

Thank you 1071

Chapter 1071 he's too terrifying (6)

it was like tang yu had opened pandora's box and seen the most direct secret in her heart.

her marriage with qin anlan, her opinion of qin anlan, and her resistance to qin anlan's body. she even suspected that she wasn't qin anlan's wife when she wanted a divorce. if she was, he would definitely force her to do something between husband and wife, and not with this attitude.

tang yu looked at the ten lines. there weren't many words, only about 10000 words. but these 10000 words saved him.

in the end, he also saw his own xuanji.

It was probably edited while she was sitting in the driver's car ...

what surprised tang yu was that pei qiqi wrote-

i'm guessing he's 15 CM tall!

tang yu put down his phone and let out a long sigh.

she had really thought too highly of him!

However, it should be Yingying!

he was an adult man and knew what these words meant. it meant that she had some improper thoughts about his body.

he tidied up all her things and put them back on the bed. then, he sat beside her and kept watch.

the moonlight was soft, and the bed was cold. god knew how much self-control he had used to not kiss her directly and want her!

qiqi, i'll wait for you here. ”

no one knew that he had made some kind of deal with ye liangqiu. very soon, qin anlan would not be able to care about himself.

tang yu's face was as calm as water. the phone in his pocket rang. it was a call from the rose garden.

he got up and went outside to answer the call. a soft voice that sounded like a little lamb came from the other end.”dad, why aren't you back yet?”

tang mo stood in front of the floor-to-ceiling window. not far from him was bo yi's headquarters, the former sheng yuan.

He closed his eyes. When he opened them again, his face was gentle. be careful, daddy found mommy. He won't be coming back today.

Little Xin was stunned.

The little guy forgot to cry and forgot the countless nights when he wanted his mother. After a long time, he said softly, ” “I want daddy to bring mommy back.”

“mommy’s asleep.” tang yu’s voice was soft, ” next time, i’ll bring mom back, okay? ”

Little Xinxin was sniffing. really? If daddy lies, I’ll cry Yingluo, be careful, I’ll cry!”

tang yu laughed, ” of course it’s true. ”

It was only then that little Xinxin had the time to think about other things. also, don’t call me little Xinxin in the future. My name is Tang Xue ‘er.

Tang Yu laughed. This little imp was smart.

his voice became gentler. ” alright, xue ‘er, you can go to sleep. ”

He raised his hand to look at the time. It was four o ‘clock at night, and it was time to hit the P * s. our little heart. Tang Xue ‘er immediately jumped onto the bed. Her voice was muffled and soft, ” daddy, I’m asleep.

tang yu smiled and hung up.

he returned to the bedroom. pei qiqi was sleeping soundly without any defenses.

tang yu’s eyes were warm as he went to take a shower. then, he put on his bathrobe and leaned against the headboard.

he didn’t dare to do anything but watch over her like this, watching her the entire night. even so, he felt sweet!

When PEI Qiqi woke up, it was already eight in the morning. She sat up and realized that there was a furry thing beside her. She raised her hand and saw a huge bear. She remembered it was from the man’s car last night.

There were two of them. Why was he carrying this one here?

Beside the bed, there was a White Rose with a line of words written in beautiful English.

a beautiful night-tang yu.

a beautiful night?

Chapter 1072 His earth-shattering secret (1)

pei qiqi lowered her head and looked at herself. her clothes were still intact. not a single button was missing.

this was not beautiful at all!

She picked up the Rose and smelled it. It smelled very fresh. She jumped up to brush her teeth, and her phone rang.

She walked over to answer the call. It was Qin Anlan.

“Qiqi, why did you leave the driver behind last night?” Qin Anlan’s voice was restrained.

the license plate she gave him looked familiar. he asked KIME to check and it turned out to be tang yu's.

he was furious, but he boarded a private plane at the last minute. ye liangqiu had dropped a huge bomb in A city, so he had to leave B city for the time being.

At this moment, Qin Anlan was experiencing the greatest turning point in his life and the most difficult choice.

and this difficulty was given to him by tang yu.

PEI Qiqi could hear the anger in his voice and stuck out her tongue, " Anlan, you're not here. I don't want to be alone at home.

it sounded nice, but he knew that she had long wanted to live alone.

He had never agreed. If they didn't live in the same house, they would really be dead in name only. she had moved out the first month and dared to divorce him the second month.

sometimes, he really didn't understand what they were doing.

his own wishful thinking?

"i can't be by your side all the time." His tone was a little heavy, and he regretted it a little after saying it.

He admitted that ye Liangqiu's bomb had made Yingluo unconscious. She was very good, but she was really bold to have kept it from him for so many years!

he wasn't stupid. ye liangqiu must have told him everything because she knew he brought pei qiqi back. he had always thought that he had underestimated her.

her acting skills were good, but in real life, her acting skills were even better.

After he said those harsh words, the other side of the phone was silent.

Qiqi, I'm sorry! Qin Anlan's voice was soft.

" i'm on a business trip, " he continued. " i'm not in B city. if you want to stay outside, i'll get KIME to find you a good hotel. "

PEI Qiqi laid on the bed and looked at the chandelier above, " no need! I've already moved in."

he reached out and took the name card from the side. an LAN, it's the GM hotel.

Qin Anlan's blood was about to freeze. As expected, she was with Tang Yu last night.

"you, alone?" he asked tentatively.

"Of course not." She said briskly, " there's also a bear.

Qin Anlan heaved a long sigh. you'll be more obedient these few days, okay? "

the truth was that she was very disobedient, and he was slowly losing control of her.

alright, Anlan. I'm going to take a shower. She quickly ran into the bathroom and did not hang up the phone.

Qin Anlan heard her singing. Her singing was especially bad, but she was very happy.

He slowly put down his phone, his heart in a mess.

“get in the car, president!” kim whispered.

It was only today that Kime knew how powerful ye Liangqiu was!

president qin, who had never been swayed by a woman, was forced to come to A city to see ye liangqiu.

how big of a face was this, how awesome was this place!

Before they got into the car, Qin Anlan suddenly said, ” Kime, go back to B city. Report to me about Qiqi's whereabouts at any time.

Kie was in a difficult position because PEI Qiqi was Tang Yu's wife!

However, PEI Qiqi and Tang Yu's marriage was not valid. When they signed the marriage contract, PEI Qiqi disappeared without any official proof.

from a certain perspective, the one with pei qiqi and qin anlan was the most effective.

Chapter 1073 His earth-shattering secret (2)

Qin Anlan could tell what Kime was thinking. He snorted. hurry up and go!

kie had no choice but to return to his private plane and return to B city.

actually, qin anlan had another reason. he did not want a third person to know about him and ye liangqiu. he could not let qiqi know about it.

however, when kie returned to B city, he couldn't see pei qiqi. she had moved away from GM.

At the headquarters of Boyi.

Tang Yu was sitting behind his desk. Xiao ran placed a huge stack of documents in front of him and said softly, ” ” i've contacted doctor xiao keshen. he confirmed that qiqi has indeed lost her memory. ”

tang yu looked at the information while listening to xiao ran continue, ” also, Dr. Xiao Keshen said that Qiqi's brain was invaded by drugs at that time and it was very likely that her memory would be messed up. She would end up like Shen Zhongshan and Shen Lian. So, Qin Anlan found a hypnotist. In other words, everything is normal for her. She just forgot a lot of things.

Tang Yu closed his eyes, ”I know.” &Nbsp;

everything could be explained then.

however, what he could not understand was, if qin anlan could hypnotize qiqi into forgetting everything, why did he not hypnotize her and make qiqi fall in love with him?

In reality, Qin Anlan had tried to do so, but he failed!

The experienced hypnotist told Qin Anlan that he was powerless. If he were to force the hypnosis, it might damage the brain. Qin Anlan did not force it.

Xiao ran left after he finished speaking.

At the door, she met Meng Qingcheng. After a few quick glances, she walked back to her office.

That night, just as she said, forget it!

meng qingcheng looked at her back for a long time and didn't say anything.

Xiao ran and Tang Xin had completely different personalities. It was true that Xiao ran was more suitable to be a wife.

but, meng qingcheng didn't just want marriage. he also wanted love.

at least, he was not in love with xiao ran now.

In the office, Tang Yu carefully observed Qiqi's situation in the United States. Qin Anlan had hidden all these very well.

after reading it once, he let out a long breath and smiled bitterly. he was quite optimistic last night, but now he felt that the road ahead was difficult.

qin anlan was very nice to qiqi. he was too nice to her. this would undoubtedly make qiqi feel guilty.

in addition to her and qin anlan's damned marriage contract, he knew how difficult it was for a woman to break through that obstacle.

as long as qin anlan did not let go, he would be a little embarrassed when he got close to qiqi, or even when he did something with her.

but tang zheng couldn't care so much. he missed her and wanted to get her back at all costs.

He would make Qin Anlan give up on the marriage contract. As long as ye Liangqiu was around, he would not be able to stay by Qiqi's side in peace.

He took out his phone and opened it. There was Qiqi's diary in it. He sent it to his phone.

he also knew that she had moved to the pearl hotel with the bear that was as tall as a person.

she even took his white rose.

Tang Yu smiled and looked up at the morning sun.

Qiqi, Good Morning!

His phone rang again. He looked at it and frowned.

PEI Huan.

in the past two years, pei huan had appeared in front of him many times. one reason was to take care of little xin. after qiqi's accident, he had brought little xin back to the rose garden to take care of her.

PEI Huan often came over with her own gossip star.

Before his parents thought of a new name, little kanxing still used the especially nice name kanxing (asking for the psychological shadow area of kanxing!)

PEI Huan also had another intention. She came to keep an eye on Tang Yu ...

i can't give up on finding qiqi!

The other one is not allowed to marry anyone else!

[ye Liangqiu, what kind of bomb did you drop?]

Chapter 1074 cosplay-play (1)

tang yu was speechless but it proved that pei huan was true to qiqi!

He picked up PEI Huan's call and heard the sound of the engine. Tang Yu put his phone further away.

PEI Huan hugged Yan Xing and almost choked. Tang Yu, is Qiqi back? "

Tang Yu didn't quite understand how PEI Huan got the news because Xiao ran and Meng Qingcheng were very cautious people.

why is she with Qin Anlan? " PEI Huan sounded a little agitated.

tang yu was silent for a long time and pei huan's heart sank.

after a long time, tang yu said softly, " Qiqi has lost her memory. She has forgotten who we are.

PEI Huan cursed. do you have to be so melodramatic!

Tang Yu didn't say anything. He heard old kan scolding PEI Huan, which meant that she had taught her son badly.

tang yu was a little envious. at least old kan could teach pei huan a lesson while his pillow had been empty for two years.

He said a few words to PEI Huan. At first, PEI Huan was unwilling, but then she reluctantly agreed.

Tang Yu hung up the phone and Xiao ran came in with his phone, " "It's a call from little Xinxin."

tang yu took it and gestured for xiao ran to leave. he then cleared his throat, " xue er, what's wrong? "

Little Tang Xue 'er was little Xin Xin. She didn't like people calling her little Xin. She thought that it was a name for little kids. Xue' er sounded so nice.

Little Xue 'er laid on the bed and said in a soft voice, " daddy, when are you coming back? "

The most important thing was to bring her mother back.

Tang Yu's heart softened. He gave birth to her, so how could he not know what Xue 'er was thinking? he gently comforted her, " "daddy will go back tonight. xue 'er, be good."

Little Xinxin hung up the phone reluctantly.

Tang Yu wondered if it was time for little Xin to go to kindergarten.

A five-year-old child should have gone to bed a long time ago. However, he had been busy looking for Qiqi these two days and did not have time to take care of it. It was June now. He would be able to do it in autumn.

Tang Yu thought about it for a long time but he couldn't think of any kindergarten that was good enough for his Princess.

Five minutes later, he called for Xiao ran through the internal line.

“President.” xiao ran stood in front of tang yu very professionally.

Tang Yu's eyes were on the laptop screen and his tone was calm, ” ” xiao ran, help me find out more about early childhood education. pick the best chain of institutions and let qingcheng complete the acquisition within a month. ”

Xiao ran blinked, and then he understood. He sighed in his heart.

reincarnation was a skill.

she nodded. ” alright, i'll report the progress to you. ”

She walked out and pursed her lips, thinking about the pain on Meng Qingcheng's face.

Tang Yu didn't sleep the entire night. He took a break at noon and didn't return to the Rose Garden until 6 pm.

as soon as the car door opened, a tall little girl jumped into his arms. ” daddy. ”

His voice was filled with excitement, and he was staring at the car.

Of course, when she saw that there was no one in the car, little Xin, who was Tang Xue 'er, pouted her little mouth slightly. where's mommy? ”

Tang Yu carried the little girl into the main house. The maid bowed at the door, ” Hello, Sir.

Tang Yu only nodded.

little xin bit tang yu's ear, ” this lisha likes daddy. ”

tang yu hit her on her little P * s, ” nonsense. ”

She bit her ear carefully and said, ”I just know!” i saw lisha secretly wearing revealing pajamas in her room at night and looking at herself in the mirror.”

Chapter 1075 cosplay-play (2)

Tang Yu's expression was serious as he held back his smile, ” “really?”

little xinxin tried her best to acknowledge it. ” really. ”

She was very worried about her father's chastity!

it had been two years since daddi had a fight with a fairy. would he be seduced by a female fairy?

But now that Mama was back, these vixens couldn't get close to daddy.

Little Xin Xin's little hand hooked onto Tang Yu's and her little eyes looked at Lisha fiercely.

Tang Yu carried her upstairs and called the housekeeper over. He arranged for everything in the villa that was related to PEI Qiqi to be kept.

Xiao Xinxin was a little confused and looked at him pitifully. "dad, why?"

tang yu hugged her, " little xin, do you want mom to come back? "

little stars twinkled in little xinxin's eyes. " of course. "

but mommy has forgotten us. Shouldn't Xiao Xinxin try her best to make mommy stay? " Tang Yu reached out and patted the little guy's head, " can our little Xin Xin do it? "

She looked at her father carefully and felt a little dizzy.

tang yu smiled, " when you see mom, you can't call her mom. you can only call her sister. do you understand? "

little xin nodded her head adorably, and then raised her head. " can i see mommy? "

"Of course. But remember dad's words, okay?"

Little heart clapped her little hands in excitement.

Tang Yu smiled and rubbed his chin with his fingers. It seemed like being careful was a good weapon.

During dinner, little Xinxin lowered her voice again, " "Dad, look. Lisha is peeking at you again."

tang mo glanced at her and little xinxin shut up.

At night, Tang Yu leaned against the head of the bed in his bathrobe. He had a cigarette in one hand and his phone in the other. He was reading Qiqi's diary. He had read those 10000 words over and over again, and he felt as if she was right beside him.

moreover, he had set up a synchronized update to his number on her phone. he had done it very discreetly, so he would know when she wrote something new.

although it was a little despicable, he wanted to know. he wanted to know what she was thinking.

There was a soft knock on the door. He thought that Xiaoxin was not willing to sleep, so he smiled. come in.

However, it wasn't little Xin who had entered. It was the little fairy Risa that little Xin had been talking about.

Tang Yu took a look. He didn't notice it before, but now he noticed that Lisha's uniform was slightly different from the other maidservants. Her waist was especially tight and her chest was also very tight. It felt like it was about to burst out.

The pair of eyes under the maid's skirt| Beautiful| Her legs were slender and fair, it was a waste to be a little maid.

tang mo frowned. he didn't remember when the rose garden's servant uniform became so sexy and when the skirt was so short!

lisha was very pretty. her long black hair was tied up, and she was dressed in such a seductive uniform. it was obvious what she was thinking by appearing in the master's room so late at night.

Moreover, she was wearing perfume. He could tell that it was Chanelle No. 5, which Qiqi used to use occasionally.

she must have sprayed qi qi's perfume.

there was a glass of water in lisha's hand, and she said softly,"Sir, please have a glass of water!"

Tang Yu looked at the water in her hand and took it from her. He placed it on the bedside table but didn't drink it. Instead, he calmly said, " "There's nothing here, get out."

Lisha bit her lip, her delicate face moving. She said softly, " " sir, i've seen how hard it has been for you these past two years. lisha is very reluctant to part with you. i'm willing to give myself to you, sir. "

tang yu's gaze fell on her face but he didn't say anything.

Lisha reached out and undid her maid's outfit, revealing a set of sexy pajamas.

Chapter 1076 I think we know each other (1)

The pure black lace kind!

To be honest, Tang Yu wasn't really tempted. He just thought that Lisha was cosplaying.

He was also a little worried that there might be something wrong with her brain.

He smiled, picked up a magazine, and flipped through it. "Get out! Get three months "salary from the Butler."

risa was stunned.

She didn't think that she would be rejected by her master despite her beauty. She couldn't accept it.

Risa was just a simple-minded maidservant, and she ran away in her sexy pajamas.

Tang Yu put down the magazine and looked at the maid's uniform on the floor.

later on, the butler was ordered to find a new set and tailor a new set for sir according to lisha's changes.

The Butler thought to himself, Sir must be sick of his requests!

as for lisha's set, tang yu burned it and all the maids in the villa were replaced by women over 40 years old. otherwise, qiqi would be angry.

.....

PEI Qiqi stayed at The Pearl Hotel for two days and felt a little bored.

during the day, she was out gathering wind.

She seemed to be born with the sense of a camera lens, and she liked it.

at night, she would stay in B city to experience the nightlife and the smell of the night.

She was a little fascinated by the damp heat of summer, which was different from the dry and cold of winter.

She liked to wear all kinds of dresses and travel around B city. It was as if she had found her roots.

She liked B city and did not like that yellow-haired, green-eyed place. This was also the reason why her LAN was very different.

in the morning, she came back from outside. she wanted to take a shower and go to the first floor of the hotel for dinner, but she was a little embarrassed when she rushed into the elevator because it was full of people.

To be precise, they were all men.

She wanted to retreat, but a big hand grabbed her arm in an instant. She fell straight into a pair of arms.

pei qiqi's little face bumped into his heart and one of her legs squeezed into his indescribable place.

Moreover, she felt that he was rapidly doing that thing.

isn't it too fast?

what kind of speed was this?

or have all the men in B city evolved into beasts?

pei qiqi's face was a little hot, especially when she smelled the man's unique scent. her face was burning.

she struggled for a while, but a few more people rushed in from behind and pushed her into the man's arms again. she instinctively held onto something, but it seemed like she was hugging him.

their bodies were also in close contact, indescribable.

She thought of the 15cm and felt that this man was even more amazing.

she looked up and was stunned.

Tang Yu?

the man she met at the airport?

What was he doing here?

“President, do we need to use another elevator?” An impractical subordinate suggested.

tang mo glanced over and said in a deep voice, “I don't need to.”

PEI Qiqi whispered in his chest, ” “I need it.”

Although it was small, everyone could hear it.

They were all smiling meaningfully.

i need some support.

Tang Yu was the same. He lowered his head and looked at the little guy in his arms. It was so soft and so unwilling to lie on his body.

He was thinking that it was time to increase the salary of the employees who had squeezed her to his side.

PEI Qiqi had no choice but to shrink into his arms. However, wouldn't he feel uncomfortable if he kept being in a daze?

and if he went out, he would be seen by others!

She moved uncomfortably, but her back was immediately pressed down by someone. He whispered in her ear, "don't move.

she widened her eyes and bit her lip.

He thought to himself, this man has children's toys in his car. He clearly has a wife, but he's so hungry. Thirst? that didn't make sense!

Chapter 1077 i think we know each other (2)

After a long time, PEI Qiqi felt that even if they reached the 100th floor, they should have reached it. Why weren't they there yet? she looked up and was speechless. The elevator wasn't moving. It was just on the first floor.

"press the 19th floor." she bit her lip.

She pressed the elevator button and looked at Tang Yu carefully.

Tang Yu didn't say anything. The man laughed, "we're on the same floor!"

Everyone chuckled. That's right, what a coincidence, we're having a meeting on this floor.

hehe, boyi's meeting was going to be held in the hotel, hehe yingluo.

with a ding, the elevator door opened, and everyone consciously left. they stood at the door and silently looked at the crystal chandelier above, giving the ceo a chance.

tang yu and pei qiqi were still in the same position. it wasn't that she didn't want to separate, but her hair was wrapped around his suit buttons.

The moment she moved, her scalp started to hurt.

tang yu smiled but didn't tell her that he was the one who went up.

at this moment, she was lying pitifully in his arms, and he knew best how afraid she was of pain.

He reached out and gently pressed on her scalp. His voice was low and had a tinge of gentleness to it. "don't move. i'll do it. "

the higher-ups outside left again. there was no way they could listen to this. it was clearly the ceo who tied pei qiqi's hair up.

however, boss pei seemed to have lost his memory. he did not recognize any of them despite there being so many of them. the way they looked at him was also unfamiliar.

They were all sighing. Life was unpredictable, but it was good that he was back!

Tang Yu reached out his hand and pressed it against her long, thin hair. He gently untied her hair. In reality, it was easy, but his voice was hoarse, "lean your face closer to me."

Although PEI Qiqi felt that it was a little weird, she still moved her face closer to him.

Her posture was strange and funny. Tang Yu chuckled and patted her head, "that's enough, silly."

she immediately jumped out because he was still in his beast mode.

she stood outside while tang yan stood in the elevator. she bit her lip and glared at him with an indescribable charm.

the 25-year-old pei qiqi looked like she was 20.

tang yu smiled and walked out.

she took a step back, leaned against her back, and looked at him.

Tang Yu had a faint smile on his face. When he walked past her, he paused and said in a low voice, "Coward!"

at this time, his coat was placed horizontally across his arm, blocking his uneasiness.

pei qiqi made a face at him and looked at him with perverted eyes!

suddenly, tang yan turned around and his gaze fell on her little face. his clear and deep eyes made pei qiqi's little face turn red.

shameless, perverted!

tang mo smiled and watched her for a while before walking into a high-class suite with the company's senior executives.

PEI Qiqi returned to her room and lay on the bed for a long time.

He closed his eyes. The pair of clear eyes was right in front of his eyes. His body suddenly heated up.

She opened her eyes, "PEI Qiqi, you must be crazy."

she immediately got up and ran to the bathroom, turning on cold water to wash yingying.

A few days ago, a master had said that her works were always dry and lacking something. Later, the master said that her works lacked flesh and desire!

there had to be such a thing in the work?

PEI Qiqi didn't understand.

she used cold water to wash away the unusual heat in her body.

she had a feeling that some kind of heat was breaking out of her cocoon, and she was a little afraid of yingluo.

Chapter 1078 i think we know each other (3)

pei qiqi closed her eyes and images of a man and a woman hugging and kissing in the shower appeared in her mind. there was also the most primitive kiss between a man and a woman.

pei qiqi was shocked. she hugged herself and curled up against the bathroom wall.

It was because the feeling just now was too real, as if she had experienced it herself.

the man wanted the woman as he whispered in her ear, ” “qi qi, be good and call me big brother.”

Qi Qi Qi Qi Qi Qi Qi Qi Qi, is that her?

PEI Qiqi felt that she must have gone crazy.

that's right, it was yu qiu who was dissatisfied!

She wrapped herself in a bath towel and ran back to the bedroom. She took out her phone and searched on Baidu to imagine what it was like for a man and a woman to have sex.

in the end, the answers on baidu were all the same!

PEI Qiqi covered her face and fell on the bed-

God, what should she do? she had developed a desire that she shouldn't have for a man who had a child and probably a wife.

no, this won't do!

She rolled around on the bed and ordered herself not to think about it.

well, think more about an lan!

Just think of an LAN.

however, she had no interest in an lan's body!

She had only known this man for a few days, but she had met him twice. Every time, she wanted to strip him of his clothes and do that kind of shameful thing.

after rolling around a few times, she snorted and reached out for the phone.

he opened her small file and wrote down a few words-

what to do? i want to f * ck him! he must be more than 15cm!

But I've never had such feelings for an LAN!

After that, she thought for a moment and added, ” if he doesn't have a wife, i'll f * ck him!

She added three exclamation marks.

after she was done, she lay on the bed and rolled around, pretending to be dead. in the end, she lay on her stomach, her little P * s sticking up high. ” ah, ah, ah, i'm finished! ”

no, she couldn't go on like this!

It's immoral to have desires for a married man with a child. PEI Qiqi repeated this phrase three times.

then, she cried out in pain.

in the suite, tang yu's phone vibrated on the table. he glanced at it and signaled for the people below to continue. he then looked at the content on his phone.

It was PEI Qiqi who updated her diary. As for the content, it was especially exciting!

he must be more than 15 CM?

Although she couldn't remember, she had always been curious about certain things!

Also, he had a wife and children. He didn't deny it. Sometimes, this kind of taboo made people go crazy.

tang yu put away his phone and continued with the meeting.

PEI Qiqi only changed her clothes and went out for dinner when it was almost 12.

As soon as he reached the courtyard, his eyes flashed. He saw an especially beautiful little girl standing there, as if she had lost her way.

PEI Qiqi had already walked over. When she saw the little girl wiping her tears, she walked back to the little guy and asked, " little girl, why are you crying? "

xiaoxin wiped her tears (with eye drops on her face) and sobbed. " little sister, i'm looking for daddy! "

her small eyes peeked at yingying through the gaps between her fingers.

pei qiqi looked left and right, but didn't see any parents.

"then i'll take you to him, okay?" she squatted down and was parallel to the little guy.

the more he looked at her, the more he felt that she was especially beautiful and delicate. he kissed her little face, which was also soft and tender, and bouncy.

"Really?" the little fellow was teary-eyed and adorable.

PEI Qiqi nodded, " of course.

Xiao Xinxin happily hugged her arm.

A few lines appeared on PEI Qiqi's forehead. This cute child was so familiar.

Chapter 1079 i think we know each other (4)

Little Xinxin brought PEI Qiqi to the door of a suite, " daddy is inside.

pei qiqi blinked her eyes and felt that this world was a little magical. the cute baby knew where his father was, but he was still crying.

Xiao Xinxin smiled and said,"sister, I'm looking for a new wife for daddy!" One of the tests was to have love! You've passed!"

pei qiqi was so shocked that she couldn't believe that she was being controlled by a little guy.

However, even though the little fellow said so, she still knocked on the door. She would only be at ease if she sent the little fellow to the hands of the adults.

the door opened about ten seconds later. it was a middle-aged man.

There were more than ten men sitting in the room.

The one at the top was the 15cm one!

PEI Qiqi was a little embarrassed. She immediately pulled out her heart and pressed it in front of her, " which Mister's child is this? "

bo yi's higher-ups shook their heads and packed up their things to go home.

today's meeting was over.

no one answered and pei qiqi felt embarrassed. she reached out and held her heart, " let's find another place! "

she stuck out her tongue. it seemed like she couldn't trust a child's words!

just as he was about to leave, little xinxin softly called out 'daddy'. then, she broke free from pei qiqi and ran over to tang yu, hugging him tightly.

pei qiqi covered her face!

It was actually his child!

And she even had that kind of shameful desire for the little girl's father, so PEI Qiqi felt very uncomfortable.

"mr. tang, your child is lost." she coughed lightly.

"Little Xin Xin is very smart!" Tang Yu sat at the head of the table. He had the aura of a leader and was completely different from the man she danced with at the highway exit that night. His voice was deep and slow like a father who cared about his daughter and was suspicious of everything, " plus, The Pearl Hotel is under Bo Yi. She can't possibly get lost.

When PEI Qiqi heard his words, she almost jumped up-

being careful won't make you lose your way, so she's deliberately abducting my daughter?

pei qiqi's face was tense. " since that's the case, i won't disturb you anymore! "

She turned around and walked away. She was so anxious that her heart was broken. This time, the tears in her eyes were real. Daddi!

Tang Yu stood up. Before PEI Qiqi could leave, he held onto her arm and said in a low voice, " I apologize!

pei qiqi struggled, " let go! "

he didn't let go and only looked down at her.

There was a gentleness in his eyes that she didn't understand.

“aren’t you afraid that i’ll stick around? maybe I’m a scheming woman who approached your daughter with a purpose, with the intention of flirting with her, ” he interrupted her before she could finish. He looked at her with a particularly bright gaze. you want to have sex with me, right? ”

his straightforwardness made pei qiqi’s eyes widen. she just looked at him, unable to say a word.

Her body was leaning against the door, and his body was very close to hers. Behind her stood little Xin, cheering her on.

He kissed her, he kissed her!

tang yu looked down and lowered his head. his thin lips were next to her ear and he said in a low voice, ” “PEI Qiqi, do you dare to say that you’ve never imagined me in that way? didn’t you try to guess my size?”

size?

15CM?

pei qiqi was stunned again. she looked at him for a long time and swallowed her saliva.

however, she still mustered up the courage to ask, ” is your qianqian 15? ”

“15?”He raised his eyebrows and looked up. Xue ‘er, turn around.

Chapter 1080 The card is frozen (1)

Oh, ” Xiao Xinxin replied and immediately turned around to whine. daddy is going to do something bad!

Are the demons going to fight? So excited!

PEI Qiqi didn’t know whether to laugh or cry at how well they worked together.

Why did she think that the little girl was so innocent and cute before?

she was simply a little devil! Or did she often lie to girls with her father?

there was some suspicion in her eyes.

however, her small hand was caught by a large, gentle palm.

Tang mo grabbed her hand and said in a low voice, “you’ll have to feel it for yourself.”

pei qiqi lowered her head and widened her eyes in disbelief.

her little hand struggled, but she couldn’t break free from yingying.

However, he only held her down for two seconds before letting go. That large palm turned and landed on her small waist. He held her down and said in a deep voice, ” “In the future, don’t stare at that part of my body.”

pei qiqi’s mind exploded and was in chaos!

what did she mean by staring at him there?

Tang Zheng took a step back. miss PEI, you can go now!

pei qiqi was being humiliated!

“you bastard!” she glared at him and gritted her teeth.

“Thank you for sending little Xin back.” in the face of her gritting her teeth, he became graceful again.

pei qiqi turned around and left. she felt like she couldn’t stay in this hotel anymore.

she wanted to move out immediately!

but reality gave her a tight slap.

She ordered the most expensive French food on the first floor, but when she paid the bill, she found that her card could not be swiped.

After swiping the card a few times, the manager personally came over and handed over the card. He said apologetically, ” “i’m sorry, miss. you have other cards, or you can pay in cash.”

PEI Qiqi didn’t understand, ” what’s wrong? ”

” your card has been frozen, ” the manager said.

PEI Qiqi felt like a bolt of lightning had struck her head.

She dialed Qin Anlan’s number and the call went through. Qin Anlan’s voice sounded tired. Qiqi, I’m the one who stopped your card. Contact Kime. He will arrange everything for you.

PEI Qiqi was in a daze. After a while, she said softly, ” “an lan, what are you afraid of?”

Qin Anlan’s heart ached for a moment, and he only spoke after a while, ” Qiqi, don’t mess around. I’ll be back in a month. Be good and go home.

He was mentally and physically exhausted, and she was disobedient, so he had no choice but to stop her card.

However, he underestimated her rebellious nature.

In the past two years, he had taken good care of her. He was sure that she could not bear hardships, so after he stopped her card, she would obediently go back to his apartment to live.

however, he was wrong. the more he restrained her, the more she wanted freedom.

in pei qiqi’s heart, they weren’t husband and wife, but family.

His overbearing and possessive feelings made her feel suffocated. She yearned for freedom.

After Qin Anlan finished speaking, PEI Qiqi’s voice was very calm, ” Anlan, I’m not going back.

After that, she hung up the phone and pulled out the SIM card.

she searched all the cash in her bag and barely paid for the meal. after that, she fell into a very miserable situation.

how could he afford a suite that cost thirty thousand a day?

fortunately, she had paid for three days in advance, so she didn't need to pawn herself here.

after getting 3300 yuan back from the front desk, pei qiqi was completely out on the streets.

Carrying a small leather suitcase and wearing a straw hat, she walked on the streets of B city and kicked small stones ...

he put his hand in his pocket and touched the money she had left.
