Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Huo Xunzhou could tell that Yun Jin did not like Lin Shanchu either.

He hung up on Yun Jin in rage.

Lin Shanchu was very cute in the first place!

“Hello?” Yun Jin brought the phone to his front and took a look, only to find that the call had been hung up.

He stared at his phone for a moment before calling Yun Yi.

The call went through. Before he could say anything, Yun Yi asked, “Did you cause trouble again?”

Yun Jin had mixed feelings. “...Brother, am I the kind of person who causes trouble all the time in your eyes?”

“Isn't that so?”

“How many times has Xunzhou helped you clean up your mess? Do you want me to do the math for you?”

Yun Jin felt guilty and whispered, “Brother, I'm looking for you because of Zhouzhou.”

“What happened to him?” Yun Yi's voice instantly sounded serious.

Yun Jin replied, “I feel that he's a little strange. Go to Xu City to meet him when you are free.”

Judging from Huo Xunzhou's tone just now, it seemed that he had taken a fancy to that woman, Lin Shanchu.

It was alright for him to take a fancy to Lin Shanchu, but at least he should have normal cognitive functions.

Yun Jin felt that his cognitive functions were already abnormal.

“I happen to have plans to go to Xu City recently. I'll talk to Xunzhou when the time comes.”

The entertainment reporters who followed Lin Shanchu to the hospital had exposed Lu Shiyuan's hospitalization.

The police had taken Tang Qidai away for case investigation.

The two of them appeared on the trending search list.

The fiasco during this period finally showed signs of coming to an end.

The dramatic reversal for the consecutive days made the netizens become cautious.

[Tang Qidai has really fallen from grace this time. She can no longer clear her name, right?]

[She was taken away by the police. It seems that she's really done for this time.]

[I've listened to the recording. I feel that the beating was terrible. However, it has been a long time and I feel that it's a little difficult to obtain evidence...]

[What's so difficult about it? She can still do an injury evaluation.]

[She's not done for. Lu Shiyuan must have gotten up from the hospital bed and gone to the police station to bail Tang Qidai out.]

[I don't think Lu Shiyuan is that kind of love-struck. Given Tang Qidai's situation, does he still want to bail her out?]

[Is there a possibility that Lu Shiyuan's hospitalization is actually fake and that he just doesn't want to interfere in Tang Qidai's affairs?]

The netizens speculated deeply about Lu Shiyuan's current psychological activities.

Diabetes Is Not From Sweets! Meet The Main Enemy Of Diabetes  
INSULUX

It became more and more ridiculous later on.

Some people even said that Lu Shiyuan was going to abandon Lu Corporation and plan with Tang Qidai to escape the country.

This group of netizens was really interesting.

Lin Shanchu was so happy that she did not forget to take a screenshot of the comments and share it with Lu Shiyuan.

She did not have Lu Shiyuan's WeChat contact, nor did she save his phone number.

However, she was the female lead of an angst love story. She would remember the phone number of the scumbag male lead.

Lin Shanchu frowned and keyed in Lu Shiyuan's number before sending him the screenshot.

When she thought of the scene where Lu Shiyuan would smash his phone angrily after seeing the screenshot, she couldn't help but feel happy.

The dignified president of Lu Corporation had now become the laughing stock of everyone.

It was not something honorable.

It would also affect Lu Corporation's stock price.

In the hospital, Lu Shiyuan had just finished changing the wound dressings.

Zhou Yan reported his work at the side.

As soon as the work report ended, Lu Shiyuan's phone rang with a new message notification.

Lu Shiyuan leaned against the headboard of the bed with a pale face. He raised his hand and gestured for Zhou Yan to help him check the text messages on his phone.

Apart from Tang Qidai, the rest of the people who contacted him were business partners.

He already knew that Tang Qidai had been taken away by the police.

The people who would contact him now were people related to work.

With his current physical condition, he really did not have much energy to deal with these matters.

When Zhou Yan saw the contents of the text message, his expression changed.

“Who sent the message?” Lu Shiyuan closed his eyes to recuperate.

Zhou Yan quickly replied, “It’s a junk message.” His tone sounded a little off.

Lu Shiyuan suddenly opened his eyes. “Let me see it.”

“Really...”

“Give it to me!”

Zhou Yan could only pass the phone to Lu Shiyuan.

When Lu Shiyuan saw the comments in the screenshot saying that he was pretending to be sick and was hospitalized, he managed to hold himself together.

However, when he saw the comments saying that he was going to escape abroad with Tang Qidai, he could no longer hold back. Fueled by rage, he threw his phone out.

Bang!

The phone happened to fall right to Zhou Yan’s feet.

Zhou Yan shifted to the side and said tentatively, “President Lu, are we really not going to call the police?”

The sender of the message was Lin Shanchu.

Only Lin Shanchu would be so arrogant and dare to send such a content to Lu

Shiyuan.

“Call the police?”

Lu Shiyuan’s eyes were filled with anger. “I, Lu Shiyuan, was stabbed by a woman. That woman is my fiancée! Is it glorious to speak of this incident?”

Zhou Yan lowered his head silently.

After a while, Lu Shiyuan sneered, “If we really call the police, her wish will be granted.”

“I don’t quite understand it, President Lu.” Zhou Yan was puzzled.

“You don’t have to understand it. I have arranged something else for you to do.” Lu Shiyuan seemed to have thought of something, and a cold light flashed in his eyes.

He Xiang, as the victim, wanted to cooperate with the police investigation.

Qi Cheng had accompanied her there.

Lin Shanchu was idle at home.

When Qi Cheng came to pick up He Xiang every day, he would solemnly remind Lin Shanchu, “The weather is too hot, and there’s nothing fun outside. Just rest well at home.”

Lin Shanchu knew in her heart that Qi Cheng was afraid that she would go out and cause trouble.

Although she did not think she would cause trouble, she was very cooperative and did not go out for the sake of Qi Cheng's good intentions.

The main reason was that she was still angry at Wen Huan.

Otherwise, she would have gone out to play with Wen Huan.

She clicked open WeChat and saw that Wen Huan had sent her a new message.

Wen Huan: [Red packet.]

Wen Huan: [You're a ruthless person. You can even hold back from clicking open the red packet!]

Wen Huan: [I'll hang out with you, alright?]

Wen Huan: [You can play whatever you want!]

Ever since she had embarrassed herself in the comments section of Wen Huan's Moments on that day, she had not replied to Wen Huan's messages.

Wen Huan would send her a few messages to make peace whenever he was free.

However, Lin Shanchu felt that she should ignore him for a while. Lin Shanchu clicked open Wen Huan's Moments and found that he had posted a new post.

Wen Huan: [The drama 'Top Feast' is really ominous. It is cliché yet addictive. I stayed up all night to catch up with the latest episode. It's just that it's too unbearable to wait for the filmed episode to be aired.]

It turned out that Wen Huan had stayed up late to binge watch drama!

Lin Shanchu felt like her impression of Wen Huan had shattered.

He was not Wen Huan whom she remembered.

However, was "Top Feast" really that good?

Lin Shanchu had seen this title on the trending search list.

Every time a new drama was aired, it would definitely be trending, which was nothing strange.

The title of the drama did not seem to be very interesting. In addition, she was busy messing with Tang Qidai and Lu Shiyuan, so she did not click on the trending topics for this drama.

Lin Shanchu searched online for a while.

Only then did she realize that there was an astonishing amount of discussions about "Top Feast" on the Internet.

This drama was quite popular..

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

The keywords in the comment section of “Top Feast” were a little unusual—”it’s too cliché and too addictive”, “am I crazy or is the screenwriter crazy?”, “will people still die?”and “continue with the romance plot”.

At first glance, it was difficult to associate these keywords with the title of the drama.

She wanted to find out how good this drama was.

There was only one sentence in the synopsis: A top-notch banquet at the end of one’s desire.

Lin Shanchu was amazed by the opening credit before the main show even started.

The gloomy opening credit was very well-made. In the extravagant banquet scene, the well-dressed people had smiles on their faces with a razor-sharp sense of uncanniness, assaulting one’s senses and making one tremble.

After the opening credit was over, the opening scene showed a family gathering in a luxurious manor.

In the lively atmosphere, a storm was brewing as a long take showed everyone present one by one.

After that, the most powerful old man in the family appeared with his illegitimate daughter.

The illegitimate daughter had a pure and kind face, looking innocent and beautiful.

According to the pattern, she was probably the female lead.

Lin Shanchu thought that the latter plot would probably be about the female lead being blinded by the wealth of the upper class and gradually developing evil thoughts. Then, she would be devoured by desire and eventually turn back after going down the wrong path.

But soon, Lin Shanchu was slapped in the face.

The first episode ended with the illegitimate daughter killing a maid.

In the second episode, the illegitimate daughter got together with the husband of the old man’s eldest granddaughter. However, the old man doted on her and the other grandchildren could not do anything to her. Therefore, they discussed in private how to deal with the illegitimate daughter.

In the third episode, the old man told the illegitimate daughter to behave herself and even said that he knew she was not his daughter.

It was... quite exciting.

The screenwriter simply had a wild imagination.

It was cliché and ridiculous, but it was really addictive.

A total of eight episodes were updated.

Lin Shanchu watched until the fifth episode in the morning.

If He Xiang had not called to ask if she had had lunch, she might have continued watching the drama.

“I’m not hungry.” Certainly, she could not tell her that she forgot to eat her meal because she had been binge-watching the drama.

“You have to eat even if you’re not hungry. There’s still sandwiches in the fridge…” He Xiang reminded Lin Shanchu, as if she was her mother.

“I understand. Go get busy. Goodbye.” Lin Shanchu was busy watching the drama, so she hung up the phone in a hurry after a few perfunctory words.

He Xiang was bewildered.

Lin Shanchu’s phone rang again as soon as she just pressed the play button.

She was afraid that she would miss the plot, so she did not even take her eyes off the TV screen. She grabbed her phone with one hand and pressed the pause button with the remote control with the other.

She did not look at her phone screen, so she thought it was a call from Xiang.

“Is there anything else?”

After two seconds of silence, a young man’s voice came through.

“Go out and play.”

“Huo Chaosheng?”

Lin Shanchu brought the phone to her front and looked at the phone, only to realize that it was really Huo Chaosheng’s number. “I’m at the entrance of your neighborhood. Come out quickly.”

“I’m not going.”

She wanted to catch up with the drama, so she was not going out.

“You said you wanted to play with me, and now you’re going back on your word?”

“Just because I said it doesn’t mean I have to do it. I’m not a woman of my word either.”

Not only was Huo Chaosheng not angry, but he even sounded quite happy. “Alright then, come out for a meal.”

If it was a normal person, they would have smashed their phones in anger.

Lin Shanchu wanted to hang up the phone directly.

However, she suddenly remembered the previous fight between Huo Chaosheng and Lu Shiyuan.

It was time to test if Huo Chaosheng could kill Lu Shiyuan.

“Alright, I’ll come out right away.”

Lin Shanchu reluctantly turned off the TV, changed her clothes and went out.

Huo Chaosheng was driving an eye-catching golden roadster.

He was wearing a pair of sunglasses and waving at Lin Shanchu from a distance, looking like a rich young master who spent money like dirt.

Lin Shanchu walked up to him and reached out to pull the door open, but she realized that the door would not budge.

She grumpily raised her foot and landed two kicks on the car door, gesturing for Huo Chaosheng to open it.

Huo Chaosheng jumped out of the car. “Who would enter a roadster through the car door? Of course you have to jump in.”

After he finished speaking, he did a demonstration in front of Lin Shanchu and jumped into the car.

Lin Shanchu was speechless. This lunatic was really incurable.

She took a deep breath and said expressionlessly, “I’m wearing a dress.”

Huo Chaosheng was stunned for a moment before he realized and said, “Oh right.”

Then, he jumped out and opened the car door for Lin Shanchu.

Lin Shanchu was unable to open her eyes due to the scorching sun. She gritted her teeth and said, “It’s scorching hot.”

“It won’t be scorching hot when there’s wind later.” Although Huo Chaosheng said that, he still closed the soft top.

Then, Huo Chaosheng started the car.

The roadster shot out like an arrow.

Right after Lin Shanchu stabilized her posture, she heard Huo Chaosheng ask her, “What are we going to eat later?”

“It’s up to you.” Although Huo Chaosheng had a screw loose, he was still a mortal who probably would not eat too outrageously.

Half an hour later, Lin Shanchu sat at the dining table expressionlessly in a quaint sashimi shop with bizarre interior decoration.

A huge sashimi platter was placed in front of her.

The beef heart sashimi closest to her was still covered in bloodstains.

Of course, there were also sashimi without blood.

The large intestine sashimi that was served on the side did not contain any blood.

Huo Chaosheng smiled at her and said, “Hurry up and eat. It won’t be fresh if you keep it for too long.”

As he spoke, he picked up a piece of beef heart sashimi and put it into his mouth.

Various raw odors and the smell of blood mixed together, making Lin Shanchu frown.

She barely managed to eat a few mouthfuls of sashimi and stopped eating.

Huo Chaosheng was not stupid. Naturally, he could tell that she had no appetite.

“You don’t like to eat this? I thought you’d like it.”

Huo Chaosheng’s expression darkened because he thought that Lin Shanchu was of the same kind as him, and Lin Shanchu would definitely like whatever he liked to eat.

Lin Shanchu’s expression remained unchanged as she tried to fool him. “No,

I’m just in a bad mood and my appetite is a little bad.”

If she wanted Huo Chaosheng to help her kill Lu Shiyuan, she had to play some tricks.

However, before Lin Shanchu could make the excuse that she had prepared, Huo Chaosheng asked, “Is it because Lu Shiyuan is going to be discharged soon?”

“He is going to be discharged?” She had gone to the hospital last time to reopen Lu Shiyuan’s wound, so he should not have been discharged so soon.

Moreover, how did Huo Chaosheng know that Lu Shiyuan was going to be discharged?

“Don’t you know? The news has been spread for a long time. When I passed by the hospital yesterday, I saw reporters guarding the hospital entrance.”

Huo Chaosheng’s words answered the doubts in Lin Shanchu’s heart, but at the same time, it gave rise to her new doubts.

Why did Lu Shiyuan want everyone to know that he was going to be discharged from the hospital?

What was Lu Shiyuan’s motive?

Huo Chaosheng observed Lin Shanchu’s expression and mocked, “Why do you look like you’re facing a great enemy when you heard that Lu Shiyuan is going to be discharged? Do you have to be so scared?”

Lin Shanchu did not care about his mockery and asked seriously, “Do you know the exact time he will be discharged?”

Huo Chaosheng lowered his eyes and thought for a moment. “It seems to be today..”

Chapter 233: Lu Shiyuan and Lin Shanchu Announced Their Wedding Is Around the Corner

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Lin Shanchu suddenly changed the topic and asked him, “Are you full?

“No, didn’t we just start eating?” Huo Chaosheng replied and took another two bites.

Lin Shanchu stood up with her phone in hand. “I have something to do, so I’ll be leaving now.”

“Are you going to look for Lu Shiyuan?” Huo Chaosheng’s eyes brightened instantly.

Was Lin Shanchu going to kill Lu Shiyuan again?

Lin Shanchu could read Huo Chaosheng's mind. "Yes."

"I'll go with you. Just wait for me for a few more minutes." After Huo

Chaosheng finished speaking, he lowered his head and ate the sashimi quickly.

He was eating the bloody sashimi with a delighted face.

Even though he ate a little quickly, he still looked very elegant. Lin Shanchu stared at him for a while and felt that Huo Chaosheng's expression was somewhat similar to Huo Xunzhou's.

However, it was not surprising.

After all, Huo Xunzhou's father and Huo Chaosheng's mother were biological siblings.

Huo Chaosheng finished the meal very quickly.

He wiped the blood off his mouth and stood up. "Let's go."

Huo Chaosheng sped all the way to the hospital entrance.

Seeing the scene at the hospital entrance, the two of them stopped unbuckling their seatbelts at the same time.

Lu Shiyuan stood on the stairs, surrounded by a group of reporters. "Everyone, thank you for your attention and love all this time. Actually, my relationship with Shanshan has always been very stable. We're already preparing for our wedding..

A reporter asked, "Are you planning to get married soon?"

Lu Shiyuan looked gentle as he replied, "Yes, because Shanshan likes summer.

So, we are planning to hold the wedding before the end of summer."

The reporter asked, "Will reporters be invited to the venue at that time?" To hell with the wedding.

Huo Chaosheng's focus was quite special. "Why do you like summer?"

"My favorite season is winter." Lin Shanchu stared intently at Lu Shiyuan. Her gaze was as cold as a blade.

It turned out that this was Lu Shiyuan's plan.

To announce the wedding!

Lin Shanchu unbuckled her seatbelt and strode towards Lu Shiyuan.

When Lu Shiyuan saw Lin Shanchu, a hint of surprise flashed in his eyes. Then, he showed a triumphant smile.

The reporters followed Lu Shiyuan's gaze and looked back.

The reporters surrounded her and threw questions at her simultaneously.

"Where will your wedding with President Lu be held?" "Will you ask Yun Wu to be your bridesmaid?" "Can you please answer our questions?"

Lu Shiyuan winked at Zhou Yan.

In front of others, he had to put up a facade to maintain his reputation.

Lin Shanchu walked up to Lu Shiyuan without any hindrance.

“You and I won’t...

“You and I won’t...”

She could not utter the last two words “get married” no matter what, as if she had lost her voice all of a sudden.

When Lin Shanchu wanted to try again, she simply could not open her mouth.

Standing in front of her, Lu Shiyuan heard the first half of her words and saw the look of disbelief on her face.

Logically speaking, with Lin Shanchu’s temperament, she would definitely cause a scene.

But why did she stop talking halfway?

Lu Shiyuan concealed the doubts in his mind and asked gently, “Are you so happy that you don’t know what to say?”

Scum!

Lin Shanchu wanted to scold him, but she could not open her mouth at all.

She knew it.

It was the influence of the male lead’s aura again!

Lin Shanchu gritted her teeth and clenched her fists.

To her surprise, she could move her hands.

Without a second thought, Lin Shanchu raised her hand and slapped Lu

Shiyuan hard.

The atmosphere at the scene instantly froze.

All the reporters were dumbstruck as they stared at Lin Shanchu with their mouths agape.

Didn’t Lu Shiyuan say that they were going to get married?

Why did Lin Shanchu slap Lu Shiyuan in public?

Lin Shanchu had used all her strength, so her palm felt a little numb.

However, she still felt that it was not enough to vent her anger. Hence, she kicked Lu Shiyuan hard before turning around and striding away.

Huo Chaosheng’s car was still parked at the same spot.

The moment she got into the car, Huo Chaosheng said, “You were going easy on Lu Shiyuan with just a slap. That’s not like you.”

Lin Shanchu took a deep breath to regain composure as her chest heaved violently.

“Why don’t I just drive over and kill him on your behalf?” Huo Chaosheng made a gesture and started the car.

“It’s not certain whether he or you will die.”

When Lin Shanchu heard her own voice, she realized that she could speak again.

As expected, the male lead’s aura had rendered her speechless in front of the reporters just now.

She could not even reject Lu Shiyuan in public, so how could Huo Chaosheng possibly kill Lu Shiyuan by running him over? Lin Shanchu punched the car window in anger.

Bang!

The car window was unscathed, but her hand was injured with blood oozing out.

“Are you looking down on me?” Huo Chaosheng asked unhappily.

“If you don’t believe me, then try it.” Lin Shanchu slammed the door and got out of the car. She then hailed a cab and left.

Lin Shanchu grabbed her hair anxiously and bent down to bury her face in her knees.

The driver asked her with concern, “Miss, are you okay?”

Lin Shanchu did not say anything.

The driver slowed down and turned to look at her from time to time.

After some time, Lin Shanchu heard her phone vibrate.

She looked up and took out her phone from her bag.

Wen Huan had sent her a message.

Wen Huan: [You’re getting married to Lu Shiyuan?]

Wen Huan: [Since you’re getting married, why don’t you be more careful?]

[photo][photo][photo]

Lin Shanchu clicked open the photos and smiled after taking a closer look.

The people in the photos were her and Huo Chaosheng.

It was a series of photos taken from the moment they got off the car, entered the sashimi shop, and until they got into the car together.

They were obviously candid shots.

Wen Huan was really amazing.

Lin Shanchu smiled and replied his message: [You're really amazing.] wen Huan:

Lin Shanchu: [Publish the photos you took.]

Wen Huan: [Am I the kind of person who would sell out his friends for pride?] Lin Shanchu: [Otherwise, I'll send the photos to other reporters.]

Wen Huan: [I'll publish them!] I'll publish them right now! The scandal between a popular actress and a former member of a top-notch boy group is enough for me to get a new car!]

Lin Shanchu clicked open her Weibo.

The hashtag #LuShiyuanandLinShanchuAnnouncedTheir WeddingIsAroundTheCorner topped the entertainment ranking.

The interview video had already been uploaded.

In the video, she was in the same frame as Lu Shiyuan. Lu Shiyuan had a gentle look on his face, whereas her front face was not shown, so her expression could not be seen clearly.

The part where she slapped Lu Shiyuan was not released.

[Who can persuade Lin Shanchu?]

[I won't listen, I won't listen. I don't believe that Lin Shanchu will marry this disgusting man!]

[But she didn't even retort. She even appeared in the same photo together with Lu Shiyuan.]

[Lin Shanchu is really hopeless. Is she a garbage collector? How could she want this kind of trashy man?]

[Respect and blessing.]

Lu Shiyuan's reputation was getting worse and worse. Not only did Lin Shanchu's fans dislike him, even Lin Shanchu's anti-fans found it hard to accept that they were getting married.

[Although I'm an anti-fan, I can't bear to see Lin Shanchu with such a filthy man.]

[Are there no other men in this world? Any one of them would be better than this Lu guy!]

Chapter 234: Thank You, Sister Rabbit, I'm Delighted

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Apart from fans and anti-fans, many netizens and opponents were watching the drama unfold, including some of Tang Qidai's diehard fans.

[After reading the comments, you guys make it sound like Lu Shiyuan isn't good enough for Lin Shanchu.]

[It's normal for a man like Lu Shiyuan to be a playboy. He's already very responsible for being willing to marry Lin Shanchu, okay?]

[Lin Shanchu is so crazy, do her fans really think she's a fairy in the sky?]

[She's done so many things just to trample Tang Qidai and get to the top. She's not much nobler than Tang Qidai...]

The top of her phone screen showed that Wen Huan had sent her another WeChat message.

Wen Huan: [[screenshot] I've already edited the content. Are you sure you want to post it?]

Lin Shanchu: [Hurry up. You won't be able to ride on the popularity if you're late.]

Wen Huan:

He did not understand.

The other rising female celebrities were afraid of getting involved with popular men.

Lin Shanchu, on the other hand, looked impatient.

He suspected that Lin Shanchu knew nothing about the power of Huo Chaosheng's fans.

Wen Huan kindly reminded her: [If these photos are posted, Huo Chaosheng's fans will eat you up for sure.]

Lin Shanchu: [It doesn't matter.]

Wen Huan: [ ...Sure.]

After that, there was no more movement from Wen Huan's end.

Lin Shanchu turned on Weibo and clicked on the homepage of "Entertainer Huan". Then, she saw the new Weibo post he had posted.

It was posted one minute ago.

[Huo Chaosheng drove a luxury car to take Lin Shanchu out for a sashimi feast. When they got out of the car, Huo Chaosheng considerably opened the car door for Lin Shanchu. The two of them got along very well throughout the process...]

Six photos were attached along with the post.

Wen Huan was a photographer, so the photos he secretly took were clear and looked good.

Lin Shanchu immediately liked Wen Huan's Weibo post.

The next second, Qi Cheng called her.

"Shanshan, didn't I tell you not to go out? What's going on with the trending search list?"

Wen Huan had just posted on Weibo that she had dinner with Huo Chaosheng, but it was not trending yet. Qi Cheng was probably asking about her wedding with Lu Shiyuan.

Lin Shanchu explained, "I went out with Huo Chaosheng, but we went to the hospital on the way."

“Both you and Huo Chaosheng went out?”

“Yeah.”

“The reporters didn’t take any photos, did they?”

“They did.”

“What?”

“The photos have already been published. They should be trending soon.”

Qi Cheng’s vision went dark and he almost fainted.

“Where are you now?”

“I just got home.”

“I’ll be right back with He Xiang...”

Qi Cheng hung up the phone impatiently before his voice tell.

By the time Qi Cheng got home, Lin Shanchu and Huo Chaosheng’s affair was already trending.

The trending topic was simple and straightforward.

#HuoChaoshengDroveALuxuryCarAndTookLinShanchuToEatSashimi Comment section:

[Am I out of touch? Are these two the kind of people who would dine together in private?]

[Alec is usually very low-key. As everyone knows, men are only particularly high-profile when they’re flirting with girls.]

[When Huo Chaosheng was a supporting guest for “My Stage”, he obviously treated Lin Shanchu differently from the other trainees.]

[Can I say that I started to ship them since then? It’s just that his fans are too strong, I didn’t dare to speak out.]

[Hahaha, this woman, Lin Shanchu, has never disappointed me! She had just announced her marriage, and then she hooked up with a superfamous figure.

Amazing, amazing!]

[So, Lin Shanchu married Lu Shiyuan just to cheat on him?]

[Awesome! An eye for an eye is necessary to deal with scum. Sister Rabbit, you’re the best ever!]

[Thank you, Sister Rabbit, I’m delighted.]

Huo Chaosheng’s female fans also started to show up one after another. [The two of them in the photo are not intimate. They are just ordinary friends.]

[I hope everyone will pay attention to their work and don’t cause trouble to both parties by spreading rumors indiscriminately.]

The netizens commented:

[It's so ordinary that the straight guy, Alec, helped her open the car door.]

[They have been photographed. How can this be spreading rumors indiscriminately?]

Huo Chaosheng's fans started to refute the rumors.

After Qi Cheng finished reading the comments under the topic, he returned to Lin Shanchu's Weibo page and looked at the comment section.

Ads by Pubfuture

Ever since the news of Lin Shanchu and Huo Chaosheng dining together became trending, the direction in the comment section also changed.

They were all comments such as "Sister is awesome", "female role model" and "anger the disgusting man".

Not only did Lin Shanchu's Weibo followers not decrease, but it even increased by quite a bit.

Lin Shanchu noticed that Qi Cheng had been staring at her with a grave expression after he finished looking at his phone.

Lin Shanchu felt a little guilty under his gaze.

She pursed her lips and blinked as she asked, "Brother Qi, what's wrong?"

It took Qi Cheng a long time before he said slowly, "I don't understand it."

He Xiang next to him also stared at Lin Shanchu and said, "Actually... I don't quite understand it either."

Lin Shanchu was puzzled.

Qi Cheng said, "Any of the two incidents that happened to you today will cause you to lose fans and be slandered."

He Xiang said, "But you have not lost fans." Qi Cheng echoed, "You even gained a lot of fans."

He Xiang said, "Everyone is really tolerant of you."

Qi Cheng added, "I don't understand your fans, nor do I understand why you managed to attract so many fans and anti-fans at the same time."

He Xiang replied, "But that's not important. It's fine as long as the result is good."

Qi Cheng and He Xiang continued their conversation like they were doing a crosstalk. Lin Shanchu could not join the conversation at all.

"Are you two done?" Lin Shanchu asked.

Both of them nodded.

Lin Shanchu rubbed her belly and looked at He Xiang. "He Xiang, I didn't eat enough at noon. Can you cook something for me?"

Qi Cheng asked, "Didn't Huo Chaosheng take you out for a feast?"

The smile on Lin Shanchu's face instantly disappeared. "Have you eaten large intestine sashimi?"

When He Xiang imagined the taste, she almost shouted profanity.

Then, she immediately got up. “Wait for me a moment, Sister Lin.”

After Lu Shiyuan had the media spread the news that he and Lin Shanchu were getting married, he ordered Zhou Yan to pay attention to the movements on the Internet.

After knowing that his marriage with Lin Shanchu was trending, he wanted to give her a taste of her own medicine.

Everyone in the country knew that they were getting married, so he had to share this good news with Lin Shanchu.

He had just taken a screenshot, but before he could send it out, Zhou Yan hurriedly knocked on the door and came in.

“President Lu, look at this.”

He handed Lu Shiyuan the Weibo post that “Entertainer Huan” had secretly taken of Huo Chaosheng driving a luxury car and taking Lin Shanchu out for a sashimi feast.

Lu Shiyuan was furious. “Do I have to teach you how to deal with something like this?”

Zhou Yan looked reluctant. “Entertainer Huan is a reporter. I can’t contact him for the time being. Considering the exposure of this Weibo post and Entertainer Huan’s personal influence, the platform administrator disagreed to delete this Weibo by pulling strings behind the scenes.”

The background of “Entertainer Huan” was not known, but his business ability was so strong that he could photograph things that others could not. He had many loyal fans, and his influence was a match for an A-list celebrity’s..

Chapter 235: Die-hard Fans

Lu Shiyuan was so angry that he picked up the ashtray beside him and threw it at Zhou Yan.

“Then find a way to contact him! Find a way to get the platform administrator to deal with this Weibo post!”

Zhou Yan did not dare to dodge it.

Fortunately, the ashtray only hit his shoulder.

Zhou Yan lowered his head and said respectfully, “There are too many reposts, and Huo Chaosheng is very popular. It’s already trending.”

Lu Shiyuan clicked on the trending search list and saw the hashtag  
#HuoChaoshengDroveALuxuryCarAndTookLinShanchuToEatSashimi had already surpassed  
#LuShiyuanandLinShanchuAnnouncedTheir

WeddingIsAroundTheCorner.

With a sullen face, he clicked on the topic

What greeted his eyes were topics like “anger the disgusting man”, “cuckolded Lu Shiyuan” and “Sister is awesome”.

Exasperated, Lu Shiyuan smashed the tablet on the spot.

“It’s that Huo guy again!”

After Huo Xunzhou left, Huo Chaosheng came!

Zhou Yan said tentatively, “President Lu, Miss Lin is your fiancée after all. It’s naturally unreasonable for Huo Chaosheng and Miss Lin to go out together. We can use this point for public relations.”

“Since you know it, then hurry up and do it!” Lu Shiyuan shouted.

Zhou Yan immediately turned around and went out.

The public relations department acted quickly.

The Internet trolls stepped in and leading public opinion by commenting that Huo Chaosheng was a homewrecker.

Huo Chaosheng’s fans naturally refused to believe them.

They confronted the Internet trolls.

The netizens who had condemned Lu Shiyuan for being a disgusting man also showed up one after another.

[How dare you slander them? Huo Chaosheng and Lin Shanchu didn’t hug each other. They are innocent.]

Some netizens even tagged Lu Shiyuan: [Don’t you have a friend called Tang Qidai who hugged you? You can make friends, but your fiancée can’t do so? You have to be reasonable. To think that you’re a president.]

Then, countless netizens followed suit.

[@Lu Shiyuan, although you and Tang Qidai hugged each other, we believe that you both are just ordinary friends.]

[@Lu Shiyuan, you can make friends of the opposite sex, so can your fiancée, right?]

[@Lu Shiyuan, you accompanied your friend of the opposite sex to dinner and attended a party. It’s not a big deal for your fiancée to have a friend of the opposite sex open the car door for her, right?]

[@Lu Shiyuan, you’re a president. Don’t tell me you don’t even have this kind of tolerance?]

There were too many netizens who addressed Lu Shiyuan.

It was difficult for Lu Shiyuan not to see the comments.

The netizens were sharp-tongued. Lu Shiyuan was so angry that his wound almost split open.

He immediately scolded Zhou Yan, “Is this how you do things?”

Zhou Yan could only put pressure on the public relations department again.

The public relations department was also a little troubled.

Both Huo Chaosheng and Lin Shanchu played dumb, nor did they respond to the comments.

Huo Chaosheng used to be a member of SOF, and everyone in the industry knew that SOF was famous for their strong team abilities. There had never been any negative news about them.

Therefore, they could only shift the focus to the fact that Lin Shanchu and Lu Shiyuan were childhood sweethearts and that true love was hard to break.

[After all, Lin Shanchu and Lu Shiyuan grew up together. They are considered family now. The quarrels and conflicts are only temporary. Lin Shanchu still loves Lu Shiyuan the most.]

[I don't think Lin Shanchu will like Huo Chaosheng.]

[+1, I also think that Lin Shanchu only likes Lu Shiyuan.]

Netizen: [Where did the Internet trolls come from? Let's earn money together, okay?]

Lin Shanchu's fan: [Our Sister Rabbit is a little crazy, but she's not brainless. Thank you.]

Huo Chaosheng's fan: [What right does Lu Shiyuan have to compete with our

His fans immediately swarmed into the comment section of Lin Shanchu's Weibo post: [Excuse me, do you like our brother?]

[Do you like Alec?]

At this moment, Lin Shanchu was having her meal.

He Xiang had made fried rice for her, and she was eating it with relish.

Qi Cheng was afraid that Lin Shanchu would cause trouble again, so he had not left.

While she was eating her meal, he kept staring at her from the side.

During this time, Qi Cheng had been talking to the company on the phone to discuss the trending topic.

Nan Mu called Qi Cheng after he was done with his work.

“Huo Chaosheng hasn't responded yet. Let's wait and find out what they think. Then, we'll work together to deal with it later.”

Nan Mu's voice was filled with excitement.

The netizens knew that Lu Shiyuan had been cuckolded.

How could he not be happy?

Qi Cheng did not understand Nan Mu. Lin Shanchu had caused such a big mess, yet Nan Mu was quite happy instead of getting angry.

He asked tentatively, “President Nan, it's indeed inappropriate for Shanshan to cause the incident today...”

Nan Mu was happy and said what was on his mind, “No, she did a good job!”

Nan Mu cleared his throat awkwardly. “What I mean is... that photo! That’s right, Shanshan in the photo is still as beautiful as ever. I have something else to do, so I’ll hang up now.”

Qi Cheng was speechless.

There was one more thing Qi Cheng did not understand about the company, Tianzhou Media.

Under the leadership of an unreliable boss like Nan Mu, how could Tianzhou Media manage to prosper?

Right after Qi Cheng hung up the phone, He Xiang walked over.

“Brother Qi, the company just called to say that there’s something abnormal with Sister Lin’s Weibo statistics.” “Abnormal?”

“The comments suddenly skyrocketed. ”

Lin Shanchu had clicked open her Weibo page.

“They are fans of Huo Chaosheng. They’re asking me if I like Huo Chaosheng on my Weibo page. ”

Huo Chaosheng was really popular.

He had so many fans who defended him.

“What happened?” Qi Cheng immediately picked up his phone.

Lin Shanchu had quickly figured out the ins and outs of the matter.

“Lu Shiyuan probably hired Internet trolls to say that I love him very much. Huo Chaosheng’s fans are unconvinced and think that it’s impossible for me to like Lu Shiyuan over Huo Chaosheng...’

When He Xiang heard those words, she was delighted. “Are they the so-called die-hard fans? Hahahaha.’

Qi Cheng also laughed, but soon, the smile on his face disappeared. Then, he asked Lin Shanchu warily, “Don’t move!”

“Huh?” Lin Shanchu’s eyes widened.

“Hurry up, bring her phone over,” Qi Cheng said to He Xiang.

He Xiang walked up to Lin Shanchu and said, “Brother Qi told me to take your phone.”

Lin Shanchu handed the phone to He Xiang cooperatively.

When Qi Cheng got the phone, he heaved a sigh of relief and said earnestly,

“Shanshan, don’t ever provoke Huo Chaosheng’s fans. Ignore them.”

Lin Shanchu stuffed a mouthful of rice into her mouth and said seriously, “But I’ve already replied to them.”

Qi Cheng’s eyes widened in shock as he almost fell off his chair.

“What did you reply?”

“I like him.”

Thud!

Qi Cheng fell off his chair.

He Xiang also looked at Lin Shanchu with a terrified expression, as if she was about to cry. “We’re done for.”

Lin Shanchu calmly gestured to He Xiang, “Give me your phone. I want to see if Huo Chaosheng has replied to me.”

He Xiang returned the phone to Lin Shanchu with a long face.

Lin Shanchu operated the phone screen for a while before showing it to them. “Huo Chaosheng has replied to me..”

He Xiang and Qi Cheng leaned closer and took a look...

Alec Huo Chaosheng replied to Lin Shanchu: [Me too. [Heart hands.jpg]]

“This...” He Xiang chose her words wisely before she asked, “Isn’t he a little too blatant?”

Qi Cheng’s lips twitched, as if he could not find the right words to say. In the end, he did not say anything.

Lin Shanchu took the phone back and sighed, “Huo Chaosheng and I have some tacit understanding.”

Back then, Huo Chaosheng called her immediately when she showed up on the trending search list because of the condemnation.

Therefore, she was certain that Huo Chaosheng was also paying attention to the situation on the Internet at this moment.

Furthermore, Huo Chaosheng had been dragged into this scandal.

Huo Chaosheng had not taken action because he was waiting for her to make a move.

Otherwise, Huo Chaosheng would not have replied to her so quickly.

Qi Cheng, who had been silent for a long time, finally blurted out, “Aren’t you guys afraid of being called an immoral couple?”

Lin Shanchu cast a deep glance at Qi Cheng without a trace of impurities in her clear eyes. They were so clear that Qi Cheng's hair stood on end.

"I'll call the company." Qi Cheng picked up his phone and ran to the balcony to make a call.

He Xiang sat next to Lin Shanchu with her fingers swiping across the screen as she said happily, "No one scolded you two of being an immoral couple!" Lin Shanchu was speechless.

The interaction between Huo Chaosheng and Lin Shanchu pushed the popularity of this incident to the pinnacle.

Netizens who were watching the drama unfold began to mediate the dispute by favoring one side.

[They become friends because they like each other. Everyone, don't you like your friends?]

[That's right. It's normal for friends to like each other.]

[Lin Shanchu has good taste.]

[Who doesn't have friends of the opposite sex?]

[Lu Shiyuan also has a friend of the opposite sex. He's so generous, so he must be able to understand Lin Shanchu.]

After the netizens were done mediating the dispute, they went to Lu Shiyuan's Weibo page and sent emojis such as "green hat", "green frog", "green grass" and "green tree".

Other than that, they did not comment a single word.

It was as if they had made an agreement.

Huo Chaosheng's fans played fair. After Lin Shanchu replied that she liked Huo Chaosheng, they collectively went to help boosting Lin Shanchu's popularity, directly make her to the number one spot on the celebrity list.

Lu Shiyuan's public relations department did not expect things to develop to this extent.

Zhou Yan's heart sank when he saw the string of emojis comprising green animals and plants on Lu Shiyuan's Weibo page.

He did not know how he should report the situation to Lu Shiyuan.

Worried, he knocked on Lu Shiyuan's office door. When he saw the mess inside, he heaved a sigh of relief.

It seemed that Lu Shiyuan already knew about what happened online.

There was no need for him to report the situation anymore.

Lu Shiyuan was standing in front of the window with his back facing him. Zhou Yan could neither see Lu Shiyuan's expression nor guess his mood at this time. He also dared not disturb him and just waited quietly at the side.

After a long time, Lu Shiyuan finally turned around. His stern face was filled with gloominess.

“Tell the public relations department to stop and not care about this matter anymore.”

“Yes.”

Zhou Yan was somewhat puzzled deep down. Was Lu Shiyuan going to admit defeat?

Lu Shiyuan sneered, “This round is over, but there is another round.”

With the help of public opinion, Lin Shanchu took advantage of Huo Chaosheng’s popularity and their relationship and won the round.

In the next round, Lin Shanchu might not be so lucky.

Lu Shiyuan pulled back. After his failure in leading public opinion, the heated argument on the Internet gradually died down.

However, the discussions about the relationship between Lin Shanchu and Huo Chaosheng kept increasing.

Everyone had even forgotten that the entire incident started with Lu Shiyuan announcing his marriage to Lin Shanchu.

Lu Shiyuan, as Lin Shanchu’s fiancé, had a very weak presence in this love triangle.

Lin Shanchu was still the same.

During this period of time, Lin Shanchu’s popularity had been on the rise and countless brand owners had approached her for various activities and endorsements.

Nan Mu declined the luncheon at the last minute and waited for her at the company.

“My assistant has sorted out these people who specifically want to cooperate with you. These are the collaboration invitations from my old friends...” Nan Mu pushed stacks of documents toward Lin Shanchu.

Qi Cheng walked in from outside and placed a thick document in front of Lin Shanchu. “These are the ones I’ve screened...”

Lin Shanchu tilted her head and said slowly, “There are so many of them...”

“There aren’t many of them.” Nan Mu emphasized, “These are the ones left after careful screening.”

He was implying that it would be best for her to accept all these jobs.

What a profiteer!

Qi Cheng was Lin Shanchu’s manager. Of course, he was not like Nan Mu who wanted Lin Shanchu to accept all the jobs. He was more concerned about his artist.

“I’ve already picked out the key projects. You can take on these jobs first, and then take your time to look at the rest.”

Qi Cheng only accepted endorsements and business events for Lin Shanchu.

After hearing those words, Lin Shanchu asked, “Did no one approach me for filming?”

Nan Mu quickly said, “Of course there is!”

He rummaged through the pile of documents for a long time before finally finding an invitation from a film crew. “The producer of ‘Top Feast’ is acquainted with me. He wanted to invite you for a new role has been suddenly created.”

Lin Shanchu’s eyes brightened. “‘Top Feast’?”

Qi Cheng was a little worried. “Is that the recently popular drama that was aired while the filming is in progress?”

“Yes, that’s the one.” Nan Mu asked Lin Shanchu, “Are you going to accept the invitation?”

“Of course.” Lin Shanchu smiled.

If Huo Chaosheng had not called her out to eat sashimi yesterday, she would have caught up to the latest episode of the drama long ago.

The first five episodes were already so cliché and addictive. She wanted to find out how the screenwriter would continue with the next dozens of episodes. Qi Cheng’s mouth twitched. “Do you know what drama is that?” “I know.” Lin Shanchu’s tone was filled with excitement.

“I’ll call the producer now.” Nan Mu was afraid that Lin Shanchu would regret it, so he took out his phone and called the producer of “Top Feast” to settle the matter.

Qi Cheng was speechless.

Qi Cheng let out a long sigh. “There’s an important gala tomorrow. I’ll pick out a gown later.”

Nan Mu waved his hand and said, “Okay, go do your work.”

After Lin Shanchu and the others left, Nan Mu was happy for a short while until his phone rang.

The word “Xunzhou” was displayed on the screen of his phone.

The smile on Nan Mu’s face instantly disappeared.

In the past two days, he was busy hiring Internet trolls to make Lu Shiyuan a cuckold. He had forgotten that Huo Xunzhou was coming back from his business trip.

He was panicking now.

How should he explain himself when Xunzhou returned later?

He dared not tell Huo Xunzhou directly that he had added fuel to the fire by shipping his woman and that jerk brother of his. Huo Xunzhou would probably kill him.

Forget it, he would just play dumb.

Finally, the phone quieted down.

Just as Nan Mu heaved a sigh of relief, his phone rang with a new message notification.

Nanmu tapped open the message and saw a message from Huo Xunzhou:

I—You can play dumb however you want. I’m on my way to the company to find you.]

Nan Mu was speechless..

Chapter 237: Shanshan Is Really Hard-hearted and Ruthless

Nan Mu hesitated for three seconds whether he should run away or not.

In the end, he decided not to run away.

Even if he managed to escape for the time being, he would not be able to get away from Huo Xunzhou forever.

He might as well confront Huo Xunzhou head-on!

If worse came to worst, he could just find a shield.

Nan Mu calmly found Lin Shanchu's number on his contact list.

"Shanshan, let's have lunch together. It's my treat, and we'll talk about work by the way."

Nan Mu's unusually gentle tone made Lin Shanchu tense up. "Didn't we just talk about it earlier?"

Nan Mu's voice became gentler. "We did, but we can talk about something else, can't we?"

Lin Shanchu asked, "Are you alright?"

Nan Mu just gave up and said, "If you refuse to have lunch with me, I'll hang myself in front of your house!"

Lin Shanchu was puzzled.

Nan Mu hung up the phone after saying those words.

When Qi Cheng saw Lin Shanchu's puzzled expression after answering the call, he asked, "Who called you?"

"President Nan." Lin Shanchu looked confused. "He said he'd hang himself in front of my house if I refuse to have lunch with him."

Qi Cheng was speechless.

As expected, Tianzhou Media could still operate normally was not because of Nan Mu's outstanding ability, but because of his heaven-defying luck.

At noon, Lin Shanchu and the rest went to the restaurant that Nan Mu had booked.

Nan Mu was waiting at the entrance of the restaurant.

When he saw Lin Shanchu and the rest, he welcomed them warmly, "You guys are here."

Lin Shanchu felt that Nan Mu was acting a little strange, so she calmly sized him up.

Nan Mu grabbed He Xiang and Qi Cheng's arms. "I have something to tell you guys. Let Shanshan rest in the private room first."

Lin Shanchu did not know what Nan Mu was planning, but she knew that he would not harm her. Therefore, she went to the private room without looking back.

She pushed open the door to the private room. When the person inside heard the sound, he looked up and their gazes met.

The comments that Lin Shanchu had left on Wen Huan's Moments crossed her mind uncontrollably.

She felt a sudden burst of shame.

For a moment, she did not know whether to advance or retreat.

Huo Xunzhou did not seem to notice Lin Shanchu's hesitation. His magnetic voice was as cold as ever.

"Come in and close the door."

Pursing her lips, Lin Shanchu entered the private room and closed the door behind her.

Then, she found a seat furthest away from Huo Xunzhou and sat down.

Huo Xunzhou glanced at her expressionlessly.

There was a menu beside Lin Shanchu's hand. Just as she was about to reach out for it, Huo Xunzhou stood up and handed a menu to her.

As if she did not see it, she reached out for the menu beside her.

Huo Xunzhou's hand that was holding the menu was still suspended in the air and he had no intention of withdrawing it.

Upset, Lin Shanchu asked, "Are you done yet?"

"You already asked this question last time. Next time, you can ask something new. But since you just asked me, my answer is still the same." Huo Xunzhou stared at Lin Shanchu and slowly said, "I'm not done."

Lin Shanchu replied, "...Are you alright?"

Was Huo Xunzhou really not out of character?

Otherwise, how could he talk so much in one go?

Huo Xunzhou's poker face turned even colder.

"You and Huo Chaosheng are trending. Do you think I'll be fine?"

His cold tone seemed to be carrying an indescribable resentment.

Surprisingly, Lin Shanchu felt like she had let him down.

It was simply baffling!

"What's the big deal?" Lin Shanchu said angrily. "Lu Shiyuan even said that he wanted to marry me!"

Huo Xunzhou said, "This marriage won't work."

“That might not be the case.” Lin Shanchu had a better understanding of the influence of Lu Shiyuan’s male lead aura. She did not think that the marriage was easy to control.

“If you believe me, just wait and see.” Huo Xunzhou’s tone carried an undisguised temptation.

She translated it as “leave it to me”.

Huo Xunzhou was confessing to her.

If she agreed to it, it would be equivalent to giving a direct response to his so-called “pestering”.

In this way, the two of them became even more entangled.

Lin Shanchu smiled. ‘Whether this marriage will work or not, it’s all between

Lu Shiyuan and me. What does it have to do with you?’

Huo Xunzhou also smiled, but there was no warmth in his smile.

“Shanshan, you’re really hard-hearted and ruthless.” Just like before, she did not give him any leeway. Lin Shanchu said, “Teacher Huo, it’s good that you know.”

Huo Xunzhou replied, “Let’s order the food then.”

Lin Shanchu was bewildered.

Huo Xunzhou still wanted to have lunch with her at this point?

Even a punching bag could not be as tolerant as he was! In the end, Lin Shanchu accepted the menu. “President Nan isn’t here yet.”

Huo Xunzhou said eloquently, “He won’t come.” Lin Shanchu was confused.

“He doesn’t dare to come.” Huo Xunzhou smiled.

At this moment, Lin Shanchu felt that Huo Xunzhou’s smile looked a little scary.

She seemed to understand why Nan Mu did not dare to come.

After that, the two of them did not say another word and finished the meal in silence.

After meal, Lin Shanchu went out, followed by Huo Xunzhou. Then, she saw Nan Mu and the group in the lounge.

Nan Mu walked up to Lin Shanchu and glanced at Huo Xunzhou behind her.

After that, he flattered them as he asked, “Are you guys done eating?”

“Thank you for the treat, President Nan.” Lin Shanchu emphasized the word “treat”.

Nan Mu smiled guiltily and said, “We’re all on the same side, there’s no need to be so polite.”

After Lin Shanchu and the others left, Nan Mu went up to Huo Xunzhou. “Xunzhou, are you satisfied with my arrangements?”

Huo Xunzhou looked at him with a faint smile. “Thank you for the treat, President Nan.”

Nan Mu was speechless.

The next night, Lin Shanchu went to attend a gala.

On the way there, Qi Cheng kept reminding her of things to take note of.

“Just smile and take pictures.

“Walk slowly on the red carpet.

“As for the interviews later, if reporters ask some obvious questions, you don’t have to answer them...

Lin Shanchu listened to him seriously, “Okay, got it.”

Qi Cheng became even more worried.

Every time he reminded Lin Shanchu, she would always reply like this.

However, Lin Shanchu gotten herself into a bigger mess afterward.

Qi Cheng let out a long sigh. “Forget it. Do whatever you want.”

The longer he spent with Lin Shanchu, the more he understood why Nan Mu had thrown in the towel.

He couldn’t help but want to throw in the towel now.

The reporters had been waiting at the entrance for a long time.

Another car stopped beside Lin Shanchu as soon as she got out of the car.

The car door opened, and Lu Shiyuan got out of the car.

“Shanshan.” Under the spotlight, Lu Shiyuan’s eyes looked gentle.

Lin Shanchu glanced at Lu Shiyuan indifferently and walked onto the red carpet without looking back.

The entire event was broadcast live.

When the audience saw Lin Shanchu enter the venue followed by Lu Shiyuan, they started to spam the bullet screen with Huo Chaosheng’s name:

[Calling Huo Chaosheng.] [Is Alec here? Your friend Lin Shanchu has arrived.]

[Alec, come quickly..]

Many guests were present at the large-scale gala.

Each guest had a limited time to walk down the red carpet.

Lin Shanchu and Lu Shiyuan quickly disappeared from the audience's sight.

Lu Shiyuan had previously announced that their wedding was around the corner in front of the reporters, but the two of them were so distant while attending the gala together. This was tantamount to slapping Lu Shiyuan in the face.

The fans and netizens who supported Lin Shanchu were satisfied.

[Today is also the day that Sister Rabbit enjoyed herself.]

[You ignored the previous Sister Lin, but the current Sister Lin is out of your league.]

When the following guest appeared, the bullet screen was flooded with comments.

[He's here! He's here! He's here with his Best Actor brother!]

[Best Actor Huo is here too!]

[F\*ck! F\*ck! These rich brothers are too eye-catching!]

[Sorry, Alec. Allow me to be unfaithful for a second! Your brother is so handsome!]

[The timing of Alec's arrival is amazing!]

[Love triangle coming soon!]

[Today's Internet is full of excitement too. Hehe... Hehehe...] Huo Chaosheng pushed Huo Xunzhou into the venue.

Dressed in a plain black suit, Huo Xunzhou sat in his wheelchair without looking sideways. His face looked calm, exuding an unignorable aura.

Huo Chaosheng was wearing a dark blue suit. It was supposed to be a calm color, but he looked a little unruly in it.

When the two of them were next to each other, one could vaguely see some similarities in their looks, but their temperaments were worlds apart.

The audience became noisy with the appearance of the two of them.

This was the first time the two of them appeared together in public after Huo Chaosheng called Huo Xunzhou "Third Brother" in "My Stage" in front of the audience.

Not only were the viewers in the live broadcast room excited, but the reporters were also feverish. They could not wait to skip the gala and go straight to the interview process.

At this moment, a reporter from some media outlet asked, "Best Actor Huo, with what identity are you attending the gala this time?"

Huo Xunzhou heard the reporter's question.

He raised his hand slightly. Huo Chaosheng, who was behind him, stopped in unison.

Huo Xunzhou turned to look at the camera. His deep voice was unusually clear in the noisy atmosphere. "Partner." The comments on the bullet screen:

[Best Actor Huo has become a sugar daddy now-I [Sob, I thought Best Actor Huo was going to make a comeback.]

[Is Best Actor Huo going to invest in the project too?]

In the gala, the staff led Lin Shanchu to the seat with her name tag.

She was very popular now, so the organizers had arranged her seat in the prominent front row.

There were also cameras panning the guests in the gala.

When Lin Shanchu's name tag was captured on the camera, the name tags on both sides of her seat were also captured.

Even though it was just a fleeting scene, the keen-eyed audience saw it.

[F\*ck! What did I just see? Lu Shiyuan is on the left and Huo Chaosheng is on the right?]

[Hahaha, I saw it too. Are the organizers on the same team as "My Stage"? How do they understand us so well?]

[Normally, the organizers of a gala will avoid such seating arrangements, right?]

[The love triangle is scheduled to be upgraded-]

Lin Shanchu sat down and realized the situation.

She looked at Lu Shiyuan's name tag on the left and then at Huo Chaosheng's name tag on the right. After that, she looked past Huo Chaosheng's seat and saw Huo Xunzhou's name tag on the other side.

The organizers were up to something.

Lu Shiyuan came as soon as Lin Shanchu sat down.

The organizers were sensible enough to arrange for him and Lin Shanchu to sit together.

Lu Shiyuan did not see Huo Chaosheng's name tag on the other side of Lin Shanchu. After sitting down, he glanced at Lin Shanchu.

"Shanshan, look. No matter how much trouble you make on the Internet, everyone will still arrange for us to be together. You can't get rid of me."

"Is that so?"

Lin Shanchu looked at him with a faint smile before reaching out to adjust Huo Chaosheng's name tag.

Her movements looked natural without a trace of deliberate intent.

Lu Shiyuan followed her movements and saw the name on the name tag.

The vague smile on his face instantly disappeared without a trace.

Huo Chaosheng!

How dare the organizers arrange Huo Chaosheng's seat next to Lin Shanchu's!

The audience who had long been waiting in front of the screen commented:

[Lu Shiyuan's expression changed. Hahahaha.]

Lu Shiyuan was also one of the sponsors of the gala.

He had invested so much in sponsorship, but was this how the organizers repay his kindness?

The staff brought Huo Xunzhou and Huo Chaosheng over.

When Huo Chaosheng saw Lu Shiyuan, he said, "President Lu, what a coincidence. You're sitting here too?"

Lu Shiyuan said coldly, "It is indeed a coincidence."

The audience commented:

[Alec did it on purpose. Hahaha.] [He's so lame, but he's so handsome that I don't hate him at all! ]

[They're starting to fight head-on?]

[Fight! Fight!]

The staff member was really afraid that the two of them would start a fight, so he quickly walked over and said, "The gala is about to start. Teacher Huo, Teacher Alec, please take your seats."

Huo Chaosheng glanced at his name tag. Just as he was about to take a seat, he sensed Huo Xunzhou's gaze.

He remembered that Huo Xunzhou had reminded him to stay away from Lin Shanchu.

Huo Chaosheng turned around stiffly. Then, he attentively moved the chair beside Lin Shanchu away and said, "Third brother, sit here."

Lin Shanchu was puzzled as she looked at Huo Chaosheng.

However, Huo Chaosheng did not even look at her, acting as if he was not familiar with her.

After arranging Huo Xunzhou's seat, he sat down beside him obediently.

The staff did not understand them, and neither did the audience.

In fact, Lin Shanchu did not understand them either.

Huo Chaosheng usually sucked up to her like a lapdog, but why was he putting up a pretense now?

The gala had started, and the camera panned to another location.

Shortly afterwards, Lin Shanchu received a WeChat message from Huo Chaosheng.

Huo Chaosheng: [My brother doesn't let me play with you.]

Lin Shanchu turned to look at Huo Xunzhou and replied to Huo Chaosheng:

Huo Chaosheng: [He's probably afraid that you'll hurt me. I can't help it. Third Brother cares about me so much.]

Lin Shanchu:

Was Huo Chaosheng going out of character too?

Why was he acting like a fool in front of Huo Xunzhou? How could he believe such nonsense?

She really did not expect Huo Xunzhou to play such tricks.

She couldn't help but mutter, "Childish!"

Huo Xunzhou turned to look at Lin Shanchu expressionlessly, but she had a feeling that he had heard her scolding him just now.

Lin Shanchu raised her chin with bravado and met his gaze with her eyes wide open.

Huo Xunzhou asked, "What are you looking at?"

"I'm looking at your little brother." Lin Shanchu tilted her head and said confidently, "The netizens know that I'm friends with Huo Chaosheng. Even my fiancé knows about it. Don't you know?"

She deliberately emphasized the word "friends".

Before Huo Xunzhou could react, Lu Shiyuan next to her said angrily, "Lin

Shanchu, don't go overboard!"

He had noticed that both Lin Shanchu and Huo Chaosheng were holding their phones just now, so he guessed that they were probably texting each other.

Although he was angry, he could still endure it.

Not only was Lin Shanchu hooking up with Huo Xunzhou in front of him right now, but she was also flirting with Huo Chaosheng via text messages.

Lin Shanchu turned her head to Lu Shiyuan and was about to speak, but someone beat her to it.

"The netizens know that Shanshan and my brother are friends. President Lu, do you think it's too much for friends to have eye contact?"

Tilting his head, Huo Xunzhou looked past Lin Shanchu and gazed at Lu Shiyuan without a trace of friendliness.

“Friends?” Lu Shiyuan sneered. “Mr. Huo, your ability to ignore what’s important and focus on the trifles is amazing!”

Huo Xunzhou’s gaze was as sharp as a blade. “President Lu, it’s much worse than your ability to measure other people’s corn by your own bushel.”

He was mocking Lu Shiyuan for thinking that Lin Shanchu was having an affair with Huo Chaosheng when he himself also had an affair with another woman. The camera happened to sweep across their area at this moment.

The audience only saw Huo Xunzhou and Lu Shiyuan confronting each other, but they could not hear what they were saying.

[I’m so anxious. What are they talking about?]

[Give me the link. I want to top up the money. I want to hear what Best Actor Huo and the disgusting said! Argh!]

[Best Actor Huo looks so calm, but the disgusting man looks angry. So, Best Actor Huo must have won this round!]

Lin Shanchu, who was sandwiched between the two of them, pursed her lips. It took her tremendous self-control to suppress the urge to laugh.

Huo Xunzhou was childish and vicious when he was serious.

Lu Shiyuan’s face was full of forbearance. “Huo Xunzhou, this is between me and Lin Shanchu. It’s not your place to meddle in our affair.” Huo Xunzhou said calmly, “I’m in charge of Shanshan’s affairs.”

Lin Shanchu’s phone vibrated again.

Huo Chaosheng: [My Third Brother unconditionally accepts the people he loves. Now, he even wants to interfere in your affairs [Proud.jpg]]

Lin Shanchu:

She did not understand him, but she was shocked.

She started to sympathize with Huo Chaosheng.

Huo Xunzhou must be a brainwashing master!

Huo Chaosheng was completely fooled by Huo Xunzhou.

Huo Xunzhou was really scary.

The atmosphere was tense and a conflict would break out at any moment.

Lin Shanchu leaned back lazily in her chair, looking as if it had nothing to do with her.

Lu Shiyuan was so concerned about his dignity that he only dared to say a few words, but he did not dare to start a fight for real.

Therefore, she was not worried at all.

In Lu Shiyuan's eyes, Lin Shanchu's attitude was no different from acquiescing to the ambiguous relationship between her and Huo Xunzhou.

Lu Shiyuan gritted his teeth and stared at Huo Xunzhou. He then said harshly, "Actually, I admire crippled people with a strong will like you. You can't even take care of your own body, yet you still want to meddle in other people's affairs."

Furious, he resorted to a personal attack because he was embarrassed that he could not win in the argument.

Lin Shanchu snorted.

Her voice was neither loud nor soft, but it was filled with disdain and just enough to be heard by Lu Shiyuan.

On the other side, Huo Chaosheng had been quietly listening to the conversation between Lu Shiyuan and Huo Xunzhou.

He turned his head to look at Lu Shiyuan and said coldly, "Do you also want to experience the feeling of being crippled?"

Lin Shanchu's expression froze as she looked up at Huo Xunzhou.

Huo Xunzhou's expression was indifferent without any noticeable emotions.

Huo Chaosheng was very protective of Huo Xunzhou, but she could not see through Huo Xunzhou's real attitude towards him.

Lin Shanchu was not interested in listening to Lu Shiyuan's nonsense.

Before Lu Shiyuan could speak, Lin Shanchu turned around and whispered to him, "If you say another word, I'll leave with Huo Chaosheng immediately."

Lu Shiyuan glared at her.

Lin Shanchu raised her eyebrows fearlessly.

Lu Shiyuan cared about his dignity and could not afford to lose face. Therefore, he did not even make a sound until the end of the gala.

Lin Shanchu had a peace of mind and her mood was much better.

When the gala ended, Huo Chaosheng sent Lin Shanchu a WeChat message.

Huo Chaosheng: [Help me take care of my Third Brother. I have something to do, so I have to leave now.]

Lin Shanchu turned to look at Huo Chaosheng.

When Huo Chaosheng, who was whispering to Huo Xunzhou, noticed Lin Shanchu's gaze, he looked up and winked at her.

Then, Huo Chaosheng stood up and left.

A reporter in the interview area shouted, "Lin Shanchu!"

Lin Shanchu immediately spotted Wen Huan in the crowd.

She smiled and waved at Wen Huan.

The other reporters thought that Lin Shanchu was greeting them, so they all waved back enthusiastically. “Lin Shanchu, come here quickly!”

“We’re all waiting for you.”

Lu Shiyuan next to her stood up and said coldly, “Let’s go.”

Lin Shanchu glanced at him lazily. “My friend asked me to help him take care of his brother.”

Lu Shiyuan then realized that Huo Chaosheng was no longer in his seat.

Lu Shiyuan lowered his voice and warned her, “Lin Shanchu, are you shameless?”

“Let’s go.” Huo Xunzhou’s voice was heard.

Lin Shanchu turned to Huo Xunzhou and smiled gently. “Okay.”

She got up and was about to push Huo Xunzhou outside.

Lu Shiyuan naturally could not let Lin Shanchu leave just like that, so he reached out to grab her arm.

Huo Xunzhou raised his hand to stop him. “There are so many reporters with cameras. President Lu, what are you trying to do?”

Lu Shiyuan shook off Huo Xunzhou’s hand. He then turned around and strode out.

If he had not left the scene, he was afraid that he would have lost control and beat Huo Xunzhou up.

Lin Shanchu had utterly embarrassed him, and he could not afford to make any more mistakes.

The interview area was located on the only way to leave the venue.

When Lu Shiyuan passed by the interview area, a reporter asked him,

“President Lu, aren’t you going to wait for your fiancée and leave with her?”

As soon as the reporter finished speaking, laughter was heard in the crowd.

Lu Shiyuan stopped in his tracks and clenched his fists. “I have something urgent to do and have to rush over now.”

Zhou Yan was waiting for Lu Shiyuan at the exit. When he saw Lu Shiyuan coming over, he rushed forward to open a path for him and block the reporters.

“President Lu...” Although Zhou Yan was waiting outside the venue, he also knew about the seating arrangements through the live broadcast. He was the one who contacted the organizers and arranged for the gala. Lu Shiyuan would definitely settle the score with him for making such a big mistake.

Lu Shiyuan quickly walked out of the venue and stopped at the side of the road.

Lu Shiyuan’s cast a razor-sharp gaze at Zhou Yan, as if he wanted to tear him apart.

Zhou Yan explained, “Huo Xunzhou is also the sponsor of the gala. He’s also Huo Chaosheng’s brother. Huo Chaosheng wanted to sit with Miss Lin, so the organizers agreed.”

Lu Shiyuan frowned slightly upon hearing those words. “Why did Huo Xunzhou suddenly sponsor the gala? Hadn’t he just been investing in projects abroad?”

Zhou Yan guessed, “I think he probably wants to get a share of the pie in the entertainment industry.”

Lu Shiyuan’s expression changed slightly as a thought crossed his mind. “There’s something wrong with Tianzhou Media.”

At this moment, a scream came from nearby.

“President Lu, be careful!” Zhou Yan quickly pushed Lu Shiyuan aside.

Lu Shiyuan raised his head and saw a car heading straight in the direction he was just in.

After the car hit nothing, it turned around and crashed into Lu Shiyuan.

It was new neighborhood with flat and broad roads and there was nowhere to hide.

The car was madly chasing after Lu Shiyuan to hit him.

It was as if the driver had made up their mind to take Lu Shiyuan’s life. Lu Shiyuan pushed Zhou Yan away.. “Get out of the way and call the police!”

When Lin Shanchu and Huo Xunzhou passed by the interview area, the reporters who had been waiting for a long time couldn’t wait to throw questions at them.

“Lin Shanchu, do you and Alec have any plans after the gala?”

“Where is Alec?”

Lin Shanchu replied, “He had something to do and left earlier.”

“Best Actor Huo, do you plan to invest in projects in the entertainment industry next?”

“As an elder brother, do you have anything to say about the relationship between Lin Shanchu and Alec?”

Huo Xunzhou replied, “Chaosheng is an adult. It’s a normal relationship between adults. Why should a guardian interfere in their affair?”

The reporter asked, “When Lin Shanchu gets married, will you attend her wedding?”

Huo Xunzhou suddenly smiled and said slowly, “Of course I will.”

Lin Shanchu listened carefully and could hear a hint of happiness in his tone.

Why was he so happy about the wedding between Lu Shiyuan and her?

Lin Shanchu thought for a moment. She had an uncomfortable look on her face when she realized something later.

“We still have something to do, so we’ll get going now.” Lin Shanchu directly pushed Huo Xunzhou outside.

After passing the interview area, Huo Xunzhou turned his head slightly and asked her leisurely, “Sister Shanshan, why are you so petty? Were you unhappy when I said I would attend your wedding?” He took advantage of her and even played dumb.

How shameless!

Lin Shanchu snorted coldly. “I’ll never get married in this life.”

“Really?” Huo Xunzhou replied seriously, “Then I won’t get married either.”

Lin Shanchu was speechless. “Big brother!”

Li MO walked over quickly.

Qi Cheng and He Xiang followed closely behind him.

“What were you guys looking at just now?” Lin Shanchu noticed that the three of them were standing by the window in the corridor and looking out. He Xiang took the initiative and said, “There’s a car accident outside.”

“A car accident?” Lin Shanchu left Huo Xunzhou to Li MO and walked towards the window.

The road outside the window had been cordoned off.

As it was located in the suburbs, there were only a few onlookers. Other than some staff members of the gala, there were reporters waiting outside the venue.

Therefore, Lin Shanchu immediately saw Zhou Yan talking to the police.

Zhou Yan worked for Lu Shiyuan and had always been inseparable from Lu

Shiyuan.

So, was Lu Shiyuan the victim in the car accident? “Chaosheng didn’t answer the phone.”

Huo Xunzhou’s voice suddenly came from behind.

Lin Shanchu abruptly turned around and realized that Huo Xunzhou had appeared behind her at some point.

The two of them looked at each other silently and did not say anything else.

Lin Shanchu quietly took out her phone and called Lu Shiyuan.

No one picked up the phone after the call went through.

With every passing second, Lin Shanchu’s smile deepened. Only then did Zhou Yan’s voice come from the other end of the phone.

“Miss Lin.”

Lin Shanchu turned to look out the window and saw Zhou Yan walking towards his car with his phone in his hand.

Lin Shanchu asked directly, "Where's Lu Shiyuan?"

Zhou Yan stopped and pondered for a moment before he spoke, "President Lu has been taken to the hospital due to a car accident. I'm going there now." Lin Shanchu asked, "Which hospital?"

After memorizing the name of the hospital, Lin Shanchu hung up the phone.

She looked at Huo Xunzhou and could not conceal the joy in her voice. "I'll be leaving first. "

Lin Shanchu turned around and took two steps before suddenly turning back. "Let me know when you've contacted Huo Chaosheng."

Huo Xunzhou did not say anything.

Lin Shanchu took it as his acquiescence.

Huo Xunzhou watched Lin Shanchu leave.

Li MO walked up to Huo Xunzhou and showed him a video on his phone.

"Big Brother, this is a video taken by a passer-by at the time of the accident.

On the way to the hospital, Lin Shanchu was excited yet nervous.

She was not surprised that Huo Chaosheng could hit Lu Shiyuan with a car.

With Huo Chaosheng's personality, he would definitely try to get Lu Shiyuan killed.

If nothing unexpected happened...

"Shanshan, we're here."

Lin Shanchu came to her senses and realized that Qi Cheng had already stopped the car.

After getting out of the car, Qi Cheng and Xiang followed Lin Shanchu into the hospital.

Lin Shanchu jubilantly strode into the hospital.

He Xiang and Qi Cheng looked at each other in confusion.

Why did Lin Shanchu look so anxious when Lu Shiyuan was involved in a car accident?

Zhou Yan had arrived a few minutes before them and was inquiring about Lu Shiyuan's situation.

"The patient who was just brought in due to a car accident? Lu Shiyuan, right? He has already been taken to the emergency room for surgery. The specifics will only be known when the doctor comes out of the operating room..." "Emergency treatment?" Lin Shanchu asked, "Is Lu Shiyuan's life in danger?" There was a hint of uncontrollable excitement in her voice.

The nurse thought that Lin Shanchu was worried about Lu Shiyuan's condition and comforted her, "There are risks in any surgery, but the condition of the patient in the operating theater shouldn't be serious. You don't have to worry too much."

“It’s not serious?” Lin Shanchu was disappointed beyond words.

Qi Cheng felt that she was being too obvious, so he quickly said to the nurse,

“We understand. Thank you.”

As soon as the nurse left, Zhou Yan couldn’t help but question Lin Shanchu, “President Lu has a bad temper, but he has been treating you differently. Do you want him dead so badly?”

Lin Shanchu was in a bad mood after learning that Lu Shiyuan might not die.

Zhou Yan insisted on touching a sore point with her.

Lin Shanchu walked up to Zhou Yan. As she pressed on step by step, she said, “You’re so noble. You’re so great. You’re so magnanimous. I didn’t stop you when you wanted to be a dog, but if you insist on persuading me to be a dog like you, then it’s your fault.”

Zhou Yan was forced to the corner.

He was stunned by Lin Shanchu’s barrage of words, “You…”

“You’d better be quiet. I even stabbed Lu Shiyuan, let alone Lu Shiyuan’s dog.”

Lin Shanchu did not give Zhou Yan a chance to speak at all. After she finished speaking, she turned around and sat down at the side.

Lu Shiyuan was able to live until now because of the male lead’s aura.

Now, even Lu Shiyuan’s lapdog wanted to disgust her.

Qi Cheng and He Xiang sat down beside Lin Shanchu respectively in tacit understanding, staring at Zhou Yan vigilantly like her guardians.

Other than Lu Shiyuan, no one had scolded Zhou Yan like that.

Zhou Yan naturally felt angry, but Lu Shiyuan’s condition mattered most at the moment.

After a short while, the door to the operating theater opened.

Zhou Yan immediately went up to the doctor. “How’s President Lu?”

“Mr. Lu is quite lucky. The car accident didn’t cause much damage to him. It’s just some superficial injuries, but the old wound on his heart had torn open. He lost too much blood and temporarily fell into a coma. The operation has

already been completed. He’s now being transferred to the intensive care unit for observation for a day. If nothing goes wrong, he can be transferred to the general ward…’

Lin Shanchu had already guessed that this would be the result.

Even though she was mentally prepared, she still gritted her teeth when she heard the doctor say those words.

Before the doctor could finish speaking, she turned around and left.

After the doctor explained the situation to Zhou Yan, he turned his head and looked around. “Are there no other family members?”

Only then did Zhou Yan realize that Lin Shanchu had already left..
