Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Lin Shanchu noticed that Li MO was holding her bag.

Li MO handed the bag to Lin Shanchu. “Big Brother is going to record a show with the rest in the afternoon, so I happen to be free right now. Nan Mu asked me to drive you to the Lu Corporation for the shareholders’ meeting. Lin Shanchu opened her bag to take a look. Her bank card and phone were both there.

“Do you respect Nan Mu that much?”

Li Mo’s personality was similar to Huo Xunzhou’s. Both of them weren’t enthusiastic about helping others at all.

He seemed to have a good relationship with Nan Mu, mainly because Huo Xunzhou and Nan Mu were friends.

“We’re all friends.”

That was definitely not the case.

Of course, it was because Lin Shanchu was his sister-in-law.

However, he did not dare to say that. He was afraid of being beaten up by his brother.

“Thank you.”

“You’re welcome, Ms. Lin.”

Lin Shanchu had just gotten into the car when she received a call informing her to attend the shareholders’ meeting.

After entering the city, she spotted a fashion boutique by the road and bought a red dress.

She changed into her dress and reapplied her lipstick.

The dress and lipstick were as red as blood.

They complemented her fair skin, making her look so beautiful that she didn’t look like a real person at all.

She was like a succubus who had been draining people’s life energy at night.

She was extremely beautiful but also filled with killing intent.

Li MO thought, “That devilish side of hers is back.”

Lin Shanchu had been in the training camp all this time, so she had been spending her days mingling with young ladies of her age. Other than her appearance and temperament, she was no different from those ladies in other aspects.

Li MO had even forgotten that the first time he saw Lin Shan Chu, she had always retained her devilish aura. Even his brother, who had always been uninterested in the fairer sex, had seen through her.

Thinking about how Huo Xunzhou loved Lin Shanchu’s devilish appearance, Li MO felt that he should take a picture of Lin Shanchu and send it to his big brother.

He was really a considerate little brother!

Li MO took out his phone and secretly took a picture.

As it was his first time doing something like this, he had forgotten to turn off the sound that the camera made when taking a picture.

Snap!

Lin Shanchu, who was tidying her hair, turned around and asked, “Li MO, what are you doing?”

Perhaps it was because of her makeup, but Lin Shanchu looked exceptionally fierce at this moment.

Li MO felt that this gaze was somewhat similar to his big brother’s when he was angry.

He suddenly felt guilty.

But that didn’t stop him from pushing the blame on Huo Xunzhou.

” Big yrotner asKea me to cal-ce a picture or you ana sena co mm:

Li MO was usually a man of few words and always had a straight face. He had even fewer expressions than Huo Xunzhou.

When he lied, he was also very serious, making it difficult for people to tell the truth.

Lin Shanchu stared at him for a moment, but she couldn’t tell if Li MO was lying or not.

She thought about how she was able to attend the shareholders ‘meeting today because of Huo Xunzhou.

“Do you want to take a few more pictures of me to choose from?” she asked cooperatively.

“Sure thing!”

Li MO took a few more pictures.

“Pick the one you think is the best and send it to your big brother, ” Lin Shanchu said after getting into the car.

Li MO revealed a puzzled expression that was exclusive to dense men. “Aren’t these pictures all the same?”

Lin Shanchu was silent for a moment before reaching out to him. “Give me the phone. I’ll choose it for you.” “I’ve already sent them all to Big Brother.” Lin Shanchu was speechless.

At the recording location of “My Stage”.

There was still some time before the recording started.

Nan Mu was discussing the recording with the staff.

Huo Xunzhou sat at the side and fiddled with his phone casually.

Suddenly, his phone vibrated, showing a new message.

It consisted of pictures sent by Li Mo.

After Huo Xunzhou opened the first picture, his eyes never left the screen.

The woman in the photo was beaming with excitement.

He remembered that when Li MO first met Lin Shan Chu, he had said that she had a devilish appearance.

Lin Shanchu didn't look devilish.

She had a vigorous vitality.

As long as Lu Shiyuan was still alive in this world, Lin Shanchu would never give up on herself.

“What are you so engrossed in?”

Nan Mu's voice came from behind.

Huo Xunzhou quickly exited the chat interface and pressed the lock button.

“Let me take a look too.” Nan Mu grabbed Huo Xunzhou's phone out of curiosity.

Huo Xunzhou's phone had a fingerprint password.

“Hurry up and unlock it.” Nan Mu handed the phone to him.

Huo Xunzhou took the phone and put it back in his pocket. He said expressionlessly, “I'm not showing it to you.”

“What's so precious about it?” Nan Mu was even more curious.

Huo Xunzhou only glanced at Nan Mu.

Knowing that it was difficult to achieve his goal, Nan Mu quickly surrendered. “Song Yiming is calling me again. I'll go take a look...”

Nan Mu couldn't help but mutter as he walked away. “He deserves to stay single because of his bad temper...”

He was worried that Huo Xunzhou would hear him. When he turned around to peek at Huo Xunzhou, he realized that Huo Xunzhou was looking in his direction.

Nan Mu was so scared that he ran away.

However, Huo Xunzhou was looking at Yun Wu not far away from Nan Mu.

About two meters away, Yun Wu tilted her head and mouthed silently to Huo Xunzhou, “I saw it.”

Lu Corporation.

The door of the meeting room was slightly ajar.

Lin Shanchu stood at the doorway while listening to the voices coming from the inside.

“President Lu, is Ms. Lin coming or not?”

The voice sounded slightly unfamiliar.

This was Lin Shanchu's first time attending a shareholders' meeting.

Before this, she had never come into contact with the shareholders of the Lu Corporation, so she did not know any of them.

"Didn't you inform Lin Shanchu of this meeting? Don't you know if she's coming or not?"

Lu Shiyuan's voice was very recognizable.

Even though she couldn't see him, she could hear the strong hostility in his voice.

The shareholders instantly fell silent.

Lu Shiyuan still had a few tricks up his sleeve.

Otherwise, how could he have firmly grasped the ultimate authority over the Lu Corporation in his hands despite getting besieged by the other crafty shareholders?

These shareholders were afraid of Lu Shiyuan, but they were not convinced that he could lead the company well.

This time, they finally had the chance to pull Lu Shiyuan down from the president's position. They couldn't bear to let the chance go, but they didn't dare to become Lu Shiyuan's enemies.

Every shareholder had suffered losses at Lu Shiyuan's hands.

This included Lin Shanchu.

"Sorry, I'm late."

Lin Shanchu kicked the door open and walked in with a smile.

The other shareholders all smiled warmly.

"Ms. Lin, you're finally here." "I was waiting for you."

"Come take a seat."

Lin Shanchu's smile disappeared as her voice turned cold. "Where do you want me to sit?"

The shareholders had different expressions.

"Ms. Lin, there's a seat reserved for you here."

They looked around.

There was only one seat at the end of the conference table.

These shareholders deliberately left a position at the very end.

Seeing as she was just a young woman, they wanted to show her their might and control her.

Lin Shanchu glanced at the shareholder who spoke, her eyes filled with disdain.

These shareholders had only heard of Lin Shanchu's weak personality, so they had come up with this plan.

But now, they realized that Lin Shanchu wasn't as easy to deal with as they had imagined.

Lin Shanchu walked straight to Lu Shiyuan's side.

Ever since Lin Shanchu came in, Lu Shiyuan's gaze had not shifted away from her.

Seeing her walk up to him, he snapped back to his senses.. "Oh? You want to sit on my chair?"

## Chapter 112: I Want This Seat

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Lin Shanchu didn't say yes or no.

She only said lightly to Lu Shiyuan, "Get out of the way." Lu Shiyuan stared at Lin Shanchu and slowly stood up.

He didn't believe that Lin Shanchu would dare to take his seat.

However, just as he stood up, Lin Shanchu kicked his chair to the side.

For the past month or so, she had been on the production team of "My Stage". She spent almost every waking minute going through physical training.

Now, it could finally be of some use.

All the shareholders gasped in shock at Lin Shanchu's action.

Everyone was silent out of fear. No one dared to speak.

However, they all moved their chairs away silently, as if they were afraid that they would be affected by the battle between Lin Shanchu and Lu Shiyuan.

Lu Shiyuan shouted at Lin Shanchu, "Are you crazy?"

Li MO had been with Huo Xunzhou, so he wasn't as simple-minded and brawny as ordinary bodyguards.

Lin Shanchu gave him a look and he understood what she meant.

He turned around and walked quickly, bringing the empty chair over and placing it where Lu Shiyuan's chair was just now.

"Thank you."

Lin Shanchu gently stroked her dress and sat down, looking as elegant as if she was at home.

She didn't say anything unnecessary, but her body language was more than enough to express one thing – "I want this seat."

She was so arrogant that she did not look like a young woman in her early twenties.

Lin Shanchu was clearly trying to seize power.

The entire conference room was so quiet that one could hear a pin drop.

Lin Shanchu leaned back in her chair and tapped her slender fingers on the table. "Let's begin."

The shareholders all looked at Lu Shiyuan, who was still standing.

"If your beloved president prefers standing in the room, then let him be. Hurry up and proceed with the meeting. I still have many matters to deal with."

Lin Shanchu's tone was light. She didn't even bother to look at Lu Shiyuan.

If not for the fact that the shareholders present were all veterans of the Lu Corporation, they would have thought that the Lu Corporation had changed its surname to Lin.

"Begin." Lu Shiyuan pulled out a chair and sat down expressionlessly.

Only then did the shareholders dare to speak.

"This incident has had a huge impact on our company. The share price has plummeted today, and a large number of individual investors have begun to sell their shares. According to the current situation, this is definitely just the beginning.

"This is the first time the company has fallen so much since President Lu took over."

"We here have witnessed how capable you are, President Lu. It's just that the outside world has too deep of a misunderstanding about you this time. Not only have our projects been boycotted, but investors have also begun to withdraw their investments..."

As expected of cunning, experienced businessmen.

No one berated Lu Shiyuan on the outside.

However, each and every word uttered earlier accused him of causing huge damage to the company.

Lu Shiyuan was very clever whenever he dealt with business matters.

Therefore, he knew very well that these shareholders wanted to dismiss him with a flawless excuse.

Since you called for an emergency meeting, does this mean you've thought of a solution?" he asked with a sneer.

The shareholders were waiting for Lu Shiyuan to ask that question.

"President Lu, you've been working hard for the company all these years, so you weren't able to rest for a very long time. As the older generation, we can't bear to see you suffer any longer."

"Yeah. President Lu, why don't you take this opportunity to rest?"

"We oldies can use this opportunity to get our rusted minds working again.

Once you're done resting, you're always welcome to return to this company..."

Before the last shareholder could finish his sentence, he let out a miserable cry. That was because Lu Shiyuan threw a glass in his direction.

“If you want my position, you can snatch it from me right away! It depends on your capability whether or not you can snatch it from me!”

Lu Shiyuan had always been arrogant, but this was the first time he had thrown a glass at a shareholder.

The shareholder was so angry that he pointed at Lu Shiyuan while cursing up a storm.

“Lu Shiyuan, we’ve always cared for and tolerated you because you’re the younger generation! You’re uncouth and have no manners!”

Lu Shiyuan’s expression was cold. “Shut up if you still want to spend your twilight years in peace.”

That particular shareholder was on the verge of having a heart attack.

The other shareholders were also furious.

They finally remembered Lin Shanchu, who had been silently watching the show from the side.

“Ms. Lin, what do you think about this? Do you think President Lu can manage the company well

“I feel very disappointed.”

Lin Shanchu then continued slowly, “The key to this matter is not who is managing the company. It’s how Jing Ming died. “Yet, you guys never mentioned Jing Ming at all.”

These people had never thought of solving the problem.

They only wanted to pull Lu Shiyuan down.

Lu Shiyuan was as conceited as ever, so he didn’t respect anyone.

“That celebrity committed suicide! The company would just put on a show by pretending to investigate, then release a statement when the time is right! The company’s share price is the most important thing now!”

Speaking of the share price, the shareholders began to frown again. “Ms. Lin, aren’t you worried?”

“The share price?” Lin Shanchu asked softly.

She seemed like she had thought of something that made her particularly happy, seeing as the corners of her lips slowly curled into a radiant smile. “I’m not worried at all.”

What did the company’s life and death have to do with her? What did the rise and fall of the shares have to do with her?

Her only goal was for Lu Shiyuan to die.

Lin Shanchu was extremely beautiful.

She was many times prettier than the best female celebrities in the company. When she smiled, she looked even more charming.

However, when the shareholders saw her smile, they felt chills running down their spines.

It was as if they were confronting a poisonous snake.

Vipers could easily kill people with their bites.

Lu Shiyuan was the first to react.

“Lin Shanchu, what the hell are you doing?” He stood up and tried to drag Lin Shanchu to her feet.

But with Li MO around, he couldn't get close to Lin Shanchu. Li MO stood in front of Lin Shanchu with a poker face. “President Lu, a gentleman doesn't resort to violence.”

Lu Shiyuan already felt that Li MO looked quite familiar earlier.

At this moment, he finally remembered who Li MO was.

He was Huo Xunzhou's bodyguard.

“Move aside!”

At this moment, there was a commotion outside the meeting room.

In the next second.

The meeting room door was pushed open.

The police walked in.

“We're conducting an investigation!!”

After the police officer showed his ID, he walked straight to Lu Shiyuan.

“Are you Lu Shiyuan?”

Lu Shiyuan was no stranger to such a scene.

He shot Lin Shanchu a meaningful look before replying, “Yes.”

“We suspect that you are involved in a criminal case. Please come with us to assist in the investigation.”

The police officer took out his handcuffs.

Lu Shiyuan stared at Lin Shanchu in disbelief.

“Lin Shanchu! How dare you...”

As he spoke, he walked toward Lin Shanchu again, as if he was about to make a move on her on the spot.

The police officer immediately grabbed the man and handcuffed him. “Lu Shiyuan, please cooperate with us!”

Lin Shanchu stood up and walked to Lu Shiyuan while speaking in an extremely gentle tone.

“Be a dear and cooperate with the police properly in their investigation. Don't worry about the company. After all, I'm the company's second-largest shareholder..”

## Chapter 113: Smashing the Door With the Hammer

The shareholders watched as Lu Shiyuan was taken away by the police.

“Ms. Lin, did you call the police?”

“Yup.”

Lin Shanchu admitted right away, “I’ve done such a great deed by surrendering a family member to the police! Aren’t I amazing?”

She sounded like an innocent child who wanted to be praised.

The shareholders’ expressions changed drastically as they reprimanded Lin

Shan Chu.

“Do you know that once the news of Lu Shiyuan being taken away by the police spreads, the impact will be even worse?”

“No matter what, he’s still the person in charge of the company!”

“Can’t we just settle the company’s matters internally? Why did you call the police?”

They just wanted to pull Lu Shiyuan down.

They did not want the company’s interests to be harmed.

After all, harming the company’s interests was equivalent to harming their own interests.

Lin Shanchu ignored their reprimands. “It’s getting late. Time for all of you to go home and rest.”

“What do you mean by that?”

Lin Shanchu crossed her arms and said impatiently, “I said that old people like you guys should just stay at home. People who point fingers and cause trouble won’t live long.”

“You...”

Lin Shanchu turned around and left.

The shareholders were so angry that their faces turned red.

Unfortunately, Lin Shanchu was the type that didn’t listen to others. She was even more difficult to deal with compared to Lu Shiyuan.

They couldn’t do anything to her.

Hence, they forcefully suppressed their rage.

“Lu Shiyuan has been taken away by the police. The remaining shareholders have to vote for someone to lead the company.”

Lin Shanchu was already at the door.

She turned around with a smile. “All right. Remember to ask Uncle Lu to vote as well for the sake of fairness. I’ll be the one leading this company as the second-largest shareholder before he returns.”

With that, she disappeared from the door.

The shareholders slammed their hands on the table in anger.

“Look at these two brats! All of them are evil!”

“That’s right!”

“She knows that it’s impossible for Lu Qinghuai to return, but she still wants us to look for him! It’s clear that she’s looking down on us! I’m so angry right now!”

The police took Lu Shiyuan away via the underground parking lot.

However, Lu Shiyuan, who was a popular man from the start, attracted the paparazzi’s attention immediately.

Therefore, there were already groups of paparazzi lying in ambush around the Lu Corporation.

There were paparazzi everywhere, including the main entrance, the back door, and the underground parking lot.

When the paparazzi saw the police bringing Lu Shiyuan out, they all surrounded him and took pictures of him immediately.

“Don’t interfere with our case investigation” The police blocked Lu Shiyuan from the paparazzi.

“Officer, we won’t cause any trouble for you. We’ll leave immediately.” The paparazzi laughed as they retreated.

They didn’t dare to surround Lu Shiyuan and the police as they usually did.

The paparazzi took pictures while reporting back to their companies.

When Lu Shiyuan got into the police car, many media outlets had already published their articles.

The topic named #Lu Shiyuan was taken away by the police quickly climbed up the trending list.

Lin Shanchu walked out of the meeting room and went straight to Lu Shiyuan’s office.

Li MO silently followed Lin Shan Chu.

Lin Shanchu’s voice came from the front.

“Thank you for today.”

“It’s my duty.”

After all, she was Big Brother's woman.

They were all family.

Lin Shanchu could guess what Li MO was thinking, hence a smile flashed across her eyes.

The people around Huo Xunzhou always misunderstood her relationship with him.

Zhou Yan waited at the door of the president's office.

He approached them the moment he saw them coming.

"Ms. Lin."

Oh.

That was Lu Shiyuan's lackey.

Lin Shanchu ignored him.

Zhou Yan stopped her as soon as she tried to open the door.

"Ms. Lin, President Lu has instructed that no one is allowed to enter his office before he returns."

It had been three years since Jing Ming's incident.

When the case happened that year, the company also called the police to investigate the matter. It was finally determined to be a suicide.

This time, Lin Shanchu called the police to take Lu Shiyuan away because public opinion festered beyond control thanks to this case. That was why Lu Shiyuan had to return to the police station just to cooperate with the police in their investigation.

Truthfully speaking, there was no conclusive evidence to prove that Lu Shiyuan was directly related to Jing Ming's death.

Therefore, Lu Shiyuan would be back soon.

Lin Shanchu's eyes curled upward into a pair of smiling crescents as she asked excitedly, "Is Lu Shiyuan that afraid of me?"

After such a long time, Lu Shiyuan the conceited and arrogant scumbag finally started to take her destructive power seriously.

He was starting to fear her.

Zhou Yan frowned slightly. He felt that Lin Shan Chu was a little weird.

Li MO walked forward and pushed Zhou Yan away with one hand.

Zhou Yan still wanted to come over and stop Lin Shanchu, but he was no match for Li Mo.

Li MO pinned Zhou Yan against the wall, causing him to be immobilized.

Lin Shanchu turned the doorknob, but soon she realized she was unable to turn it.

It appeared that the door was locked.

“Where’s the key?” Lin Shanchu asked Zhou Yan.

Zhou Yan refused to speak up. He seemed like he would rather die than give up the key to Lu Shiyuan’s office.

Lin Shanchu knew Lu Shiyuan’s temper the best. He would never treat Zhou Yan well.

However, Zhou Yan acted as if he was drugged by Lu Shiyuan, seeing as he was extremely loyal to the latter.

“Did Lu Shiyuan save your life?” Lin Shanchu asked with a chuckle.

“Yes.”

Lin Shanchu was speechless.

Li MO walked over with the intention to kick the door down for Lin Shanchu.

However, Lin Shanchu turned his offer down.

“It’s fine. I’ll do it myself.”

Lin Shanchu took out her phone and fiddled with it a few times. Then, she stood there and waited.

The news of Lu Shiyuan being taken away by the police spread like wildfire on the internet, so everyone in the company was in a state of panic.

The secretaries in the secretary’s office were not in the mood to work either. They wanted to come over and take a look at the situation by using the excuse of delivering some documents.

The moment a secretary came over, she saw Zhou Yan getting pinned to the wall.

Lin Shanchu stood at the side while looking very relaxed. She was beautiful and eye-catching, but her aura was extremely strong.

Lin Shanchu looked up the moment she heard footsteps approaching her.

The secretary was stunned by her gaze and stammered, “P-President Lin, these documents need to be signed...”

She clearly had a very harmless appearance, but she was so beautiful that she looked deadly and threatening.

“Wait a minute.” Lin Shanchu gently tilted her head, gesturing for the secretary to wait at the side.

The secretary stood obediently at the side with the documents in her arms.

At the same time, she couldn’t help but glance at Lin Shanchu.

The latter had great hair quality. Not only did she have a head full of hair, but the strands were also long and dark. Her skin was so fair and smooth.

Her waist was so slender.

She had long, beautiful legs as well.

The secretary, who was also a woman, couldn’t help but stare at Lin Shanchu.

President Lu was definitely an idiot.

“Hello, may I know which one of you is Ms. Lin? The hammer you ordered has arrived. Please sign the parcel.”

A delivery man exited the elevator with a hammer at that moment while hollering loudly.

“It’s me. I’m the one who ordered it,” Lin Shanchu replied loudly.

“It’s very heavy,” the delivery man reminded her.

“I know. Thank you.” Lin Shanchu accepted it with a smile. The delivery man’s face turned red.

The one who ordered the hammer was actually Lin Shanchu.

She was so beautiful and gentle.

In the next second, the beautiful and gentle Lin Shanchu raised her hammer and smashed it against the door.

The secretary was so shocked that she dropped the documents in her arms.

Lin Shanchu smashed the office door a few times. Soon, it was all wrecked up.

“Pick up the documents.” After reminding the secretary, Lin Shanchu dragged the hammer into the office..

Chapter 114: You Should Be Lucky That My Parents Passed Away Early

Everyone who was shocked by Lin Shanchu’s actions finally came back to their senses.

Li MO looked at the smashed door. He pondered for two seconds before taking out his phone to take a picture of it.

After that, he sent it to Huo Xunzhou.

However, Huo Xunzhou was recording a show and didn’t have time to look at his phone.

The secretary hurriedly picked up the documents and entered the office.

The other secretaries in the secretary’s office heard the commotion, but they didn’t dare to come over. They only dared to secretly watch Lin Shanchu smash the door with a hammer from afar.

Someone took out his phone to record a video. “She’s definitely brutal.” In the office.

The secretary placed the documents in front of Lin Shanchu. “President Lin, these are...”

Lin Shanchu picked up the pen and signed.

The secretary hesitated for a moment before asking softly, “President Lin, aren’t you going to take a look?”

“I believe in your working capability.” Lin Shanchu put the cap back on, a hint of a smile present in her gentle tone.

The secretary’s face turned red. “I’ll work hard!”

When the secretary returned to the secretary’s office, she was still dizzy with elation.

“How did you get the documents signed so quickly?” the other secretaries asked her.

The secretary blushed. “Lin Shanchu is so beautiful and gentle.”

The other secretaries were speechless.

There was a bar counter in Lu Shiyuan’s office.

It was stocked with all sorts of beverages including coffee and tea, and it could even be used to make fruit juice and milk tea.

Of course, Lu Shiyuan would not drink fruit juice or milk tea.

But Tang Qidai drank those sorts of beverages.

Lin Shanchu picked out a box of the most expensive tea leaves. “Li MO, do you want some tea?”

“No.” Li MO hesitated before answering.

How could he ask his future sister-in-law to brew tea for him?

Lin Shanchu smiled and made him a cup of tea.

“Thank you.” Li MO hurriedly took it.

“I should be the one thanking you. You’ve helped me a lot.” If Huo Xunzhou hadn’t released the surveillance footage, Lu Shiyuan wouldn’t have fallen so hard this time.

Li MO didn’t forget to remind Lin Shanchu of Huo Xunzhou’s contributions. “Big Brother is always very helpful.”

Lin Shanchu was speechless.

Under Lin Shanchu’s suspicious gaze, Li MO gradually lost his confidence and rephrased his compliment. “Well, he loves helping people out depending on his mood.”

“Lin Shanchu!”

Tang Qidai barged into the office angrily.

She threw the phone in front of Lin Shanchu and shouted, “Are you trying to kill Brother Shiyuan?”

On the phone screen was a news article from the media denouncing the Lu Corporation.

It was all about Lu Shiyuan being involved in a murder case, the Lu Corporation being finished, and the reshuffling of the entertainment industry in Xu City.

“Yeah.” Lin Shanchu smiled.

“You...” Tang Qidai choked. “Do you know that because of you, the investors of my new drama have all withdrawn their investments?”

“I do now.” Lin Shanchu pushed Tang Qidai’s phone away. “It’s good that they withdrew their investments. It’s a losing deal anyway.”

Tang Qidai chuckled out of anger while grabbing her hair in frustration.

“Ever since you accepted the interview, public opinion has been targeting the Lu Corporation and Brother Shiyuan. The Lu Corporation’s shares have even fallen to a new low! What benefits could you possibly obtain out of this? Your parents worked hard in founding the Lu Corporation too! Are you going to let them down like this? Aren’t you afraid that they will be disappointed in you?” Lin Shanchu had to admit that Tang Qidai was quite good at coaxing people.

Otherwise, she wouldn’t have gotten lied to by Tang Qidai when she was young and even treated her like a true friend.

“How would you know that my parents are disappointed?” Lin Shanchu approached Tang Qidai and asked seriously, “Did my parents tell you in the middle of the night?”

Tang Qidai’s lips moved, but she was momentarily at a loss for words.

“You should be glad that my parents passed away early. Otherwise, it’s hard to say whether you can still survive till now, judging from how much they dote on me.”

Lin Shanchu walked out from the bar counter.

“What a pity.” Tang Qidai sneered. “They were destined to die early because they had such short lifespans.”

“That’s why I envy you so much. You were abandoned in front of an orphanage when you were born. After your parents abandoned you, they should be living very happily, right?”

Seeing Tang Qidai’s sudden change in expression, Lin Shanchu smiled in satisfaction.

The Tang family had adopted Tang Qidai from an orphanage.

The more a person lacked something, the more they liked to show off. Therefore, Tang Qidai had always assumed the persona of a rich heiress when she debuted.

“Lin Shanchu, you b\*tch! I’m going to tear your mouth apart!”

The fact that she was abandoned by her biological parents in the orphanage had always been a sore spot for Tang Qidai.

Tang Qidai lunged at Lin Shanchu and reached out to slap her mouth.

Lin Shanchu’s lips curled into a disdainful smile.

Just like in the novel, Tang Qidai would go crazy whenever the backstory of her being from an orphanage was mentioned.

Lin Shanchu lifted her leg and pulled the chair in front of her.

Tang Qidai, who was lunging at her, tripped over the chair and fell to the ground with a thud.

“Daidai!”

Tang Qidai's manager rushed over.

Seeing Tang Qidai fall to the ground, the manager frowned and helped her up.

Then, she started arguing with Lin Shanchu, "Ms. Lin, aren't you going too far by treating Daidai like this? No matter what, Daidai and President Lu are still friends!"

Even though Tang Qidai had a bad temper, President Lu still liked her.

As Tang Qidai's manager, she had also basked in the limelight, so she naturally had to speak up for her.

The manager had been in the industry for so long. Naturally, she knew that Lu Shiyuan would not collapse over such a small matter, so she wanted to use Lu Shiyuan to pressure Lin Shanchu.

In her eyes, Lin Shanchu was just a fiancée in name only.

Even if Lin Shanchu had some shares in her hand, Lu Shiyuan still had the final say in the Lu Corporation.

Lin Shanchu sized up Tang Qidai's manager. "What's your name?"

"Kong Suyi." Tang Qidai's manager thought that Lin Shanchu was finally scared of her, so she tilted her chin proudly.

Lin Shanchu walked to his desk, picked up his phone, and dialed the number of the HR department.

"Fire the manager named Kong Suyi."

Lin Shanchu then hung up the phone. "Kong Suyi, you can go get your money and leave now."

"Who gave you the right to fire me?" Kong Suyi shouted.

"Kong Suyi is my manager. It's not up to you to fire her!" Tang Qidai started speaking up for Kong Suyi.

When Tang Qidai debuted, Kong Suyi was the one who managed her.

Therefore, Kong Suyi knew everything that Tang Qidai had done all these years.

Actually, she had gotten tired of Kong Suyi a long time ago. After all, Kong Suyi had managed her for several years, but she had yet to become an extremely popular celebrity.

Unfortunately, Kong Suyi knew too many of her secrets.

Even though Tang Qidai was annoyed, she had no choice but to protect Kong Suyi.

"That's right!" After noticing Tang Qidai's efforts to speak up for her, Kong Suyi looked confident once again.

Lin Shanchu glanced at Tang Qidai. "Oh. As for you, you look exhausted. You must have tired yourself out recently. Take a break."

"Take a break?"

Lin Shanchu nodded her head childishly, but her words sent chills down Tang Qidai's spine.

"Don't worry. I'll get the others to distribute your gigs to other celebrities.."

## Chapter 115: Let's See How You Explain This to Him

Kong Suyi started to panic.

Lin Shanchu's tone and expression were too calm and composed, giving people the feeling that she would definitely do what she said.

Was she really going to be fired?

She turned to Tang Qidai in a daze. "Daidai..."

Tang Qidai was also a little flustered, but she still tried to bluff. "How dare you!"

Lin Shanchu called a secretary right before their eyes.

"Tell the celebrity director to come to my office."

The celebrity director arrived very quickly.

As the leading company in the entertainment industry, the management of the company was comprised of capable people with foresight.

After the celebrity director found out that Lu Shiyuan had been taken away, he had been waiting in his office, so he was able to come to the office quickly.

The director looked like he was in his early thirties. He seemed capable and efficient.

"President Lin."

"Tang Qidai is going on vacation. Assign her gigs to someone else."

Surprise flashed across the celebrity director's face, but his expression quickly returned to normal.

"All right, President Lin. However, if a celebrity suddenly stops working, she needs to give her fans an explanation. When the time comes, we'll draft a statement. Do you need to take a look at it?"

Lin Shanchu supported her forehead with her palm as she smiled. "You don't have to worry about that. I'll handle it."

The world of this novel was really interesting.

Other than the main character and the supporting characters, almost everyone else was very intelligent.

Even the celebrity director, a passerby whose name did not even exist in the novel, was able to demonstrate his flawless logic.

The celebrity director had said all this because he wanted to ask Lin Shanchu for the reason behind Tang Qidai's sudden suspension.

However, the celebrity director was unsure of Lin Shanchu's attitude toward Tang Qidai and was worried that she would be displeased if he were to ask her directly.

Indeed, in this circle, everyone working on the stage or behind the scenes was very smart.

The celebrity director replied, "I understand. Is there anything else, President Lin?"

"Give me a copy of Jing Ming's information," Lin Shanchu said after a moment's thought.

The celebrity director turned around and walked to Kong Suyi and Tang Qidai.

"Please come with me to proceed with the handover."

Kong Suyi looked at Tang Qidai in disbelief while whispering, "Daidai..."

Meanwhile, Tang Qidai glared at Lin Shanchu. "Let's see how you're going to explain to Brother Shiyuan when he returns!"

The two of them left with the celebrity director.

Lin Shanchu watched them leave. Then, she opened Weibo on her phone.

She twirled around on the executive chair with the tips of her toes touching the ground while scrolling through Weibo.

Today's entertainment rankings were very lively. Her acquaintances were involved in most of them.

#Yun Wu got second place

#Lu Shiyuan was taken away by the police #The ranking of "My Stage" is released

#An Youyun got fourth place

Lin Shanchu knew Yun Wu was really capable. If second place was what she wanted, then she would definitely obtain it.

If An Youyun was ranked fourth, Xia Jinqing would probably be ranked third.

As expected, An Youyun could not compare to Xia Jinqing.

Lin Shanchu clicked on Yun Wu's trending topics and discovered that the netizens were all praising Yun Wu.

Strong and capable people were always loved by all.

Lin Shanchu exited the topic and saw the latest trending topic. #Lin Shanchu is number one

At this moment, the secretary came over to deliver some documents.

"President Lin, the celebrity director asked me to deliver the files to you.

It was the information on Jing Ming that Lin Shanchu had mentioned earlier.

Li MO, who had been sitting at the side while pretending that he never existed, also came over.

"Jing Ming was only 23 years old at that time..." His gaze fell on the column that showed Jing Ming's date of birth.

Lin Shanchu moved the files to the side and started reading through them with Li Mo.

“Didn’t you dig up any information on Jing Ming?” If Huo Xunzhou was able to get the last footage of Jing Ming’s death three years ago, he should have dug up Jing Ming’s information a long time ago.

“Why is it necessary for us to do that?”

Li MO didn’t know that Lin Shanchu already knew that Huo Xunzhou was behind this.

He was still covering for Huo Xunzhou genuinely.

“I know everything.”

Li MO knew Huo Xunzhou’s personality the best.

It was impossible for Big Brother to take the initiative to tell Ms. Lin about this.

Did that mean Ms. Lin guessed everything on her own?

Big Brother had always been meticulous. How was Ms. Lin able to reach that conclusion?

Li MO took half a step back in fear.

Lin Shanchu looked at Li Mo’s actions with mixed feelings.

“...Just read the files.”

Lin Shanchu didn’t care much about anything other than her goal of taking Lu Shiyuan’s life.

However, she had said in an interview that she would re-investigate Jing Ming’s case and give everyone an explanation.

She needed to maintain her integrity as an honest woman.

Lin Shanchu carefully read through Jing Ming’s files.

He came from a well-off family and was the only child.

Three years ago, Jing Ming’s parents left Xu City and immigrated abroad after dealing with Jing Ming’s funeral with broken hearts. Jing Ming’s manager, Qi Cheng, was still in the country.

Lin Shanchu dialed Qi Cheng’s number.

As expected, she couldn’t call his number at all.

Now that Jing Ming’s matter was brought up again, the reporters naturally wouldn’t let go of the opportunity to get information from Qi Cheng.

“I can only try my luck at Qi Cheng’s house.”

Lin Shanchu brought Li MO with her.

When they reached the lobby, Li MO whispered, “Ms. Lin, there are many reporters outside.”

“It’s all right.” Lin Shanchu walked out.

What she wanted was exposure and popularity.

Since Lu Shiyuan would not be easily defeated, Lin Shanchu would make good use of the opportunity to make a name for herself, seeing as Lu Shiyuan wouldn't be able to get in contact with the outside world during his time in the police station.

Lin Shanchu had just stepped out when the reporters swarmed over.

The security guards quickly formed a human barricade around her to protect her from the reporters.

All the reporters stretched out their hands and passed their microphones to Lin Shanchu.

"Lin Shanchu, can you tell me about the progress of Jing Ming's case?"

"Is Lu Shiyuan directly related to Jing Ming's death?"

"I heard that you fired Tang Qidai's manager and suspended all her work. Why did you do that?"

"Some netizens are claiming that you're doing this because you're jealous of

Tang Qidai! "

"Please answer our questions!"

Tang Qidai and Kong Suyi weren't easy to deal with.

It was not surprising that the news had spread so quickly.

"Why would I be jealous of Tang Qidai?" Lin Shanchu asked one of the reporters.

"The netizens are saying that you've always been jealous of Tang Qidai's close relationship with your fiancé, Lu Shiyuan."

"Shouldn't Tang Qidai be jealous of the fact that I'm Lu Shiyuan's fiancée?" Lin

Shanchu asked.

The reporter was speechless.

What she said made sense.

[The netizens also claimed that you're jealous of Tang Qidai's projects.]

Lin Shanchu explained, "Tang Qidai does have a lot of projects. She's taken on six lead roles since her debut. The highest-rated drama scored 6 points, while the lowest-rated drama scored 3-9 points."

The reporter was speechless.

Those scores didn't seem to be worthy of Lin Shanchu's jealousy.

The reporter stopped talking.

"It's my turn now," Lin Shanchu refuted.

"Tang Qidai has always been the company's top priority when it comes to nurturing our celebrities. The first role she took on after her debut was the lead role. The company gave her resources, but the effects weren't obvious.

“Recently, not only has Tang Qidai not improved, but her reputation has also worsened. She even lost a few jobs, and her condition has become very bad. The company has determined that her manager has neglected her duties during this period of time. That’s why I fired her manager and told her to rest for the time being..”

Chapter 116: I’ll Bring You A Gift When I Come Back

Lin Mo words fell.

Only the sounds of the camera shutters could be heard.

What she said was reasonable. The reporters could not find any fault with it.

Tang Qidai had indeed become famous because of Lu Shiyuan’s resources.

Thanks to him, she was able to become an A-rank celebrity.

She had always been controversial because she wasn’t as skilled as a typical A-rank celebrity.

The diehard fans she had were all attracted by the persona she had gone to great lengths to maintain.

Basically, Tang Qidai wasn’t able to reap any fans from the neutral crowd.

Recently, Lin Shanchu had been in the limelight when she participated in a talent show. Tang Qidai had been targeting her everywhere, but all her plans kept getting foiled. In the end, she had even gotten herself into trouble.

Tang Qidai’s series of actions caused her reputation to plummet in front of the neutral crowd.

These were all public secrets.

This way, it was reasonable for Lin Shanchu to fire Kong Suyi and ask Tang Qidai to suspend her work.

“Did you really make all arrangements for Tang Qidai without your personal feelings manipulating you?” the reporter asked.

Lin Shanchu smiled. “As a businesswoman, I view those who can make money for the company as my ancestors. Everyone wants to earn lots of money, right?”

The reporter was speechless. It felt like he had been implicated.

If it wasn’t for the fact that he wanted to complete his performance...

If not for his meager salary...

He wouldn’t have to squat outdoors in the 40-degree summer heat just to get the first scoop.

“Yes!” he agreed.

Lin Shanchu continued, “Thank you for paying attention to the Lu Corporation.

We will continue to improve under your supervision.”

After getting into the car, Lin Shanchu noticed Li Mo's worried expression.

"What's wrong?" she asked.

"I'm fine." Li MO started the car.

To be honest, he was a little worried for his big brother.

When Lin Shanchu held the shareholders' meeting, she told the shareholders that she didn't care about the company's share market at all.

When she was interviewed just now, she claimed that earning money was her top priority.

It turned out that women were great liars.

Big Brother had never been in a relationship before. How could he be Ms. Lin's match?

At this moment, Li Mo's phone rang.

Li MO was driving, so it wasn't convenient for him to answer the call.

Lin Shanchu glanced at the screen and saw the words "Big Brother".

If You Have Diabetes, Always Keep This With You

It was Huo Xunzhou.

Li MO noticed Lin Shanchu's gaze. "Ms. Lin, can you help me answer the phone?"

Lin Shanchu leaned over and took Li Mo's phone.

She swiped the answer button and put it on speaker mode.

The person on the other side didn't say anything immediately. Two seconds later, Huo Xunzhou's voice came through the phone.

"Lin Shanchu?"

"How did you know it was me?" Lin Shanchu's eyes widened.

Huo Xunzhou chuckled softly.

It wasn't hard to guess.

Li MO always took the initiative to speak when he answered his calls.

Today, Li MO was with Lin Shanchu.

"Big Brother, I'm driving. What happened?" Li MO asked loudly.

Huo Xunzhou wouldn't call him for no reason.

"I'm going on a business trip tonight. I'll be back tomorrow." Huo Xunzhou's smile disappeared and his tone became serious.

"What time?" His brother was going on a business trip, so naturally, he had to go with him.

“I’ll go by myself,” said Huo Xunzhou.

“Big Brother...”

Li MO was about to speak again when Huo Xunzhou interrupted him. “It’s decided then. I’ll have a word with Lin Shanchu.”

Lin Shanchu turned off the speaker mode and placed the phone to her ear.

“Congratulations on getting first place again, Shanshan.”

After turning off the speaker mode, the man on the other end of the line started to call her Shanshan without any restraint.

Lin Shanchu suppressed her voice and started speaking in a slow cadence. “It’s all thanks to you that I can achieve my goal.”

Li MO, who was driving in the front row, was shocked by Lin Shanchu’s voice.

Fortunately, he was extremely skilled in driving and didn’t make any errors.

On the other end of the line, Huo Xunzhou was silent for three seconds. “Shanshan, you’re a smart woman. I think you should understand that you won’t be able to obtain everything you want in life without obstacles.”

Lin Shanchu suspected that Huo Xunzhou was disgusted by her voice and was trying to cripple her confidence.

She knew that Huo Xunzhou must have known that she was talking about Lu Shiyuan.

It was the same as last time.

Xia Jinmeng and Tang Qidai had gotten the media to spread rumors that she was harassing the students. She had deliberately released the news that she was going to hold a press conference, thinking that Lu Shiyuan might break off their engagement.

Huo Xunzhou said that she couldn’t get her wish.

“Hmph!” Lin Shanchu snorted. “Brother Xunzhou, you’re so smart. I’m sure you understand that people’s predictions don’t always come true.”

Even if she could not bring Lu Shiyuan down this time, she would make him sustain some losses.

She refused to believe that Huo Xunzhou was so omnipotent that he would be able to nail each prediction on the head.

Sensing the anger in her tone, Huo Xunzhou’s lips curled into a small smile. “You’re right, Shanshan.”

Lin Shanchu was a young woman who was the most lovable when she was angry.

Of course, Lin Shanchu didn’t know what Huo Xunzhou was thinking.

She just felt that Huo Xunzhou was mocking her.

Lin Shanchu emphasized each word. “Just wait and see!”

“I’ll bring you a gift when I come back.” Huo Xunzhou’s tone was as gentle as if he was coaxing a child.

“Goodbye!”

Huo Xunzhou was probably bored to death, so he decided to say such things just to tease her.

Lin Shanchu hung up the phone.

When she put Li Mo’s phone back, she looked up and saw Li Mo’s fatherly smile.

Lin Mo was speechless.

Although she didn’t think that the conversation between her and Huo Xunzhou had any ambiguous elements, she felt that she could not explain herself at all.

Qi Cheng lived in a very private neighborhood.

There were reporters waiting at the entrance of the neighborhood.

Some reporters tried to sneak in, but the security guards always saw through their intentions.

“How do we get in?” Li Mo asked.

“We’re here to look for someone, not to cause trouble for them.”

After Lin Shanchu finished speaking, she got out of the car and walked toward the security booth at the entrance of the neighborhood. “Hello, I’m here to look for Qi Cheng who lives in Block 5.”

Lin Shanchu smiled as she voiced her request politely.

When the security guard saw her face, he was stunned by her beauty.

“Qi Cheng hasn’t been home recently.” “How do you know he isn’t home?” “The police came by this afternoon.” “All right, thank you.”

Lin Shanchu returned to the car.

Li Mo saw that she looked a little down, so he quickly said, “Maybe he’ll be back tomorrow.”

At this moment, Lin Shanchu finally remembered that she had a system. There was no movement from the system these days. Could it be dead?

“Are you still alive, idiot?” Lin Shanchu asked.

Soon, the mechanical voice of the system sounded in her mind. [The system is upgrading. It can only be used normally after the upgrade is completed.] Lin Shanchu was speechless.

As expected, she shouldn’t have had high hopes for this stupid system.

“Where are you staying tonight, Ms. Lin?” Li Mo asked. Lin Shanchu turned to look out the window.

It was already late.

“Big Brother’s house is quite close to here...” Li Mo suggested considerably.

The training camp was quite far away, and she still had to look for Qi Cheng tomorrow. It would be a waste of time to return to the training camp.

“That’s a little inappropriate, isn’t it?” Lin Shanchu was tempted by the offer.

“What’s the big deal? Big Brother’s house is your house... I mean, we’re all friends here...” Li MO tried to explain..

Chapter 117: Message Sent, but Rejected by the Other Party

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Li MO felt that he couldn’t explain everything clearly.

“Why don’t I give Big Brother a call?” He finally decided.

As soon as he finished speaking, a new message notification sounded in the car.

Lin Shanchu’s phone showed a new message.

The sender’s number was also very unfamiliar.

But Lin Shanchu felt that the phone number looked familiar as if she had seen it somewhere before.

Suddenly, an idea flashed through her mind.

Wasn’t this Huo Xunzhou’s phone number?

She had seen it when she was helping Li MO answer the phone.

Lin Shanchu wrote a long message, but she deleted everything in the end and sent a punctuation mark instead.

Lin Shanchu wrote, [?]

Huo Xunzhou replied, [The password to my house.]

The password to his house?

Was he inviting her to stay at his house?

The last time she burned down Lu Shiyuan’s house, he only agreed to take her in because she begged him the whole time.

This time, he was actually so proactive.

Lin Shanchu asked, [Huo Xunzhou?]

Huo Xunzhou replied, [Yeah.]

Lin Shanchu said, [Thank you.]

Huo Xunzhou stated, [I'm boarding.]

Lin Shanchu answered, [Have a safe journey.]

Huo Xunzhou replied, [Okay.]

Lin Shanchu briefly browsed through their information.

In just a few short sentences, there were two short words that indicated 'okay'.

When this man was in the mood, he would become very bored and childish.

Usually, he was a man of few words if he could help it.

The car happened to pass by an intersection.

While waiting for the green light, Li MO took out his phone and called Huo

Xunzhou.

Then, he muttered softly, "Why did he turn off his phone?" Lin Shanchu reminded him subconsciously, "He's boarded his plane." "How did you know that?" Li MO asked in puzzlement.

"We just texted each other." Lin Shanchu rubbed her nose, feeling a little embarrassed.

"Oh. Why aren't you guys chatting on WeChat?" Li MO nodded.

"We didn't add each other on WeChat."

"Huh?"

Li MO looked confused and disappointed.

Big Brother and Ms. Lin were already quite close, yet they hadn't even added each other on WeChat!

The progress was too slow!

Li Mo's disappointment was too genuine, causing Lin Shanchu to feel like she had let him down.

"I'll add him now."

Lin Shanchu searched for Huo Xunzhou's number and added him as a friend on WeChat right in front of Li Mo.

Li MO was satisfied.

Ms. Lin took the initiative to add Big Brother on WeChat.

He would definitely be happy.

Today, Li MO still played the role of Huo Xunzhou's considerate subordinate.

The next morning.

The first thing Lin Shanchu did when she woke up was to check her WeChat.

There was no message on WeChat saying that Huo Xunzhou had accepted her friend request.

Why hadn't Huo Xunzhou accepted her friend request?

Wait, why was she looking forward to it?

Lin Shanchu grabbed her hair in frustration before getting out of bed to wash up.

Li MO missed Lin Shanchu's cooking.

He had ordered groceries online when he came back last night.

Thinking that Li MO had been following her around for the whole day, Lin Shanchu made two simple dishes.

Li MO enjoyed the meal so much he was close to licking his plate clean.

There were still some ingredients left for breakfast.

Just as breakfast was ready, Li MO returned from the outside.

"Good morning, Ms. Lin!" Li MO ran into the kitchen and stared at the breakfast that was just served.

Lin Shanchu handed him a loaded plate.

Li MO was very touched and bowed to Lin Shan Chu on the spot. "Thank you, Sister-in-law."

The air suddenly fell silent. "I didn't sleep well, so I'm a little talkative today."

Lin Shanchu was speechless.

While eating breakfast, Lin Shanchu scrolled through Weibo to see what was going on.

Lu Shiyuan's incident was still very popular.

Jing Ming's fans were still active.

Lin Shanchu couldn't let things end this easily.

She had to find Qi Cheng today.

From what Jing Ming's fans said, it was not difficult to tell that Jing Ming and Qi Cheng had a very good relationship back then.

Therefore, Qi Cheng must have known something about Jing Ming's death.

Perhaps Qi Cheng had solid evidence that could prove Lu Shiyuan's involvement in Jing Ming's death.

Li MO, on the other hand, was secretly taking pictures and sending them to Huo Xunzhou.

He said, [Big Brother, Ms. Lin made breakfast.]

He then continued, [Ms. Lin's cooking still tastes great.]

Then, he started to send Huo Xunzhou pictures of his breakfast.

Last night, he also took a picture of his dinner and sent it to Huo Xunzhou.

However, Huo Xunzhou didn't reply.

Li MO had no idea what his big brother was busy with.

He took three breakfast pictures.

Ads by Pubfuture

Once he was done sending the first picture, a red exclamation mark appeared at the end of the second picture when he tried to send it.

There was also a line of small words that said, [The message has been sent, but the other party has rejected it.]

Li MO scratched his head and asked Lin Shanchu, "Miss Lin, I sent a WeChat message to someone. It said, 'The message has been sent, but the other party rejected it'. What does that mean?"

"The other party blocked you." Lin Shanchu didn't even raise her head.

Lin Shanchu logged out of Weibo and opened WeChat to see that Huo Xunzhou had accepted her friend request.

A hint of a smile unconsciously flashed across her eyes.

She opened the chatbox between the two of them, tapped her finger on the screen twice, and exited the app.

Adding Huo Xunzhou as a friend didn't mean that she had to start a conversation with him.

Besides...

If they had to talk about something, why didn't Huo Xunzhou take the initiative to send her a message?

Lin Shanchu exited WeChat and placed her phone on the table.

Meanwhile, Huo Xunzhou was still staring at his phone.

To be more precise, he was staring at Lin Shanchu's WeChat chatbox.

Just now, it clearly showed that the other party was typing.

However, he had waited for a long time, but there were still no messages from Lin Shanchu.

On the other hand, Li MO had sent him Lin Shanchu's cooking last night and this morning.

Heh.

He was annoyed by Li Mo's pictures.

Therefore, he blacklisted him.

Just as Huo Xunzhou was thinking of sending a message to Lin Shanchu, his bodyguard walked over.

"Mr. Huo, the car is ready. We can set off now," he said respectfully.

Li MO drove Lin Shanchu out of Huo Xunzhou's house.

She went straight to Qi Cheng's house.

Not long after he started driving, Li Mo's expression changed slightly.

"Ms. Lin, sit tight."

Lin Shanchu grabbed the armrest and braced herself.

Seeing that Li MO kept looking in the rearview mirror, Lin Shanchu asked, "someone following us?"

"Yes."

Li MO continued in a comforting tone, "But I'll be able to get rid of him soon. Don't worry, Ms. Lin." Lin Shanchu smiled.

She believed in Li Mo's ability.

However, who could be following her?

Lu Shiyuan was still at the police station.

If there was no conclusive evidence, Lu Shiyuan would have to be detained for at least 24 hours before he could come out. Therefore, it was definitely not Lu Shiyuan.

Could it be Tang Qidai?

That was not right either.

Tang Qidai wasn't that capable.

Besides, Tang Qidai had no idea where Huo Xunzhou lived.

Even if Tang Qidai knew where he lived, she didn't know that Lin Shanchu was staying with him.

Who could it be?

"Don't shake them off. Drive to a place with fewer people." She wanted to see who was following her right now.

Li MO immediately understood what Lin Shanchu meant. He drove the car to a less crowded area with complicated road conditions.

The car followed closely behind them. Soon, it caught up to them..

## Chapter 118: The Truth

Li MO led the car into a narrow road.

When the car drove in, he turned around his car and blocked the car's path.

They were being followed by a very inconspicuous old black car.

The black car was stuck in the corner and could not move forward or backward. It could only stop.

Li MO and Lin Shanchu got off the car together.

“Get out.” Li MO walked over and knocked on the window.

There was no movement coming from the person in the car.

Li MO was impatient. He rolled up his sleeves and was about to step forward.

At this moment, the car door was opened by someone inside.

A thin man got out of the car.

His hair was a little long, and the ends of his hair almost covered his eyes. The black stubble on his chin made him look a little depressing.

“Who are you? Why are you following us?” Li MO asked loudly.

The man did not answer Li Mo’s question.

Instead, he looked at Lin Shan Chu.

“You’re Qi Cheng.” Lin Shanchu’s clear eyes narrowed.

Li MO sized up Qi Cheng in surprise.

Lin Shanchu had shown him Qi Cheng’s picture before.

He really couldn’t associate this disheveled man in front of him with the high-spirited Qi Cheng in the picture.

Qi Cheng looked at Lin Shanchu’s face in a daze.

After a while, he nodded slowly.

“Since you’re here, let’s find a place to sit down and chat.” Qi Cheng still shook his head.

Seeing this, Li MO frowned and was about to step forward.

People like Qi Cheng who didn’t cooperate even when they came to their doorstep would be obedient after a beating.

Lin Shanchu sensed what Li MO was about to do and reached out to stop him.

She shot him a calm look. “He wants to talk to me in private.”

After saying that, Lin Shanchu got into Qi Cheng’s car.

Li MO was speechless.

Qi Cheng did not say a word the entire time.

How did Ms. Lin know that he wanted to talk to her alone?

Qi Cheng followed Lin Shanchu into the car.

The car door closed and the window was shut tightly.

The people outside could not hear what the people in the car were saying.

Li MO craned his neck and looked through the windshield.

He could only see Lin Shanchu and Qi Cheng sitting side by side. He couldn't see their expressions clearly, let alone hear their voices.

Meanwhile, inside the compartment.

“Is Jing Ming’s death related to Lu Shiyuan?” Lin Shanchu asked straightforwardly.

“What do you think?” Qi Cheng’s pupils shook a little.

Lin Shanchu’s eyes twitched slightly, and her aura became fierce.

“Qi Cheng, did you come to look for me just to play mind games with me?”

“You are Lu Shiyuan’s fiancée. I’m not sure if I can trust you.”

Lin Shanchu laughed.

Her smile was as gentle as that of a young lady from a wealthy family.

However, the next second, what she said made Qi Cheng’s expression change drastically.

“Do you think that Jing Ming’s suicide back then had anything to do with your indecisiveness and indifference? ”

Qi Cheng’s face turned pale.

His entire body started to tremble violently as if he was stabbed in the jugular.

His eyes were filled with regret and pain.

Qi Cheng really knew something.

Feeling a little excited, Lin Shanchu reached out to grab Qi Cheng’s arm. “You used to be close to Jing Ming, so you must know the truth! Do you have any evidence that can prove that Lu Shiyuan is related to Jing Ming’s death?”

Qi Cheng’s expression was painful and dull.

Lin Shanchu snapped, “Speak up, Qi Cheng!”

“If you didn’t do anything to help Jing Ming out back then, now is your chance to make up for your mistake!

“If you miss this opportunity, you can only watch Lu Shiyuan get away with it once and for all!”

Qi Cheng seemed to have been persuaded by Lin Shanchu.

He struggled to move his lips. “I...”

He only said one word, but he looked like he couldn't continue speaking anymore. Instead, he took out his phone and handed it to Lin Shanchu.

“There are two videos here. Take a look for yourself.”

The first video was obviously secretly recorded.

The camera shook violently, but the conversation between the man and woman in the video was unusually clear.

“Brother Shiyuan, do I have no hope of getting the female lead of ‘Cold Hut’?” “Don't worry, I'll think of a way.”

“I really envy Jing Ming. I heard that the director of ‘Cold Hut’ really likes him..

At this point, the camera swept to the woman's face.

It was Tang Qidai.

Lin Shanchu had already recognized Tang Qidai's voice from the start.

The camera only captured Tang Qidai's face to confirm that the person who spoke was indeed her.

However...

Ads by Pubfuture

“Is this related to Tang Qidai?” Lin Shanchu asked Qi Cheng.

Qi Cheng pursed his lips tightly without saying anything. He gestured for her to continue watching.

The video was very short and ended there.

Lin Shanchu continued watching the second video.

The second video was in a private room.

There were leftovers on the table, and the background was noisy.

“Jing Ming is already drunk. We still have work tomorrow, so I'll take him home first.” The one who spoke was Qi Cheng.

Another drunken male voice said, “How is he already drunk? I think Jing Ming is still very sober. Let's continue this party in another KTV.”

The camera swept across the man who spoke.

It was a middle-aged man with a big belly.

His hands kept roaming up and down Jing Ming's body, who was clearly disoriented and in a haze.

Jing Ming was so drunk that he could barely stand. His voice was filled with uneasiness. “Brother Qi...”

“Qi Cheng, go back first.” It was Lu Shiyuan's voice.

“President Lu...” Qi Cheng sounded a little flustered.

‘l'nen, a bodyguard walked m.

He escorted Qi Cheng out of the room.

When Qi Cheng was escorted to the door, the director's final sentences came from the room.

“President Lu, don't worry. The female lead of ‘Cold Hut’...” Bam!

His unfinished words were silenced by the closed door.

The video ended here.

Lin Shanchu clutched the phone.

After a long silence, she turned to look at Qi Cheng.

“Lu Shiyuan sold Jing Ming to the director of ‘Cold Hut’ in exchange for Tang Qidai's resources, right?” she asked.

Qi Cheng nodded.

Lin Shanchu sneered.

Lu Shiyuan had always been very capable.

She knew that the whole time.

However, she did not expect that after Lu Shiyuan took over the Lu Corporation, he would still do such a disgusting thing.

“When Jing Ming signed the contract with the company, even the social activities he had to attend were included in the contract. Jing Ming has always been very cooperative and worked hard to improve himself...”

Qi Cheng seemed to be unable to continue. His eyes started becoming red.

“Actually, this kind of thing is not uncommon in the entertainment industry. After the incident, Jing Ming was depressed for a period of time. Lu Shiyuan also talked to him privately before he joined the production crew of ‘Cold Hut’.

“Tang Qidai's acting skills were terrible, so the filming of ‘Cold Hut’ didn't go well. The company also arranged for me to take care of a newcomer, so I didn't have much time to care about Jing Ming...”

“It was until one day when Jing Ming left the production crew to look for me. He told me that Lu Shiyuan had used him in exchange for Tang Qidai's resources. He thought that I didn't know about it, and even said that he wanted to cancel the contract with the Lu Corporation..

Qi Cheng hugged his head in pain. His voice started choking up, and his voice was so hoarse that he could barely squeeze out a sound.

The outcome was obvious.

“But you didn't help him.” Lin Shanchu looked at Qi Cheng coldly..

Qi Cheng slapped his head harshly.

“Why didn’t I help him back then? Why didn’t I help him...”

“If I had helped him, he might not have died.

“Not only did I not help him, I even advised him to forget it. I even told him that such things are inevitable in the entertainment industry.”

He even remembered Jing Ming’s disappointed and incredulous eyes.

“Jing Ming had said that it’s precisely because we’ve been taking steps back and reducing our bottom line time and time again that those in power are so arrogant.

“He originally wanted to just let it go. After all, he already got the male lead role in ‘Cold Hut.’

“But in the end, he was just a tool for Lu Shiyuan to exchange resources for Tang Qidai.

“Jing Ming called Lu Shiyuan a devil who doesn’t treat his employees like humans...”

Qi Cheng calmed down when he recalled this.

” At that time, I thought that Jing Ming’s thoughts were too extreme. I told him to rest first and calm down before our next conversation.

“Unfortunately...”

Qi Cheng paused at that moment.

Lin Shanchu helped him finish his sentence. “It’s a pity that you won’t have the chance to chat anymore.”

“The night before he committed suicide, he called me. He said that he couldn’t just watch Lu Shiyuan get away with it. He had to do something...”

“After that, he died.”

Lin Shanchu was silent for a while.

“The surveillance footage that was released online was the night before Jing Ming committed suicide. That means that Jing Ming met Lu Shiyuan the last time he called you.”

Qi Cheng nodded. “Yes, Lu Shiyuan must have made an outrageous request to him that day. That’s why he decided to take his life.”

“No.” Lin Shanchu shook her head.

“What do you mean?”

“The surveillance footage showed that it was during the day, but he called you at night.”

“You mean...” Qi Cheng’s eyes widened.

“When Jing Ming called you, he said that he had to do something, but he committed suicide the next day,” Lin Shanchu added.

She emphasized the word ‘suicide’.

“Someone made Jing Ming commit suicide before he could do anything,” Lin Shanchu continued coldly.

“I always thought that Jing Ming just couldn’t stand Lu Shiyuan’s coercion, so he committed suicide...” Qi Cheng muttered.

Lu Shiyuan took someone’s life with his hands.

This was a little unexpected for Lin Shanchu.

At the same time, she felt that it was within her expectations. A man like Lu Shiyuan was capable of doing anything, no matter how disgusting it was.

“I’ll take the videos with me.” Lin Shanchu opened the car door and got out.

Qi Cheng also got out of the car from the other side and hurriedly followed Lin Shanchu’s footsteps.

Lin Shanchu turned to look at him.

“I’ll go to the police station with you,” Qi Cheng explained.

His gaze became much more determined than before.

“I thought you didn’t believe me.” Lin Shanchu sized him up.

On the surface, she was still Lu Shiyuan’s fiancée.

She could understand why Qi Cheng didn’t believe her.

“I’ve done an in-depth analysis of what you’ve done recently. You’ve been going against Lu Shiyuan without any exception, so I’ve decided to take a gamble...”

Qi Cheng paused and continued, “When I was chatting with you just now, I realized that you have the same trait as Jing Ming. I can’t tell you what exactly it is, but I believe you.”

The same trait as Jing Ming?

She must be determined to kill Lu Shiyuan.

She and Jing Ming both wanted Lu Shiyuan dead.

The three of them set off for the police station.

Li Mo cursed after watching the two videos on the way.

“Lu Shiyuan is really a f\*cking b\*stard!”

Then, he tried to salvage his image in front of his future sister-in-law. “I’m just a little angry right now. I’m usually quite civilized.”

“It’s true that Lu Shiyuan is a f\*cking b\*stard,” Lin Shanchu replied.

Her voice was gentle and soft. Whenever she was cursing, she didn't sound fierce at all, but her tone was inexplicably imposing.

Qi Cheng turned to look at Lin Shanchu in shock. "You're quite straightforward,

Ms. Lin."

Lin Shanchu smiled and said nothing.

This was nothing.

If it wasn't for the fact that she could not kill Lu Shiyuan with her own hands, she would have already chopped him into pieces and fed him to the dogs.

Before entering the police station, Lin Shanchu had made two copies of the videos for herself.

After handing over the evidence to the police, she directly exposed them on the

Internet.

The evidence was irrefutable.

It would be difficult for Lu Shiyuan to not get ruined. Lin Shanchu and the others entered the police station.

"We are here to provide evidence."

Qi Cheng showed the videos on his phone to the police.

The police officer took the phone.

The screen suddenly turned black.

"What happened?" the policeman asked. "Is your phone out of battery?"

"I came out fully charged," Qi Cheng frowned.

"Get me a charger," the police officer called out to his partner.

"I have backup copies in my phone." Lin Shanchu took out her phone. Lin Shanchu showed the video on her phone to the police.

The result was the same as before.

The screen on her phone instantly turned black.

Both phones turned black. This was too much of a coincidence.

Everyone fell silent.

At this moment, Qi Cheng said, "I have it on my cloud drive too."

The policeman logged into Qi Cheng's cloud drive account.

He proceeded to check the entire cloud drive, but the two videos couldn't be found.

The police looked at them suspiciously. “You’ll be detained if you interfere with the police’s investigation. You know that, right? ‘

Qi Cheng turned around and whispered to Lin Shanchu, “I really have them on my cloud drive. I’ve saved them for several years. I even especially logged in to take a look yesterday.”

Lin Shanchu felt uneasy.

She held onto her last trace of hope while calling out to Li Mo.

Just now, to be safe, she had also sent two copies to Li Mo.

Li MO quickly took out his phone.

When he showed the videos to the police, his phone went black just like before.

The police had mixed feelings, but the three of them still insisted that there was evidence in the phone, so they took the phones to the technician to repair them.

Soon, the results were out.

“The phones have been repaired, but there are no videos related to the evidence.

Li MO was also confused.

It was clearly a phone that he had just bought. Why did it break down just like that?

Lin Shanchu replayed everything that happened today in her mind.

In a flash, she suddenly understood something.

She picked up her phone and pulled out the video of Lu Shiyuan apologizing to her at the police station.

She had originally planned to save this video for the critical moment and use it as the last straw to crush Lu Shiyuan.

Now, she had no choice but to take it out in advance for experiments.

She logged into Weibo and uploaded the video.

While waiting for the video to be uploaded, Lin Shanchu felt as if seconds had turned into years.

When the video was 99% uploaded, the screen of the phone suddenly changed.

After that, the screen went blank.

A few seconds later, the screen flashed and returned to Lin Shanchu’s Weibo homepage..

Lin Shanchu frantically refreshed her Weibo homepage.

However, no matter how hard she tried, the Weibo homepage did not show the video that she had just uploaded.

Finally, Li MO realized that something was wrong with her.

“Ms. Lin?”

“Why won’t it appear?” Lin Shanchu raised her head in confusion. Li MO felt that Lin Shanchu’s reaction was quite strange.

“What do you mean by that?” he asked worriedly.

Lin Shanchu didn’t say anything.

She closed Weibo.

After that, she searched through the album, but she couldn’t find Lu Shiyuan’s apology video anywhere.

Not only did she fail to upload the post successfully, but the video also disappeared from her album.

“Li MO, help me look for it.”

“What are you looking for?”

“The video of Lu Shiyuan apologizing to me at the police station.” Lin Shanchu seemed like she had great difficulty talking right now, seeing as her voice was as hoarse and soft as a mewling cub.

Li MO took the phone and carefully checked Lin Shanchu’s picture album.

She had bought this phone before joining the training camp.

Lin Shanchu didn’t use her phone much, so there weren’t any pictures or videos in her default album.

The cloud version of the album was blank too.

There was nothing to look for.

Li MO raised his head. Under Lin Shanchu’s hopeful gaze, he said truthfully,

“There’s nothing.”

The last glimmer of light in Lin Shanchu’s eyes disappeared.

She fell back into her chair as if she had lost all of her strength.

“Do you have any evidence?” the police asked them.

“We do!”

Seeing that they didn’t look like they were lying, the police officer replied patiently, “Then show us the evidence.”

Qi Cheng fell silent.

Why did the videos disappear into thin air when they were about to be handed over to the police?

Were the videos possessed?

“If you really have evidence, you can send it to us at any time,” the police officer continued. helplessly.

“Lu Shiyuan will be released today, right?”

Everyone looked at Lin Shanchu in unison.

Her clear eyes were deep and hollow, not to mention extremely cold.

The police were in charge of Lu Shiyuan’s case, so they naturally knew about Lin Shanchu. They recognized her the moment she came in.

“If there is no other evidence, Lu Shiyuan will be released in the afternoon.”

The policeman glanced at the clock on the wall. “There are only a few hours left.”

He thought that Lin Shanchu was worried about Lu Shiyuan.

In the end, Lin Shanchu didn’t say anything and turned to leave.

Li MO hurriedly followed.

“Ms. Lin, are you thirsty?”

Lin Shanchu got into the car without saying a word.

As the car door closed, Li MO was shocked to see Lin Shanchu’s ashen expression.

He then took out his phone and called Huo Xunzhou.

“I’m sorry, the number you have dialed is currently unavailable...”

Big Brother had gone on a business trip last night. He was probably on the flight home now.

“What’s wrong, Ms. Lin?” Qi Cheng also noticed that Lin Shanchu’s expression looked weird.

“She’s fine,” Li MO quickly said.

There was no need to tell an outsider like Qi Cheng about Ms. Lin’s situation.

“I’ll go back and check if there are any backup videos.” After saying that, Qi Cheng flagged down a cab and left.

Li MO sent Huo Xunzhou a WeChat message.

[Big Brother, when are you coming back?]

He continued, [We found Qi Cheng, but when we came to report the case with the video evidence in Qi Cheng’s hands, our phone screens turned black and the videos disappeared.

[Ms. Lin seems to have suffered a blow because of this. She seems very weird.] He told Huo Xunzhou everything in detail.

This way, he would be able to see it on his phone the moment he got off the plane.

Li MO returned to the car afterward.

“Ms. Lin, do you want to go back and rest for a while?” he asked carefully.

After a while, Lin Shanchu finally reacted.

“We’re going back to the Lu Corporation.” The voice was very soft and sounded bone-chilling.

Li MO started the car wordlessly.

There were still many reporters waiting around the Lu Corporation.

Li MO bypassed the reporters and drove into the underground parking lot. Lin Shanchu had just returned to her office when a familiar mechanical voice rang in her mind.

[Ding! System upgrade is complete!]

[Unresponsive message detected in the chat history.]

[Host, did you call me?]

After the upgrade, the system sounded more mature than before.

“Why did those videos suddenly disappear?”

The system replied, [I have detected the reason for the host’s violent emotional fluctuations. It was caused by the disappearance of Lu Shiyuan’s crime evidence.]

It continued, [Lu Shiyuan is under the protection of the male lead’s halo. When the male lead is in great danger, the emergency defense mechanism will be activated, and the dangerous items will be automatically erased.]

“The damn male lead halo again, huh!

“Aren’t I the biggest threat to him in this world?” Lin Shanchu laughed coldly.

“Why didn’t you erase me as well?”

Lin Shanchu was about to go crazy from the rage she was feeling.

She raised her hand and swept everything on the table to the ground.

The evidence was irrefutable.

She was only one step away.

To think that a scumbag like Lu Shiyuan was actually protected by the male lead’s halo!

The so-called fairness and justice didn’t exist at all!

The hammer that Lin Shanchu had used to smash the door yesterday was still sitting in the corner.

She stood up and walked over.

Then, she picked up the hammer and started smashing everything in the office.

Zhou Yan rushed over when he heard the sounds.

“Ms. Lin!”

Zhou Yan tried to stop her.

“Get lost!” Lin Shanchu kicked him away.

Refusing to give up, Zhou Yan attempted to approach her.

“Oh?” Lin Shanchu sneered. “So, even Lu Shiyuan’s mutt dares to interfere in my business now?”

“Ms. Lin, please mind your words.” Zhou Yan’s expression changed.

“Did you think I’ve wronged you?” Lin Shanchu tilted her head slightly and stared at him, “That night, Lu Shiyuan instructed you to take Jing Ming to the

‘Cold Hut’ director’s room, right? ”

Zhou Yan was Lu Shiyuan’s most trusted person.

Naturally, he was involved in all the shady dealings that Lu Shiyuan had done.

Zhou Yan wasn’t innocent at all.

No one was innocent!

Zhou Yan suddenly raised his head and looked at Lin Shanchu. “There are certain things you can’t say at a whim, Ms. Lin!”

“I can’t say certain things at a whim? I don’t even want to live anymore! What else can’t I say?” Lin Shanchu laughed out loud.

Bang!

Lin Shanchu threw down the hammer in her hand.

She picked up her phone and ran to the rooftop.

Just as she left, Li MO came back after answering the call.

Zhou Yan was the only one left in the messy office.

“Where did Ms. Lin go?” Li Mo’s expression changed immediately. Zhou Yan finally recovered from what Lin Shanchu said just now.

“I don’t know.”

Lin Shanchu suddenly ran out. How would he know where she went?

Li MO naturally did not believe Zhou Yan’s words.

He huffed coldly before turning around to leave.

As he walked, he called Huo Xunzhou on the phone. “Big Brother, Ms. Lin is missing. I’m going to the surveillance room to investigate the situation now.”

He had gone out just now to answer Huo Xunzhou’s call.

“Is her phone in the office?” Huo Xunzhou asked in a deep voice..
