

Thank you 1031

Chapter 1031 24 O 'clock after giving birth (2)

PEI Huan was about to cry. It was raining in the middle of the night.

Xiaomei was even more speechless. She was such a jinx!

"I'll give miss PEI a call." Xiaomei picked up her phone, but PEI Huan stopped her. She gritted her teeth and said, "No, she's sick!"

xiaomei still listened to her. however, if pei qiqi didn't come, she would have to call 120.

he wondered if such heavy rain would come!

At this moment, PEI Huan couldn't help but cry out in pain!

xiaomei panicked and hurriedly called 120. when the other party heard that it was about giving birth, they immediately said that this was not under their control. xiaomei was so angry that she wanted to curse.

Just then, a loud noise came from downstairs, like the sound of a door lock being twisted open.

Xiaomei was startled.

then, there was the sound of hurried footsteps on the corridor. the bedroom door was pushed open, and old kan stood at the door-

"I thought it was a thief," Xiaomei mumbled, stunned.

However, old kan reappeared like a god.

pei huan started to feel pain. the excessive pain made her feel a little dazed. old kan seemed to appear in front of her. she didn't believe it, but old kan really appeared.

She cried out in pain. Old kan looked at her, still in a daze."Are you about to give birth?"

seeing him like this, xiaomei gave him a kick from behind. "What time is it? hurry up and send him to the hospital.

Old kan wiped the water off his face and immediately went forward to carry PEI Huan. However, he stopped himself. After thinking for a while, he took off his clothes and wiped them with a towel.

In the cold Spring weather, he wrapped PEI Huan up tightly while he walked out shirtless. Xiao Mei followed him with an umbrella.

After that period, PEI Huan was a little weak. She looked up at old kan's face and was a little dazed.

although he had grown a big beard on his face again, she could see that he had lost a lot of weight and his eye sockets were sunken.

pei huan's fingers touched his face gently. she didn't say a word, only her eyes were filled with love.

“save your strength, you’ll have to give birth to our baby later.” old kan gently placed her in the car and let xiaomei support her.

PEI Huan started to feel pain again. Her forehead was wet with sweat, and she swallowed her saliva in pain. She let out a long cry, ” kan Mingzhu, the child is mine!

At this time, whatever she said was right. Even if she wanted the stars and moon in the sky, he would have to pick them for her.

he turned on the shower and slowly started the car. his voice was low. Huanhuan, bear with it. I’m driving slowly.

the spring rain was extremely heavy, and the night fog made the visibility extremely low.

For the sake of safety, he did not dare to drive too fast.

pei huan sat in the back seat and howled, ” “Lian Mingzhu, you did it on purpose! you bastard, you clearly want me to die from the pain.”

If old kan was in front of her, she would definitely pull out all his Xiongnu!

old kan’s forehead was sweating, even though he was naked and didn’t have any clothes on.

“Lian Mingzhu! i know that you want me to die so that su yue can be your child’s stepmother, right? i’m telling you, yingluo, don’t even think about it!” PEI Huan was in pain, angry, and wanted to scold someone.

Perhaps it was because she knew from the bottom of her heart that no matter how much she scolded him, old kan would not talk back.

Sure enough, after hearing so many nasty words, he only raised his eyebrows and the veins on his forehead popped out, but he did not dare to talk back.

Chapter 1032 24 O ‘clock after giving birth (3)

Xiaomei was worried, but she couldn’t help but feel happy.

this pair of wanwan was really melodramatic! No one else could!

From Xiao Mei’s point of view, PEI Huan was the right person for old kan. Although PEI Huan thought that she was smart, she was actually a very silly girl. She was perfect for a man like old kan. Su Yue had been pestering Xiao Mei in the circle for a few years and she knew very well what su mo was up to. Old kan would not be happy to be with such a woman.

pei huan’s pain was becoming more and more obvious. she was originally delicate, and she was crying and wailing.

When they arrived at the hospital, the elevator was broken.

the 20th floor. old kan carried her up the stairs. when they reached the 20th floor, his arms were about to break, and his legs were trembling.

because it was a natural birth, one family member was allowed to go in. in the end, old kan went in.

he was wearing the sterile clothes provided by the hospital. his body was too big and could not be buttoned, so he could only leave it open.

pei huan grabbed old kan's arm and gasped in pain, crying out, "

The nurse had never seen someone who could make him squint like this just by opening one finger! she rolled her eyes a few times, but pei huan screamed even louder!

The nurse was really annoyed by her high-pitched screams and snorted. did you scream like this when you were having fun? "

He squinted!

PEI Huan opened her eyes and glared at the nurse!

he was squinting at a pregnant woman, yet he still dared to provoke her like this?

pei huan let out an even more shrill cry. her two little claws grabbed old kan's xiongnu and pulled it hard.

The doctor and nurses at the delivery were all stunned by him. He had just grabbed a bunch of Xiongnu!

old kan, on the other hand, acted as if he was scratching an itch on his body and did not take it seriously at all. he coaxed his little darling without changing his expression, " "Be good, don't cry, you can call me whatever you want!"

Then, he glared at the nurse.

The nurse was shocked. The strong man's arms were thicker than her thighs. He could probably break her into two with a single fold! she did not dare to glare at pei huan anymore as the man in front of her was too fierce!

however, old kan was extremely gentle towards pei huan. he allowed pei huan to pluck all his xiongnu. that was not all. he placed his hand on his belt and said, " "Huanhuan, also, do you want to pull it out again?"

F * cking squint!

The nurses all wanted to vomit! is this how you give birth?

no matter how melodramatic it was, pei huan had given birth to yingluo.

It took a full four hours.

it was a son!

lao kan was a straight man. when he held his son, he was so excited that he cried. he gently kissed the child's mother and said, " huanhuan, you gave birth to a son for our old kan family. "

pei huan was still in good spirits. after drinking half a bowl of soup, she was even more energetic. " the son is mine. it has nothing to do with the old kan family. "

Even though she said that, her eyes were red because she had pulled out all the hair on her chest and her skin was swollen.

Old kan followed her gaze and chuckled. Huanhuan, it's okay. It doesn't hurt! It can grow in the future, just like a beard."

"i'm not sexy anymore!" a mother's stubbornness was even more excessive than in the past, but in old kan's ears, it was as if he had heard the heavens.

His Huanhuan still cared about whether he was sexy or not!

"then if you want to see, look below. there's more down there." As he spoke vulgarly, Xiaomei coughed to express her speechlessness.

was it really good for these two to openly show their love?

Chapter 1033 24 o'clock after giving birth (4)

"Who wants to see!" PEI Huan snorted.

old kan carried the child and didn't know what to do. he didn't know how to coax him.

Xiaomei looked on and retreated quietly.

With everyone gone, old kan's skin became thicker again. At this time, his son happened to be crying.

"this kid must be hungry! We're looking for mommy for food!" old kan, who became a father at the age of 38, coaxed his son. he gently placed the child in pei huan's arms and looked at her pitifully."Our son is hungry."

pei huan ignored him and carried her son in her arms. she carefully unbuttoned her shirt.

the little thing had an innate instinct and immediately ate it, swallowing it in big mouthfuls.

that voice, that alluring scene made old kan's eyes turn green, emitting a green light.

he just looked at her like this! he swallowed his saliva.

he would rather be a turtle's grandson now. at least he had milk to drink!

only the heavens knew how long it had been since he had touched a woman. he had not touched huanhuan.

In the days he spent with su Yue, su Yue had seduced him a few times. She even wore her sexiest pajamas and took them off in front of him. He didn't waver even when he squinted. He was an old family and he didn't even tremble.

To be honest, PEI Huan was not really good-looking now. Women who had given birth were always a little Haggard, but she had a kind of motherly glow and a charm.

old kan was an artist. he knew that he was touched.

Because he was touched, he felt that she was extremely moving, and even aroused his desire. | Wang.

the little person in pei huan's arms was eating with all her might. after eating one, she quickly took the initiative to look up at pei huan with her green bean-like eyes.

pei huan looked at her wrinkly little face and liked it very much. then, she changed the place.

When they changed places, the green light in old kan's eyes became even more intense, as if he wanted to swallow it in one gulp.

PEI Huan looked at her son with satisfaction. She looked at him again and again, but in the end, she was dissatisfied.

This was because this son was like a pearl of wisdom. The hair on his cheeks was already obvious when he was born, and he would definitely grow a big beard.

pei huan raised her eyes and glared at old kan, feeling very upset.

old kan wanted to cry. did he offend this young mistress again?

After PEI Huan finished feeding her son, she said in a low voice, "kanmingzhu, give our son a name!

Old kan's heart trembled, and he knelt down very piously. He looked at his wife and child with gentle eyes (not yet his wife and child), and carefully asked, "What's your surname?"

He didn't dare to take the initiative to name himself kan, otherwise she would be angry again.

"get up!" pei huan said unhappily, "just get up if i tell you to. why are you talking so much nonsense?"

old kan was ecstatic in his heart, he simply couldn't believe it.

Was she really asking him to get up?

"How's kanxing?" Old kan felt that he was a Pearl and his son was a star. They were quite a match.

PEI Huan didn't say anything, so old kan couldn't tell if this lady liked it or not!

He was anxious.

pei huan looked at him and snorted. "if your surname is kan, it's best to be called kan dashan."

old kan swallowed his saliva. for the sake of his wife, he could sacrifice his son.

The muscles on his bearded face trembled, and he smiled. this is a good name! what a good name!"

pei huan couldn't help but roll her eyes. "silly girl."

old kan's heart was filled with gentleness, but he also felt a sense of pride.

Chapter 1034 you can't have sex at twenty-four after giving birth (5)

In such a quiet time, they were all thinking.

Should they be together?

She forgave him, and he had finally walked out of su Yue's life. They could be together without any attachments.

he told her everything that had happened in the past. from now on, there was only his wife and son in the world.

"Huanhuan, let's be together again!" old kan stepped forward and brushed aside her slightly messy hair. "if you're not willing, i won't force you, and i won't make you angry."

He was so humble and so pitiful, just to stay by her side.

PEI Huan felt a little sad that Yingluo had forced her way into his life. He was not ready to love her with all his heart, but she had already taken him seriously.

pei huan's voice was low. "jian mingzhu, are you ready now?"

old kan's voice was so gentle that he could not believe it. "huanhuan, yes, i'm ready."

he had let her down a thousand times, ten thousand times, but he didn't say it. if he did, it would only make her feel bad and make her cry. women in their confinement shouldn't cry.

But even so, PEI Huan still cried.

she looked at him and closed her eyes. "kanmingzhu, i don't know why i would like you when you're so old, so ugly, and so poor! "

As she spoke, she began to cry, crying out all the grievances she had suffered for the past six months.

She was also a woman, and she didn't want to have a child out of wedlock.

he was really too despicable.

"i won't forgive you, kanmingzhu," PEI Huan said hatefully.

old kan was all smiles. "okay, my breasts will be yours for the rest of my life. "

"Why would I want your Xiongnu?" "I want money for milk powder!" PEI Huan wiped her tears.

old kan's eyes were filled with gentleness. after searching for a long time, he took out a bank card from his pocket and placed it in her palm. "there's five million yuan in this. it's for milk powder. "

pei huan knew that he had spent almost all of his money on buying a house. this year, he had worked hard to earn five million yuan, right?

she didn't know why, but she felt like crying.

lian mingzhu had given his heart to su yue, but he had given his essence and money to her.

pei huan thought that she was a tacky person. she felt that money was the most direct expression of a man's feelings.

However, she was still a little worried and glared at him. "did you sleep with su yue?"

"i did in the past," old kan was especially honest.

After PEI Huan gave birth, she was surprisingly full of energy. She roared, " I meant after Yingluo and I got together.

Old kan rubbed his hands together, his face resolute and decisive. of course not!

pei huan stared at his face that was full of beard. actually, she couldn't see anything because other Old kan rubbed his hands together, his face resolute and decisive. of course not!

pei huan stared at his face that was full of beard. actually, she couldn't see anything because other than his eyes, it was all beard.

After a while, she waved her hand and said,"forget it!" let's call the child kanxing!"

Old kan almost couldn't believe it.

oh my god, she forgave him!

she forgave him!

at that moment, he really wanted to hug her, but after a long time, he actually felt a little timid.

pei huan blinked her eyes and pouted, " "lian mingzhu, i'm in pain! Giving birth is so painful!"

this dead man, he still didn't come to comfort her! Did he really think she was a warrior of steel?

old kan's breathing became lighter, and then he gently placed the child on the small bed. he bent over and lifted the quilt, impatiently taking large mouthfuls of his son's food.

At that moment, a nurse pushed the door open and entered, just in time to see this scene!

"Cough, cough! no sexual activities for 42 days.| life has only been over for an hour!" The little nurse was a bear!

Chapter 1035 kanxing and carpet star (1)

Old kan swallowed another mouthful, and then reluctantly let go.

the nurse was embarrassed by the scene. she had been an obstetrician nurse for three to four years, but this was the first time she had ever seen this couple being so loving!

Old kan licked his lower lip. He stood up with satisfaction in his heart but dissatisfaction in his body.

The nurse checked PEI Huan's body and recorded it down. When she reached a certain point, the nurse paused and said meaningfully, " "the milk has been opened, and it's urging the husband to suck."

even a thick-skinned person like pei huan blushed and looked at old kan with daggers in her eyes.

old kan scratched his head and laughed. then, he went to hold his son. " dad is willing to do anything for our kanxing. "

do you still want your face?

The young nurse rolled her eyes. When she saw old kan kissing the baby, she could not help but say, " " sir, newborns are very fragile. your lips may have bacteria, which may infect the newborn. "

old kan was still kissing his son and said casually, " my son takes after me. he's strong! Besides, we were eating in the same pot just now. Aren't we, little gossip star?"

the nurse was stunned.

"Kanmingzhu, let go of our son!" PEI Huan couldn't help but shout at him.

Old kan felt a little wronged and looked at her pitifully, but he obediently put it down.

The nurse burst out laughing. the pregnant woman seems to be in good spirits.

He put away the record and said in a serious tone, " " in short, no sex for 42 days.| You can only start living after the check-up is done, understand?"

pei huan blushed and nodded.

Old kan touched his nose. I've been abstinent for almost ten months.

no matter what, old kan and pei huan had made up. xiaomei was happy for them. early in the morning, she couldn't wait to call pei qiqi.

PEI Qiqi jumped in shock. They didn't contact each other for one night and she already gave birth?

she struggled to get away from tang yu and ran into the changing room to change her clothes.

Tang Yu followed her and picked out a bright light yellow dress for her. He carried her to the beach and helped her put it on while chiding, " "You're already so big, yet you're still so careless." He was referring to the incident where she ran around without wearing any shoes.

pei qiqi also lowered her head and looked at her feet. then, she hugged tang yu, not caring if she was half-dressed.

She hung her small hands around his neck and looked at him softly. Her voice was sweet as she said, " PEI Huan gave birth to a son.

"you're just going to walk around barefooted?" he smacked her little butt disapprovingly, then moved closer to her ear and said in a low voice, " the next time i find out, i'll punish you in a careful way. "

she raised her head and looked at him with tears in her eyes.

He smiled. alright, put on your clothes and i'll send you there! But, Qi Qi, have you thought of what to give?"

Although he didn't like PEI Huan, it was good that Qiqi liked her.

PEI Qiqi let him put on her clothes while thinking hard about Wanwan.

"A house?" pei qiqi looked at tang yu and asked seriously.

tang yu patted her little head, " very good. this is very upstart. "

"You even spent 100 million to buy me back then!" Pei Xiao Qi, who was being mocked, jumped up and wrapped her arms around his waist.

tang zheng laughed. " this is different! "

"So this kind of thing is very normal for you?" pei qiqi's eyes were filled with daggers.

Chapter 1036 kanxing and carpet star (2)

tang yu smirked and looked at his little one, " this is probably the only time in my life! " Because no other girl would be so bold as to take advantage of me when I was drunk to seduce me!"

pei qiqi punched him angrily. she hung onto him and lowered her head to bite his shoulder.

he was only wearing a bathrobe, and if he were to play like this, his bathrobe would open up in a while, and it really wouldn't be able to cover anything!

pei qiqi covered her eyes and said in a sweet voice, "tang yu, put on your clothes."

he smiled and kissed her. he pulled her hand away and kissed her eyes. pei qiqi screamed and struggled to get away. the two of them wrapped around each other and pushed her against the locker.

at this moment, pei qiqi's long black hair was draped over bo xiao's shoulders. the dress he picked out for her was long gone. she was practically sitting on top of him and could feel the change in him.

his bright eyes were obviously filled with some kind of intention. pei qiqi acted like a rascal and wrapped her little hands around his neck, "you said you were going to see pei huan and the child."

he leaned forward and kissed the side of her ear, murmuring, "Then we'll do it just once."

as he spoke, he took action.

PEI Qiqi screamed and hugged him tightly. Like a little sheep, she said, "tang yu, hurry up."

"Faster?" the man, who was already a beast in the morning, raised his eyebrows and did as she wished ...

hurry up! It was faster!

pei qiqi shrieked again and again. her voice trembled at the end, "tang yu, i'm not talking about this. hurry up."

he bit her little ear and teased her, "then which one do you mean is faster?" Qi Qi, huh?"

"Just hurry up!" She bit her lip and looked at him with tears in her eyes. "It's just Yingluo ending early."

tang yu chuckled, "maybe it's hard to call yingying. qiqi, you can call her something nicer. maybe you can."

PEI Qiqi looked at him sadly and then hugged him. She complimented him by his ear and called him brother and father Wanwan.

At first, she thought he would let her go, but the more she acted like this, the more Tang Yu's blood boiled. In fact, he lashed her even harder.

pei qiqi punched him angrily, bit him, and scolded him in all sorts of ways.

Tang Yu carried her into the bedroom and threw her onto the luxurious bed. He knelt in front of her and leaned on both sides of her body. He stared at her with his dark eyes and his lips curved up, "PEI Qiqi, you're dead!"

She shrieked and closed her eyes. Then, she helplessly turned her face to the side, "Tang Yu, you're a bad guy."

his heart softened instead. he kissed her small lips. ” alright, i’ll let you off! ”

She opened her eyes, turned her head to look at him, and saw the gentleness in his eyes.

PEI Qiqi stammered again. She hooked her little feet around his and bit her little finger, ” then what about you? ”

“Solve it yourself!” he was rarely so rough and was about to get out of bed, but she hugged him and did not let him go.

“qi qi?” he helplessly patted her little hand.

pei qiqi’s little face was extremely red. she hugged him and lowered her body. she placed her little face on his stomach and said in a low voice, ” “i’ll help you.”

Tang Yu couldn’t believe his good luck. He suppressed the throbbing of his body and stared at her.

PEI Qiqi raised her head and looked at him sadly, ” “go and wash up.”

tang yu was ecstatic. he felt like today was a good day.

She quickly went to the bathroom to wash up and came back to lie down ...

This morning, Mr. Tang was very satisfied and satisfied.

They only left the house at 10 am. PEI Qiqi glared at Tang Yu several times. It was all his fault!

Chapter 1037 Kanxing and carpet star (3)

Tang Yu looked satisfied. He had enjoyed it today but in the end, he still didn’t let her go.

thinking of how she had pleaded with him in a soft voice, he couldn’t help but feel a burst of passion.

PEI Qiqi didn’t pay attention to him the entire way. It was only when he drove to a law firm that she was stunned and looked at him, ” “we’re going to the hospital. what are we doing here?”

tang yu unbuckled his seat belt and explained, ” “didn’t you say you were going to give me a gift?”

he turned his head and smiled. then, he got out of the car. there was already a lawyer waiting for him at the law firm. he handed tang yu a document.

tang yu quickly got into the car and placed the documents on pei qiqi’s lap. he buckled up his seat belt and started the car.

pei qiqi opened the file in surprise. after looking through it, she smiled, ” “it is indeed a great gift.”

she had already transferred bo yi’s shares back to tang yu and returned them to their rightful owners.

however, she didn’t think that tang yu would give one percent of his shares to pei huan.

1% was worth billions of assets. He was really generous.

PEI Qiqi didn’t have any objections and put her things away. Then, she heard Tang Yu say softly, ” “Not just for PEI Huan’s child, but also for kanmingzhu.”

that year, kan mingzhu took qi qi out of the darkness, and he was very grateful.

PEI Qiqi smiled, " he already has the best present.

he paused for a moment before saying, " they've made up. i went to bed early last night. pei huan was about to give birth. old kan sent her to the hospital. "

She stretched lazily, her expression especially gentle. I'm really grateful for this rain, and I'm grateful that I fell sick.

Tang Yu reached out and touched her hair, " silly child.

pei qiqi laughed as well. there was a strange glow in her eyes. she placed her face on his arm and said in a low voice, " tang yu, i feel great right now. "

His heart also softened. He didn't say anything and just let her lean on Him.

When he arrived at the hospital, he saw PEI Huan, old kan, and kan Xing.

seeing them get back together, pei qiqi's eyes were a little hot. this was something she really wanted to tell pei huan, but she didn't dare to.

It was really good now!

When old kan saw the gift for his son's birth, he was shocked. He said it was too expensive and refused to accept it.

"take it!" pei huan said calmly. as long as it's a gift from qiqi, you can accept it. "

pei qiqi smiled,"it was tang yu's idea."

pei huan was about to explode and embarrass tang yu!

The corner of her mouth twitched a little because she felt uncomfortable. She had seduced Tang Yu before.

PEI Qiqi ruffled her hair,"look, you're dumb again!" Didn't you say that the past is in the past?"

pei huan's eyes started to tear up. pei qiqi couldn't take it anymore and patted her, " "Don't cry, pregnant women!"

old kan hurried over like an old mother.

He had finally finished coaxing the noble pregnant lady and could finally carry his baby over for everyone to admire.

old kan asked happily,"how is it?" can we still take a look?"

"very handsome!" PEI Qiqi said against her will. Because all newborn babies are wrinkly, only old kan thinks they look good.

Old kan was even happier in his heart, and he was extremely satisfied.

PEI Huan was the only one who sniggered at her. she's obviously just like you. You don't look good at all.

old kan was deeply shocked, but he was afraid that the newborn child could understand (his iq was currently zero), so he quickly coaxed the child. ” mom is talking nonsense. our jian xing is the most handsome and good-looking. ”

pei qiqi frowned and suddenly said something shocking, ” “PEI Huan, your son’s name is Yingluo.” she kept him in suspense!

Chapter 1038 Kanxing and carpet star (4)

“what’s wrong with the name?” pei huan’s gaze landed on old kan and thought to herself, this idiot, how can a newborn child be so funny.

pei qiqi held back her laughter. ” your son’s names are qianqian kanxing and carpet xing. why do they sound so similar? ”

even tang yu’s lips curved up. he reached out and ruffled his qiqi’s hair, ” “Nonsense.”

However, PEI Huan was furious. Because in the past, she often did not have any works on the red carpet and was laughed at by the media many times!

now, old kan still dared to come up with such a name!

“lian mingzhu, you must be doing this on purpose!” PEI Huan roared. If it wasn’t for the fact that she couldn’t get out of bed, she would have torn old kan apart.

Old kan looked at PEI Qiqi sadly, ” I definitely didn’t mean that.

pei huan cried out, ” that’s what you mean! you’re going to use my son’s name to mock me for not having any works for the rest of my life.”

“Isn’t our Jian Xing your work?” Old kan thought that this was a very good line of love, but PEI Huan cried out again, ” you still dare to say ‘carpet star’? you still dare to say it! kanmingzhu, i’m going to kill you.”

PEI Qiqi and Tang Yu couldn’t stop laughing. PEI Qiqi nudged Tang Yu and whispered, ” “Look, isn’t she becoming more and more like Zhou Meilin?”

Tang Yu was a man and a noble man at that. Naturally, he wouldn’t comment on a woman so easily. He just smiled and pinched her cheeks, ” “mischievous!”

PEI Qiqi hugged his arm and acted coquettishly, ” “i’m doing this for pei huan’s own good. i can’t only realize it when i’m 50 or 60! Carpet star doesn’t sound good.”

She raised her head and smiled coyly. Tang Yu’s heart felt like it was bathed in a spring breeze.

However, what made old kan’s heart ache was what came next.

Lin jinrong went to the hospital for a follow-up and happened to meet Xiaomei. Only then did he know that PEI Huan had given birth.

Out of courtesy, Lin jinrong got his Secretary to send over a bouquet of lilies and a piece of suet white jade. It was quite expensive.

Old kan was a rough man, but at this moment, his heart was as small as a needle as he looked at PEI Huan with his eyes.

pei huan got xiao mei to send two wedding gifts to lin jinrong's secretary. after she left, she picked up the bouquet of flowers and took a deep breath. " it smells so good. xiao mei, help me arrange it."

Old kan had a lot of opinions. this flower is white and doesn't have a trace of joy. It doesn't look good in the delivery room.

"Lilies are calming," Xiaomei smiled.

PEI Huan wanted to provoke old kan. She looked at him. he doesn't have any aesthetic sense.

"I'm the photographer," old kan refused to give in.

"But you still have no taste." Otherwise, why would he like an old woman like su Yue? This was PEI Huan's small thought, but she was not stupid enough to say it out loud.

Old kan straightened his neck, but in the end, he softened.

alright, alright, alright. If you say it's nice, then you can stay! old kan didn't have the right to speak. he wiped the tears in his heart. he didn't have any status now. it was already a blessing for him to be a nanny.

when the two men went out for a smoke, pei qiqi finally had the chance to talk to pei huan in private.

she sat on the side of the bed and covered pei huan with the blanket. she let go of her hand and pei huan's face was filled with happiness.

"You've decided?" pei qiqi looked at her.

PEI Huan acknowledged, " yes, Qiqi. I've thought about it.

pei qiqi laughed, " i've decided to live a good life. old kan is a good person! "

She paused. if he had insisted on bringing you to the hospital and ignored su Yue, that would have been even more heartless.

Chapter 1039 i really want to call you mom (1)

When she said this, PEI Huan also listened and acknowledged her.

pei qiqi smiled, " live well in the future. i don't lack money! " Don't work in the entertainment industry anymore! that's not good. you've seen ye liang, autumn, and ye tian. she's in such a high position. if she disobeys KING entertainment, she'll be put in the cold storage."

PEI Huan was silent for a while. Qiqi, I know what Tang Yu means by that one percent!

She raised her eyes and looked at PEI Qiqi,"he really cares about you!" He cares about the people around you and the people you care about. He's taking care of the top-up cards quietly."

pei qiqi smiled, " your old kan is not bad either! he loves you."

Seeing that PEI Huan was silent, he patted the back of her hand, ” “let’s not talk about the past, especially su yue. if old kan can let go of her, why can’t you?”

PEI Huan wailed and suddenly got up and hugged PEI Qiqi’s arm, ” Qiqi, I really want to call you mom.

PEI Qiqi’s face was full of disdain, ” PEI Huan, you are so shameless. I am clearly younger than you by a few months. It’s fine if you call me ‘sister’, but you still want me to be your mother!

Although what she was doing now was like an old mother.

pei qiqi happened to be there. in the end, she agreed with old kan that they would hold the wedding after the child was two months old. they didn’t want to stay in any hotel suite anymore. after all, it was inconvenient to have a child. they would just stay in pei huan’s villa.

old kan was a little disappointed that his honeymoon was gone, but when he thought about it, they could consummate their marriage in two months, and he finally felt more balanced!

On the other hand, PEI Huan did not mind as long as he had a son.

when pei qiqi and tang yu left, it was already four or five in the afternoon. he held her hand and asked, ” mrs. tang, where do you want to go? ”

“When are you going to marry me?” Under the setting sun, on the streets of B city, a beautiful girl was holding a handsome man as they stood beside a top sports car, attracting a lot of attention.

pei qiqi pouted her little mouth and looked coy. she didn’t look like ‘boss pei’ at all.

Tang Yu looked at her. His gaze was deep and there was a hint of a pampering smile on his face. He smiled, ” PEI Qiqi, I suddenly feel that this illegal cohabitation is good.

She glared at him, but her eyes were filled with a coquettish look.

tang zheng smiled and pulled her into his arms. he closed his eyes. ” qiqi, how can i bear to do that? ”

How could he bear to let her follow him without a name?

in his arms, her small hands pounded his shoulders, and then she said meaningfully, ” “now i know the benefits of not having xiongnu.”

tang yu looked at her.

pei qiqi laughed softly,”when pei huan gave birth, she talked so much that she pulled out all her hair.”

tang yu looked at her.

so, Tang Yu, it’s a good thing that you don’t have any Xiongnu. PEI Qiqi held back her laughter and reached out to open the car door. She sat in the car and started laughing.

Tang mo was stunned before shaking his head and getting into the car.

He slowly fastened his seat belt and looked at the little person again, his heart filled with unspeakable satisfaction.

At this moment, his Qi Qi was just like an ordinary girl.

“Qiqi,” he suddenly said, “do you still want to go to school?”

pei qiqi’s gaze froze for a moment. then, she felt a little emotional as she thought about the graduation certificate she didn’t get from B university.

he actually felt as if he was in another world.

! We’ll talk about it in the future!”He said softly after! long while.

Tang Yu saw how sad she was and knew she was reminiscing about the unhappy past. He smiled, ” that’s right. Miss PEI’s most important life mission right now is to propose to Mr. Tang.

“tang yu!” she angrily called his name.

Tang Yu had already started the car, ” isn’t it? ”

alright, yes!

Chapter 1040 i really want to call you mom (2)

the days passed and pei huan was discharged from the hospital. she and old kan lived a life of basic necessities.

Tang Yu took over Boyi and relaxed, but PEI Qiqi was so busy that her feet couldn’t touch the ground.

Other than her personal ability, Shen Lian had also caused Jin tai he to be in a mess. PEI Qiqi had to work for a month before she could sort out some clues.

When she took over, Xiaowen followed her. Xiaowen was a capable assistant and had helped her a lot.

A month later, PEI Qiqi felt like she was a dead dog.

It was a rare Sunday morning. As she lay in Tang Yu’s arms, she felt his big hands moving restlessly.

She knew him so she reached into the blanket and grabbed him. Her voice was muffled, ” Tang Yu, don’t! i’m so tired.”

she said pitifully, hoping that he would let her go.

tang yu patted her and hugged her with one hand. his body leaned up a bit and he half-leaned against the headboard. he pinched her little face, ” on Friday, you said Saturday. On Saturday, you said that you wanted to sleep with PEI Qiqi this morning. I haven’t had sex for five days.| It’s time to live.”

“beast!” her hair was as messy as a little lunatic’s, and her little face was buried in his arms. her hands were also around his waist, and her voice was muffled.”tang yu, i’m so tired!”

He grabbed her little head, lowered his head, and kissed her.

PEI Qiqi dodged left and right and screamed, "i don't want to."

The more she struggled, the more brutal he became.

He held her thin little arm and pulled her into his arms forcefully, biting her little ear. I want it now. Qiqi, you can't escape.

she bit her lip and obediently raised her little face to let him kiss her.

she was so obedient, so he kissed her without restraint. he kissed her deeply, pressing her small head with one hand and pushing away the messy hair on her face with the other.

He kissed her so deeply that their lips and teeth were entangled. He kissed too deeply, and she could only swallow and breathe with him as he guided her tender little body to sit in his arms. She felt his immense strength as if he could tear her apart at any time.

she was a little scared and her voice was broken. " " tang yu, i'm scared of yingluo. "

"be good, i'll be gentle." he coaxed her and was about to do that intimate thing.

The door opened with a bang, and a child's voice rang out, "brother giggle?"

Little Xin was wearing a milky white lace dress. She looked at brother giggle and her sister with her mouth wide open.

Why aren't they wearing any clothes?

next to little xin was little zhao yan, dressed like a little gentleman.

little xin xin's mouth was wide open, and little zhao yan was stunned.

The two babies looked curiously at the two adults on the bed. They seemed to have seen this scene before. There seemed to be a Yingluo in The Little Book.

"Yanyan, are they having a fight?" little Xinxin's voice was crisp and clear.

little zhao yan shook his head. " i don't think so! I think they're just sparring." He had been reading some wuxia character books recently.

"It's a fight between demons!"

"It's a martial arts spar! "my brother is using a trick," little zhao yan scratched his head, unable to think of anything.

"Demons fighting."

"a spar of martial arts."

on the bed, tang yan's face darkened. he quickly covered himself and pei qiqi with the blanket. after calming down, he shouted at the two curious babies at the door, "all of you, go downstairs."

who let them up?

“zhao yan, take little xin xin and leave.” he gritted his teeth. he had not had sex for a week. | It was a serious matter for a man's life to be interrupted.
