

## Thank you 1021

Chapter 1021 Seize! I, seven night!(5)

Shen Lian held her wine glass and looked at the handsome and elegant Jack. She was a little drunk and leaned into Jack's arms. Her eyes were seductive."Jack, you're the most powerful man I've ever seen."

There was a hint in her eyes.

Jack's Blue eyes flickered with a touch of mystery."Lian, are you referring to work or Xuxu's bed?"

"let's go to the hotel room and have a discussion later?" Shen Lian pulled on his tie and muttered.

Jack's soul had been taken away.

however, this foreigner had a special characteristic. business was business, and private was private. women were just his spice of life.

At this moment, he suddenly stood up straight and coughed lightly. "My boss is here!"

newman's president?

Shen Lian straightened her body and looked over. She had the intention to befriend him.

Jack was just a stepping stone for her.| Since they were similar, it was better to talk about other things.

shen lian used her most perfect posture to welcome the legendary president newman. however, the moment she raised her eyes, she was stunned.

Jack's boss, the president of Newman, was actually PEI Qiqi.

jack solemnly held pei qiqi's hand and planted a kiss on the back of it, "pei, you look beautiful tonight. "

"Thank you," he said. PEI Qiqi looked at Shen Lian and smiled, "President Shen is here too.

Shen Lian's face was full of shock. She still didn't believe that PEI Qiqi was Newman's President. that was impossible!

she was shocked as she stared at pei qiqi's beautiful and evil face. after a long time, she finally squeezed out a word, "so it's you."

She looked at PEI Qiqi suspiciously, "so, you want to change the name of the building?"

"This can be considered so!" PEI Qiqi held a glass of red wine and raised it high. Through the Golden liquid, she saw Shen Lian's twisted face.

President Shen, "he said with a smile, "I advise you to adjust your expression. Otherwise, it'll be too ugly if it's on the papers.

shen lian glared at her and gritted her teeth, "pei qiqi, you're so evil."

the G55 land that she worked so hard to get was even raised by pei qiqi so much. in the end, her newman stepped in and took half of the meat from her mouth.

How could Shen Lian not hate him?

"you're thinking too much!" PEI Qiqi smiled indifferently. Shen Lian, the business world is like this. It changes in an instant.

Shen Lian gritted her teeth,"PEI Qiqi, your mouth has always been good." &Nbsp;

pei qiqi looked at her, "if president shen thinks that way, i can't do anything about it."

Shen Lian wanted to say something, but she suddenly thought of something and her face turned pale.

PEI Qiqi was Newman's President, and she sold 20% of Jin Taihe's shares to Newman. Then ... that 20% was in pei qiqi's hands?

shen lian's heart trembled. she felt as if she had lost everything.

a G55 plot of land had easily cheated her of her shares.

all of this was pei qiqi's scheme!

"you knew that there was a problem with plot G55, didn't you?" Shen Lian's lips trembled and turned pale. Even though she had a layer of powder on her face, she still looked very ugly.

PEI Qiqi didn't deny it,"yes!"

Shen Lian took a step back and her gaze fell on Jack.

Jack shrugged his shoulders with an indifferent look. He was just an executor ...

As for the fact that he had slept with Shen Lian, a beautiful woman always made people unable to control themselves.

shen lian left in a daze.

Chapter 1022 beating! drowning dog with! stick (1)

Even if yazhu made money, Shen Lian knew that she had lost more-she was facing the loss of Jin Taihe.

If PEI Qiqi could get 20% of the shares from her, then the other shareholders wouldn't be able to either.

This sinister b \* tch| She was just as cheap as her mother.

Shen Lian was helpless. The next day at the meeting, she had a look of realization on her face.

she was constantly worried that one day, pei qiqi would suddenly appear in front of her and take her place.

at that time, she would really have nothing but money.

But what did she want money for?

the person she didn't want to see the most was pei qiqi, that b \* tch. if she was proud, she would take tang yu, her parents, and even her company away.

shen lian's eyes were filled with hatred.

Then, Meng Qingcheng reminded her, " "president shen."

Shen Lian came back to her senses. She looked at Meng Qingcheng. what? "

meng qingcheng's gaze landed on her face and he said slowly, " "director wang is asking president shen about the change of ownership of the 20% shares under his name."

shen lian's heart skipped a beat. then, she looked up and saw director wang's aggressive face.

This old man had always been against her, and now was a good time to force her to abdicate.

shen lian squinted her eyes and looked at director wang. her voice was cold. " does this have anything to do with director wang? "

She tried her best to be calm, but these old foxes would not be frightened by her. She snorted softly. how can it not be related, President Shen? in the past, President Shen had 48%, so we had nothing to say when you were sitting in the top management position. But now, it's different.

" now, i'm still the owner of the highest share. " shen lian's face was as cold as ice. " chairman wang, do you want to quit? "

Chairman Wang looked at the little girl's arrogant face and sneered in his heart. In the past, Shen Zhongshan would give them some face, but when it came to Shen Lian, she simply did not take others seriously and acted arbitrarily.

He stood up and said in a loud voice, "we'll have to wait for someone to come before we decide."

Shen Lian's heart sank. She probably already had an idea.

director Wang, " she said coldly, " no one has time to waste with you. Meeting adjourned.

she had to stop pei qiqi. she couldn't let pei qiqi take jin taihe.

However, since director Wang had already said it, how could he give up so easily? he smiled cunningly. what are you afraid of, President Shen? Are you afraid we'll find out what you've done?"

shen lian was furious, "chairman wang, mind your words." I'm still the president of Jin tai he."

chairman wang was much calmer. "we'll know in a while."

chairman wang's words carried some weight. he used to follow shen chongshan to build up the company, and he owned 10% of the shares. it was not too much, but it was not too little either.

As he spoke, he actually walked to the door and opened it with both hands.

PEI Qiqi stood outside with her old team beside her.

the room was in an uproar.

PEI Qiqi slowly walked in and Chairman Wang welcomed her to his seat.

After she sat down, PEI Qiqi looked to the side, " lawyer Chen, show them the documents.

Lawyer Chen nodded and distributed the documents to everyone present, including Shen Lian.

After Shen Lian received it, she was stunned. Then, she sternly said, " this is impossible!

how could that be possible?

PEI Qiqi actually had 30% of the shares!

shen lian's fingers were trembling even though she had sold 20% of the shares.

Chapter 1023 beating a drowning dog (2)

"This is impossible! this is absolutely impossible!" Her voice was mournful,"PEI Qiqi, you're lying!" I'm going to call the police and have you locked up for the rest of your life."

PEI Qiqi looked at how excited she was and smiled.

At this moment, Chairman Wang opened his mouth, and his words were earth-shattering, " I was the one who transferred 10% of my shares to boss PEI!

After he finished speaking, everyone present was shocked again.

"I've followed old Shen for my entire life, and I've been at his beck and call. I've watched him live a glorious life, but I didn't expect him to die in the hands of the Pearl in my palm! everyone, i'm not selling out my master for glory. boss pei is also chongshan's daughter. she's more suitable than shen lian to manage jin taihe."

The other shareholders nodded. Indeed, Jin Taihe had been going downhill for the past two years and Shen Lian's decisions were becoming more and more suspicious.

"yes, i think so too."

" yes, boss pei seems quite reliable. he's managing boyi so well. "

.....

With so many words, Shen Lian, who was sitting at the head of the table, could no longer sit still. She shouted crazily,"shut up! Shut up!"

this wasn't true. she didn't believe it at all!

shen lian's beautiful face was contorted and trembling. then, she said sternly, " where are the security guards? security guards, come over and drag this woman out. she's crazy. she's crazy. "

shen lian seemed to be hysterical, as if she had gone crazy.

everyone present sighed. shen lian was probably going to be destroyed.

PEI Qiqi's expression was calm, " as Jin Taihe's largest shareholder, I request for a re-election of the management.

There were many discussions below. this is what it should be.

that's right. Boss PEI is the biggest shareholder. We're very assured with her as the president.

All at once, they pushed Shen Lian into the eye of the storm. Her body trembled and her lips trembled for a long time. She could not say a single word.

the big picture was lost!

she still lost to pei qiqi.

jin taihe's ceo had been changed to pei qiqi and shen lian was just an empty title. it didn't matter if she came to work or not.

At the Shen family villa.

shen lian was wearing a pure white evening gown. classical music was playing in the bedroom. it was a song that tang yu liked.

She hummed a tune and kept dancing to the music. As she danced, she spun and spun.

Even though her feet were in excruciating pain and her forehead was covered in cold sweat, she did not stop.

From dawn to dusk, she seemed to be dancing tirelessly. It was a beautiful sight.

Today was PEI Qiqi's official day at Jin Taihe. Very soon, she would marry Tang Yu again!

she, shen lian, had finally suffered a crushing defeat. she had finally lost everything. finally, she had no place to turn things around.

She smiled gently and took more than ten pills from the dressing table. dad, I used this to harm you. You must hate me to the core!

"I'll return it to you now." Shen Lian placed the medicine in her mouth and took a glass of red wine. She gently swirled it and muttered, "What will happen if the wine and medicine are mixed in?"

it didn't matter anymore. anything was good. it was better than living half-dead like this.

His red lips touched the cold edge of the cup and he drank half of it in a small gulp.

The wine mixed with the medicine entered her stomach. After calming down, she felt pain.

In the afternoon, the servants at home went upstairs to call Shen Lian for lunch. They knocked on the door for a long time, but no one answered.

after pushing the door open, she was stunned.

Shen Lian lay on the bed, not moving at all.

Chapter 1024 beating! drowning dog with! stick (3)

her temper was bad, and the servants didn't dare to go forward, but then they saw the wine glasses on the carpet and a few pills scattered on the ground.

the servant was shocked and immediately called 120 for an ambulance to send shen lian to the hospital for gastric lavage.

the doctor said that she had taken a large amount of medicine. after testing the remaining medicine at home, she couldn't help but shake her head. even if she didn't die from taking more than ten pills that damaged the brain, it was really hard to say what kind of state she would end up in.

in the beginning, it was still fine, but later on, shen lian's mental state was said to be abnormal.

mrs. shen took care of her daughter for a few days, and her face was covered in tears. however, no matter how many tears she shed, she couldn't get back the outstanding daughter she once had. shen zhongshan said in a heavy voice, "suxin, will you blame me for this?" she blamed him for forcing her daughter into such a situation.

Mrs. Shen lay there for a long time without saying a word. She was extremely sad.

However, her heart was clear. She was the one who had caused Shen Lian to be in this state.

If she hadn't made so many mistakes, she wouldn't have to go down this path.

chongshan, she doesn't lack money, why must she take things so hard? " "she won't let anyone off, not even herself," mrs. shen said with her eyes closed.

her tears fell. she had shed too many tears in the past two years, and her eyes were almost blinded from crying.

Shen Chongshan's heart was heavy. He looked at Shen Lian's sleeping face and said softly, " "Suxin, this might be the best ending for her."

Mrs. Shen was stunned for a moment, then she laughed softly and said in a daze, "yup! in the future, she won't torture herself or harm others anymore. this is the best result."

Moreover, the most terrible thing was that Shen Lian was pregnant.

She didn't know who the Father of the child was because her private life was too messy.

however, no matter whose child it was, this child must not be kept because shen lian had taken a large amount of brain damage medicine. there must be something wrong with this child.

Mrs. Shen felt that she had sinned.

that child was miscarried. when it was miscarried, mrs. shen heard shen lian's painful cries from outside. she closed her eyes and continuously chanted the buddhist scriptures, hoping to bring shen lian peace.

After staying in the hospital for half a month, Shen Lian was transferred to a private nursing home, Yingluo.

PEI Qiqi went to see her.

She got out of the car and asked Tang Yu to wait in the car. He was a little worried at first but PEI Qiqi shook her head, " "It's okay, there's a doctor accompanying you."

No matter what, she still had to come and see Shen Lian. On one hand, it was because of their blood relationship. On the other hand, she still did not believe it from the bottom of her heart!

In her heart, PEI Qiqi was a little suspicious. Shen Lian didn't seem like someone who couldn't take stimulation. Why did she suddenly become so abnormal?

even if he had taken the medicine, why did he take this kind of medicine and become stupid?

Shen Zhongshan could pretend, but what if Shen Lian was also pretending?

therefore, she had to take a look at it personally.

when she pushed the door open, she saw that the ward, which was mainly beige in color, was clean and tidy. it looked more like an apartment than a ward.

Shen Lian was sitting on the sofa. She was wearing a pure white nightgown and her long hair was let down on her shoulders.

However, her face was Haggard and she was holding a small red flower in her hand. As she plucked the flower, she muttered, " "He loves me, Yingluo, but he doesn't love me. He loves me, but he doesn't love me, Yingluo."

after picking one flower, he would change to another one, not tired of it.

Chapter 1025 Be good, Qi Qi, don't be afraid!(1)

PEI Qiqi stood at the door and looked on. She had an indescribable feeling because she knew that the 'him' Shen Lian was referring to was Tang Yu.

Shen Lian's doctor, who was beside her, also sighed. it's always been like this. I've plucked all the flowers in the courtyard for her!

PEI Qiqi asked softly,"how's her condition?" Are there any signs of improvement?"

doctor lin thought about it and said,"not good!" It's fine during the day, I play this kind of monotonous game by myself, but at night, I often wake up and cry. When I wake up, I don't want to sleep anymore, and I sit there the whole night."

He added,"she had an abortion before, and she always wanted the baby there at night!" The noise made the patients in other places afraid to sleep, so she stayed alone on this floor."

PEI Qiqi was dejected. She looked at him silently for a long time, " can't be cured? "

she knew in her heart that the child might be jack's. jack was shen lian's last man.

doctor lin thought about it and smiled,"it's a mental illness!" It's all up to her. Of course, we'll use drugs to control her emotions."

At this moment, Shen Lian raised her eyes and stared straight at PEI Qiqi. Her eyes were filled with curiosity and a trace of innocence that didn't belong to Shen Lian.

He looked straight at PEI Qiqi and called out carefully, " "Qi Qi?"

PEI Qiqi felt that her mind was also in a mess. She looked at Shen Lian and seemed to find a trace of Tang Xin on her face.

shen lian pursed her lips and carefully asked, "qi qi, you don't like me anymore? i'm tang xin!"

PEI Qiqi's heart ached. It was as if an invisible hand was gripping her heart. It was so painful that she couldn't breathe!

pei qiqi fled.

The person she hated the most had become the person she loved the most.

That expression was very similar to Tang Xin's.

she did not dare to look because shen lian was not!

but, what kind of temptation was that ...

She would never forget that tone, and at this moment, it was like a needle jabbing into her heart.

downstairs, pei qiqi stood there, panting heavily.

Tang Yu walked over from the side and looked at her, " Qiqi, what's wrong? "

he pressed his hand on her shoulder. she looked up, her breathing still rapid.

Tang Yu! her voice was a little hoarse. Her eyes narrowed and she looked a little scared.

She heard her own voice slowly say, " Tang Yu, Shen Lian thinks she's Tang Xin.

his fingers tightened and pei qiqi slowly came back to her senses. however, she still couldn't calm down.

she panted heavily, and there was a sense of despair in her eyes.

tang yu patted her back and pressed her into his arms. his voice was soft, " "Don't be afraid."

Tang Xin was the deepest wound in her heart, a pain she didn't dare to touch.

But now, Shen Lian had torn apart the Kasaya.

She buried herself in his arms and trembled helplessly. It was as if she had returned to that day two years ago when she woke up and heard that Tang Xin was gone.

It was a sunny day, and many pigeons were chirping in the sky.

However, that day was a nightmare for PEI Qiqi.

that day, she lost tang xin, the tang xin who always called her qiqi in a soft voice.

"Qi Qi, she's not!" Tang Yu held her head tightly and told her over and over again, no.

He knew what she was thinking. To her, Shen Lian was like a forbidden drug that made her want to escape but also to get close to Yingluo.

Chapter 1026 be good, qi qi, don't be afraid!(2)

On the way back, she was in a daze, and when she returned to the Rose Garden, she had a fever. her fever reached over 39 degrees and her clothes were drenched in sweat. tang yu helped her change into it to lower her temperature. the family doctor also stayed by her side the entire night and didn't dare to leave her side.

deep into the night, pei qiqi woke up drenched in sweat. when she opened her eyes, the bedroom was dark and there was no one beside her.

She sat up in a daze and saw Tang Yu coming out of the bathroom with a wet towel in his hand. she looked at him, her eyes as pure as a newborn animal, soft and gentle.

He stared at her for a long time before he walked over and patted her little head. "are you feeling better?"

PEI Qiqi nodded in a daze and then shook her head. Her voice was a little hoarse, " "tang yu, what time is it?"

he carried her with one arm and looked at his watch. " it's four o 'clock! Change your clothes, drink some water, and sleep for a while."

only then did pei qiqi realize that he was still wearing the clothes he wore during the day. at this hour, he still hadn't changed his clothes.

"You haven't slept at all?" PEI Qiqi wrapped her arms around his neck and buried her face in his neck. She let him take off her pajamas and nestled in his arms.

Tang Yu acknowledged her and used a towel to dry her body. He also wanted to put on her pajamas, but the little guy hugged him tightly and refused to put them on.

"Qiqi." Tang Yu's voice was hoarse and the palm that touched her felt hot.

PEI Qiqi hugged him and said in a small voice, " Tang Yu, I want you to hug me.

he patted her helplessly. " qiqi, " he said, " i'm hugging you, aren't i? "

she rubbed her little face against his neck desperately. after a while, she raised her little face and said,

Her long hair was loose, and some sweat was on her face and shoulders. Her small face was still red from the high fever, and she looked extremely moving.

"be good, i'll hurt you." Tang Yu's voice was trembling.

However, the little one in his arms moved her little mouth in front of him and kissed him on the lips. She was sitting in his arms like that, and her tender Yingying was a temptation that no man could resist.

tang mo's body was in pain and he wanted her crazily, but his reason told him that he couldn't.

She kissed him randomly and pulled on his belt willfully.

He was clearly doing that!

Tang Yu felt like he was holding a ball of fire in his arms.

“Tang Yu.” she bit his lips and gently begged ...

he felt as if his heart was about to melt. what rationality did he have left? he held her in his arms and kissed her deeply.

he didn't dare to indulge her when she was sick, so he only did it once.

after they were done, he kissed the little person in his arms satisfyingly, and she had already fainted. he was feeling sorry, guilty, and satisfied.

early in the morning, when pei qiqi woke up, the morning light poured through the window and gently sprinkled on her body. it was a little warm.

she reached out and touched the pillow. there was no one there. tang yu should be up by now.

thinking of her boldness last night, thinking of those scenes of her drenched in sweat, she wailed and fell on the side of the pillow.

She closed her eyes and her eyelashes trembled. Suddenly, her face was kissed by something. It was as if a feather had brushed against her face, and it was a soft and gentle kiss.

when she opened her eyes, she saw little xin lying by her side. her eyes were blinking and her black hair was slightly curled up. she looked extremely soft.

Chapter 1027 Be good, Qi Qi, don't be afraid!(3)

the sun shone on her little face. one could see the fine hair on her face. it was like a small brush that brushed past pei qiqi's heart.

At that moment, her uneasy heart was soothed. The darkness that Shen Lian had brought was washed away.

PEI Qiqi smiled at little Xin and said in a low voice, " who brought little Xin here? "

little xin's chubby little hands supported her small head. her voice was sweet and crisp. " i came in brother ke's car. "

tang yu?

pei qiqi looked around but didn't see tang yu.

“brother ke is making breakfast.” That little fatty leaned over and snuggled into PEI Qiqi's arms.

pei qiqi didn't stop him on purpose. after a while, the little hand started to unbutton her shirt. then, she felt the familiar moans. she closed her eyes and touched the chubby little thing, " “Little Xin, you've grown up.”

She didn't care about being careful, holding the milk bottle with her small hands, and enjoyed herself.

Tang Yu walked in and saw this scene. Her pyjamas were slightly open and her white shoulders were half-naked, making her look a little alluring. There was a little thing in her arms ...

that kind of look that she didn't want to reveal was so much more tempting than revealing everything. to be honest, tang yu was a little regretful. he shouldn't have been so careful. otherwise, he would be the one eating in her arms.

pei qiqi looked at him and felt a little embarrassed. she pulled little xinxin out of her arms and adjusted her pajamas, " "why did you pick up the little fellow so early in the morning?"

"i thought you wanted to see her more." Tang Yu's tone carried a slight smile as he reached out and placed her tray on the table. He walked over and hugged the two of them. He lowered his head and kissed his forehead. His voice was hoarse, " "baby, wake up and eat."

PEI Qiqi blushed and wriggled out of his embrace into the bathroom.

Tang Yu raised the remaining little heart high up in the air. He was careful and his expression was complicated.

little xinxin was still calling him brother. what should he do?

Although the little guy was still young, he already had his own thoughts ...

mr. tang expressed that he had a headache.

PEI Qiqi came out and changed into a set of home clothes. She felt much better.

"i feel so useless!" She thought of how she was frightened by Shen Lian and stuck out her tongue.

Tang Zheng helped her sit down and ate breakfast. He smiled. our Qiqi Zhenzhen is very capable!

pei qiqi was drinking milk. when she heard him, she understood the meaning behind his words. she widened her eyes and glared at him. then, she spat it out.

she looked at her carefully-why was this sister even more disobedient than her when she ate?

Hence, she carefully picked up the small fork and acted as if she was playing with little Zhao Yan. spank my butt! Brother giggle, give your sister a good spanking."

pei qiqi was a little dumbfounded as she stared at little xin xin.

however, in xiao xinxin's mind, if you did something wrong, you should be punished!

Tang Yu looked at PEI Qiqi and smiled, " Qiqi, come over here.

She glared at him and he was being mischievous too.

however, she didn't know that his heart was moved when he thought of the situation that night.

in the end, she was still caught by him. he pressed her down with his large palm and looked at xiao xinxin. then, giggle has hit her. Does little Xinxin want to hit her hard or lightly? "

Little Xin was in a difficult position. She looked at PEI Qiqi and then at Tang Yu, ” “Brother giggle, hit him hard and then hit him lightly.”

PEI Qiqi laid on his legs and moaned. you can’t do this.

but no matter how hard she struggled, she couldn’t. tang yu still held her down and didn’t let her move.

Chapter 1028 Be good, Qi Qi, don’t be afraid!(4)

his palm smacked down heavily, and she cried out in pain, her voice trembling slightly. it was unspeakably pitiful and attractive.

Then, he patted her gently and didn’t pick it up again after it fell on her. Instead, he comforted her by rubbing Yingluo until she trembled.

“Tang Yu.” She called his name softly. Little Xin Xin was still worried that he would teach children the wrong things.

Xiao Xinxin’s eyes were wide open as she looked at brother Luo and her sister playing the game. Why did her sister look happy and unhappy at the same time?

why was her sister crying? does it hurt?

her heart crawled over and onto tang yu’s leg-

After that, little Xin Xin stuck up her little butt. brother Luo, hit me! Be careful, don’t hit big sister.”

little xin said it with all her might. her cute look made tang yu not know whether to laugh or cry.

he reached out and patted her little butt lightly. ” it’s done. ”

little xin yelped and waited for brother Luo to continue, just like how he treated his sister. however, little xin waited for a long time but there was still no wufu.

xiao xinxin was very puzzled. it obviously didn’t hurt!

Brother Luo is biased!

pei qiqi jumped down and ran to the bathroom to wash her face. she looked at her red face in the mirror.

tang yu was too despicable. how could he tease her like that in front of little xin?

She was wearing a casual dress, and while he was hitting her with one hand, his other hand had already reached in restlessly.

when he was hitting little xin, he would use one hand to play with her. pei qiqi never thought that tang yu was such a shameless man. but now, he was.

he was completely shameless!

Behind her, there was another figure. Then, he hugged her from behind.

Tang Yu’s voice was hoarse, ” Qiqi.

his large palm was placed on her stomach. pei qiqi was afraid that he would do something rash, so she quickly moved his hand away.

her eyes met his in the mirror. her gaze was flirtatious, ” tang yu, be careful. don’t mess around. ”

Tang Yu’s face was on her thin shoulder and he said in a low voice, ” “Qi Qi, do you want me to act rashly when my heart is not here?”

she clearly didn’t mean it that way!

pei qiqi glared at him from the mirror.

tang yu smiled and suddenly held her hand. he pressed his face against hers and looked into her eyes in the mirror, ” “Miss PEI, when are you going to be Mrs. Tang again?”

She stood up straight and stared at him. His expression could not be more serious.

PEI Qiqi’s breathing suddenly became chaotic and her heart started to beat rapidly, ” Tang Yu? ”

he smiled, and a ring appeared in his hand. he slowly slid it into her white ring finger.

PEI Qiqi lowered her head and looked at the ring. It wasn’t eye-catching, just a circle of Platinum.

“i took it from the old master. it’s just right.” “Qiqi, let’s get married, okay?” Tang Yan kissed her cheek.

Her face was slightly red, and her fingers played with the ring. After a long time, she said, ” ” tang yu, we’re already married. ”

he turned her around and pressed on her small shoulders. ” miss pei, we are now living together illegally. ”

she glared at him.

tang yu pinched her little face, ” how about the wedding is in a month? ”

she glared at him. ” i’ll only get married if xinxin calls me ‘mommy.’ ”

Mr. Tang expressed that he had a headache. The child was still young. Could he turn around all of a sudden?

“if you can’t, then we won’t get married!” “mr. tang can also marry your little seven,” pei xiao qi said willfully.

These words!

Chapter 1029 be good, qi qi, don’t be afraid!(5)

He was about to say something when Xiao Xinxin jumped in and called brother Luo’s sister. She said that the doctor was here.

“I’m going to poke big sister’s little p \* ss.” little xin smiled evilly, revealing a row of small, eerie teeth.

My heart hurts, Qiqi!

tang yan gave her a mocking look and then half-carried her to the living room. ” qiqi, go poke my little butt. ”

She secretly pinched him!

doctor lin was already waiting for her. after checking her body and making sure that she was fine, she stood up and smiled. ” it was a fever caused by fear, but it should be fine now. be careful not to be agitated again. ”

The doctor’s Heart was filled with curses. He could see the obvious Hickey on PEI Qiqi’s neck.

He looked at Tang Yu with a meaningful gaze. He didn’t even let go of a patient!

Tang Yu asked the maid to send the doctor out. He turned to look at PEI Qiqi and smiled, ” “Are you feeling better?”

Tang Yu, ” she complained, ” doctor Lin must’ve noticed.

She had recovered. He wanted to tease her. He walked over to the bed and sat down. He placed the little guy on his lap and said with a smile, ” Qiqi, what can doctor Lin see? ”

her face was on his lap, and her little face was buried. he clearly knew that she was hot, but he pretended not to know.

pei qiqi lowered her head and kissed him. her voice was a little angry, ” tang yu, you’re a bad guy. ”

He chuckled softly and reached out to hug her. There was an indescribable warmth in his voice. you wanted that yourself? qiqi, don’t you remember? You hugged me and begged me, Yingluo ”

He lowered his head and whispered the rest of his words into her ear. PEI Qiqi couldn’t bear to listen.

tang yu also realized that when his qiqi was weak, she liked to be hugged.

he reached out and touched her little face. ” alright, rest at home for a few days before going to work. ”

he touched her nerves and pei qiqi thought of jin taihe. that was the place shen lian stayed at.

Her body tensed up, and he could clearly feel it. Although his heart ached for her, he still said firmly, ” ” qiqi, you can’t live in guilt for the rest of your life because of tang xin. she’s your sister, and you’re her closest person. ”

PEI Qiqi pursed her lips and said in a soft voice, ” Tang Yu, I know.

Tang Yu reached out and touched her little face, ” I know our Qiqi is the bravest.

She laid on his lap and didn’t move. Her voice was soft, ” Tang Yu, I want to stay like this forever.

He smiled and reached out to stroke her fluffy little head.”Silly girl, you don’t even want little Xin anymore?”

“of course, little xin xin wants it.” as pei qiqi spoke, she thought of the little one. she looked around and realized that the little one was gone.

tang yu pressed against her neck, ” he was taken downstairs to play. ”

she was about to struggle up when he pressed her down again. she felt him gnawing and biting her neck.

” tang yu, are you a vampire? ” she snorted in dissatisfaction and wanted to push him away.

Tang Yu held her in his arms and didn’t do anything. He just held her like that and said with a smile, ” Qiqi, capitalists are bloodsuckers.

she looked up and bit his neck, then yingluo.

Tang Yu let her do whatever she wanted.

In her heart, she felt infinitely wonderful.

His Qi Qi was always the one who was the most suitable for him ...

PEI Qiqi’s illness made her forget about PEI Huan’s early admission, Wanwan.

Chapter 1030 24 o ‘clock after giving birth (1)

pei huan called pei qiqi. tang yu answered and said that pei qiqi had a fever.

At first, PEI Huan wanted to visit PEI Qiqi, but she was pregnant and it was inconvenient for her to give birth so she could only wait at home.

While waiting, he also forgot that he was going to enter the academy.

at night, it began to rain, and the sound of the rain hitting the window was like the sound of bamboo beans being poured.

PEI Huan stood by the window and looked on, wearing a sleeping robe.

“You’re not sleeping yet?” xiaomei came in with a glass of milk and closed the door to pass it to pei huan.

PEI Huan took the milk. The temperature was just right, just like the concern that Xiaomei usually gave her.

pei huan’s voice was low. ” xiaomei, thank you. ”

Xiaomei smiled. what are you thanking me for? ”

pei huan looked at her emotionally. ” many things. anyway, thank you, xiaomei. ”

“Drink the milk, it’ll help you sleep!” Xiaomei urged her, but her voice was very gentle.

pei huan was touched, and her eyes were a little hot. after a while, she said softly, ” “Xiaomei, don’t you think it’s a pity?”

“what’s a pity?” Xiaomei smiled and stood with her, looking at the endless night.

ever since jian mingzhu stopped standing guard in front, pei huan had developed the habit of standing here.

pei huan pursed her lips. " a manager would find a way to leave with an artiste like me. xiaomei, why didn't you? "

xiaomei laughed. " actually, i'm not that ambitious. i'm just a celebrity and a manager. i'm just popular in front of others. it might not be as comfortable as it is now. at least i can sleep well. "

this was all thanks to the pregnant woman.

pei huan looked at xiaomei. " oh no, you've been infected by me. "

"maybe this is my nature!" It was rare for Xiaomei to joke with her. In fact, what she said was true. She was not lonely living such a quiet life now. Instead, she felt relaxed.

PEI Huan drank the milk and passed the cup to Xiaomei. if I'm no longer in King, Xiaomei, come over and be my financial advisor!

"I can guarantee that I'll become your and the child's nanny!" Xiaomei smiled.

she looked up. " heavens! i still want to date and get married, i don't want to be a mother so soon."

"i'll give you a day off. you'll work four days a week." pei huan really wanted her to stay.

xiaomei looked at her and sighed. " pei huan, you should find your own happiness! "

She could tell that PEI Huan was still thinking about Yan Mingzhu in her heart, but she just refused to admit it.

The feeling of wanting to get close to him but not willing to forgive him wasn't good because PEI Huan couldn't find a reason to forgive old kan.

PEI Huan pursed her lips and looked disinterested. "We'll talk about it later!"

Xiaomei smiled and did not force her. She helped the pregnant PEI Huan to the side of the bed and covered her with the blanket. She seemed to have thought of something."I'll arrange for you to be admitted to the hospital tomorrow. Your stomach is so big, and it's going to rain for a week. If you suddenly want to give birth to Hanhan,"

As Xiaomei said this, her eyes suddenly stopped and she looked at PEI Huan.

pei huan bit her lip and frowned slightly.

"It seems like she's about to give birth." she looked at xiaomei.

it was xiaomei's first time seeing this as well. yingluo looked at each other. in the end, xiaomei plucked up her courage and lifted the blanket to look at yingluo.

a large puddle of water-like substance was flowing on the bed. her water must have broken.
