

## Thank you 1041

Chapter 1041 I really want to call you mom (3)

poor little zhao yan, even though little xin was two months older than him, he still called her his sister and had to give in to her.

he was even the one who suffered the most.

Oh, ” little Zhao Yan replied. He didn’t dare to challenge Tang Yu’s authority.

But the little one who was favored dared to. The little One Flew Over in her little dress.

her small hands immediately lifted the blanket.

poor tang yu. just as he was about to work out, he was scared to death!

at this moment, tang yu felt for the first time what it meant to have nothing to live for.

However, the smiling little person in front of him was still his own daughter!

He glared at little Xin, but little Xin Xin was not afraid of him at all. She even turned around and continued the discussion with little Zhao Yan, ” “it’s a fight between demons! Are you looking at the one who doesn’t even wear clothes when he’s fighting?”

Zhao Yan touched his head and felt that what little Xin Xin said made a lot of sense!

tang yu felt this was weird. she couldn’t live anymore. she immediately put on her bathrobe, jumped out of bed, and carried them downstairs, one in each hand.

Downstairs, Lin Yun, Zhao Yi, and even Tang Zhiyuan were there. They came today to discuss Tang Yu and PEI Qiqi’s wedding date. Just now, they asked little Xin to go upstairs and call for help, but now, they saw the male lead carrying them down, one in each hand.

tang yu quickly threw it to lin yun and said in a simple voice, ” “take a seat first. i’ll be down in an hour.”

does it take an hour to get dressed? the people present were a little puzzled!

At this moment, little Xinxin’s big eyes were filled with tears. “Brother giggle is bullying sister. They are fighting.”

Little Zhao Yan had inherited Zhao Yi’s calmness, and the child who was only two or three years old nodded in agreement. I can testify.

The adults all laughed and understood why Tang mo had lost his composure. It was really Yingluo.

“That’s not a fight between demons.” Lin Yun held back her laughter. brother Luo and sister are trying to give little Xin a little sister.

little xinxin’s eyes sparkled like little stars. the little fellow was very smart. she tilted her head and asked softly, ” “Can brother giggle and sister have children? Weren’t they close relatives? Also, the child should call me aunt!”

The adults laughed again, not knowing how to explain it!

at the very least, tang yu should have explained this to little xinxin. then, tang yu felt that it would be better for lin yun to explain this to little xinxin, so no one had ever told her about her family background.

upstairs, tang zheng returned to his bedroom and locked the door this time.

he tiptoed over and pulled her into his arms. his big hand moved down shamelessly, and he closed his eyes and chuckled.”The baby is still waiting for me!”

PEI Qiqi heard the noise from downstairs and knew Lin Yun was coming. She didn’t want to do that with him and patted him, ” no, I’m not. Time to get up.

he picked her up without a care and carried her to the terrace. from here, the sound could be easily heard downstairs.

Tang Yu, you’re crazy! her small hands pounded on his shoulders. her voice was soft, afraid that he would hear her.

Tang Yu chuckled and pressed her down with his big palm. His dark eyes were filled with indulgence, ” “lower your voice later.”

She shamelessly hugged him and bit her lips. In a low voice, she said, ” Tang Yu, go back to bed.

“our baby likes to do it on the bed? Hmm?” he chuckled and carried her back to the bed as she wished.

The soft bed sank deeply, and in less than half an hour, it was ruined by him.

His ruthlessness was as though he wanted to make up for a week’s worth of food. PEI Qiqi would rather go to work!

i’m too tired, qingqing.

Chapter 1042 the return of the swallow (1)

Lin Yun and the others downstairs waited for an hour, then two hours. In the end, Tang Yu came down for lunch. PEI Qiqi couldn’t get up and fell asleep.

the two men shook their heads disapprovingly as they watched tang mo come down in a refreshed manner. lin yun also felt that she had lost face. he was almost 30 years old. couldn’t he control himself?

“Let’s eat!” Tang Yu was in a good mood. He walked over to his mother and naturally lowered his head to kiss her cheek.

“you know how to come down,” lin yun scolded with a smile.

Tang Yu smiled. His elegant demeanor didn’t change at all, ” it’s rare to get some rest.

he paused for a moment. ” qiqi has been very busy recently. she works overtime very late every night. I should spend more time with her. ”

alright, the adults understood in a second.

at the dining table, Lin Yun talked about marriage. Tang Yu thought about it, "I've discussed it with Qiqi. We're planning to hold a party on cruise ship no. 77. The ceremony will be simple."

Lin Yun and Tang Zhiyuan looked at each other and then said gently, "This is good too! I'm afraid it'll take some time to convince the lordmaster."

"I'll do it." Tang Mo smiled.

Lin Yun thought about it and agreed. Her son had the best way to deal with the old man.

Then, Lin Yun remembered something and asked Tang Yu first, "How's Shen Chongshan?"

Tang Yu sighed, "It's alright! However, Mrs. Shen had lost a lot of weight because of Shen Lian. His spirit is also not as good as before." After all, he had experienced a few blows and it was beyond his psychological endurance.

Lin Yun also nodded, "It's been hard on her! I heard that Shen Lian is going to be sent to a sanatorium abroad?"

Tang Zhiyuan didn't feel good about it. After all, he and Shen Chongshan used to be friends. He had never mentioned Shen Chongshan and Zhao Ke's relationship. If he had said it, he would never have married Zhao Ke.

Later, Tang Xin was still Shen Chongshan's child. In the end, Tang Zhiyuan was the one who suffered the most. He even lost Lin Yun in vain.

At this moment, Tang Yu nodded, "Yes! Shen Chongshan and Mrs. Shen have also decided to immigrate abroad and may not come back in the future."

Shen Chongshan was attending their wedding. It was his last gift to Qiqi.

Shen Chongshan gave Jin Taihe to Pei Qiqi and gave the rest of his life to Mrs. Shen and Shen Lian. He went back to the beginning and used the rest of his life to atone for his sins towards them. This was also one of the reasons why Mrs. Shen was so calm.

Tang Yu knew that Shen Chongshan was doing this for Pei Qiqi.

He wanted to take Shen Lian away so that she would not be in danger. Qiqi knew about his fatherly care but she could not say it out loud.

After that, Tang Zhiyuan went to Shen Chongshan for a drink.

Shen Chongshan couldn't drink, so he used tea as a substitute to apologize to Tang Zhiyuan.

Tang Zhiyuan waved his hand and said calmly, "What are you saying?"

He looked at Shen Chongshan's slightly fat appearance and sighed, "Brother Chongshan, do you think that woman Zhao Ke will still be loyal to you if she reincarnates now?"

Shen Chongshan's old face fell, and then he smiled helplessly and bitterly. He took a sip of tea and said, "Zhiyuan, why are you mocking me again? It's been so many years!"

His gaze was a little far-reaching, "alright, let's just get to the point!" In the future, we old friends may not have the chance to talk like this!"

Tang Zhiyuan quietly filled his cup with tea.

Shen Chongshan looked at Tang Zhiyuan and smiled. whether you believe it or not, I really didn't know that Zhao Ke gave birth to my child.

Chapter 1043 the swallow's return (2)

shen chongshan continued, " if that's the case, i won't blame it on you! at that time, how should i put it? when you told me that you were going to marry zhao ke, she was already pregnant. you thought that it was your child, so i didn't think much about it. "

and that child was destined to be pitiful!

shen chongshan's eyes were filled with tears when he thought of tang xin. this was one of the reasons why he could not forgive shen lian.

He also watched Tang Xin grow up. She was such a cute little girl. Even if she was not Shen Lian's sister, he could not treat her like that.

tang zhiyuan's heart was also touched. he took a big gulp of wine. " even though i know that tang xin isn't my biological daughter, i still love her! " There's no one who doesn't dote on her. She's so cute."

The two old men clinked their glasses and drank again for the bitterness in their hearts. They wiped the wine off their lips and sighed to the sky. After that, they went their separate ways and did not know when they would meet again.

tang zhiyuan was drunk at shen chongshan's place.

In his half-awake state, he noticed that Mrs. Shen had come over and gently persuaded Shen Zhongshan to go to bed. At that time, Tang Zhiyuan's heart turned cold and he couldn't describe the feeling.

he wanted to ask chongshan to chat a little longer, but he felt that it was too abrupt.

in the end, tang zhiyuan left first. he stumbled into the car and the driver sent him back to yan hui.

the swallow returns to the xuanji.

but the person in his heart would never come back.

Tang Zhiyuan went upstairs and sat in Tang Xin's bedroom for a while. He didn't even know how he fell asleep.

when she woke up, the sky was slightly bright. the croaking of frogs and cicadas outside disturbed her dreams, and she could no longer sleep.

Tang Zhiyuan's heart was already filled with desolation. He remembered what Yunyun told him the other day: find a partner!

However, what kind of woman should he find?

he really liked his young and beautiful past, but that's all there is to it now, yingluo.

If they didn't open their hearts to each other, they would just be strangers living under the same house!

Tang Zhiyuan got up and stood in Tang Xin's bedroom. He missed Tang Xin very much at this moment.

if tang xin was here, even if she wasn't his daughter, as long as she was here, she could always be with him. how good would that be?

He wasn't so lonely.

he stood there like this until dawn, when he was thinking about tang xin and when she called him dad.

Tang Zhiyuan felt that he was getting old and didn't want to find another woman to have children with.

he wasn't like lin yun and zhao yi. they already had a granddaughter, and the two old men even had a little zhao yan!

Old bastard! Tang Zhiyuan sighed in his heart. He was the only one left, alone for the rest of his life.

Early in the morning, Tang Zhiyuan stood on the balcony and looked at the mist in the distance. He thought back to his life and still regretted it.

Perhaps, the loneliness now was the price of the past. He was, and so was Chongshan.

They all fell for Zhao Ke, but they were still there. The one who suffered the most was Tang Xin, that innocent child.

The servants at home carefully pushed open the bedroom door. Sir? "

tang zhiyuan was still standing with his back facing her. his voice was soft, " " it's tang xin's birthday today. don't forget to make some longevity noodles at noon. "

the servants' eyes turned red. in fact, everyone knew that tang xin wasn't sir's child, but sir still loved her and didn't forget her birthday even when he went.

"sir, you're so good to miss." The servant said.

Tang Zhiyuan sighed.

is that good? He didn't think that he had spent too little time with Tang Xin when she was still here.

Now that she thought about it, she felt regretful and guilty.

Chapter 1044 A careful X education (1)

Every Friday night, Tang Yu would bring PEI Qiqi to Lin Yun's place for a meal. After that, he would bring little Xin back to the Rose Garden to stay for two days.

Although she was very happy being with little Xin and made up for PEI Qiqi's previous regrets, she was very troubled because little Xin still called her sister and Tang Zheng GE.

it was early in the morning again. pei qiqi was lying in tang yu's arms. beside her was little xin xin, who was sleeping on all fours.

Little Xin was wearing one-piece pajamas, the kind with animal patterns on her little butt.

The little guy was sleeping soundly, and the breath he exhaled was sweet. He even made that kind of "leeking" sound. He was so cute!

pei qiqi lay in tang yu's arms and watched little xin xin sleep. she couldn't get tired of looking at that pretty and delicate face. her voice was soft, "Tang Yu, did you tell little Xinxin that I'm her mother?"

actually, tang yu had a feeling recently that his mother didn't tell him and was hoping for him to.

Therefore, no one had told little Xinxin about it until now.

he smiled and patted her head. "our qi qi doesn't look like a little mother at all!"

The moment PEI Qiqi heard this, she knew he didn't say anything. She pouted and poked his stomach, "Tang Yu, we're getting married in half a month! it's very embarrassing if you want little xin to call us big sister giggle in front of her family and friends!"

he allowed her to poke him as she pleased. "so, should we wake her up now and tell her that we are her parents?"

"Don't!" pei qiqi couldn't bear to let him go. the little guy was asleep. he was so cute.

she couldn't help but look over again. little heart yawned and turned over to take a stroll.

Even the way he turned around was so cute. His little butt was facing her and on the little butt of his pajamas was a little milk cow. His two big eyes were looking at PEI Qiqi.

I don't care. You explain to her today. She stepped forward to pinch his chin and sat on him to mess around.

Tang mo grabbed her little hand and his eyes were bright. Qiqi, why don't you say it? i think little xin xin will be very happy if you tell her. "

"what if she doesn't listen to me? after all, she's been by your side for much longer than i have." PEI Qiqi was a little dejected. Then, she grabbed his hand and bit it angrily. It's all his fault, all his fault!

Tang Yu coaxed her,"but she's eaten Kasaya before."

he didn't finish his sentence, but used his eyes to scan her body.

pei qiqi immediately covered her chest, "tang yu, you're shameless. "

"if you want your face, then you won't be so careful!" At first, the two of them were just joking around, but now, Tang Yu was a little passionate. Just as he was about to press the child's mother down to fight, little Xinxin woke up.

the little person crawled out of bed and looked around. he stared at tang yu and pei qiqi, ” “brother ke, what are you guys doing?”

tang yu carried the little guy on his body and held the chubby little guy in his big hand, ” brother ke and sister are fighting. ”

“Tang Yu!” pei qiqi’s face turned red. he was teaching the child the wrong things.

tang yu, on the other hand, gave her a look that told her to calm down and then patiently talked to little xin about general physiological knowledge.

as she spoke, pei qiqi started laughing and covered her mouth, ” ” you can tell her slowly. i’m going to brush my teeth. ”

Well, in the future X the child’s father could be the one to teach her how to be careful!

tang yu glared at her, but pei qiqi still ran away holding her stomach.

Chapter 1045 a careful x education (2)

Little heart was lying on brother giggle’s body. Her voice was soft and cute as she asked seriously, ” brother Luo, so when your tadpole enters Qiqi’s body, you can make a baby? ”

xiao xinxin’s little face turned flat in an instant, and her eyes were wide open in disbelief.

‘So, when brother ke and sister were fighting, brother ke had shot a hidden weapon at sister. No wonder sister cried. It must be painful!’

So pitiful!

Little Xin gave him a sympathetic look.

tang yu laughed in his heart. he reached out and rubbed little xin’s soft little curly hair and dropped a bomb, ” little xin xin was created like this by brother ke and sister. ”

Little Xinxin’s eyes widened and she glared at Tang Yu.

She was a smart child. After Tang Yu said so much and this, she naturally thought too much.

for example, many people said that she did not look like little zhao yan, and some people said that she looked like brother ke. was she really a hidden weapon that brother ke used to hit his sister?

Tears welled up in Xiao Xinxin’s eyes. One by one, they fell to the ground like crystals. I’m not a hidden weapon. My heart is not a hidden weapon.

Tang mo was stunned!

that’s not the main point, okay?

although he was eager to tell her the truth, he still couldn’t bear to cry. he had to coax her first!

Little Xin was crying sadly in his arms. Her fat body was in his arms and her chubby feet were around his waist. Tang Mo’s heart melted.

“daddi!” Xiao Xinxin’s little face was on his shoulder. She cried and said in a soft voice, ” little Xin is not a hidden weapon. Little Xin is not.

tang yu froze!

What did little Xinxin call him just now?

he couldn't believe it. he turned little xin xin's little face and looked at her seriously. little xin xin was still crying and calling out 'daddi' again.

Tang Yu hugged the chubby little person. His voice was so gentle that he almost couldn't recognize it. It was a little hoarse, " "Baby, what did you say?"

"Daddi!" little xin proudly placed her small face on his shoulder and wrapped her small hands around his neck.

Tang Yu had a hard time hiding his excitement. He closed his eyes, " how did little Xin guess? "

"the baby already knew." The chubby little thing's voice was soft and low. No matter how much he teased her, she refused to say anything.

Tang Yu's heart softened and he kissed little Xin Xin, " then you must know that sister is mommy, right? "

Little Xin didn't make a sound, and she lay on his shoulder with tears in her eyes.

her little mouth was pursed, and she looked very cute.

"what's wrong, baby? do you know that mommy is unhappy?" Tang Yu coaxed the little guy and then looked at PEI Qiqi standing at the bathroom door. He was obviously nervous.

He looked at her and gestured for her to wait for a while. Then, he pursed his lips and patted the little person in his arms.

Little Xin raised her eyes and sneaked a glance at PEI Qiqi. Then, she buried her round face again and said in a low voice, " baby doesn't want to.

Tang Yu felt helpless but he still patiently coaxed her, " "why?"

Little Xin pouted her little mouth. because baby is a hidden weapon. I hurt big sister.

Tang Yu couldn't help but laugh. This kid!

He looked at PEI Qiqi's blushing face and smiled, " "It's dad who hurt sister, not the baby."

"Really?" Little Xinxin was alive again, and there were little stars in her eyes.

tang yu patted her head and smiled, " "Of course it's true,"

Chapter 1046 a careful X education (3)

Little Xinxin leaned out from his arms and stared at PEI Qiqi in a daze.

Why didn't Mama come over to hold little Xinxin?

the baby was not happy!

she waited for a while, but when she didn't see anything, she started crying again!

PEI Qiqi ran over and looked at Tang Yu in a daze.

she had played with little xin for a while, but to be honest, they were just playmates. she had not learned how to be a mother yet.

Little Xin started to cry. She didn't know if it was because little Xin didn't like her.

That was why she didn't dare to come over and hug her.

tang yu looked at pei qiqi's silly expression and couldn't help but think that his qiqi was only 23 years old. she might not have been able to accept that she was still a child when she got pregnant.

“she wants you to hug her.” as tang yu spoke, he had already stuffed the chubby little thing into pei qiqi's arms.

PEI Qiqi's body was a little stiff. Although she had hugged him many times, this time was different. she hugged the little person stiffly, not knowing if the little person liked it or not.

After a long time, little Xin complained in a small voice, ” mommy, you're hugging me too tightly. It hurts. xiao xinxin was a little fellow who loved her very much and would cherish her.

pei qiqi quickly reduced her strength and turned the little guy's face over to take a closer look.

She had already remembered it clearly, but she still wanted to be more detailed.

tang yu smiled, ” our little xin xin is very smart. ”

who knew that little xin would actually lie in pei qiqi's arms again and say proudly, ” “Little Xinxin is not smart. Little Xinxin is stupid.”

However, there was an unparalleled mischievousness in her eyes, which was extremely cute.

pei qiqi hugged and kissed yueyue.

the chubby little guy said proudly, ” now I believe that you are little Xinxin's mother.

pei qiqi and tang yan looked at each other and smiled. her little face was a little bitter. an overly smart child was hard to take care of!

although little xin had acknowledged her parents, tang yu and pei qiqi still had to go to work. so, lin yun still took care of little xin from monday to friday. tang yu would pick her up on the weekends.

pei qiqi complained every day that she wanted to go on strike and didn't want to go to work.

tang yu just looked at her and coughed, ” qiqi, you can't play around and waste your time. ”

“daddi, be careful. you're not a good person,” little xinxin said. after saying that, xiao xinxin furrowed her brows and rolled away unhappily.

pei qiqi leaned on tang yu's shoulder. ” see? you're so smart. you know it so quickly. ”

Tang Yu looked at her and chuckled, ” Qiqi, you've said this before. So, she inherited her stupidity from you. And the smart part of her came from you.

Tang Yu stopped talking and went to the study room, leaving PEI Qiqi and little Xin to scream. He was too evil.

The days passed by happily, until the day before their wedding.

Xiao Wen organized a bachelor party for PEI Qiqi. It was held in a small bar with a good atmosphere. She invited PEI Huan, who had just finished her first month of confinement, as well as PEI Qiqi's colleagues from Jia Ren magazine, Amy and the others.

when xiaowen made the suggestion, pei qiqi had asked tang yu for his opinion. mr. tang sat on the sofa elegantly and calmly, "as long as you don't play dirty."

tang yu, you're so generous. "pei qiqi lay in his arms and kissed his chin, "i promise i won't! but i can't guarantee that i won't play some special games, like when we were in shanghai, yingluo "

Chapter 1047 be good, be obedient!(1)

before she could finish, her waist was grabbed by his large palm, and then she was kissed.

their tongues were entangled as he completely occupied her, not letting go of a single thing.

"Tang Yu." pei qiqi called his name helplessly. her small hands clutched his expensive shirt, forming a long crease.

Tang Yu got up and carried her to the bedroom.

she was thrown onto the soft bed. her long black hair was scattered all over the pillow, and her pajamas were rolled up above her knees, giving her a smooth feeling.

A small tender leg challenged his determination. Tang mo stood at the end of the bed, his face full of self-restraint but his slender fingers were unbuttoning his shirt.

His thin lips softly spat out a sentence, " "Very good PEI Qiqi. I think I should squeeze you dry first? Hmm?"

When he said the last sentence, he had already leaned over and his fingers touched her red lips.

pei qiqi couldn't help but laugh, "tang yu, that's what a woman should say. "

"But I'm not the one who's having a bachelor party!" His fingers played with her little tongue shamelessly, and his eyes were filled with emotion, which also indirectly tempted her.

She was originally smiling, but slowly, her smile disappeared. Her small face blushed with emotion as she accepted his kiss.

but he really kept on kissing yingluo.

after a long time, she kicked him willfully. "tang yu's xuanji "

her little feet rubbed against him as she silently pleaded.

his thin lips were next to her ear, and his voice was low and hoarse."Be good, beg me."

She said it obediently.

however, tang yu's heart was burning with anger. he felt that this wasn't enough. he made her even more angry. he said the last two words in a low voice, " say it, brother wanwan. " pei qiqi reached out and punched him.

"you scoundrel!" she bit her lip and glared at him.

Tang Yu chuckled and coaxed her.

no matter how much pei qiqi wanted to, she couldn't say it.

mr. tang raised his eyebrows and his fingers slowly stroked her small face."Qi Qi, are you really not going to tell me? If you don't tell me, I'm going to get serious."

she didn't believe that he would be serious!

10 minutes

half an hour later, pei qiqi snorted and crawled into his arms like a kitten. she obediently said those two words and then bit his shoulder.

he was too bad.

after that, she didn't have the chance to think about anything else. she was tormented by him and had no strength to think about it.

He didn't let her go until 5:00 pm before dinner. Mr. Tang took a shower and changed his clothes. He stood at the head of the bed and PEI Qiqi was still asleep.

He touched her face with his long fingers and smiled silently. "qiqi, it's time to wake up."

Oh, she turned over. So tired!

your bachelor party will be held at 7:30 pm. You can start preparing now. he reminded her out of the kindness of his heart, which felt sour.

PEI Qiqi flipped over again. So noisy!

"I've warned you," Tang mo said happily and happily went downstairs to have dinner with Xiao Xinxin.

xiao xinxin looked at her young and handsome daddi and crawled into his arms. " daddi, did you hit mommy with a hidden weapon again just now?

she paused for a moment and looked at tang yu carefully. she was filled with anticipation, " "Is little Xin Xin going to have a sister soon?"

tang yu was sweating.

even if he had undergone ligation, it would be useless even if he ran out of bullets!

"does little xinxin really want to have another sister?" He asked carefully and seriously.

She nodded her head carefully and seriously.

Tang Yu thought for a moment and then knocked her on the head, ” “then you’ll have to be careful and give birth to your own children when you grow up.”

Chapter 1048 Be good, be obedient!(2)

“I gave birth to my own child, how could it be a younger sister!” papa lied.

Tang mo asked the little guy,”Look, aren’t you also your mother’s sister?”

Little Xin was confused. Thinking about it, it seemed to make a little sense.

however, when she grew up and thought about this, she would think that her father was bad! daddy lied, it was daddy who couldn’t give birth!

tang yu accompanied his younger daughter for dinner. when they were done, he looked at his watch. it was already 6 pm.

Without hesitation, he didn’t wake PEI Qiqi up. Instead, he brought little Xin Xin to the study room and stayed there until 8 am.

after carefully coaxing her to sleep, he returned to the bedroom and asked the little guy, who was supposed to have a bachelor party, to lie on his big bed and sleep.

tang yu laughed silently again. he sat on the bed and tickled her little face, ” Qiqi, your bachelor party should start now.

At this moment, the phone on the bedside table lit up. It shook silently and Tang Yu had already set it up.

he took a look and saw that it was xiaowen and pei huan who had called.

he walked to the balcony with the phone in his hand and said in a good mood, ” “I’m tang Yu.”

on the other end, xiao wen was in high spirits and was about to call pei qiqi, but when she heard tang yu’s voice, all her high spirits disappeared. she sniffed and called out mr. tang. then, she asked carefully, ” “where’s our boss pei?”

boss pei? Tang Yu laughed silently again. His gaze fell on the little person on the bed. She was sleeping so soundly.

” boss pei is a little tired. he fell asleep, ” she said calmly.

He fell asleep? tired?

Xiaowen wailed in her heart. It was only a few hours, how could he be so tired that he fell asleep?

however, she had been through this before. her mind went blank for a few seconds before she came back to her senses.

Wait a minute!

Tired, sleeping?

oh my god, oh my god, was that what she was thinking?

Did Mr. Tang deliberately make boss PEI stay on the bed because he didn't want boss PEI to attend the bachelor party?

How many times must I do this to make it work?

Xiaowen was shocked, stunned, and refreshed.

she held her phone in a daze. on the other end, tang yu's chuckling voice came, "Have fun."

xiaowen was still in a daze, and then she smiled bitterly-

The main character wasn't even here. Who were they going to play with if they had a whole show? How could he be happy?

At this moment, Amy wrapped her arms around PEI Huan's neck and walked over. The two of them were of the same mind and hated that they had not met each other.

PEI Huan held her wine glass and was already drunk. how is it? you still don't have any intention of coming?"

Xiaowen's face fell. boss PEI, he's been beaten to death.

tonight, fearless was the one who spoke, and little wen was also particularly rough.

PEI Huan and Amy were stunned for a moment, but they immediately understood what Xiao Wen meant and said in unison, "It can't be?"

tang yu was so stingy?

speaking of this, pei huan had the right to speak and she snorted, "You guys don't know how dark Tang Yu's heart is! sometimes at banquets, he doesn't want qiqi to wear low-cut or bare-back clothes and would directly leave hickeys on her body, hehe."

amy's little wen screamed.

"Also, if you look at other men a few more times and say that other men are good-looking, then don't even think about sleeping at night. She won't dare to look at it again." PEI Huan's face was full of disdain. this kind of man looks noble but he's actually very coy. He doesn't say anything and doesn't show it. He's just a coward.

the expression on pei huan's face was especially exaggerated as she snorted, "He's going to kill you!"

Chapter 1049 Be good, be obedient!(3)

Amy cupped her face in her hands, her little face blushed, "wow, so charming! he's rich too. please give me a dozen of such men."

"hmph!" pei huan couldn't stand her anymore and snorted. "let's see if you have the energy to play games with the overbearing ceo in bed first."

amy didn't agree with this, "pei qiqi's petite body isn't even as strong as mine!" she was too embarrassed to say the word "grass-resistant" because she was a girl!

pei huan sneered and laughed at amy's naivety, " you know, i grew up with pei qiqi. for example, even two of me can't beat her. "

pei qiqi didn't learn martial arts but she was very strong.

Actually, PEI Huan really wanted to wipe her tears for herself. The beast in her house was so strong and she needed to cherish it.

it had only been 42 days, and that animal, kanmingzhu, had been doing it with her all day and night.

Her waist was about to break, and she had not rested for a day in a week.

They were just relaxing today. PEI Qiqi wasn't here yet. What a killjoy. To think that they even prepared a strong man with long breasts for PEI Qiqi.

pei qiqi had always envied her for being able to pluck out the hair on her chest, so they found one for her to satisfy her cravings.

however, the main character didn't come. xiaowen asked worriedly, " "What about the man?"

They had to pay 50000 Yuan before they were willing to pull it out.

PEI Huan looked at Amy,"oh, oh, let her have it!" She's the only one here without a man. "

Amy snorted,"PEI Huan, you really know how to poke at people's hearts!" &Nbsp;

pei huan hooked her arm around her and her eyes were a little seductive."then amy, if you don't want it, you can give it to me!"

amy thought about it and hmphed,"change the set meal!" it's not good for me to pluck my xiongnu, i want to use real guns."

Xiao Wen was shocked by Amy's boldness, she swallowed hard.

pei huan was also a little drunk and patted amy, " "good job! it's my treat, and i'll add another 100000. you can play however you want!"

so, it was a wise move for tang yu not to let pei qiqi come over.

in the early hours of the morning, pei qiqi suddenly woke up.

She opened her eyes and grabbed her phone to look at the time. Then, she covered her eyes and wailed.

She climbed onto Tang Yu's body and bit his neck, " Tang Yu, why didn't you wake me up? "

she bit his neck angrily, wishing she could eat his flesh!

" pei qiqi, i've called you a few times. you were the one who said you were sleepy. " he patted her, signaling for her to come down, but pei qiqi refused to. she stayed in his arms.

"you obviously did it on purpose." she bit her lip and looked at him with accusation.

How did he seduce her at that time? he tortured her while keeping her in suspense and coaxing her by saying, "brother, come in!"

she had already said those embarrassing words, yet he was still scheming against her!

pei qiqi angrily bit his neck again. tang yu let her bite him but reminded her, " "mrs. tang, our wedding is in 10 hours. are you sure you want me to attend the wedding with a neck full of hickeys?"

she hung on him like a little monkey, her four slender limbs clinging to him, and she snorted softly. " i don't care. "

just like that, she bit him disobediently, like a kitten.

Tang Yu lowered his head. Suddenly, he asked in an eerie and gentle tone, " "pei qiqi, do you really want to enjoy the man xiaowen prepared for you? "

The little kitten on his body stopped biting him. It looked up at him with a startled gaze.

How did Tang Yu know?

Tang Yu looked at her and snorted, " why aren't you biting me? " Weren't you biting me with all your might just now?"

PEI Qiqi bit her lips and lowered her voice, " how did you know? "

Then, she glared at him, " Tang Yu, you're despicable! to investigate me?"

"Mrs. Tang, I have the right to know what my wife has been doing behind my back!" he pinched her little chin and said unhappily, " "fierce man? there's xiongnu?"

pei qiqi was cursing xiao wen in her heart for being such a failure. how could she find a strong man? even if she wanted to, she had to do it secretly!

her imposing manner was extinguished. she looked up and stared at tang yu, " i didn't want it. "

"It seems like you're innocent!" "Then forget it. There's no next time." Mr. Tang generously expressed his intention.

PEI Qiqi heaved a sigh of relief. Then, she felt that something was wrong!

he was the one who was up to no good, so why was she the one who had to thank him in the end?

when he glared at tang yu again, tang yu assumed the posture of a superior. he leaned against the headboard and flipped through a magazine, " Qiqi, if I can't satisfy all your expectations, it's my fault. I'll be more careful in the future.

He was calm and collected, but PEI Qiqi's hair stood on end.

she glared at him and tang yu smiled, " let's start tonight! "

"i haven't eaten yet." pei qiqi's voice was as sweet as honey.

Tang Yu looked at her and smiled. He put down the magazine in his hand and placed his fingers on his belt.

his actions were especially alluring, and there was also a hint of a hint.

PEI Qiqi licked her lips and felt little embarrassed by the crazy thoughts in her head- then, he threw his tie in front of her.

She looked up at him. Tang Yu had her in his arms. He whispered in her ear, " Mrs. Tang, you can do whatever you want with me tonight.

PEI Qiqi looked at the tie in her hand and swallowed her saliva, " "Can I request a whip and a candle?"

tang mo's face was black.

pei qiqi immediately told him that a tie was enough.

That's enough, hehe.

Little Yuyu, I'll take good care of you tonight, Yuyu.

Reality had proven that she would never be able to win against this unscrupulous merchant. She did not understand why, in the end, she was the one who got the lead.

PEI Qiqi wanted to cry but no tears came out. Even when her voice was hoarse from begging, he still didn't let her go.

Tang Yu, we're getting married. she reminded him.

tang yu's sweat dripped onto her body. it was so hot that she almost jumped up.

his handsome face was slightly twisted because of his emotions. he didn't stop and just pinched her little chin to force her to open her mouth. he kissed her deeply. pei qiqi felt like she was being tortured to death by him. she twisted and struggled but couldn't break free.

the two of them were entangled like fish without water.

Just as PEI Qiqi was panting and calming down, Tang Yu kissed her lightly on the lips. His eyes were deep, " PEI Qiqi, you still know you're getting married, huh? "

She only realized later that he was angry!

but now, tang yu's anger had probably dissipated.

PEI Qiqi was a little embarrassed. She lay flat and didn't dare to say anything.

even though she was mischievous sometimes, tang yu still had quite a lot of authority in her heart.

she bit her lip and looked at him secretly. after a while, she said softly, " "That ... Why are you still angry?"

"why should i be angry?" Tang Yu snorted and turned around to sleep.

pei qiqi was still hungry and he had no intention of letting her eat. however, he seemed to be really angry. she hugged him from behind and pursed her lips, " tang yu. "

He did not speak.
