

Thank you 1051

Chapter 1051 be good, be obedient!(5)

she nudged her head against his back again. "it wasn't my idea! i also won't go to that place."

it was rare for her to coax him, and she also felt that his awkward look was quite cute.

tang yu snorted and didn't bother with her.

Tang Yu! Wuwu! She dragged out the last syllable, trying to please him. what do you want? "

The girl begged him from behind, her soft and boneless hands wrapped around his waist, and her face was pressed against his back. Even a heart made of stone had probably melted by now.

"i can do whatever i want, " tang yu asked softly.

she nodded her head vigorously.

"even whips and candles will do?" tang mo smiled.

pei qiqi's little face was bitter.

tang yu turned around and took her into his arms. he patted her gently like he was petting a pet, " "Alright, I'll go cook for you."

pei qiqi raised her head and carefully asked, " "You're not angry?"

"i've never been angry!" he pinched his little face and said, 'i'm just teasing you! You little fool!"

pei qiqi wanted to glare at him, but she couldn't bear to do it. on such a quiet night, only the two of them were awake and they hugged each other so softly.

She was wearing white pajamas and was carried downstairs by Tang Zheng like a little princess.

she sat on the kitchen counter and hummed a song. tang yu made her paella. every now and then, he would frown, " "qi qi, it's so unpleasant to hear!"

PEI Qiqi pouted, "many people say my voice is very nice!" &Nbsp;

Tang Yu put the paella on the small table and turned around to walk to her. He placed his hands on her waist but wasn't in a hurry to carry her down. Instead, he whispered into her ear, " "qiqi, you're tone deaf. didn't anyone tell you? "

"No, I'm not." she willfully kicked him with her little foot, but he held it in his hand and played with it shamelessly again. in the end, he smiled thoughtfully and said in a low and hoarse voice, " "yingluo sounds pretty nice!"

"shameless!" This time, he exploded. PEI Qiqi fiercely punched his shoulder and he carried her up. She acted like a little madman and acted coquettishly. The young man and woman entangled together in the middle of the night and their meal was also a mess.

in the end, he carried her to the kitchen counter and did it once.

as long as pei qiqi thought about how the food at home would be carried out from here in the future, she would feel too ashamed to face anyone.

Moreover, no one had ever been carried into the car in their pajamas on their wedding day.

When PEI Qiqi woke up, it was already nine.

She was awoken by Tang Zheng's kiss. He was already dressed in a black suit, handsome and full of self-restraint.

pei qiqi's little hands wrapped around his neck, " morning, mr. tang. "

"morning, mrs. tang." He kissed her on the lips. have your breakfast first. The ceremony will start soon.

she lowered her head to look at her pajamas and looked at him sadly.

tang yu smiled, " we can make it in time. "

Half an hour later, PEI Qiqi sat in front of the mirror and looked at her reflection.

She was wearing a white, off-shoulder wedding dress that was cut with the most expensive lace and custom-made in Italy. This wedding dress alone cost millions.

The stylist helped her style up and lowered the veil.

She stood there like a princess.

xiao wen helped her to the main hall of the cruise ship. pei qiqi was a little surprised.

this place was so big that she couldn't imagine it. if she didn't know in advance, she would have thought it was in the lobby of some hotel.

Her eyes were a little moist, knowing that he had put a lot of thought into it.

Chapter 1052 heaven in a single thought, tang yu, i love you

The gorgeous ship Hall was beautifully decorated, and the crystal lights were extremely luxurious, all of which were made of Italian crystals.

on the ground, a long red carpet was laid all the way to the bottom. on both sides of the two large rows of tables, there were pure silver tableware and candlesticks. the word " wife lover " was engraved on the back of each piece. a pink rose was placed in front of each guest seat. only the main seat had 999 red roses.

shen chongshan was already standing at the door, taking his younger daughter.

"dad," he said. PEI Qiqi's eyes were a little wet.

She knew that Tang Yu's wedding was to give her a chance to walk the red carpet with her real father. At this moment, her hand was being held by Shen Chongshan. She was very happy.

Shen Chongshan had probably restrained himself for a long time. Although his figure could not be compared to before, it was much better than before. He had lost about 20 pounds, and even wearing formal clothes showed some of his former elegance.

He held PEI Qiqi's hand and slowly walked forward.

It was as if he had returned to the time when he was young and when he was with Zhao Ke.

his negligence had hurt a woman who loved him and made her life a tragedy. he had also hurt his wife and daughter. shen lian couldn't tell who she was now. one moment, it was shen lian, and the next moment, it was tang xin.

now, he gave qiqi to tang yu. for the rest of his life, he would use her to atone for his sins.

shen chongshan walked slowly, passing through the long walkway, passing through mrs. shen, passing through pei huan, passing through old kan, passing through the lin family, including lin jinrong. No one could stop them from falling in love and being together.

In the end, he handed PEI Qiqi over to Tang Yu. pei qiqi placed her hand in tang yu's. she raised her head and looked at him through the veil.

they met each other every day, but at this moment, she still felt that he was as handsome as a god, making her heart tremble.

There was no priest, only a simple exchange of rings and Visa documents.

although it was simple, it was solemn! after doing all this, he kissed her deeply.

at the same time, the fireworks were opened and the crowd cheered.

In the midst of the laughter, there was a sudden cry, calling for Daddi and Daddi.

It was little Xin Xin!

pei qiqi and tang yu's bodies froze. following the sound, they slowly, slowly turned their heads around in shock.

he saw an unexpected person, shen lian!

Shen Lian was wearing a white wedding dress and standing at the door. She was carrying a child, little Xinxin, in her hands. A knife was pressed tightly against little Xinxin's neck. There was a trace of blood on the edge of the knife.

all the blood in pei qiqi's body seemed to freeze.

shen lian smiled gently, "pei qiqi, my dearest sister! Congratulations!"

Her gaze shifted to Tang Yu. and you. The man I love the most.

shen lian's mind was in a daze. she seemed to be talking to herself, today's your wedding day. No, wait, it's my wedding day with Tang Yu.

"yes, i'm getting married to tang yu. " Shen Lian's voice was mournful, " PEI Qiqi, you only deserve to die!

As Shen Lian spoke, she lowered her head and looked at the heart in her hand. look, this is the child I gave birth to for Tang Yan. It's so pretty and cute.

PEI Qiqi's eyes were filled with tears and her lips trembled. She held onto Tang Yu's arm so tightly that she almost dug her fingers into his flesh. She mocked Shen Lian for putting on an act!

She had lied to all of them!

However, she did not dare to make a sound for fear of provoking Shen Lian.

Her carefulness must not be harmed!

tang xin was no longer here, and nothing could happen to her.

Chapter 1053 Heaven in a single thought, Tang Yu, I love you

Just then, Mrs. Shen covered her mouth and cried, " "Shen Lian, haven't you done enough? Stop and let the child go."

Shen Lian snorted and looked at her mother. She sneered-at this moment, her mother was still speaking up for that b * tch!

"Mom, do you know why I'm fine?" shen lian sneered,"i did take the medicine that day, but i vomited once in the bathroom!"

"So, I pretended to be crazy and no one suspected me!" she laughed happily. just now, she took advantage of the time when everyone was giving their blessings to pei qiqi and tang yu to get their little babies.

This child was actually their child. Tang Yu had been fooling her all along!

They deserved to die!

shen lian's mind suddenly went into a daze and she could not help but daze.

Madam Shen's face was full of tears as she looked at her daughter in pain.

What a sin! Why did her daughter become like this? she had become a demon.

Shen Lian's voice was very soft,"mom, what are you talking about?" How come I don't understand? Why would I hurt my child?"

she lowered her head and pushed the knife in her hand forward. suddenly, a stream of blood came out and stained her little white dress.

Xiao Xinxin's eyes were filled with tears. She opened her eyes wide and looked at her father. She didn't dare to cry.

her father was telling her not to cry.

be careful, don't cry. be careful, be brave!

"Is this the way to hurt him?" shen lian laughed hysterically, " tang yu, pei qiqi, does your heart hurt? I'll tell you a secret. My leg hurt like this when I didn't have it. "

she shook her head slightly and gently drew the knife across xiao xinxin's neck.

Xiao Xinxin's tears were rolling in her eyes, but she didn't dare to fall. pei qiqi's heart broke when she saw that.

"Shen Lian, what do you want?" she tried her best to steady her voice.

shen lian stared at her little face and laughed, " look, pei qiqi. you are still so high and mighty. do you think it's like the past? "

With a wave of her hand, a strand of Xiaoxiao's hair fell and flew into the sea.

Xiao Xinxin finally cried out of fear.

listen, this is the child's cry. Doesn't it sound like Tang Xin? " Shen Lian's face was twisted. In addition to her wedding dress, she looked even more demonic.

PEI Qiqi's body trembled. If it wasn't for Tang Yu, her legs would've gone soft and she would've fallen.

"shen lian, that's enough!" shen chongshan said in a deep voice.

"You shut up!" Shen Lian took a few steps back and said sternly.

her feet were barely on the deck, and the sea was behind her.

at this moment, tang yu and pei qiqi followed them and realized that there was a speedboat on the side of the cruise. there was a man tied up on the boat.

the unexpected qin anlan.

qin anlan sat on top, his face was unnaturally red.

"do you see him?" Shen Lian raised her eyebrows and gave a weird smile. She used one hand to guard herself and the other to throw a bottle at PEI Qiqi's feet, " take the medicine inside. There are five pills in total. I want to see you eat them together.

the bottle rolled to pei qiqi's feet. she lowered her head and looked at it. she was in a daze for a moment. then, she looked up at shen lian.

don't haggle over it. Eat it now, or your precious daughter's neck will probably be cut in half. Shen Lian's long hair was blown away by the wind and was blown wildly by the sea breeze.

she began to count down,"ten, nine, eight, seven."

"Shen Lian, you can tell me whatever you want, including myself!" tang yu held pei qiqi down and said slowly.

Chapter 1054 heaven in a single thought, tang yu, i love you

Shen Lian laughed out loud, " Tang Yu, do you think I'll still believe you?!

he was giving himself to her?

Did he still have her?

his entire being and his entire heart belonged to pei qiqi. what did she want him for?

“Don’t come over!” shen lian’s face twisted,”don’t come over!” Otherwise, I’ll definitely do something terrible.”

The knife in her hand was pressed against little Xinxin’s neck. If she went down, little Xinxin would be gone.

pei qiqi gently pushed tang yu away and pursed her lips, ” “i’ll eat it!”

she unscrewed the bottle. there were four white pills and one red pill inside.

“PEI Qiqi, do you know what that is?” shen lian gently smiled,”that is spring.”| medicine!”

PEI Qiqi’s face was expressionless. She put the medicine in her mouth and whined.

tang yu’s voice was so urgent that it was terrifying, ” qiqi! ”

“tang yu! you have to save little xin, okay? She’s only three years old.” pei qiqi said with tears in her eyes. she knew that her decision was cruel to tang yu, but she had no choice.

even if she had to go to hell, she had to live carefully.

“very good! it’s a great maternal love!” Shen Lian’s face was filled with ferocity. “tang yu, you can’t bear to leave her, right? “In a while, we’ll watch the woman you love the most go down. When the effects of the drug are over, we’ll watch her with her eyes fixed on you. We’ll see how she’ll climb onto Qin Anlan and beg him to take her.”

She lifted her chin and laughed hysterically. I forgot to tell you that Qin Anlan has also taken his medicine. He can handle ten women at the same time.

The way Tang Yu looked at her was like he wanted to grind her bones into dust.

now, the more he hated her, the happier she was.

” tang yu, if you see her acting like a bitch, you won’t think of her as a pure and innocent woman anymore. then, you’ll despise her. ” shen lian laughed happily. the day she had been waiting for had finally come.

PEI Qiqi walked to the steps and looked at Shen Lian, ” “let the child go.”

“if you leave, i will naturally let go of the child and focus on the performance.” Shen Lian’s eyes were cold, a cold that was devoid of humanity. However, she quickly smiled, PEI Qiqi, I know that you must be regretting not killing me back then.

“Between the two of us, it’s either you die or I die.” She gritted her teeth. I’ll give you ten more seconds. If you don’t go down, I’ll let your baby daughter meet that stupid Tang Xin in heaven.

PEI Qiqi turned around and looked deeply into Tang Yu’s eyes.

there was too much pain in her heart.

tang yu instinctively grabbed her hand. ” qiqi, pei qiqi! ”

“i love you.” she mouthed this to him. her voice was only slightly hoarse and almost unrecognizable, but he understood. he understood.

he was a thousand times more regretful than her for not getting rid of shen lian.

his and qi qi’s kindness had led to today’s ending, and his heart slowly became cold and hard.

However, for the sake of little Xinxin’s safety, he could only bear with it.

he looked at pei qiqi and could only watch as she slowly let go of his hand.

the railings on the deck opened up and led to the small boat. when pei qiqi walked down, she suddenly pulled down her veil and raised her kasaya.

The people she had thrown away were all frightened by the determination on her face. Even Xiao Xinxin called out for her mother in a daze.

It was possible that she realized that she would not be able to see her mother again.

Little Xin forgot to cry and forgot everything.

PEI Qiqi looked at Tang Yu. A tear fell into the sea. It was the last bit of gentleness she left him.

it was as if she was still enjoying herself in his arms last night, and she was still biting him all over his body.

Chapter 1055 heaven in a single thought, tang yu, i love you

tang zheng rushed to the railing, his adam’s apple rolling. ” qiqi, come up! ”

she still had time to come up.

However, PEI Qiqi didn’t listen to him. She stepped onto the small boat with determination. Her face was already red.

“let go of my child, or i won’t let you off!” i won’t even if i die.

pei qiqi’s eyes turned red. the moment she stepped onto the boat, it was like she was on a road of no return.

shen lian didn’t let her guard down immediately. she wanted to see pei qiqi, the fake saint, climb onto qin anlan’s body.

But the next second, she was stunned.

pei qiqi sat in the driver’s seat and started the boat.

the water splashed and splashed on everyone's face. the sea water was cold, but they could taste the saltiness ...

Those were PEI Qiqi's tears.

Tang Yu cried.

he clenched his fists.

he knew that this farewell might last forever.

Qin Anlan and Qiqi were both drugged. She took the other four pills. If she did not guess wrong, Shen Lian must have fed Shen Zhongshan the medicine. Shen Lian ate it herself and became like this.

His Qi Qi! His heart clenched tightly, and he even had the thought of chopping Shen Lian up.

However, being careful was his biggest weakness.

and the pure and white figure of qi qi's back was actually farewell!

The surface of the sea was shaking. That slender figure was the last trace of warmth in his eyes.

He knew that Qiqi would rather die than embarrass herself, and she was not willing to embarrass him.

he looked at shen lian with red eyes.

Shen Lian looked into the distance in a daze. she can actually drive.

Of course she didn't know, because he had just taught her a few days ago.

Shen Lian's eyes went from shock to confusion. In the end, she actually laughed, " Tang Yu, she's gone. She won't be able to live anymore. Let's live a good life with little Xinxin, okay?

tang yu's lips were tightly pursed. he watched as shen lian's hand loosened a little but then tightened again.

His heart was filled with sorrow, but he had no choice but to feign civility. alright.

This "okay" contained all of his disgust.

shen lian chuckled. " do you think i'll believe you? "

Her expression suddenly turned vicious, " PEI Qiqi left. How cruel! She didn't even consider the fact that her daughter is still in my hands. How can I let her go if I'm not satisfied?"

however, shen lian did not know that there was a small boat on the yacht. it was now behind her and the people on it were silently approaching her.

that person was old kan.

old kan quietly followed behind her. he put his hand on his lips and whistled. shen lian instinctively turned around. at this moment, little xinxin was carried by tang yan. shen lian was kicked into the sea and was stunned. however, old kan still pulled her up.

tang yu hugged xin xin tightly, ” daddy’s going to find mommy. xin xin, be good. ”

Little Xinxin was twitching. little Xinxin wants mommy.

He handed the child to his mother. Old kan had already pulled the boat over. Tang Yu jumped off, took off his jacket, and quickly drove towards the direction where PEI Qiqi disappeared.

.....

On the other side, PEI Qiqi drove for ten minutes. Her vision started to blur and her body started to heat up.

She knew that she could no longer drive. If she continued, she would die, and Qin Anlan would die.

The small boat slowly stopped in the middle of the sea and swayed with the waves.

She walked over and kicked Qin Anlan. Her voice was a little weak.”are you alright?”

qin anlan’s adam’s apple bobbed uncontrollably. he looked at her with bloodshot eyes as if he wanted to swallow her alive.

1056 Heaven in a single thought, Tang Yu, I love you

pei qiqi pursed her lips and took a basin. she leaned on the side of the dinghy and filled it with seawater. then, she walked over and poured the water over his head.

” qin anlan, are you awake? ” she looked at him, her breathing a little rapid.

qin anlan shook his head and sobered up a little.

he didn’t really remember how he fell into shen lian’s trap. he only remembered that he became like this after drinking a glass of wine. at this moment, his body was very tense as if it was about to explode. he felt especially uncomfortable.

He wanted a woman, and he desperately wanted a woman.

he looked at pei qiqi, his gaze deep and his voice hoarse, ” “You’re awake.”

He wanted her.

At that moment, Qin Anlan was like an animal with the hunting characteristics of a male.

pei qiqi used her last bit of will to let go of him.

qin anlan shook his hand. pei qiqi sat at the side. she was wearing a pure white wedding dress. she wore it for tang yu. her face and body were abnormally red.

she curled up and looked at qin anlan. ” “No matter what, don’t touch me.”

she lay on the side of the boat, trying to wake herself up. she wanted to splash her face with seawater to calm the restlessness in her body.| the heat subsided a little

She was very uncomfortable, very uncomfortable.

But she only wanted Tang Yu.

she was worried about being careful, so the effect of the medicine on her was reduced. otherwise, she wouldn't have been able to drive the boat here.

however, qin anlan hugged her from behind. pei qiqi's body froze.

"pei qiqi, i've always liked you. " he buried his face in her neck and suddenly turned her body around. with a big hand, her wedding dress was torn into pieces.

pei qiqi screamed. she wanted to escape, but in this vast ocean, she had nowhere to run.

qin anlan hugged her from behind. heaven and earth, so straightforward. this world, so simple and disdainful.

"I can't take it anymore!" he hugged her and ignored her struggles. his fingers gently caressed her red lips, "pei qiqi, be good. "

his expression was almost pained, he was panting painfully.

if the person in front of him wasn't pei qiqi, perhaps he wouldn't be so emotional.

But she was!

he knew that he was hugging someone else's wife! She was drugged, but she still refused to let him hold her.

pei qiqi screamed and kicked around. the crystal shoes on her feet flew off and fell into the sea, floating on the surface.

"Qin Anlan, are you crazy?" she screamed.

she held on to her last glimmer of hope. she hoped that qin anlan would wake up and bring her back.

but now, xuxu was both embarrassed and angry. she could feel his hand pulling up the zipper of his pants!

Her long hair was scattered on her shoulders, and her eyes were full of tears.

Perhaps, after taking that medicine, she would become stupid and forget everything.

In that case, Why Don't You Just Die cleanly?

she did not know where she found the strength to break free from him. she ran to the other side of the boat. "qin anlan, i'd rather die. "

Her eyes looked into the distance. It was in Tang Yu's direction.

he knew that she loved him.

PEI Qiqi didn't give Qin Anlan any time to react and jumped straight down.

she knew that qin anlan had had feelings for her for a long time. now that they were fed the medicine, she was afraid that she wouldn't be able to endure it.

when that pure white jumped down, qin anlan's adam's apple bobbed. he became much more awake and jumped down without thinking to take a stroll.

PEI Qiqi, you can't be in trouble!

i haven't given up yet, i haven't given up on hanhan, i haven't waited for you to love me!

Chapter 1057 She was very cold to him (part one)

he looked for her figure in the sea, looking everywhere. a minute later, he saw that pure white figure slowly falling!

he grabbed her arm and pulled her over.

However, her feet were entangled in the seaweed. He could only go over and pull the seaweed away, but he couldn't do it after a long time.

PEI Qiqi closed her eyes and shook her head.

'Qin Anlan, leave. If you don't, you'll die with me!'

qin anlan hugged her with one hand and used the other hand to pull her away. they finally pulled her away, and they used the buoyancy to move upwards.

After being underwater for so long, PEI Qiqi's face turned pale and her hands drooped.

she might not be able to survive. she only hoped that tang yu could save little xinxin.

She didn't regret her choice. She loved her child.

Little heart is so cute.

qin anlan covered her lips and transferred the air in his mouth to her. she could vaguely feel it and tried hard to open her eyes.

'Qin Anlan, you bastard!'

You fool!

you should hate me!

she tried her best to push him away, but no matter how hard she pushed, she could not move him at all.

he hugged her tightly, his voice muffled.

if you want to see him, live on!

Live on, Yingluo.

Who was talking to her?

PEI Qiqi tried her best to open her eyes, but she couldn't.

she could only hear a voice in english, " why is my wife not awake yet? "

"Mr. Qin, Mrs. Qin's physical condition is stable. She should wake up soon." A man with a strong United Kingdom accent replied.

PEI Qiqi tried her best to open her eyes. A crack appeared. In front of her was a black-haired Asian man and a golden-haired man. She instinctively felt that the black-haired man was closer.

“may i ask where mr. qin is?” they said she was mrs. qin, but what about mr. qin?

Her gaze fell on Qin Anlan’s face, and she instinctively felt that he was.

Qin Anlan’s clenched hand trembled.

pei qiqi had forgotten everything!

“i’m an lan! your husband.” Qin Anlan closed his eyes and told a perfect lie. Qiqi, you fell into the sea on the day of our wedding. do you remember now?”

PEI Qiqi’s eyes were a little dazed. She still couldn’t remember.

” it’s okay. our qiqi will think about it slowly. she will remember it eventually. ” Qin Anlan hugged her and planted a kiss on her forehead. you’ve been sleeping for a month. Do you feel uncomfortable?”

PEI Qiqi shook her head, ” just hungry.

qin anlan smiled faintly. ” i’ll make you your favorite paella. You used to eat it all the time! however, i can only have some plain porridge today.”

he first gave her a little hope, and then gave her a blow.

PEI Qiqi was a little confused, ” paella? ”

She actually couldn’t remember the taste.

A week later, she was discharged from the hospital and returned to Qin Anlan’s apartment in Manhattan.

It was an extremely luxurious apartment. The entire floor was designed with floor-to-ceiling windows that were transparent on all sides. At night, one could see the entire night view of new York from any angle.

pei qiqi looked around and ran around the apartment barefooted, trying to find a familiar place.

However, she was a little disappointed. She had forgotten all about it.

she leaned on a small bar counter in front of the floor-to-ceiling window and supported her chin with her hand. she looked at the night view outside and felt empty inside.

she raised her hand and saw a perfectly cut pear-shaped diamond ring on her ring finger. she stared at it blankly.

They got married just like that?

Chapter 1058 She was very cold to him (part two)

Qin Anlan was very handsome and rich. He was King Entertainment’s CEO and he treated her very well. He treated her so well that she felt pressured and felt like something was missing!

“What are you thinking about?” As he spoke in a hoarse voice, his arms hugged her from behind and swayed gently. His thin lips were on her small neck, absorbing her warmth.

when he hugged her, she felt a little uncomfortable. she instinctively wanted to break free, but she felt that it was too obvious.

they were husband and wife and pei qiqi had seen their marriage certificate!

She still had some doubts in her heart, but they disappeared after she saw it.

Now that he was hugging her, PEI Qiqi bit her lip, ” no, Yueyue, I’m not thinking about anything.

Qin Anlan chuckled. Qiqi, do you like it here? ”

she hummed in agreement.

“I’ll take you to your photography studio.” He pulled her up. you’re a freelance photographer. Do you remember? ”

She was led into a room by him, and she was stunned the moment she entered.

the room was filled with light and shadow, and there were many works of art pasted on the walls. there were also many of the most awesome cameras in the hidden compartment.

She knew instinctively that any movie she picked up would cost hundreds of thousands.

After taking it, the corners of his mouth curved up and he aimed it at Qin Anlan. “An LAN, smile.”

Qin Anlan’s heart trembled. She had called him an LAN!

behind him was the bustling new York, but none of that could compare to her smile.

qin anlan smiled and was smacked by her.

“an lan, quickly come over and take a look.” Her voice was light.

With one hand in his pocket, he slowly walked over, and she showed him the photo naturally.

She took a good shot and accurately captured the smile on his lips.

Qin Anlan looked at her and then at her small face. He placed the camera in her hand on the table beside her.

“An LAN?” she was stunned and looked at him in confusion.

instead, he carried her to a table and cupped her small face. his voice was hoarse.”Qiqi, I want to kiss you.”

He rubbed her delicate little face with his dry hands and lowered his head slightly, pressing his forehead against hers. He did not immediately start to speak, but asked softly, ” “Can I?”

Her face was burning hot and her body was trembling.

Qin Anlan lowered his head and took her little mouth in his. He kissed her fiercely.

his entire body tensed up from the excitement, and he tried to kiss her deeply.

She was so shy that she refused, but he didn't force her. He sucked on it gently with his mouth and rubbed it against her.

he was a little engrossed in the kiss. a large palm was placed on her back, comforting her back and forth because her body was very stiff, but she did not push him away.

Qin Anlan was a little overjoyed. He kissed her small lips, her cheeks, and her brows.

PEI Qiqi didn't feel much. She only felt that Qianqian was being licked by a dog.

But she was too embarrassed to say it, because he seemed to be enjoying it.

Why would anyone be willing to exchange saliva?

The contact between their lips was already her limit.

&Nbsp; finally, she reached out and rubbed her stomach. an LAN, I'm hungry.

Qin Anlan was Wang Qing. He was stunned for a moment, then he sighed and ruffled her hair.
"Alright, let's go eat!"

PEI Qiqi acknowledged him and obediently followed him out. She sat at the dining table and Qin Anlan brought two plates of paella over, "you kept asking for it.

He wouldn't tell her that he spent a month learning how to cook this dish because Tang Yu often made it for her. He wanted to know how to cook it too.

Chapter 1059 she was very cold to him (part three)

PEI Qiqi ate it in small bites and he looked at her, " "Is it good?"

she smiled until her eyes curved. " it's delicious! "

"Eat more if it's good." he touched her head. " you'll remember after eating more.
"

his eyes were deep, but i'd rather you never remember.

Be my wife forever.

He knew that he was despicable. When he saved her from the water and hit a cargo ship, he knew that it was possible that she would belong to him.

she had been in a coma for a month. when she woke up, she had forgotten who she was.

he had told her that she was his wife, but she had been skeptical. he had shown her the marriage certificate, and she had believed him.

She was living happily and had forgotten the past.

sometimes, when he looked at her, he would actually be in a daze and feel that all of this was not so real.

pei qiqi raised her eyes and glared at him. then, she lowered her head and continued eating, " it's good that you can't remember! "

she pinched his face. " i can be a rice weeper for the rest of my life! Mr. Qin."

qin anlan patted her little hand. " wait a minute. "

he got up and left her to eat alone.

PEI Qiqi looked over, " an LAN, aren't you going to eat? "

"I'll be there in a while." his voice was heard and he came over after a while. he handed her a card. " qiqi, this card is my supplementary card. there is no limit. "

"i really want to be a rice weeper!" She took the card from his hand and did not stand on ceremony with him.

qin anlan smiled. it was only then that he remembered that they were now a " married couple ". it was natural for her to behave like this.

he suddenly leaned over to her ear and said in a low voice, " "I have a video conference to attend in a while, so you can take a shower first." After that, he added in a hoarse voice, " "Qiqi, don't fall asleep."

she blushed and looked at him while eating. " "it looks like you've been hungry for a long time."

he smiled, ruffled her hair, and got up to take a walk.

after he left, pei qiqi realized that he hadn't even touched his paella.

he shouldn't like it. if he didn't like it, then so be it. why did he have to make two?

pei qiqi didn't understand and wanted to ask, but she decided against it when she remembered that he was in a meeting.

i'll help him cook noodles later! she naturally thought ...

However, below?

Did she often eat noodles?

pei qiqi shook her head and restrained the crazy imagination in her mind.

but in the end, she still couldn't control herself and walked into the kitchen. she opened the refrigerator skillfully to find the ingredients.

She made a bowl of chicken noodles by instinct.

When the bowl of fragrant noodles was filled, she smiled slightly. "So this is what I'm best at."

Qin Anlan walked out and saw her staring at a bowl of noodles in a daze.

He slowly walked forward, and when he saw the bowl of noodles, he couldn't help but close his eyes.

sure enough, there was something called instinct that couldn't be erased.

"do you want to eat chicken noodles now?" he smiled faintly.

“i remember that you like it more.” After she finished speaking, she was also stunned.

Qin Anlan suppressed the frustration in his heart and smiled. I still have things to do. I’ll come back to eat later!

he fled in panic.

he brought her to live in the United States. she forgot everything from the past, but tang yu was still living their lives!

it was 10 p.m. new York time. qin anlan took a shower in the bathroom attached to the study.

He walked to the floor-to-ceiling window in the hall and stood there, looking down at the night view of the entire city.

Ever since he was born, he had owned King Kingdom. However, even though he owned the entire entertainment industry, he was still not half as surprised as PEI Qiqi.

Chapter 1060 she was very cold to him (part four)

that little thing, when she smiled at him and spoke to him in a soft tone, he felt that he could give her the whole world.

he held a glass of red wine in his hand and slowly sipped it. at this time, she was in his bedroom, on his bed.

Tonight, he could possess her with a legitimate reason.

perhaps she would cry, but that was just a small temper and not because she was someone else’s.

she was his, qin anlan’s, now.

Slowly, he finished the wine in the glass in one gulp, put down the glass, and turned to walk towards the bedroom.

There was a small night light in the bedroom. It gave off a very charming feeling. PEI Qiqi wasn’t asleep yet. She was reading a heavy book.

Qin Anlan was dressed in a black sleeping robe. He leaned against her and took the book from her hand and placed it on the bed.”qiqi, time to sleep.”

his tone sounded like an old couple. pei qiqi responded with an ” oh ” and looked at him. then, she pulled the blanket over her and lay down. she closed her eyes and turned her back to him.

qin anlan also turned his body and said in a low and hoarse voice, ” “qiqi, what if i’m going to do something?”

She turned her head and looked at him under the dim yellow light.”an lan, i’m so tired! Next time, okay?”

she begged him and was even willing to hold his arm and shake it gently.

Qin Anlan lowered his head and looked at the little person in his arms. He laughed softly. Qiqi, you just have to lie down.

she bit her lip. ” an lan, but huahua. ”

“no buts!” He had already kissed her little mouth and murmured, ” “i want yingluo.”

he held her little mouth in his mouth, cherishing it very much, but her little teeth were tightly clenched, so he couldn’t go in even if he wanted to.

qin anlan turned and kissed her lips, all the way to the side of her ear, leaving a trail of heat.

He leaned close to her little ear and said in a low voice, ” Qiqi, open your mouth.

She trembled. Qin Anlan leaned over and looked at her beautiful face with his dark eyes. He lowered his head and kissed her again, but she still gritted her teeth and resisted.

“how can this be good!” he sucked on her small mouth and pinched her small chin with one hand, using a little force.

she was forced to open her little mouth, and he took the opportunity to enter the room.

PEI Qiqi resisted and struggled out of instinct, but his heat and heat wrapped around her. No matter how hard she tried, she couldn’t escape.

That strange feeling scared her, so she opened her eyes wide and looked at him.

That kind of mechanical stirring was really boring to her. And there was also saliva. Didn’t he find it dirty?

qin anlan was a little forgetful, but he also noticed that the little person below him was not engrossed.

he withdrew and kissed her on the lips, coaxing her. ” “Qi Qi, shout, shout for me!”

Do you need to call me when we’re kissing?

“I want to brush my teeth,” she stammered. As she spoke, she looked at him with wide eyes.

Qin Anlan silently looked at her for a long time, hesitating.

In the end, he let her go and sighed, ” “Forget it, next time.”

when he said that, she ran into the bathroom and stomped.

Qin Anlan lay down and took out a cigarette from the bedside.

He was a little annoyed!

just now, yingluo, who shouldn’t have let her go, had taken her. that was all.

but he still couldn’t bear to force her.

He wasn’t a fool, and he could feel her resistance ...

she had no feelings for him! There wasn’t even a physiological reaction!

when he kissed her, her tongue was stiff, not to mention when he touched her, her whole body was as hard as a rock.

All of this meant one thing. In the depths of her memory, Tang Yu's memories were still hidden.
