

## Thank you 1091

Chapter 1091 Qin Anlan's illegitimate son (2)

"Where's the money? You're not going to contact Kime?" "qiqi," he said sternly, "you're not a child anymore. you need to be taken care of."

"An LAN." "I'm 25 years old!" She said in a cold voice.

"you are my wife." he emphasized.

PEI Qiqi thought for a long time before softly saying, "anlan, let's get a divorce!"

This was not the first time she had said this, but Qin Anlan could feel that it was different this time.

she had mentioned it twice before, but that was because of their relationship and because of her sex. She was cold. She felt that they were not suitable for each other, so she asked for a divorce. Now, she had only returned to B city for a few days, and she was asking for a divorce.

His voice suddenly turned cold, "qiqi, where are you?" "who are you with?"

"No one." pei qiqi said seriously, "an lan, we're not like a normal couple."

her desire for this man called tang yu didn't mean that she wanted to be with him. rather, it was to let her see how empty her marriage with an lan was.

Would an LAN be like Tang Yu, getting up in the middle of the night to satisfy her own physiological needs?

If that was the case, she should not hog the title of his wife.

PEI Qiqi's words made Qin Anlan both shocked and angry. His instincts told him that something had happened. Otherwise, she wouldn't be acting like this.

"I'll be back in the afternoon." his voice was cold. his instinct told him that he had to send qiqi back to new York immediately. otherwise, she might not be his anymore.

pei qiqi's body was a little cold, "an lan, are you coming back to send me back to United States?"

"Yes." He hardened his heart. Other than not letting her get in touch with Tang Yu, the other reason was to not let her know about him and ye Liangqiu.

although it was in the past, it had left behind a very deep after-effect.

he couldn't let qiqi know.

He was at a loss for words, and she was arguing with him again. Qin Anlan even wanted to harden his heart and bring her to United States, then have her and become his real wife. He wanted her to have no more thoughts about ran ran.

pei qiqi's voice was sharp, "i don't want to!"

She was a little stubborn. I don't like the United States or new York. I like B city.

you like B city?

qin anlan laughed at himself in his heart. she probably liked people from B city.

he was someone who liked this place, so he naturally felt that this city was better.

“I’ll be there in the afternoon,” Qin Anlan’s voice was deep. don’t turn off your phone.

He hung up and turned around to see ye Liangqiu.

She was leaning against the door, wearing a white dress. The design was simple and refreshing, completely different from her aloofness on screen.

“did you call her?” She said indifferently.

qin anlan’s body tensed up. he squinted his eyes and looked at her guardedly.”Yes.”

Ye Liangqiu naturally noticed his gaze. Although his heart ached, his face remained calm.”when are you coming back?”

Qin Anlan looked at her. I’ll be back tonight.

I thought you would only be at ease after sending her back to United States. ye liangqiu slowly walked over, stared into his eyes, and said word by word,”remember, mu yun might be in danger at any time. he needs your blood.”

the corners of qin anlan’s eyes twitched, and his facial muscles trembled slightly.

He looked at the woman in front of him with a sharp look in his eyes.

“Don’t worry, President Qin. I only want your blood, not your people,” ye Liangqiu said indifferently.

Chapter 1092 Qin Anlan’s illegitimate son (3)

Her words had probably angered him, so Qin Anlan pinched her sharp chin with one hand.

Ye Liangqiu wasn’t completely gentle and beautiful. There was a beautiful crack on her chin, and his fingers were stuck there.

Qin Anlan squinted his eyes and moved closer. ye Liangqiu, if you don’t want me, why did you give birth to my child seven years ago? ” Hmm?”

At that time, she was only nineteen years old. He only had to do it with her once, and it was only an unspoken rule, and she dared to keep his child. He remembered and told her to take morning after pills.

This was an accident in Qin Anlan’s life. Damn it, ye Liangqiu had given him a surprise.

only the heavens knew that he was the one who had single-handedly made her famous and elevated her to the position of a diva.

But look, what did she repay him with? a seven-year-old son, ye mu Yun.

ye liangqiu chuckled. she had never been afraid of him.

she was very tall, about 1.68, and her aura would not lose out much when she stood next to him.

she looked up and said softly, "if muyun didn't need a blood transfusion, i wouldn't have come to president qin." To mu Yun, you're just a man who provides gold. We, mother and son, will live well."

What she said was reasonable, but Qin Anlan was not a simple man.

he sneered. "it's been so many years. there's no scandal and no man. is it really such a coincidence?"

it was terrifying! he had a feeling that he had been tricked by this woman.

Ye Liangqiu replied indifferently, "just because there aren't any scandals doesn't mean there aren't any men!" president qin, you're overestimating yourself."

she leaned close to his ear and said, "when i sleep with a man, i don't have to report to president qin, right?"

She suddenly bit the soft flesh behind his ear. "president qin, i think you haven't had a woman in a long time. aren't you bored?"

at this time, her body was softly pressed against his body, and her face was on the side of his neck.

Qin Anlan was a man who had not touched a woman for more than two years, and she was provoking him.

this was the mother of his child! The woman who had given birth to an heir for him.

qin anlan suddenly had a thought. perhaps, he and qiqi would just be like that for the rest of their lives, without sex. She would not have children in life.

Moreover, Qiqi really can't have children.

But ye Liangqiu had a son, and ye Liangqiu was a beautiful woman.

qin anlan suddenly carried ye liangqiu in his arms and walked straight into her bedroom.

ye liangqiu was stunned. she reached out and punched his shoulder. "qin anlan, what are you doing?"

"Didn't you wait for seven years?" He threw her onto the big white bed and unbuttoned his shirt.

ye liangqiu looked at him coldly. "president qin, i've told you that i'm not interested in you."

"is that so?" he sneered. "then i'd like to see if your mouth is honest or your body is."

he leaned forward and pressed her down tightly. his fingers gently stroked her red lips and he said in a mocking voice, "do you still remember? When you followed me that time, you were still a Virgin and couldn't open it."

As he spoke, he couldn't help but think of ye Liangqiu's first time.

It was the only time.

the only reason he could remember was because she had a special little yingying.

She was still young and her body was still too delicate. When he wanted her, it was difficult and he couldn't open her at all.

She had lost a lot of blood, and he wasn't very comfortable either.

this was the first time that a woman wasn't happy when they were together.

However, her forbearing expression and behavior made him feel that she would be a superstar in the future.

Chapter 1093 Qin Anlan's illegitimate son (4)

He did not touch her again and even let Kime protect her from the perverts in the circle. Therefore, no one dared to touch her unless she was willing.

Now, he wanted to see if this Lily was still the same as before.

once qin anlan made his decision, he would not show her any mercy. besides, he had tolerated her for long enough these past few years!

freezing her was useless to her. this woman was just taking a vacation. in that case, he would tear her apart and see if she would feel pain. would that indifferent face of hers show a painful expression?

when the pain hit him, ye liangqiu's eyes were filled with tears, and his fingernails dug deep into his back muscles!

‘Qin Anlan, you bastard!

It was even more painful than the first time.

that time, he would at least coax her and kiss her body. but this time, he came directly!

Without any time to calm down, he just went straight to the point.

ye liangqiu lay there, her body arched in pain.

Qin Anlan's thin lips were pressed against her artery. His voice was low and cold.”have you had other men? Hmm?”

he had seen countless people, so how could he not notice that she had not had a man for at least a few years? he could deduce that ye liangqiu's only man was him.

The only reason why she treasured her body so much was because she wanted to be Mrs. Qin.

Unfortunately,

“ye liangqiu, i'm married.” his voice was warm but also cold.”does this count as a failed investment?”

she raised her head, her eyes moist and extremely charming.

qin anlan had slept with ye liangqiu once, but he had watched the clips of the movies she had shot. at that time, he had not been watching a woman, but an actress, and more importantly, a product.

Now her eyes were filled with tears, just like her acting skills at her peak. He sneered, ” “i now believe that you deserve to be the empress.”

he ruthlessly toyed with her three times, without any rest in between.

Three times, a total of five hours, Yingying.

This made her feel so much pain that she wanted to die. It also made Qin Anlan fearful of his own desires.

Could two years turn him into a beast?

He knew who he was. In those cold-blooded, ruthless, and preposterous days, although he had met countless people, he almost couldn't remember the women's faces.

He seemed to remember ye Liangqiu the most, the ye Liangqiu that he had only ever met.

Ye Liangqiu had hurt him.

Qin Anlan leaned on the side of the bed and smoked. It was already five o'clock in the afternoon. He had dragged it out for a long time and should have returned to B city a long time ago.

Ye Liangqiu leaned against his side. She did not cry, nor did she plead.

Throughout the entire process, he knew that she was in pain. This was no different from her first time, and he had occupied her for a full five hours. Even a normal woman would not be able to stand it, not to mention that this was her second time.

“What do you want?” he said indifferently.

with her intelligence, she should know what it meant for him to want her!

She could make requests to him, such as mu Yun setting up a Foundation or even shares of King Entertainment. He would hand all these over to mu Yun sooner or later because he and Qiqi would not have a child.

he turned to look at ye liangqiu, hoping to see a greedy face.

However, ye Liangqiu only smiled and lifted the blanket. five hundred thousand! Old price.”

qin anlan was stunned.

seven years ago, he had given her five hundred thousand. seven years later, she still wanted five hundred thousand.

Chapter 1094 She had always loved him (part one)

ye liangqiu held back his leg. she walked to the bathroom and paused at the bathroom door. ” ” qin anlan, i either want the least or the most. if you can't afford the most, then i'll want the least. ”

she turned around and smiled. ” you should go back to B city. ” she was so generous that she didn't seem like a woman with ulterior motives!

qin anlan looked at her back view. she was only wearing a white silk nightgown, but it could not hide her alluring spring.

she had always been beautiful, as alluring as venus, but all these years, he had not touched a single hair on her.

It wasn't that she didn't have a chance to escape just now, but she didn't hesitate.

qin anlan was not a simple character. he was able to control the surging entertainment industry with one hand, so he must have his own outstanding qualities.

He looked at the bathroom door, walked over, and pulled it open-

Ye Liangqiu was half-lying in the bathtub, looking up at herself in the mirror. She was looking at her body, which had been tortured by him.

the so-called hunger and thirst was probably what qin anlan was doing!

so thirsty that he couldn't even care about his little baby? she chuckled.

the door opened. ye liangqiu lowered her head and looked deeply at the man by the door.

qin anlan held her phone, his gaze slightly cold. "How much is your deal with him worth?"

Ye Liangqiu's body trembled, and then she sat up.

she was truly a beautiful woman. in the past, he had only thought that she was elegant and moving, but as time passed, she had a kind of liveliness. | very few women would use the word "beautiful."

Ye Liangqiu put on her bathrobe and slowly walked up to him. She looked at him and said softly, "You saw it?"

It had her and Tang Yu's call history. She purposely didn't delete Yingluo.

It was good to see it. Ye Liangqiu had never been a little white rabbit. She had said that she wanted everything. Otherwise, she might as well not want it. He didn't love her, so it was good that he hated her.

her chin was pinched, and qin anlan's eyes locked onto her. "tell me, how much did he give you?"

"100 million." Ye Liangqiu's jaw was almost crushed, but she still smiled. Qin Anlan, I'll sleep with you. One hundred million is more than five hundred thousand.

he narrowed his eyes and wanted to kill her.

he knew very well what it meant if he slept with ye liangqiu because of tang yu's arrangement.

It meant that Qiqi might know.

"Ye Liangqiu, you're truly worthy of being the movie queen!" qin anlan's eyes were filled with coldness, and there was no pity in his gaze as he looked at her.

Ye Liangqiu only smiled indifferently. thank you for your praise, President Qin.

he suddenly pressed against her body and said in a low voice, " just now, did you only think of yourself as a commodity? don't you feel any happiness?"

"no, i didn't!" She said firmly.

His gaze fell on her flawless face. ye Liangqiu, you've lived like a commodity.

With that, he suddenly let go of her and opened the bathroom door. He took a step out and saw a handsome little boy standing in the room.

Ye mu Yun.

Ye Muyun stood there and looked at the mess in the bedroom ...

His mother's dress was torn and thrown on the floor, and the luxurious bed was covered with marks. His father looked angry.

ye mu yun pursed his pretty little lips. his expression was a little depressed and uneasy.

"Ye Liangqiu, you go in first," Qin Anlan said in a low voice.

men were all rational, and he didn't forget that ye liangqiu's body was covered in scars. in fact, he himself didn't understand why he was so obsessed with her body.

perhaps it was because he had been abstinent for two years!

Chapter 1095 she had always loved him (part two)

he did have some plans for ye liangqiu, but he wasn't in the mood to talk to her.

what he had to do now was to comfort mu yun.

qin anlan's feelings towards ye muyun were complicated. he liked this son of his, but he was angry at ye liangqiu's actions.

He reached out and patted mu Yun's head. daddy has something to do. He needs to go out for a few hours.

Xiao Muyun's gaze landed on the bathroom door and then back on Qin Anlan's face. Then, she asked very directly, " "Are you going to find Qiqi?"

Qin Anlan's heart trembled slightly, but he maintained a gentle expression. yes! i can't ignore muyun, but i can't ignore qiqi either."

The only thing he was satisfied with ye Liangqiu was that she had brought up mu Yun well.

Although this child was a little sensitive, he was very sensible.

Mu Yun nodded obediently. Qin Anlan felt comforted. He touched his head and was about to leave when mu Yun asked in a soft voice, " "what about mom?"

Qin Anlan paused. He was a little troubled by this question.

if it was someone else asking, it wouldn't be difficult, but it was mu yun, the successor he had been grooming.

she pursed her lips and bent down to meet mu yun's eyes. her gaze was especially gentle. " your mother is a very important person to me. "

such an answer was ambiguous.

mu yun nodded. " father, mother will not be a third party. "

his tone was very normal, as if he was making a statement. however, at such a young age, he had a different kind of courage. even in the face of his noble father who had suddenly appeared out of nowhere, xiao mu yun was still calm.

Qin Anlan admired her, but it was a headache for him to deal with a son who was too smart, especially when his relationship with ye Liangqiu was so tense.

however, he could not deny that because he had just slept with mu yun's mother, those clothes were still torn under the bed.

"of course!" qin anlan smiled. this was the first time he had compromised with such a young negotiator.

He hugged Xiao mu Yun and said in a low and hoarse voice, " take good care of your mother.

Xiao mu Yun nodded and watched him leave. He was so mature that it made her heart ache.

in that instant, qin anlan's impregnable heart actually cracked a little. he even wanted to stop and hold mu yun.

however, it was only for a second. after that, he left with a determined heart.

after the door closed, xiao mu yun walked to the bathroom door and knocked on it. " mommy, are you okay? "

Ye Liangqiu opened the door and held Xiao mu Yun in her arms. She gently stroked his hair.

Little mu Yun leaned into her arms. Her small hands slowly tightened as she hugged her mother. mommy, I can live without a father, or I can live without a new father.

he didn't want to see his mother cry. at such a young age, he already knew that his mother had been bullied by his father.

"Mu Yun! mommy won't cry." ye liangqiu touched mu yun. " mom will never beg dad to take us. "

Xiao mu Yun nodded obediently and pressed her face close to his. mu Yun will be with mommy forever.

ye liangqiu smiled and didn't say anything else.

did qin anlan think that she really cared about a hundred million?

Of course, she knew what kind of Foundation her deal with Tang Yu was built on. It was never money. This 100 million was just a reason.

and she didn't care whether he would hate her or not, because if he didn't hate her, he would forget her, and she would become a commodity.

ye liangqiu hated being a commodity, ever since he had spent five hundred thousand on her first time.

Because she liked him!

I've liked him for many years!

However, he never knew that Yingluo was a man of great importance.

Chapter 1096 she had always loved him (part three)

Ye Liangqiu picked up her phone and dialed a number. She said softly, "don't worry, i'll keep what i should."

after that, she hung up the phone.

on the other side, qin anlan called pei qiqi as he walked out. it was already evening, a few hours after he said he had returned to B city. during these few hours, he had been on ye liangqiu's bed.

he kept calling, but the other side kept telling him that the user had turned off her phone.

He got into the car, threw his phone aside, and started the car after cursing under his breath.

With one hand on the steering wheel, he dialed Kime's number with the other. His voice was cold. please, if you can't find PEI Qiqi within an hour, you don't have to work tomorrow.

he really couldn't leave A city, but due to KIME's incapability, he had to rush back.

after receiving the order, kie did not dare to disobey. he immediately paid a high price to find the person.

Qin Anlan drove to the airport, and his private plane returned to B city in half an hour.

At the airport, Kie was already waiting. When he saw Qin Anlan coming out, he quickly followed him and said in a troubled tone, "miss PEI is in a Park. I've asked someone to keep an eye on her so as not to disturb her.

qin anlan did not stop. his voice was cold."Is she alone?"

yes. Kime nodded. miss PEI is alone with her luggage. I'm afraid that ran ran might not have eaten.

qin anlan stopped in his tracks, and his gaze was like a knife flying over. his voice was a little cold."you're getting better at doing things."

Kime touched his nose and did not dare to make a sound.

he did have his own plans for this matter. if he listened to president qin's words, he would definitely offend mr. tang. at that time, no one would protect him, and he wouldn't even know how he died.

how could qin anlan not know about chick's little scheme?

Once he got into the car, Kime started the engine immediately, not daring to delay any further.

In fact, he was thinking that it was good to take her away. Otherwise, it would be troublesome if she was left in B city. It wasn't like President Qin was looking after ran ran.

the car drove for an hour and slowly arrived at a park. pei qiqi squatted there and rested her chin on her hands.

she had been living on the streets and her wallet had been stolen. she had been starving for half a day.

she threw her suitcase aside and grabbed a flower she picked from the park.

her stomach growled as she plucked the flowers. ” call an lan. if you don’t call, zhenzhen will call. if you don’t call zhenzhen, then call her. ”

Before she could finish picking the flowers, darkness fell in front of her, and a slender black figure stood in front of her.

she raised her head and looked at qin anlan in a daze. she subconsciously called his name, ” “an lan.”

Qin Anlan pursed his thin lips and did not say anything.

she saw that he was angry, so she got up and patted his butt. ” an lan, i’m so hungry. ”

his eyes were cold at first because she had told him about the divorce on the phone, but now that he had appeared in front of her, she acted as if nothing had happened.

He was a little resentful, resentful that she did not take him to heart.

“qiqi, you heartless little thing.” He sighed softly and put his arm around her shoulder. He helped her remove a strand of grass from her hair. let’s go eat. Were you so poor that you ate grass just now? ”

If there was food, she would obediently follow him.

kie shook his head helplessly. he really felt that this couple did not look like a married couple.

moreover, he had heard that boss qin went to city A for something big.

He had heard a little about this matter, so he didn’t think that these two would be able to win.

Chapter 1097 where did you go?(1)

no matter how he looked at it, no matter how he looked at it, these two seemed to have a relationship of feeding and being fed.

kie followed behind them and sat at the side when they reached the restaurant, not interrupting their conversation.

after pei qiqi sat down, qin anlan knew she was hungry and ordered a meal for her.

PEI Qiqi ate until her mouth was full. She raised her head and looked at Qin Anlan, ” “An LAN, aren’t you eating?”

Qin Anlan had a cigarette between his fingers. His gaze was unfathomable. I’m not hungry.

in fact, he was hungry. he had exercised for five hours in the afternoon and rushed back to B city, but he was not in the mood.

looking at qiqi, he had an indescribable feeling in his heart.

She had always been dispensable in their marriage. He knew that she wanted a divorce so that they would not be bound by each other, but he could not bear to let go.

and after what happened between him and ye liangqiu, he felt a little guilty when he faced pei qiqi.

What he had thought in the afternoon was too much.

he was too much to ye liangqiu, and even more so to qiqi.

” oh, ” pei qiqi replied. she turned into a little pig and finished the entire meal. she was just short of licking the plate.

after she finished eating, she stretched out her white and clean hands and opened them.

qin anlan smacked her small hand. ” what do you want? ”

“Money!” PEI Qiqi said righteously, ” I don’t have money. I want to live on the streets. I don’t have money to eat.

she pouted her little mouth. ” an lan, you’re too bad. ”

qin anlan laughed dryly and folded her hands. ” i’m here. you don’t need money. ”

her eyes were guarded as she looked at him.

Qin Anlan looked at Kime, who was sitting across from him. Kime expressed that he was innocent and got shot ...

Kime will send you back to new York. Qin Anlan handed her passport to her. you’re leaving tonight. I’ll send you to the airport later.

PEI Qiqi’s eyes widened, ” an LAN, I’m not going back to new York!

His eyes were firm. Qiqi, be obedient.

be good, be good. should she live in a place she didn’t like?

PEI Qiqi was about to speak when she suddenly saw a kiss mark on Qin Anlan’s neck under the bright light. There were also a few bloodstains. Did a woman leave that?

She took out her phone and pretended to take selfies. She pouted. “I don’t want to go back there. I think B city is pretty good.”

she secretly took a picture of the hickey on qin anlan’s neck and zoomed in. no matter how she looked at it, it was definitely left by a woman.

moreover, it looked like it was steaming hot.

PEI Qiqi put down her phone, ” an LAN, the Yueyue I mentioned last time.

His expression changed immediately. don’t mention it again.

his voice was stern and pei qiqi was shocked.

“Alright, I won’t mention it anymore!” He said in a low voice after a long while.

however, an lan, are you sure you want to do this?

Do you think there’s a need for our marriage to continue?

if she was really his wife, why was she so ...| he was cold, and he did not force her!

no husband could be so forgiving. she had her suspicions and checked their marriage certificate.

it was real.

she did not know how she signed it, but she knew that she did not love him.

no matter if it was now or in the past, he probably never loved her.

otherwise, why didn’t she have the most primitive impulse to look at him?

After going through Tang Yu, PEI Qiqi knew that she wasn’t cold. She was also very curious and desired a man’s body. Yingluo, what had an LAN been avoiding all this time?

The two of them were silent. After all, they had feelings for each other and were unwilling to hurt each other.

Chapter 1098 Where did you go?(2)

Her voice was low. an LAN, I’m going to the washroom.

qin anlan looked at her with a deep gaze. ” go! come out and we’ll talk.”

qin anlan admitted that he was afraid.

he was determined to send her back to new York. he would not feel at ease as long as she was in B city.

Kime would send her to new York until he was done with his business.

PEI Qiqi took a deep breath, asked the manager for directions to the washroom and walked over.

Qin Anlan continued to smoke. After he finished one cigarette after another, ” please ” shivered at the side. He had a bad feeling about this.

“President Qin, isn’t miss PEI taking too long to go to the washroom?” he asked, trembling.

qin anlan pursed his lips and frowned. he got up and quickly walked in the direction pei qiqi left to look for her.

Regardless of the fact that there were other people in the female washroom, he opened them one by one. There were screams coming from inside but none of them was his Qiqi.

She ran away!

qin anlan stood in the women’s washroom, his lips pursed into a straight line.

At that moment, his phone rang. He took it out and saw that it was a message and a photo from Qiqi.

he was in the photo!

the main point was the hickey on his neck.

It was an obvious Hickey, and it was obvious that he had slept with a woman.

Qin Anlan cursed under his breath. He called PEI Qiqi's number as he walked out, but her phone was turned off.

damn it!

"Immediately search the surrounding area!" he said coldly as he looked at KIME.

Besides a small bag, everything else was here for Qiqi. If she left alone without money, where would she sleep and eat?

other than anger, he was also worried!

Kie was scared out of his wits. If he slipped away right under their noses, boss Qin would definitely skin him alive.

So, he immediately called for people to look for her. However, PEI Qiqi wanted to run away, so how could he find her?

qin anlan searched until late at night. however, in the end, a phone call from A city called him back because mu yun was bleeding again.

he and mu yun were both RH negative. he was now mu yun's mobile blood bank and could not take a single step out of it.

Before Qin Anlan left, he told Kime that he had to find Qiqi no matter what.

However, before he boarded the private plane, Qin Anlan felt that if he left, he might lose PEI Qiqi forever.

.....

pei qiqi threw the last few steel vases in her pocket onto the bus and took it to an unknown place.

She didn't know where to go, but she was sure that she didn't want to go back to new York with an LAN.

When she returned, it was as if she was imprisoned.

besides, she felt that there was no need to continue that kind of marriage.

that wouldn't be fair to an lan either. there was justice in this world, but it extinguished human desires.

the pei qiqi now felt that she had to be true to her desires.

She yearned for a free life, to walk the world with a camera on her back, and not be bound by anyone.

Just like now, even though she liked Tang Yu's body and was extremely curious about that man, she wouldn't stop for him. She felt like she was the wind and she wanted to take the best picture in her heart.

His flesh| To her, it was just a scenery in nature.

but now, there was no need to talk about ideals and scenery. she was about to be left with nothing.

pei qiqi alighted at a certain station in the city. she touched her stomach and felt that the steak she just ate had been digested.

She looked around and finally accepted that she was on the streets.

she clutched the small bag, which was her only property

Chapter 1099 i picked up a little puppy (sweet sweet pet)

in the past, her mind was blank, and she didn't even have the chance to ask for help.

She scrolled through her phone and saw Qin Anlan's photo. She didn't feel jealous. She only felt relieved. It was good that he didn't keep his chastity for her.

perhaps if this dragged on any longer, an lan would take the initiative to divorce him. no man could insist on an asexual marriage!

Of course, she believed that he liked her. However, she clearly knew that an LAN was not that person. She was not the person she was looking for.

She hugged her knees and looked up in a daze.

PEI Qiqi was going to starve!

where are you sleeping tonight?

She wanted to cry because she was hungry again!

Tang Yu sat in the car with his elbow bent as he smoked a cigarette. He looked at his little girl.

the little girl squatted there, looking very cute as she had no home to return to.

he wasn't in a hurry to find her. he just sat there and watched pei qiqi hug him, looking so pitiful.

He felt a sense of mischief in his heart. He drove the car in front of her and did not say a word. He sat in front of the window and smoked.

PEI Qiqi looked up and saw him in a daze.

“What are you doing here?” Her eyes were wide open as she looked at him.

He was wearing a white shirt with two buttons unbuttoned. It was a little casual, but he still looked good.

the sleeves around his elbow were rolled up as well. his arm was strong and firm. pei qiqi's eyes became a little blurry again. she stared at it for a long time like a dog looking at a bone.

tang zheng smiled. ” do you want to get in the car? ”

PEI Qiqi squatted down like a dog and strolled around without moving.

the one in front of her was a wolf, and she was a lamb. she would not go back with him.

Tang Yu smiled, " if you don't get in the car, I'm leaving.

She showed an expression that she would not be fooled.

Tang Yu wanted to tease her because this Qiqi was so fun to play with.

"pei qiqi, are you sure you're not leaving?" "do you have money?" he asked, looking at her small bag.

Her luggage was also gone. When she left this morning, she did not realize that he had taken her three thousand Yuan.

as he expected, pei qiqi left after seeing the hickey on qin anlan's neck. qin anlan should be on his way to A city by now.

tang yu didn't know why an lan's obsession was so deep. a woman who had loved him for so many years, yet he didn't realize it.

Ye Liangqiu was one of the few women that Tang Yu admired. She was delicate but not seductive. After so many years in the entertainment industry, she had always been clean. He wouldn't believe it if it wasn't for an LAN.

She even gave birth to a son for an LAN. Qin Anlan must have been running away all this time! Perhaps, he was against such feelings from the bottom of his heart. He would rather believe in what he had and what he saw.

pei qiqi raised her head and looked at tang yu in front of her. she felt that he was extremely hateful.

he was lecherous! She would never leave with him after what he did to her in his villa.

you might not know about the public security here at night. tang yu slowly smoked his cigarette. his handsome face had a touch of evilness, " at night, the wanderers will come here to sleep. they are all in their 40s or 50s and don't have a wife. "

pei qiqi hugged herself and looked left and right. she glared at him, " "You don't have a wife either!"

"So, what are you afraid of?" He opened the door and got out of the car with a cigarette in his hand.

Against the black trousers, her long legs were like a walking spring. | medicine.

he walked to her and squatted down to her eye level.

Chapter 1100 picked up a little puppy (sweet sweet pet)

pei qiqi's eyes widened. in fact, she despised herself.

She clearly knew that he had bad intentions and that he had bad intentions towards her body, but for the sake of bread and a place to stay, she didn't run away.

she even thought that if that was the case, it would be fine. after all, yingluo was very good-looking, and she really wanted to gnaw on him.

PEI Qiqi swallowed her saliva. She was shocked by herself!

She didn't know why she was so interested in his body. She didn't seem to have done this to anyone else before.

Maybe, maybe he would be fine after sleeping with her once!

PEI Qiqi's eyes turned green. Tang Yan laughed in his heart and pulled her up, "let's go,"

He held her hand so naturally, as if they were meant to be together.

she pulled her hand away, and he turned his head, his face indulgent. "pei qiqi, are you leaving or not?"

She pouted her little mouth and hesitated. If she didn't leave, she would have to sleep on the streets. in the end, she still obediently followed him.

tang yu smiled and locked the car door. then, he crossed the road and walked across the street.

"why don't you get in the car?" She followed him and asked.

tang yu wasn't walking very fast in front. he was walking at a speed that she could keep up with. walking like this with a little guy following him, it felt pretty good.

He found a feeling of love-the part that he and Qiqi had skipped.

"Do you have a change of clothes?" He took out a cigarette from his pocket, lowered his head, lit it, and took a long drag.

pei qiqi followed him closely. suddenly, he wrapped one arm around her neck and pulled her into his embrace.

"what are you doing?" she wanted to break free, but tang yu hugged her a little tighter. his voice was a little seductive, "there's a car in front. "

he was dressed normally, with a cigarette in one hand and her in the other, just like any ordinary couple in the world.

at this moment, his heart was calm.

PEI Qiqi dejectedly replied with an 'Oh'. She looked at the many cars on the road and obediently stayed in his arms.

Tang Yu lowered his head and looked at her. As he walked, he said calmly, "pei qiqi, did qin anlan cheat on you and give you the feeling that he gave you the green light? hmm?"

PEI Qiqi was about to explode!

How did he know that Qin Anlan was fooling around?

because I've known Qin Anlan for a long time. "do you want to know more about his woman?" he asked, very pleased.

PEI Qiqi didn't say anything. She didn't want to discuss an LAN with others.

At this moment, ye Liangqiu's commercial was playing on the big screen in the shopping mall. Tang Yu and her were standing below.

He smiled. Qiqi, ye Liangqiu is Qin Anlan's mistress. To be exact, that's not the case. She was one of the women Qin Anlan had in the past. The only difference was that she gave birth to a son for Qin Anlan.

pei qiqi was stunned.

son?

"Yes, he's called ye mu Yun." Tang Yu took out his phone and placed a photo in front of PEI Qiqi.

it was a scene of qin anlan carrying a boy, followed by a woman wearing sunglasses. upon closer inspection, it was ye liangqiu.

PEI Qiqi's eyes were wide open. After a long time, she said, " "his son is already this big?"

Tang Zheng smiled. Qin Anlan never knew. Otherwise, he wouldn't have married you.

PEI Qiqi raised her eyes and looked at Tang Yu with a lost expression, " "you know about my past, right?"

he knew qin anlan and knew so much. he must know her past and who she was.

tang yu smiled and ruffled her hair, " pei qiqi, you have to find the answer yourself. "
