

## Thank you 1001

Chapter 1001 Playing with you, child's play!(1)

in the following celebration party, pei qiqi even had a drink with shen lian, " boss shen has good taste. i have to learn from you in the future. "

Just now, Shen Lian had explained the blueprint for the G55 plot in a long way. It sounded pretty good, but reality might be a little cruel.

pei qiqi left first, leaving shen lian to enjoy herself.

of course, meng qingcheng was always by her side.

shen lian raised her wine glass and looked in the direction pei qiqi left. she glanced at meng qingcheng, " " the way you looked at her just now seemed to be looking for tang xin's shadow. "

Shen Lian was constantly reminding Meng Qingcheng and cutting his heart.

His heart, which was riddled with scars, had already been frozen.

he looked at her coldly. " don't forget. you're also tang xin's sister. "

shen lian was unhappy and snorted,"what kind of sister am i?" they're biological sisters born from the same mother!"

Meng Qingcheng just smiled and didn't say anything.

shen lian drank a little but still insisted on driving.

She liked the thrill of driving at a high speed. The near-death speed made her feel calm instead. today, she was happy!

He was especially happy that he finally won against PEI Qiqi!

Meng Qingcheng walked to his car and opened the door. Just as he was about to get in, he suddenly raised his head and looked at her. the shareholders might be unhappy with President Shen. Be prepared!

"When the new city's results are out, they will shut up!" Shen Lian sneered. As she spoke, she opened the car door and got in. The car drove away quickly.

as soon as she drove to the main road, a white ximi came from the side and hit her car sideways.

In her panic, Shen Lian saw PEI Qiqi's face getting bigger and bigger.

Her car was knocked against the railing. With a bang, it could no longer be started. The other car stopped in front of her with a squeak.

PEI Qiqi looked at Shen Lian, " President Shen, I'm sorry! I hit your car."

shen lian's face darkened. she had knocked into him on purpose and now she was apologizing.

PEI Qiqi turned around and instructed Xiao Wen,"call the police!" &Nbsp;

xiaowen immediately called the traffic police.

shen lian screamed, "pei qiqi, you are crazy!"

They were all drunk and drunk driving was punishable by death. Even if they were targeting her, PEI Qiqi didn't need to get herself involved, right?

After a while, the police sirens could be heard. Two young and handsome men from the police team jumped out of the police car and looked at the two of them-

they were both good-looking, a porsche and a xiaomei.

However, it turned out that little Ximei was very durable. Even the Porsche had a big dent, but she was completely fine.

"What's going on?" the traffic police took out a pen and paper and recorded it.

"she bumped into me on purpose," shen lian snorted.

"It's just a simple traffic accident!" pei qiqi laughed, "boss shen, you won't make an international joke just because you drank too much, right?" or do you have persecutory delusions?"

"we can check the surveillance cameras," shen lian gritted her teeth.

however, after looking around for a long time, she couldn't find any surveillance cameras!

this was a dead end. there were no pedestrians or surveillance cameras!

her heart sank. pei qiqi did it on purpose! She had a feeling that she had been tricked.

The traffic police didn't care about what was going on between the two girls. They only cared about the drinking. If they were drunk, it would be a different matter. How high was the alcohol content? if they were drunk driving, they would be severely punished.

hence, he tested the alcohol content directly.

Chapter 1002 playing with you, child's play!(2)

pei qiqi was quite cooperative and nothing happened to her. this proved that she didn't drink.

Shen Lian couldn't believe it. PEI Qiqi was clearly drunk, so why was she fine after the test?

"it's your turn." the traffic police were impartial.

shen lian refused and looked arrogant. however, the traffic police did not buy it. he sneered. "miss, we can sue you for obstruction of justice."

shen lian pursed her lips and finally decided to test it.

excessive alcohol content!

"call the insurance company! Also, miss Shen, you have to go back with us."

Shen Lian had to ask her to stay for three days.

at the scene, little wen looked at pei qiqi and smiled, " " she must not have thought that boss pei and she were not drinking alcohol but drinks. "

pei qiqi looked in the direction of the police car and said indifferently, ” ” she’s used to being cold and arrogant. she didn’t expect to fall for my little tricks. teach her a lesson so she won’t harm others in the future. ”

” yes! ” xiaowen nodded. ” she’s too evil! ”

pei qiqi retracted her gaze,”someone will take her in.”

Xiaowen felt that her master was too domineering to say this!

of course, shen lian would not be detained for three days. however, she did spend a night in the police station and was so frightened by the rats that she screamed.

the first person she called was meng qingcheng, but meng qingcheng’s phone was turned off.

after that, she called zhang hengyuan’s number out of instinct. the other side picked up and he said, ” i’m in Canada! ”

“Come back,” Shen Lian blurted out.

Zhang Hengyuan was stunned for a moment.

shen lian held onto her phone. at this moment, she hoped that he would come back.

at this moment, a girl’s voice came from the other side. ” “Hengyuan, who’s on the phone?”

Her voice was sweet, and she called him by his name in a very intimate way, showing that they had a close relationship.

Shen Lian felt as if she had been slapped in the face. She hung up the phone in a hurry.

Zhang Hengyuan held his phone in his hand and smiled bitterly. He turned to look at his cousin and said,”Mischievous.”

However, he did not reprimand her.

Everyone in the family knew about the matter between him and Shen Lian but no one agreed to it. Or rather, they all hated Shen Lian.

he could understand his little cousin’s actions. he smiled. ” “Don’t do this in the future.”

on the other side, shen lian was holding her phone in a daze.

Zhang Hengyuan had a girlfriend?

it was quite normal. he was not young anymore. if he went abroad, there would be no evil shen lian there.

It was pretty good! he must have hated her to the core!

It was just like how she hated PEI Qiqi!

every time she thought of pei qiqi, shen lian’s heart would burn with anger-her instincts told her that she had been played by pei qiqi.

shen lian's assistant was very careful as she was afraid of angering this young lady.

after getting into the car, shen lian sniffed at the smell on her body and found it unbearable. "how's the company?" did those old fogeys have any reaction?"

her assistant hesitated. "it's a big reaction. let's wait for president shen to go back and deal with it."  
"

Shen Lian flicked her hair. I'm not going to the office today!

she was already in a bad mood, so why would she want to provoke those old men?

The assistant didn't dare to talk about this sensitive topic anymore. She asked in a low voice, "the repair shop called and said that the car needs to be painted, and it will take a month to get it."

shen lian felt annoyed at the thought of the car. she waved her hand. "take the car out and destroy it."

The little assistant swallowed her saliva and did not say anything.

when shen lian returned to the shen family mansion, the servants were surprised to see her. this was because the young lady was rarely at home during the day. she usually hung around and only came back in the middle of the night.

Chapter 1003 Playing with you, child's play!(3)

shen lian saw that their expressions were as if they had seen a ghost in broad daylight. she was even more furious. get lost!"

The assistant quickly chased her away. President Shen, don't be angry.

Not angry?

shen lian turned around and said with a cold face,"you also get lost!"

the little assistant didn't manage to suck up to him. tears welled up in her eyes.

I'll get lost!

Finally, the large hall was empty, and there were no more hateful gazes.

Shen Lian sat there in a daze for a long time before she muttered, "this place is completely mine now. i can do whatever i want, but why am i still not happy?"

She looked at this place and thought of the time when Zhenzhen, Shen Zhongshan, and Mrs. Shen were both here to celebrate her 20th birthday.

That day, Tang Yu also came to Xuxu.

That day, this place was filled with laughter, and she was still a little princess.

now, she had become the owner of this place, but she had lost her happiness.

Shen Lian went upstairs and soaked in the bathtub. The warm water could not soothe the loneliness in her heart.

no one remembered that today was her birthday, yingluo.

She raised her leg and looked at the broken limb ...

who would still like and love a woman who was missing a leg?

her phone was just beside her. she lay on her back and flipped through the pages of the phone book until she finally reached the page where zhang hengyuan was.

She stared at it for a long time before she finally dialed it.

Shen Lian's tone was evil. It was a Canada night. He might be in bed with his girlfriend. She called him to make him feel bad.

She thought he wouldn't pick up, but he did. His voice was hoarse from sleep. "Is there something?"

"why did you pick up my call?" shen lian had to admit that she was being a little provocative.

Zhang Hengyuan was silent for a while before he asked, "if you don't want me to answer your call, that's harassment."

shen lian's voice became a little shrill. "have i already risen to the level of harassment in your heart? it's because you have a new girlfriend, right?"

zhang hengyuan did not explain and only listened to her.

"zhang hengyuan, have you forgotten how you looked like a beast when you were on top of me? do you want me to give you a taste?" shen lian's voice was strange.

She was determined to break him and his girlfriend apart, so she naturally felt that it was better for everyone to be unhappy.

that woman must have heard it now!

Shen Lian laughed happily.

After that, she said softly and pitifully, "Hengyuan, today is my birthday.

"So, you want me to say Happy Birthday to you?" "Actually, you could have just said that it's a little inconvenient for Yingying right now," Zhang Hengyuan said calmly.

He hung up the phone.

Shen Lian stammered.

she had ruined their relationship, but he didn't seem to care.

Yingluo didn't care at all!

after an hour, shen lian received a parcel. it was a 12-inch cake with a little princess on it. it was pink and very beautiful.

that day, shen lian sat at home and cried for an hour while looking at the cake.

She knew that it was from Zhang Hengyuan. She frantically called his phone, but his phone was turned off.

she kept calling and calling until finally, his phone got through. a girl told her very coldly to stop harassing her boyfriend and let the past be in the past!

also, she had personally picked the cake for her!

Chapter 1004 tang yu, you bastard!(dog food)

the phone slipped from shen lian's hands and she laughed softly.

She did not love Zhang Hengyuan, but she was still attached to the warmth he gave her.

She deserved it.

he finally decided not to care about her anymore, huahua.

finally, he had another woman by his side.

Shen Lian gently smiled. After she laughed until tears fell, no one loved her anymore.

all the people she loved, all those who loved her in the past, did not love her anymore.

Her tears continued to fall as she ate the cake bit by bit until her stomach was about to burst. She spat it out after eating it.

.....

In the CEO's office of Boyi, PEI Qiqi sat behind her desk and read some documents. She was very busy from morning to night.

actually, tang yu helped her with half of the work, but she still felt like she didn't have enough energy for the other half.

she looked up at tang yu making coffee and complained, " tang yu, why do you only need two hours a day to finish reading all the documents? "

the rest of the time was spent making coffee and drinking wine while waiting for her to get off work.

She had already started to seriously doubt her life. This kind of life with a rich wife and a cheap husband was definitely not what she wanted.

Tang Yu made her a cup of coffee and placed it on her table. He said kindly, " Qiqi, this is very refreshing.

He was leaning against her desk, looking so elegant, beautiful yet detestable.

pei qiqi stared at the beautiful porcelain cup, " i don't want to stay awake. "

Tang Yu's slender fingers gently touched the cup. His eyes carried a slight smile, " if you find work boring, why don't you deal with your personal matters? "

Private matter?

PEI Qiqi couldn't help but take a sip from the cup and stare at him.

tang yu smiled again, " mr. tang hasn't had sex for a week. "[ it's time to live!"

his tone was extremely natural, and he did not lower his voice.

this is an office!

Xiao ran, the second Secretary, and the third Secretary were separated by a wall!

pei qiqi glared at him.

"i'm serious!" Tang mo smiled.

pei qiqi ignored his unreasonable request and continued to read her documents while drinking her coffee. she said slowly, " "then let's continue to wait!"

She suddenly looked up and smiled at him. President Tang, I've suddenly found a way to make you feel as bad as I am.

his fingers were still caressing the cup, gently and slowly, just like how he usually rubbed her lips.

after a long time, pei qiqi's face turned red and she quickly lowered her head to hide it.

Tang Yu smiled and put down his cup. Then, he got up and went back to his office.

after he left, pei qiqi looked at the cup that he had touched for a long time. she couldn't help but pick it up.

there was still half a cup of coffee inside, and the temperature was just right.

she took two small sips and the door opened again.

Tang Yu's face was serious and he said seriously, " boss pei, is this an indirect kiss with a male subordinate? or are you hinting at something? "

she looked at him, and he smiled and closed the door.

xiao ran had followed him here to visit. now that his master had left, xiao ran naturally followed.

Recently, Tang Zheng was idle, and Xiao ran was also very idle, so much so that he was a little bored.

Xiaowen was busy with work. Ding Ke was like Tang Yu, a man without sex life.

After the master and servant left, Xiaowen immediately came in and delivered a top-secret document. This is the latest situation of plot G55.

pei qiqi flipped through the pages. there were pages and pages of photos attached.

She laughed, " Shen Lian is really an impatient person. She even came up with a name, Yingluo.

And this name was obviously given for her to see-Ning Zhu!

Chapter 1005 tang yu, you bastard!(dog food)

if xiao wen had brought this over earlier, she could have shown it to tang yu. shen lian still hadn't given up!

xiaowen looked at pei qiqi's expression and thought that she was jealous. she coughed, " "Then should we throw out the evidence now? Shen Lian will probably have a headache."

"let her be proud for a few days!" pei qiqi laughed,"after her house is built, i'll watch her peel it off herself."

And for such a new city, Jin Taihe would have to be emptied!

all he needed to do now was wait.

xiaowen looked at pei qiqi in a daze. she felt that boss pei was so two-faced.

after a while, she came back to her senses and left.

PEI Qiqi looked at the photos and placed them into her drawer.

the newspapers also reported on shen lian's intention in naming the new city 'cheng zhu'. some well-known bloggers had specially opened a column to scold shen lian for being a white lotus. she had previously wanted tang zheng to be a father, but now she was playing with such affection for who?

as for shen lian, pei qiqi only gave her one word: 'split personality'.

however, the split-personality game was very fun. all kinds of activities mentioned the origin of 'pi zhu'. often, when they talked about it, they would have tears in their eyes and look like they were reminiscing.

pei qiqi sat on the bed and looked at the news on her phone. after she finished reading an interesting report about shen lian and her 'chen zhu', tang yu walked out with a towel wrapped around him.

He sat on the bed and wiped his wet hair. He looked at PEI Qiqi, " What are you looking at? "

pei qiqi put down her phone and hugged her blanket. she laughed, " shen lian tried to seduce you in front of the reporters again. " what do you think, mr. tang?"

Tang Yu threw down the towel in his hand and reached out to pinch her little face, " what kind of feelings can I have? "

She looked at him with caution. He moved up and leaned beside her, " PEI Qiqi, how about this? why don't you demonstrate what I have in mind? " Hmm?"

"go and find your little seven." pei qiqi willfully kicked him, but before she could take her foot back, he caught it.

tang yu flipped over and held her down.

her small feet were held in his big palm, and they felt very small.

His warm fingertips gently touched the back of her foot. Although his actions were not too excessive, they revealed a sense of secrecy.

PEI Qiqi bit her lip and kicked him with her other foot. Tang Yu only smiled and treated her like a child.

He was so slow that she couldn't help but close her eyes. She bit her lips and said with tears in her eyes, "Tang Yu, you're a pervert."

she didn't know why he liked her little feet so much. he would be so shameless every once in a while.

since boss PEI has said so, it would seem like I'm letting you down if I don't act perverted. he went even further and pulled her little feet to do embarrassing things.

PEI Qiqi bit her lip and struggled a little. She knew him well. He liked her to be obedient, but struggling once in a while made him more excited.

she looked at his happy expression and said in a sweet voice, " "tang yu, do you feel comfortable like this? "

or did he really just have a perverted hobby?

PEI Qiqi pursed her lips. Her feet were hot, but he still didn't care about Hanhan.

After he finally calmed down, Tang Yu carried her and cleaned her feet. He carefully wiped them.

her small hands wrapped around his neck, and her voice was as soft as cotton candy. " why do you especially like this kind of thing? "

from his expression, he didn't look too comfortable either. he seemed to be in pain.

Chapter 1006 tang yu, you bastard!(dog food)

Tang Yu threw away the tissue and smiled, " an appetizer!

As he spoke, he held her up and lowered his head to kiss her. She could feel his eagerness.

PEI Qiqi bit his good-looking thin lips and snorted, " "You beast."

Tang Yu chuckled, hugged her and pushed her down.

The bed was in a mess, and her body was hot from the kiss. She could only hear him murmuring in her ear, " "Qi Qi, I'm going to get serious."

.....

early in the morning, pei qiqi was brushing her teeth in the bathroom. when she looked up, she saw a red cloud under her collar.

They were all hickeys left behind by Tang Yu. Xuxu happened to see him enter the room. PEI Qiqi looked at him in the mirror and said unhappily, " "Look at you, how am I supposed to face people?"

tang yu slowly squeezed out some toothpaste beside her. it was rare for him to wake up later than her. it was obvious that zong yu overexerted herself last night.

he lowered his eyes and smiled. " boss pei doesn't need to go to work today. your subordinates won't see you. "

"but we're going to the old man's place later. it's his birthday today, have you forgotten?" She pinched him hard with her small hand, thinking that he was doing it on purpose.

Tang Yu smiled indulgently and let her pinch him.

PEI Qiqi snorted and continued to brush her teeth.

When it came to wearing evening dresses, she was even more furious because she couldn't fit into any low-cut or off-shoulder dresses unless she wanted others to see how passionate she and Tang Yu were at night.

PEI Qiqi stood in front of a row of gowns. Her eyes were filled with resentment as she glared at Tang Yu, " "i can't even pick a suitable one."

She seriously suspected that he had done it on purpose last night. He had deliberately done that to her, so she would be wrapped up tightly today!

his dark thoughts were clear.

tang mo sat on the sofa's armrest and looked at her angry expression. he smiled."let me take a look."

The slender and young male body looked good in anything. He walked over and put his arm around her waist, smiling faintly. Qiqi, do you think these revealing gowns look good? "

pei qiqi's little hand hung around his neck and her voice was sweet, " you like to wear more! then i'll wrap it up more tightly when i sleep at night."

"Are you sure you want to do that, Qiqi?" he asked.

he turned around and lowered his head to look at her. he chuckled. " qiqi, it's actually quite interesting to be rough and direct. "

PEI Qiqi's eyes were wide open. Her round Kasaya was quite cute!

could he be any more shameless?

tang yu smiled and pinched her face, " it was an accident, mrs. tang. i didn't do it on purpose. "

He picked out a neckline dress for her. It was wrapped in a circle of fine and delicate metal, guarding her small neck beautifully. The material was soft and close-fitting, and it was light purple. It was pretty.

Her hair was tied up by Tang Yu. He casually tied it up and put a pair of teardrop-shaped diamond earrings on her ears.

The overall appearance looked pretty good.

PEI Qi looked at Tang Yu and suspiciously, " "do you often help girls pick out clothes?"

"very few," He pressed on her thin shoulders and smiled. Mrs. Tang, you're even cuter when you're jealous.

she looked at him, and her soft appearance made him lower his head and kiss her for a long time before he said in a hoarse voice, " "let's go," he said.

Today was the old man's birthday, but the old man didn't want to be extravagant, so he only opened ten tables, all of which were close relatives of the Lin family. Naturally, Lin Yun and Zhao Yi would also come.

Chapter 1007 a family gathering (part one)

The banquet was held at the GM hotel. The 18th floor of the banquet hall had been cleared out, so only the family members were lively.

the old man was quite satisfied. at this age, he already had everything he should have. his children and grandchildren were also quite capable.

on top of that, tang yu's little wife was back. everything was perfect.

however, pei qiqi felt uncomfortable being beside tang yu.

After all, they had been divorced and now they were together again. When she saw Xiao Xinxin, she had to restrain herself.

tang yu also knew she was upset. he patted her and said in a low voice, " my mother will be staying at the old man's place for a few days. should we go too? "

qiqi missed the child, and so did he, but he couldn't bring her to the rose garden all the way. it was definitely not possible for the time being.

only by finding a chance for her to take care of the child properly, pei qiqi mumbled " oh ".

tang yu immediately regretted what he said because xuanji had moved out to live alone. but sometimes, she would still stay at the old mansion for a day or two.

The jealousy in his heart was so strong that it could kill him, but no one cared about his little feelings.

pei qiqi smiled and looked at lin jinrong, " tang yu, is that lin jinrong's girlfriend? "

Tang mo looked over lazily and saw Lin jinrong and a sweet-looking girl standing side by side.

Jinrong was dressed in white, and so was the girl. However, she was wearing a set of pink diamonds, which embellished her simple elegance. One look and one could tell that she was from a prestigious family.

Tang Yu looked at her and smiled, " I think my mother introduced her to Zhao Yi. She's a relative's daughter.

pei qiqi didn't dare to ask further because mr. tang would be upset. once he was upset, he would torture her at night.

They greeted the old man and sat at the same table with Lin Yun and Zhao Yi. Tang Zhiyuan was there too.

Now, Tang Zhiyuan was getting along well with the old man. However, the atmosphere was quite subtle with the appearance of the two son-in-law.

PEI Qiqi looked around, "mom, where are little Xin and Zhao Yan?"

"the nanny took them to the washroom. i'll go and take a look." Lin Yun knew that she missed her child. She smiled and patted PEI Qiqi's hand, "come with me."

PEI Qiqi nodded and followed Lin Yun over. The two of them talked as they walked and seemed to be on very good terms. When they reached the washroom, they realized that the child wasn't there.

Lin Yun shook her head, "kids are naughty. He must have gone out to play."

Then, he told her some interesting stories about the two kids. PEI Qiqi smiled and listened with great interest.

In the end, he found the two little ones at the gate, accompanied by two nannies and bodyguards.

the two little fellows were watching the fountain. the water splashed on their bodies. it was cold and very comfortable.

"naughty!" Lin Yun stood there lovingly and waved at the two babies, "come here, your sister Qiqi is here."

pei qiqi looked at lin yun sadly, but lin yun responded with a smile-

PEI Qiqi sighed in her heart. Even Lin Yun had learned how to joke! It seemed that she was right to be with uncle Zhao.

little xinxin and little zhao yan turned around. the two babies were dressed very beautifully today, especially little xinxin. she was wearing a white woolen princess dress. her hair was slightly curled, revealing her full forehead. her facial features were exquisite and beautiful.

the little person saw pei qiqi standing there in her light purple dress. the chubby little person ran over and hugged pei qiqi with his chubby little hands. his voice was soft like a little lamb, "sister qiqi."

Chapter 1008 A family gathering (2)

pei qiqi wanted to cry.

Lin Yun covered her mouth and smiled, then looked at little Xin and coughed."Alright, let go of big sister."

PEI Qiqi looked at Lin Yun. The meaning behind her eyes was-mom, is it okay for you to be like this?

However, Lin Yun had a rare bad taste as she listened to little Xinxin calling her big sister.

At this moment, a gentle voice came from the front, "Auntie."

lin yun looked over and saw shen lian.

She probably had a business contract, so she was wearing a high-end suit and looked very capable.

Lin Yun didn't like Shen Lian's actions from the bottom of her heart. She only forced a smile and didn't say anything.

shen lian also knew that lin yun didn't like her.

she couldn't understand why Lin Yun would accept Zhao Ke's daughter, Pei Qiqi, and not her.

Of course, Lin Yun had never objected to Tang Yu's decision. That was because Tang Yu's attitude was right there. He didn't need Lin Yun to object.

Shen Lian did not feel good after being ignored.

Towards Mrs. Shen, she could get angry at will, and towards Zhao Ke, she could be rude, but in front of Lin Yun, she never dared to be rash.

Shen Lian prided herself on her good family background, but Lin Yun's family background was even better. Plus, she was Tang Yu's mother and her attitude had always been calm, so Shen Lian didn't dare to do anything.

His eyes felt a little hot. He looked up and saw Pei Qiqi in light purple.

Shen Lian's eyes became even hotter. What right did that woman have to be so beautiful?

What right did he have to get all the love?

Shen Lian's lips were pursed and there was a hint of hatred in her eyes.

She watched as Pei Qiqi and Lin Yun's two children were together. She watched as the little guy placed his face on Pei Qiqi's face and kissed her passionately.

She gritted her teeth and didn't want to look anymore. "Auntie, I'll take my leave first."

Lin Yun nodded and watched Shen Lian leave without looking back.

When Pei Qiqi came over, she said in a low voice, "I should be more careful in the future! Shen Lian is no longer the child she was before."

What Lin Yun didn't say was that even Shen Zhongshan was willing to do it, not to mention others.

Pei Qiqi nodded and said yes, but in the end, her mood didn't improve.

And to be on the safe side, he didn't go to the Lin residence, but went straight back to the rose garden.

In the car, Tang Yu reached out and patted her head, "You're thinking nonsense again, aren't you?"

Pei Qiqi didn't say anything. She just wrapped her arms around his waist and said in a soft voice, "Tang Yu, I'm afraid that you'll have to be careful and call me sister from now on."

She had to admit that she was a little impatient.

"Actually, it doesn't matter what it's called." Tang Yu sat there and reached out to touch the disappointed little guy.

She lay in his arms and pursed her lips, not saying a word for a long time.

Tang Yu knew that his little guy was sad.

He found out from his mother that he met Shen Lian at the hotel today. He knew that Qiqi would not dare to get close to Xiao Xinxin after that.

how could he not know what she was thinking? she was actually not that happy.

she missed him so much that she could only find a reason to meet him once every ten days or half a month.

he reached out and touched her little head. he was a little compromising and even didn't want to care about shen chongshan's plan.

he only wanted his qi qi to be happy.

Qiqi, if you're willing, I can send you and little Xin overseas. he touched her little head. " i'll take over boyi. "

Although he said that, PEI Qiqi knew that she couldn't do that.

If he took over Bo Yi, wouldn't that mean that he had maliciously transferred his assets? Shen Lian could go and Sue him.

She wouldn't put Tang Yu in a difficult situation because of her little feelings.

Chapter 1009 let's make up, alright?(1)

she smiled in his arms, then looked up at him. " Tang Yu, I haven't had enough of being the president.

This fool!

She was clearly worried about him, but she had to pretend that she didn't care!

he didn't say anything else, but his eyes were gentle as he reached out to stroke her little head. " "alright," he said.

however, he had strengthened qiqi and little xinxin's safety. he could not lose either of them.

Time slowly passed. This winter was very long, and it was sweet.

pei qiqi would also take time to visit pei huan. after one winter, pei huan's stomach was already six months pregnant. perhaps it was because of old kan's special breed, her stomach was exceptionally big.

She was only six months old, but PEI Huan already had difficulty walking with a big belly. Her feet were swollen, and she did not like to walk anymore.

xiaomei supported pei huan as she complained to pei qiqi, " this child is too much. She's vomiting for four months while she's pregnant.

However, the doctor said that it was normal. If she continued vomiting, PEI Huan would lose all her nutrients. Her four legs were thin, and only her stomach was left. She was like a frog.

the frog's father was still waiting outside. to be honest, xiaomei admired old kan for being able to wait outside for so many months, under the sun and in the wind.

when she mentioned it occasionally, pei huan would not say anything. no one knew what she was thinking.

After a long time, old kan became a part of the scenery outside the villa, like a living fossil.

pei qiqi looked outside, " it's snowing! Aren't you going to ask him to come in and hide?"

it was -10 degrees celsius that day, and when she arrived, she saw that old kan's snout was about to come out from the cold, and he looked quite miserable.

"He can get in the car," PEI Huan said as she held her stomach.

PEI Qiqi handed her a cup of hot fruit tea to warm her up, " you really don't plan on forgiving him?"

before this, pei huan was like a little wolf dog that surrounded old kan. now, she was really heartless.

as if she knew what pei qiqi was thinking, pei huan lowered her eyes and smiled, " qiqi, there are some things that i can't get over. we're just forcing ourselves to be together. i'll still hate you in the future. why don't you be more ruthless now? "

PEI Qiqi sighed,"PEI Huan, you've really grown up." &Nbsp;

PEI Huan forced a smile. She just recognized the cruelty of this world ...

There were some things and some people that you couldn't do as you wished.

pei qiqi didn't say anything more. she helped her to the sofa and sat her down. she bent down and pinched pei huan's nose, " it's cold today. i'll make a hot pot! " it's your favorite."

"qiqi, you don't have to be so good to me!" PEI Huan was touched and pursed her lips. you're so busy now. You don't have to cook for me every week.

pei qiqi knelt down and hesitated before saying, " "pei huan, i'm not doing this for myself."

PEI Huan was stunned.

"Children are always playful!" PEI Qiqi placed her hand on PEI Huan's stomach, " old kan has been taking care of me for so long. Since he can't take care of his own child, I have to take care of it for him. Consider it as me returning the favor!

"You're still speaking up for him." PEI Huan bit her lip and was unhappy.

"It can be considered so!" pei qiqi laughed, " he's been standing there for so long. pei huan, isn't this enough to show who he loves? "

"He's only worried about the child!" PEI Huan touched her stomach.

she raised her head and looked at pei qiqi. " qiqi, if i don't have a child, he will definitely leave su yue. i knew it. "

Chapter 1010 Let's make up, alright?(2)

He was always by su Yue's side when she was about to have a miscarriage. If she didn't have a child, old kan would have left without a second thought.

She knew, she was sure.

This was something even PEI Qiqi couldn't deny.

” but pei huan, you’re pregnant. isn’t this fate? ” PEI Qiqi used the logic that Tang Yu used to trick her and said seriously.

pei huan almost jumped out, ” pei qiqi, when did you become so insincere with your words? ”

“i’m telling you, i’m not that gullible,” he mumbled.

PEI Qiqi laughed, ” you can make your own decision. I won’t force you.

She walked out and PEI Huan looked at old kan outside. He was about 40 to 50 meters away and she couldn’t see clearly, but she could see that the ground where he was standing was covered in a thin layer of snow. The same was true for the White roof of the car.

his eyebrows and hair were all white, and slowly, he looked like santa claus.

PEI Huan touched her stomach and her eyes were filled with resentment.

Her heart had never wavered, but she forced herself to harden her heart.

Just like what she told PEI Qiqi, there were some things that were once missed. There was no turning back.

this hotpot was also tasteless, and pei huan ate it intermittently.

“not your favorite? why aren’t you moving?” pei qiqi asked softly.

“i don’t have an appetite.” pei huan’s chopsticks moved lazily.

PEI Qiqi and Xiaomei looked at each other and smiled without saying anything. Actually, their hearts were as clear as a mirror. They obviously couldn’t let it go, but they still pretended not to care.

The sky was getting colder and the snow was getting thicker and thicker. Old kan was almost frozen into a snowman.

at 9 am, tang yu came over to pick pei qiqi up. he opened the car door and got out with a thick down jacket in his hand.

he put it on pei qiqi and buttoned it up from top to bottom. then, he hugged her and walked out. when the car passed by old kan, it stopped. the car window rolled down and pei qiqi handed old kan a thermal container, ” I secretly brought it out. I’ll eat it and wait for a while. PEI Huan will definitely come out within an hour.

Old kan’s eyebrows and hair were all white. Standing in the snow, he was as cold as a popsicle. He urgently needed a bowl of hot soup, not to mention a big bowl of thick soup hotpot.

after eating, he felt that he could stand for another night.

He was so touched that he cried. Although Qi Qi’s mouth was fierce, she had forgiven him long ago.

PEI Qiqi didn’t say much. She rolled up the window and the black sports car drove away slowly.

Old Kan stood there. The wheels and his feet were deeply embedded in the snow, and he had long lost all feeling.

However, he stood there, his blood boiling as he looked at the lights in the villa.

It had to be said that PEI Qiqi understood PEI Huan very well. PEI Huan usually slept at 10 am.

It was especially cold that night, and Xiaomei had provided her with a warm heater. The blanket had also been dried yesterday, so it was soft and comfortable.

but even so, PEI Huan still couldn't fall asleep. After tossing and turning, she came to the window and looked at the night sky outside.

The moonlight was bright and cold, shining on the white snow. The car was parked on the road in front of the villa gate, and the people in front of the car were one with the cold snowy night.

He was standing so straight that she couldn't tell if he was fine or if he was breathing.

He had been standing there for six or seven hours. Wasn't he cold or hungry?

PEI Huan's eyes were blurred. After standing for ten minutes, she slowly put on a thick coat and wrapped herself up.
