

## Thank you 1081

Chapter 1081 The card is frozen (2)

3,300. even if she stayed in a hotel that cost 200 a day, she could only survive for 10 days.

ever since she lost her memory, this was the first time pei qiqi had to worry about money!

how good would it be if he kicked a big piece of gold while he was kicking the small stone?

PEI Qiqi felt that she should find a job. If she met a good boss who paid her in advance, that would be perfect.

she bought a newspaper and a piece of bread and sat on a bench by the road to read them.

The bread was very hard and she couldn't eat it at all. However, she still forced herself to eat it because her stomach was growling.

PEI Qiqi, next, French food, Italy food ... None of these have anything to do with you. Even the Presidential Suite is for you.

She wasn't a greedy person. She didn't plan to give an LAN love, and she couldn't. So, she couldn't ask him to take care of her for the rest of her life.

She used a pen to draw circles on suitable places, preparing to go and take a look tomorrow. Most of the jobs she chose were photography-related jobs, and the salary was not too high.

After working for a long time, he put the newspaper aside and sat down to concentrate on eating the unpalatable bread.

In the sky, the wind and clouds suddenly changed, and a strong wind blew.

Raindrops also fell, like anxious beans.

pei qiqi hurriedly pulled her luggage and wanted to hide in the pavilion. however, the moment she pulled her luggage, the newspaper she placed on the bench was blown away by the wind and drifted to the middle of the road.

she hurriedly ran over to pick it up. in the rain, she picked up the newspaper that was covered in mud and dirt and ran back with all her might to take a look.

A black RV screeched to a stop in front of her. The driver was about to get out of the car, but the girl on the road turned her head, and the driver was stunned.

old zhao turned his head and said with a trembling voice, " "sir, it's the young madam."

tang yu, who was sitting in the back seat, was very calm, " just pretend you don't know her. she has forgotten everything. "

Old Zhao was stunned. He forgot?

However, although the teacher's tone was light just now, there was some pain in it. It was not as calm as he had said.

It was raining now and old Zhao couldn't sit alone in the car. He quickly took an umbrella and got out of the car to help Tang mo.

On a rainy evening in B city's streets, PEI Qiqi stood in the rain in a sorry state. The rain kept pouring into her mouth and soaking her clothes.

She stood there with her mouth slightly open as she stared blankly at him walking towards her.

"get in the car." He frowned and put his arm around her shoulder as they walked toward the car.

PEI Qiqi was still holding the newspaper in her hand. She walked a few steps in a daze and then suddenly came back to her senses, " "my luggage."

tang zheng followed her gaze and ordered old zhao, " go and bring miss pei's luggage over. "

old zhao handed the umbrella to tang yu and ran over to him in the rain. he quickly put it in the trunk and when he got into the car, he wiped his face, " the rain came so quickly! "

He paused for a moment before he asked,"sir, where are we going now?"

Originally, Tang Yu had an important contract to sign. Now that he met PEI Qiqi, he couldn't go.

"Back to the Rose Garden." he said briefly and threw a towel to pei qiqi, " wipe yourself. "

In fact, her clothes were all wet, and she had to change into dry clothes immediately, otherwise she would have a fever.

he knew very well how fragile her body was.

He picked up his phone and called Xiao ran. ask Qingcheng to apologize to Mr. Smith on my behalf. Tell him that ran ran's wife is sick, and I'm afraid I can't rush to sign the contract. If you don't mind, Qingcheng can represent me.

Chapter 1082 A sheep entering The Tiger's Den (1)

after he finished speaking, he hung up the phone and looked at pei qiqi. because she was looking at him.

"why would i lie?" pei qiqi asked slowly.

tang yu's lips curved up, " foreign men value their family a lot. this reason is enough to convince them. "

"it sounds like a profiteer!" pei qiqi pouted and shifted her body. she was probably feeling uncomfortable with her wet clothes.

tang yu saw that her white t-shirt was a little transparent from the rain and his eyes darkened, " lao zhao, drive faster. "

Old Zhao smiled bitterly. This was already very fast!

in less than half an hour, the car arrived at the rose garden. when they passed through the black carved gate, the lights in the entire rose garden were on. the roses glowed in the rain and in the dark, they exuded a charming luster.

PEI Qiqi sat in the car and leaned on the window, "so many roses.

"This is the Rose Garden. the place where i live." tang yu's tone was calm.

pei qiqi turned her head around and looked at him in a daze.

The place he lives?

just now, she was just glad that she was saved, but she had forgotten where he was taking her.

This was his home?

PEI Qiqi bit her lips and said after a long while, "I don't think your wife would want you to bring a woman home."

"she's already gone!" Tang Yu's voice was very calm but there was a hint of sadness in it.

the little white rabbit was immediately fooled. she looked at his sad face with sympathy and said with uncertainty, "i'm sorry, i didn't do it on purpose."

Tang Zheng turned his head, his eyes bright. I'll stay for the night!

he looked at the newspaper in her hand and picked it up to read a few times. "looking for a job as a photographer?"

PEI Qiqi nodded.

Tang Yu didn't say anything else. He just carried her luggage into the living room and strolled around.

PEI Qiqi stood at the entrance of the hall like a drenched chicken. She was afraid that she would dirty the pure white wool carpet.

"why don't you come in?" he turned to look at her and then saw her uneasy expression.

with a faint smile, she asked someone to pass her a pair of slippers. then, she paused for a moment before saying, "Go upstairs and take a shower. Change your clothes, or you'll catch a cold."

pei qiqi nodded. now wasn't the time to be stubborn. she knew that her body wasn't strong enough and she would die if she had a fever.

she followed the maid upstairs, while old zhao carried the luggage upstairs and came back down in a while.

"Mister?" old zhao touched his head and said innocently, "why doesn't sir acknowledge the young madam?"

"Qi Qi's health is not good! i can't stand stimulation." It was obvious that Tang Yu didn't have any intention to say more. Elder Zhao also left.

He thought that since he was here, he wouldn't be able to escape.

pei qiqi entered a guest room. her body was too uncomfortable so she went to the bathroom to take a shower.

But when she came out to open her suitcase, she was dumbfounded. Her clothes were all wet.

what to do?

she would catch a cold in her wet clothes, and she couldn't always run around the hall in a bathrobe, right?

If she didn't do it well, the arrogant Mr. Tang would think that she was deliberately seducing him, which wouldn't be good.

PEI Qiqi was still hiding behind the door. Like a kitten, she called out to the maid outside, "can i borrow a set of clothes?"

The maidservant only saw a head and was stunned for a moment before immediately nodding. "Yes, young lady!"

After a while, footsteps came from the stairs and the door opened. PEI Qiqi naturally went to take the clothes. But after she took the clothes, she realized that it was a man's big palm.

Chapter 1083 a sheep entering the tiger's den (2)

She almost screamed, "why are you here?"

Those well-defined, slender, and beautiful fingers could only be found in Tang Yu.

"I was just passing by," as he said this, he retracted his hand and didn't look like he was up to no good.

PEI Qiqi's heart beat a little fast as she leaned against the door. After all, she was naked just now and a man was standing across the door. He even handed her clothes!

She looked at the clothes in her hands. It was a maid's outfit, which must have been given to her by the maid just now. (

PEI Qiqi changed into the dress and found it surprisingly fitting. However, wasn't the dress a little too short?

she really wondered if this was a maid's outfit or a beautiful female warrior.

However, it was better than not wearing dry clothes. She opened the door and was about to sneak out when she saw Tang Yu standing by the railing.

he had his back to her and his hands were on the railing. when he heard her voice, he turned slightly and his eyes froze.

"the clothes fit me very well," he said in a slightly hoarse voice.

PEI Qiqi looked at her clothes in embarrassment. Then, she raised her eyes, "you're not asking me to pay for tonight's room as a maid, are you? "

He curled his lips into a smile and walked straight to the living room downstairs. let's go downstairs to eat.

At this moment, she realized that he had also changed his clothes. He was wearing a pair of khaki-colored casual pants and a white shirt that hung down casually. He looked very homely, but it still did not hide his noble temperament.

no matter how casually the man in front of her dressed, she could still see the nobility in his bones.

pei qiqi wiped her drool and followed her downstairs. the moment she went down, she saw little xin xin already sitting at the dining table. when she saw pei qiqi, she sweetly called out " little sister. "

PEI Qiqi waved her hand like a lucky cat-

now, this adult and child were her sugar daddies. for a homeless cat like her, she could not afford to offend them.

Tang Yu glanced at her and found it funny. He sat down and said calmly, " "Let's eat."

PEI Qiqi looked at the dishes. They were all dishes that she liked. She was very satisfied and ate very happily.

It was raining outside. The lights in the hall were pleasant and the temperature was moderate. Especially with her full stomach, PEI Qiqi felt like she was going to stay here forever!

after all, it was embarrassing to talk about it. her sugar daddy, qin anlan, might not be willing to adopt a rice weevil like her, unless she was willing to be his real wife and sleep with him, yingluo.

PEI Qiqi didn't want to force herself and she couldn't force herself.

She smiled sweetly at Tang Zheng. She didn't know how much he wanted to pounce on her when she was wearing this and smiling at him like this!

are you sleeping in the bedroom I was in just now? " She asked with a smile, no longer angry.

tang yu nodded, " good night! "

little xin's eyes widened as she looked at her daddi. " little xin wants to sleep with mommy! "

Tang mo glanced at her.

"little xin xin wants to sleep with little big sister." xiao xinxin immediately changed her mind.

the father said without thinking, " "Then you should go to sleep!"

Little Xin Xin immediately went upstairs to tease Tang Yu and smile. Then, she went upstairs to the study room.

He couldn't wait to have her, but she was here now and couldn't run away.

looking at her, he knew that her card had been stopped. qin anlan was so concerned that he did the stupidest thing without knowing it.

one month later, qiqi would be his.

regardless of whether she remembered him or not, she would fall in love with him again!

Chapter 1084 A sheep entering The Tiger's Den (3)

PEI Qiqi didn't go to sleep immediately. However, she would rather stay in the bedroom than spend time with the father and daughter.

wearing the sexy maid's dress, she stretched and pressed her legs against the floor-to-ceiling window of the bedroom. then she frowned and pulled the dress up. however, no matter how she pulled, the dress couldn't cover anything. it just barely covered her little P \* s.

she desperately tried to pull it down, but the moment she used force, the cloth actually fell down with a tearing sound and was torn into two pieces.

It's so weak?

she suspected that the master of the house was a pervert. the maid's clothes were designed to be torn by the master!

PEI Qiqi faced the French window and mimicked a man. She pulled hard and coughed, " "It's no use shouting yourself hoarse." As he said that, he started laughing!

just as she said that, the door opened and a small head popped out.

PEI Qiqi jumped in shock and turned around to look.

'It's that little heart,' PEI Qiqi thought immorally.'Little heart, little gorilla!'

"can i sleep here?" At the door, little Xin was hugging a pillow. Her long hair was let down and it was a little curly. She was wearing a white lace nightgown. She was deliberately trying to seduce PEI Qiqi.

pei qiqi immediately put down the fabric of her dress. it was always a little funny when a piece of fabric was missing from her dress. she placed her hands behind her back, " children need to develop the habit of being independent. "

"dad said i don't need to be independent." Little Xin said proudly.

Alright, PEI Qiqi felt that this Princess-like girl in front of her didn't need it. It was just like how if she listened to an LAN, she wouldn't need to be independent.

But what fun was there in that kind of life?

at the very least, she couldn't stop loving someone and listen to all his arrangements in order to have enough food and clothing.

PEI Qiqi was quite optimistic and didn't feel like she had fallen into a Wolf's Den.

She looked at the little girl in front of her and tried to persuade her. but you can't sleep with strangers, right? "

little xinxin looked at her and suddenly pulled out an evil smile. her little body sneaked in and hugged the pillow as she sat on her bed. her little expression made pei qiqi's hair stand on end.

"oh, right! little sister, girls can't go home with strangers." Little Xin grinned at her, revealing her little white teeth. It was extremely hateful.

pei qiqi finally understood what it meant to shoot herself in the foot.

she glared at her little heart and the little bad thing.

little xinxin lay down and rolled around on the bed happily. then, she stopped and fell asleep.

He fell asleep just like that?

those chubby little feet and chubby little hands were still in the sky, and he had fallen asleep just like that?

however, the little rascal was still quite cute when she was sprawled out on all fours.

pei qiqi couldn't help but walk over and reach out to touch the little guy. she didn't move an inch.

Exhaling a sweet breath, her little body was warm, with a child's unique milk smell.

Looking at her from such a close distance, he saw that her long eyelashes were so thick, her small nose was tall, and her beautifully shaped small lips were red and moist. Her eyes were closed and she was asleep, like a little angel.

little xin's seduction was successful. pei qiqi's heart melted as she looked at her.

he wanted to touch her, but he was afraid to wake the little angel up, so he carefully straightened her limbs and covered her with a thin blanket.

She looked like she was sleeping well.

pei qiqi felt that she should sleep immediately. it should be very comfortable to hold!

Chapter 1085 a warm feeling (1)

PEI Qiqi took off her pajamas and immediately got onto the bed carefully. She hugged that milk-scented little person. It smelled so good!

It was warm inside the blanket, and the sound of the rain outside was also very beautiful.

The lights were dimmed.

This was the best sleep PEI Qiqi had ever had since she lost her memory.

However, it was no longer beautiful. On a rainy summer night, as the rain gradually became heavier, there were a few muffled thunders in the sky, followed by rumbling sounds.

Little Xinxin and PEI Qiqi woke up at the same time and screamed. Then, the adult and the child hugged each other and screamed without any backbone ...

it was too terrifying!

her little heart was buried in pei qiqi's arms. the extreme uneasiness made her find a pacifier out of habit.

it wasn't here, so she bit pei qiqi. she wasn't wearing any undergarments, so little xin was very satisfied with this bite. even though she was wearing clothes, it was still soft.

Probably because she was comforted, little Xinxin's mood became a lot calmer. After all, she was still a child. After a while, she was afraid that someone would hold her and she would become a lot more obedient.

however, pei qiqi couldn't sleep. she was holding a little person in her arms who was biting her. she couldn't move at all. she listened to the thunder outside, one after another, but she could still bear it.

But when the lights in the bedroom went out, she couldn't help but scream!

the scene of little xin waking up in her arms, and then the two of them facing each other and screaming and teasing each other again!

The door was opened, and a slender figure stood in the dim light.

little xin reached out her chubby little hands. "daddy, hug."

pei qiqi's expression was as though she had been struck by lightning. after a while, the bed caved in and the little person in her arms was carried to the side. her arms were empty.

At that moment, PEI Qiqi's heart was filled with disappointment. That disappointment overshadowed her fear of thunder.

A deep and charming voice rang out, "Baby, don't be afraid. Daddy's here."

it was tang yu coaxing little xin, but pei qiqi's ears were a little hot because the voice was so close. it was as if he was saying it right next to her ear. it was like he was coaxing her.

she scolded herself in her heart. pei qiqi, you're beyond redemption!

wasn't he just a man? wasn't he just 15cm?

there was suddenly another man on the bed, so she naturally couldn't sleep on it. moreover, the other party was the master of the house, so she should find a new place to sleep.

However, the moment PEI Qiqi moved, Thunder rumbled outside and lightning lit up the room as if it was daytime.

She screamed and immediately jumped back onto the bed. She hugged the living thing, Yingying Tang Yu.

Her soft and slender body trembled in his arms, and her small hands grabbed his Kasaya tightly.

15CM!

Tang Yu's breathing became shallow and his body tensed up. His blood was boiling and it all turned into beast blood.

if it wasn't for little xin in his arms, he would have already pounced on her.

He held his breath and tried hard not to move. He was afraid that he would scare her.

pei qiqi wrapped one hand around his waist and clenched her clothes tightly. her other hand clenched tightly as well.

Tang Yu couldn't help but make a hissing sound. In a hoarse voice, he said, "miss PEI, you're going to break me.

pei qiqi was still screaming in his arms. little xin was also shrieking in response.

her heart revealed her little teeth. how could there be anyone in this world who was afraid of lightning?

Mama is so useless!

Little Xin shouted with all her might. Her little hand grabbed onto Tang Yu and after a while, she chuckled.

PEI Qiqi was stunned and her hand slipped. Then, she felt like she had touched something she shouldn't have touched.

At this moment, a warm breath brushed against her ear and his voice was a little hoarse. " if this continues, it might become two 7.5CM long sections. "

Chapter 1086 a warm feeling (2)

She blushed and immediately let go of Yingying.

at this moment, another bolt of lightning flashed past ...

pei qiqi's little face was pale. his back was against the window. under the white light, his expression and eyes looked even more unfathomable. his eyes were bright.

All of a sudden, she felt the place where her palm had just touched was burning.

pei qiqi bit her lip and looked at him helplessly. she was frightened by her own desire.

she held her small hands and forgot the thunder she was most afraid of. she forgot about the rainy night outside and just looked at the man in front of her in a daze.

the white light was enough for her to see him clearly.

the white bathrobe he was wearing had been pulled open, revealing a small half of his chest. he was not a particularly strong man, slender and lean, and with his handsome facial features, he was fantasizing-fei fei.

PEI Qiqi swallowed her saliva and her little hand gently touched his handsome face. Then, she touched his raised Adam's apple. Her little hand slid down his throat and stopped. She wanted to pull her hand back.

her hand was grabbed by a strong hand. then, tang yu's voice was a little hoarse, " why don't you continue? "

she shrank back suddenly, but his hand grabbed her forcefully. suddenly, he let go of his heart and flipped over to her side.

As she cried out in alarm, she fell into his arms, her small hand helplessly pressing against his chest. The little heart behind him, however, mustered its courage and moved back ...

She closed her eyes. Daddy and Mommy are going to fight. Little Xin can't see or hear anything.

Tang Yu's face was alluring. He held her hand and slowly moved it down, " "weren't you curious?"

"No, I didn't!" Her voice was so weak that she felt like she had fallen into a Wolf's Den.

however, she was still a little hesitant and wanted to go.

Her small hand was extremely curious as she followed it down.

tang yu's dark eyes were deep as he looked at her shy and timid appearance. her long hair was scattered on the snow-white pillow and her thin shoulders were hidden under the blanket.

her little hand only touched it for a while before she retracted it, not daring to touch it again.

“You don't want to touch 15?” He suddenly pulled her closer and pressed his lips against hers. He spoke in a low and hoarse voice.

PEI Qiqi shook her head in a mess but her eyes were wide open. She stared straight at his sexy Adam's apple.

Like a ghost's premonition, she leaned forward and kissed that spot. Then, she mumbled as if she was holding a milk bottle carefully.

his body attracted her like poison. she knew she shouldn't, but in the dark of the night, she let herself go.

those crazy desires that she had never had for an lan were all realized by this man in front of her, who could be considered a stranger!

she hugged him and gnawed on him like a puppy gnawing on a bone. her ferocity made tang yu speechless.

How long had it been since she last ate meat?

The bathrobe was opened, and she buried her little face in it.

her hobby hadn't changed at all. she only nibbled on it once and then retreated ...

with a thump, pei qiqi fell to the ground. she cried out and was immediately carried up.

her small head was being gently rubbed, and her head was resting in the crook of his arm. she felt as if she was being protected.

“let me go.” she was a little angry from embarrassment, and this anger came from herself.

Because she had actually bitten him!

she had done something so embarrassing with a man she had only met three times.

No, she had done something shameful to him.

not only that, but all kinds of embarrassing images had also flashed through her mind just now ..

Chapter 1087 A warm feeling (3)

For example, she could sit in his arms and ravage him.

pei qiqi's eyes widened as she looked at the man in front of her. his eyes were wide open and he looked like he was about to kill her.

Her long eyelashes fluttered with light and color.

his adam's apple bobbed, and then he couldn't help but lower his head to kiss her little mouth. at the same time, he pressed on her shoulder to stop her from struggling.

he was so moved that he forgot that little xinxin was also in the same bed. he forgot that little xinxin was already five years old, at the age of being sensible.

He kissed her passionately, his Hot Lips rubbing against hers.

She opened her eyes and looked at his intoxicated expression. Was he very comfortable?

under her fingertips, she could feel his tense body.

Her small hand suddenly tightened because he was no longer satisfied with their lips touching. He went in.

When he kissed her deeply, she didn't hate Yingluo.

it wasn't like resisting an lan. instead, it was a little numb all over his body.

it was as soft as water, and it was not enough to have all the feelings on her lips. she wanted more.

Her small hand tugged on his shirt and she could feel the muscles on his back. She lifted her body and kissed him back with all her strength, like a little beast asking for his favor.

Tang Yu's heart was about to jump out of his chest. He looked up and exhaled with difficulty. He looked deeply at the little person below him.

she was like a ball of fire, so passionate that she wanted to burn him up.

The Qi Qi in the past was not like this. She was so excited that he almost went crazy.

his body was in pain, and he was screaming that he wanted her.

But he didn't dare to. He hesitated. He didn't care if she was someone else's wife, but he was afraid that his Qiqi would care about Qianqian. He was afraid that she would care about the empty book.

When he looked up, she leaned forward again and kissed him twice. Her voice was a little hoarse."what's wrong?"

This time, his forbearance and restraint were completely disrupted.

Tang Yu lowered his body and kissed her deeply. It was a solid kiss without any restraint.

her bathrobe was lifted open, and his fingers almost melted wherever his large palm touched.

At that moment, Tang Yu almost cried.

The ball of fire suddenly sat up.

outside the window, there was lightning and thunder.

however, pei qiqi thought that she might not be afraid anymore. because a night like this would remind her of a beautiful body.| body.

She wanted to see him!

When the bathrobe fell to the ground, her eyes glowed in the dark.

Tang mo leaned on the bed and had an unspeakable feeling in his heart. Something was about to break out of the earth.

“Hurry up,” he said. his voice was hoarse as he urged her.

PEI Qiqi bit her lip and beads of sweat appeared on her forehead. She looked at it greedily and suddenly said, ” “Wait a moment.”

He watched her jump out of bed and thought to himself, could she have gone to get a t-shirt?  
if he was the one who wanted to strangle her.

However, PEI Qiqi took an camera and adjusted the focus. In the dark, she took a few nude photos of his body.

tang yu was shocked. he squinted at her and gritted his teeth, ” “pei qiqi.”

“I am very interested in your body.” She raised her camera. very tempting.

just now, she had taken the best photo she had ever taken.

In the light and shadow, on the pure white bed, the man’s bathrobe was thrown to the side. The man was half-leaning, his eyes were a little deep, full of invitation. His naked Jade-like gaze made people blush and their hearts beat faster.

This was a photo that could make all the women in the world scream. Of course, she only took a photo above the waist. If he didn’t mind, he could take a photo of his whole body too. This would let Western women know that the Kasaya of an Asian man was not small.

Chapter 1088 a warm feeling (4)

tang yu looked at her, ” didn’t you desire it just now? ” He got up, walked behind her, and hugged her from behind, his thin lips on the side of her neck.

pei qiqi immediately felt that he was in danger.

she held the camera in her hand and said in a fragile voice, ” “This is not fun at all! Mr. Tang, I think you should know that I have a husband. You’ve seen the airport.”

“Is that so?” he buried his face in her neck and held her waist with one large hand, comforting her back and forth so that she had no chance to escape.

He suddenly chuckled and nibbled on her neck. then you’re already in the same bed as my Hanhan.

pei qiqi turned her face to the side and was kissed by him. she suddenly froze and fell into a daze.

“you still dare to say you don’t want it?” He smiled and let go of her.

She trembled, feeling extremely ashamed.

“Go and take a shower, hmm?” he moved closer to her ear, his voice as hoarse as rough sand.

After that, he picked up his bathrobe and put it on before he opened the door and went out.

it was as if she had simply come over to comfort them, who were afraid of lightning, and she had taken the initiative to seduce them.

PEI Qiqi bit her lip and was about to go into the bathroom to tidy herself up when the little person lying down suddenly said, "little sister, are you going to be my new mother?"

pei qiqi's body froze as she looked at the little person on the bed.

Little Xin Xin lay there like a little angel, but she was smiling like a little devil.

PEI Qiqi experienced the greatest anger she had ever felt in her life. She thought that the male owner was already too much and shameless, but she didn't expect the little one to be even worse.

"I saw everything!" "you bit daddy," the little bad thing chuckled.

PEI Qiqi's head exploded. She felt as if lightning had struck her head.

She laid down straight and covered herself with the blanket without tidying herself up. "I must be dreaming."

"Little sister, you have to pay for what you ate." The little demoness leaned into her ear and said, "I'll forgive you if you become my new mother. I won't tell anyone about this."

PEI Qiqi pulled the blanket down and teased her. She still wanted to tell her?

little xinxin was a little proud.

pei qiqi said slowly, "but i'm married."

"that's even better!" little xinxin flashed her white teeth. "if you don't stay with daddy, i'll tell everyone that you bit daddy's lil j. shame on you."

PEI Qiqi didn't know whether to laugh or cry. Were children these days all so bad?

she picked up the little rascal and walked out.

She was not afraid of the rumbling Thunder outside, and she could see that this little bad thing was not afraid at all!

She found the bedroom on the East End of the room. Her intuition told her that it was the master bedroom. She opened the door of the bedroom directly. The light inside was dim, and only the light in the bathroom was on.

She placed the little rascal on the bed and said fiercely, "sit here and don't move,"

She thought that it was time for her to have a good talk with the child's father.

Thunder rumbled. PEI Qiqi pulled her bathrobe and felt like a female warrior. When she reached the bathroom door, she pulled it open. Since she had already seen it, one more time would be a great gain.

when she opened the door, pei qiqi wanted to say something but she swallowed it down.

because the scene in the bathroom was a hundred times dirtier than she had thought.

it was filled with the breath and passion of an adult man doing bad things

Chapter 1089 a warm feeling (5)

She just stood there and tried to escape, but an arm dragged her in and the bathroom door closed.

PEI Qiqi looked at the closed door and felt hopeless. She turned to the man in front of her, ” “let me go.”

Damn it, he’s actually urging me to do that.

At this time, there was hot air in the bathroom, and there was also a touch of passion. It was very secretive and special.

PEI Qiqi struggled but Tang Yu stopped her. His voice was so deep that water was about to drip out, ” “Don’t move!”

His body was wet and stuck to her, making her bathrobe wet and hot.

PEI Qiqi turned her face away and bit her lip, ” you’re shameless!

“Is that so?” Tang Yu pressed on her shoulder and then continued what they were doing.

PEI Qiqi screamed and twisted, but her mouth was covered by him. Her eyes were wide open, and she couldn’t believe that he would do such a shameless thing to her!

it was probably because she was in his arms that he was able to move quickly.

a minute later.

tang zheng panted slightly as he leaned on her small shoulder. the atmosphere was also a little subtle and uncomfortable.

When had he ever been so fast?

PEI Qiqi’s head was leaning against the door. Her eyes were a little blurry as she glared at him.”have we started, mr. tang?”

after a while, she let out a strange cry,”oh!” It has already ended.”

She was laughing at him?

tang mo leaned on her shoulder, his thin lips touching her ear, his voice low and hoarse.”you still want more?”

What do you want?

she glared at him!

there was clearly no such thing, but he had to say it so ambiguously. but when he said there was no such thing, there was already one!

PEI Qiqi felt uncomfortable and lowered her head. Then, she started to hit his shoulders.

It was so dirty!

She ran into the water to wash, but her bathrobe was completely wet, as if a second layer of skin was sticking to her body.

Tang Yu's heart was filled with desire, but seeing her like this, he found it funny. He leaned against the door and admired her.

His Qi Qi had not changed at all.

it was still his qi qi, the little girl who only had a reaction to him.

he laughed in a low voice. pei qiqi glared at him, " "mr. tang, i seriously suspect that you're not satisfied with your jade request. you're a pervert!"

She did not expect him to admit it directly. two years without sex. living, does that count?"

PEI Qiqi looked at him like she was looking at a pervert. Then, she stumbled out!

Abnormal!

Xiaoxin sat on the bed and watched her walk out in her clothes. She said confidently, " "you're the one who made me sit here."

PEI Qiqi pulled on her clothes, " then sit down and don't move!

She ran out in embarrassment and little heart said coldly behind her, " "Little Miss, did someone rape you?"

pei qiqi snorted, glared at her, and quickly ran away.

the thunder was still rumbling outside, but pei qiqi didn't think it was scary at all. this father and daughter pair was scarier, "

After returning to her bedroom, she took a shower. She did not have any clothes to wear and just lay under the blanket.

However, when she covered herself with the blanket, she could smell a man's secret scent.

pei qiqi bit her lips and turned on the light. she picked up the camera and looked at the two photos. then, she connected the phone and transferred the two photos to her phone.

She wrote in the file on her phone , '15cm pervert. One minute ~"

of course, what she wrote and the photo were sent to tang yu's phone.

when tang mo came out of the shower, xiaoxin obediently handed over the phone and then asked,"daddi, what does one minute mean?"

Chapter 1090 qin anlan's illegitimate son (1)

tang yu's eyelids twitched. he picked up his phone and glanced at it. then, he looked at his heart and said calmly, " "You'll know when you grow up."

he lifted the blanket, and xiao xinxin took the initiative to snuggle into his arms. she looked up at her father, who was about to look at his phone.

little xin was not happy. her voice was pitiful as she said, " i want to go find mommy. " i want to sleep with mommy!"

Tang Yu looked down at his little daughter and coughed, " be careful. Some things can't be rushed. For example, if you go now, your little sister might not like you anymore. You have to learn to play hard to get.

"it's mom!" little xin corrected him with a tense face. after a while, she asked in a studious manner, " what do you mean by playing hard to get? is it like how dad treats mom, grabbing mom and rubbing her back and forth, that's called playing hard to get? "

"what did you see?" tang mo asked seriously.

Little Xin stopped talking. She knew that her father was going to be angry, so she quickly turned her little butt over and said, " "Dad, get P shares! I won't dare to peek again."

Her little face was buried in the pillow, chuckling.

tang yu's heart was in a mess. he didn't think that his little daughter would see his little game.

He coughed lightly,"you're not allowed to peek next time, especially Yingluo."

"Especially in the future when Daddy and Mommy aren't wearing any clothes," he said after some thought.

but sometimes, when daddy isn't wearing any clothes, he'll also whine, huh, huh? " xiao xinxin's eyes were sparkling.

tang yu felt his head hurt. it wasn't a good thing to have a girl who was too smart and mature for her age.

He looked at little Xin. After a while, little Xin obediently lay in his arms."I've forgotten everything."

This little fellow!

tang yu coaxed her to sleep with one hand holding his heart and the other hand holding his phone to read what she was writing.

Another message popped up on the phone.

It said,"if an LAN knew, I would probably be skinned!" I knew that an LAN wouldn't agree to my divorce, but this man named Tang Yu let me know that I'm not a sex man.| She's cold and a normal woman. I really think that I should divorce an LAN. It's not fair to him if this drags on.

tang yu looked at his phone and his heart softened. he said softly, " "Fortunately, this person is me." she did not sleep the entire night, and so did he. he was so excited that he could not sleep.

However, he was even more clear that in her heart, he was a pervert! If she wasn't homeless, she probably wouldn't have stayed here for the night.

the sky would turn dark, but there would always be a day when the sun would rise.

PEI Qiqi only woke up in the afternoon because she only fell asleep in the morning.

the bed was very soft, and there was a pleasant smell on it. she slept like this until the sun was high in the sky.

when she woke up, it was already lunch time.

pei qiqi sat up straight. her eyes were a little straight. she remembered that there were two companies this morning where wanwan went for her interview.

his phone rang again. it was an lan.

She thought for a moment and answered the call.

qin anlan's voice sounded tired. " qiqi, where are you? "

Kie could not contact her for a full 24 hours. He did not know where she was. Qin Anlan wanted to fly back immediately, but he could not leave.

and he didn't dare to force her too much, perhaps because he felt a little guilty.

he hadn't thought that ye liangqiu would cause such a big incident, and he had been caught off guard.

He had never felt so troubled before.

pei qiqi looked around and lied, " I still have some money on me. I'm staying in a hotel chain.
