

Chapter 101: Beauty is Only Lin Shanchu's Strength Not Mentioning

As Huo Xunzhou spoke, his eyes had already fallen on Lin Shanchu.

The camera also cut to Lin Shanchu.

Lin Shanchu went along with Huo Xunzhou fluently. "That's right, I also want to be like you, Mr. Huo. I want to earn everyone's affection through my own strength."

Her eyes were very serious.

Huo Xunzhou stared at her intently for a second or two. After making sure that her serious expression was genuine, he smiled.

"Then, let everyone see your strength."

He turned around and faced the camera. "Next up, please watch the performance of the dance group for 'Death of the Universe'!"

The commenters went ballistic.

[He's smiling at the camera! I'm dead!]

[F*ck! It's finally happening! I'm so nervous!]

[It's nothing to win in arguments. Use your strength to clap back on the stage!]

[To be honest, Lin Shanchu's honest personality is quite likable, but I don't think her performance will be good.]

[I hope she can live up to Huo Xunzhou's admiration and not perform badly!] Lin Shanchu's group was dressed in red.

All the members of the group were physically attractive. They had fair skin and long legs, and they looked cool and beautiful in their red costumes.

As soon as the music started, the members took their places, and their eyes became sharp.

Everyone treated this performance as their last performance in the show. Without the pressure, they were relaxed and did not forget their movements because of nervousness.

No one made any mistakes in such an intensive dance. Also, they nailed their tempo perfectly without dancing too quickly or too slowly.

Everyone was fully focused.

Even if they were to get eliminated in the end, they had to ensure that Lin Shanchu remained on the debut list.

The power of unity should not be underestimated at any time.

As the music entered the climax, the dance moves became more and more difficult. However, everyone was getting more and more excited as they started to immerse themselves in the performance. The audience below the stage was infected.

They began to cheer for them.

A barrage of exclamations appeared on the bullet screen.

[Who claimed that Lin Shanchu can't do it?]

[What is it that Lin Shanchu can't do at all?]

[Lin Shanchu seriously led this group to victory! Sister Lin, you're awesome!]

[Everyone in this group is amazing!]

[As a fan of SOF, Lin Shanchu's team might not have a good foundation, but they have perfectly interpreted the power that "Death of the Universe" is trying to convey!]

[Her gaze, her legs, and her performance! Lin Shanchu, you must get your debut right now!]

The comments went crazy.

The audience's screams had not stopped at all.

The director touched the top of his balding head and let out a long sigh of relief.

Backstage.

All the members widened their eyes in shock. "Oh my god! 'Death of the Universe' is so powerful!"

"It's completely different from yesterday's rehearsal! " "That group might be the most popular group!"

"Lin Shanchu is really awesome..."

Yun Wu immediately screamed and cheered happily. "Ahhh! Shanshan is so awesome!"

She had also gone to see Lin Shanchu's group training before.

However, she had never seen Lin Shanchu and the rest of the group training together.

She only knew that Lin Shanchu would definitely be fine, but she did not expect Lin Shanchu to lead her teammates so well.

Meanwhile, Xia Jimmeng, who was watching from the side, felt her heart turn cold.

She had been looking for Lin Shanchu's mistakes, but she could not find a single one even when the performance was almost over.

This made her extremely annoyed.

She was even more annoyed when she heard Yun Wu's words. "She's going to be the most popular member this time. What's there to be happy about?"

"You reek of jealousy." Yun Wu shot her a glance.

Xia Jimmeng retorted, "Me? Jealous? What's your rank, huh?"

Yun Wu gave Xia Jinneng a meaningful look, deciding to let her realize on her own.

Xia Jinneng was speechless.

In the guest seating area at the front, Tang Qidai was just like Xia Jinneng. She stared at Lin Shanchu with a serious expression, trying to find out if she had made any mistakes.

However, until the end of the performance, Lin Shanchu did not make any mistakes.

Tang Qidai gripped the armrest of the chair so tightly that her newly manicured nails started loosening. She still could not accept the fact that Lin Shanchu had actually performed “Death of the Universe”.

How could Lin Shanchu, that trash, be able to perform that dance well?

She got someone to boost Lin Shanchu to the trending list and convinced her manager to let her attend the show just to witness Lin Shanchu’s tragic performance onstage.

She didn’t come here to watch people cheer for Lin Shanchu!

The moment the performance ended and the music stopped, thunderous applause erupted from the audience.

Tang Qidai could not help but take deep breaths to suppress the burning anger in her heart. She swallowed her anger and followed suit by clapping mechanically.

The applause only subsided after a while.

“What a wonderful performance! Isn’t that right, everyone?” Yu Weixin exclaimed after getting on the stage.

He raised his voice when he spoke the second half of the sentence.

“Yeah!” The audience responded loudly in unison.

The comment section was also dominated by the word [Yeah!].

[What kind of goddess is Lin Shanchu? She performed the dance of the underworld during the initial assessment stage, and now she performed the dance belonging to a boy band!] [Everyone in this group is great! Even Ning Yunxi pulled her weight!] [Ning Yunxi: Mind your manners!]

[In front of the long-legged cool beauties in red dresses, the fairies in white dresses are simply not worth mentioning!]

[I’m dead. Is beauty really just Lin Shanchu’s strength that’s not worth mentioning?]

“Next, the voting round shall commence,” Yu Weixin announced.

After the voting session ended, it was time for the mentors to comment.

Qin Shuya picked up the microphone impatiently. “Gentlemen, I’ll go first.” Bai Yu and Xu An both gestured for her to continue.

Qin Shuya turned to look at Lin Shanchu, her eyes full of undisguised admiration. “Lin Shanchu, I hate the fact that I don’t have a voting device in my hands. Otherwise, I would definitely vote for you.”

As a professional dance instructor, saying such words was undoubtedly the greatest recognition of Lin Shanchu’s skill.

The director gave Lin Shanchu a close-up.

After the dance, Lin Shanchu was still a little breathless. The thick stage makeup on her innocent face didn't clash at all. Beads of sweat hung on her fair forehead, and her hair was wet with sweat, which added to her charm.

The commenters swooned over her.

[We're all adults here, so I'll be blunt. Big sister, please give me a chance!

Ahhhh!]

[My mom asked me why I was licking the screen earlier...] [That's enough, you guys! Can you make room for me to lick the screen too?]

"Thank you, Ms. Qin." Lin Shanchu bowed slightly.

"I'm not done yet!"

Qin Wuya continued, "Actually, I've been worried about you since the initial stage assessment, but now, I feel that my worries were unnecessary. You have tenacity, and a very strong tenacity too, to boot. This is what we need the most in our line of work..."

Qin Shuya couldn't help but drone on and on happily.

It was until the director's crew shouted at her through the earpiece. "Ms. Qin, the time for this segment is quite limited. Please give the other mentors a chance to comment."

Qin Shuya could only stop commenting about Lin Shanchu before turning to the other members.

"I heard that all of you are on the elimination list, but your performance today made me feel that you're not bad at all. It's just that the audience hasn't seen you yet, but the audience should have seen you by now.. I wish you all the best!"

Chapter 102: Grudge Between Two Husbands

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Ning Yunxi burst into tears after hearing Qin Shuya's words.

Since Lin Shanchu was standing next to her, Ning Yunxi pounced into her arms and started crying.

Ning Yunxi had always loved to cry. She had been so serious in her performance just now and did not shed a single tear. Lin Shanchu and the other groupmates were very pleased to see that.

Since Ning Yunxi wanted to cry her heart out, Lin Shanchu decided to let her do so.

Lin Shanchu even patted Ning Yunxi's head to comfort her.

In the end, Ning Yunxi cried even louder.

The other groupmates had always been in the background since they joined the production crew

This was the first time they had received their mentor's approval, so they could not help but tear up.

They could have endured it.

However, they could not help it when Ning Yunxi was crying so sincerely.

Wen Tongtong usually didn't talk much to people. Compared to her, the beautiful but miserable Lin Shanchu was much easier to get along with.

So, they all rushed into Lin Shanchu's arms and cried.

Lin Shanchu was speechless.

She didn't think she was close enough to hug her groupmates and cry together.

However, her groupmates seemed to trust her a lot.

It was as if she was very reliable in their eyes.

After a short moment of confusion, Lin Shanchu reached out and patted their heads one by one. "All right, that's enough. Stop crying."

As she comforted them, she realized that her groupmates were crying even more.

Her teammates were very touched. At the same time, they felt sorry for Lin Shanchu.

Lin Shanchu was clearly the most miserable one, but she remained strong enough to comfort them.

Lin Shanchu, who didn't know what was going on, was speechless.

What did they want her to do?

She really didn't know how to comfort people.

After all, she didn't know how to do anything other than cry in the past.

The commenters were heartbroken.

[I don't know why, but I feel like crying too.]

[Lin Shanchu: Why are you all crying? I'll just comfort you. Huh? Why are you still crying? Should I keep comforting you or not?]

[I'm so envious that they can cry in the arms of a beautiful woman!]

[Ms. Qin is right. Lin Shanchu is really tenacious. She looks weak, but she's not really weak. I have high hopes for her!]

The people at the scene were amused by Lin Shanchu's helpless expression.

The beautiful woman didn't know how to comfort people. She just stood there, not knowing what to do and feeling anxious. No matter how they looked at it, they felt that she was cute.

Fortunately, her groupmates were quite sensible. After Lin Shanchu comforted them, they gradually calmed down.

Yu Weixin still had a smile on his face. “Let’s welcome the members of ‘I Like You the Most’ onstage.”

The two groups of members stood side by side on the stage.

An Youyun’s group’s song was a cute love song, and their costumes were also very cute and frilly.

Lin Shanchu’s group was wearing the same heavy makeup and bright red costumes. When they stood there, they looked like a bunch of eye-catching wild roses.

The contrast between the two groups was too strong.

The commenters started discussing the groups. [The group of “Death of the Universe” is seriously attractive.] [I’m starting to worry about “I Like You the Most”.]

[The victory has been decided.]

[There’s no need to point out who the victor is before the actual result is released.]

[Well, they just refuse to accept the truth.]

It wasn’t just the comment section that was arguing about the votes for the two groups.

Even the audience started to discuss among themselves.

An Youyun had always been popular.

Lin Shanchu came first in the previous episode, and her performance today was extraordinary.

Everyone knew in their hearts that the queen of popularity was very likely to be one of these two.

Among the members whose votes had already been announced, the only one who could compete with these two was Yun Wu.

Huo Xunzhou flipped through the script in his hand and announced, “Next, we’ll be announcing the final votes for ‘Death of the Universe’ and ‘I Like You the Most’. Please look at the screen!”

On the big screen, the votes for the two groups of members other than the two in the center kept jumping.

When the final tally came to a stop, it shocked everyone immensely.

The mentors looked at each other. The audience was whispering to each other.

“How did this happen?”

“This is really too surprising...”

Huo Xunzhou also frowned slightly.

Huo Xunzhou picked up the microphone. “So far, the total votes of the five members of ‘Death of the Universe’ is 480. The total votes of the five members of ‘I Like You the Most’ is 240.”

There were a total of 800 people in the audience.

Assuming everyone cast their votes, Lin Shanchu could get a maximum of 320 votes.

On the other hand, An Youyun's maximum vote count was 560.

An Youyun's popularity was clear for all to see, and there was nothing wrong with her performance today. No matter how bad she was, it was impossible for her to only have 300 votes. The commenters were baffled.

[What the f*ck!]

[What's going on?]

[it seems that Lin Shanchu won't be the queen of popularity.]

[Only Yun Wu can compete with An Youyun.]

[Yun Wu's previous ranking caused her to fall out of the debut list. I don't think she'll be able to compete with An Youyun.]

An Youyun heaved a sigh of relief when she saw the statistics.

Ads by Pubfuture

She would definitely be the queen of popularity today.

An Youyun's eyes were filled with confidence. She raised her chin slightly and waited for Huo Xunzhou to announce the final votes for her and Lin Shanchu.

However, the director's crew, also known as the troublemakers, would never let Huo Xunzhou announce the final votes so easily.

They wanted him to leave everyone on a cliffhanger.

Bai Yu, who had always been a man of few words, was anxious. "Mr. Huo, don't keep us in suspense! Hurry up and announce Lin Shanchu's final votes!"

The commenters agreed with him.

[Bai Yu is so direct! I like that side of him!]

[I can tell that Bai Yu is more interested in Lin Shanchu's votes.] [Me too! I'm really looking forward to Lin Shanchu's votes!] "Do you really want to know?" Huo Xunzhou glanced at Bai Yu.

"Yes." Bai Yu nodded.

"I'm not telling you." Huo Xunzhou raised an eyebrow. His tone and expression were very indifferent.

But his tone was very serious.

He clearly expressed his dissatisfaction with Bai Yu.

Bai Yu was speechless.

He did not understand.

How had he offended Huo Xunzhou? The commenters were confused.

[Huh?]

[Does Bai Yu have a grudge against my husband?] [Does Mr. Huo have a grudge against my husband?] [Is there a grudge between two of my husbands?] The director's crew also felt that it was quite sudden.

The director said to Huo Xunzhou through his earpiece, “What’s wrong, Mr.

Huo?”

Huo Xunzhou adjusted his earpiece and pretended nothing had happened. Then, he gave Yu Weixin a look.

“All right,” Yu Weixin said. “Now, I’ll announce the final vote count for An Youyun.”

On the big screen, the number on the bar-shaped statistics chart with An Youyun’s name started increasing.

When the number stopped moving, a muttered discussion started again.

The commenters were all very confused.

Surprise flashed through Yu Weixin’s eyes. “An Youyun’s final vote count is 400 votes!”

The commenters reacted immediately.

[Why does An’an only have 400 votes?]

[Oh my god! An’an performed so well, but she only got 400 votes!] [That’s because someone else is better than your An’an!]

[Although our An’an only has 400 votes, she still has more than Lin Shanchu!]

When Lin Shanchu’s vote count was about to be announced, Yu Weixin sensibly stepped back and gave his spot to Huo Xunzhou.

“Lin Shanchu’s final vote count is 318!”

Huo Xunzhou’s eyes were still on the screen as he added, “Congratulations, Lin

Shanchu..”

Chapter 103: The Official Show Begins

As soon as Huo Xunzhou finished speaking, the crowd burst into applause.

There were even some in the audience who were shouting, “You’re the best, ‘Death of the Universe’!”

The commenters were in an uproar.

[“Death of the universe” has a total of 798 votes! Only two people forfeited their votes!]

[Although Lin Shanchu isn’t the queen of popularity, her group is the most popular!]

[The production crew really did put in a lot of effort in selecting the audience.

The results of the voting are very realistic.]

[No one in the “Death of the Universe” group screwed up. Lin Shanchu didn’t become the queen of popularity because the votes are split among all the members.]

[Anyway, Big Sister Lin is awesome!]

The audience spammed another round of [Big Sister Lin is awesome!] in the comment section.

Yu Weixin continued with the process.

“Now, let’s welcome Yun Wu to the stage.”

When Yu Weixin announced that Yun Wu was the queen of popularity, the comment section was soon filled with [That’s to be expected!].

Not only did An Youyun not become the queen of popularity, but the total votes of her group only allowed her to remain in the top eight groups.

She had never been so embarrassed before.

However, she forced herself to squeeze out a smile in front of the camera. “Congratulations, Yun Wu. You’ve finally surpassed Lin Shanchu.”

These words didn’t sound very pleasant to the ear.

The corners of Yun Wu’s eyes revealed a faint smile. “You have to work hard too. Even Xia Jinhong’s votes are higher than yours.”

Both she and An Youyun were not holding their microphones, so the audience could only see the two of them conversing, but they did not know what they were talking about.

The smile on An Youyun’s face froze.

Ever since Xia Jinhong returned to the country, she had been suppressing An Youyun in every aspect.

This time, Xia Jinhong performed on the stage with an injury, but she had more votes than An Youyun.

The commenters started speculating about the conversation.

[What did Boss Yun say to An Youyun? An Youyun’s expression changed after

that.]

[I can tell from Yun Wu’s smug expression that she must have said something nasty. An’an has a good personality and is friendly to everyone. I’m so heartbroken that she has to be bullied like this.]

[I used to have a good impression of Yun Wu, but now I’ve decided to become a hater.]

[The live broadcast is still ongoing. Why are An Youyun’s fans starting to spread rumors already?]

After Yun Wu’s speech, it was time for the “Death of the Universe” group to give their speech as the winning group.

It was already dinner time.

Lin Shanchu had been focused on watching the performances the entire afternoon. She felt that she had used up all her energy.

To put it bluntly, she was hungry.

In fact, she was starving!

She was so hungry that she didn't have the strength to speak. Lin Shanchu took the microphone and handed it to her groupmates.

"You guys go ahead."

Her groupmates were very touched.

Lin Shanchu, who was beautiful, kind, and quite pitiful, was giving them a chance to speak in front of the camera again.

The groupmates spoke one by one, and the last one was Wen Tongtong.

After Wen Tongtong finished her speech, she turned to look at Lin Shanchu.

"Actually, I'm quite envious of Lin Shanchu. If only I had friends who could come to the venue to cheer for me."

Lin Shanchu squinted her eyes and looked at Wen Tongtong.

She knew that Wen Tongtong was the one who wanted to cause trouble.

However, if Wen Tongtong had not mentioned this, she would have almost forgotten that Tang Qidai was still present.

She didn't want Tang Qidai to attend the recording for nothing.

Lin Shanchu went along with the topic. "I'm very surprised that she can come to the venue. I just don't know if my performance will disappoint her or make her satisfied."

The camera had already cut to Tang Qidai.

Lin Shanchu had spoken to her right away, so she didn't have time to formulate a good response.

Of course, Tang Qidai had to respond to Lin Shanchu.

The moment she saw Lin Shanchu's group taking first place in the first showdown, Tang Qidai was so angry that she was about to explode on the spot.

However, she had to force herself to praise Lin Shanchu.

"Your performance really surprised me, Shanshan. Although your foundation in dance isn't the best, your performance today is still the best for me! As your best friend, I'd like to thank your groupmates for taking care of you."

The commenters started to debate about Tang Qidai.

[I feel that Tang Qidai didn't mean what she said.]

[I'm confused. Are Tang Qidai and Lin Shanchu good friends or not?]

[As if they're good friends? Haven't you picked up the pretentious fakeness in Tang Qidai's words?]

[Tang Qidai first said that Lin Shanchu's foundation in dance is poor, then she thanked her groupmates for taking care of her. Isn't she implying that Lin Shanchu relied on her groupmates in order to perform well? With that, Tang Qidai wiped out Lin Shanchu's hard work and effort! As expected, this woman is super pretentious!]

[Wow! I'm enlightened! You're awesome, class rep!]

Everyone in the industry was smart enough to understand the hidden meaning of Tang Qidai's words.

They all revealed meaningful expressions.

Lin Shanchu's groupmates were all in their twenties.

Ads by Pubfuture

Other than Wen Tongtong, the rest of them had never been beaten by society.

Thus, they did not immediately catch the deeper meaning in Tang Qidai's words.

They were just a little confused. As good friends, shouldn't they be flattering each other and saying some words of encouragement at this time? Why did Tang Qidai suddenly thank Lin Shanchu's teammates?

Ning Yunxi was the most confused.

Yu Weixin saw that she looked like she wanted to say something, so he handed her the microphone.

"Ms. Tang, it's actually Lin Shanchu who has been taking care of us. I have the worst foundation in our group. If it wasn't for her help, I'd be crying right from the start on the stage today."

Groupmate A said, "Yeap. Lin Shanchu keeps rehearsing with us over and over again."

Groupmate B added, "After the rehearsal yesterday, Lin Shanchu encouraged us just when we were about to give up."

Groupmate C said, "We wanted to take care of her, but she wouldn't let us."

Wen Tongtong also said, "Lin Shanchu is a very responsible and capable group leader."

All of Lin Shanchu's teammates were on her side.

It shouldn't be like this!

Ever since Tang Qidai was young, whether it was Lu Shiyuan or Lin Shanchu's other friends, she only needed to use some tricks to easily sow discord and make them stay away from Lin Shanchu while taking Tang Qidai's side.

However, ever since Lin Shanchu joined the production crew, her tricks seemed to be useless.

She had never been so angry before!

Tang Qidai's fingers started to go white from the strength she used to hold the microphone.

Her gentle voice seemed a little hardened at that point. "It seems that

Shanshan has really grown a lot in this show."

“Yes.” Lin Shanchu looked at her from a distance and said with a smile, “Don’t leave so quickly later. I’ll treat you to the cafeteria’s food.”

“Since we’re such good friends, there’s always time for us to grab a meal together, right?”

Tang Qidai gritted her teeth. “Sure thing.”

In the comment section, Tang Qidai’s fans started spamming the comments.

[Lin Shanchu finally regained her conscience. She finally admitted that she and Daidai are good friends.]

[Daidai’s sacrifice is finally paying off.]

[Lin Shanchu, don’t let Daidai down again.]

The other audience members looked forward to dinner. [Those “good friends” are going to have dinner together again.]

[Suddenly, I feel very excited!]

[Guys, the official show is finally starting!]

[Based on my understanding of the production crew, they’ll definitely broadcast dinnertime for us!]

[That’s right! The production crew of “My Stage” is the most sensible production crew I’ve ever seen!]

Chapter 104: Couples Can Be Niche, But Not Sick and Twisted

The recording of the show ended.

Logically speaking, everyone would go to change their clothes first before going to the cafeteria to eat.

After the members returned backstage, they all paid attention to Lin Shanchu’s movements. No one went to the changing room to change first.

Lin Shanchu was going to eat with Tang Qidai!

They could never catch such an interesting show elsewhere!

Under the anticipation of the crowd, Tang Qidai went backstage.

Behind her was the cameraman, who Lin Shanchu was familiar with.

“Shanshan, are you done?”

“Let’s go.”

Lin Shanchu smiled and walked over to Tang Qidai.

Tang Qidai reached out to hold Lin Shanchu's hand.

Lin Shanchu deliberately raised her hand to smooth her hair, naturally avoiding Tang Qidai's hand.

A trace of anger flashed across Tang Qidai's eyes, but she quickly regained her composure. "The food in the cafeteria is pretty decent."

"Yeah."

Lin Shanchu first nodded in agreement, then seemed to have thought of something. She added happily, "At noon, I heard from the cafeteria's serving lady that there will be your favorite chicken salad tonight."

Lin Shanchu's sudden cooperation with Tang Qidai in putting on a show of sisterly love made the latter a little confused.

However, when she thought about how she had screwed up in the afternoon when she was recording the show, she didn't have time to think about it. So, she just went along with Lin Shanchu by looking surprised and delighted.

"Really?"

"Not only that but there will also be blueberries."

Blueberries were Tang Qidai's favorite fruit.

Tang Qidai was a little surprised that Lin Shanchu still remembered that she loved to eat blueberries.

Soon, she understood something.

The cameraman kept following them, which meant the livestream was still ongoing.

The comments became lively because of the simple conversation between the

two.

[How ironic! Lin Shanchu remembers Tang Qidai's favorite dish and fruit!] [Tang Qidai didn't even know that Lin Shanchu is allergic to mangoes.]

[It's no secret that Tang Qidai likes to eat chicken salad and blueberries. All her fans know about it.]

[Doesn't this show that Lin Shanchu cares about Tang Qidai a lot?]

[People who care about others keep their feelings hidden. Those who claim to care about someone tend to be liars.]

[It's hard to disagree with you.]

If You Have Papillomas On Your Chest, Neck Or Armpits, Read This!

METABON

Lin Shanchu smiled at Tang Qidai with her eyes curving upward.

This made Tang Qidai recall the first time she met Lin Shanchu when she was ten years old.

The ten-year-old Tang Qidai was poor in vocabulary.

She couldn't describe how she felt when she first saw Lin Shanchu.

At that time, Lin Shanchu was holding Lu Shiyuan's hand. Her smiling eyes were like crescents, untainted by dust.

She felt that Lin Shanchu was like a princess, but also like an angel.

It made people want to get closer to her, but it also made people jealous at the same time.

From then on, Tang Qidai wanted to become Lin Shanchu by replacing her.

She had been working hard for this all these years.

However, just as she was getting closer and closer to success, Lin Shanchu suddenly seemed to have changed into a different person.

Lin Shanchu began to fight back.

All these days, every plan she had implemented to suppress Lin Shanchu had been perfectly resolved by the latter.

Lin Shanchu even took the initiative to attack.

For the first time, Tang Qidai finally realized that Lin Shanchu was no longer the useless person who did not fight back when she was hit or scolded.

Tang Qidai was so focused on her thoughts that she forgot to control her expression, resulting in her looking very cold.

Lin Shanchu reached out to tidy up Tang Qidai's slightly messy hair while asking leisurely, "Why do you have that look on your face?"

Her expression was natural and her posture was intimate. The members behind Tang Qidai and Lin Shanchu as well as the audience in the live broadcast room who were watching the show were all confused.

Tang Qidai came back to her senses.

She resisted the urge to avoid Lin Shanchu's hand before forcing two teardrops out of her eyes.

"Shanshan, you're such a wonderful person. I didn't expect you to even remember what I like to eat. I've been so busy for the past two years that I've forgotten that you're allergic to mangoes. I really don't deserve to be your friend."

Tang Qidai cried so hard that even her snot bubbles were coming out.

Lin Shanchu gently wiped Tang Qidai's tears away while sighing out loud. "You look so ugly when you cry."

Tang Qidai's face froze for a moment.

The commenters were laughing.

[I'm done! Not only do I not understand the relationship between the three of them, but I can't even figure out the exact relationship between Tang Qidai and Lin Shanchu.]

[Guys, I'm sick. I think I like the idea of both of them being a couple...] [Lin Shanchu and Tang Qidai? Together?]

[Two women who loved and hated each other since young. That sounds really exciting...]

“Then I won’t cry.” Tang Qidai sniffled.

Forcing herself to cry was a skill, and it was very difficult for her to cry on the spot.

When they arrived at the cafeteria, the two of them took their food and sat opposite each other.

Tang Qidai took the initiative to start a conversation with Lin Shanchu. “I wanted to bring you a bouquet of flowers on my way here, but I was too busy and didn’t have time.”

“Next time then.” Lin Shanchu did not even look up.

Ads by Pubfuture

“My focus will be on the capital city from now on, so I might not have the chance to be there for future public showdowns. I’ll come back to cheer you on during the girl group’s debut night.”

Although Tang Qidai said that, she was actually thinking that as long as she was around, Lin Shanchu could forget about entering the finals.

How could Lin Shanchu not understand the deep meaning of Tang Qidai’s words?

She raised her eyes and looked straight at Tang Qidai. “Thanks for your kind words.”

Their gazes met in the air, not giving in at all.

Lin Shanchu lazily said, “Oh, right. Don’t give me white lotus flowers. You know, I feel disgusted whenever I see them. I’ll definitely throw them on the ground and trample them to pieces.”

Tang Qidai herself knew that the netizens had always referred to her as a pretentious woman and that her symbol was a white lotus flower.

Lin Shanchu was just mocking her at that point. Tang Qidai turned her face away while sounding very stiff. “I know.” The commenters were all laughing at Tang Qidai. [Hahaha! I seriously suspect that Lin Shanchu is referring to Tang Qidai!]

[What should I do? I really think they belong together!]

[Guys, you can support niche couples, but never sick and twisted ones!]

[I don’t care! I’m sick! I love the ChuDai love line!]

[What a bunch of crazy women...]

As a result, a topic named #ChuDai couple went on the trending list that night.

Meanwhile, at the training camp, after Tang Qidai had finished her meal, Lin Shanchu suggested walking her to her car.

Tang Qidai was afraid that Lin Shanchu would come up with some tricks again, so she quickly rejected him with the excuse that Lin Shanchu was tired after recording the program for the whole afternoon.

She then left in a hurry.

No matter how one looked at Tang Qidai’s figure, she seemed to be fleeing in panic.

What was there to be afraid of?

This was just the beginning.

“Death of the Universe” took first place in the entire competition.

The production crew worked overnight to edit the performance of “Death of the Universe” and uploaded it as the first video of the show’s channel.

They even edited the behind-the-scenes footage of Lin Shanchu’s group that showcased their training procedures.

As the winning group of the showdown, the group members had a chance to shoot a product placement advertisement for the show’s sponsors.

There was no studio in the training camp that could shoot advertisements, so Lin Shanchu’s group had to go out early the next morning to shoot the advertisement in the studio.

Therefore, Lin Shanchu went to bed very early the first night.

As the “boss”, Nan Mu stayed up all night to watch the show’s statistics. He was a model worker.

After looking at the data, he opened Weibo and saw Lin Shanchu and Tang

Qidai’s trending topic.

“The ChuDai couple?”

Nan Mu opened the topic and scrolled down the posts with mixed feelings.

How could the netizens love the idea of Lin Shanchu and Tang Qidai together?

They really were sick this time..

After taking a shower and lying in bed, Nan Mu was still thinking about Lin Shanchu and Tang Qidai being paired up by netizens.

The more he thought about it, the more puzzled he became.

He tossed and turned, unable to fall asleep.

Then, he opened Weibo again.

#ChuDai Couple climbed up two spots on the trending list.

It was the weekend, so there were many nocturnal netizens lurking around.

They were still surfing the net at such a late hour.

No.

He couldn't be the only confused one here.

Hence, Nan Mu called Huo Xunzhou.

Huo Xunzhou was a light sleeper.

He woke up the moment his phone rang.

Before he picked up the phone, he looked at the time. It was three in the morning.

“Speak,” he said.

It was an emotionless word, but it made Nan Mu feel a strong sense of oppression.

“It's about Lin Shanchu.” Nan Mu's desire to live was instantly ignited.

Huo Xunzhou didn't say anything, but he didn't hang up as well.

Nan Mu knew that his life was saved.

“Lin Shanchu and Tang Qidai are now on the trending list thanks to the netizens. You know about this, right?”

“Yes.”

It was Li MO who had told him.

Lin Shanchu was on the trending list a few times in a row. Li MO would tell him in detail what the trending topics and the netizens' comments were.

“Hyping up a love line really increases popularity. Why don't I find someone to hype up a love line with Lin Shanchu?” Nan Mu gradually forgot why he had made this call.

“Who are you looking for?”

Nan Mu racked his mind for a bit. “How about Ji Yuan?”

Lin Shanchu was one of his company's celebrities. Only someone with Ji Yuan's status was compatible with her.

Before Nan Mu could even think about it, Huo Xunzhou coldly rejected the idea.

“What I mean is...”

“No.”

Before Nan Mu could finish his sentence, Huo Xunzhou rejected the idea in a simple and crude manner.

“Yet you claim that you and Lin Shanchu aren't in that kind of relationship...” Nan Mu laughed a little wretchedly.

Huo Xunzhou did not say anything. Instead, he sneered.

Nanmu immediately cleared his throat and began to speak seriously.

“When Ji Yuan was the assistant mentor in the production crew, there were already netizens who wanted to see Lin Shanchu and Ji Yuan as a couple in which Lin Shanchu is the older one. I was thinking that after this

talent show is over, I'd let Lin Shanchu and Ji Yuan appear on variety shows together and hype up their love line as a couple...

"In this case, it'll be a matter of time before Lin Shanchu becomes the top female celebrity."

Nan Mu had already started to fantasize about rolling in money in the future.

Huo Xunzhou was silent for a few seconds before he asked, "What about anyone other than Ji Yuan?"

"Huh

Ji Yuan was already the most popular celebrity among the young celebrities in the company!

Nan Mu then reported the names of several young male celebrities from his company.

As expected, Huo Xunzhou rejected every single one of them.

Finally, Nan Mu understood the deeper meaning.

"Xunzhou, don't tell me you're... you're planning to be the one in the love line!"

"Ahem!"

Huo Xunzhou cleared his throat. "Well, that's not impossible."

"Hahaha! If you wanted to do it, why didn't you tell me in the first place?

Instead, you beat around the bush for so long..." Nan Mu laughed out loud.

"We'll talk about that later," Huo Xunzhou said coldly.

He hung up the phone.

Nan Mu threw his phone to the side and started to laugh uncontrollably.

Xunzhou was more or less a little angry from embarrassment.

To think that Huo Xunzhou finally discovered his feelings for Lin Shanchu.

How interesting.

The next morning.

The production crew had arranged for a car to send Lin Shanchu's group to the studio.

Out of all six members, only Lin Shanchu and Wen Tongtong had some experience with advertisement shooting.

Ning Yunxi and the other three groupmates had no experience at all.

They had been nervous since they got their makeup applied to them.

After they were done with their makeup, they all gathered around Lin Shanchu and looked for her to impart their experience.

Lin Shanchu told them about some of her previous filming experiences, and then they began to chat.

A groupmate grabbed Lin Shanchu's arm. "The rankings will be announced soon. If we're not eliminated, we still want to be in the same group as you."

"I don't want to be in the same group as you guys anymore." Lin Shanchu laughed.

They knew that Lin Shanchu was joking, so they laughed and started tickling her. Soon, they were all having fun with each other.

Wen Tongtong didn't join in. She only helped Lin Shanchu up when the latter was laughing so hard that she was about to fall to the ground.

"Didn't you say that we're going to start shooting at half past nine? It's already half past ten, and yet no one came to call us for the shoot."

Lin Shanchu glanced at the clock on the wall.

She had been chatting with her groupmates, so she didn't notice the passage of time.

Groupmate A said, "I heard that there's a shoot scheduled before ours. Is it because that shoot isn't done yet?"

"That's way too long." Ning Yunxi pouted.

Lin Shanchu stood up and suggested, "Let's go out and take a look."

Everyone was only allocated a limited period of time to use the studio.

Since the previous shoot had yet to end, that meant the crew was taking up Lin Shanchu's precious time.

Her groupmates had no experience, to begin with, and if they didn't have enough time, it would definitely affect the end product.

Lin Shanchu and the others had just arrived at the doorway of the studio when they heard sobbing coming from inside.

Among them were the consoling voices of the staff.

"But we still have to finish the filming first. There are still people waiting for their turn. "

"Control your emotions first. If you really can't do it, you can cry after you finish filming..."

The female celebrity who was surrounded by the staff continued sobbing while looking up at them. "What do you guys know? Today is Jing Ming's death anniversary..."

When she saw that face, Lin Shanchu's eyes flashed with surprise.

"Qiao Jiayi?" Wen Tongtong was the first to speak.

"Who is this?" Her groupmates were puzzled.

Ning Yunxi had a good memory, so she whispered, "She was the one who accused Big Sister Lin of stealing her participating spot."

"Oh, I remember now. She still put on a pitiful act on Weibo after that, right?"

But things didn't go her way.”

“Yup.”

“Wasn't she criticized badly by the netizens back then? How could she still get work now?”

Wen Tongtong had been in the entertainment industry for a long time, so she naturally knew more than her naive and innocent groupmates.

“Take a guess.”

Ning Yunxi blinked and whispered to Lin Shanchu, “Big Sister, what's the reason?”

“A lot of things can be bought with money,” Lin Shanchu said meaningfully.

“You mean she found herself a sugar daddy?” Ning Yunxi widened her eyes.

Lin Shanchu turned around and smiled as she reached out to knock on Ning Yunxi's head. “So, you even know about this.”

Ning Yunxi touched her head and smiled shyly.

It was a good thing that Yun Wu wasn't here.

She could enjoy Lin Shanchu's pampering.

Qiao Jiayi had always been a nobody, and the evidence of her framing Lin Shanchu for snatching her position was irrefutable. There was no way she could clear her name.

Therefore, the only reason she could still shoot an advertisement now was that she had spent money.

If Qiao Jiayi's family was rich, she wouldn't have remained as a nobody. In fact, she wouldn't need to suck up to Tang Qidai in the first place.

In that case, the only possibility was that she had found herself a sugar daddy.

In the entertainment industry, the only shortcut for those who had no power but didn't want to work hard to make a name for themselves was to find a sugar daddy.

Lin Shanchu had fair skin and long legs. She had already put on makeup and changed her clothes, and she looked so good that she was glowing.

She was particularly eye-catching as she stood at the door.

It quickly caught the attention of the photographer and the staff.

Qiao Jiayi also turned to look at Lin Shanchu.

When she saw that the person standing at the door was Lin Shanchu, her face stiffened, and she quickly snorted before looking away.

Lin Shanchu walked straight in.

Qiao Jiayi had previously falsely accused Lin Shanchu, so she was already feeling guilty.

Without waiting for Lin Shanchu to speak, Qiao Jiayi looked at Lin Shanchu in alert, “What are you doing?”

“You took up an hour of our shooting time.”

Qiao Jiayi was sitting on the ground. Lin Shanchu looked down at her, her tone lazy and her aura oppressive.

Qiao Jiayi had recently found herself a sugar daddy who was willing to throw money at her.

That was why she dared to take up the shooting time and throw a tantrum.

When she remembered that she had someone backing her up, Qiao Jiayi immediately hardened her resolve. “It’s just an hour. I’ll pay you guys.” Lin Shanchu didn’t want to waste time with Qiao Jiayi.

She turned around and looked for the accompanying staff. “Can I borrow your phone? Thank you.”

The staff member hesitated for a moment before handing his phone to Lin Shanchu.

Lin Shanchu tapped on the phone a few times and pointed the phone at Qiao Jiayi. “Repeat what you just said.”

“What are you doing?” Qiao Jiayi frowned.

Lin Shanchu looked up at her from behind the phone. “Live broadcast.”

“You’re f*cking crazy!” Flustered and exasperated, Qiao Jiayi started cursing on the spot.

Qiao Jiayi’s staff also tried to snatch the phone away.

Lin Shanchu’s accompanying staff immediately came out to protect her.

What a joke.

Before they came out, the director had repeatedly instructed that absolutely nothing must happen to Lin Shanchu, their key element of popularity.

The scene became chaotic for a moment.

Qiao Jiayi thought about how she was almost banned because of Lin Shanchu. Anger rose in her heart, causing her to want to slap Lin Shanchu in the face.

However, she was not as tall as Lin Shanchu.

Lin Shanchu was already prepared. She easily grasped Qiao Jiayi’s wrist in return.

The other staff members were all shocked.

“Qiao Jiayi, what are you doing?”

Recently, Lin Shanchu's popularity had been high. Even if Qiao Jiayi had a sugar daddy, her popularity was far lower than Lin Shanchu's.

It was fine that Qiao Jiayi acted arrogantly, but she actually dared to attack Lin Shanchu in public.

Lin Shanchu coldly shook off Qiao Jiayi's hand.

Qiao Jiayi raised her hand again while looking dissatisfied..

However...

Lin Shanchu's movements were faster than hers.

Slap!

The crisp sound of a slap was unusually loud in the studio.

The originally noisy studio instantly fell silent. Everyone looked at Lin Shanchu and Qiao Jiayi.

Was Lin Shanchu crazy?

She actually dared to hit someone in public?

Qiao Jiayi covered her face while staring at Lin Shanchu in disbelief. "How dare you slap me!"

Lin Shanchu shook her hand while nodding seriously. "Yup."

Her expression was as arrogant as it could get.

Qiao Jiayi was furious. "You..."

Qiao Jiayi couldn't take this lying down and still wanted to go against Lin

Shanchu.

However, when she saw Lin Shanchu moving her wrist, she was stunned and subconsciously covered the other side of her face.

The staff members at the side couldn't bear to watch.

Qiao Jiayi was so cowardly, and yet she still wanted to provoke Lin Shanchu.

"Get out of the way." Lin Shanchu raised her chin and motioned for Qiao Jiayi to move aside.

Qiao Jiayi's face was filled with dissatisfaction as she spoke ruthlessly. "I... I'm going to expose you!"

But she still moved to the side obediently. "Who are you exposing?"

A man's voice came from the door.

Everyone turned around and saw Huo Xunzhou standing by the door.

Nan Mu crossed his arms and looked like he was enjoying the show, while Huo Xunzhou looked indifferent as if he was not involved.

He didn't look like he had just arrived.

No one knew how long the men had been standing at the door.

"It's so lively here." Nan Mu pushed Huo Xunzhou into the room.

Then, Nan Mu looked at the staff who came with Lin Shanchu and the others. "Why hasn't the shoot started yet?"

The staff member glanced at Lin Shanchu. "It's about to start."

"Then let's get going." Nan Mu raised his hand and looked at his watch. "It's almost 11 o'clock. Why are celebrities so rude these days? To think that they're taking up other people's shooting time..."

Qiao Jiayi, who had been so arrogant just a moment ago, was now as quiet as a mouse in the corner. She didn't even dare to breathe loudly.

When Lin Shanchu heard that it was about to start, she walked up to the stage.

"I'm here to talk to you about something," said Nan Mu.

"What?" Nan Mu pulled Lin Shanchu to Huo Xunzhou's front.

Nan Mu was speechless. He lowered his voice. "Xunzhou came here to see you.

At least say something to him."

Huo Xunzhou was nearby and could hear Nan Mu's words clearly.

"Hello, Mr. Huo." Lin Shanchu looked at Huo Xunzhou.

Nan Mu was confused.

Huo Xunzhou pursed his lips and said after two seconds, "I'm here on business, so I dropped by to take a look."

"Oh." She knew that Huo Xunzhou would never specifically come to see her.

Their relationship wasn't that close.

Nan Mu was even more confused.

It was clearly Huo Xunzhou who took the initiative to ask him about Lin Shanchu's filming. When Nan Mu suggested coming over to take a look, Huo Xunzhou followed him without refusing.

However, in front of Lin Shanchu, Huo Xunzhou said that he was just passing by.

Huo Xunzhou sure was noble and amazing. Nan Mu felt that he wasted his efforts for nothing.

Lin Shanchu returned to the stage and started filming.

Nan Mu and Huo Xunzhou watched for a while and then prepared to leave.

When the two of them were about to reach the door, they saw Qiao Jiayi sitting in a corner while crying her heart out.

Qiao Jiayi couldn't afford to offend either of them. She hurriedly wiped her tears and stood up to greet them.

"President Nan. Mr. Hup."

Nan Mu didn't know why Huo Xunzhou would suddenly notice Qiao Jiayi, but he still tacitly asked, "Why are you crying?"

"Today is Jing Ming's death anniversary. I'm his fan." Qiao Jiayi had been crying because of this.

Nan Mu and Huo Xunzhou looked at each other.

Huo Xunzhou glanced at the handkerchief in the former's pocket.

Nan Mu unwillingly took out the handkerchief and handed it to Qiao Jiayi. "He's been gone for three years, but you're still so sad. It seems like you're a true fan."

"Thank you, President Nan." Qiao Jiayi received it, overwhelmed by the unexpected favor. She then sadly said, "If only Jing Ming didn't commit suicide..."

Then, she cried again.

She was indeed Jing Ming's true fan.

Back in the car, Huo Xunzhou took out his phone and opened Weibo.

The topic #Jing Ming was at the top of the trending list.

Nan Mu pulled on his seatbelt and looked at the phone. "Jing Ming is a really nice guy. He's been dead for three years, but the fans still miss him so much..."

Nan Mu fastened his seat belt and sighed. "It's a pity that he signed a contract with the Lu Corporation back then..."

In the afternoon.

Lin Shanchu and the others finished filming the advertisement and went backstage to change their clothes. When they came out, they heard the staff chatting among themselves.

"That trending topic has gone viral!"

"Many of Jing Ming's fans are calling Lu Shiyuan a murderer."

"What's the use of scolding him on the internet? The PR team of the Lu Corporation will still remove the trending topic."

When she heard Lu Shiyuan's name, Lin Shanchu quickly approached them.

"Can I take a look?"

The staff member turned around and met Lin Shanchu's big and bright eyes. He could not refuse her at all.

Lin Shanchu successfully used her beauty to trick the staff member into handing her his phone.

Her groupmates, who hadn't touched a phone in over a month, also came over excitedly.

When the groupmates saw the trending topic, the first thing they said was "f*ck".

“The last surveillance video of Jing Ming’s final moments was exposed!”

“It was actually posted on Jing Ming’s own account! “

Chapter 107: Lin Shanchu Is Here

Lin Shanchu had some impression of Jing Ming.

Jing Ming used to be a celebrity under the Lu Corporation and was trained as a representative celebrity by the company.

Just as Jing Ming’s career was at its peak, he suddenly committed suicide at home.

Now that three years had passed, many of his fans still had yet to get over his death.

They would still mourn him on his death anniversary every year.

The reason why Jing Ming’s death anniversary was mentioned in the original novel was to keep the plot going and cause Lin Shanchu to be abused and slandered.

But now, the plot had changed.

On the day of Jing Ming’s death anniversary, someone used Jing Ming’s Weibo account to post a surveillance video of his conversation with Lu Shiyuan in the corridor of the Lu Corporation.

It was obvious that someone wanted to mess with Lu Shiyuan.

Ning Yunxi urged Lin Shanchu, “Big Sister, hurry up and play the video!”

Lin Shanchu tapped on the surveillance video.

The background of the video was a corridor.

“President Lu!” In the video, Jing Ming was blocking Lu Shiyuan from a distance.

Lu Shiyuan looked a little impatient. “Jing Ming, I’ve already told you what I need to say. What you need to do now is to follow the company’s arrangements. ”

“President Lu, I really can’t do it .

“If you couldn’t do it, why did you sign the contract?”

Jing Ming lowered his head when he heard this.

Lu Shiyuan was followed by a large group of assistants and bodyguards, while Jing Ming, who was sitting opposite him, seemed to be alone and weak.

The date on the video was the day before Jing Ming committed suicide.

Therefore, the conversation in the video seemed to have a deeper meaning.

Back then, Jing Ming's fans were unable to recover from his suicide.

Now that such a video had been released, how could the fans let Lu Shiyuan go?

Lu Shiyuan's Weibo was immediately bombarded with comments.

In addition to the fans, there were also netizens who went to help scold Lu

Shiyuan.

[You're a capitalist who feasts on human blood!]

[Lu Shiyuan is a murderer!]

[Outstanding young man? Business genius? You're nothing but a murderer!]

[You forced Jing Ming to his death, and yet you're still able to live your life in peace! What right do you have to do that?]

[When are you going to die?]

Lin Shanchu's groupmates all looked up at her with different expressions.

Her fiancé was being scolded by the netizens, so she should still be a little sad.

However, they realized that they had been overthinking.

Not only was Lin Shanchu not sad at all, but she was also scrolling through the comments with great interest.

It was as if she was happy to see her fiancé being cursed at...

As she scrolled through the comments, she saw a comment that involved her in

the whole mess.

[Since Lu Shiyuan is a murderer, his fiancée is probably not a good person either. From now on, I'm a hater of Lin Shanchu!] A question mark slowly appeared above Lin Shanchu's head.

Lu Shiyuan, that f*cking trash!

He was the one who did something shady, but she ended up getting implicated and scolded as well!

Suddenly, the comments on Lu Shiyuan's Weibo disappeared.

Lin Shanchu snorted in disdain. "What kind of man is he to have closed off the comment section?"

Her groupmates were speechless.

Lin Shanchu had previously acted pitiful to her teammates and said that Lu Shiyuan didn't love her.

Now, it seemed that she didn't love Lu Shiyuan as well.

Her groupmates didn't dare to say anything, so they just looked at her silently.

The staff waited outside for a while, but the women didn't come out, so they came in to look for them.

“Ladies, are you done? We’re going back now.”

Lin Shanchu returned the phone and followed the staff out.

As they walked, they realized that this was not the way to the main entrance. Lin Shanchu asked, “Are we not going through the main entrance?”

“There are reporters at the front door. It’s not convenient for you to take the way,” the staff said with a complicated expression.

Lin Shanchu suddenly understood.

It was all because of Lu Shiyuan.

Lu Shiyuan must be hiding in the Lu Corporation right now. The reporters couldn’t corner him, so they came to corner his fiancée.

That filthy trash!

Lin Shanchu kept cursing Lu Shiyuan in her heart while a gentle smile remained on her face.

“Miss,” she said. “Please leave with my groupmates first. I’ll be right behind you.”

The staff member remembered the director’s instructions. Naturally, she would not let her go alone.

“No way.”

“It’s okay. I can do it,” Lin Shanchu continued to persuade the staff member gently.

It was hard to reject a good-looking person.

The staff member thought for a moment. “Then, we’ll change our clothes. You can put on a cap and a mask to disguise yourself. You definitely won’t be recognized. ”

“Thank you, miss.” Lin Shanchu shot the staff member a big smile.

The staff member’s heart melted. Before she left, she even handed Lin Shanchu her phone. “Take my phone with you. If anything happens, call us.”

Lin Shanchu stood in the distance, watching the staff leave with her groupmates through the back door.

The reporters swarmed in and surrounded them.

Only then did they realize that Lin Shanchu was not among these people.

“Where’s Lin Shanchu?”

“She had something to do, so she left.”

The staff member was very good at dealing with such a situation and lied without even blinking.

Ads by Pubfuture

The reporters were still skeptical, but they could only let the staff go first.

Most of the reporters left, leaving only a few reporters who were still unwilling to give up and kept looking into the studio.

Lin Shanchu's phone rang.

The staff had already made the arrangements. "We'll pretend to leave first.

When the reporters have left, we'll come back to pick you up."

"All right." Lin Shanchu's tone was very obedient.

The staff member was very pleased.

She loved to deal with popular but sensible celebrities like Lin Shanchu.

She hung up the phone.

Lin Shanchu stood in place for a moment.

Then, she turned around and walked toward the main entrance.

Qiao Jiayi's morning shoot had not ended yet. When she heard that Lin Shanchu had finished filming, she rushed over.

As soon as she walked in from the gate, he saw Lin Shanchu taking off her mask and walking over.

"Lin Shanchu!"

Qiao Jiayi was Jing Ming's true fan, so she knew about what had happened online.

It was human nature to bully the weak and fear the strong.

Qiao Jiayi didn't dare to look for Lu Shiyuan, but she dared to vent her anger on Lin Shanchu.

Lin Shanchu only lightly glanced at Qiao Jiayi before walking straight past her.

Qiao Jiayi felt completely ignored. She turned around and ran outside to shout at the reporters. "Lin Shanchu is here!"

After she finished shouting, she turned around and looked at Lin Shanchu with a smug expression.

But this time, Lin Shanchu did not even look at her.

Lin Shanchu calmly took off her sunglasses and cap.

She revealed her extremely beautiful face.

The reporters were like cats that smelled fresh fish as they swarmed toward

Lin Shanchu.

The cameras kept on flashing.

"Lin Shanchu, there are rumors online that your fiancé, Lu Shiyuan, forced Jing Ming to take his own life. Do you have anything to say about this?"

"Do you know how he forced Jing Ming?"

"Will Lu Shiyuan respond? When does he plan to respond?"

“The netizens feel that as Lu Shiyuan’s fiancée, you should take responsibility for Jing Ming’s death. What are your thoughts on this?”

Lin Shanchu calmly faced the camera.

When she heard the last question, she raised her eyes slightly and looked at the reporter.

The woman’s eyes were so clear that the reporter’s heart trembled.

Lin Shanchu smiled. “Can you point the microphone closer to me? I can’t reach it..”

Chapter 108: Thank You For This Opportunity, Brother Xunzhou

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

When the reporters heard this, they were collectively stunned for a second.

The people related to negative news had always avoided reporters.

This was the first time they had met someone as cooperative as Lin Shanchu.

After the reporters reacted, they frantically rushed to point their microphones in front of Lin Shanchu.

They all wanted to get the first scoop.

A few of them almost hit Lin Shanchu’s face.

Everyone had tender feelings for a beautiful woman like Lin Shanchu who was very cooperative, so someone quickly reminded, “Don’t hit her face!” The few reporters who were about to hit Lin Shanchu’s face retreated. “Lin Shanchu, can you please answer our questions?”

Lin Shanchu held the microphone and said with a calm expression, “Three years ago, I was just a student at the film academy. Lu Shiyuan was the one handling Jing Ming’s case. I don’t know the details.”

“Are you saying that this has nothing to do with you? Are you trying to absolve yourself?” the reporter asked.

“No,” Lin Shanchu replied.

“Then, as Lu Shiyuan’s fiancée, do you think you should be responsible for this?” the reporter asked.

Lin Shanchu: “As Lu Shiyuan’s fiancée, this has nothing to do with me.

“But you’re Lu Shiyuan’s fiancée!”

Lin Shanchu replied, “There’s this saying that says if one doesn’t benefit from a source, then one doesn’t get involved in the source’s troubles as well. This saying is also applicable to my relationship with Lu Shiyuan. Although I’m Lu Shiyuan’s fiancée, I’ve never received any care from him in the entertainment industry all these years. So, do you think I’m responsible?”

The reporter was speechless.

All the reporters there were entertainment reporters. Every year, they would count on Lin Shanchu, Lu Shiyuan, and Tang Qidai's love-hate relationship to complete their article quota.

They knew best how miserable Lin Shanchu had been all these years. They knew very well how much Lu Shiyuan had taken care of Tang Qidai all these years.

Therefore, Lin Shanchu's words made sense.

The series of questions that the reporters had prepared were all blocked by Lin Shanchu's words.

After a moment.

The reporter asked again, "Lu Shiyuan sponsored 100 million dollars to my stage. How do you explain this?"

Lin Shanchu answered, "The Lu Corporation is a listed company. Any investment project is evaluated by a professional team. Individual shareholders have no absolute decision-making power."

What she meant was that investing in "My Stage" was a company's business, not a personal matter.

The reporter was speechless. It didn't feel wrong, but it also felt that something was wrong.

This time, the reporter did not know what to ask.

But he was not willing to let Lin Shanchu go like this.

At this time, Lin Shanchu's expression suddenly became stern as she said seriously, "But don't worry, everyone. Jing Ming used to be a member of the Lu Corporation. We of the Lu Corporation will definitely reinvestigate this matter and give everyone an explanation."

The reporter was confused.

Didn't she just say that this matter had nothing to do with her?

Why did she suddenly say "we of the Lu Corporation"?

"Ms. Lin, what do you mean by that?"

Lin Shanchu looked at the camera, her eyes clear and firm. "Lu Shiyuan's fiancée doesn't have to be responsible for this matter, but the shareholders of the Lu Corporation have to be responsible for this."

The reporter gasped in shock. "Are you a shareholder of the Lu Corporation?"

Lin Shanchu said, "Everyone here might have forgotten about this, but my parents were once founders of the Lu Corporation."

A reporter couldn't help but blurt out, "Holy sh*t!"

Lin Shanchu didn't have much of a presence for so many years, so everyone had completely forgotten about it.

“Thank you for your concern for the Lu Corporation. We’ll cooperate with the investigation, but now, I need to return to the training camp.”

After Lin Shanchu finished speaking, she bowed to the camera.

Then, she walked toward a black car that was parked across the street.

When she was almost there, Li MO got out of the car and opened the door for her.

“Ms. Lin, please get in the car.”

Lin Shanchu felt that the way Li MO looked at her was a little different from usual.

She looked inside.

Huo Xunzhou was sitting by the window. He clutched his phone as he looked out the window.

“Thank you,” Lin Shanchu said. Then, she got into the car.

Li MO started the car.

Lin Shanchu’s phone rang.

It was a call from the production crew.

“Ms. Lin, where are you? We’re coming to pick you up now.”

Did the staff just call her Ms. Lin?

Lin Shanchu looked at Huo Xunzhou. “I met Mr. Huo. You don’t have to fetch me anymore.”

After hanging up, she noticed Huo Xunzhou still maintaining the same position of looking out the window.

The car was extremely quiet.

It seemed like she should say something.

“Mr. Huo?” Lin Shanchu called out.

Huo Xunzhou ignored her as if he had not heard her.

Li MO, on the other hand, looked at her in the rearview mirror and coughed on purpose.

Big Brother didn’t like to be called Mr. Huo, after all.

Of course, he would never pay attention to her if she were to keep calling him that.

Lin Shanchu cast her gaze on the driver’s seat.

Li MO gave her a look through the rearview mirror.

Lin Shanchu understood right away.

She hesitated for a moment before nudging Huo Xunzhou with her elbow.

She then called his name.

“Huo Xunzhou.”

The man who had always treated her like she was invisible was finally willing to talk to her.

“So, you finally remembered my name.” Lin Shanchu was speechless.

The stingy man was being sarcastic to her.

“Why aren’t you saying anything, President Lin?” Huo Xunzhou asked.

Lin Shanchu blinked. “You guys saw the interview?”

“I didn’t expect Ms. Lin to be a shareholder of the Lu Corporation, ” Li MO replied from the front.

No wonder Li MO had looked at her with envy.

It turned out that she had seen the interview.

“Yes. Your big brother knows about this.” She had previously used her shares to ask Huo Xunzhou for a collaboration, but he had rejected her.

“Oh.” Li MO glanced at the rearview mirror with a look that said, “I knew there was more to your relationship.” Lin Shanchu was speechless.

She felt numb on the inside.

Whatever. Let it be a misunderstanding.

He wouldn’t believe her even if she explained it to him.

When they arrived at the entrance of the training camp, Huo Xunzhou and Lin Shanchu got out of the car first.

Li MO, on the other hand, drove to the parking lot.

Huo Xunzhou sat in his wheelchair and turned to look at her. “Let’s go,” he said.

“Are we not waiting for Li MO?”

Seeing that Huo Xunzhou had no intention of waiting for Li MO, Lin Shanchu pushed him inside.

“You’re better at seizing opportunities than I thought, Shanshan,” Huo Xunzhou said slowly.

He was referring to the interview.

While Lu Shiyuan was being scolded by the entire internet, Lin Shanchu used her identity as the company’s shareholder to stand out and respond to the incident immediately. Naturally, she could gain the netizens’ favor.

Lin Shanchu stopped.

She leaned over and whispered into Huo Xunzhou’s ear, “I’ll have to thank you for giving me this opportunity, Brother Xunzhou.”

Huo Xunzhou’s body stiffened.

Lin Shanchu thought that he was shocked by her words, and a smug smile flashed across her eyes.

“You didn’t expect this, did you? I knew it.” Huo Xunzhou turned to look at her.

“You’re welcome. It’s what I should do.”

There was a smile in his eyes, and he was not surprised at all.

Lin Shanchu was slightly startled. “Aren’t you going to ask me how I guessed

“With our relationship and mutual understanding, it’s a problem if I can’t guess it right.” Huo Xunzhou’s smile deepened.

What was their relationship? Where did they get such a tacit understanding?

Lin Shanchu frowned and thought about it, then realized that Huo Xunzhou had been teasing her the whole time..

Chapter 109: A Million One-Star Reviews

Lin Shanchu returned to the training camp and returned the phone to the staff member.

The director was also present.

When Lin Shanchu returned the phone and was about to leave, the director sneakily called out to her.

“Lin Shanchu.”

“What up?”

The director took out his business card from his pocket very seriously.

He handed it to Lin Shanchu with both hands. “President Lin, let’s get to know each other well. My name is Song Yiming.”

Lin Shanchu held back her laughter and took it with both hands. “All right then, Director Song.”

Not long after, Nan Mu also rushed over.

On the way to Nan Mu’s office, every staff member and student she met looked at her with envy.

Everyone who entered the entertainment industry wanted to be favored by the capitalistic sponsors so that they could obtain resources just to earn money and popularity.

Meanwhile, Lin Shanchu was already part of the capitalistic world...

“Boss?”

Lin Shanchu pushed open the door to Nan Mu’s office and looked inside.

With a bottle of red wine in his hand, Nan Mu exclaimed, “President Lin, stay there! I’ll open the door for you!”

“Thank you, Boss,” Lin Shanchu said.

“You’re welcome, President Lin,” Nan Mu replied. Li MO was confused.

Lin Shanchu looked at the wine in Nan Mu’s hands.

“It’s for a celebration,” Nan Mu explained.

Lin Shanchu was speechless.

Nan Mu explained, “After your interview, Lu Shiyuan was scolded even more fiercely. The Lu Corporation’s shares will definitely plummet tomorrow.”

As Nan Mu spoke, he took out a bottle opener and opened the bottle of red wine.

He was even humming a song as he poured the wine.

He looked so happy that one would think he was celebrating New Year.

Huo Xunzhou swirled the red wine in his glass and looked at Lin Shanchu thoughtfully. “The Lu Corporation will be holding a shareholders’ meeting tomorrow.”

Nan Mu took a sip of wine and said in agreement, “Of course. Lu Shiyuan is hated by everyone. Those shareholders must have disliked him for a long time. They might want to take advantage of this opportunity to dismiss him from his position as the president...”

At this point, Nan Mu suddenly realized something and stopped.

He nodded mechanically and looked at Lin Shanchu. “Are you going to attend the meeting as a shareholder of the Lu Corporation?”

“What do you think?” Lin Shanchu raised an eyebrow.

“What about the show?”

The rankings would be announced tomorrow, and the members would have to choose their songs for the second public showdown.

Lin Shanchu smiled. “I can only let my management company come forward and negotiate with the production crew.”

“Isn’t our company your management company?” Nan Mu asked.

“Yeah,” Lin Shanchu replied.

Nan Mu was speechless. He felt like he just became the joke of the year.

Lin Shanchu was not participating in the recording tomorrow.

If the key element of popularity was absent, the show’s ratings would definitely drop.

The smile on Nan Mil’s face gradually disappeared.

Happiness was always short-lived. It left as quickly as it came.

Lu Corporation.

The technical department.

Lu Shiyuan was so angry that he swept all the things on the table to the ground.

“You all are useless! How many hours has it been?” He seethed in rage. ‘You can’t even find the person who posted the video!’”

The staff member explained in a trembling voice, “President Lu, the IP address that uploaded the video is overseas. It’s a little difficult to track it, so we might not be able to produce any results for a while...”

“How long do you need?” Lu Shiyuan interrupted with a gloomy face.

The staff member trembled in fear and did not dare to speak.

Lu Shiyuan reached out and grabbed his collar. He roared furiously with a dark expression, “I’m asking you, how long will it take to find the person who posted the video?”

“I... I’m not sure...” The staff member was so scared that he swallowed nervously before quickly making a promise. “But we’ll definitely track them down as soon as possible...”

Lu Shiyuan couldn’t be bothered to listen to the staff member, so he threw him aside.

The people present kept quiet out of fear. No one dared to make a sound.

“Continue investigating!” Lu Shiyuan shouted angrily.

What a bunch of trash.

The staff members quickly got into position and continued to track the IP address.

“President Lu.” Zhou Yan walked in from the outside with a solemn expression.

“What’s the matter?” Lu Shiyuan frowned.

Zhou Yan showed Lu Shiyuan the trending list, resulting in the latter’s expression changing.

#Lin Shanchu’s response was high in the top row of the hot search list.

Back in the office, Lu Shiyuan opened Lin Shanchu’s interview video.

After watching Lin Shanchu’s interview video, Lu Shiyuan couldn’t help but throw his tablet away.

“Lin Shanchu that b*tch!”

The tablet’s quality was good. After it fell to the ground, the screen only cracked a few times. It was still replaying Lin Shanchu’s interview video at the same time.

Lin Shanchu’s voice also came from the tablet.

“Lu Shiyuan’s fiancée doesn’t have to be responsible for this matter, but the shareholders of Lu Corporation have to be responsible for this...”

Lu Shiyuan stared at the tablet intently.

It was as if he wanted to drag the interviewee from the tablet and demand to know the reason behind the interview.

When Zhou Yan saw the situation, he picked up the tablet from the ground.

He was about to turn off the video when Lu Shiyuan snatched the tablet away.

Lu Shiyuan watched the interview video a few more times.

Then, he opened the comments section.

[I hope that Lin Shanchu will keep her word and bring justice to Jing Ming.]

[Lu Shiyuan is such a coward. I can't believe he allowed a woman to defend him.]

[Why do you guys think that Lin Shanchu is speaking up for Lu Shiyuan? I think Lin Shanchu is just adding insult to Lu Shiyuan's injury.]

[To put it more accurately, she insults both Lu Shiyuan and the pretentious woman.

[Now that you mention it, you're right. Lin Shanchu seems to be mocking those two every time she gets the chance. She always embarrasses them in public.]

[If that's the case, it'll be quite exciting! I'm taking Lin Shanchu's side and supporting her in destroying this adulterous couple and finding out the truth behind Jing Ming's suicide!]

Lu Shiyuan gritted his teeth in anger and clenched his fists.

Lin Shanchu actually dared to treat him like this!

She'd better not blame him for being ruthless.

Seeing that he was so angry, Zhou Yan probed, "President Lu, do you want to suppress the trending topic?"

Lu Shiyuan took a few deep breaths in a row before he could calm down.

He closed his eyes, leaned back, and raised his hand to signal Zhou Yan to leave.

Zhou Yan understood Lu Shiyuan's character.

He knew that Lu Shiyuan didn't say no, which meant he agreed to suppress the trending topic.

Nan Mu immediately noticed that Lu Shiyuan was suppressing the trending topic.

This time, the matter had fermented very quickly.

After Lin Shanchu's interview, the popularity of the incident was pushed to a new peak.

The related topic was at its peak and quickly declined. Anyone with eyes could see that it was definitely someone whose profits were tied to this incident was suppressing the trending list.

To put it bluntly, those people could only be Lu Shiyuan and Lin Shanchu.

However, Lin Shanchu said that she would return to the training camp after the interview.

In that case, Lu Shiyuan was the only one who was capable of doing that.

The netizens grew even more agitated when they were aware of Lu Shiyuan suppressing the trending topic.

They wanted to send him private messages just to teach him a lesson, but then they realized Lu Shiyuan had already turned off his inbox from the public.

This angered the netizens even more.

After that, they flocked to the Lu Corporation's official Weibo account.

It turned out that the official account's comment section and inbox were also turned off.

The netizens finally exploded, completely losing their minds.

They formed groups and started spamming one-star reviews about all of the Lu Corporation's dramas and movies on various platforms.

[1* – I'm sorry to the cast, but Lu Shiyuan deserves this!]

[1* – Are the netizens who aren't here still sleeping or don't have their phones with them?]

[1* – Justice for Jing Ming!]

That night, the netizens, together with Jing Ming's fans, posted a total of one million one-star negative comments in the internet..

Chapter 110: Lu Shiyuan Is Worth It

The Lu Corporation was very prominent, but this also meant they were very susceptible to attacks.

The PR department had been paying attention to the internet the entire night.

They were afraid that someone would boost the trending topic in the middle of the night and cause trouble.

But surprisingly, nothing happened on the trending list for the entire night.

Although they had detected that some netizens had given the Lu Corporation's dramas and movies one-star ratings, they did not take them to heart.

Every time something like this happened in the entertainment industry, there would always be someone who would give the affected company's work one-star ratings.

This kind of thing was inevitable and would not affect the overall situation.

At 9 0'clock sharp.

The topic #a million one-star ratings climbed to the top of the search rankings.

Jiang Tang was the first verified user to post this topic on Weibo.

Sugar Ginger: [#a million one-star ratings! Wow! :screenshot: :screenshot:

:screenshot: :screenshot:]

The commenters were quick to reply.

[Wow! This batch of netizens is pretty awesome.]

[Wow! This is a big event that can be recorded in the history of the entertainment industry.]

[Wow! Is this the retribution of a scumbag?]

[But Lin Shanchu is also a shareholder of the company. Isn't this bad for her?] Jiang Tang posted a reply to that comment. [She knows what to do.]

Only Lin Shanchu knew if the situation was advantageous for her or not.

After that, the verified users who were familiar with Jiang Tang also reposted the Weibo post.

More and more people started commenting on the topic as well.

Just like that, it became a trending topic again.

Every once in a while, someone in the entertainment industry would end up getting bashed.

However, this was the first time that the netizens had spammed so many one-star ratings.

It was enough to show the extent of the netizens' disgust for Lu Shiyuan.

Some smart people in the industry vaguely guessed that someone was going to mess with Lu Shiyuan.

Furthermore, that mastermind's background was pretty strong.

The ones who were usually in a hurry to curry favor with Lu Shiyuan also stopped and quietly watched from the side.

If Lu Shiyuan was really defeated this time...

If that were the case, then the entertainment industry in Xu City would also change.

At that time, they could take advantage of the chaos to share the cake or curry favor with the new boss of the industry.

All of a sudden, Lu Shiyuan's situation became difficult.

The moment Lu Shiyuan arrived at the company, he threw a tantrum.

He then proceeded to berate and scold Zhou Yan as well as the entire PR department.

The PR department immediately carried out emergency PR tactics which were to release an official statement and issue a lawyer's letter.

However, the netizens were so angry at Lu Shiyuan for suppressing the trending topic yesterday that they left a million one-star ratings. How could they calm down so easily?

The netizens continued to hurl insults at Lu Shiyuan under the topic #Lu Corporation's statement.

[#Lu Corporation's statement – F*ck! Does that b*stard think he can do whatever he wants just because he's rich?]

[#Lu Corporation's statement – Today, we're brave warriors who are fighting for justice!]

[#Lu Corporation's statement – A day has passed, yet Lu Shiyuan still doesn't dare to show his face]

[#Lu Corporation's statement – He can suppress the trending topic, release a statement, and issue a lawyer's letter. He'll do anything except give a straightforward reply. What a coward.]

The matter got worse by the second.

Zhou Yan started to become anxious. He persuaded, "President Lu, why don't we host a press conference?"

"A press conference?" Lu Shiyuan turned his head to look at Zhou Yan, his dark eyes not showing any emotions.

Zhou Yan nodded his head. "This matter blew up so much. If we don't give the public an explanation, I'm afraid this matter can't be resolved at all."

"So, you think you can make decisions for me now?" Lu Shiyuan slowly approached Zhou Yan.

His voice was very soft, and it carried a strange coldness.

By the time Zhou Yan detected Lu Shiyuan's emotional change, it was already too late.

Lu Shiyuan grabbed his collar and threw him onto the boss' chair. "Then, I might as well let you become the president!"

Bang! Bang!

Zhou Yan was thrown onto the chair brutally. He ended up getting slammed into the armrest so hard that his ribs hurt.

He let out a muffled groan before sliding down to the floor, a frown already present on his pallid face.

Lu Shiyuan was still raging at Zhou Yan.

"You want me to host a press conference and admit defeat? That's impossible! Once I find the one who leaked the footage, I'll definitely tear him into a thousand pieces!"

Back when he took over the Lu Corporation, many people claimed that he was a business genius.

However, now Lu Shiyuan got defeated by an unknown person. No matter what, he couldn't take this lying down.

He didn't care how the public opinion on the internet fermented.

No one could make him yield!

There was no such word in his dictionary. "I won't ever lose!"

Zhou Yan had already recovered a little by now.

However, his waist hurt so badly that he couldn't get up. "I'm sorry, President Lu. I overstepped my boundaries."

"Get out!" Lu Shiyuan glanced at him coldly.

Zhou Yan's ability to do things was getting worse and worse recently.

If it wasn't for the fact that Zhou Yan had worked for Lu Shiyuan for years, the latter would've told him to pack his things and scam a long time ago.

When Lin Shanchu and Yun Wu went to the cafeteria to eat, they saw Nan Mu.

Nan Mu was chatting with a few members.

When he saw Lin Shanchu, he walked toward her.

"Has the recording schedule been rearranged at an earlier time?" she asked. Nan Mu might not be the real boss, but he was usually quite busy, so he wouldn't come to the festival group for no reason.

"No." Nan Mu shook his head.

Lin Shanchu was speechless.

Yun Wu happened to be lining up for food, so Nan Mu took the opportunity to pull Lin Shanchu aside with an expression that yearned for gossip. "Lu Shiyuan suppressed the trending topic again yesterday."

He still dared to suppress the trending topic at this time. It was indeed something that a brainless male protagonist would do.

"Then, the netizens got angry and went to various platforms overnight to give one-star ratings to the dramas and movies produced by the Lu Corporation.

Can you guess how many bad reviews the netizens gave? "

Nan Mu's expression clearly indicated "hurry up and ask me".

Lin Shanchu did not let him have his way. Instead, she replied, "A hundred million."

Nan Mu choked on his words.

"Shanshan, how many eggs do you want to eat?" Yun Wu's voice drifted into Lin Shanchu's ears.

"Two," she replied before going to grab her breakfast.

Nan Mu was afraid that he would miss the opportunity to share his happiness, so he quickly said to Lin Shanchu, "It's a total of a million one-star ratings."

Lin Shanchu replied, "Lu Shiyuan is worth it." "I think so too." Nan Mu nodded frantically.

As expected, Lin Shanchu understood him.

He didn't come over to share his happiness with Lin Shanchu early in the morning for nothing.

Lin Shanchu asked Nan Mu, "Did you come all the way here early in the morning just to tell me this?"

“Yes,” Nan Mu replied.

He was serious about bearing grudges.

He was also serious about sharing the latest gossip.

Lin Shanchu was speechless.

In the afternoon.

The share market opened.

The Lu Corporation’s share price plummeted.

Those who had the Lu Corporation’s shares cursed at Lu Shiyuan on the forum.

In the training camp, Lin Shanchu was putting makeup on Yun Wu’s face.

The latter was going to record a program later.

Lin Shanchu straightened up and took two steps back. She carefully looked at

Yun Wu before saying, “It’s done.”

“When are you leaving?” Yun Wu vaguely knew a little about the matters on the internet. Besides, Lin Shanchu had changed into casual clothes, so Yun Wu guessed that the former might not stay to record the show.

Lin Shanchu looked at the clock on the wall.

“I’m leaving soon.”

It was time for the market to open.

The Lu Corporation’s share price continued dropping.

However, the shareholders in the company would definitely not be able to sit still.

Lin Shanchu put on some makeup before going to Nan Mu’s office.

She had to retrieve her phone and then go buy a set of decent clothes.

From a distance, Lin Shanchu saw Li MO standing at the door of the office.

“Ms. Lin..”
