

## Thank you 1061

Chapter 1061 She's very cold to him (5)

she instinctively resisted because she didn't love herself.

perhaps even she did not know, but she might have thought that they were in love.

qin anlan, this decision was very stupid! However, he did not regret it, because the temptation was too great.

PEI Qiqi came out of the bathroom and saw him smoking. She ran over to help him turn it off and pouted, " Qin Anlan, try smoking again next time.

He laughed and ruffled her hair. in the future, when I kiss you, you're not allowed to brush your teeth.

Her face was a little red. it's fine as long as you don't stick your tongue into my mouth.

he smiled and ruffled her hair, not saying anything.

She lay down and was pulled into his arms.

"it's hot," pei qiqi sneaked out again and smiled evilly, " an lan, i think you should go calm down. "

qin anlan glared at her. after that, he really should have put on his black sleeping robe and gone out. he took two steps out and came back with a cigarette box. " i'll smoke a few cigarettes. "

he walked out as he spoke.

PEI Qiqi rolled around on the bed and felt that he wouldn't come back to sleep tonight.

she rolled back and forth, feeling extremely happy, even though she was a little dishonest!

she was most afraid that qin anlan would have sexual requirements, ran ran.

she had forgotten everything. qin anlan was her husband, so she felt that she did not have any skills to make a living. she still had to hold on to qin anlan, this big tree.

Even if she did not feel that she loved him! she wasn't even interested in the life of a married couple, even though he was so handsome that it angered the heavens.

If he really wanted it, then he would kiss her. He could kiss her on the lips, but not a deep kiss.

He had tried it just now, but it didn't feel good.

PEI Qiqi felt that she was a cold and indifferent artist.

she felt that there was nothing wrong with it. artists all had some quirks, and qin anlan would definitely love her to death!

after hanhan lost her memory, pei qiqi was a little heartless. she liked the sense of security qin anlan gave her and the unlimited supplementary card. it turned out that hanhan liked him too. she liked his looks and his money.

As for love, she had never thought about Yingluo.

She fell asleep happily.

Qin Anlan stood there for half the night and finally went to the study to sleep.

Similarly, Tang Yu couldn't fall asleep like Qin Anlan.

He was sitting in his study, holding a pair of silver high heels that he had found on the sea the other day.

By the time he and old kan arrived, PEI Qiqi and Qin Anlan had already disappeared into the sea.

he frantically jumped into the sea to look for it, but old kan dragged him back.

the search team of 1000 people searched the sea area for a whole month, but they found nothing.

Everyone thought PEI Qiqi was gone, but Tang Yu believed that she was still alive.

since there was no news of qin anlan's death, qiqi might still be alive.

However, Qin Anlan had gone missing, and no one knew where he was.

tang yu practically flipped through the entire world but couldn't find anyone.

Sometimes, he would catch a trace of him by chance, but when he arrived, Qin Anlan had disappeared again.

just like that, two years of chasing each other for wanwan passed.

tang yu didn't chase after them. instead, he changed his strategy and began to suppress KING entertainment on an all-round basis. even though one was an industrial company and the other was a trade company, both parties didn't have much connection.

But since Boyi and Jin Taihe were both in Tang Yu's hands, those companies had to give Tang Yu some face. So King Entertainment's resources and investments were greatly reduced.

He believed that Qin Anlan would appear and return to B city.

he had a feeling that qiqi was right beside qin anlan.

furthermore, he would return with qin anlan!

His heart trembled slightly at this speculation.

It wasn't that he hadn't thought about it, but every time he thought about it, he had to restrain himself and not think about that possibility!

Just as Tang Yu had expected, Qin Anlan was packing in Manhattan, new York.

Chapter 1062 Meet again in the bathroom in B city (1)

Just as Tang Yu thought, Qin Anlan was packing in Manhattan, new York.

after he finished packing, he zipped up his clothes. pei qiqi looked at him and pouted, " an LAN, are you really not going to bring me back? "

He said that they were both from B city, but this time, he asked her to stay obediently and that he would go back alone.

Qin Anlan looked at the little person sitting on the luggage. He did not know whether to laugh or cry, but his heart softened. If he did not have to, he did not want to take the risk.

he reached out and touched her head. "i don't have any relatives in B city. i'll be very busy when i go back this time. be good! wait here for my return. Hmm?"

he paused for a moment and coughed lightly. " don't forget to see the doctor. i hope that when i come back, you'll be fine. "

He laughed, his hint obvious.

At the mention of this, she didn't cling to him anymore.

For the past two years, she had been seeing a doctor because she had X-Type cold senses!

In the beginning, she and Qin Anlan slept on the same bed. However, she thought that no man would be happy just by sleeping with a cold wife, right?

Moreover, it was not convenient for him to do something at times!

after that, naturally, he rarely returned to the bedroom. later on, he simply moved to the guest room.

He took her to see the doctor, and the doctor said she was fine.

however, pei qiqi told qin anlan that she had a problem and needed treatment!

This treatment lasted for two years, and she had been quite happy in these two years.

Of course, Qin Anlan would not be too happy.

She had suggested a divorce on the grounds that she could not fulfill her duties as a wife. Qin Anlan did not agree to it. He only asked her to go to Dr. York's place for treatment on time.

Every time PEI Qiqi went there, she would take a nap.

she felt that she had let qin anlan down. he was very, very good to her, so good that she felt that she would let him down even more if she did not divorce him.

She had mentioned it twice, and he got angry the third time. After that, he went on a business trip for a week and did not even call her.

she had thought that he had agreed, but when he came back, he acted as if nothing had happened and even brought her a gift from his business trip.

He kissed her forehead. I'm going to take a shower.

When he felt her body tense up, he smiled bitterly. "I'll sleep in the study tonight."

as long as he didn't make such a request, pei qiqi wouldn't be wary of him and they could get along well.

it was embarrassing for a couple to act like this.

Qin Anlan was a little dazed as he looked at her little face. He squatted down and looked her in the eye. "Why do you want to go back so much?"

"an lan, you used the word 'go back'! I'll definitely think of it. " She muttered, " there are yellow hair and red eyes everywhere. I don't really like them.

It was probably because the person in her heart wasn't here that she didn't like it!

Qin Anlan suddenly made a decision in his heart. alright then, come back to B city with me!

He had a feeling that he was taking a big gamble. Perhaps she would not come back after this.

However, he also knew that she would never be his even if he trapped her in new York for the rest of her life.

qin anlan pursed his lips and smiled. " " the car is downstairs. go and get ready. i'll give you ten minutes. "

PEI Qiqi immediately jumped up and ran back to the master bedroom. She immediately took out a box.

She was wearing denim shorts and a white t-shirt. Her long black hair was tied into a ponytail, making her look youthful and energetic.

Qin Anlan seemed to have realized something. He shook his head and patted her shoulder. "let's go!"

Chapter 1063 Meet again in the bathroom in B city (2)

he helplessly took her luggage and walked towards the apartment door.

PEI Qiqi followed behind him, made a face at him, and jumped behind him.

In the elevator, Qin Anlan looked at the girl who looked like a young girl behind him. He was obviously troubled, but when he saw her, he still smiled faintly, and the corners of his mouth curved into a smile of joy.

pei qiqi stood beside him and raised her head, " an lan, how long are you planning to stay in b city? "

"it will take about a year." He answered her like this.

qiqi, if you see tang yu this year and don't fall in love with him again, then i will take you away, forever.

a certain sadness rose in his heart again. she had not fallen in love with him even after being together for two years.

He knew that she liked him, the kind of like a sister liked her brother. She liked him taking care of her and chatting with him. She liked him even when he didn't have any sexual requirements for her.

however, what he wanted was not just love, but love and sex.

Qin Anlan was not a Saint. In a marriage, only love without sex would not do. Only sex without love would not do. The quality of the marriage would not do either.

” oh, then, an lan, can i find a job? ” she raised her head and asked naturally.

his body clearly froze for a moment ...

Was she going to find a job and leave him?

However, Qin Anlan smiled faintly. of course.

he regretted it the moment he finished speaking, but he did not change his words when he saw how happy she was.

At the same time, in City B’s Bo Yi group, Tang mo stood in front of the floor-to-ceiling window and looked out at the dark night.

the lights outside were bright, but his heart had been lonely for two years.

xiao ran and meng qingcheng entered. meng qingcheng had already returned to the team last year. he said that he would forgive tang yu because tang yu was in a worse state than him.

The two of them entered and looked at each other. Xiao ran said, ” President, Qin Anlan took a private plane back to B city from new York, United States. He’ll arrive at 1 p.m. Tonight.

Tang Yu slowly turned around. His elegant face lost some of its color but it didn’t affect his handsome appearance.

He looked at Xiao ran and asked in a dry voice, ” where is she? ”

no one had ever confirmed that pei qiqi was alive. everything was just his speculation. however, at this moment, he was still uncertain about qianqian’s uncertainty. it came from his fear and terror.

“Qin Anlan didn’t board the plane alone,” Xiao ran said after a pause.

the other one was pei qiqi.

tang mo closed his eyes and turned to look at the dark night.

his voice was even hoarser than the dark night. ” help me prepare the car. ”

President, ” Xiao ran stopped him. I suggest that ran ran observe for a while longer.

“Get the car ready.” his voice became a little cold.

Xiao ran was stunned for a moment, but he immediately understood. He nodded and said, ” “Yes!”

She left with Meng Qingcheng and closed the door. Meng Qingcheng lit a cigarette. “Shall we go for a drink?”

In any case, she couldn’t sleep tonight. Who knew what terrible things Tang mo would do?

think about it, his little wife was left in someone else’s house for two years. no one could stand it. plus, tang yan loved pei qiqi so much.

xiao ran smiled. ” alright! To your office?”

Meng Qingcheng’s office had a collection of famous wines, and she had long wanted to try the wine.

however, after two drinks, they were both a little tipsy and sat on the sofa to rest.

She didn't know who started it, but they kissed and hugged each other.

when he released her, xiao ran's impeccable face was slightly red. he panted, " " meng qingcheng, are you sure? "

Chapter 1064 meet again in the bathroom in b city (3)

meng qingcheng, you kissed me. are you sure you like me?

i'm not tang xin!

Not the little girl you've been waiting for and guarding for so many years.

Under the chandelier, Meng Qingcheng's face slowly turned cold. He touched his forehead and said in a soft voice, " Xiao ran, I'm sorry!

"I drank a little too much," He explained.

Xiao ran only sneered. He slowly sat up straight and tidied himself up. "I thought so too."

she stood up. her slender body under the fitting suit had the seduction of a uniform.

Xiao ran was very good-looking, but her looks were overshadowed by her ability. Everyone paid attention to her profession first and ignored the fact that she was an older girl with good looks.

Xiao ran was already twenty-eight years old, and he had long passed the best age for marriage.

when she walked out, she was stunned for a moment and then shook her head.

She thought that she could no longer wait for someone like this. She was not young anymore and should find someone to marry.

instead of waiting, waiting for him to come around, waiting for him to come out and walk away

however, it was all wishful thinking.

xiao ran looked up and didn't cry. it was nothing. they never had a relationship. she didn't even say that she liked him.

meng qingcheng suddenly came out. xiao ran turned around and was stunned.

The stars in her eyes betrayed her.

meng qingcheng was a little speechless. his lips moved as if he wanted to say something, but he knew that once he said something, he couldn't take it back.

He was friends with Xiao ran!

He was the one who initiated the kiss. It was not a light kiss, but A \*\*\*.

for a girl to be willing to kiss him like this, her intentions were obvious.

"Qingcheng, just forget about it!" "I'm going back to my hometown this weekend," Xiao ran said in a carefree manner.

"What for?" he heard himself ask this.

“Blind date,” Xiao ran replied with a smile.

“i’m not young anymore. i’m 28.” she stuck out her tongue playfully.

she smiled, but her voice was a little choked.

meng qingcheng, you’re waiting for tang yu to grow up, but i’m waiting for you. i’m getting old. i can’t wait anymore.

if you don’t come over, i’ll have to leave.

Meng Qingcheng’s eyes were a little hot. He knew that if he said something now, Xiao ran would stay and not go on the blind date.

he knew her feelings and understood that if it weren’t for him, she wouldn’t have dragged it out to this age, and she wouldn’t have to go on blind dates and be picked on.

It wasn’t that he didn’t feel impulsive, but in the end, he still put his hands in his pockets and clenched them tightly.”That’s good.”

Xiao ran’s lips trembled slightly.

Meng Qingcheng wasn’t good at all!

i don’t want to go on blind dates at all. i’m not going to get married, but to forget you.

after xiao ran left, meng qingcheng stood there in a daze for a long time.

perhaps, he had sensed xiao ran’s feelings in the past, but he did not dare to verify them.

he had a city in his heart and a person in his heart. it was unfair for him to accept anyone, but now he still made her sad.

He was a bastard. He was the one who had provoked her and kissed her.

He had always known that Xiao ran was a noble and pure girl.

.....

the boeing private plane cut through the sky of b city’s airport. when it landed, it was already one o’clock in the middle of the night.

The moment Qin Anlan got off the plane, he was surrounded by King Entertainment’s higher-ups. There were too many things for him to deal with, even though it was late at night.

“i’m going to the washroom.” pei qiqi mouthed to him.

Qin Anlan nodded, indicating for her to be careful.

Chapter 1065 meet again in the bathroom in b city (4)

pei qiqi waved her hand and ran to the bathroom with her bag. she wasn’t in a hurry. she just wanted to take a breather, so she was a little absent-minded. when she pushed open the bathroom door, she didn’t realize that she had entered the men’s bathroom.

There was only one man standing in the large toilet with his back to the toilet.

as a photographer, she instinctively captured the man's strength and beauty. even at such a moment, she still felt that the man's back was very good looking, the kind that was suitable for women to snuggle up to, or maybe she could hug him.

PEI Qiqi was stunned. She actually developed a desire for a stranger's back at the airport.

she wanted to retreat silently, but the man zipped up and slowly turned around ...

his eyes were as dazzling as his black pupils and his nose was very straight. pei qiqi immediately thought of sex!

she took a step back, her back against the wall.

The man was walking towards her step by step, and she tried to escape.

However, he just stood in front of her and locked her small face in his eyes. A flash of pain flashed across his eyes.

was he in pain?

PEI Qiqi reached out and touched his face. She only dared to touch it once.

she felt that she was too crazy to be infatuated with a man in the toilet.

even though she and qin anlan were only in name, she was still a married woman. how could she be dissolute?

however, she really wanted to hug the man in front of her because he looked like he was in so much pain. would he feel better if she hugged him?

PEI Qiqi would never admit that she was lusting after her idol's beauty. However, she would never admit it either. She only dared to think about it.

Tang mo looked at her small face and her eyes were filled with love and curiosity.

but that was definitely not the reaction his qi qi should have towards him.

"Have you seen enough?" he asked.

Her eyes widened even more. if not, will you go to the toilet again? "

Her gaze moved down to a certain part of him and was very straightforward.

Very good!

tang yu admitted that he was testing her.

his heart was already in turmoil, but his face was so cold.

This was his Qi Qi, but his Qi Qi would not look at him like that.

With just one look, he was sure that she had forgotten.

this speculation came from shen lian's complete memory loss and shen zhongshan's dementia. that short period of consciousness was already a blessing.

he closed his eyes. his qi qi had forgotten about him.

There was only Qin Anlan in her world!

“i won’t!” he looked at her, then grabbed her arm and led her out in a slightly domineering manner. ” where’s your family? I’ll send you there.”

Before PEI Qiqi could say anything, his hand had already slid down and grabbed her hand.

She was dazed for a moment by that feeling. How should she put it? it was great!

there was a kind of warmth that spread from his palm to her heart, as if filling up a certain empty space.

she knew that this was not the right time, because an lan would see it later.

She stuck out her tongue. Was she considered to be having an affair now?

would an lan explode from anger?

at this moment, a slender figure stood on the other side of the hall. it was qin anlan.

he watched as tang yu held pei qiqi’s hand. her expression was very rich, but it wasn’t disgust.

even though she had forgotten about tang yu, her body still remembered that man.

Almost at the same time, Meng Qingcheng felt that he had made the wrong decision. From the very beginning, he had been wrong.

Chapter 1066 He’s too terrifying (1)

qin anlan’s blood froze.

He looked at them. They should have been strangers, but now that they were standing side by side, it seemed like he was an outsider.

PEI Qiqi paused. She looked at Qin Anlan and then turned to Tang Yu, ” “I’m here, thank you.”

an lan’s face had already darkened.

Even though she did not love Qin Anlan, he was like family to her.

There were many times when PEI Qiqi thought that if they were divorced and only family, would it be much better? then, she wouldn’t have to feel guilty for not being able to fulfill her duties as a wife.

he, yingluo, could also find a woman who really suited him.

She gently let go of Tang Yu’s hand but the next second, her hand was grabbed.

She was shocked. She turned around and looked at Tang Yu with shock in her eyes.

However, it was only a second before he let go of her. His actions were so fast that PEI Qiqi thought it was an illusion.

she looked at him in a daze and bit her lip.

Tang Yu’s gaze was deep as he watched PEI Qiqi walk to Qin Anlan, ” Anlan.

Qin Anlan lowered his head and looked at PEI Qiqi. His voice was hoarse, ” “Get in the car first! The chauffeur will send you back.”

“how about you?” PEI Qiqi tightened her grip on her bag and looked at him pitifully.

Qin Anlan’s cold heart softened again. “I have to go to the company for a meeting!”

Their conversation was very normal and none of them were particularly intimate. However, it pierced Tang Yu’s heart.

He clenched his fists and restrained himself, not wanting to scare her.

It was because his Qi Qi seemed to have been reborn and became another person.

She was twenty-five this year, but she looked like she was twenty.

He had a feeling that she had lived as Tang Xin and mixed Tang Xin’s character into her life.

Tang Yu’s heart was wet. He watched as she waved at Qin Anlan and walked out.

there were only two old friends in the large hall.

after a long silence, qin anlan finally spoke, ” ” tang yu, you saw it. she lost her memory. ”

tang yu’s fists were clenched.

“In her heart, I’m her husband, the person she likes.” “Not you.” Qin Anlan chuckled.

Tang Yu slowly walked in front of him and threw a heavy punch, ” “that’s why you hid her away so that she wouldn’t be able to see me for the rest of her life. Is that so?”

qin anlan took a few steps back and finally stood firm.

he wiped the blood from the corner of his lips and sneered, ” so you suppressed KING entertainment so that i would show myself? ”

tang yu’s body was unbelievably fast as he pressed qin anlan against the wall.

His face was cold. an LAN, you’ve crossed the line.

qin anlan stared at those cold eyes for a long time before he smiled bitterly. ” ” tang yu, i’m her only family right now. what can you do to me? ”

Tang Yu squinted his eyes. He even wanted to kill him.

Qin Anlan smiled faintly, but his smile was bitter.

” she has forgotten everything. if we forcefully recall her memories, she will have a headache! ” qin anlan looked at tang yu seriously, ” please, don’t let her be in pain. don’t mention the past, okay? ”

He was begging Tang Yu!

with pei qiqi’s identity as a man!

Tang Yu only felt sad.

However, he knew that he had compromised.

In other words, Qin Anlan bringing PEI Qiqi back was a form of compromise.

their compromise was all because of pei qiqi. it was all because they couldn't bear to hurt her.

Chapter 1067 He's too terrifying (2)

if qin anlan did not love him so deeply, he would have had countless opportunities to possess her in the past two years. however, he did not. he did not force her at all. after that, he even stopped kissing her.

when he moved out of the master bedroom, he could feel her breathing a sigh of relief. that night, she even opened a bottle of champagne to celebrate-this bad child!

He even knew that every time she went to Dr. York's place, she would not get proper treatment. Instead, she would sleep there. This was all because he didn't want to let her go and indulged in her.

However, he had done so much for her, and she might not understand.

Qin Anlan smiled bitterly. He took out a cigarette from his pocket, lit it, and went straight to the point. "i can't give up on qiqi."

Tang Yu's expression was cold, " she's my wife.

"She's mine too." qin anlan smiled. " i got my license from new york. "

it was only in name.

They were now getting along more like brother and sister. He was waiting, waiting for the day when she would look back and see his deep love.

tang zheng closed his eyes. " qin anlan, you're really good! "

qin anlan smiled. " i think that this is the best decision i've ever made. "

tang yu looked at him and stepped back, " then you will regret bringing her back. "

He suddenly turned around, and his slender figure disappeared at the end of the hall. The light made his figure very long and long.

Kie appeared out of nowhere and said softly, " "President Qin, ye Liangqiu didn't agree to the company's conditions, but she didn't reject them. She said ran ran."

Qin Anlan furrowed his brows. what did she say? "

she said that she wants President Qin to talk to her personally, " Kie said softly.

Qin Anlan glared at Kime, implying that he was useless. Kime did not dare to say a word.

In fact, he felt wronged. Ye Liangqiu, Heavenly Queen ye, in King Entertainment, who could deal with her?

it wasn't that she was a big shot, but she was special.

especially to the point where ran ran seemed to think that boss qin wouldn't be able to handle her if he didn't take action.

Unlike other female stars, ye Liangqiu, who was at the peak of her career, had no scandals at all. Her life was a mystery.

in particular, she did not accept any work during the summer and winter. her manager said that she did not like these two seasons.

At that moment, Qin Anlan's eyebrows twitched violently when he heard what Kie said.

if it was possible, he didn't want to be led by the nose by ye liangqiu, but KING entertainment really did need her.

Seeing the constipated look on boss Qin's face, Kime had a feeling that Ye Tian, who had been frozen for two years, was about to soar into the sky again.

ye liangqiu would once again become the most popular heavenly queen, and no one would be able to match her.

kie's eyes were a little hot. he was touched. in fact, he was also a loyal fan of ye liangqiu. he had secretly hidden 18 sets of ye liangqiu's photos! (Pfft)

Qin Anlan arranged for a chauffeur to send PEI Qiqi back to his penthouse in B city while he took a car back to King Entertainment.

PEI Qiqi sat in the car and didn't realize that Tang Yu was sitting in the other car.

through the car window, tang yu watched as she opened her little bag and patted the surroundings with a small card machine. she looked very happy and carefree.

countless neon lights fell on her body, forming light and shadow, but also like an illusion.

tang yu's eyes were tightly locked. he was afraid that she would suddenly disappear.

His heart was filled with hot blood ...

he wanted to hug her, kiss her, and tell her that he missed her.

he also wanted to hug her tightly and take over the beast blood in her heart. however, he could only desperately suppress it!

Chapter 1068 He's too terrifying (3)

But damn it, he couldn't even get close to her, let alone tell her his identity.

no matter how unwilling he was, he had to admit it to himself ...

They had become strangers.

completely and thoroughly!

However, he would use his own methods to take her back.

PEI Qiqi's car slowly drove away from the airport, leaving behind a blurry shadow.

Slowly, she passed by him.

he looked at her smiling face and tightened his grip on the steering wheel.

At the corner of his eyes, there was a clear and bright glimmer.

a touch of heat.

The phone on the central control rang. He picked it up and saw that it was Xiao ran. President, I've found Qin Anlan's residence in the United States, including the hospital where Qiqi is hospitalized, Hanhan.

xiao ran suddenly paused. "there's one more thing."

she was a little embarrassed and didn't want to say it out loud. tang yu started the car and turned the steering wheel with one hand, "speak."

"qiqi is being treated by a psychiatrist in a famous private clinic in new York." xiao ran spat out a few words softly, "she had sex."| Cold."

tang yu's fingers tightened.

sex| Cold?

to tang yu, this piece of bad news was undoubtedly the best news. it meant that qin anlan and pei qiqi had never slept with each other. at least, it was not a success.

As a man, Tang Yu heaved a long sigh of relief.

"send the information to my office tomorrow morning." He said briefly and paused at the end. He didn't hang up the phone immediately, but said something meaningful, "Xiao ran, Qingcheng needs time."

xiao ran burst into tears. so tang yu could tell.

"Good night, President." She said softly, her face already covered in tears.

tang yu put his phone back and looked at the night sky. then, he stepped on the gas.

he knew that qin anlan must have asked the chauffeur to send her home, so he just followed that road and chased after her.

after driving for about half an hour, he saw a young girl who was as swift as the wind at the entrance of a highway.

at that high place, his qi qi stood there, standing in a daze under the bright moonlight.

She danced under the moonlight, and her dance was as beautiful as before. She had not forgotten. she was as happy as a deer, her slender body seemed to glow under the moonlight.

He had never seen Qi Qi like this, but he was deeply fascinated by her with just one look.

This was how a twenty-year-old PEI Qiqi should look like. She missed it back then. But now, she was twenty-five years old, but she had to start from the beginning.

She hadn't changed at all. She was just as beautiful and moving, but her eyes were more lively.

At this moment, there were two people living in her body. One was PEI Qiqi and the other was Tang Xin.

She spun, jumped, and was exhausted, but she shouted into the distance like a little madman, "PEI Qiqi, you are free."

ah, ah, ah, she felt very happy!

PEI Qiqi, you're free. Are you happy? " she screamed and then laughed.

An LAN would definitely go crazy!

" i like city b. i love it here. i'm not going back to new york anymore. " she was so excited that she didn't even care if she was on the way or how she was going to get to the city.

Tang Yu's car slowly stopped 10 steps away from her. He lit a cigarette and watched her quietly.

His eyes were gentler than the night.

pei qiqi, i love you too.

no matter what you look like.

pei qiqi finally noticed the uninvited guest. she tilted her head and looked at tang yu, recognizing him.

He was sitting in the car, dressed in black, black Casual pants and a black shirt.

Chapter 1069 He's too terrifying (4)

In fact, Qin Anlan would also wear this, but the man in front of him obviously looked better in it.

Qin Anlan was slightly devilish, but the man in front of her had an indescribable melancholy and was also very abstinent, making women want to unbutton his buttons.

PEI Qiqi had this feeling.

as long as she saw him, her body would heat up. in the words of dr. york, it was animal blood!

To put it bluntly, it was an animal that wanted to have sex.| matched.

Tang Yu was still sitting in the car with his elbow bent on the window. He finished smoking his cigarette.

He naturally felt her gaze, just like the way PEI Huan looked at kan Mingzhu.

He held the cigarette between his slender fingers and took the last puff.

she opened the door and got out of the car. those long legs made pei qiqi suck in a breath of cold air. her eyes were like those of a puppy looking at a bone.

She did not understand why she did not drool when she looked at Qin Anlan, who was also very good-looking and had long legs.

PEI Qiqi pursed her lips and watched as he walked in front of her. She subconsciously took a step back.

Tang Yu looked down at her and remembered what Xiao ran said: sex.| cold?

her expression was not sexy at all.| cold sensation, it was clearly \*\*\*\*\*!

But he had to admit that her expression pleased him.

“aren’t you afraid of danger by being here alone so late at night?” tang mo resisted the urge to touch her hair and his eyes were deep.

The corners of PEI Qiqi’s lips lifted as she looked at the good-looking man in front of her. Then, her gaze moved down to his handsome face.

In just a few short seconds, she had already kissed him.

tang yu didn’t say anything but he knew it clearly.

No matter how much her personality had changed, she was still his Qiqi. He knew what she meant with just one look.

PEI Qiqi tilted her head, ” what about you? what are you doing here? ” urinating?”

Tang Yu was speechless. He smiled, ” my kidney is fine.

pei qiqi turned around and looked at the night sky, ” can we dance? ”

tang yu’s heart was as soft as water. he was different in qiqi’s heart. whether she had forgotten him or not, she didn’t resist his appearance.

i’m tang yu. ” He walked over and stood beside her, his voice low.

pei qiqi turned her head, ” my name is pei qiqi.’seven’ as in ‘one two three four five six seven’. ”

he looked at her. ” miss numbers, may i have a dance? ”

she smiled and placed her small hand on his palm, dancing along with his strength.

The moonlight was like water, casting a shadow on a pair of people.

even if they met again in another way, they would still love each other.

It was as if she didn’t know what fatigue was. She kept jumping and finally, she was exhausted. She took two steps back and placed her two small hands on her waist. I can’t do it anymore. I’m dead tired!

her little face was flushed, and her breath was messy. she picked up her small bag and wanted to say goodbye to him.

“i’ll send you!” “where?” he asked indifferently.

pei qiqi picked up her little bag, ” i don’t know! i’m probably staying in a hotel!”

“Ran away from home?” There was a deep smile in his eyes that she couldn’t understand.

PEI Qiqi bit her lip, ” no way!

” that wanwan. ” tang yu wanted to ask her something, but in the end, he couldn’t bring himself to.

forget it, she’s alright.| now that he was feeling cold, what else did he have to ask?

“i’ll send you.” he walked to his car and opened the door to the front passenger seat for her, indicating for her to get in.

Chapter 1070 he’s too terrifying (5)

pei qiqi walked over, ” i’ll just sit in the back. ”

however, there were two big bears and some children’s toys in the back seat. there was no place to sit at all.

she was a little embarrassed.

“Sit in front!” Tang Yu said lightly.

” oh, ” pei qiqi replied and sat in the empty seat he opened the door for her. the moment she sat in, she smelled a mixture of leather seats and male cologne. it wasn’t bad. on the contrary, it was very refreshing.

tang zheng closed the door and got into the car. he buckled up his seat belt and gestured for her to do the same.

His voice was slow. why didn’t you guard against me? ”

pei qiqi was a little tired. she tilted her head to the side and looked at the night sky outside, ” because i took a picture of your car plate and gave it to an lan. ”

he must be very angry now that he knew that she had run away from home!

tang yu’s movements slowed down. after a while, a faint smile appeared on his lips-

between them, it was probably just qin anlan’s hot-headedness!

” also, i know your name is tang yu. ” pei qiqi turned her face and yawned, ” someone who can dance with me for an hour shouldn’t be a bad person. ”

What she didn’t say was that if bad people were all so good-looking, she would rather the whole world be bad people.

she tilted her head and fell asleep.

the car window was open, and the night wind blew.

Tang Yu’s mood was unbelievably gentle. He thought he would be angry and at a loss for what to do in this situation but he accepted it easily.

his qi qi was still the same qi qi from before.

he slowed down his car and slowly drove toward the GM hotel.

he opened the car door, carried her out of the car, and kicked the door shut.

when the GM manager on duty saw him, he was shocked. however, when he saw the person in his arms, he was even more shocked.

isn't this, isn't this yingluo?

tang yu gave him a silent expression and walked straight into the private elevator to the top floor's presidential suite.

He slowly walked into the master bedroom, placed the little thing in his arms on the soft bed, and covered her with a blanket.

She was in a deep sleep, as if she was exhausted.

tang yu sat beside her and looked at her sleeping face. he took off her hair tie and let her long black hair spread out on a pillow.

it was the look that he longed to see.

He let out a deep breath and lowered his head to kiss her on the forehead. He was reluctant to leave, but he did not want to be rude to her.

he looked at her for a long time before he got up and took her bag outside.

The noble and unparalleled Mr. Tang rummaged through her bag without the slightest sense of guilt. He saw Dr. York's business card and took out his phone to record the number.

her cell phone was still there, but the number was no longer the same as before. it was an United States one, all in english.

He swiped it open and wanted to unlock it with his fingerprint.

Tang Yu took his phone and walked into the bedroom. He gently grabbed her hand and swiped it. The phone was unlocked and he quietly left.

She had a lot of photos on her phone, but most of them were of the scenery.

he flipped through them one by one. he couldn't wait to know how his qiqi had been these two years.

It didn't matter who he was with. As long as she was fine, it was fine.

But when he slid to the last card, he was stunned.

it was a photo of qin anlan and pei qiqi. it was taken at night. she was in front of him and qin anlan was behind her, teasing her and smiling happily. it was the same smile she had when she smiled at him tonight.

tang yu watched for a long time before leaving.

However, he immediately realized that there was a text file saved in the phone, and it was locked with a password.

He thought for a moment and finally entered her birthday. As expected, the page opened.
