.

The comments filled the section.

[Hot damn! I’m going to apologize to Lin Shanchu! I won’t ever scold her for slacking off again! She has the right to sleep early!]

[I knew I stanned the right person! Ahhhh! I love you, Lin Shanchu!]

[A lot of people scolded her yesterday, but I didn’t dare to speak up for her. I keep thinking that she’s not the type to slack off!]

[Am I the only one who saw Wen Tongtong and Xia Jinmeng’s faces turn green?]

[Just diss Wen Tongtong if that’s what you want to do. Don’t drag our

Mengmeng into this!]

[That’s right! Mengmeng is just feeling unwell!]

Not only were the members and audience shocked by Lin Shanchu’s performance, but even the staff on the production crew were shocked.

They all thought that Lin Shanchu couldn’t take the hardship yesterday, so she decided to slack off and go to bed early.

They didn’t expect her to have learned the whole theme song long ago.

The music stopped.

Lin Shanchu also stopped.

After she bowed, there was a round of applause.

Nan Mu, who was watching from a distance, also clapped excitedly.

He had really signed on a treasure.

She was smart, beautiful, and capable!

Nan Mu caught a glimpse of Lu Shiyuan staring at Lin Shanchu on the stage from the corner of his eye, causing the corners of his mouth to immediately fall back down.

“You seem to be very satisfied with the performance of our member, Lin Shanchu.”

Lu Shiyuan ignored him.

His eyes were still on Lin Shanchu.

She stood on the stage confidently and willfully, making her look very dazzling.

To him, this Lin Shanchu looked extremely unfamiliar..

Once the applause stopped, Huo Xunzhou went on stage.

“Lin Shanchu, do you think you can get an A?”

He held the microphone and looked at her with his alluring eyes. His calm voice did not have any fluctuations at all.

It was as if he was just conversing with an unfamiliar member.

Lin Shanchu lowered her eyes slightly and looked into his eyes. “What do you think, Mr. Huo?”

Huo Xunzhou did not expect Lin Shanchu to ask such a question. A touch of surprise flashed in his eyes.

“My subjective opinion can't decide your rating. It's up to the professional mentors to judge.”

The comments went wild.

[Ahhhhh! I can keep staring at Huo Xunzhou for the entire day even if he just stands there doing nothing!]

[Allow me to correct your statement. He's not standing, just sitting.]

[Oh my god! Both of them look so good together! I want to matchmake them so badly!]

[Don't mess around. Although the two of them know each other, they're not familiar with each other. Besides, her fiancé is still at the scene!]

Huo Xunzhou finished his sentence.

The camera panned to the mentors' seating area.

Qin Shuya, who had been informed by the director's crew in advance, looked at

Bai Yu with a smile. “Mr. Bai, you can go first.”

Bai Yu's eyelids twitched slightly as he picked up the microphone in a very cooperative manner.

“Lin Shanchu, do you know that many people are waiting for you to make a fool of yourself?”

The moment he said that, the effects of the variety show were instantly maximized.

“I know.” Lin Shanchu chuckled lightly.

Her expression was calm, and her tone was relaxed.

Bai Yuxin was surprised at her calmness, but his tone remained stern. “Do you think you've embarrassed yourself today?”

The comments came flooding in.

[The scene that I've been looking forward to has appeared again!]

[This is the reason why most people don't dare to invite Bai Yu to their shows.

He never follows the script and says whatever he wants.]

[This familiar tone and sentence structure... He's obviously not satisfied with

Lin Shanchu's performance. The last person he spoke to in this tone was Xia

Jinmeng, who ended up crying on the spot.]

[Will Lin Shanchu burst into tears after getting scolded?]

Lin Shanchu asked seriously, "Mr. Bai, are you not satisfied with my singing performance?"

"Of all the students who took part in the assessment today, your vocal performance is the best," Bai Yu replied.

"Then I didn't make a fool of myself." Lin Shanchu smiled.

Bai Yu also laughed and nodded. "Good luck."

This girl looked extremely weak, but her mental strength was very strong.

Qin Shuya had a good impression of Yun Wu and Lin Shanchu because their "Resentful Ghost" performance.

When she was talking to Lin Shanchu, the corners of her mouth remained lifted the whole time.

"Lin Shanchu, your foundation is relatively weak among these students, but your performance just now was the greatest improvement among all of them!" After a short discussion, the instructors came to a final evaluation.

Huo Xunzhou announced the result, "Lin Shanchu has successfully advanced to

Class A."

He then added, "Congratulations."

Her fans spammed a wave of "Lin Shanchu is awesome!" in the comment section.

Xia Jinmeng's fans and Lin Shanchu's haters were extremely jealous. [Even someone like Lin Shanchu can get an A. This show is hopeless!] [Why don't we change the name to 'The Stage Sponsored By The Fiancé?'] The passers-by couldn't stand it anymore.

[It's true that Lin Shanchu has always been looked down on, but her performance today can indeed be ranked in the top five among all the students in the one-day class assessment.]

[I really can't stand it anymore. Can you stop your brainless criticism?]

[How much money can you earn by posting a malicious comment about Lin Shanchu? We're all of the same race, aren't we? Let's earn some money together!]

Huo Xunzhou continued the process.

"The member voting channel will be opened on the day of the theme song recording," he announced.

"After this, all members will be participating in their first public showdown where they can choose their songs to perform to. The top 15 students will have priority in choosing their songs.

"Please do your best, everyone!"

Today's official recording came to an end.

The members of class B all came over to congratulate Lin Shanchu. "Congratulations on advancing to Class A!"

"Remember to come back often to visit even if you're in Class A." At this moment, a staff member came over to call Lin Shanchu.

"Lin Shanchu, come with me for a moment."

The smile on Lin Shanchu's face faded.

The staff had come to look for her to ask her to meet Lu Shiyuan.

The other members had naturally thought of this as well as they all revealed meaningful smiles.

They even started to urge her. "Hurry up and go now. Don't let him wait for too long."

"Then, I'm going over now."

Lin Shanchu smiled and waved at them, then left with the staff member.

The moment she turned around, the smile on her face disappeared completely.

An envious conversation could be heard behind her.

"She's definitely a winner in life."

"She's so outstanding, not to mention fiancé dotes on her and loves her so much!"

"But I thought girl group members can't fall in love."

"Some people are just different. She and Lu Shiyuan have a lot of relationship fans. Even if she falls in love, it won't affect her popularity..."

All bystanders could only see the performance put out by the actors.

Only Lin Shanchu knew how dirty everything was under the peaceful and amazing illusion of things.

The staff member brought Lin Shanchu to the door of the guest room. The bodyguards standing guard at the door looked familiar.

on.

She remembered.

They were Lu Shiyuan's bodyguards.

Lin Shanchu pushed the door open.

Nan Mu, who had been looking at the door, stood up when he saw her enter.

"You're here."

Nan Mu's expression was filled with worry.

Lin Shanchu's lips curved up slightly, indicating that he did not need to worry. Nan Mu glanced at Lu Shiyuan. "President Lu, she's here. Just say what you have to say."

Lu Shiyuan's eyes had not moved away from Lin Shanchu since the moment she entered.

His gaze was like a venomous snake.

It was also like a beast patrolling its own territory, carefully inspecting every inch and not letting anything go.

The fear and disgust emanating from her bones made Lin Shanchu nauseous. "President Nan, I want to speak to him in private."

Nan Mu saw that she didn't look well and was a little worried, so he didn't leave immediately.

However, Lin Shanchu had already sat down opposite Lu Shiyuan.

Seeing that Lin Shanchu was so insistent, Nan Mu could not say anything more.

No matter what Lin Shanchu did to Lu Shiyuan in private, the two of them were still engaged on the outside.

He had signed on Lin Shanchu, so he was her boss, but he could not meddle in her private affairs.

Nan Mu walked out, looking back with every step he took.

Only Lu Shiyuan and Lin Shanchu were left in the spacious meeting room.

Lu Shiyuan, who had been patient for a long time, finally revealed his true colors.

He stood up abruptly and slammed his hands on the table. A sinister look appeared in his eyes.

"Why did you sign a contract with Tianzhou Media?" "The reason why I signed a contract with Tianzhou Media..."

Lin Shanchu's tone was light and slow.

She paused for a moment, looked up at Lu Shiyuan, and smiled at him.

After that, she finished the second half of the sentence. "It's just to witness your incompetent and furious expression."

"Lin Shanchu!"

Lu Shiyuan was so angry that he raised his hand at Lin Shanchu.

Lin Shanchu looked straight at him, not avoiding him at all.

Her clear eyes were calm. One could clearly see the depths of her eyes, but they couldn't detect any emotions.

When did the eyes that always had a pleading expression in his memory become like this?

Lu Shiyuan's raised hand stopped in mid-air..

### Chapter 53: There Are Times When Huo Xunzhou Would Throw a Tantrum

The air seemed to have frozen at this moment.

Lin Shanchu's cold eyes gradually revealed a trace of ridicule.

“Why did you stop?”

Lu Shiyuan's hand that was raised in the air slowly clenched into a fist.

Lin Shanchu's lips curved up slightly as she looked at Lu Shiyuan with interest.

“In the past, you would never stop when you raised your hand to slap me. Why are you so cowardly now that you even hesitate to slap me?”

When she said this, she used her usual gentle tone.

Her nonchalant tone made it seem like she was talking about someone else's business.

But her eyes were cold.

It was a bone-chilling cold.

Lu Shiyuan suddenly felt a sharp pain in his heart.

It was like being pricked by needles.

It was a long and intense pain.

It was so deep that one couldn't see the bottom.

“I've never mistreated you since you were young! Even after what happened back then, I still allowed you to stay in the Lu family! Yet, you've decided to become my enemy time and time again! You even colluded with outsiders to dig a hole for me to jump into!

“Lin Shanchu! Do you even have a heart?” Such a high and mighty attitude.

He spoke as if he was the victim.

It was exactly the same as in the original novel.

The plot had changed because of her awakening, but Lu Shiyuan still developed according to the original novel.

“That’s right. Something did happen that year, causing Tang Qidai to risk her life to save you. You have to treat her well. If she ends up getting hurt in the slightest, it’ll be your fault for being ungrateful, Lu Shiyuan.”

Lin Shanchu took a deep breath impatiently. “As for a heartless person like me,

I only hope that both of you will die soon.”

Although Lin Shanchu had changed a lot during this period of time, she never concealed her hatred for Lu Shiyuan.

However, when Lu Shiyuan heard Lin Shanchu personally say that she wanted him to die, he still found it unbelievable.

How did the girl who used to only have eyes for him become so vicious?

He thought about it and felt uneasy for a few days before he decided to sponsor the show and give Lin Shanchu a chance to repent.

Even though Lin Shanchu had done such a thing back then, he still could not completely leave her behind.

However, the person in front of him was no longer the Lin Shanchu he knew.

There was no point in saying anything anymore.

Lu Shiyuan slowly retracted his hand and looked at her deeply.

“You don’t have the right to hate me! You owe me too much! Don’t even think about getting rid of me before you pay me back what you owe me!”

Lin Shanchu was tired of hearing such idiotic words.

She looked at the clock on the wall.

It was time for lunch..

Yun Wu would wait for her every day so that they could eat together.

Lin Shanchu turned around and walked out.

Lu Shiyuan could not stand Lin Shanchu’s disregard for him.

He shouted hysterically at her back, “Don’t think that I can’t do anything to you just because you’re hiding in the production crew!”

Lin Shanchu did not seem to hear him. She just walked straight out.

The moment she stepped out of the door, she heard a familiar voice.

Lu Shiyuan’s bodyguards were guarding the door.

Li MO was standing in front of one of the bodyguards. With a serious expression, he reached out and pinched the bodyguard’s arm.

“It’s quite sturdy. Which gang were you from before?”

The bodyguard shook off Li Mo’s hand and looked at him as if he was a lunatic.

When Li Mo heard the door open, he turned around and greeted respectfully,

“Ms. Lin.”

Lin Shanchu nodded slightly at him.

Then, she left.

Li MO quickly caught up.

The reception room was the office area, not the filming area.

Therefore, there were no cameras.

Lin Shanchu slowed down and quickly walked side by side with Li Mo. “What are you doing here?” Under normal circumstances, Huo Xunzhou would be wherever Li MO was.

Her question seemed to be a little difficult for Li MO to answer.

Li MO frowned and thought for a moment before whispering, “Big Brother asked me to come.”

Huo Xunzhou’s original words were to ask him to come over and take a look. He did not say anything else.

But he knew that his big brother was probably worried about Ms. Lin.

Of course, he had to let Ms. Lin know of his big brother’s intentions.

Even though his brother knew that he had told Ms. Lin the truth, he would probably kill him with his eyes.

However, the person in the guest room was Lu Shiyuan.

That man was Big Brother’s number one love rival!

Lin Shanchu was stunned when she heard this.

Huo Xunzhou sent him here?

“Big Brother.”

Li MO suddenly stopped in his tracks.

Lin Shanchu looked up and saw Huo Xunzhou sitting in a wheelchair around the corner.

First, he asked Li MO to come to the guest room.

Now, he had come over himself.

Lin Shanchu stopped in his tracks.

Her train of thought also stopped. She just looked at him in a daze from afar.

Huo Xunzhou turned his eyes away.

“I’m here to look for Li Mo.” He took the initiative to explain.

As soon as the words left his mouth, he realized that it was inappropriate.

No one asked him why he was here.

Thus, his explanation seemed a little unnecessary, making one think that he might be here because of other motives. Li MO was speechless.

He dug his toes into the ground.

He felt a little embarrassed for his big brother.

A smile threatened to break out in Lin Shanchu’s eyes.

Huo Xunzhou was always cold and aloof, but he clearly cared about her. Yet, he was trying his best to hide it. It was so awkward that it was cute.

“Oh.” Although Lin Shanchu tried to hide it, there was still a hint of a smile in her voice.

Huo Xunzhou was a smart person. When he heard Lin Shanchu’s tone, he immediately sensed that something was wrong.

The way he looked at Li MO became unnervingly “nice”.

Li MO tried to hide behind Lin Shanchu to seek protection.

Lin Shanchu coughed lightly. “I have a friend waiting for me to eat together, so I’ll be leaving first. Goodbye.”

She quickened her pace and left.

Li MO was speechless.

Nan Mu was right. Women were definitely heartless.

“Big Brother, let me explain...” Li Mo’s cautious tone was filled with his desire to live.

Huo Xunzhou turned the wheelchair and left with a blank expression. Li MO chased after him and tried to help him push the wheelchair.

“Let go of me!” Huo Xunzhou said coldly.

Li MO immediately hid his hands behind his back, not daring to touch the wheelchair again.

Lin Shanchu, who had walked away, turned back and saw this scene.

She could not help but smile.

There were times when Huo Xunzhou would throw a tantrum.

Tang Qidai was shooting an advertisement in the studio today.

After lunch, she took out her phone and logged into Weibo.

She had posted nine pictures that formed a huge selfie in the morning, so she wanted to see how her fans were praising her and whether she had gained more fans.

In the end, the moment she opened her Weibo, she received countless tags.

She opened one and sat up straight.

[@Tang Qidai, your good friend, Lin Shanchu, has scored an A in her theme song assessment!]

How could Lin Shanchu the trash obtain an A?

Tang Qidai clicked on the trending list and saw the topic #Lin Shanchu got an A in her theme song assessment at the top of the list.

On top of this topic, another topic related to Lin Shanchu followed suit. #Lin Shanchu gave Lu Shiyuan a heart sign on the spot

The netizens were a mysterious organization. They may not be good at anything else, but they excelled at rubbing salt on one's wounds.

They purposely tagged Tang Qidai under this topic.

[Hurry up and give your good wishes to your good friends, @Tang Qidai]

## Chapter 54: That Group of Brainless Fans

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

In order to gain popularity, Tang Qidai had previously sent her blessings to Lu Shiyuan and Lin Shanchu on Weibo.

At that time, Lin Shanchu had liked the post of a marketing account instead of her post.

She was ridiculed by the netizens because of this.

Even now, some netizens were still mocking her about this matter from time to time.

Now that Lin Shanchu had made a name for herself in "My Stage" and was frequently on the trending list, some netizens brought up the past.

Naturally, Tang Qidai could not take this lying down. She reposted and commented on the Weibo post.

Tang Qidai: [Of course, I have to give my blessings to Shanshan and Brother

Shiyuan! :heartemote:]

The moment she posted on Weibo, her die-hard fans immediately came out to like and comment on the post.

Then, the die-hard fans noticed the content of the original Weibo post.

Only then did he realize that the original poster was ridiculing Tang Qidai.

How could the die-hard fans tolerate this?

They immediately dispatched the anti-hate team to raid the original poster's Weibo.

As usual, they insulted the original poster's entire existence.

[I can tell that you don't have a mom from one look.]

[Your whole family is dead, and yet you're not honoring them at their graves.

All you do is to screech like a baboon.]

[If you dare to speak to Daidai like this again, I won't let you off.] [Maggots should just stay in the cesspit and not crawl around.]

[I've already found your address, Be careful when you go out next time.]

Tang Qidai felt much better when she saw her fans hurling insults at the original poster.

Her assistant, He Xiang, who had gone out to buy coffee for Tang Qidai, pushed the door open and entered at that moment.

Seeing Tang Qidai's smiling face, she asked, "Ms. Dai, what made you so happy?"

Tang Qidai nodded, signaling for her to bring the coffee over.

He Xiang handed her the coffee.

She took the coffee and took a sip in enjoyment.

"That group of brainless fans went to help me scold people again."

He Xiang's expression froze.

The reason why she applied to be Tang Qidai's assistant was because she had a good impression of her.

It was only after she arrived that she realized that Tang Qidai actually had a bad temper.

However, she was still a partial fan of Tang Qidai, so she instinctively tried to find an excuse for her.

Tang Qidai was the daughter of a wealthy family and was doted on by Lu Shiyuan. It was normal for her to have a bad temper.

Moreover, Tang Qidai was kind to her sometimes.

Tang Qidai did not notice He Xiang's abnormal behavior. She was still holding her phone delightedly and showing the assistant the comments of her fans insulting the original poster.

He Xiang's brows furrowed as she watched. "Ms. Dai, did you... just instigate your fans to cyberbully that poster?"

“Blame the poster who tagged me with weird intentions.” Tang Qidai could care less.

“But... your rivals might use this as a leverage over you,” He Xiang said hesitantly.

“What’s wrong with that? No matter what happens, Brother Shiyuan will help me settle it.”

Tang Qidai continued to scroll through the comments while laughing.

He Xiang felt a chill in her heart.

Tang Qidai actually took pleasure in cyberbullying others.

She quietly left the lounge and gave Tang Qidai’s manager a call.

Even though she did not agree with Tang Qidai’s way of doing things, she was still Tang Qidai’s assistant. She should do what an assistant should do.

Jiang Tang had promised her fans that she would post a video tonight.

So, she had to stay up all night to edit the footage.

She had just fallen asleep in the morning.

After she woke up in the afternoon, she ordered takeout.

She scrolled through Weibo while waiting for the takeout to arrive.

Seeing Lin Shanchu’s trending list, Jiang Tang clicked on it with excitement.

Then, she uploaded a picture of Lin Shanchu and posted it on Weibo.

Sugar Ginger: [My dear treasure, good luck! :image:]

Her fans responded immediately.

[Ever since “My Stage” has started broadcasting, Ginger’s main account is slowly transforming into a stan account.]

[Did Sugar end up picking Lin Shanchu?]

[Although I picked Yun Wu, I’m also a fan of her relationship with Lin Shanchu. In a way, we’re one big happy family.]

[Sugar, the voting channel for “My Stage” is already activated! You can vote for your dear treasure now!]

A voting strategy was also attached to the end of the comment.

Not only did the fan accounts have two voting tickets, fans outside but they could also obtain extra tickets by doing missions and purchasing merchandise that collaborated with the show.

The more everyone read the guide, the more confused they became.

Jiang Tang didn’t hesitate to raise her hand and spend money on products just to vote for Lin Shanchu.

Lin Shanchu’s total votes shot up to the top, pushing down Xia Jinneng, who was originally in first place.

Satisfied, Jiang Tang turned to sign in at Lin Shanchu’s super chat.

After doing all this, she remembered that she had not seen her fans' private messages for a long time.

She casually opened one of them.

[Sugar, can you help my friend? She got cyberbullied on the internet...] There was a screenshot attached to the message.

Jiang Tang took a closer look. It turned out that Tang Qidai, the woman who excelled in acting pure and innocent, was instigating her fans to cyberbully a netizen on the internet.

Aha!

It was bad enough that Tang Qidai interfered with a relationship while pretending to be pure and innocent, but it was worse now that she started cyberbullying other people!

Jiang Tang strived to shine the light of justice on this matter.

She found the original Weibo post, took a screenshot to collect evidence, and contacted some marketing accounts.

She didn't expect the marketing accounts to be such cowards. "Tang Qidai is under Lu Shiyuan's protection. I don't dare to mess with her."

"Fine.

She decided to personally handle the matter.

Jiang Tang directly posted the screenshot on Weibo.

Sugar Ginger: [I'm totally innocent. Dear fans, please protect me! :screenshot:]

Since Jiang Tang would be posting a video tonight, her fans had been paying attention to her movements all day.

As soon as she posted on Weibo, her fans started to come in one after another. [Isn't she instigating cyberbullying at this rate?]

[The original poster did sound a little weird, but she didn't say anything outrageous! Tang Qidai did instigate her fans to cyberbully the poster!] [I just went to the Weibo page of the poster who got attacked on the internet.

Her Weibo has already been bombarded by Tang Qidai's fans, and they are simply unsightly to look at.]

[That's normal. Tang Qidai's fans have always been like this. Besides, she never stopped her fans from doing this.]

[Yes, this is not the first time.]

The fans reposted it one after another, and the popularity of this Weibo post immediately went up.

As soon as it became popular, the cowardly marketing accounts also came over to share a slice of the pie.

The matter fermented very quickly.

The topic #Tang Qidai instigated her fans to cyberbully someone quickly climbed to the bottom of the trending list.

Tang Qidai's manager was in a meeting at the company, so she didn't pick up He Xiang's call.

When she came out of the meeting, she found out that #Tang Qidai instigated her fans to cyberbully someone had gone on the trending list.

She immediately called Tang Qidai.

However, Tang Qidai had already started shooting the commercial, so her phone was with He Xiang.

Tang Qidai had ordered He Xiang before not to answer her calls for her. He Xiang used her phone to call her manager. "Hi, Ms. Manager."

"Where's Daidai?" The manager was still fuming.

"Ms. Dai is filming."

"I'll be right there."

Tang Qidai's shoot had just ended when her manager arrived.

"What are you doing here?" She was a little surprised to see her manager.

"Look at what you've done!" The manager threw the phone at her.

Tang Qidai was unhappy with her manager's attitude, but she did not voice it out.

The topic #Tang Qidai instigated her fans to cyberbully someone had already climbed into the top 20 rankings of the trending list.

"Can't we just get rid of the topic with the PR's help?" Tang Qidai didn't really care about the matter..

The manager was so angry that her temples throbbed.

"The problem is that the PR is unable to deal with this situation!"

"How can the PR fail to get rid of the trending topic? Did Brother Shiyuan hire you all just to slack off?"

Tang Qidai was used to being rude and unreasonable.

Once her manager annoyed her, she'd scold her right away.

The manager had a stormy expression on her face as she said, "You've gone ahead and done it this time. The PR department can't do anything about it. President Lu must be the one to deal with this personally."

"What?"

Tang Qidai picked up her phone doubtfully and clicked on the topic.

Jiang Tang's Weibo post was the top post.

She clicked on the main page and took a look.

"Isn't she just a content creator?" Tang Qidai replied disdainfully. "What's the big deal?"

"The source material that appeared in her video is something that you can't afford to buy even if you compile all of the salaries that you earned since your debut together!" the manager retorted with a sneer

Tang Qidai frowned, thinking that her manager was lying to her. "How is that possible? She doesn't exist among the circle of young rich girls in Xu City!"

"Xu City isn't the only place in this world. You can easily find rich people out on the streets if you're in Capital City!"

The manager used to think that Tang Qidai was a little smart.

Now, she felt that Tang Qidai was an idiot.

She didn't know how such an idiot like her was able to gain Lu Shiyuan's favor.

Tang Qidai finally started to get anxious. "What do we do now?"

"You should call President Lu." The manager's attitude improved a little. After all, Lu Shiyuan was really nice to Tang Qidai.

Tang Qidai might be a complete buffoon, but that didn't stop Lu Shiyuan from liking her.

Tang Qidai called Lu Shiyuan several times in a row.

But Lu Shiyuan didn't pick up.

"He's probably in a meeting at the moment. I'll go to the company to find him." Tang Qidai felt a little uneasy.

Under normal circumstances, Lu Shiyuan would pick up her call immediately.

Was it because he saw Lin Shanchu today and got bewitched?

The more Tang Qidai thought about it, the more uneasy she felt.

She also knew that everything she had now was all thanks to Lu Shiyuan.

She had to hold on to Lu Shiyuan's heart tightly.

Lu Corporation.

In the president's office.

Lu Shiyuan was sitting in front of his desk with open documents in front of him.

At first glance, he seemed to be working seriously.

However, upon a closer look, one would realize that Lu Shiyuan wasn't even looking at the documents. He was just in a daze.

Zhou Yan pushed the door open and came in to bring him coffee.

"President Lu, here's your coffee."

He lowered his head and glanced at the document.

Then, he realized that the page was the same as when he had entered half an hour ago.

President Lu had been like this ever since he came back from the production crew of "My Stage".

Zhou Yan did not dare to say anything more either.

He turned around and left.

Just as he closed the door, he heard Tang Qidai's voice.

"Assistant Zhou."

"Ms. Tang."

Zhou Yan heaved a sigh of relief before taking the initiative to say, "President

Lu has been in a bad mood ever since he came back."

"I know. I've brought dinner for Brother Shiyuan. You don't have to order for him anymore."

Tang Qidai's nerves relaxed. It seemed like Lin Shanchu had done something stupid again to make Brother Shiyuan unhappy.

It was just what she wanted.

Tang Qidai fixed her hair at the doorway and pushed it open.

"Brother Shiyuan."

She called out to him twice in a row before Lu Shiyuan came back to his senses and looked at her.

"Qidai?" Lu Shiyuan's expression softened after noticing Tang Qidai.

"I brought you dinner." Tang Qidai sized up Lu Shiyuan's expression. "Brother Shiyuan, are you unhappy?"

Lu Shiyuan looked at her without saying a word.

"Is it because of Shanshan? You know what she's like. She's been like this since she was young, so don't take her words to heart. After all, her parents..."

At this point, Tang Qidai stole a glance at Lu Shiyuan's expression. She deliberately sighed and stopped talking.

Lu Shiyuan sneered. "I kept her around in the Lu family because her parents were the benefactors of my family! As for her? Heh!"

Lu Shiyuan heaved a long sigh afterward. Then, he looked at Tang Qidai with a gentle gaze.

“Qidai, you’re always so kind. Don’t speak up for Lin Shanchu anymore. She’s not worth it!”

Tang Qidai wore a puzzled and awkward expression.

“Ever since Shanshan participated in the show, her popularity has been rising. Although her fans are a little radical, I’m still very happy for her.”

“What’s wrong with her fans?” Lu Shiyuan frowned.

“It’s fine, Brother Shiyuan.” Tang Qidai looked sad, but she didn’t say anything about her woes.

Lu Shiyuan directly called the internal line to summon Zhou Yan into the office.

Zhou Yan told him about Tang Qidai’s appearance on the trending list.

“I never expected that my fans would scold the poster,” Tang Qidai explained with reddened eyes. “I just wanted to give you and Shanshan my well-wishes...”

“I know,” Lu Shiyuan comforted her gently.

After that, he personally made a call to settle the matter.

“Brother Shiyuan,” Tang Qidai said gratefully. “You’re so nice to me. I don’t know how to thank you.”

“That’s what I should do.”

Lu Shiyuan recalled what Lin Shanchu had said to him. “You’re so gentle and understanding. I’m worried that you’ll be bullied. If anything happens, you must tell me immediately, okay?”

“Yes.” Tang Qidai’s sadness vanished on the spot as she smiled happily.

The moment she walked out of Lu Shiyuan’s office.

The smile on Tang Qidai’s face faded.

It was replaced by smugness and ruthlessness.

Brother Shiyuan hated Lin Shanchu more and more.

It seemed that he had given up on Lin Shanchu.

Tang Qidai opened her WeChat contact list and clicked on Jiang Ziyu’s moments page.

She scrolled to a post she had posted half a month ago:

[My vacation has ended. I’m now officially joining the production crew of “My Stage”.]

The corners of Tang Qidai’s mouth slowly curled upward, revealing a cold and sinister smile.

She returned to the chat interface and sent a WeChat message to Jiang Ziyu.

[Are you busy?]

Jiang Ziyu replied instantly, [Nope.]

[We haven’t seen each other for a long time. Let’s have a cup of coffee

together.]

Jiang Ziyu replied, [Okay!]

The topic #Tang Qidai has instigated her fans to cyberbully someone was removed just as it climbed to the top ten ranking of the trending list. The netizens realized the topic had disappeared just as they were discussing it.

They were both confused and angry.

[Amazing! Instead of apologizing, she decided to remove the topic from the trending list!]

[Tang Qidai sure is awesome, huh?]

[Is Tang Qidai really the awesome one? The capital backing her up is the true MVP.]

[Let's be more straightforward. Lu Shiyuan is seriously disgusting.]

[I used to like Lu Shiyuan and Lin Shanchu being a couple. Now, I felt like I just ate a pile of dung.]

[Lin Shanchu has been helping the members in the talent show for the entire afternoon and has yet to rest. Meanwhile, Lu Shiyuan helped his so-called good friend remove the trending topic outside the show. How wonderful!] [This adulterous couple is too disgusting. I'm going to watch "My Stage" just to cleanse my eyes.]

[Bring me along. I'm going too.]

It was already nine o'clock at night, but Lin Shanchu was not asleep yet.

In Class B's training room.

Ning Yunxi collapsed on the ground. "Big Sister, I can't do it anymore. I'm seriously a bad dancer. Sob..."  
Lin Shanchu dragged her to her feet calmly. "No, you can do it."

The comments filled the screen.

[Hahaha! I've been watching them for the whole afternoon! The more I watch, the more addicted I become! Hahaha!]

[I just came here.. Can someone tell me what happened?]

Chapter 56: What a Killjoy

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

After Lin Shanchu had lunch, she went to Class A with Yun Wu.

After they practiced for a short while, members from other classes came over.

The members' abilities varied. Some could practice the theme song in a day, while others could not even follow the dance steps.

For example, the members of Class F.

Most of the members sought An Youyun out.

Who wouldn't love sweet-looking girls?

She was beautiful, had a sweet voice, and had a good temper.

Next was Yun Wu.

Yun Wu looked like a tough and arrogant girl, but the news of her teaching the dance steps in Class B yesterday had already spread. Everyone knew that she was willing to teach the dance steps and was extremely patient. The other students in Class A also had friends they knew.

In the end, Lin Shanchu was the only one left.

She didn't really care about anything as she continued practicing on her own calmly.

As she practiced, she felt someone watching her.

Lin Shanchu turned around and saw a girl sticking her head out of the door to look at her.

Lin Shanchu glanced at the name tag. It showed "Ning Yunxi".

She had an impression of Ning Yunxi.

Ning Yunxi's initial stage assessment was a kiddie dance, which did not look out of place since she had a child-like face.

After the performance ended, the instructors asked her why she had come to participate in the program.

Ning Yunxi had said that she didn't want to inherit her family's pig farm, so she had been wandering outside alone. However, her circumstances worsened to the point that she couldn't even eat. In the end, it was a friend who introduced her to the show. When she heard that food and accommodation were provided, she enrolled immediately.

Ning Yunxi did not expect Lin Shanchu to suddenly turn around. Her doe-like eyes kept blinking rapidly while she looked very nervous.

Lin Shanchu put her hands on her hips and tilted her head slightly. "Are you looking for me?"

"Yes." Ning Yunxi nodded and ran to her in small steps. She asked carefully,

"Can you teach me how to dance?"

Humans had always lacked resistance to cute things.

"Sure. "

Such a cute little sister.

She must teach her!

They would not stop until Ning Yunxi learned the dance!

The comments went crazy.

[Lin Shanchu: Someone finally came to me.]

[Help! Why do I feel like every girl is a potential partner with Lin Shanchu now?]

[Isn't this the girl the one who has to raise pigs if she doesn't make her debut?] [Hahaha! Why did the crybaby come to Class A?]

[I spent the entire afternoon in Class F's live room yesterday. Ning Yunxi cried as she practiced the dance, but she just couldn't learn it. She was so pitiful yet cute at the same time! I can't help but laugh at her! Hahaha!]

Overjoyed, Ning Yunxi replied obediently, "Thank you, Big Sister."

The reason why she came to Lin Shanchu was that she felt that Lin Shanchu looked the gentlest and easiest to get along with.

Lin Shanchu would definitely not mind her poor foundation.

Ning Yunxi's initial assessment stage results could prove that she had no foundation in dancing whatsoever.

Lin Shanchu was prepared to suffer with Ning Yunxi.

When Ning Yunxi made a mistake at first, she even apologized in embarrassment.

Toward the end, when Ning Yunxi made a mistake for the hundredth time, she broke down immediately.

"I'm too useless! I can't learn the dance at all... Waaaa!"

She was crying so hard that her nose started running, but she didn't care about her image at all. Clearly, she was extremely sad. Lin Shanchu calmly handed her a piece of tissue paper. "You can do it."

The comments started discussing the events.

[Everyone, come look! Ning Yunxi is crying again!]

[It pleases me so much to see her crying to the point that she's formed snot bubbles. Then again, she's super cute.]

[It's starting now... She's crying again...]

[Why isn't Lin Shanchu showing any expressions? Has she gotten impatient?] With Lin Shanchu's help, Ning Yunxi cried and practiced for the entire afternoon.

Every time Ning Yunxi cried while complaining that the dance moves were too difficult or she couldn't do it at all, Lin Shanchu would always reassure her calmly that she could do it.

At eight o'clock in the evening, Ning Yunxi could finally perform the theme song's dance smoothly.

"Big Sister, you should go and rest. I can practice on my own." She knew that Lin Shanchu had to return to the dormitory for the night after eight o'clock struck.

Lin Shanchu said, "Let's perform the dance one more time."

The comments filled the screen.

[Lin Shanchu is really in high spirits. She's determined to drill the dance into Ning Yunxi's head.]

[That strong and hard-headed woman finally found her match, which is Ning Yunxi.]

[Ning Yunxi didn't expect it either, did she? She thought she found herself the gentlest member to teach her the dance, but it turned out that Lin Shanchu is the strictest and most resilient teacher ever. Haha!]

Just like that, Lin Shanchu practiced with Ning Yunxi until nine o'clock.

Ning Yunxi was most likely starting to tire because she made another mistake.

Ning Yunxi was very disappointed in herself.

She slumped to the ground. "Big Sister, I can't do it anymore. I really can't dance well."

Lin Shanchu calmly pulled her up to her feet. "No, you can."

The comments went wild.

[Hahaha! I've been watching them for the whole afternoon. The more I watch, the more addicted I become! Hahaha!]

[I just came here. Can someone tell me what happened?]

[To sum it up, there's a crybaby member who's at Tough Bronze rank. She thought that she found herself a very gentle King of Honor as a teacher, but it turned out that this teacher is very strong and resilient. She never gave the poor Tough Bronze member a chance to give up at all. Hahaha!]

[How is Lin Shanchu worthy of being called a King of Glory? She just got lucky in that theme song assessment.]

[That girl was already complaining about her exhaustion, and yet Lin Shanchu refused to let her go! That's definitely too much!]

"Can I really do it?" Ning Yunxi started to doubt herself. She looked like she was about to cry as well.

Lin Shanchu retorted, "Would you like to go back to your pig-rearing life?" Ning Yunxi was speechless.

The girl who didn't want to return to that life gritted her teeth and continued practicing.

After that, she danced a few times in a row without making any mistakes.

Ning Yunxi hugged Lin Shanchu excitedly while crying out loud. "You're practically my dear older sister! I can't believe you actually taught me the whole dance! Waaa!"

Seeing that Ning Yunxi was about to produce more snot bubbles from her runny nose, Lin Shanchu retreated to the side quickly. Then, she turned around to screw open the cap of a water bottle before handing it to Ning Yunxi.

"Drink some water."

This girl was definitely talented at crying.

Ning Yunxi finished more than half of the bottled water in one go before sniffing. “You never lied to me. I didn’t know I could actually…” The comments went to another topic.

[Is there anyone else who came from Weibo just to cleanse their eyes?]

[Me!]

[All I’m saying is that this scenery of people helping each other out is a huge contrast to the scene of a certain killjoy who removed a certain trending topic.] [No wonder Lin Shanchu didn’t sign a contract with the Lu Corporation!]

[I think that’s the reason too. Lu Shiyuan’s behavior this time is too disgusting.

His usual behavior must be the same!]

[I predict that Lin Shanchu and Lu Shiyuan will break up in the near future.]

[I hope the pretty lady will break up with the disgusting killjoy and stay single!]

Lin Shanchu was completely unaware of what happened outside.

She was in a good mood.

She felt a sense of accomplishment after teaching Ning Yunxi.

In the past, she used to revolve around Lu Shiyuan, as if he was the greatest meaning of her life.

Now that she was out of Lu Shiyuan’s control, every day she spent in the production crew was very meaningful.

After practicing with Ning Yunxi for a while, Lin Shanchu returned to the dormitory to rest.

When she was about to reach the entrance of the dormitory, she saw a girl sneakily looking in from a distance.

The girl was wearing Class Bs training uniform.

The members were all very slim. When they wore their training uniforms, Lin Shanchu could not recognize them..

Chapter 57: Do I Look That Scary?

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Lin Shanchu’s footsteps were light, so the girl did not notice her approach.

“Who are you looking for?”

“Ah!”

When she heard a voice speaking to her all of a sudden, the girl who was looking into the dormitory was shocked and turned her head in a panic.

Lin Shanchu saw her face clearly.

“Xia Jinqing?”

Noticing that Lin Shanchu was the one talking to her, Xia Jinqing retorted angrily, “Why didn’t you make any sounds when you walked? Are you trying to give me a heart attack?”

Xia Jinqing never had a direct conflict with Lin Shanchu.

However, Lin Shanchu knew that Xia Jinqing had always disliked her.

Hence, it was normal for Xia Jinqing to talk to her in this manner.

Lin Shanchu looked into the dormitory and saw no one there.

Therefore, Xia Jinqing couldn’t be here to look for someone.

Lin Shanchu raised an eyebrow as she looked at Xia Jinqing coldly. “What are you doing here?”

“Can’t I just pass by and take a look?” Xia Jinqing snorted coldly.

The cameras in the dormitory were usually turned on in the morning, so Xia Jinqing didn’t have to worry about having her bad attitude recorded by the cameras at that hour.

Lin Shanchu noticed that Xia Jinqing did not look at her when she spoke.

It was clearly a sign of guilt.

Xia Jinqing and Tang Qidai were childhood friends.

Tang Qidai had relied on Lu Shiyuan’s support all these years to do whatever she wanted in the industry. At the same time, she also made many friends.

There were so many staff members in the production crew, so it was possible that one of them was affiliated with Tang Qidai.

It was easy to get someone to pass some information to Xia Jinqing and do some small tricks.

Lin Shanchu scanned Xia Jinqing’s entire body without a word. Then, she reached out and pushed Xia Jinqing into the dormitory.

“What’s there to see at the entrance? You can just go in and take a look.”

“What are you pushing me for?”

Xia Jinqing’s voice became slightly sharp because of her nervousness.

Lin Shanchu didn’t even look at her as she turned to close the door.

Xia Jinqing inexplicably felt that Lin Shanchu was behaving a little weirdly at this time.

Lin Shanchu’s face didn’t have any sinister expression. In fact, she wasn’t even showing any emotions. However, Xia Jinqing felt an inexplicable sense of uneasiness in her heart.

“What... What are you doing?”

Xia Jinneng heard the sound of the door closing.

Bam!

Xia Jinneng couldn't help but shiver the moment she heard the door close.

“I want to talk to you.” Lin Shanchu turned around slowly and smiled at Xia Jinneng.

If You Have Papillomas On Your Chest, Neck Or Armpits, Read This!

METABON

She was like a gentle and harmless cat.

However, Xia Jinneng always had a feeling that Lin Shanchu would extend her sharp claws and bite her anytime.

Lin Shanchu slowly walked toward her.

Xia Jinneng felt an invisible pressure attacking her.

She couldn't help but take a few steps back.

Thud!

She had already retreated to the wall, so she ended up bumping into it.

At this moment.

There was a knock on the door.

Bam! Bam! Bam! “Is there anyone inside? Open the door!” It was Yun Wu's voice.

Lin Shanchu lowered her eyes and sighed softly.

When she looked up at Xia Jinneng again, her eyes were full of regret. “Let's talk next time.”

Lin Shanchu turned around and opened the door. She smiled at Yun Wu. “You're back.”

“Before I came back, I specifically went to Class A to look for you. Ning Yunxi said you've already returned to the dorm.” There were too many people in Class A, so Yun Wu decided to head to Class F just so she could teach everyone the dance.

“I thought you'd return late, so I didn't tell you.” Lin Shanchu turned sideways to let Yun Wu into the dorm.

“I'm getting tired, so I wanted to rest early... Why is she here?”

Yun Wu turned around and saw Xia Jinneng, who was standing stiffly against the wall.

“She seemed to be curious about our dormitory, so I invited her in for a chat. It was only after we chatted that we found out that we were schoolmates back in high school,” Lin Shanchu glanced at Xia Jinneng while explaining calmly.

She didn't lie to Yun Wu.

She was Tang Qidai's classmate in high school.

Back then, Tang Qidai had two close friends who hung out with her all the time.

However, it had been too long, not to mention there was no need for Lin Shanchu to remember this plot point, so she didn't remember that she and Xia Jinneng used to be schoolmates.

"That's quite a coincidence." Yunwu's eyes swept back and forth between Xia Jinneng and Lin Shanchu while looking slightly surprised.

When Xia Jinneng heard Lin Shanchu mention the word "schoolmates", her face turned even uglier.

She didn't say a word. Instead, she left in a hurry while keeping her head low.

She walked very quickly as if she was afraid that Lin Shanchu would catch up with her.

Yun Wu touched her face while looking very confused. "Why did she run away quickly? Do I look that scary to her?"

Lin Shanchu glanced at the spot where Xia Jinneng had left.

"Maybe she's in a hurry to go back and rest."

"Oh."

No longer suspecting anything, Yun Wu turned to grab her toiletries. "Yun Wu." Lin Shanchu stood at the side and looked at her.

"Hmm?"

"I've forgotten to ask you before, but how did you know my high school exam results?"

"I looked it up on the internet."

Yun Wu seemed to be trying to increase the credibility of her words. "Do you remember the first week when our phones weren't confiscated yet?"

"Yes." It sounded very reasonable.

But ...

The information on Lin Shanchu on the internet didn't include her high school exam results.

That meant...

Yun Wu had looked up her information through other channels.

As usual, there were people who received promotions and demotions during the theme song assessment for the ones in the two-day class.

Soon, it was the third day.

The last batch of students would be tested for their theme song.

Ning Yunxi's assessment was also today.

As she was afraid, she was the last to go on stage.

“A good day to the instructors and everyone else. I’m Ning Yunxi, a student from Class F.”

After she finished speaking, she turned her head to look in Lin Shanchu’s direction.

Lin Shanchu tilted her head slightly before mouthing silently, “If you don’t want to go home and raise the pigs, then dance properly.”

Ning Yunxi shuddered and immediately turned back to focus on her performance.

The comments were laughing at the interactions.

[Haha! She turned back to look at Lin Shanchu as she spoke!]

[I saw that! Lin Shanchu said, “If you don’t want to go home and raise the pigs, then dance properly.”]

[Ning Yunxi: “I can feel my fear of Ms. Lin taking over me.”] [Lin Shanchu: “Warning! You might have to raise pigs again!”]

[Oh my god, I’m totally loving both of them!]

[The lilies of my hometown are definitely blooming all over the mountain and the field!]

Ning Yunxi didn’t let Lin Shanchu, who spent all night teaching her, down.

She finished the theme song performance perfectly.

“Ning Yunxi, you must have put in a lot of effort these days so that you don’t have to go home and feed the pigs.” Xu An had a deep impression of Ning Yunxi.

“I was able to dance to the theme song perfectly thanks to Big Sister Lin Shanchu’s efforts,” Ning Yunxi explained.

Qin Shuya commented, “I heard that Lin Shanchu was supposed to go to bed at eight o’clock in the evening. She stayed up all night just to practice with you, didn’t she?”

As she spoke, Qin Shuya looked at the member seating area.

The camera also accurately cut to Lin Shanchu.

She was in the middle of yawning.

She had stayed up a little too long with Ning Yunxi last night.

So, she was a little sleepy at the moment.

She didn’t pay attention to what the instructor said.

When the camera suddenly cut to her, she was a little stunned.

She was yawning halfway when she froze on the spot.

When the other members saw this, they all laughed.

Huo Xunzhou, who was sitting next to the instructors, also put his hand to his lips to hide his smile..

## Chapter 58: Are You Xia Jinmeng's Dog?

The comments focused on Lin Shanchu.

[Her dumbfounded look is quite cute.]

[Lin Shanchu: "Who am I? What are they laughing about? Are they laughing at me?"]

[Looks like she's really sleepy.]

[Who else is to blame for her drowsiness? She was the one who insisted on teaching Ning Yunxi. I don't know what's so cute about her.]

[I don't understand why Lin Shanchu is attracting fans at all. The other members only like her so much because she has a rich fiancé. Does she really think that she's very likable?]

[Why are there so many haters in the comment section? When Lin Shanchu performed well, they claim that she was lucky. She's popular among the members because of her rich fiancé. They are all pretending to be blind.]

[That's right. There are always so many brainless people who criticize Lin

Shanchu. Is she standing on someone else's path to success or something?]

Yun Wu whispered to Lin Shanchu to remind her of what Qin Shuya had just said.

Huo Xunzhou passed the microphone over to her.

When Lin Shanchu took the microphone and looked up at him, he had already lowered his head to read the script.

The comments filled the screen.

[What's with this inexplicable sense of romance...]

[Why is someone bringing this up again? You're just hurting her if you're matching her with anyone.]

[Let's just get rid of that disgusting killjoy of a man. Please.]

Lin Shanchu brought the microphone to her lips, her expression especially serious.

"I didn't want to teach Ning Yunxi, but she was so cute when she cried. She even called me "Big Sister .

Everyone was speechless.

The comments were laughing at Lin Shanchu. [Hahaha! It turns out that even beautiful women can't resist cute girls!]

[Lin Shanchu totally understands me!]

After a short silence, the crowd burst into laughter. The extroverted members shouted at Lin Shanchu, "Big Sister, am I cute?" The members sitting around Lin Shanchu also came over.

“Big Sister, I can also cry very cutely. Can you teach me how to dance?”

“I’m here too, Big Sister!”

“Big Sister...”

Lin Shanchu gradually lost herself in the sweet calls of “Big Sister”.

“Of course! As long as I know what to do, I’ll teach you as long as you need me

The netizens spammed “hahaha” in the comment section.

[There are so many adorable little sisters referring to her as their big sister. It’s hard to not get bewitched by them.]

[It’s time for the “I don’t know who to be envious of” segment again.] [I didn’t expect you to be like this, Lin Shanchu.]

Ning Yunxi’s final rank was promoted from Class F to Class C.

This was already a huge improvement for her since she had no foundation in dancing at all.

The theme song assessment ended.

Next up was the competition for the central spot during the recording of the theme song.

“All members of Class A can participate in the competition for the central spot. That spot will be decided by the members who have been with you all day! I’m sure that after all the time you’ve spent together, each of you has a candidate in mind for the central spot.”

Everyone had one vote and could only vote for one person.

The comments soon filled the screen.

[Are we really letting the members vote?]

[This must be fake! Lately, Lin Shanchu has been on the trending list frequently! Is the production crew trying to promote her?]

[It’s starting again. Lin Shanchu is capable of getting on the trending list on her own, and yet you guys claim that the production crew is trying to promote her?]

[Don’t tell me people still believe that the voting system in talent shows is real and fair. Let me be the one to say this right here – Lin Shanchu will definitely take the central spot.]

Lin Shanchu also had a vote.

She wrote down Yun Wu’s name without hesitation.

Yun Wu’s overall strength was the strongest. Naturally, the central spot was hers.

Soon, the vote-counting process was done.

Huo Xunzhou got the final result.

“The person with the highest number of 56 votes in Class A is Yun Wu,” the man said with a calm expression in front of the camera.

The comments went wild.

[I love the type of people who don't make you guess the final result!] [Yun Wu deserves the central spot!]

[Who was the one saying that Lin Shanchu would definitely take the central spot?]

[It seems they're playing dead now!]

Huo Xunzhou looked over at the members.

“Congratulations, Yun Wu.”

“Thank you,” Yun Wu said after grabbing the microphone.

As long as Huo Xunzhou and Yun Wu communicated with each other, Lin

Shanchu could not help but think of the rumors they had in the original novel.

However, until now, Huo Xunzhou and Yun Wu were looking at each other as if they were strangers.

They didn't even make eye contact with each other, let alone produce sparks of romance.

It could only be said that the plot was too outrageous.

The production crew had plenty of time, and their schedule wasn't that tight.

The recording of the theme song was set for the next afternoon.

It was an outdoor recording too.

In other words, Lin Shanchu could rest early today.

Eight o'clock that evening.

She returned to the dormitory on time.

She was the first to return, so there was no one else in the dormitory.

She took her toiletries and went straight into the bathroom.

Just as she removed her makeup, the bathroom door was pushed open from the outside.

Lin Shanchu turned around and saw Wen Tongtong and Xia Jinmeng entering the bathroom.

As soon as Xia Jinmeng entered, she ordered Wen Tongtong right away, “Lock the door!”

Wen Tongtong immediately did as she was told.

The bathroom in the 12 -person dormitory was more spacious.

But now that the three of them were inside, it seemed a little cramped.

They came with ill intentions.

However, Lin Shanchu acted as if she did not see them at all. She lowered her head and put her things into her bag one by one.

However, when she grabbed the eyebrow trimmer, she turned her body slightly.

From Xia Jinhong's and Wen Tongtong's points of view, they couldn't see if she had put the eyebrow trimmer into the bag or not.

However, the two of them didn't care about such details at all.

"Hold her down!" Xia Jinhong urged Wen Tongtong with a cold expression.

Wen Tongtong did as she was told. She then walked toward Lin Shanchu.

Just as Wen Tongtong was very close to Lin Shanchu, the latter chose the right time to stick her foot out and trip Wen Tongtong over.

"You stupid pig! Can't you even walk?" Xia Jinhong was so angry that she cursed out loud, but her expression quickly changed soon.

"Lin Shanchu, what are you doing? Don't mess around!"

When Wen Tongtong fell to the ground, Lin Shanchu quickly crouched down and grabbed Wen Tongtong's neck tightly with one hand. Her other hand held the eyebrow trimmer and pressed it against Wen Tongtong's face.

Lin Shanchu was used to using a small blade to trim her eyebrows.

She had bought a whole box before she joined the production crew.

Coincidentally, she had just changed the blade today.

The blade was pressed against Wen Tongtong's face. Beads of blood were already seeping out.

Wen Tongtong recalled the way Lin Shanchu looked at her when she was instructed by Xia Jinhong to let Lin Shanchu challenge for Class A's spot in front of everyone.

She was so scared that she started to tremble. Even her voice was quivering.

"Lin Shanchu, what... what... what are you doing...?"

Lin Shanchu's hand that was holding the blade tightened.

"Are you Xia Jinhong's dog?" she asked softly. "Will you do whatever she asks you to do?"

Wen Tongtong was also a person who bullied the weak and feared the strong. Now that Lin Shanchu was holding a blade and could cut her face at any time, she was naturally afraid of her.

"Jinhong, save me! Jinhong...!" She began to cry.

"Don't move." Lin Shanchu's voice was lazy, but there was a hint of impatience. "I'm not like you professional dancers who can control your strength. If the cut is too deep and ends up leaving a scar, you won't be able to survive in the entertainment industry anymore."

Wen Tongtong's body stiffened instantly. She only dared to call Xia Jinhong's name softly.

"Jinhong.... "

## Chapter 59: Crashed Due to Fear

Xia Jinneng seemed to not have heard Wen Tongtong's cries for help. Instead, she stayed in place without moving.

She seemed to be lost in thought.

No one knew what she was thinking.

"Jinneng?" Wen Tongtong's voice became more and more flustered.

At this moment, Xia Jinneng took out her phone from her pocket and sneered at Lin Shanchu.

"Lin Shanchu, once I take a picture of you hurting people with a blade, how long do you think you can keep flaunting?"

Lin Shanchu didn't even bat an eye at Xia Jinneng's threat.

She turned her head slightly and looked at Wen Tongtong, who was already stunned.

"Wen Tongtong, when you were working so hard for Xia Jinneng, have you ever thought that such a day would come?"

Wen Tongtong looked at Xia Jinneng in a daze before begging, "No, Jinneng...

I want to make my debut... I don't want my face to be cut..."

Xia Jinneng sneered in return. "Didn't you say that we're good friends and that you'll do anything for me?"

Wen Tongtong stared at Xia Jinneng in disbelief. "Are we really friends?"

"Silly girl." Lin Shanchu gently leaned into Wen Tongtong's ear and whispered hypnotizingly, "Of course not, she's just using you as her weapon."

Wen Tongtong turned around and looked at Lin Shanchu in a daze.

Lin Shanchu reached out to help her tuck her hair behind her ear. Her voice was very gentle as if the two of them had a very close relationship.

"Think about it. You've always been working for Xia Jinneng. When has she ever helped you? "

Wen Tongtong recalled the past.

Memories of the past flashed through her mind.

Xia Jinneng was sick, so she bought medicine for Xia Jinneng.

When someone scolded Xia Jinneng, she retorted immediately.

When she was a trainee overseas, Xia Jinneng was already getting paid, but she was still the one paying for the meals every time they went out.

In her memory, Xia Jinneng always looked for her because she needed her help.

Whenever she needed Xia Jinneng's help, Xia Jinneng would always come up with all sorts of excuses to avoid her.

Xia Jinneng waited for a long time, but Lin Shanchu still didn't cut Wen Tongtong's face. She started to get anxious.

"Wen Tongtong, why are you still listening to her nonsense at this time?" she asked.

"Even if we can't take her unsavory pictures, as long as we can get a video of her hurting people with a blade, we can still destroy her! "Hurry up! Otherwise, it'll be too late when the others come back!"

"Don't you hate her too?"

Wen Tongtong slowly turned her head and looked at Xia Jinneng with resentment in her eyes. "I don't hate Lin Shanchu."

"What?" Xia Jinneng didn't expect Wen Tongtong to change her mind at the last minute. "What are you..."

Wen Tongtong's shriek interrupted Xia Jinneng.

"I hate Lin Shanchu because of you! You told me Lin Shanchu came to steal your limelight and your position in Class A, so I targeted her everywhere!" Xia Jinneng was originally recording a video.

Hearing this, she looked up from her phone screen. "What do you mean? Are you saying that you blame me?"

Xia Jinneng's face was full of disdain. "I didn't ask you to do all this. You're the one who's targeting Lin Shanchu!"

Lin Shanchu noticed that Wen Tongtong's fists, which were hanging by her sides, were slowly balled together.

It was time.

Lin Shanchu slowly released the grip she had on Wen Tongtong.

"Are you even human?"

Wen Tongtong was so angry that she got up and pounced on Xia Jinneng.

The two of them started to fight.

Wen Tongtong pulled Xia Jinneng's hair while scolding, "You b\*tch!"

"You're the f\*cking b\*tch! You're like a damn pug who keeps sticking to me! I can't get rid of you even if I want to!" Xia Jinneng also wanted to pull Wen Tongtong's hair.

It was a pity, though.

Wen Tongtong had short hair.

She was also stronger than Xia Jinneng.

Xia Jinneng tried to grab Wen Tongtong's hair but failed.

As the two of them tore at each other, the phone fell to the ground.

Lin Shanchu picked up Xia Jinneng's phone and deleted the video that she had recorded of her pinning Wen Tongtong down.

After that, she opened the mailbox and found a text message from Tang Qidai to Xia Jinneng.

[Do you know that Lin Shanchu has been on the trending list almost every day since she joined the production crew? Her popularity is extremely high. This popularity should have been yours.]

[You still have a chance if you can only make Lin Shanchu leave the production crew before the theme song is recorded.]

[Lin Shanchu's debut spot should have been yours. You're just taking back what belongs to you.]

[As long as we can photograph her nudes and post them, Lin Shanchu's reputation will be ruined. She will have to leave the production crew by then.]

[This should be easy to do.]

Tang Qidai was exactly the same as in the original novel.

In fact, she was even more ruthless than the version in the original novel. Women knew that what-if scenarios could ruin other women.

[As expected of the main female antagonist of the novel...]

The system's voice suddenly sounded.

Lin Shanchu could vaguely hear a hint of appreciation from the system's mechanical voice.

"There's no need to be envious," she said with a half-smile. "I can do what Tang Qidai can do."

The system was speechless.

Lin Shanchu looked at Xia Jinneng and Wen Tongtong, who were already fighting on the ground. "You see, I know how to drive a wedge between people too."

The system was silent for a full five seconds before it squeezed out five words.

[As long as you're happy.]

Lin Shanchu thought of something else.

"If I let Xia Jinneng and Wen Tongtong take a picture of me, will I be rewarded?"

This useless system was as perverted as Lu Shiyuan.

However, there was a difference between the two.

Lu Shiyuan was a pervert, to begin with.

The perverted thing about the trashy system was that it always made her carry out the tasks of receiving abuse from others.

The system's tone suddenly became excited. "Yes!"

Lin Shanchu sneered. "What exactly is the value of keeping around a sick system like you? Won't people kill you for real?" The system was so scared that it glitched out.

It was useless, perverted, and cowardly.

Even if no one wanted to kill the system, it would probably die on its own.

Noticing its frightened state, Lin Shanchu laughed at it mercilessly. "Can systems really be killed?"

An alarm sounded in Lin Shanchu's mind.

Then, the world fell silent.

Lin Shanchu tried to call out to the system in her mind.

However, the system did not respond.

Did... it crash?

Wasn't it a little too useless?

Lin Shanchu put the phone in her pocket.

Xia Jinneng and Wen Tongtong's hair and clothes were in a mess.

They were no longer as beautiful and proper as they were in front of the camera.

They were clearly two crazy women.

This fight wasn't very pleasing to the eye.

Lin Shanchu walked around them, opened the door, and walked out.

After taking two steps, she turned back and stuck her head through the door to look at them. "My roommates will be back soon. If you don't want to be laughed at by others, you have to finish this quickly."

Lin Shanchu even thoughtfully closed the door for them after that.

Then, she left the dormitory and strolled out.

The cameraman, who had been following her, was very excited to see her.

"Do you want to go to the training room?"

"Nope."

"Then where are you going?" The cameraman was a little disappointed.

Lin Shanchu said in a serious tone, "I'm going to ask the boss some questions.. Why did everyone else start shooting product placement advertisements except for me?"

The cameraman was speechless.

Could it be like this?

This girl looked so weak, but she really dared to say anything!

As Lin Shanchu walked, she let out a soft “ah”.

Then, she stopped.

“Our boss should still be here, right?” she asked the cameraman.

The cameraman nodded.

At this moment, the director’s voice came from the cameraman’s earpiece. “Don’t follow her. Just treat it as leaving the audience a cliffhanger.”

Hence, the cameraman turned around and left.

The commenters were puzzled.

[Huh? Mr. Cameraman, why aren’t you following her anymore? I want to see how she’s going to request a product placement ad from the boss!] [I seriously suspect that the production crew did this on purpose.]

[Is this the confidence of Backer Lady? She actually went straight to the boss to ask for a product placement ad!]

[What’s with the nickname “Backer Lady”?]

[Can’t you even understand that? She has a fiancé who’s one of the show’s sponsors.]

[Now that you can’t criticize Lin Shanchu, you can only blame her fiancé. Is it Lin Shanchu’s fault for having a rich fiancé?]

Lin Shanchu was the key element that could attract popularity for the production crew. Naturally, they paid close attention to her movements.

Before she arrived at Nan Mu’s office, he had already received the news that she was coming over to request for a product placement advertisement.

Therefore, when Lin Shanchu pushed the door open and came in, Nan Mu wore an expression that indicated he had been waiting for a long time.

“You’re here.”

Nan Mu then burst into laughter.

“What are you laughing at?” Lin Shanchu was confused.

“They said that you came to me for a product placement advertisement.” Nan Mu’s smile faded as he motioned for her to sit. He turned around and poured her a glass of water.

When Nan Mu turned back with the glass of water, he saw Lin Shanchu taking out a phone from her pocket and placing it on the table.

“Did you hide your phone?” Nan Mu was shocked.

“It’s not mine.” Lin Shanchu found the text message that Tang Qidai had sent to Xia Jinneng before handing the phone to Nan Mu.

Hearing that it wasn’t hers, Nan Mu’s expression relaxed. “What?”

Lin Shanchu lifted her chin slightly and motioned for him to see for himself.

Nan Mu’s relaxed expression suddenly became serious again.

“Who sent this message?”

“Who do you think this message was sent to?” Lin Shanchu asked instead of answering.

Nan Mu looked at the message again. [This popularity should have been yours.] “...Xia Jinneng?”

As the program’s executive producer, he had a better impression of outstanding members.

Xia Jinneng was the most favored member of the production crew at first.

Therefore, in the early stages, the production crew and Xia Jinneng’s company also cooperated to give her some publicity.

Even Nan Mu thought that Xia Jinneng would definitely be the central member of the show.

But before the show started, Lin Shanchu entered the venue.

On the first day of joining the production crew, she was already on the trending list, her popularity completely crushing Xia Jinneng.

During the initial stage assessment, Yun Wu the master dancer appeared out of nowhere and crushed Xia Jinneng in terms of strength.

As a result, Xia Jinneng, who had once been highly regarded by everyone, was demoted to Class B.

“Yes.” Lin Shanchu nodded.

Nan Mu sat down opposite her and continued to guess. “The person who sent the text message knew Xia Jinneng and hated you at the same time!”

Lin Shanchu continued to nod.

Slam!

Nan Mu slammed the table with his palm while exclaiming, “Isn’t that Tang... What’s the name again?”

“Tang Qidai,” Lin Shanchu reminded.

“Right!” Nan Mu had a strange look on his face. “Jidai? As in umbilical cord? Why did her parents give her such a name? No wonder I can’t remember her name.”

Lin Shanchu was speechless.

Before she came into contact with Nan Mu, she had thought that he was the kind of person who was very powerful and had a strong aura.

After all, he was the one who was able to unearth Huo Xunzhou, whose popularity was off the charts.

Now that she had more contact with him, she realized that she had misunderstood Nan Mu.

Sometimes, Nan Mu could be quite... silly.

Noticing Lin Shanchu’s speechless expression, Nan Mu quickly returned to the main topic.

“We can’t take Tang Qidai down with just this text message.”

He didn’t point out the more depressing fact.

Tang Qidai had Lu Shiyuan’s support.

A text message like this was not a threat to Tang Qidai at all.

“I know.” Tang Qidai was the biggest female antagonist in the entire novel, so of course, she would not be defeated so easily.

Nan mu said, “Then what you mean is...”

“Doesn’t everyone say that there are no secrets in this industry? There will always be people who know that Tang Qidai and Xia Jimgeng are friends! Just publish the message without revealing any names. People will naturally link it to Tang Qidai.

“Tang Qidai is used to being rude and unreasonable all these years. Naturally, she can’t stand the slightest provocation. It’s inevitable that she’ll enter the battlefield and do something to match the situation.

“When the time comes, even if I can’t defeat her, I can still coat her with stains, right?

“Sooner or later, her reputation will be ruined.” Lin Shanchu finished her speech slowly.

Her expression was as gentle and kind as usual.

However, Nan Mu’s scalp was already numb just by listening to her. He had goosebumps all over his body.

Once a woman became ruthless, there really was nothing left for a man to do.

“That makes sense. I’ll get someone to do it immediately.” Lin Shanchu nodded slightly and thanked him with a smile.

“Thank you,” she said.

When she smiled, her eyes curved upward brightly with child-like innocence.

They were so clean that not a speck of dust could be seen.

No one could associate her with the word “scheming.”

Nan Mu quickly calmed down before bringing up the product placement advertisements.

“Actually, there were people who wanted you to advertise for them on the first day you joined the production crew, but I didn’t accept their requests because those advertisements had worked with the Lu Corporation before.”

As he spoke, he paid attention to Lin Shanchu’s expression. He was a little worried that she would be dissatisfied with his arrangement.

After all, he also had some selfish motives.

He really hated Lu Shiyuan, so he wanted to avoid direct or indirect contact with him in business as much as possible.

Lin Shanchu could more or less understand what Nan Mu was thinking. She laughed and said, “You’re my boss, so you make the call.”

Nan Mu let out a sigh of relief.

“But don’t worry, I’ve already contacted Capital City in terms of resources. I’ll arrange something for you latest by the first public showdown.”

“There’s no rush.” Lin Shanchu looked indifferent.

Nan Mu thought that Lin Shanchu did not believe him.

When he sent Lin Shanchu out, he repeatedly promised Lin Shanchu that he would arrange for her to shoot a product placement advertisement.

That enthusiastic look was very much like an employee who promised his boss that he would definitely complete the key performance indicator at work.

It was only after Lin Shanchu had walked far away that Nan Mu suddenly came back to his senses.

He began to have doubts about himself.

Who was the boss again?

Creak...

The door of the lounge behind him opened at that moment.

“Xunzhou.”

Nan Mu turned around and continued, “You know Lin Shanchu quite well. She’s just using the product placement advertisement as a cover and came to me for something else.”

Huo Xunzhou had been listening to their conversation from behind the lounge door.

He roughly understood what had happened.

He reached out to Nan Mu.

Nan Mu handed the phone to him.

When Huo Xunzhou was reading the message on the phone, Nan Mu laughed slyly while saying, “Why did you hide when Lin Shanchu came just now? Did you do something to let her down?”

Huo Xunzhou, who had been scrolling through the inbox on the phone screen, suddenly paused in his actions.

He raised his eyes and looked at Nan Mu coldly.. “Do you want to find out?”
