

Chapter 241: It Was Not Entirely Bad News

Translator: EndlessFantasy Translation Editor: EndlessFantasy Translation

Lin Shanchu suddenly ran outside after she stepped out of the elevator.

“Something’s wrong with Shanshan! Hurry up and go after her!” Qi Cheng hurriedly chased after her.

The hospital entrance was located in front of a crossroad.

At this moment, pedestrians stopped and cars moved as the traffic light had turned red.

Lin Shanchu ran to the roadside without stoppage, rushing straight into the middle of the road.

Car horns sounded everywhere.

“Sister Lin!” He Xiang was scared silly.

He Xiang and Qi Cheng could not find a chance to go over due to the endless stream of vehicles.

Qi Cheng saw a person carrying a camera running towards Lin Shanchu.

“A reporter has gone after her!” “It’s fine. It’s Wen Huan.”

He Xiang also saw him.

The relationship between Lin Shanchu and Wen Huan was inexplicable, but she felt that he was a reliable person.

At least, Lin Shanchu trusted him.

Wen Huan was angry and anxious as he grabbed Lin Shanchu’s wrist and was about to pull her to the roadside.

“Lin Shanchu, what are you doing standing here? Are you crazy?!”

He exerted quite a bit of force, but he could not move Lin Shanchu who looked skinny.

Wen Huan stopped and turned to look at her face.

He was shocked by Lin Shanchu’s terrified appearance.

“Lin Shanchu! What happened to you? Say something!” He waved his hand in front of Lin Shanchu.

Lin Shanchu turned to look at him stiffly.

She carefully sized up Wen Huan. After a few seconds, her empty eyes gradually regained a trace of the usual luster.

“Wen Huan?”

Wen Huan heaved a sigh of relief. “It’s good that you still recognize me! Come with me!”

Wen Huan grabbed Lin Shanchu’s wrist and dragged her to the roadside.

Wen Huan let go of her and began to lecture her with his hands on his hips.

” you’re already in your twenties. Don’t you know that you’ll already be rushing into the middle of the road?”

“The netizens said you’re crazy, but are you that crazy to show them?”

“You are lucky this time. If there is a next time...”

Lin Shanchu, who had been quietly listening to his lecture, suddenly raised her head and said softly, “I won’t die either.”

Wen Huan was puzzled.

Lin Shanchu continued, “It’s not luck that I didn’t get run over, but it’s fate.” Wen Huan was perplexed.

Lin Shanchu added, “No matter how many times I run into the middle of the road, I won’t get killed.”

Wen Huan was baffled.

Qi Cheng and He Xiang happened to run over.

Wen Huan grabbed Qi Cheng’s arm as if he had seen his savior. “Brother Qi, hurry up and take your artist to the doctor!”

“Sister Lin, are you alright?” He Xiang panted and grabbed Lin Shanchu’s arm with a concerned look on her face, as if she was afraid that she would run into the middle of the road again.

Lin Shanchu had regained composure.

She rolled her eyes at Wen Huan. “You’re the one who’s sick.” Wen Huan was speechless.

Qi Cheng patted Wen Huan on the shoulder. “Thank you.”

Lin Shanchu’s phone rang at this moment.

It was a call from Huo Xunzhou.

Lin Shanchu walked aside to answer the phone. “Have you contacted Huo Chaosheng?”

“He’s at my house.”

He had gone home?

“Is he alright?” The car accident did not hurt Lu Shiyuan much because Lu Shiyuan was the male lead, but it was impossible for Huo Chaosheng to be unscathed.

“He’s slightly injured.” Huo Xunzhou’s tone sounded obviously a little deeper than before.

“I’ll come over now.”

Lin Shanchu hung up the phone. Then, she walked up to Wen Huan and pulled him by the arm before she asked, “Where’s your car?”

“My car...” Wen Huan turned around and saw a traffic police placing a traffic ticket on his car. “Mister police, please show mercy! I’m leaving right now!”

“You guys go back first. I’ll go out with Wen Huan and will be back later.” Lin Shanchu chased after him after saying those words.

He Xiang turned to ask Qi Cheng for his opinion. “Brother Qi...”

“Why are you looking at me? I can’t manage her,” Qi Cheng said that, but still he took out his phone and called Nan Mu.

Nan Mu was at a dinner party and there was a lot of noise over there.

He asked, “What did Shanshan do this time?”

Nan Mu’s words were a little unpleasant to Qi Cheng’s ears, as if the artist he was managing was a troublemaker.

“Shanshan performed well today. After the gala ended, she didn’t say anything nonsense during the interview.”

Nan Mu asked, “Why are you calling me then?”

Qi Cheng glanced in the direction where Lin Shanchu had left. “Did the doctor really say that there’s nothing wrong with Shanshan after she filled out the mental health assessment form last time?”

“I found the most authoritative psychiatrist. How can it be fake?” Nan Mu paused for a moment before he continued, “But...”

Qi Cheng asked, “But what?”

Nan Mu replied, “Shanshan was the top scorer in liberal arts back then. To her, it’s simply worthless to answer the questions with the correct answers.”

The psychiatrist could make a corresponding judgment based on the form. The person could also choose to fill out the form without being true to their heart.

While Wen Huan was admitting his mistake to the traffic police, Lin Shanchu opened the car door and sat in the passenger seat.

When Wen Huan got into the car after being lectured by the traffic police, he looked up and saw Lin Shanchu sitting in the car.

“Aren’t you going home?”

“Take me somewhere.”

“It’s getting late. I’d better take you home.”

Lin Shanchu said casually, “Go meet your idol.”

Wen Huan was instantly under her control.

Lin Shanchu keyed in Huo Xunzhou’s address and turned on the GPS before handing the phone to Wen Huan.

The car drove steadily on the road.

Wen Huan suddenly asked, “Are you going to Huo Xunzhou’s house to have a date with Huo Chaosheng?”

“It’s true that I’m going to meet Huo Chaosheng, but it’s not a date.”

Wen Huan said, “...I’m an entertainment reporter. You should at least respect my profession and be on guard against me.”

Lin Shanchu looked innocent. “You’re the one who asked the question. We’re friends, so I can’t lie to you.”
Wen Huan was speechless.

It seemed to make sense.

Although he felt that Lin Shanchu was a little strange, he could feel that she genuinely wanted to be friends with him.

“Have we met before?” Lin Shanchu always acted as if they were very close, causing him to think that he and Lin Shanchu knew each other in the past.

“I may have met you in my previous life. I didn’t drink enough of Five-flavoured Tea of Forgetfulness in the underworld, so I felt like hitting it off with you when I saw you again in this life.”

The more ridiculous her words were, the more sincere her tone was.

Wen Huan laughed as he said, “As if I will believe you!”

Lin Shanchu also laughed.

Inability to die was not entirely bad news.

At least, she could still sit and chat with Wen Huan like this.

The villa area where Huo Xunzhou lived was strictly managed.

Foreign vehicles could not enter the area.

The security guards stopped them at the gate.

Lin Shanchu poked her head out of the window. Just as she was about to explain to the security guard, she saw Li MO walking out from the side.

“Miss Lin, Big Brother told me to wait for you here.”

Then, Li MO also got into Wen Huan’s car.

Wen Huan kept looking at Li MO through the rearview mirror, and his voice a little excited. “Are you the bodyguard that Teacher Huo hired?”

Ever since Li MO got into the car, he had been sizing Wen Huan up.

When a suspicious man appeared beside Lin Shanchu, he, as the top fan who shipped Lu Shiyuan and her, had to observe carefully to find out if the other party was Lu Shiyuan’s love rival.

“Yes.” Li MO did not understand the situation yet, so he did not seem very friendly..

Wen Huan laughed foolishly as he said, ‘You look quite imposing.’

Huo Xunzhou’s bodyguards were indeed different.

Li MO was puzzled.

Huh?

Why did this person suddenly praise him?

He felt that Wen Huan was a little simple-minded and did not look like someone who could become Huo Xunzhou’s love rival.

Therefore, Li Mo’s treated him friendlier. ‘It’s alright.’

Wen Huan was delighted when he thought that he would be able to meet Huo Xunzhou later.

He subconsciously drove faster. Li MO reminded him, ‘Drive slowly, the villa is just ahead.’ Wen Huan replied happily, ‘Oh, okay.’

Lin Shanchu could not bear to see that worthless look of his.

She let out a long sigh and turned to look out the window.

Her impression of Wen Huan had completely shattered.

The car drove straight into Huo Xunzhou’s villa.

Lin Shanchu noticed that there were a few medical vehicles parked nearby.

Huo Chaosheng did not go to the hospital and must have called the doctors to come to treat his injuries.

From the looks of it, Huo Chaosheng’s injuries were probably not serious.

Huo Xunzhou walked out of the elevator as soon as the three of them entered the villa.

Wen Huan, who saw him first, greeted him warmly, ‘Best Actor Huo!’ Huo Xunzhou recognized Wen Huan immediately.

He raised his eyebrows slightly and nodded. Then, he instructed Li MO eloquently, ‘He’s Shanshan’s friend. Treat him well.’

Li MO understood him immediately. ‘Okay, Big Brother.’

When Wen Huan heard how Huo Xunzhou addressed Lin Shanchu, he was stunned for a moment and quickly waved his hand. ‘There’s no need to be so courteous. I’ll just sit down and take a look...’

‘Wait for me here,’ Lin Shanchu said to Wen Huan before striding towards Huo Xunzhou.

Lin Shanchu and Huo Xunzhou entered the elevator together.

Wen Huan watched the elevator close before asking Li MO curiously, ‘Is the relationship between Best Actor Huo and Lin Shanchu so close in reality?’

When Huo Xunzhou and Lin Shanchu appeared in front of the camera together, they looked very close.

However, Wen Huan, as an insider and a veteran fan of Huo Xunzhou, had always thought that Huo Xunzhou was just taking care of Lin Shanchu.

However, he called her “Shanshan” in a natural and intimate voice. No matter how he looked at it, it did not seem to be as simple as taking care of her.

Li MO’s lips twitched before he revealed a smile. “Big Brother and Miss Lin are closer than you think.”

He did not smile often, so he deliberately forced an awkward smile.

Li MO was Huo Xunzhou’s bodyguard. It was normal for him to have a strange personality, but he must be very powerful.

Wen Huan quickly accepted the fact that Li MO was very powerful despite having a flawed personality.

As an entertainment reporter, Wen Huan’s keen intuition told him that he had caught wind of a big gossip. “Are Lin Shanchu and Best Actor Huo actually in that kind of relationship?”

“Yeah.” Li MO glanced at him.

Wen Huan was so shocked that he opened his mouth wide.

Judging from the look on Wen Huan’s face, Li MO thought that he must have understood that Huo Xunzhou and Lin Shanchu were a couple.

“Lin Shanchu is awesome!” Wen Huan exclaimed.

Lu Shiyuan was her fiancé. She was rumored to have an affair with Huo

Chaosheng, but she was also Huo Xunzhou’s “Shanshan” behind the scenes.

If she was not a seductress who three-timed her fiancé, what was she?

Li MO replied, “Huh?”

Wen Huan said softly, “I didn’t expect Best Actor Huo to be so playful.” Li MO was perplexed.

He vaguely felt that there was some communication error between him and

Wen Huan.

However, after thinking about it carefully, he did not notice anything wrong.

Jeez, forget it.

Anyway, he had completed the task assigned by Huo Xunzhou.

Huo Xunzhou directly took Lin Shanchu to the second floor.

As soon as she walked out of the elevator, she saw a group of doctors in white coats standing in the corridor and discussing something in low voices.

Lin Shanchu pushed Huo Xunzhou over.

One of the older doctors stepped forward and said respectfully, “Young Master, your brother’s surgery went well. He should wake up soon. If there’s no problem after two days of observation, he just needs to recuperate and recover slowly.”

Huo Xunzhou nodded lightly. “Thank you, Director Song.”

“Young Master. you’re welcome.”

“You guys go rest. I’ll go in and see him.”

Lin Shanchu’s gaze followed the direction that the group of doctors had left.

Huo Xunzhou had invited a hospital director to his house to operate on Huo Chaosheng.

This director even called Huo Xunzhou... Young Master?

“Chaosheng injured his leg and it was inconvenient to take him to the hospital. The director of the private hospital under the Huo family happened to attend a conference with his team in Xu City, so I just called them over.”

Before she could ask anything, Huo Xunzhou had taken the initiative to answer her doubts.

Since he took the initiative to talk about it, Lin Shanchu seized the opportunity and asked, “Is it the top-notch and prestigious Huo family in the capital?”

“Yes.” Huo Xunzhou’s answer was even more straightforward than she had imagined.

Although Lin Shanchu had confirmed this fact through various sources, it was her first time hearing the affirmation from Huo Xunzhou.

Huo Xunzhou stated calmly, “I’m the young master of the Huo family who has been living in exile since childhood.”

Lin Shanchu was startled. “Why are you telling me this? I don’t want to know about you.”

Huo Xunzhou looked back at her with a smile in his charming eyes. “I want you to know about me.”

Lin Shanchu pursed her lips angrily. “Can you be more reasonable?”

Huo Xunzhou changed the topic and said, “Chaosheng should be awake by now.”

Speechless, she felt that Huo Xunzhou was becoming more and more like a scoundrel.

Huo Chaosheng was indeed awake.

When Lin Shanchu and Huo Zhouzhou came in, he was frowning at his unmovable leg that had been wrapped like a dumpling.

“Third Brother... You’re here too?” Huo Chaosheng immediately saw Lin Shanchu standing behind Huo Xunzhou.

Huo Xunzhou asked, “How do you feel?”

I m fine, but I can’t move my leg.” As if lost in thought, Huo Chaosheng stared at his leg and asked, “Could it be that my leg is broken?” “It’s already connected,” Huo Xunzhou replied.

“Oh.” Huo Chaosheng sounded a little regretful.

Shortly afterwards, Huo Chaosheng looked up again. “Third Brother, I want to talk to Lin Shanchu alone.”

“Don’t take too long. You need to rest now,” Huo Xunzhou said expressionlessly and left.

Huo Chaosheng tilted his head and looked out the door. After confirming that Huo Xunzhou was far away, he urged Lin Shanchu, “Hurry up and close the door.”

In a rare moment of cooperation, Lin Shanchu followed his instruction and closed the door.

Huo Chaosheng immediately asked expectantly, “Is Lu Shiyuan dead?” Lin Shanchu looked at him deeply. “Why did you have to run over Lu Shiyuan?”

‘ Who told him to be reckless and provoke my Third Brother? He deserves to die!’ Huo Chaosheng said nonchalantly, “Besides, don’t you want him dead

According to Huo Chaosheng, he did not run over Lu Shiyuan just to help Lin Shanchu.

However, Lin Shanchu felt strangely touched.

The jackals were ferocious, greedy, bold, agile and alert.

People hated them for that reason..

There was another characteristic of jackals—they did not hurt their own kind.

From a certain perspective, jackals were much more loyal than humans.

Lin Shanchu stared at Huo Chaosheng and remained silent for a long time.

It was long enough to make Huo Chaosheng vigilant.

“Why do you keep looking at me like that?” He frowned as his eyes were filled with disdain. “The way you’re looking at me now is so disgusting.”

“Have you been to school?” Lin Shanchu smiled. “Why is your comprehension ability inferior to that of a primary school student?”

“Are you scolding me?” Huo Chaosheng asked.

Lin Shanchu ignored him and continued, “I’m looking at you with appreciation, not disgust as you think.”

Huo Chaosheng frowned with a puzzled look on his face.

Lin Shanchu leaned forward. Then, she stared at him unblinkingly and enunciated, “Repeat after me. This is called appreciation.”

She pronounced every word with a little emphasis, sounding a little fierce.

Huo Chaosheng had never been scolded like this before, so he could not react in time and subconsciously pronounced, “This is called appreciation.” “That’s right.” Lin Shanchu smiled appreciatively.

Huo Chaosheng felt that Lin Shanchu treated him differently than before.

He was not used to it.

“I helped you kill Lu Shiyuan, and you’re so nice to me. Lin Shanchu, you’re so hypocritical.”

Hearing Lu Shiyuan’s name, the smile on Lin Shanchu’s face faded.

“Lu Shiyuan is not dead. He’s still alive.”

“What?”

Huo Chaosheng had a rare look of disbelief on his face. “How is that possible? I stepped on the gas pedal all the way and sent him flying! How can he be alive?”

Seeing that Lin Shanchu’s expression did not seem fake, Huo Chaosheng added, “Unless he’s not human!”

Lin Shanchu stood up. “Recuperate properly. Don’t do this kind of thing again.”

“You’re leaving so soon?” Huo Chaosheng’s voice came from behind. “Which hospital is Lu Shiyuan in?”

Huo Chaosheng was not convinced and wanted to continue killing Lu Shiyuan.

Ignoring him, Lin Shanchu slammed the door and went out.

Huo Xunzhou was still outside.

“Are you done talking?” he asked.

The lights in the corridor were extremely bright, such that the subtle expression on one’s face was clearly visible and there was nowhere to hide.

Lin Shanchu had locked the door before she spoke to Huo Chaosheng just now.

She was sure that Huo Xunzhou did not hear what she said to Huo Chaosheng.

However, as she stood there, she felt as if Huo Xunzhou had seen through everything.

Lin Shanchu lowered her eyes slightly to avoid eye contact with Huo Xunzhou.

“Huo Chaosheng hasn’t given up yet. He still wants to lay hands on Lu Shiyuan.

“I’ll get someone to keep an eye on him.”

“I’ll get going then.” Lin Shanchu nodded.

“Don’t you have anything else to say to me?” Huo Xunzhou suddenly blocked her way.

Lin Shanchu had expected that he would say those words.

Sometimes, she felt Huo Xunzhou was rather less like a normal human being compared to Lu Shiyuan.

Huo Xunzhou was too smart.

It seemed that he could guess everything in this world, and nothing could stump him.

Lin Shanchu chuckled as she seriously sized Huo Xunzhou up. “Actually, you don’t hate Huo Chaosheng.”

Huo Xunzhou’s expression froze.

But in the next second, his expression returned to normal.

“Aren’t you the same?” he asked rhetorically.

No one was a match for Huo Xunzhou when it came to scheming.

Lin Shanchu took a deep breath and walked past Huo Xunzhou.

Judging from the look of his back, he seemed a little flustered.

On the way back, Wen Huan kept sizing Lin Shanchu up with a strange look. “If you have something to say, just say it,” Lin Shanchu said angrily. “You’re quite amazing,” Wen Huan said with admiration.

Lin Shanchu asked, “What?”

“Don’t worry, I won’t say anything.” Wen Huan smiled mysteriously. Lin Shanchu did not understand what nonsense he was spouting.

Only then did Wen Huan remember the important matter.

“Oh right, is Lu Shiyuan’s injury serious?” He had also heard about the car accident after the gala ended. He chased after Lin Shanchu’s car to take photos, just to find out how Lu Shiyuan’s condition was.

Lin Shanchu replied, “He won’t die.”

He could tell that she really did not have any feelings for her fiancé.

Lin Shanchu asked her, “If you don’t like Lu Shiyuan, why don’t you break off the engagement with him?”

Lin Shanchu could not hold back laughter as she said, “Guess why I let him announce our marriage in public.”

Wen Huan asked, “Why?”

Lin Shanchu smiled and changed the topic, “Wen Huan, do you believe in fate?”

Ads by Pubfuture

Without a second thought, Wen Huan answered, “I don’t believe it.”

“I don’t believe it either.” Lin Shanchu laughed even more heartily.

Wen Huan was still the same Wen Huan.

However, Wen Huan, who disbelieved fate, had no choice but to be at the mercy of fate in the original book.

Wen Huan felt that Lin Shanchu's smile looked a little sad.

"Feel free to talk to me if you encounter any difficulties. Perhaps I can help you think of a way."

"I have the aura of a female lead. What can be difficult for me?"

Wen Huan felt that his concern was unnecessary.

Lu Shiyuan's car accident hit the headlines that night.

Soon, the hit-and-run driver was arrested by the police.

The hit-and-run driver had been censored, but judging from the figure, Lin Shanchu could tell that the culprit arrested was not Huo Chaosheng.

With the Huo family's power, they naturally had ways to find a scapegoat.

Of course, Lin Shanchu would not miss this opportunity to see Lu Shiyuan becoming the laughing stock.

She had recently signed a new cosmetics endorsement, and the brand owner sent her a full set of cosmetics.

She put on beautiful makeup and went to the hospital in a glamorous manner.

Lu Shiyuan's old injuries had relapsed, and his pale face was in stark contrast to Lin Shanchu's.

Lin Shanchu took six selfies in the ward and posted them on Weibo.

The netizens praised Lin Shanchu's natural makeup today.

The cosmetics brand's official Weibo account was the first to comment on her post and praise her beauty.

Lin Shanchu replied to the cosmetics official Weibo account: [Thanks the sponsor for sending the cosmetics over. It's so useful!]

She had accomplished her daily promotional task as an endorser.

Lin Shanchu put down her phone and looked at Lu Shiyuan.

"Congratulations, the hit-and-run driver has been arrested." Her voice was filled with joy. People who did not know what happened would think that Lin Shanchu was sincerely congratulating him.

Lu Shiyuan sneered, "I know Huo Chaosheng did it."

Lin Shanchu looked innocent. "You can't spout nonsense without evidence. You can't slander him just because I'm close to him."

Lu Shiyuan was so angry that he closed his eyes tightly. "I won't let this matter slide just like that. Tell him to be careful."

Lin Shanchu rested her chin on her hand and said casually, "He thinks the same as you."

"You..." Lu Shiyuan's wound hurt due to rage.

Satisfied, Lin Shanchu triumphantly stood up and said, "I'm going to film tomorrow, so I have to go back and rest early."

She would join the crew of “Top Feast” tomorrow, a drama that was aired while the filming was in progress.

Lin Shanchu walked to the door and was about to reach out and open it. The door was pushed open from the outside, accompanied by a delicate voice.

“President Lu..”

Chapter 244: A Plutocratic Villainess

Qiao Jiayi was wearing exquisite makeup and a designer pink dress. If it wasn't for the thermal container in her hand and the fact that she happened to be in the hospital, people would have thought that she was on a date.

“Lin Shanchu?” Qiao Jiayi's smile stiffened.

She had been visiting Lu Shiyuan in the hospital for the past few days. It was the first time she had met Lin Shanchu there.

It was the first time the two of them had met since they fell out at Lu Corporation.

Lin Shanchu crossed her arms and looked at Qiao Jiayi with a faint smile.

“You're here to visit Lu Shiyuan.”

After all, Lin Shanchu was still Lu Shiyuan's fiancée in name. Qiao Jiayi felt a little guilty. “I happened to be free, so I came over to visit President Lu.”

“Go in quickly.” Lin Shanchu smiled gently and even moved to the side to make way for Qiao Jiayi.

Qiao Jiayi looked at Lin Shanchu with a strange expression and walked in hesitantly.

Lin Shanchu walked out and closed the door considerately.

However, she did not immediately close the door and leave. Instead, she left the door ajar and listened to the movements inside.

“President Lu, I made you some soup...”

Qiao Jiayi's pretentious voice came from inside.

The sound of cutlery colliding could be heard from inside.

Lu Shiyuan must have pushed away the soup that Qiao Jiayi had handed over to him.

Shortly afterwards, Qiao Jiayi's sobbing voice came from inside. “President Lu, you have to eat something. You've lost a lot of weight. It really breaks my heart to see you like this...”

Clang!

The loud sound of something falling to the ground rang out.

The next moment, Lu Shiyuan roared angrily, "Get lost!"

Lin Shanchu laughed coldly before she silently closed the door and left.

Qiao Jiayi's rank was far lower than Tang Qidai's.

A pure and unpretentious persona was not something that could be casually faked.

It was almost time for the finals of "My Stage".

As one of the former participants, it was time to go back and cheer for those sisters who were about to enter the finals.

The next day, Lin Shanchu joined the crew of "Top Feast".

"Top Feast" was a popular drama now. The audience urged for updates on its official Weibo account every day, and the discussions on related topics remained trending.

Therefore, the crew was very strict with confidentiality.

After Lin Shanchu joined the crew, she first handed in her phone and then received the script.

She flipped open the script and realized that there were only scenes related to her character.

Lin Shanchu had mixed feelings.

One of the reasons why she wanted to film "Top Feast" was to know the plot in advance.

She was not told that the crew would keep it a secret to this extent before she came here.

The producer was also at the scene today.

He walked around and came to Lin Shanchu. "Have you read the script?" Lin Shanchu nodded.

"Just ask them if you have any questions." The producer added, "There are many seniors from Xu City Drama Academy in the crew."

"Alright." Lin Shanchu smiled, looking very obedient.

The producer had come to find Lin Shanchu because of his friendship with Nan Mu and partly because he was curious about Lin Shanchu.

She was much more beautiful in person than on camera.

It was just that she was a little quieter than he had imagined...

"Top Feast" could be considered an ensemble cast, and many actors were waiting at the side for their scenes.

Lin Shanchu had been caught up in all kinds of trouble recently. The netizens were constantly controversial about her, and the other actors in the industry were more or less curious about her.

They huddled together and whispered something as they calmly looked at Lin Shanchu.

was until me director asKea me actors ror a renearsal.

“Lin Shanchu! Mu Sula is a new character. Your scenes are very important. Good luck!”

The director immediately told her to act without even asking her how she understood the persona and the script.

Lin Shanchu understood that the director wanted to test her ability.

The role Lin Shanchu had accepted was called Mu Sula.

She was an important character that would appear in “Top Feast” this week. Before this, her name was only heard from the mouths of other characters who had appeared in the plot.

Mu Sula was the fiancée of the second grandson of the protagonist’s Zhu family in the drama. She was arrogant and despotic because of her family’s power and influence. She was truly a plutocratic villainess.

In this scene, Mu Sula returned from abroad. The Zhu family held a grand banquet in the luxurious manor to welcome her.

Mu Sula’s notoriety was so widespread that all the servants in the manor were all cautious, fearing that they would offend her.

Ads by Pubfuture

Only the illegitimate daughter, who was favored by the old man, knew nothing about Mu Sula. The other grandchildren of the old man were trying to use Mu Sula to intimidate the illegitimate daughter.

In the first scene, Mu Sula got out of the luxurious car and the members of the Zhu family welcomed her accompanied by their servants.

“Sula, it’s been a long journey.”

Mu Sula gave a short laugh. “It’s a little tiring, but Grandpa Zhu has specially organized a banquet to welcome me. I can’t miss it.”

She didn’t even take off her sunglasses, and her voice was filled with impatience. The image of a condescending, plutocratic villainess was immediately apparent.

She was so arrogant that one could not wait to slap her.

The Zhu family members instantly forced their smiles.

Apart from the patriarch, Elder Zhu, in the Zhu family, Mu Sula never take anyone else seriously, including her fiancé.

“Where is Grandpa Zhu?” Mu Sula strode inside as naturally as if she was returning home.

Elder Zhu was supported by his illegitimate daughter as he walked over. “Sula!”

“Grandpa Zhu, long time no see. I miss you so much.” Mu Sula gave Grandpa

Zhu a hug.

Then, she noticed the illegitimate daughter beside Elder Zhu.

The illegitimate daughter was wearing a dress that was identical to hers.

Mu Sula took off her sunglasses and narrowed her eyes to size up the illegitimate daughter. “Grandpa Zhu, is this the servant whom you hired?”

Elder Zhu understood Mu Sulla's personality and immediately scolded his illegitimate daughter in a low voice, "Go change your clothes."

"Daddy, I'm just wearing the same outfit as hers. Why do you want me to change my clothes..." The illegitimate daughter was used to being pampered by Elder Zhu, so she definitely would not agree to change her clothes.

Not far away, there were servants decorating the banquet venue and cutting flowers.

"Give me the scissors." Mu Sula stared intently at the illegitimate daughter.

The servant's expression changed drastically. Then, she hurriedly took the scissors and handed them to Musula.

Since it was a rehearsal now, so it was impossible to hand the real scissors to Lin Shanchu.

Lin Shanchu used her own hands to make a scissors gesture, grabbed the illegitimate daughter's clothes, and started cutting her clothes with a fierce

gaze.

At first, the actress who played the illegitimate daughter almost laughed, but she cried before she could laugh.

Lin Shanchu got into character. Her gaze was fierce, but her actions were even more ruthless, as if she was really holding a pair of scissors.

The illegitimate daughter cried and trembled with fright, but she still recited her lines professionally. "Daddy, save me. Boo-hoo..."

The other actors were also shocked by Lin Shanchu's sudden change and strong conviction, but they quickly got into character and began to gloat according to the plot.

The director was also a little surprised.

The director came to his senses and realized that the scene was over only when the assistant director reminded him..

"Good! Cut!"

The director immediately stood up and walked over. "Everyone performed well."

Only then did Lin Shanchu let go of the actress who played the illegitimate daughter.

When the other actors saw this scene, they heaved a sigh of relief.

“Good job, everyone.” The director’s gaze swept across the filmset and finally landed on Lin Shanchu. “Lin Shanchu, come with me.”

Before Lin Shanchu left, she looked up at the actress who played the illegitimate daughter. Just as she was about to express her apology, the actress who played the illegitimate daughter started crying.

It happened so suddenly that Lin Shanchu was a little confused. “What’s wrong with you?”

“Mu Sula scared me witless just now. Boo-hoo...” The actress who played the illegitimate daughter looked like she was only sixteen or seventeen years old. It seemed that she was really frightened because she was snorting from crying.

The other actors were amused by her.

Lin Shanchu had some impression of this actress.

Although she was only sixteen or seventeen years old, she was an experienced actress and had acted in many dramas.

She had a good reputation and many seniors had praised her.

She seemed to be called Zhen or something.

Lin Shanchu really could not remember her name, so she said gently, “Zhenzhen. I’m sorry for scaring you...”

Lin Shanchu’s gentle appearance dispelled a bit of the fear in Jian Zhen’s heart. She sniffled and asked Lin Shanchu, “How did you know that I’m Zhenzhen?”

“I’ve watched your dramas. You’re really good at acting,” Lin Shanchu said as she looked at Jian Zhen attentively, appearing especially sincere.

Jian Zhen was a little embarrassed as she stroked her hair. “Sister, your rabbit dance also looked nice...”

Speechless, Lin Shanchu gradually forced a smile. “Thank you.”

Jian Zhen had touched a sore spot with Lin Shanchu.

Jian Zhen smiled with her eyes narrowed. “Sister, can you take a photo with me after work?”

Lin Shanchu was slightly startled. “Sure...” She did not expect this girl to be her fan.

Then, Lin Shanchu left with the director.

After the two of them went to an empty corner, the director pulled out a chair for her in a very friendly manner. “Sit.”

Right after Lin Shanchu sat down, she heard the director say, “That child, Jianzhen, is a little timid, but she is not fragile and can endure hardship. You don’t have to worry about acting with her.” It turned out that her name was Jian Zhen.

“I’m not worried.”

The director thought for a moment before he continued, “When you were cutting the clothes just now... Your conviction was quite strong.”

“Director, I have very little acting experience, so I’ll need your guidance in the future,” Lin Shanchu said calmly.

The director put on airs just now. After all, rumor had it that Lin Shanchu was a poser and condescending.

However, Lin Shanchu was humble and modest in front of the director, making him very satisfied.

The director was grinning from ear to ear. “It’s true that you don’t have many scenes, but for kids who are eager to learn like you, most of them have a good understanding of scripts and roles. As long as you put your heart and soul into it, none of it will be a problem.”

“Yeah.” Lin Shanchu nodded obediently.

“Oh right, there are night scenes tonight.” The director asked tentatively. “Can you make it?”

“Director, I’ll follow your arrangements,” Lin Shanchu replied.

“Can you arrange your schedule?” The director knew that a popular young celebrity like Lin Shanchu would usually take advantage of her popularity to take on all kinds of business deals to make money.

Lin Shanchu replied, “My manager has already arranged everything. He told me to take things slowly, one by one.”

“Alright then!” The director was even more satisfied with Lin Shanchu’s calm personality. “Great!”

The director talked to her for a long time but he did not mention anything about filming later.

Lin Shanchu could only take the initiative to ask, “When we start filming later...”

“Just follow your heart and act. You can act however you want.” The director said proudly, “You don’t have to worry about scaring Jian Zhen to tears again...”

Lin Shanchu was a little surprised and touched.

However, this feeling only lasted for two seconds because the director immediately said, “Anyway, you’re quite good at coaxing girls. Didn’t you coax her in an instant just now?”

Lin Shanchu was speechless.

Lin Shanchu stayed on set for the entire day.

The night scene was filmed at another venue.

It was already midnight when they finished filming.

There was still one last scene.

In this scene, she went to meet a man lying unconscious on the hospital bed.

According to the script, this man was very important to Mu Sula but his identity was not mentioned.

It was also the last episode in this week’s update.

The episode ended with a cliffhanger on purpose to add a sense of mystery to the character, Mu Sula, and to arouse the curiosity of the audience.

Lin Shanchu followed the crew and moved to another location.

She looked at the increasingly familiar road and asked the staff in confusion,

“Aren’t we going to the hospital?”

The staff replied, “You don’t have to go to the hospital to film a patient.”

Shortly afterwards, Lin Shanchu followed the crew into a familiar villa area and saw familiar faces.

“Miss Lin?” Li MO opened the door and let the crew in.

Lin Shanchu saw the same confusion on Li MO’s face. Lin Shanchu trotted up the director and asked, “Who will play the patient?” “Your friend.” The director smiled eloquently.

Both Huo Xunzhou and Huo Chaosheng were on good terms with her.

So, which one of these two would play the patient?

Li MO took the crew to Huo Chaosheng’s room.

Lin Shanchu had come to visit Huo Chaosheng a few days ago. The moment she entered the room, she realized that the room had been decorated into a ward.

Lin Shanchu looked at Huo Chaosheng lying on the bed and heaved a sigh of relief. At the same time, she felt a little disappointed.

The stylist even styled Huo Chaosheng.

Lin Shanchu sat down by the bed and heaved a sigh of relief. “It’s you.”

“Are you surprised?” Huo Chaosheng could not move around while being styled, so he glanced at Lin Shanchu out of the corner of his eye. Lin Shanchu said expressionlessly, “It’s surprising and unexpected.”

Huo Chaosheng replied, “... You’re too hypocritical.”

“Teacher Huo.”

“Yes.”

As a familiar voice was heard, Lin Shanchu subconsciously followed the voice and looked over.

Huo Xunzhou had come over at some point. The director was whispering something to him, whereas he was listening intently while tilting his head slightly.

As if he noticed Lin Shanchu’s gaze, he suddenly raised his head and looked at her.

The director noticed Huo Xunzhou’s gaze.

He thought of Huo Xunzhou’s care for Lin Shanchu and quickly said, “Lin Shanchu is quite talented. She was born for this.”

Huo Xunzhou smiled. “This sister of mine is kind. Director, please take good care of her.”

“Of course.” The director was quite satisfied with Lin Shanchu’s performance, so he naturally wanted to care more about her.

Huo Chaosheng was born into an idol and had excellent professional skills, but his acting skills were terrible.

Fortunately, he just had to play dead and act like an unconscious patient.

Therefore, the scene was filmed in one take.

After work, the crew left first, leaving Lin Shanchu in Huo Chaosheng's ward.

“Why did you suddenly take on this role?”

Huo Chaosheng said innocently, “Third Brother accepted this role on my behalf..”

Lin Shanchu frowned slightly as her eyes were filled with surprise.

Huo Chaosheng thought she did not believe him.

“Really, if you don't believe me, you can ask Third Brother directly.”

“Why did he help you accept this role?” It was true that Huo Chaosheng did not have to lie about such a matter.

“He's probably afraid I'd be bored.” Huo Chaosheng glanced at his leg that had been wrapped like a dumpling. “You know Third Brother has always been concerned about me.”

“Oh...” Lin Shanchu dragged her voice to hide her sympathy for Huo Chaosheng.

Huo Xunzhou had some brotherly love for Huo Chaosheng, but no matter how she looked at it, he did not seem to care so much about him.

Huo Chaosheng suddenly smiled mysteriously. “But now I know why Third Brother accepted this role on my behalf.” “Why?”

“Because you've also accepted this role.”

When Lin Shanchu heard those words, her heart skipped a beat for no reason. “Is that so?”

“He thought I liked you, so he created an opportunity for me to meet you.” Huo Chaosheng thought that he had completely seen through Huo Xunzhou's intention.

Lin Shanchu forced a laugh. “I see.”

He was really hopeless.

She stood up as she said, “It's getting late. I'll be leaving now.”

Huo Chaosheng craned his neck and asked, “When will you come to see me again?”

“I’ll come whenever I have time.”

“When are you free?”

Lin Shanchu turned around and saw Huo Chaosheng craning his neck with a look of eagerness.

After two seconds of silence, she said, “In a few days.”

Huo Chaosheng rubbed his hands with an expectant look on his face. “Then bring me some sashimi from the restaurant we went that day.”

“Just you wait.” Lin Shanchu grimaced.

When Lin Shanchu went downstairs, Huo Xunzhou was sitting on the sofa in the living room.

She realized that the furniture and decorations in Huo Xunzhou’s house had become more luxurious.

He had probably rearranged these things after Huo Chaosheng moved in.

Huo Xunzhou looked up at this moment.

Lin Shanchu was caught off guard and met his gaze.

She said awkwardly, “I’m leaving,”

In any case, Huo Xunzhou was the host, so it was basic courtesy to greet the host before leaving.

Huo Xunzhou stared at her for a moment before suddenly curling his lip.

“Aren’t you going to ask me why I accepted this role on behalf of Chaosheng?”

Almost immediately, Lin Shanchu said, “I’m not interested, and I don’t want to know!”

She spoke so quickly that it was as if she was competing to be the first to answer the question.

Lin Shanchu also felt that she had overreacted, so she tried to explain, “I’m very busy. I don’t have time to care about other people’s affairs.” “Oh.” Huo Xunzhou looked at her casually.

Lin Shanchu felt uncomfortable under his gaze and was about to leave.

Huo Xunzhou’s voice came from behind.

“I’ll get Li MO to take you home.”

“Brother Qi is waiting for me outside.”

Lin Shanchu did not even turn her head and walked even faster.

Huo Xunzhou watched her leave and smiled.

Shanshan’s temper is getting worse.

How adorable.

For the next few days, Lin Shanchu practically lived in the set of “Top Feast”.

She and Jian Zhen, who played the illegitimate daughter, had many scenes together.

Jian Zhen was gradually became familiar with Lin Shanchu and no longer cried like she did on the first day, but she still had lingering fears after every film shoot.

After the filming of the new scenes for this week was completed, they worked overtime to start editing.

New episodes of “Top Feast” would be updated every Friday, Saturday and Sunday.

They were short of time with heavy tasks.

Soon, it was Friday.

In the afternoon, a trailer was released on the platform and the drama’s official Weibo page.

[A new character will be unlocked tonight. Miss Mu Sula, whom everyone has been talking about, will finally appear.]

The editing crew of “Top Feast” was skilled. The trailer they edited was exciting without revealing the plot.

The audience commented:

[The finals will be on the day after tomorrow.]

After Qi Cheng received the real-time viewership ratings for "Top Banquet" tonight, he drove straight to Lin Shanchu.

"The real-time viewership ratings for 'Top Class Feast' hit a new high tonight."

Lin Shanchu replied, "Wouldn't the viewership ratings be even higher the day after tomorrow?"

Qi Cheng asked, "Why?"

"Because Huo Chaosheng will be appear in the episode the day after tomorrow." Huo Chaosheng was so popular, so the viewership ratings would definitely hit a new high when the time came.

Qi Cheng smiled. "That's not necessarily the case."

Lin Shanchu said, “Brother Qi, you’re a little too arrogant now. You’ll be slandered if others find out that you’ve made such a remark..”

“I’m not being arrogant. I’m telling the truth. The reason why tonight’s real-time viewership ratings hit a new high is because of your participation.” Qi Cheng showed Lin Shanchu the real-time viewership ratings.

Lin Shanchu glanced at him and said nonchalantly, “That’s because tonight’s plot is more interesting.”

Qi Cheng said seriously, “The character Mu Sula is more discussed than the other characters. ”

Lin Shanchu fell silent for two seconds before she said softly, “I’m quite amazing then.”

Qi Cheng was amused by her. “I’m here today to tell you something else.” Lin Shanchu looked up at him.

“The debut night of ‘My Stage’ will be on the night after tomorrow. The company has arranged for you to go to the venue to support the show. You have to go to the scene in advance.”

“Alright.”

She would be able to meet Xia Jinqing in advance.

The entire debut night of “My Stage” was broadcast live.

The program’s live broadcast room opened in the afternoon.

The program team bought the topic with the hashtag

#LinShanChuReturnedToMyStageToSupportHerSisters.

Therefore, endless audience entered the live broadcast room since the afternoon.

Most of them were here for Lin Shanchu.

“Shanshan!”

Yun Wu pounced on Lin Shanchu as soon as she saw her.

She almost caught Lin Shanchu.

Her physical fitness had become worse probably because she no longer had to practice dancing every day after leaving the training camp.

After Lin Shanchu steadied herself, she carefully sized Yun Wu up. Then, she clicked her tongue and said, “Yun Wu, you really... haven’t lost any weight at all. ”

Everyone was working hard for the finals and had lost a lot of weight.

Not only had Yun Wu not lost weight, but she even looked a little sturdier than when she first arrived.

Yun Wu said happily, “The production team gave us extra meal at night.”

Lin Shanchu was speechless. She even suspected that Yun Wu had joined the show just for the food in the cafeteria.

The other trainees also came over to greet Lin Shanchu.

Qi Cheng had prepared desserts for Lin Shanchu in advance as a visiting gift for the trainees.

It had been a long time since everyone had had dessert, so they were all delighted.

An Youyun took two bites and stopped eating. “Sister, I’m a little sleepy. I’ll go and rest first.”

Lin Shanchu smiled gently. “Good luck.”

Lin Shanchu looked around and asked Yun Wu, “Why don’t I see Xia Jinneng?”

Yun Wu whispered, “Xia Jinneng and An Youyun don’t get along. They even had a big fight in the dormitory previously. Now, An Youyun will be present without Xia Jinneng, and Xia Jinneng will be present without An Youyun.”

“I see.” Lin Shanchu chuckled, “If the two of them form a group, then there will be a lot of trouble in the future.”

Yun Wu shrugged. “Xia Jinneng’s company seems to have a freewheeling attitude towards her. An Youyun’s company values her a lot. Xia Jinneng can’t beat An Youyun.”

Although Yun Wu looked like she only thought about eating, she knew everything else.

Yun Wu gestured for Lin Shanchu to look towards the door. “Xia Jinneng is here.”

As soon as Xia Jinneng entered the room, she looked around as if she was looking for someone.

Finally, she lowered her eyes and walked over after spotting Lin Shanchu.

“Long time no see.” Her tone was neither cold nor warm, and there was no hostility.

Lin Shanchu replied with an indifferent smile, as if she did not like Xia Jinneng.

Xia Jinneng frowned slightly and left after showing her face.

After finishing the walkthrough, Lin Shanchu left the live broadcast room.

She found Xia Jinneng at the usual place.

The so-called usual place was the balcony where Xia Jinneng had tried to push her down the stairs and break her leg.

“What did you mean just now?” Xia Jinneng questioned her angrily.

“Paving the way for you.” Lin Shanchu said slowly, “It’s easier for you to get close to Lu Shiyuan if we don’t get along.”

“I heard that something happened to Tang Qidai, right?” Xia Jinneng’s expression softened.

Lin Shanchu said casually, ‘Yeah, Tang Qidai has left the industry, and Qiao Jiayi is trying to find a way to rise to the top.’

“You did it?” Xia Jinneng’s expression changed slightly.

“Tang Qidai chose her own path and committed her own sins. What has it got to do with me?” Lin Shanchu’s tone was lazy and her smiling eyes looked innocent.

Xia Jinneng had a complicated look on her face.

Lin Shanchu slowly took out a hairbow from her bag and ordered Xia Jinneng,

“Turn around.”

“What are you doing?” Although Xia Jinneng was puzzled, she still turned around obediently.

“It’s something that can help you out.” The first gift Lu Shiyuan gave her was a hairbow.

Her phone rang right after she put it on Xia Jinneng.

It was a call was from Qi Cheng.

Before Lin Shanchu could say anything, she heard Qi Cheng say in a serious tone, “Lu Shiyuan is here too.”

To her surprise, he managed to leave the hospital with such injuries.

The male lead was indeed different. Lin Shanchu sneered as she asked, “Where is he?” Qi Cheng replied, “He is at the main hall.”

Lin Shanchu said thoughtfully, “Lure him over.”

After hanging up the phone, Lin Shanchu raised her eyes and stared at Xia Jinneng.

Xia Jinneng touched the hairbow on her head and said disdainfully, “What the hell did you put on me?”

As soon as she finished speaking, Lin Shanchu raised her hand and slapped Xia Jinneng.

Xia Jinneng gritted her teeth in pain and immediately scolded, “Are you f*cking crazy?!”

Lin Shanchu frowned slightly. ‘Wrong.’

“What?” Xia Jinneng asked.

Lin Shanchu walked closer to her and whispered, “When you’re hit, you can’t show such a hateful, vicious, and defiant look. You have to look stubborn, forbearing, weak and helpless without resentment. Understand?”

Xia Jinqing was stunned for a moment before she realized that Lin Shanchu was teaching her to pretend to be someone Lu Shiyuan liked.

Xia Jinqing snorted and was about to leave. “Tang Qidai is done for now. Why should I seduce Lu Shiyuan? I’m not playing with you anymore!”

Lin Shanchu looked at her calmly, “Tang Qidai is done for, but An Youyun is still around, isn’t she?”

Xia Jinqing’s expression changed slightly, whereas Lin Shanchu revealed a satisfied smile.

Once a person had a wrong idea in her mind, it would be difficult to get back on the right track.

Lin Shanchu did not urge her and said slowly, “Do you hear footsteps? They’re here.”

Xia Jinqing put down her leg that had been lifted.

The footsteps were getting closer.

Lin Shanchu raised her hand and slapped Xia Jinqing on the other side of her face.

Then, she asked sinisterly, “Don’t you know who you are? How dare you provoke me like this?”

Xia Jinqing covered her face that had been hit and looked a little embarrassed. Compared to before, her voice and gaze were restrained. “Everyone is born equal.. You think you’re superior, but you’re just using your power to bully others! I still look down on you!”

Lin Shanchu laughed.

It was a laugh from the bottom of her heart.

Xia Jinqing had put in some effort.

She even said such righteous words.

If circumstances permitted, she really wanted to applaud Xia Jinqing.

“What right do you have to look down on me?” Lin Shanchu raised her hand again as she said, “I’ll show you if I’m superior!”

“Stop!”

This time, Lin Shanchu's raised arm was intercepted mid-air.

She turned around and saw that person who intercepted her was none other than Lu Shiyuan.

Zhou Yan was behind him, and Qi Cheng was behind them with a shocked look on his face.

Lu Shiyuan looked at Lin Shanchu with disgust, "Lin Shanchu, why are you so arrogant now?"

Lin Shanchu shook his hand off. "Whatever I do is none of your business!"

She turned around and looked at Xia Jinqing. "Xia Jinqing, believe it or not, I'll make sure you can't form a group."

Lu Shiyuan then turned to look at Xia Jinqing.

Xia Jinqing bit her lip with a look of forbearance and grievance, but she said firmly, "I'm not afraid of you!"

After saying that, she ran away without looking back.

She did not look at Lu Shiyuan from the beginning to the end.

This was the first time Lu Shiyuan had seen a woman ignoring him.

His gaze involuntarily followed Xia Jinqing.

A hairbow was pinned on top of her hair, swaying gently with her black hair. Her back was slender and graceful, overlapping with the back of a certain girl in his memory.

Lu Shiyuan was mesmerized for a moment.

Lin Shanchu saw Lu Shiyuan's reaction and warned, "Xia Jinqing has been an eyesore to me for a long time. Don't get in my way."

"I almost don't recognize you anymore!" Lu Shiyuan had always been prejudiced against Lin Shanchu. Compared to the "pure and unpretentious" Xia Jinqing, he felt that she was extremely vicious.

"Tch!" Lin Shanchu pushed Lu Shiyuan away and strode away with a disdainful look.

She deliberately bumped into Lu Shiyuan's injured spot. Lu Shiyuan was in so much pain that he broke out in a cold sweat.

"President Lu!" Zhou Yan immediately went forward with concern.

Although Qi Cheng did not understand the situation, he left with Lin Shanchu without asking any question.

After he confirmed that Lu Shiyuan and the rest did not follow them, he asked

If You Have Diabetes, Always Keep This With You

Lin Shanchu softly, "What were you doing just now?"

Lin Shanchu smiled mysteriously. "Be a good person and do good deeds."

Qi Cheng was lost in thought.

Were slapping someone and hitting someone's wound considered good deeds?

“Let’s go find President Nan.” Lin Shanchu was in a good mood with light-footed steps.

Qi Cheng asked in fear. “Xia Jinqing won’t expose you, will she?”

Lin Shanchu replied, “No.”

Qi Cheng felt a little relieved.

Lin Shanchu continued, “So what if it’s exposed? It’s not like I have a f*cking gentle and kind persona.”

Qi Cheng thought of the previous interview. “You’re right.”

But soon, he realized that he had been led astray by Lin Shanchu. Qi Cheng corrected her righteously. “Anyway, it’s wrong to hit someone!”

“Yeah, you’re right.”

It was like this every time. Her actions contradicted the promises she made.

He felt numb.

Since he could not control the artist, he might as well let her do whatever she wanted.

The two of them had reached Nan Mu’s office.

When Lin Shanchu knocked on the door and entered the office, Nan Mu was on the phone.

Nan Mu casually said a few words before hanging up the phone. “What’s the matter?”

“Lu Shiyuan will come to you later,” Lin Shanchu said gently. “Remember to extort him.”

“Why will he come to me?” Nan Mu was puzzled. Lin Shanchu said the keyword, “Xia Jinqing.”

Nan Mu asked, “What?”

Lin Shanchu said, “I’ll leave now.”

After coming out of Nan Mu’s office, Qi Cheng was the first to notice Lu Shiyuan and Zhou Yan.

Qi Cheng reminded her, “Over there.”

“As expected, they are here.”

Lin Shanchu gave Lu Yuan a provocative smile and left with Qi Cheng.

Lu Shiyuan looked in the direction she left and said in disappointment, “She’s no longer the kind Lin Shanchu I knew.”

Zhou Yan agreed with Lu Shiyuan’s words. “President Lu, do you intend to meddle in Xia Jinqing’s affairs?”

As the image of Xia Jinqing running away flashed across Lu Shiyuan’s mind, he walked towards Nan Mu’s office.

Nan Mu was still wondering what Lin Shanchu meant when he heard a knock on the door.

Had Lu Shiyuan really come to look for him?

Ads by Pubfuture
“Come in.”

The door was pushed open and Lu Shiyuan walked in with Zhou Yan.

Nan Mu was excited, but his face looked calm. “President Lu, what’s the matter?”

Although he did not know what was going on, he was overjoyed when he thought that he could extort Lu Shiyuan again.

Lu Shiyuan opened his mouth, “There may be some unhappy past between us, but when we do business, interests always come first. What do you think,

President Nan?”

“Of course.” No way! He was more or less a businessman with a conscience.

Lu Shiyuan continued, “Although Lin Shanchu can make money for your company, the benefits she can bring to your company are limited after all.” “Indeed.” No way! This ignorant brat, Lu Shiyuan, could not imagine the benefits brought by the attention grabber!

Lu Shiyuan was very satisfied with Nan Mu’s answer.

Therefore, he got to the point. “I want Xia Jinqing to debut smoothly.”

Nan Mu roughly guessed what had happened after connecting the dots.

Pretending to be in a dilemma, he said, “Lin Shanchu is now the cash cow of Tianzhou Media. I’m afraid the price of offending her is a bit high.”

Lu Shiyuan smiled. “You’re still attracting investment for your company’s new project, aren’t you?”

Nan Mu smiled and shook his head. “I’m not attracting investment, but I’m soliciting sponsorships.”

Investments were divisible, but it was not necessarily the case for sponsorships.

He would never give this brat a chance to earn money.

The smile on Lu Shiyuan’s face faded. “I’ll sponsor you then.”

Nan Mu smiled and said, “The new project is low-cost. 10 million yuan is enough. In addition, please give our Ji Yuan a few better resources.” 10 million yuan was not a lot of money for Lu Shiyuan, but it hurt to fork out the money.

Ji Yuan had trampled on Fu Pei to get to the top. Now, Nan Mu was deliberately touching a sore spot with Lu Shiyuan by asking him to give resources to Ji Yuan.

Zhou Yan could not bear to listen to it any longer and said, “President Nan, you’ve gone overboard.”

“Isn’t this a negotiation? Besides, I’m negotiating with President Lu, and what does it have to do with you?” Nan Mu looked at Lu Shiyuan with a faint smile. “Besides, President Lu has the ability to weigh the pros and cons. He knows whether this deal can be struck or not.”

Lu Shiyuan lost the upper hand from the moment he came to find Nan Mu.

Nan Mu words were undoubtedly an impossible challenge, not giving him a way out.

For the sake of dignity, he had no choice but to strike the deal.

“Deal,” Lu Shiyuan said in a deep voice. 10 million yuan, plus a few resources.

The price was a little great.

However, it was worth it for Lin Shanchu to suffer a setback.

“I’ll get someone draft the contract now.” Nan Mu picked up his phone and called the legal department.

After drafting the contract and signing it, Nan Mu saw Lu Shiyuan off enthusiastically.

Before leaving, Nan Mu asked Lu Shiyuan considerately, “President Lu, what place do you want Xia Jinneng to get?”

Nan Mu was so solicitous that Lu Shiyuan felt like he had struck a bad deal.

However, he quickly suppressed this strange feeling.

He felt at ease when he thought that Lin Shanchu would be exasperated after seeing Xia Jinneng successfully forming a group later.

“Just a normal rank will do.” “Okay, take care, President Lu.”

Nan Mu watched Lu Shiyuan leave.

After the door closed, he picked up the contract and kissed it hard.

“Thank you for nature’s gift!”

He thought about it and felt that something was wrong. “No, thanks Shanshan for the gift. Hehe.”

Nan Mu put the contract away and took out his phone to call Huo Xunzhou.

“Are you here yet?”

“I’ve arrived.”

Huo Xunzhou could hear the excitement in Nan Mu’s voice. “What happened?”

“Lu Shiyuan sponsored ten million yuan for our new project. Hahahahaha...” Nan Mu laughed arrogantly and loudly.

“Do I need that bit of money from him?” Huo Xunzhou snorted.

Nan Mu helplessly said, “Shanshan asked me to extort a sum of money from him.’

Huo Xunzhou fell silent for a while. “Why didn’t you ask for more money?”

Speechless, Nan Mu thought this man was so self-righteous despite having double standards!

Nan Mu sighed as he replied, “I was afraid that if he wouldn’t agree if I asked for more money. Wouldn’t it be a huge loss for me?”

“Oh,” Huo Xunzhou said coldly.

The program recording began.

Lu Shivuan sat on the left of Lin Shanchu and there was an empty seat on her right.

When the camera panned over, the screen showed the two of them looking at the stage expressionlessly.

After the camera moved away, someone finally came to the seat next to Lin Shanchu.

The dull sound of wheels rolling on the ground could be heard.

Lin Shanchu turned around and saw Huo Xunzhou’s indifferent expression.

Tianzhou Media was originally the organizer of “My Stage”. As the behind-the-scenes boss, it was normal for Huo Xunzhou to watch the finals.

What was unusual was that Huo Xunzhou had arranged a seat next to her again.

She said that he pestered her, but he was really doing it all the time.

“What a coincidence,” Huo Xunzhou said it was a coincidence, but there was no surprise in his tone.

There was a row of people from the industry sitting behind them, so Lin Shanchu could not pretend that she did not hear Huo Xunzhou’s words in front of so many people.

“Yes, it is.” Lin Shanchu looked around and asked naturally, “Why didn’t Huo Chaosheng come?”

The words “Huo Chaosheng” triggered Lu Shiyuan.

He glanced at Lin Shanchu coldly, “The match is about to start. Keep quiet.”

Huo Xunzhou said, “As you know, he broke his leg a few days ago, so it’s inconvenient for him to go out.”

Lin Shanchu replied, “You’re right.”

The two of them chatted as if no one was around and they did not hear Lu Shiyuan at all.

Lu Shiyuan was furious, but he could not just snap.

He clenched his fists and waited until Lin Shanchu and Huo Xunzhou finished talking.

It did not matter because Lin Shanchu would lose her smugness soon.

Everyone performed well on the stage for the finals.

Lin Shanchu had participated in so many seasons in the past, but this was her first time watching the show off the stage as an audience.

She watched the finals more enthusiastically and applauded louder than anyone else.

The director was still the same as before. He habitually cut the camera to Lin Shanchu, the attention grabber.

It was already 11:00 p.m. when the show on-stage ended.

There was only time left to make the final push for the voting.

There had not been much changes for the top three.

Yun Wu was far ahead in the number of votes, and it was cast in stone that she would debut in the center position.

Xia Jinmeng, who came in second place, was far behind Yun Wu in votes.

An Youyun took the third place.

Lin Shanchu’s old acquaintances—Wen Tongtong and Ran Zhimo—took the fourth and fifth place.

Ran Zhimo had the ability and her ranking was not bad from the start, so it was not strange for her to enter the top five.

Wen Tongtong had been eliminated in the first season, but unexpectedly, she had also made it into the top five.

It was truly against the odds.

The emcee cued Lin Shanchu on-stage.

“Lin Shanchu, in this final moment, do you have anything to say to the sisters who fought alongside you?”

Lin Shanchu took the microphone and looked at the stage before she said sincerely, “You guys are already very amazing for being able to make it this far.”

At least, you're more amazing than me.”

In the bullet screen, the non-fans who were watching the drama unfold commented:

[Hahahaha! Lin Shanchu's fans, do you have a guilty conscience?]

Lin Shanchu's fans:

Lin Shanchu's fans were once again were struck with a pang of conscience. They felt that they had to do something to redeem themselves.

Hence, they collectively voted for Yun Wu.

However, Yun Wu's debut was confirmed and she did not care about their trivial votes.

Hence, they set their sights on Lin Shanchu's former teammates.

Both Wen Tongtong and Ran Zhimo used to be teammates of Lin Shanchu.

After that, they voted for the two of them according to their preferences.

Ten minutes before the voting channel was about to close, the trainees did not dare to look back.

Lin Shanchu looked at Wen Tongtong and Ran Zhimo's rising votes. Then, she couldn't help but ask Huo Xunzhou softly, “Did you guys... involve in vote rigging?”

She thought that Huo Xunzhou was very upright, but she did not expect him to play such a trick.

Lin Shanchu almost had the words “I didn't expect you to be this kind of person” written all over her face.

Huo Xunzhou's face looked tense and his eyes were locked on her face. He did not say a word, exuding a cold aura.

Lin Shanchu felt guilty under his gaze and blinked. “If you didn't do it, so be it. Why are you so fierce?”

“Your fans know best why the situation has become like this.” When Lin Shanchu's fans voted for Wen Tongtong and Ran Zhimo, Huo Xunzhou received the news immediately.

“What did my fans do?” Lin Shanchu looked confused.

Huo Xunzhou threw his phone at her.

Lin Shanchu took it and saw the message that Nan Mu had sent him ten minutes ago:

[Lin Shanchu's fans are really amazing, hahahaha. Look at what they've done. An Youyun has been pushed to the fourth place, hahahaha...]

Lin Shanchu was speechless.

Her fans were really amazing.

Lin Shanchu silently returned the phone to Huo Xunzhou.

Huo Xunzhou did not accept it and looked a little angry.

It was unknown if he was angry that she had misunderstood him or that her fans had “done something good”.

Lin Shanchu thought for a moment and quickly apologized to him, "I'm sorry."

"Are you that insincere?" Huo Xunzhou snorted.

Lin Shanchu glared at him, "What's the big deal? Can't you be more magnanimous?"

Lin Shanchu was speechless. He still remembered how she had called him petty.

Just as Lin Shanchu was about to speak, she heard laughter behind her.

"Pfft!"

Upon hearing the laughter, Lin Shanchu turned around and saw a well-dressed man smiling at her and Huo Xunzhou..

Chapter 250: Do You Think He's Good-for-nothing But Handsome and Rich Like Me?

The man looked to be no more than thirty years old and he was meticulously groomed from his hair to the business shirt he was wearing. He looked rigorous and steady, exuding a reliable and convincing aura.

Whether it was his attire or his temperament, he did not look like someone from the entertainment industry.

It did not seem like he was here just to watch the performance.

Instead, he looked like he was here for a meeting.

However, he was holding a bouquet of flowers in his hands.

They were Yun Wu's favorite sunflowers.

Lin Shanchu was busy sizing up the man and did not notice that Huo Xunzhou was making eye contact with the man.

"I'm sorry, I couldn't help laughing when I suddenly remembered that I've watched a video of a primary school students quarreling. Did I disturb you two?"

The man's voice was gentle. Judging from his demeanor and mannerisms, he looked like a cultured person.

However, Lin Shanchu thought that his words sounded a little strange.

It was because he did not look like someone who would watch videos of primary school students quarreling.

The vote counting had ended. The emcee on the stage had begun to announce the votes of each trainee.

Lin Shanchu frowned and shook her head. "It's fine."

She turned around and looked towards the stage.

Then, she turned to look at Huo Xunzhou as if she had thought of something.

Huo Xunzhou was staring at the stage. His charming eyes looked indifferent and focused.

Charming eyes...

Lin Shanchu abruptly turned around and looked at the man who was carrying the bouquet of sunflowers behind her.

Coincidentally, the man was also looking at her.

Noticing that she had turned around, the man gave her a friendly smile and pointed at the stage.

When he smiled, his dimples became more obvious and looked very good.

He had the same charming eyes as Huo Xunzhou.

Yun Wu also had charming eyes.

What a coincidence.

When the emcee announced Xia Jinqing coming in second place, Lu Shiyuan turned to look at Lin Shanchu.

"I think the second place is well-deserved. What do you think?"

"Indeed, she's quite skilled." Lin Shanchu smiled.

Xia Jinqing had really attracted Lu Shiyuan's attention. It was indeed her skill.

Lu Shiyuan thought that Lin Shanchu would ignore him out of rage, but he did not expect her to smile and talk to him.

He thought that Lin Shanchu was forcing a smile.

Lu Shiyuan felt even more pleased. "To know oneself is true progress. One should know their place and limits."

He was hinting that she did not know her place and limits.

At times like this, Lin Shanchu could clearly feel that she had a bit of female lead aura on her.

"Yes, figuring out the situation on one's own is more important than anything else."

"It's good that you know." Lu Shiyuan snorted coldly.

At this moment, the voice of the emcee came from the stage.

"Next, let's invite Mr. Huo Xunzhou, the organizer representative of this show, to present the group badge to the members."

Nan Mu walked over from nowhere. He winked at Lin Shanchu with his back facing the camera and pushed Huo Xunzhou onto the stage.

The smug expression on Lu Shiyuan's face froze before he had time to restrain himself.

The so-called organizer representative was naturally the person in charge of the organizer's company.

Nan Mu was supposed to go on stage.

Huo Xunzhou went up the stage instead.

It meant that the real boss of Tianzhou Media was Huo Xunzhou!

Lu Shiyuan watched in disbelief as Huo Xunzhou was pushed onto the stage.

On the day of the gala, he had guessed that something was wrong with the Tianzhou Media.

However, he had encountered a car accident right after he left the gala. Zhou Yan had been busy helping him investigate the hit-and-run driver and could not spare time to look into Tianzhou Media.

Lu Shiyuan was so angry that the wound in his chest started to ache again when he thought of the 100 million yuan he had sponsored before, the 10 million yuan he had sponsored Nan Mu and the resources he had given up before the live broadcast started.

He gritted his teeth as he enunciated his name.

“Huo! Xun! Zhou!”

Lu Shiyuan thought of something and turned to look at Lin Shanchu. He realized that although she was frowning slightly, there was no surprise on her face.

Lu Shiyuan lowered his voice and questioned her, “You knew about it, didn't you?”

“What do I know?” Lin Shanchu asked innocently.

Not denying it was equivalent to admitting it.

Lu Shiyuan immediately stood up in rage and left the scene.

At this moment, she heard the man behind her ask her in a low voice, “Miss

Lin, why did Mr. Lu leave?”

Lin Shanchu tilted her head slightly and smiled decently. “He hasn't recovered from his injury, and he's hot-tempered. He's going out to get some fresh air.

Mr. Yun, don't worry about him.”

“You know me?” The man was taken aback.

Lin Shanchu glanced at the sunflowers in his hand. “Those are Yun Wu's favorite flowers.”

The man looked down at the flowers in his hand and said in a gentler tone, “I'm

Yu Wu's elder brother, Yun Yi.”

No wonder Yun Wu always mentioned her elder brothers.

She could tell that her elder brothers loved her very much.

Lin Shanchu was the only child in the family, so she did not know what it felt like to have an elder brother.

Yun Yi asked Lin Shanchu, “Did Yun Wu ever mention us to you?”

Yun Wu’s elder brother doted on her and had been following the show for a long time. He knew about the friendship between Lin Shanchu and Yun Wu.

He did not look like a talkative person, but he looked like he wanted to chat with her.

It was human nature to be coaxed instead of being subjected to forceful means.

Yun Yi’s tone was too friendly. Even though Lin Shanchu did not really want to talk to him, she decided to go through the motions since he was Yun Wu’s elder brother.

“She did.”

“What did she say about us?”

“She said that her elder brothers were rich and handsome.” “I don’t think that’s the original statement.” Yun Yi laughed.

Lin Shanchu looked up at him in surprise.

Yun Yi looked serious as he continued, “Other than being handsome and rich, they are good-for-nothing. That’s what Yun Wu said, right?”

Lin Shanchu was speechless. It was really verbatim.

Immediately afterwards, Yun Yi asked, “Xunzhou is also Yun Wu’s elder brother. Do you think he’s good-for-nothing but handsome and rich like me?” He chatted with her for a long time and finally brought up Huo Xunzhou.

Lin Shanchu realized that Yun Yi was testing her relationship with Huo Xunzhou.

“I’m not familiar with him.” Lin Shanchu grimaced. “Miss Lin?” Yun Yi called her from behind.

Lin Shanchu pretended not to hear him.

She straightened her back and sat upright as she stared intently at the stage.

“The group Glimmer Girls is officially formed!”

The stage was filled with fireworks and colored ribbons.

This three-month-long talent show ended amidst the hustle and bustle before the end of summer.

For the entire night, the topics related to the trainees of “My Stage” became trending one after another, suppressing the trending topics of “Top Feast”.

Wen Tongtong, who went against all odds, even made it to the top three on the trending search list.

It was already midnight when the recording ended.

The entire program team was so busy that they did not even have time to eat dinner, so Nan Mu invited them for supper.

After informing the program team, he looked around and asked, “Why don’t I see Shanshan?”

“She left a long time ago,” Director Song Yiming replied.

“She didn’t go backstage to meet Yun Wu?” Nan Mu was stunned for a moment.

“She didn’t. She left as soon as the live broadcast stopped.” The director was a little puzzled as he continued, “She’s in such a good relationship with Yun Wu. Logically speaking, she should’ve gone backstage to congratulate her in person... Maybe she needs to take care of something urgent..”
